(d) *Shareholder still liable to pay money owing at time of forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall notwithstanding be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or forfeited shares to be the property of the Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. (a) *Certificates of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

(b) *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made; but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his

bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be made to such Shareholder or his representative.

49. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries that the power of sale given by clause 47 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

#### PREFERENCE AND DEFERRED SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the General Meeting of the Company resolving on the creation thereof, or any General Meeting of the Company may, from time to time, by special resolution, determine.

52. *Modification of rights and consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting such class of shares;
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto, on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolutions could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects, as nearly as possible, in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

#### CALLS.

54. (a) *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

(b) *Calls, time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Article 121.

(c) *Extension of time for payment of call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

#### BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time, at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Twenty Thousand Rupees (Rs. 20,000). With the sanction of a General Meeting, the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures, or create any debenture stock, they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by

the Company for securing the payment of the money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

#### MEETINGS.

58. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

59. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. *Notice of resolution.*—Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. *Seven days' notice of meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette*, or by notice sent by post, or otherwise served as hereinafter provided, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

65. *Business requiring and not requiring notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been made in the notice or notices upon which the meeting was convened.

66. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

67. *Quorum to be present.*—No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or the election of a Chairman, unless there shall be present in person at the commencement of the business three or more persons being Shareholders entitled to vote or persons holding proxies or powers of attorney from Shareholders entitled to vote.

68. *If a quorum not present, meeting to be dissolved or adjourned; adjourned meeting to transact business.*—If at the expiration of half an hour from the time appointed for the meeting the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their absence or refusal, a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

72. *Minutes of General Meetings.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

#### VOTING AT MEETINGS.

73. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and proxy and attorney; and unless a poll be immediately demanded in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the minute book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

75. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned and the poll shall be taken at such time and in such a manner as the Chairman shall direct; and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

#### CALLS.

Calls.

18. The Directors may from time to time make such calls as they think fit upon the members, in respect of all moneys unpaid on the shares held by them respectively, and not by the conditions of allotment thereof made payable at fixed times; and each member shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors. A call may be made payable by instalments.

When call deemed to have been made.

19. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

Restriction on power to make calls.

20. No call shall exceed one-fourth of the nominal amount of a share, or be made payable within two months after the last preceding call was payable.

Notice of call.

21. Fourteen days' notice of any call shall be given, specifying the time and place of payment and to whom such call shall be paid.

When interest on call or instalment payable.

22. If the sum payable in respect of any call or instalment be not paid on or before the day appointed for payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall be due, shall pay interest for the same at the rate of 9 per cent. per annum from the day appointed for the payment thereof to the time of the actual payment, or at such other rate as the Directors may determine.

Evidence in action or call.

23. On the trial or hearing of any action for the recovery of any money due for any call, it shall be sufficient to prove that the name of the member sued is entered in the register as the holder or one of the holders of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the member sued in pursuance of these presents, and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

Payment of calls in advance.

24. The Directors may, if they think fit, receive from any member willing to advance the same, all or any part of the money due upon the shares held by him beyond the sums actually called for, and upon the money so paid in advance, or so much thereof, as from time to time exceeds the amount of the calls then made upon the shares in respect of which such advance has been made, the Company may pay interest at such rate not exceeding 6 per cent. per annum as the member paying such sum in advance and the Directors agree upon. Money so paid in excess of the amount of call shall not rank for dividends.

## FORFEITURE AND LIEN.

25. If any member fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such member requiring him to pay the same, together with any interest that may have accrued and all expenses that may have been incurred by the Company by reason of such non-payment.

If call or instalment not paid notice may be given.

26. The notice shall name a day (not being less than fourteen days from the date of the notice) and a place or places on, and at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which call was made or instalment is payable will be liable to be forfeited.

Form of notice.

27. If the requisitions of any such notice as aforesaid are not complied with, any shares, in respect of which such notice has been given, may, at any time thereafter before payment of all calls or instalments, interest, and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares and not actually paid before the forfeiture.

If notice not complied with shares may be forfeited.

28. When any share shall have been so forfeited, notice of the resolution shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register.

Notice after forfeiture.

29. Any share so forfeited shall be deemed to be the property of the Company, and the Directors may sell, re-allot, and otherwise dispose of the same in such manner as they think fit.

Forfeited share to become property of Company.

30. The Directors may at any time before any share so forfeited shall have been sold, re-allotted, or otherwise disposed of, annul the forfeiture thereof upon such conditions as they think fit.

31. Any member whose shares have been forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses, owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon, from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof.

Arrears to be paid notwithstanding forfeiture.

32. The forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share, and all other rights incident to the share, except only such of those rights as by these Articles are expressly saved.

Effect of forfeiture.

33. A duly verified declaration in writing that the declarant is a Director of the Company, and that certain shares in the Company have been duly forfeited on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the shares and such declaration, and the receipt of the Company for the consideration, if any, given for the shares on the sale or disposition thereof shall constitute a good title to such shares, and the person to whom the shares are sold shall be registered as the holder of such shares and shall not be bound to see to the application of the purchase money, nor shall his title to such shares be affected by any irregularity or invalidity in the proceedings in reference to such forfeiture, sale, or disposition.

Evidence of forfeiture.

34. The Company shall have a first and paramount lien upon all the shares registered in the name of each member (whether solely or jointly with others), and upon the proceeds of sale thereof for his debts, liabilities, and engagements, solely or jointly with any other person to, or with the Company whether the period for the payment, fulfilment, or discharge thereof shall have actually arrived or not and no equitable interest in any share shall be created, except upon the footing and condition that clause 11 hereof is to have full effect. And such lien shall extend to all dividends from time to time declared in respect of such shares. Unless otherwise agreed the registration of a transfer of shares shall operate as a waiver of the Company's lien, if any, on such shares.

Company's lien on shares.

35. For the purpose of enforcing such lien, the Directors may sell the share subject thereto in such manner as they think fit, but no sale shall be made until such period as aforesaid shall have arrived and until notice in writing of the intention to sell shall have been served on such member, his executors or administrators, and default shall have been made by him or them in the payment, fulfilment, or discharge of such debts, liabilities, or engagements for seven days after such notice.

As to enforcing lien by sale.

36. The nett proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities, or engagements, and the residue (if any) paid to such member, his executors, administrators, or representatives.

Application of proceeds of sale.

37. Upon any sale after forfeiture or for enforcing a lien in purported exercise of the powers hereinbefore given, the Directors may cause the purchaser's name to be entered in the register in respect of the shares sold, and the purchaser shall not be bound to see to the regularity of the proceedings, or to the application of the purchase money, and after his name has been entered in the register in respect of such shares the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

Validity of sales under clauses 30 and 36.

## TRANSFER AND TRANSMISSION.

38. The instrument of transfer of any share shall be signed both by the transferor and transferee and shall contain the name and address, both of the transferor and transferee, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the register in respect thereof. Each signature to such transfer shall be duly attested by the signature of one credible witness who shall add his address and occupation.

When transfers to be retained.

42. Every instrument of transfer shall be left at the office for registration accompanied by the certificate of the shares to be transferred, and such other evidence as the Company may require to prove the title of the transferor or his right to transfer the shares and upon payment of the proper fee the transferee shall (subject to the Directors' right to decline to register hereinbefore mentioned) be registered as a member in respect of such shares. The Directors may waive the production of any certificate upon evidence satisfactory to them of its loss or destruction.

Fee on transfer.

43. All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall be returned to the person depositing the same.

When transfer books and register may be closed.

44. A fee not exceeding Two Rupees and Fifty Cents may be charged for each transfer, and shall, if required by the Directors, be paid before the registration thereof.

Before recognizing any executor or administrator the Directors may require him to obtain a grant of probate or letters of administration, as the case may be, from some competent court in the Island of Ceylon, having effect in Colombo.

47. Any person becoming entitled to or to transfer shares in consequence of the death or bankruptcy or insolvency of any member upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title as the Directors think sufficient, may, with the consent of the Directors (which they shall not be under any obligation to give), be registered as a member in respect of such shares, or may, subject to the regulations as to transfer hereinbefore contained, transfer such shares. This clause is hereinafter referred to as "the transmission clause."

On what conditions new shares may be issued. As to preferences, &c.

49. The new shares shall be issued upon such terms and conditions, and with such rights and privileges annexed thereto as the resolution creating the same shall direct, and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of assets of the Company and with a special or without any right of voting.

When to be offered to existing members.

50. The Company in General Meeting may, before the issue of any new shares, determine that the same, or any of them, shall be offered in the first instance and either at par or at a premium to all the then members or any class thereof in proportion to the amount of the capital held by them, or make any other provisions as to the issue and allotment of the new shares, but in default of any such determination or so far as the same shall not extend, the new shares may be dealt with as if they formed part of the shares in the original ordinary capital.

How far new shares to rank with shares in original capital.

51. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original ordinary capital, and shall be subject to the provisions herein contained with reference to the payment of calls and instalments, transfer and transmission, forfeiture, lien, and otherwise.

Inequality in number of new shares.

52. If owing to any inequality in the number of new shares to be issued, and the number of shares held by members entitled to have the offer of such new shares, any difficulty shall arise in the apportionment of such new shares or any of them amongst the members, such difficulty shall, in the absence of any direction in the resolution creating the shares or by the Company in General Meeting, be determined by the Directors.

Reduction of capital, &c.

53. The Company may (subject to the provisions of the Ordinance) from time to time by special resolution reduce its capital by paying off capital or cancelling capital which has been lost or is unrepresented by available assets or reducing the liability on the shares or otherwise as may seem expedient, and capital may be paid off upon the footing that it may be called up again or otherwise; and paid-up capital may be cancelled as aforesaid without reducing the nominal amount of the shares by the like amount to the intent that the unpaid and callable capital shall be increased by the like amount.

Subdivision into preferred and ordinary.

54. The Company may, by special resolution, subdivide or consolidate its shares or any of them.

55. Surrender of shares.

#### SURRENDER OF SHARES.

56. The Directors may accept the surrender of any shares by way of compromise of any question as to the holder being properly registered in respect thereof.

## MODIFICATION OF RIGHTS.

57. Whenever the capital by reason of the issue of preference shares or otherwise is divided into different classes of shares, all or any of the rights and privileges attached to each class may be modified, commuted, affected, abrogated, or dealt with by agreement between the Company and any person purporting to contract on behalf of that class, provided such agreement is ratified in writing by the holders of at least three-fourths in nominal value of the issued shares of the class, or is confirmed by an extraordinary resolution passed at a separate General Meeting of the holders of shares of that class, and all the provisions hereinafter contained as to General Meetings shall, *mutatis mutandis*, apply to every such meeting, but so that the quorum thereof shall be members holding or representing by proxy one-fifth of the nominal amount of the issued shares of the class. This clause is not to derogate from any power the Company would have had if this clause were omitted.

Power to modify rights.

58. The Directors may from time to time at their discretion raise or borrow or secure the payment of any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so raised, borrowed, or secured shall not, without the sanction of a General Meeting, exceed the paid-up share capital of the Company, in addition to the ordinary current obligations of the Company. Nevertheless, no lender or other person dealing with the Company shall be concerned to see or inquire whether this limit is observed.

Power to borrow.

59. The Directors may raise or secure the payment or repayment of such sum or sums in such manner and upon such terms and conditions in all respects as they think fit, and in particular by the issue of debentures or debenture stock of the Company charged upon all or any part of the property of the Company, both present and future, including its uncalled capital for the time being.

Conditions on which money may be borrowed.

60. Debentures, debenture stock, and other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued.

Securities may be assignable free from equities.

61. Any debentures, debenture stocks, bonds, or other securities may be issued at a discount, premium, or otherwise, and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at General Meetings of the Company, appointment of Directors, and otherwise.

Issue at discount, &c., or with special privileges.

62. Every register of holders of debentures of the Company may be closed for any periods not exceeding in the whole thirty days in any year. Subject as aforesaid every such register shall be open to the inspection of the registered holder of any such debentures and of any member; but the Company may in General Meeting impose any reasonable restrictions so that at least two hours in each day, when such register is open, are appointed for inspection.

Register of holders of debentures.

63. If any uncalled capital of the Company is included in or charged by any mortgage or other security, the Directors may, by instrument under the Company's seal, authorize the person in whose favour such mortgage or security is executed, or any other person in trust for him, to make calls on the members in respect of such uncalled capital, and the provisions hereinbefore contained in regard to calls shall, *mutatis mutandis*, apply to calls made under such authority, and such authority may be made exercisable either conditionally or unconditionally, and either presently or contingently, and either to the exclusion of the Directors power or otherwise and shall be assignable if expressed so to be.

Mortgage of uncalled capital.

## GENERAL MEETING.

64. The First General Meeting of the Company shall be held at such time (subject to the provisions of the Ordinance) and at such place as the Directors may determine. Subsequent General Meetings shall be held once in every year at such time and place as the Directors may determine.

When General Meetings to be held.

65. The General Meetings referred to in the last preceding clause shall be called Ordinary Meetings; all other meetings of the Company shall be called Extraordinary Meetings.

Distinction between Ordinary and Extraordinary Meetings.

66. Any General Meeting may be held elsewhere than in Ceylon.

General Meetings may be held outside Ceylon.

67. The Directors may, whenever they think fit, and they shall, on the requisition of the holders of not less than one-tenth of the issued capital of the Company upon which all calls or other sums then due have been paid, forthwith proceed to convene an Extraordinary General Meeting of the Company, and in the case of such requisition the following provisions shall have effect:—

When Extraordinary Meeting to be called. Requisition.

(1) The requisition must state the objects of the meeting, and must be signed by the requisitionists and deposited at the office, and may consist of several documents in like form, each signed by one or more requisitionists.

(2) If the Directors of the Company do not proceed to convene a meeting within twenty-one days from the date of the requisition being so deposited, the requisitionists or a majority of them in value may themselves convene the meeting, but any meeting so convened shall not be held after three months from the date of the deposit.

(3) If at any such meeting a resolution requiring confirmation at another meeting is passed, the Directors shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution, and if the Directors do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists or a majority of them in value may themselves convene the meeting.

(4) Any meeting convened under this clause by the requisitionists shall be convened in the same manner as nearly as possible as that in which meetings are to be convened by Directors.

68. Seven clear days' notice to the members specifying the place, day, and hour of meeting, and in case of special business the general nature of such business, shall be given either by advertisement or by notice sent by post or otherwise served as hereinafter provided, and with the consent in writing of all the members a meeting may be convened by a shorter notice and in any manner they think fit.

Notice of meeting.

69. Where it is proposed to pass a special resolution, the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

Two meetings convened by one notice.

70. The accidental omission to give any such notice to any of the members shall not invalidate any resolution passed at any such meeting.

As to omission to give notice.

(2) Except where the transfer is made pursuant to sub-clause (1), (5), or (7) of this Article, the person proposing to transfer any share (hereinafter called "the proposing transferor") shall give notice in writing (hereinafter called "the transfer notice") to the Company that he desires to transfer such share. The transfer notice shall specify the sum he fixes as the price of the share (hereinafter called "the proposing transferor's price"), and shall constitute the Company, his agent, for the sale of the share to any Shareholder of the Company at such price. The transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each, and shall specify the denoting number of each share which the proposing transferor desires to sell. A transfer notice shall not be revocable except with the sanction of the Directors.

(3) If the Company shall within the space of ninety days after being served with such notice find a Shareholder willing to purchase the share at the proposing transferor's price (hereinafter called "the purchasing Shareholder"), and give notice thereof to the proposing transferor, the latter shall be bound, upon payment of the said price, to transfer the share to the purchasing Shareholder.

(4) If in any case the proposing transferor, after having become bound as aforesaid, makes default in transferring any share, the Company may receive the purchase money, and shall thereupon cause the name of the purchasing Shareholder to be entered in the register as the holder of that share, and shall hold the purchase money in trust for the proposing transferor. The receipt of the Company for the purchase money shall be a good discharge to the purchasing Shareholder, and after his name has been entered in the register in purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person.

(5) If the Company shall not within the space of ninety days after being served with the transfer notice find a Shareholder willing to purchase all or any of the shares comprised therein, and give notice in manner aforesaid, the proposing transferor shall at any time within three calendar months after the expiration of the said period of ninety days, be at liberty, subject to Article 32, to sell and transfer the said shares, or such of them as have not been sold to a purchasing Shareholder, to any person but at a price not less than that specified by him in his transfer notice.

Until otherwise determined, every such share shall be offered to the Shareholders by lots drawn in regard thereto as the Directors shall think fit.

41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

44. *Effect of surrender or forfeiture.*—The surrender of forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. (a) *Certificates of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

(b) *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. 52. *Modifications of rights and consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

(1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares;

(2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto, on behalf of all the holders or shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

## CALLS.

54. (a) *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

(b) *Calls, time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Article 121.

(c) *Extension of time for payment of call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. 55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

## BORROWING POWERS.

57 A. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time, at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Fifty thousand Rupees (Rs. 50,000). With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meetings shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures, or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

57 B. *Immediate Debenture Issue.*—Without prejudice to any of the powers and provisions of Article 57 A hereof, and without the necessity of obtaining the sanction of the Company in General Meeting therefor, the Directors shall have power to raise and borrow immediately a sum not exceeding One hundred and Fifty thousand Rupees (Rs. 150,000) by the creation and issue of 300 Redeemable Debentures of Five hundred Rupees (Rs. 500) each, carrying interest at seven (7) per centum per annum, and to secure the same by a primary mortgage over the Company's Logie and Zululand estates.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

75. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall if necessary be adjourned and the poll shall be taken at such time and in such a manner as the Chairman shall direct; and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

## NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following Specification has been accepted :-

No. 1,615 of January 18, 1919.

Walter Edwin Windsor-Richards.

Improvements in and relating to the manufacture of moulded articles from cement.

Abstract :-

The invention consists in mixing with the dry Portland cement dry powdered clay, which may be China clay or ball clay or even ordinary clay or fire clay. A preferable mixture is about three parts of cement to one of clay and other substances, such as asbestos, fibre, or glass wool, may be added afterwards as well. The object of the invention, of mixing clay with the cement, with or without asbestos as well, is to obtain a mixture which, when water is added to it, will flow more easily into the interstices of moulds in which such articles as electric insulators are manufactured. It is stated that the application of the invention to ferro concrete construction and building operations is not claimed. The same inventor's specification of British Patent No. 3,364 of 1915 is referred to in regard to impregnating the moulded articles.

The claims are :—

1. In the manufacture of moulded articles of ground Portland or like cement, either with or without asbestos, the use of clay as an admixture to the moulding composition.
2. The method of making moulded articles, which consists in mixing ground Portland or other cement with clay and water, with or without asbestos or other suitable fibre, moulding the paste into the required shape, heating the article, and impregnating it with a waterproofing composition.
3. The method of making electric insulators, which consists in moulding the same out of a mixture with water of ground Portland or other cement and clay, with or without asbestos, glass wool, or suitable fibre, heating the articles, and impregnating them with a bituminous liquid, and then drying them.
4. The method of making electric insulators and the like articles by moulding them out of the materials compounded as and in the proportion specified, and impregnating them with a bituminous liquid, and drying them.
5. Articles made in the improved manner described.

No drawings.

## MUNICIPAL COUNCIL NOTICES.

## MUNICIPALITY OF COLOMBO.

## Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Friday, December 6, 1918.

The Council met this day at 3 P.M., pursuant to notice dated November 29, 1918.

*Present* :—Mr. R. W. Byrde, Chairman; Mr. C. P. Dias; Major A. W. de Wilton; Mr. L. B. Fernando; the Hon. Mr. N. H. M. Abdul Cader; Mr. Arthur Alvis; Mr. H. L. de Mel, C.B.E.; Mr. E. G. Jayewardene; Dr. E. V. Ratnam; Dr. W. P. Rodrigo; Mr. F. R. Senanayake; Major P. W. Mathew, R.A.M.C.; the Hon. Dr. G. J. Rutherford; Mr. W. C. S. Ingles; Mr. M. Cassim Ismail; and Mr. W. Sutherland Ross.

1. The Minutes of the General Meeting of November 1 and the Special Meeting of November 19, 1918, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

With regard to the Minutes of the Special Meeting of December 3, 1918, the Chairman stated that a dissent had been received from Dr. E. V. Ratnam, which would be attached to the Minutes of the Proceedings.—Resolved that the Minutes of the General Meeting of November 1 and the Special Meetings of November 19 and December 3, 1918, be confirmed.

2. The Chairman read the following :—(a) Since the last Meeting of Council two fatal cases of human plague have been recorded, one at 113/1A, Sea street, and the other at 88/25, Kochchikade. This brings the total for the year up to 68 cases, as against 203 for the same period during 1917, while in the preceding year there were 259 cases. Two cases of rat plague have also been recorded, making a total up to date of 60, as against 67 during the same period of 1917, while in the preceding year there were 59 cases. (b) During last month the epidemic of influenza gradually subsided. There are still a few sporadic cases, and such cases will, no doubt, continue to occur from time to time. It was found possible to reduce the special medical visiting staff on November 19 from 8 to 3, and to finally discontinue it at the end of November. The death rate for the week ending November 30 was down to normal. As a matter of fact, it was slightly less than that of the average of the corresponding week for the last five years.

3. Pursuant to notice, Mr. E. G. Jayewardene asked the Chairman—(1) Are there any reasons for the non-resumption of the lighting of the city as in normal times? *Reply* : (1) There are reasons for the non-resumption of the lighting of the city as in normal times, namely, the fact that the cost of coal and the rates for freight are above the normal. (2) Is the non-lighting due to any inability on the part of the contracting Company—the Colombo Gas Co.—being unable to provide the lighting for want of coal or other causes? *Reply* : (2) The non-lighting is not due to the inability on the part of the contracting party—the Colombo Gas Co.—to provide the lighting for want of coal or other cause, but to the decision of the Council at the Meeting held in September.

4. Pursuant to notice, Dr. W. P. Rodrigo asked the Chairman—Whether he did consult Sir Anton Bertram, as Attorney-General, with regard to the ratepayers' action against this Council, and Mr. Thyne about the bonus given to the latter? The Chairman replied as follows :—The answer is in the negative.

5. Mr. E. G. Jayewardene had given notice of the following motion :—That the following officers of the Council having been detailed by the Chairman to attend to work in Maradana Ward in connection with the influenzal epidemic, and the relief of distress, namely : (1) Mr. R. A. Horan, (2) Mr. Edgar Ambrose, and (3) Mr. S. C. Forbes, Sanitary Inspectors; (4) Mr. M. M. Molligoda, Sanitary Sub-Inspector; (5) Mrs. de Cruze and (6) Mrs. Perera, Health Visitors.

I move that the Council do place on record its appreciation of the manner in which these officers have carried out the said work, and that further the Council's appreciation be marked by awarding these officers a reward for their work. I suggest the reward should be as follows :—(1) Sanitary Inspectors, each Rs. 100; (2) Sanitary Sub-Inspector, each Rs. 50; (3) Health Visitors, each Rs. 30.

Mr. E. G. Jayewardene asked for the leave of Council to amend the second part of his motion to read as follows :—I move that the Council do place on record its appreciation of the manner in which these officers and other officers of the Public Health Department have carried out the said work, and that further the Council's appreciation be marked by awarding all officers who, in the opinion of the Chairman, deserve extra remuneration as a reward for their work. Permission of Council having been granted, Mr. E. G. Jayewardene submitted his motion as amended. Mr. C. P. Dias seconded.

The Chairman read the report of the Medical Officer of Health in which it is stated that the Sanitary Inspectors and the Health Visitors has had a very strenuous time, and that there had been no exception, all having worked in a manner deserving of the highest praise. The Chairman pointed out that the extra remuneration at the rate suggested by the member for Maradana would, if granted to the whole staff, involve a sum of Rs. 1,970. The Chairman also bore personal testimony to the assiduous work done by the Medical Officer's staff, and said that the motion had his sympathy.

Mr. L. B. Fernando stated that he was prepared to support the first part of the motion, if the motion were to be divided into two parts, but that he was opposed to the second part of the motion. The Hon. Dr. G. J. Rutherford, Mr. F. R. Senanayake, and Dr. W. P. Rodrigo opposed the motion. Mr. E. G. Jayewardene spoke in reply. The motion was put to the Meeting and declared lost.

6. Pursuant to notice, Mr. C. P. Dias moved that this Council deprecates the interference by His Excellency the Governor with the exercise by the Chairman of the discretion vested in him by the by-laws governing public performances, and considers such interference an encroachment of the rights vested by law in the Council. Mr. F. R. Senanayake seconded.

The Chairman, in putting the facts before the Meeting, pointed out that there had been no interference with the rights of the Council. Mr. C. P. Dias, in view of the Chairman's explanation, and with the leave of the Council, and the consent of the seconder, withdrew the motion.

7. Mr. E. G. Jayewardene was to move—That this Council do place on record their grateful appreciation of the gratuitous services rendered by the Rev. L. A. Joseph and by Mr. W. P. D. vander Straaten to the residents of the Maradana Ward during the recent influenzal epidemic.

Mr. E. G. Jayewardene, with the leave of Council, withdrew his motion, and the Chairman undertook to submit a comprehensive motion at the Meeting of Council in January.

Mr. C. P. Dias moved that the Council do go into Committee to consider items Nos. 8 to 13 on the agenda. Mr. L. B. Fernando seconded.—Carried.

8-13. The following extracts from the Minutes of the Special and the Standing Committees, named, were then laid before the Council in Committee :—
