## Forward

It is with great pleasure that we present Sri Lanka National Bibliography (Retrospective) : English publications, 1931-1940. While compiling the current National Bibliography the National Library and Documentation Centre (NLDC) also paid attention to compilation the Retrospective National Bibliography. The Retrospective National Bibliography should cover the period of 1737 (the year printing was introduced to Sri Lanka) to 1963 (the year in which the compilation of the Sri Lanka National Bibliography commenced.) Up to now Bibliographies covering the period 1737 – 1930 and 1962 were published. Sri Lanka National Bibliography (Retrospective) : English publications, 1931 – 1940 can be considered as another step of this project.

The following sources were used for compiling this bibliography :

- \* Ceylon Gazette Part V. These quarterly issues include information of books printed in Sri Lanka and registered at the Department of National Archives under the Printers and Publishers Ordinance of 1885
- \* A Bibliography of Ceylon by H.A.I.Goonetilleke
- \* Department of Archaeology Library
- \* National Library and Documentation Centre (NLDC)
- \* National Museum Library
- \* Royal Asiatic Society (Sri Lanka Branch) Library
- \* University of Kelaniya Library
- \* University of Peradeniya Library

Only the English language publications published during the relevant period are included in this bibliography. It consists of (1) subject section (2) author, title and series index and (3) subject index. Classification was done using the 22<sup>nd</sup> edition of the Dewey Decimal Classification. Information in the entries are arranged in accordance with the second edition of the Anglo – American Cataloguing Rules (AACR II). The subject index has been prepared using the Chain Indexing System.

For the benefit of the users, the locations of the books are indicated at the end of each entry.

I thank Mrs.Amara Nanayakkara, former head, bibliography division, NLDSB for the final correction of this bibliography, Miss. Chandima Wadasinghe, Librarian (Actg.),for her assistance for compilation of bibliography and Heads and Librarians of all the above mentioned institutions who rendered assistance to collect bibliographical information for this publication.

Readers are invited to bring to the notice of the NLDC any shortcomings, errors or details of eligible publications which have not been included in this publication.
