Colonial Secretary's Office,
Colombo, May 8, 1918.

The provisions of Sub-sections (c), (e), and (f) of Section 9 contained in Chapter II. of "The Forest Ordinance, 1907," and the following Regulations shall apply to the Forest which has been proclaimed under Section 14 to be a Village Forest for the benefit of the Village Community of Weralupe.

1. If in the opinion of the Divisional Officer the forest cannot bear all the produce claimed in one year by the villagers, the amount granted to each villager shall be reduced proportionately according to the probable yearly outturn of the forest.

2. If in the opinion of the Divisional Officer the forest can bear heavier fellings than are required to satisfy the requirements of the villagers, the available balance of produce shall be brought out and sold, and the revenue obtained from the sale utilized for improvements of the village, such as roads, irrigation works, Gansabhawas, &c., or on re-afforestation.

3. No villager may claim his share of forest produce except for his own personal requirements.

4. Dead or fallen timber for firewood, grass for litter and thatching, canes and creepers, may be taken by villagers without permit.

5. When any villager requires any forest produce not mentioned in the fourth rule from, or wishes to pasture cattle in, the forest of his village, he shall apply to the Chief Headman of his village for a certificate showing that he is entitled to such produce or to graze such cattle. The Headman, after satisfying himself that such produce is actually required for the villager's own personal wants,

shall give him such certificate. This certificate shall be sent to the local Kachcheri with an application for a permit to fell or collect produce or to pasture cattle, as the case may be.

6. The permit shall be substantially in the forms given in Appendices B to F of the rules prescribed under section 21, Chapter IV., of Ordinance No. 16 of 1907, and shall provide for the stamping of trees by the Headman or Forest Officer duly empowered in that behalf.

7. A permit to remove timber, for which a permit to fell has been granted, shall be obtained from the Rate-mahatmaya of the Kuruwiti korale. Such permit, which shall be substantially in the form K, shall be granted only on return of the permit to fell with the endorsement of the Headman that the conditions of such permit have been observed, and that the timber has been felled and logged.

8. Should it become apparent that the village forest is being systematically pilfered by the villagers or other persons, it shall be lawful for the Government Agent to appoint one or more special officers for the conservancy of the forest, and to charge their pay to revenue obtained from the forest. The privileges of the villagers will then, if necessary, be proportionately reduced.

RULES REFERRED TO.

CHAPTER IV.—SECTION 21 (1) (c).

1. Save in regard to clearing and burning of chenias under permits provided for in rules under section 21 (1) (a) and (b) and to free grants provided for in the rules under section 21 (1) (g), no person shall fell, cut, girdle, lop, tap, or injure by fire or otherwise saw or convert any tree or the timber of any tree or cut bamboos, canes, or rattans for local use or otherwise, nor shall any person who is not the owner of land within a forest, or who has not resided in any village within any forest for two years, collect or appropriate plants, flowers, fruits, seeds, roots, juice, catechu, bark, gum, resin, varnish, lac, or honey, except under a permit issued by a duly empowered Forest Officer, and except on the conditions prescribed in such permit.

2. The permit above referred to shall be substantially in the following forms:—

- (i.) Form B annexed hereto, for the felling and conversion of trees, and collecting or cutting firewood and poles.
- (ii.) Form D appended to the rules dated April 21, 1909, for collecting minor forest produce and cutting bamboos, canes, or rattans.

3. Such permits shall be current only for such reasonable periods as will admit of complete conversion of the produce concerned, and shall not be transferable, nor shall the original quantity of forest produce covered by such permits be subsequently altered. During the operations in the forest the permits shall always be in the possession of the permit holder or his responsible agent who shall either work or supervise the work in the forest.

4. The period of a permit may be extended on payment of 10 per cent. of the royalty value of the produce covered by the permit on justifiable reasons for non-conversion being shown to the satisfaction of the Forest Officer before the date of expiry of the permit.

5. (i.) No permit shall be current for a longer period than twelve months, save in the most exceptional circumstances, and no permit shall be allowed to run for a longer period than three months without the sanction of the Conservator of Forests previously obtained in writing.

(ii.) Permits shall be liable to cancellation for any breach of forest rules.

(iii.) Any forest produce not converted for the purpose of removal by the time the permit for the same expires shall revert to the Crown, and the permit holder shall have no claim to a refund or rebate on account of such unconverted material, neither shall the permit holder have any claim for defects in trees felled or converted.

6. Before issue of a felling or collecting permit the Forest Officer will ascertain the royalty due for the forest produce applied for *in situ*, exclusive of the top and branchwood of standing trees, and demand payment in full, save in the case of permits to Government Departments; he shall not deliver the permit till such payment is made.

7. Save in the case of clear-fellings on behalf of the Conservator of Forests on contract, no permit holder shall fell trees covered by his permit until and unless such trees have been marked by a Forest Officer; after felling and conversion the produce concerned shall not be removed until duly checked and stamped by a Forest Officer and until the necessary removal permit has been issued on payment of any royalty due for the top and branchwood to be removed. In the event of such top and branchwood being not paid for or of any forest offence being committed in respect of the operations under the felling or collecting permit, the removal permit is liable to be refused or withheld.

8. All permits granted under the above rules shall be produced by the permit holder or on his behalf by his agent whenever

called for by the Government Agent or Assistant Government Agent, any Forest Officer, Police Officer, or a Headman.

9. For local trade, as well as for the supply of a town or a manufactory or for any manufacturing purposes, timber for firewood may be collected and removed or permit issued by the Forest Officer; but where the Forest Department establishes or has established fuel depôts for this purpose, such permits shall not be issued within such limits as may be decided by the Conservator of Forests.

10. Any species of timber or minor forest produce the sale of which is prohibited by Government shall not be sold on a permit or otherwise without the previous authority of Government, and except on such conditions as may be sanctioned by the Government in each case.

11. The Conservator shall have the power to prohibit the felling of any particular species of trees in any defined area where he considers such felling inimical to reproduction or where departmental working would be adversely affected.

CHAPTER V.—SECTION 24.

1. Forest produce shall not be exported from the Island except from ports which have been proclaimed as such under the Ordinance relating to the regulation of Customs in the Island and from such export, out-bay, or shipping depôts established for the shipping and export of timber, and subject to the rules and conditions relative to such depôts, as notified from time to time in the *Government Gazette* by the Governor in Executive Council.

2. (a) No person shall remove or cause to be removed any forest produce or timber from Crown land in any part of the Colony except under a permit from the Forest Officer in the form G in the appendix hereto.

(b) No person shall remove or cause to be removed any forest produce or timber from any land, whether Crown or private, in any area specified by the Governor in Executive Council by notice in the *Government Gazette* as an area to which this rule applies, either within the said area or to any place outside the same, except under a permit issued by the Forest Officer in the forms G or H in the appendix hereto.

(c) When any permit provided for in this rule has been issued, no forest produce or timber in respect of which it has been granted shall be removed otherwise than in accordance with the conditions of such permit.

3. No permit shall be granted for the removal of timber until it has been felled and logged, nor shall a permit for the removal of forest produce be granted until it has been made up into bundles or packages ready for transport.

4. The holder of a permit for the removal of forest produce or timber shall produce it for inspection and endorsement at any checking station prescribed therein, and also on the demand of any Forest Officer, Police Officer, or Headman.

5. The period of time during which any permit for the removal of any forest produce or timber shall be in force shall be at the discretion of the person issuing the permit, but any person who requires further time for the removal of his property may apply for an extension to such officer. For timber from Crown land an extension fee of 10 per cent. of the royalty value of the timber or produce will be charged.

6. Every permit for the removal of forest produce or timber shall be returned to the office of issue within two days after its expiry. Should any permit expire before the forest produce referred to therein has been removed, or while the same is in transit, the removal of such forest produce shall not be commenced or continued until the owner or other person in charge has obtained an extension of the time allowed in the permit.

7. No person shall remove or cause to be removed any forest produce or timber from any private land in any area

specified by the Governor in Executive Council by notice in the *Government Gazette* as an area to which this rule applies, either within the said area or to any place outside the same, except under a permit signed and dated by the owner of the land or other person in charge thereof, showing his proper address, the nature and dimensions of each piece of timber, the description of the land from which it was transported, and its destination. A true copy of such permit shall be delivered or posted by the owner or other person in charge on the day on which it was signed to a Superior Headman of the district in which such land is situate. Provided that this rule shall not apply to any case in which the person desiring to remove such forest produce or timber shall have obtained a permit from a Forest Officer authorized to issue the same in form H, and where such a permit has been issued by the Forest Officer, no copy need be delivered or posted by the owner of the land to the Chief Headman of the district.

8. It shall be the duty of the person moving such timber to produce the permit and give all such information concerning such timber as lies in his power to any Headman, Police Officer, or Officer of the Forest Department whenever called upon to do so.

9. When a checking station has been established under section 24 (1) (f) (*vide* rule 11) on any road or river, any permit issued by the owner of any land from which timber has been brought shall be exchanged for a permit issued by the Forest Officer at the place appointed to which the timber covered by the permit is brought.

10. No person other than the owner thereof, or person acting on behalf of such owner or of the Crown, shall loosen or set adrift any floating timber or stranded timber, or any timber raft moored in or to the bank of any river.

11. The Conservator of Forests may, in his discretion, with notice in the *Government Gazette*, establish checking stations on any roads or rivers where all forest produce in transit may be checked, and for that purpose may cause to be constructed or put up booms, chains, toll bars, or any other necessary barriers.

12. All persons having charge of forest produce in transit shall stop at such checking stations and produce their passes for the inspection of the officer in charge.

13. Any forest produce in respect of which no permit or pass as hereinbefore provided is produced may be stopped in transit by any Forest or Police Officer or Superior Headman, who may thereupon examine and mark such timber, and who shall report the matter to his superior officer or to the Government Agent or Assistant Government Agent having jurisdiction.

14. The Forest Officer may appoint any place or places in his division where forest produce that has been stopped in transit may be brought, pending his order or that of the Magistrate regarding the final disposal of such produce. The Forest Officer may, however, in his discretion give such produce in charge of the officer seizing it or any other officer of Government.

15. Timber, the property of Government, may be transported across any land, and all acts necessary or convenient for such transport may be done under the written authority of the Forest Officer. Compensation shall be paid for any damage done to private property by reason of the transport of such timber upon assessment of such damage by a Superior Headman or other competent officer named by the Government Agent.

16. No person shall in any way close up or obstruct, or do any act tending to close up or obstruct, the channel of any river used for the transit of timber. Any Forest Officer may prevent or remove any obstruction in the channel of any such river, and the cost of such prevention or removal may be recovered from the person, or by the sale of any timber, causing the obstruction.

17. No person shall, without previously obtaining a permit from the Forest Officer, establish a saw pit or mill within any Crown forest. The permit shall be substantially in the form J in appendix hereto annexed.

18. No person not being a Forest Officer (unless he be the owner of the timber and the mark used be his property mark) shall mark any timber or possess or carry any implement used for marking timber, and no person not being a Forest Officer duly empowered in that behalf shall supermark or alter or efface any mark on any timber.

19. Every lessee of a Crown forest or other purchaser of Crown timber may be required by the Divisional Forest Officer to mark his timber with a special mark side by side with the departmental property mark and side by side with the departmental sale mark.

20. All property marks shall be registered at the office of the Forest Division from which the timber is to be exported. No person shall be allowed to register a mark already registered in favour of another person, nor any mark used by Government.

21. A Forest Officer may refuse to register any mark which in his judgment so closely resembles a mark used by Government or registered in favour of any person as to be easily altered into such mark.

22. A fee of Re. 1 shall be payable to Government for each registration, and a certificate showing the mark registered, and the period for which it holds good and acknowledging payment of the fee, shall be given to every person registering his mark.

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depot, Kew road, Slave Island, Colombo, on Saturday, May 25, 1918, at 9 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Rs. 1 per lot will be accepted.

2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.

3. Payment of 25 per cent. of the successful bid to be made at time of sale if so required.

4. Depot weights must be accepted, but buyers can have the right of giving notice, before the expiration of the date of payment, of having the actual weight ascertained. Should the difference between the depot weight and the weight ascertained after re-weighing be more than 1½ per cent., the cost of re-weighing is to be borne by the Forest Department, and if within 1½ per cent. by the purchaser; any difference between the depot weight and the weight ascertained after re-weighing is to be paid or allowed for, as the case may be. Should two or more purchasers desire to re-weigh their timber on the same day, precedence will be given to the buyer whose notification of intention to re-weigh reaches the Assistant Conservator of Forests first.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the re-sale, while if an enhanced price is realized at such re-sale, he shall, however, have no claim to the profit which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid, such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a General Meeting of the Municipal Council of Galle held in the Municipal Office on Saturday, March 9, 1918.

THE Council met this day at 2 P.M., pursuant to notice dated March 4, 1918.

Present :—The Hon. Mr. R. B. Hellings, Chairman ; Mr. D. G. Goonewardena ; Mr. D. W. Subesinghe ; Dr. C. B. Lourensz ; Mr. C. E. de Vos ; Mr. G. E. Abeywardena ; Mr. A. C. Hayley ; Mr. J. E. Perera ; and Mr. E. H. Vanderstraaten.

1. The Minutes of the General Meeting of Council held on February 9, 1918, a copy thereof having been previously sent to each Councillor, were taken as read and confirmed.

2. Pursuant to notice, Mr. D. W. Subesinghe moved :—" That the full amount due as riot compensation having been recovered, the instalments still payable by some tax-payers be waived, and the cases instituted against them for non-payment be withdrawn."

Speaking on the motion the mover commended it to the sympathetic consideration of the Council for the following reasons :—(1) That only those who could not afford to pay the tax had failed to do so ; (2) He questioned the legality of the Council recovering more than the assessed amount of compensation ; and (3) the Council stood to lose nothing by waiving further payments, as, already, more than was required for paying compensation had been recovered. Mr. G. E. Abeywardena seconded.

The Chairman opposed the motion. He said that no scheme could possibly yield an exact specified amount. The scheme, as passed by Council, and approved by His Excellency the Governor, was now law, and should be carried out by the Council, and he questioned the right to exempt *en masse* those who had evaded payment. The tax was recovered only from persons in sound health and able to earn, and he was constantly exempting defaulters who were reported by the Medical Officer of Health as "unfit" and who had no means of paying the tax. But to exempt the lower classes *en masse* as was suggested would be to exempt many who had benefitted by the riots.

On the motion being put only the mover and the seconder voted for it; and it was declared lost.

3. Appointment of a Superintendent of Works. The Chairman moved Council into Committee.

Council in Committee.

The Chairman moved that Mr. F. B. Toussaint, Senior Inspector, Public Works Department, be appointed Superintendent of Works and, if elected, that the Hon. the Director of Public Works be asked to second him for six months, as a period of probation. Mr. E. H. Vanderstraaten seconded.

Mr. D. W. Subesinghe moved, as an amendment, that Mr. J. A. W. Rodrigo, Inspector, City Sanitation Department, Colombo Municipal Council, be appointed Superintendent of Works. Mr. J. E. Perera seconded.

The amendment on being put was declared lost; 3 voting for, and 6 against it. The Chairman's original motion was then put, and carried.

On Council resuming, the Chairman formally moved that the recommendation of the Committee be adopted, and that Mr. Toussaint be appointed Superintendent of Works. Dr. C. B. Lourensz seconded.

Mr. D. W. Subesinghe moved, as an amendment, that Mr. J. R. Grenier be appointed Superintendent of Works. Mr. G. E. Abeywardena.—Seconded.

The amendment was declared lost, three voting for and six against it. The original motion was then put, and carried.

4. Employment of a Municipal midwife. Resolved that a midwife, whose services would be at the disposal of the poor, be employed on a salary of Rs. 480 per annum, and that a selection be made from the list of certified midwives furnished by the Principal Civil Medical Officer.
