MUNICIPALITY OF KANDY.

Minutes of Proceedings of a Meeting of the Municipal Council of Kandy held in the Town Hall, Kandy, on Saturday, August 15, 1903, at 8.30 o'clock a.m., in accordance with Notice dated August 11, 1903.

Present :—Hon. Mr. S. Haughton, Chairman ; J. H. Sproule, Esq. ; E. Beven, Esq. ; W. D. Gibbon, Esq. ; C. Vanderwall, Esq. ; R. W. Jonklaas, Esq. ; H. F. Tomalin, Esq. ; Dr. J. H. Ebell.

1. The Minutes of Proceedings of the Meeting held on July 18, 1903, were read, confirmed, and signed by the Chairman.

2. The following documents were submitted :—Statements of Receipts and Expenditure from close of 1902 to July 31, 1903, on account of the Municipal Fund, comprising the (No. 1) General Revenue, (No. 2) Consolidated Rate (Police and Lighting), and (No. 3) Water-rate Accounts ; Progress Report of Works done brought up to the same date ; Health Officer's Report for, and Statement of Cases instituted by the several Inspectors during, the month of July, 1903.

Resolved—That the several statements, together with the Minutes of Proceedings of this Meeting, as required by section 90 of the Municipal Councils' Ordinance, No. 7 of 1887, and the Health Officer's report, be forwarded to the Colonial Secretary for publication in the *Government Gazette*.

3. The following papers were laid on the table :—Reports by the several Inspectors on laundries inspected during July.

4. Submitted Auditor's report for June with remarks thereon by the Secretary.

Resolved—That the report be circulated with the Secretary's explanation on the points specified by the Chairman.

5. Mr. Sproule put a question respecting a petition, praying for extension of water supply, and of which he held a copy.

Reply.—No such petition had been received.

6. Correspondence.—The following letters were submitted and read :—

(a) Letter No. 15, dated July 22, 1903, from the Colonial Secretary, respecting carriage drive along the Mahaweli-ganga, and forwarding copy of a report by the Director of Public Works, together with a tracing.

Resolved—That receipt be acknowledged.

(b) Letter No. 16, dated July 23, 1903, from the Colonial Secretary, inviting attention to E No. 6 of June 17 respecting sanitation of Buddhist monasteries.

Read, in connection with this, the memorandum forwarded by the Colonial Secretary with E No. 6 of June 17, and report on the existing sanitary arrangements at pansalas, vihares, &c., already forwarded to Government.

(c) Letter No. 17, dated July 27, 1903, from the Colonial Secretary, inviting attention to E No. 5 of May 26, 1902, regarding Kandy sewerage works.

It was proposed by Mr. Tomalin, and seconded by Mr. Vanderwall—That a Special Committee be appointed to consider the scheme of the Director of Public Works dated May 12, 1902.

Mr. Gibbon proposed as an amendment, which was seconded by Mr. Jonklaas—That the Chairman be instructed to reply that the cost of the proposed scheme of "Kandy sewerage" was beyond the means of the Municipal Council.

The Chairman, on calling for a show of hands, declared the amendment to have been carried, five Members being in favour of the amendment, the proposer and seconder of the original resolution and the Chairman dissenting.

(d) Letter No. 18, dated July 31, from the Colonial Secretary, forwarding copies of Government Circulars No. 92 of May 31, 1898, and No. 129 of July 11, 1898, respecting the institution of legal proceedings by Public officers.

(e) Letter No. 21 of August 12 from the Colonial Secretary, in reply to Chairman's letter of July 25, requesting that the privilege of travelling at reduced rates by rail be extended to coolies employed by the Municipal Council as is allowed to coolies in employ of the Public Works Department.

It is stated that the Government sees no reason for the issue of railway tickets at reduced rates to Municipal coolies.

7. In accordance with notice, Mr. Jonklaas asked the following questions:—What has been done regarding the appointment of a Scavenging Inspector in place of Mr. Ferdinands, and moved for papers.

Reply.—By resolution 13 of Meeting held on April 18 applications were to be called for, and the matter of appointment was left to the Chairman and Health Officer.

Twenty-three applications were received; out of these four selections were made, and Z. A. Jaldin was appointed Scavenging Overseer on a salary of Rs. 30 per month by the Chairman, on report of the Health Officer that he considered Jaldin fitted for the post, and that he had given entire satisfaction. Health Officer's letter of May 21 to the Chairman submitted, with orders thereon by Chairman appointing Jaldin.

8. In accordance with notice, Mr. Jonklaas asked—At what rate rice is supplied to the Municipal labourers, and by whom, whether upon contract or not, and moved for papers.

Reply.—Recent rate for rice has been Rs. 4.50 for muttasamba purchased from K. P. R. M. Ramen Chetty, at price fixed monthly, in accordance with published rates, this practice having been found to work satisfactorily; the issue of rice is not compulsory, and the coolies voluntarily pay the cost; and there have been no complaints either as to quality or price. Statement of ruling prices in Colombo from January to July submitted.

9. Mr. Jonklaas, in accordance with notice, moved for a return of the cost of street scavenging and removal of night soil from 1897 to 1903.

Mr. Gibbon, rising, stated that at last Meeting he gave notice that he would bring forward a motion respecting "increased postal facilities;" he had not sent in a copy of motion, but now moved—That Government be again requested to increase the postal facilities of Kandy, now that the General Post Office has been removed to its present distant position.

This motion was seconded by Mr. Beven, and on being put to the Meeting unanimously adopted.

12. Letter No. 14, dated June 27, from the Hon. the Colonial Secretary, respecting Kandy lake, was submitted.

The amount of offer made by Satchuananden Chetty was Rs. 640.

It was resolved, after a short discussion, that the offer of Rs. 640 be accepted, Mr. Beven and Dr. Ebell, dissenting.

14. The following recommendation of the Standing Committee on "Municipal Works" was submitted—That house service pipes be allowed on application of A. Luchow, No. 216, Colombo street.

Resolved—That the recommendation be adopted.

15. The following recommendation of the Standing Committee on "Law and General Subjects" was submitted, in respect of fee to be charged for a license to sell inflammable oil in quantities not exceeding 50 gallons.

Resolved—That the recommendation be adopted.

Resolved—That the Annual Report be forwarded to the Colonial Secretary, with a request that it may be printed and 50 copies supplied to the Council; that it be intimated that any resolution that may be passed thereon by the Council will be forwarded later on.

Proposed by Mr. Vanderwall, seconded by Mr. Beven—That the report be referred to a Special Committee consisting of Messrs. Sproule, Vanderwall, Jonklass, and Dr. Ebell.

The motion on being put to the Meeting was carried.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on August 8, 1903, at 2 p.m.

Present:—The Chairman; H. A. Grant, Esq.; Dr. E. Ludovici; F. Abeyesundara, Esq.; Magdon Ismail, Esq., and D. G. Goonawardana, Esq.

1. Read and confirmed Minutes of Meeting held on July 11, 1903.

2. Pursuant to notice, Dr. Ludovici asked—Whether it is true that it has been decided to land passengers and their luggage from plague-infected vessels at Trinity House in the heart of the town instead of sending them as before to Plague Bay. If this be so, whether passengers will be landed at the ordinary landing jetty, and by what route they are to be conveyed to the segregation camp.

The Chairman replied that he is informed by the Colonial Surgeon that nothing has been definitely decided yet.

3. In view of the answer to his question, Dr. Ludovici, by leave of Council, withdrew the motions notice of which he had given.

4. Submitted correspondence with the Colonial Surgeon, Southern Province, on the subject of the inspection of suspected mad dogs, in which he contends that this duty "is and ought to be the Sanitary Officer's." The Chairman intimated that he had written to the Hon. the Colonial Secretary inquiring whether the expression "Medical Officer of the Civil Medical Department" in section 11 of Ordinance No. 7 of 1893 includes the Sanitary Officer of a Municipality, but that no reply has been yet received.

5. Read letter from Mr. Proctor Obeysekera laying claim to Rs. 103.33 out of the sum at which Mrs. Kale's house was acquired. The Chairman explained that the claim was made after completion of the acquisition and payment to Mrs. Kale.

At this stage of the proceedings Dr. Rudd and Mr. F. Perera arrived.

6. Submitted:—

(1) Accounts brought up to June 30, 1903.

(2) Report of Progress of Works brought up to June 30, 1903.

Confirmed:

Shareholder still liable to pay Money owing at time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment, at fifteen per cent. per annum; and the Directors may enforce the payment thereof if they think fit.

44. *Surrendered or forfeited Shares to be Property of Company and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and subject and without prejudice to the provisions of Article 46 hereof, may at any time not less than six months after such surrender or forfeiture be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

45. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

46. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors shall remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than at the rate of nine per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bonâ fide* sold or re-allotted, or otherwise disposed of under Article 44 hereof, shall be redeemable after sale or disposal.

47. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons; and the Directors may decline to register any transfer of shares subject to such charge or lien.

48. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for six months from such notice in paying the sum thereby required to be paid.

49. *Proceeds how applied.*—The net proceeds of any such sale as aforesaid under the provisions of Articles 44 and 48 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

50. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 48 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

51. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

52. *Preference and deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

53. *Resolutions affecting a particular Class of Shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares

may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

54. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

CALLS.

55. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholder of the time and place appointed for payment of each call.

Calls, time when made.—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors.

Extension of Time for Payment of Call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof, on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

56. *Interest on unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments due, shall pay interest for the same at the rate of fifteen per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

57. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

BORROWING POWERS.

58. *Power to Borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Twenty thousand Rupees (Rs. 20,000). But with the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums at such rates of interest and upon such terms as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any bonds, mortgages, debentures, debenture stock bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights of the Company (both present and future), including uncalled capital or unpaid calls, or by giving, accepting, or endorsing on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors or by one Director and the Secretary or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

MEETINGS.

59. *Ordinary General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

65. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.
