Upon the money so received, or upon so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which such advance has been made, the Company shall pay interest at such rate as the member advancing the same and the Board agree upon.

#### TRANSFER AND TRANSMISSION OF SHARES.

17. Except with the previous consent of the Board no share shall be transferred by any member to any person not already a member so long as any person selected by the Board as a desirable transferee of the share (whether already a member or not) is willing to purchase the same at a fair value.

18. In order to ascertain whether any person selected as aforesaid is willing to purchase the share the proposing transferor shall give notice in writing (hereinafter called the "Transfer Notice") to the Company that he desires to transfer the same. Such transfer notice shall specify the sum he fixes as the fair value and shall constitute an offer by the proposing transferor to sell the share to any person selected as aforesaid (hereinafter called "the Purchaser") at the price so fixed or at the option of the purchaser at the fair value to be fixed by arbitration as provided by Article 20. The transfer notice may include several shares, and in such case shall operate as if it were a separate transfer notice in respect of each share. A transfer notice shall not be revocable except with the consent of the Board.

19. If the Board shall within 60 days after the Company shall have been served with such transfer notice find a person selected as aforesaid willing to purchase the share, the Board shall give notice thereof to the proposing transferor, and in the event of such notice being given the proposing transferor shall be bound upon the payment of the fair value to transfer the share to the purchaser.

20. If any difference arises between the proposing transferor and the purchaser as to the fair value of a share the same shall be referred to the arbitration of a sole arbitrator to be mutually agreed upon by the parties in difference or failing such agreement by two arbitrators one to be appointed by each party with power for such arbitrators to appoint an umpire to decide the matter in dispute in case of a difference between the said arbitrators. And the provisions of the Ceylon Ordinances or other statutory provisions for the time being in force in Ceylon relating to arbitration shall apply to such arbitration, and the decision of such arbitrator, arbitrators, or umpire, as the case may be, shall be absolutely final.

21. In case the proposing transferor after having become bound as aforesaid makes default in transferring the share, the Company may receive the purchase money, and the Board shall thereupon nominate some person to execute any necessary transfer, and on the execution of any such transfer the Board shall cause the name of the purchaser to be entered on the register as the holder of the share, and the Company shall hold the purchase money on trust for the proposing transferor. The receipt of the Company for the purchase money shall be a good discharge to the purchaser, and after the name of the purchaser has been entered on the register in purported exercise of the said power the validity of the proceedings shall not be questioned by any person.

22. In case the Board shall not within 60 days after the Company shall have been served with the transfer notice find a person willing to purchase the share or shares and the Board give notice thereof as aforesaid, the proposing transferor shall at any time within 3 months from the expiry of the said 60 days be at liberty, subject to Articles 23 and 25 hereof to transfer the share or shares or any share not placed to any person and at any price.

23. The Board without assigning any reason therefor may refuse to register any transfer of a share.

24. Subject to these articles any person becoming entitled to shares in consequence of the death or bankruptcy of any member upon producing such evidence that he sustains the character in respect of which he proposes to act under this article, or of his title, as the Board thinks sufficient, may with the consent of the Board (which consent the Board shall be under no obligation to give) be registered as a member in respect of such shares, or may subject to the regulations as to transfer herein contained transfer such shares.

There shall be paid to the Company in respect of the registration of any transfer such fee not exceeding One Rupee as the Board deem fit.

26. The instrument of transfer shall be lodged with the Company accompanied by the certificate of the share or shares comprised therein and such evidence as the Board may require to prove the title of the transferor, and thereupon and upon payment of the proper fee the transferee shall (subject to the Board's right to decline to register hereinbefore mentioned) be registered as a member in respect of such share, and the instrument of transfer shall be retained by the Company. The Board may waive the production of any certificate upon evidence satisfactory to them of its loss or destruction or in any case in which under the power herein contained they may have power to transfer a share themselves after the holder thereof has failed to transfer when called upon to do so pursuant to these articles.

#### LIEN ON SHARES.

27. The Company shall have a first and paramount lien on all shares and on the interest and dividends declared payable in respect thereof for all moneys due to (including calls made even though the time appointed for their payment may not have arrived) and liabilities subsisting with the Company from or on the part of the registered holder or any of the registered holders thereof either alone or jointly with any other person and may enforce such lien by sale of all or any of the shares on which the same may attach. Provided that such sale shall not be made except in the case of a debt or liability, the time for the payment, fulfilment, or discharge of which shall have actually arrived, and until notice in writing of the intention to sell shall have been served on the holder or holders of such shares and default shall have been made by him or them in the payment, fulfilment, or discharge of such debt or liability for seven days after such notice.

#### FORFEITURE AND SURRENDER OF SHARES.

28. If any member fail to pay any call or money payable under the terms of allotment of a share on the day appointed for payment thereof, the Board may at any time while the same remains unpaid, serve a notice on him requiring him to pay the same together with any interest that may have accrued thereon, and any expenses that may have been incurred by the Company by reason of such non-payment.

29. The notice shall name a further day not being less than seven days from the service of the notice on or before which such call or other money and all interest and expenses that have accrued by reason of such non-payment are to be paid and the place where payment is to be made (the place so named being either the registered office of the Company or some other place at which calls of the Company are usually made payable) and shall state that in the event of non-payment on or before the day and at the place appointed the share in respect of which such payment is due will be liable to be forfeited.

30. If the requisitions of any such notice as aforesaid are not complied with, the share in respect of which such notice has been given may at any time thereafter before payment of all money due thereon with interest and expenses shall have been made be forfeited by a resolution of the Board to that effect.

31. Any share forfeited shall be deemed to be the property of the Company and may be held, re-allotted, sold, or otherwise disposed of in such manner as the Board think fit, and in case of re-allotment with or without any money paid thereon by the former holder being credited as paid up, but the Board may at any time before any share so forfeited shall have been re-allotted, sold, or otherwise disposed of, annul the forfeiture thereof upon such conditions as they may think fit.

32. Any member whose shares have been forfeited shall notwithstanding such forfeiture be liable to pay to the Company all calls or other money, interest, and expenses owing in respect of such shares at the time of forfeiture, together with interest thereon from the time of forfeiture until payment, at such rate not exceeding 10 per cent. per annum as the Board shall determine.

33. The Board may accept the surrender of any share by way of compromise of any question as to the holder being properly registered in respect thereof. Any share so surrendered may be disposed of in the same manner as a forfeited share.

34. In the event of the re-allotment or sale of a forfeited or surrendered share to enforce a lien of the Company, a certificate in writing under the common seal of the Company that the share has been duly forfeited, surrendered, or sold in accordance with the regulations of the Company, shall be sufficient evidence of the facts therein stated as against all persons claiming the share. A certificate of proprietorship shall be delivered to the purchaser or allottee, and he shall be registered in respect thereof, and thereupon he shall be deemed the holder of the share discharged from all calls or other money, interest, and expenses due prior to such purchase or allotment, and he shall not be bound to see to the application of the purchase money or consideration, nor shall his title to the share be affected by any irregularity in the forfeiture, surrender, or sale.

36. Such new shares shall be of such amount and shall be issued for such consideration on such terms and conditions and with such preference or priority as regards dividends or in the distribution of assets or as to voting or otherwise over other shares of any class, whether then already issued or not, or as shares to be deferred to any other shares with regard to dividends or in the distribution of assets as the Company in General Meeting may direct, and subject to or in default of any such direction the provisions of these articles shall apply to the new capital in the same manner in all respects as to the original capital of the Company.

37. The Company may by special resolution reduce its capital by paying off capital, cancelling capital which has been lost or is unrepresented by available assets, reducing the liability on the shares, cancelling shares not taken or agreed to be taken by any person or otherwise as may seem expedient, and capital may be paid off upon the footing that it may be called up again or otherwise.

With the consent in writing of all the members a General Meeting may be convened by a shorter notice and in any manner they think fit.

44. The notice convening an Ordinary General Meeting shall state the general nature of any business intended to be transacted thereat, other than declaring dividends, electing Directors and Auditors and voting their remuneration, and considering the accounts presented by the Board, the reports of the Board and the Auditors. The notice convening an Extraordinary General Meeting shall state the general nature of the business intended to be transacted thereat.

may be thought expedient, and they may confer such powers either collaterally with or to the exclusion of and in substitution for all or any of the powers of the Board in that behalf and may from time to time revoke, withdraw, alter, or vary all or any of such powers.

#### INDEMNITY OF DIRECTORS, &c.

No amount paid on a share in advance of calls shall, while carrying interest, be treated for the purposes of this article as paid up on the share.

99. The Company in General Meeting may declare a dividend to be paid to the Members according to their rights and interests in the profits, but no larger dividend shall be declared than is recommended by the Board.

100. When in the opinion of the Board, the position of the Company permits, interim dividends may be paid to the Members on account of the dividend for the then current year.

103. All dividends and interest shall belong and be paid (subject to the Company's lien) to those Members who shall be on the register at the date at which such dividend shall be declared or at the date on which such interest shall be payable respectively, notwithstanding any subsequent transfer or transmission of shares.

110. The Liquidator on any winding up (whether voluntary under supervision or compulsory) may, with the sanction of an extraordinary resolution, divide among the contributories in specie any part of the assets of the Company, and may with the like sanction vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the Liquidator with the like sanction shall think fit.

111. The dissolution of the Company may be determined on by the Company for any purpose whatever, and whether the object be the absolute and final extinguishment of the Company, or the re-construction or modification of the Company, or the amalgamation of the Company with any other company, or any other object.
