1. The Minutes of Proceedings of the Meeting held on June 20, 1903, were read, confirmed, and signed by the Chairman.

2. The following documents were submitted:—Statements of Receipts and Expenditure from close of 1902 to June 30, 1903, on account of the Municipal Fund, comprising the (No. 1) General Revenue, (No. 2) Consolidated Rate (Police and Lighting), and (No. 3) Water-rate Accounts; Progress Report of Works done brought up to the same date; Health Officer's Report for, and Statement of Cases instituted by the several Inspectors during, the month of June, 1903.

Resolved—That the several statements, together with the Minutes of Proceedings of this Meeting, as required by section 90 of the Municipal Councils' Ordinance, No. 7 of 1887, and the Health Officer's report, be forwarded to the Colonial Secretary for publication in the *Government Gazette*.

3. The following papers were laid on the table:—Reports by the several Inspectors on laundries inspected during the month of June, 1903.

4. Correspondence.—The following letters were submitted:—

(a) Letters Nos. 9 and 13 dated May 26 and June 16, 1903, respectively, from the Colonial Secretary, respecting the purchase of a photometer and results of tests of electric pressure maintained on the electric mains in Kandy, with an explanation called for by Secretary's letter No. 710 of June 22, 1903, from the Resident Engineer, Colombo Gas and Water Company.

Resolved—That the Government be asked if they will pay half the cost of a voltmeter, to be procured as suggested by the Government Electrical Adviser in his letter of May 14, 1903; the readiness of Government to meet half cost of a photometer was stated by the Provincial Engineer in his letter No. 293 of December 12, 1903, to the Government Agent.

(b) Letter No. 14 dated June 27, 1903, from the Colonial Secretary, stating, in reply to the 5th paragraph of Chairman's letter No. 7 of February 3, 1903, that Government is prepared to consider the propriety of conserving the Kandy lake at the expense of public revenue, and asking for a statement showing annual cost of conservancy during the last ten years.

Resolved—That a statement of expenditure incurred during ten years by the Council in dredging the lake be forwarded as requested.

(c) Letter dated June 14, 1903, from Mr. Tivy, Honorary Secretary, Ceylon Croquet Association, thanking the Council for allowing the Committee the use of the esplanade for purposes of a croquet tournament.

(d) Letter dated June 29, 1903, from Mr. J. P. Lewis, late Chairman, thanking the Council for resolution adopted on June 20, 1903;

5. Memorandum dated June 22, 1903, by the Chairman, embodying recommendation by the Standing Committee on "Municipal Works," respecting extra labour for the improvement of the recreation ground and the necessity for employment of extra guards, was laid on the table, after having been circulated amongst Members.

Resolved—That the sanction for employment of extra guards be confirmed, provision being made in the Supplemental Budget for the year.

6. At the request of Mr. C. Vanderwall, the questions of which Mr. R. W. Jonklaas had given notice that he would bring forward were allowed to remain over till next Meeting, as he, Mr. Jonklaas, was unavoidably absent.

7. In accordance with notice, Mr. Gibbon asked—What steps are being taken to have increased postal facilities in the shape of pillar-boxes, receiving offices, &c., now that the General Post Office is removed so far from the business part of the town.

Reply.—Colonial Secretary's letter No. 10 of June 2, 1903, in reply to an application for a branch Post and Telegraph Office in the town, was submitted on June 20, 1903. It was stated therein that it is regretted that the suggestion cannot be entertained. In his letter of March 17, 1902, the Postmaster-General intimated that his estimate proposal for increasing postal facilities had not received the approval of Government.

Mr. Gibbon gave notice that at the next Meeting he would bring forward a motion on the subject.

8. In pursuance of notice, Mr. Gibbon asked—What steps are being taken by the Council to have the lands other than the catchment area taken over by Government at the price paid for it by the Municipal Council, and the expenditure of such money on the drainage of the town, which in some parts is believed to be in an insanitary condition.

Reply.—Letter No. 7 of February 3, 1903, was addressed to the Government on the subject. The Colonial Secretary's letter No. 14 of June 27, 1903, referring to this letter, was submitted at the Meeting this day. No other communications received.

9. Read recommendation by Standing Committee on "Law and General Subjects."

That the lease of premises No. 210, Peradeniya road, to Mr. P. D. Siabel, be renewed for a further period of five years on the same terms as before, it being understood that the Council will be allowed to occupy a small portion of the ground to the south of the cattle exposing shed, if required, for purposes of erecting a shed for sheep and goats, without claim for compensation.

Proposed by Mr. Vanderwall, seconded by Mr. Beven, that the recommendation be adopted.

On being put to the Meeting the motion was carried.

10. Read recommendation of the Standing Committee on "Municipal Works."—That the following applications for house service pipes be granted:—V. S. Sivagurunader, No. 106, Castle Hill street, M. Keppitipola, 240, Trincomalee street.

Proposed by Mr. Beven, seconded by Mr. Vanderwall, that the recommendation be adopted on the usual terms, viz.:—(1) That a meter be fixed on each service, and a charge made for its use and for water consumed in excess of allowance; and (2) that the tap be placed at a height of not more than 2 feet above floor level.

H. BYRDE,
Superintendent of Works.

Health Officer's Report for the Month of June, 1903.

Scavenging.—The scavenging of the town has been fairly well carried out during this month. The cuttings from the trees on the sides of Peradeniya road, particularly at Getambe, have been allowed to remain too long; this I consider is the fault of the Public Works Department, who seem to think that the town carts can possibly take away all the rubbish they have. This has been reported to the Secretary.

Drainage.—Owing to the rains the drains have been kept well flushed.

Water Supply.—Good. I attach an analysis of the water taken from a standpipe in Ward street.

Alleys.—The alleys are being kept as clean as possible, considering their construction and the people who live in them.

Laundries.—Well kept.

Dairies.—Clean and well kept.

Bakeries.—Well kept.

Market.—Generally well kept. All food stuffs were inspected and found good.

Cattle passed this Month.—Cattle, 504; buffaloes, 54; sheep, 116; goats, 226.

Slaughter House and Exposing Shed.—Clean and well kept.

House of Shelter.—The house at Deyennewella I found kept in an insanitary state. This was reported to the Secretary.

Boutiques.—Well kept.

Night Soil Depot.—Well kept.

Latrines.—Generally well kept.

General Health.—Good. A few cases of chickenpox have been reported; one case of enteric fever in Ward street was reported and visited by me. On June 1 a patient was isolated and treated at home. Every precaution has been taken, and now the patient is well. The Ward Inspector has been ordered to see the place thoroughly disinfected.

Kandy, July 10, 1903.

ANDERSON SMITH,
Health Officer.

Equivalent of common salt: under 3 grains per gallon.
6. Nitrites: none.
7. Nitrates: none.

From the examination of the source of the water herein referred to, and the results obtained by analysis, I am of opinion that it is a very pure water, and admirably adapted for all domestic purposes.

45. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be effected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. on the amount of the sums wherein default in payment had been made, but no share *bond fide* sold or re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

52. *Resolutions affecting a particular Class of Shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been affected without it.

53. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

CALLS.

54. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholder of the time and place appointed for payment of each call.

Calls, Time when made.—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

Extension of Time for Payment of Call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof, on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

55. *Interest on unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company to such extent, in such manner, and upon such terms and conditions as they may think fit. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any bonds, mortgages, debentures, debenture stock bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights of the Company (both present and future), including uncalled capital or unpaid calls, or by giving, accepting, or endorsing on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors or by one Director and the Secretary or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

MEETINGS.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. *Seven Days' Notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the objects and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

64. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

68. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their absence or refusal a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

73. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

74. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing signed by three Shareholders present in person and not by proxy or by attorney at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such a manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.
