Sale of Ebony.

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depôt, Kew road, Slave Island, Colombo, on Saturday, January 26, 1918, at 9 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Re. 1 per lot will be accepted.
2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.
3. Payment of 25 per cent. of the successful bid to be made at time of sale if so required.
4. Depôt weights must be accepted, but buyers can have the right of giving notice, before the expiration of the date of payment, of having the actual weight ascertained. Should the difference between the depôt weight and the weight ascertained after re-weighing be more than 1½ per cent., the cost of re-weighing is to be borne by the Forest Department, and if within 1½ per cent. by the purchaser; any difference between the depôt weight and the weight ascertained after re-weighing is to be paid or allowed for, as the case may be. Should two or more purchasers desire to re-weigh their timber on the same day, precedence will be given to the buyer whose notification of intention to re-weigh reaches the Assistant Conservator of Forests first.

5. No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depôt within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchasers until removed.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the re-sale, while if an enhanced price is realized at such re-sale, he shall, however, have no claim to the profit which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid, such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.

THE following Specification has been accepted :—

No. 1,555 of August 30, 1917.

Maurice John Cary and Charles Cowie Stephen.

"Improvements in the friction grip heads of carriers for aerial ropeways."

Abstract :—

The invention is the provision of rollers or ferrules made of iron, brass, or other rigid material, upon the surfaces of which spiral groovings have been made to fit exactly into the spiral windings of a ropeway cable. On a steep gradient the spirally-grooved rollers or ferrules cannot slip and at the same time the cable and rollers or ferrules are permitted to rotate freely.

The claim is :—

In the friction grip heads of carriers for aerial ropeways an improved friction grip, consisting of rollers or ferrules arranged in pairs and made of iron, brass, or other rigid material, upon the surfaces of these rollers or ferrules, spiral groovings are prepared to fit into and grip the spiral windings of any ropeway cable, while permitting the cable to freely rotate about its own axis, substantially as described and illustrated in specification and sheet of drawings.

THE Council met this day at 2 P.M., pursuant to notice dated November 12, 1917.

Present :—The Hon. Mr. R. B. Hellings, Chairman; Mr. D. G. Goonewardene; Mr. D. W. Subasinghe; Mr. C. E. de Vos; Mr. G. E. Abeywardene; Mr. A. C. Hayley; Mr. E. H. Vanderstraaten; and Mr. J. E. Perera.

1. The Minutes of the General Meeting of Council held on October 13, 1917, a copy thereof having been previously sent to each Councillor, were taken as read.

With the leave of Council, Mr. D. W. Subasinghe called attention to an omission in item 8 of the Minutes of the last Meeting, namely, that Council went into Committee for the consideration of his amendment upon the Chairman's motion, and that the amendment was put to Committee. The Chairman was of the opinion that, automatically, Council had resumed after the discussion, and that the amendment was put to Council, and not to Committee.

Resolved—That the Minutes of the General Meeting held on October 13, 1917, be confirmed.

Pursuant to notice, Mr. G. E. Abeywardene asked—(a) Has the Chairman convened a Meeting of the Special Committee appointed to investigate the effect on the town water of the timber existing in the bed of the Hiyare reservoir? (b) If so, have the labours of this long-standing Committee been concluded? (c) Will the Chairman submit to the Council the report of this Special Committee together with the connected papers?

The Chairman replied—(a) That three Meetings were convened; (b) that the Special Committee's investigations were completed; and (c) that the report would be circulated.

3. With the leave of Council, Mr. G. E. Abeywardene amended the motion standing in his name to read as follows :—
"That the rickshaw stand near the Oriental Hotel be extended to accommodate 12 rickshaws, and that a new stand be provided for 6 rickshaws on the plot of ground opposite the Fort market." Mr. C. E. de Vos seconded.—Carried.

4. Pursuant to notice, Mr. J. E. Perera moved—(a) "That a Committee be appointed for the purpose of considering the matter of permitting buildings to be erected upon the line of existing public streets without making provision for the easy widening of such streets in the future, and for reporting thereon."

With the leave of Council, the following words were added to the motion :—"And suggesting remedial measures." Mr. E. H. Vanderstraaten seconded.—Carried.

Resolved—That Mr. D. W. Subasinghe, Mr. A. C. Hayley, Mr. E. H. Vanderstraaten, and Mr. J. E. Perera do form the Committee.

(b) With the leave of Council, Mr. J. E. Perera amended his motion as follows :—"That the employes of Council be prohibited from making plans for private parties for the erection of buildings or additions thereto, and that such plans be not entertained by the Council." Mr. A. C. Hayley seconded.

Resolved—That the motion stand over till further inquiry is made.

5. Pursuant to notice, Mr. D. G. Goonewardene moved—"That the Superintendent of Works may be asked to make a report, including the probable cost, as to the cheapest way of raising the bottom of the hollow in the Victoria park, to a sufficient height to make the storm water to be carried away by the existing channel without remaining collected for some time as it does now." Mr. G. E. Abeywardene seconded.—Carried.

6. Pursuant to notice, Mr. D. W. Subasinghe moved—"That the junction of Circular road with Morris road, at the turn to Miliduwa, be improved by straightening out the curve, and that the Superintendent of Works be requested to submit a plan and estimate for same." Mr. E. H. Vanderstraaten seconded.—Carried.

7. With the leave of Council, the Chairman brought up an application from the Adjutant, C.M.R. and C.P.R.C., to erect apparatus for bombing and bayonet training on a bit of land on the opposite side of the road to the racecourse. The consideration of the matter was postponed for further information from Mr. Griffiths.
