(3) The Governor in Executive Council may, by Proclamation, make such regulations as appear to him necessary in relation to any Proclamation under this section; and may by those regulations in particular require the origin of all sugar imported or brought into Ceylon, whether in transit or otherwise, to be proved by such certificate or other evidence as may be provided in such regulations.

An Ordinance to prevent the removal of Sand, Stone, and other Substances from the Seashore in certain cases.

Preamble.

WHEREAS it is necessary to make better provision for the prevention of damage caused by removing stone, sand, coral, and other substances from the seashore: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title.

1 This Ordinance may be cited as "The Seashore Ordinance, 1903."

Repeal.

2 Ordinance No. 20 of 1865, intituled "An Ordinance to provide against the removal of Stones and other Substances from certain parts of the Seashore," is hereby repealed.

Power of government agent to prevent removal of stones, &c., from seashore.

3 It shall be lawful for the government agent of any province to prohibit the removal of sand, stone, coral, or other substances from any part of the seashore within his province adjoining or near any public road, thoroughfare, public work, public building, or adjoining or near any part of the Ceylon Government Railway, if such removal should, in his judgment, be calculated to injure such road, thoroughfare, public work, public building, or railway, and he shall cause notice of such prohibition to be given by such means as shall seem to him likely to give the greatest publicity thereto.

Penalty.

4 (1) It shall be lawful for the Governor in Executive Council by Proclamation to prohibit the removal of all or any of the substances named in the last preceding section from any place on the seashore of the island or in the sea adjoining thereto whenever it appears that the removal of such substance is calculated to expose any houses, lands, trees, or other immovable property to damage by the sea.

(2) Every Proclamation under this section shall be published in the *Government Gazette*, and shall specify the limits within which the prohibition therein contained shall take effect.

Power of Governor to prohibit removal of such substances.

5 Any person who in contravention of any notice given by a government agent under section 3 or of a Proclamation under the last preceding section removes or assists in the removal of any sand, stone, coral, or other substance, shall be guilty of an offence, and shall be liable on conviction thereof to a fine which may extend to fifty rupees, and the sand, stone, or coral, or other substance in respect of which he was convicted may be confiscated.
