## SCHEDULE.

*Rules for the Conduct of Voting by Ballot for or against the Existence of Toddy Taverns for the 1920-21 Rent Period.*

1. In these rules—
  - (i.) The expression "area" means an area defined by a Government Agent or an Assistant Government Agent.
  - (ii.) The expression "tax-paying inhabitants" means persons residing within an area who during the previous twelve months—
    - (a) Have paid road tax as residents within such area; or
    - (b) Have been certified to the local authority as having performed the labour due by them under the *Thoroughfares Ordinances*; or
    - (c) Have been certified to the local authority of such area as *bona fide* efficient soldiers of the Defence Force under section 26 (5) of Ordinance No. 8 of 1910.

NOTE.—The names of tax-paying inhabitants who have died in the interval between the preparation of the lists of such inhabitants and the recording of votes shall not be taken into consideration when determining the proportion of votes recorded to the number of road tax-paying inhabitants on the lists.

2. If it be shown to the Government Agent or Assistant Government Agent and his Advisory Committee that 75 per cent. of the tax-paying inhabitants of an area served by one or more toddy taverns are opposed to the existence of a toddy tavern or taverns within such area, such toddy tavern or taverns shall be abolished for the 1920-21 rent period.

Voters shall have the power to vote only for or against the total abolition of toddy taverns, whichever they so desire, but they shall not have the power to vote for a reduction in the number of toddy taverns in any area.

3. Information as regards the boundaries or definitions of areas can be obtained from *Kachcheris*.

4. Objections to the existence of a toddy tavern or taverns in any particular area will be accepted by the Government Agent or Assistant Government Agent up to July 31, 1919, and not later, as for the 1920-21 rent period.

Provided that the Government Agent or Assistant Government Agent shall not make any arrangements to record votes, unless it be shown to his satisfaction that the number of persons raising any such objection represents not less than 25 per cent. of the tax-paying inhabitants in that area.

Provided further, that such objection shall be made in writing, and that unless the person objecting to the existence of a toddy tavern or taverns adds against his name the number of his last road tax receipt, or the number of his last certificate of performance of labour, or in the case of a person exempted for military service, his rank, regimental number, and the unit to which he belongs, he will not be counted towards the 25 per cent. necessary to secure the ballot.

5. Where a Government Agent or Assistant Government Agent is satisfied that objections have been received on or before July 31, 1919, from 25 per cent. of the tax-paying inhabitants of any area against the existence of a toddy tavern or taverns within such area, the Government Agent or Assistant Government Agent shall fix a date, time, and place at which votes will be recorded for the purpose of ascertaining whether 75 per cent. of such tax-paying inhabitants are opposed to the existence of such tavern or taverns, and shall give not less than twenty days' notice thereof. Provided that the place at which votes shall be recorded shall be within the said area, if such an arrangement is practicable or convenient.

6. Such notice shall be given by publication in one or more local newspapers, by fixing copies of the notice at the *Kachcheri*, the local Police Court, and the Village Tribunal within the jurisdiction of which the said area is situated, and at prominent places within the said area, and by beat of tom-tom, or such other method as the Government Agent or Assistant Government Agent shall direct. The notice shall state the names of the villages comprised in the said area.

7. It shall be the duty of all division officers of the villages forming the said area to allow voters and any person or persons interested in the ballot to inspect the returns prepared by such division officers under sections 4 and 9 of the Ordinance No. 31 of 1884, and to take copies thereof.

8. The recording officer in charge of the ballot shall be the Government Agent or Assistant Government Agent or some person deputed by him in writing, who shall preside at the ballot, and have power to decide all questions arising in connection with the ballot.

9. An agent accredited by the voters in the said area may be present during the progress of the ballot.

10. No person shall be entitled to vote unless he either—
- (a) Produces at the time of voting a receipt for road tax paid by him within the twelve months preceding the ballot as a resident within the area served by the tavern or taverns proposed to be abolished; or
  - (b) Has been certified during the said twelve months to the local authority as having performed the labour due by him under the Thoroughfares Ordinances and produces such certificate at the time of voting; or
  - (c) Has been certified during the said twelve months to the local authority as a *bona fide* efficient soldier of the Defence Force under section 26 (5) of Ordinance No. 8 of 1910, and produces such certificate at the time of voting.

11. The votes shall be counted as soon as possible after the close of the ballot, and the result declared immediately after it has been ascertained.

12. Only ballot papers in the form annexed hereto and issued by the recording officer shall be used in recording votes. Each ballot paper shall have a number printed on the back, and shall have a counterfoil with the same number printed on the face.

13. At the time of voting the ballot paper shall be marked on both sides with an official seal and delivered to the voter within the polling station, and a number corresponding to the number of the voter on the list of tax-paying inhabitants shall be marked on the counterfoil. A mark shall be placed in the list of tax-paying inhabitants against the number of the voter to denote that he has received a ballot paper, but so that it shall not indicate which particular ballot paper he received.

The voter shall record his vote by marking a cross X on the right-hand side of the ballot paper opposite the words "Abolition of existing toddy taverns" or "Retention of existing toddy taverns," as he may decide, and in no other way. He shall then fold it so as to conceal his vote, and place it in a closed box in the presence of the presiding officer, after having shown him the official mark. The presiding officer, on the application of any voter who states that he is unable to read, shall cause the vote of such voter to be marked on a ballot paper in manner directed by such voter, but he shall take such steps as will secure that no one but himself and the voter knows how such ballot paper was marked.

Ballot papers which do not comply with this rule shall not be considered in recording the votes.

14. No votes shall be recorded by proxy. All votes shall be given by the voters personally.

15. The Government Agent or Assistant Government Agent shall make all necessary arrangements for the ballot.

16. These rules shall not in any way apply to any toddy tavern which in the opinion of the Government Agent or Assistant Government Agent mainly serves a population of Indian coolies.

Form of Ballot Paper referred to in Rule 12 above.

#### SURRENDER AND FORFEITURE OF SHARES.

41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. (a) *If call or instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

(b) *Terms of notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

(c) *In default of payment, shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

(d) *Shareholder still liable to pay money owing at time of forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or forfeited shares to be the property of the Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of surrender or forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. (a) *Certificates of surrender or forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

(b) *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representatives.

49. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries that the power of sale given by clause 47 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid shall confer on the purchaser a complete title to such shares.

#### PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

52. *Modification of rights and consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares ;
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto, on behalf of all the holders or shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

#### CALLS.

54. (a) *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times ; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

(b) *Calls, time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Article 121.

(c) *Extension of time for payment of call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

#### BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time, at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Three hundred thousand Rupees (Rs. 300,000). With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures, or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or

discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

59. *Subsequent General Meeting.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. *Notice of resolution.*—Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. *Seven days' notice of meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette*, or by notice sent by post, or otherwise served as hereinafter provided, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

65. *Business requiring and not requiring notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been made in the notice or notices upon which the meeting was convened.

66. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

68. *If a quorum not present, meeting to be dissolved or adjourned; adjourned meeting to transact business.*—If at the expiration of half an hour from the time appointed for the meeting the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their absence or refusal, Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

## VOTING AT MEETINGS.

73. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and proxy and attorney; and unless a poll be immediately demanded in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the minute book of the Company shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

75. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall if necessary be adjourned and the poll shall be taken at such time and in such a manner as the Chairman shall direct; and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

87. *Number of Directors.*—The number of Directors shall never be less than two nor more than five. In the event of the number of Directors in Ceylon ever being reduced to one, such remaining Director shall immediately cause to be convened an Extraordinary General Meeting of the Shareholders for the purpose of filling up one or more of the vacancies but, in the event of a quorum of Shareholders, not attending such meeting, the remaining Director shall himself appoint a Director to fill one of the vacancies. ## SHARES AND CERTIFICATES.

6. The shares, except when otherwise provided, shall be under the control of the Directors, who may at any time issue any unissued shares either at par or at a premium and allot and dispose of the same to such persons, on such terms and in such manner as they think fit. Provided, however, that such unissued shares first be offered by the Directors to such Members as at the date of the offer are entitled to receive notices from the Company of General Meetings in the proportions and in manner provided by clause 44 of these Articles with regard to new shares. The Directors, however, may allot any unissued shares to the vendor or vendors of any properties or assets which may be acquired by the Company in payment or part payment of the purchase price of any such properties or assets or to any person or persons as remuneration for work done for or services rendered to the Company without first offering same to the Members.

7. The Company may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and in the time of payment of such calls.

8. The Company shall be entitled to treat the person whose name appears upon the Register in respect of any share as the absolute owner thereof, and shall, except as ordered by a court of competent jurisdiction or as by Ordinance required, not be under any obligation to recognize any trust or equity or equitable claim to or interest in such share, whether or not it shall have express or other notice thereof.

9. Every Member shall be entitled, without payment, to one certificate, specifying the share or shares held by him, with the distinctive numbers thereof and the amount paid up thereon, or to several certificates each for one or more shares. Such certificate or certificates shall be delivered to the member within two months after the allotment or registration of the transfer, as the case may be, of such share or shares.

10. If any certificate be defaced, worn out, lost, or destroyed, it may be renewed on payment of One Rupee, or such less sum as the Directors may prescribe, and the person requiring the new certificate shall surrender the defaced or worn out certificate, or give such evidence of its loss or destruction and such indemnity to the Company as the Directors think fit.

## JOINT-HOLDERS OF SHARES.

11. Where two or more persons are registered as the holders of any shares, they shall be deemed to hold the same as joint tenants with benefit of survivorship, subject to the provisions following:—

(a) The Company shall not be bound to register more than three persons as the holders of any share.

(c) On the death of any one of such joint-holders the survivor or survivors shall be the only person or persons recognized by the Company as having any title to such share; but the Directors may require such evidence of death as they may deem fit.

(d) Any one of such joint-holders may give effectual receipts for any dividend, bonus, or return of capital payable to such joint-holders.

(e) Only the person whose name stands first in the Register of Members as one of the joint-holders of any shares shall be entitled to delivery of the certificate relating to such share or to receive notices from the Company, and any notice given to such person shall be deemed notice to all the joint-holders.

## CALLS ON SHARES.

12. The Directors may, from time to time, make such calls as they think fit upon the Members in respect of all moneys unpaid on their shares, and each Member shall, subject to receiving fourteen days' notice at least specifying the time and place for payment, pay the amount of calls so made to the persons and at the times and places appointed by the Directors. A call may be made payable by instalments.

13. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

14. If the call payable in respect of any share or any instalment be not paid before or on the day appointed for payment thereof, the holder for the time being of such share shall be liable to pay interest for the same at such rate, not exceeding ten per centum per annum, as the Directors shall determine from the day appointed for the payment of such call or instalment to the time of actual payment; but the Directors may, if they shall think fit, remit the payment of such interest or any part thereof.

15. If by the terms of the issue of any shares or otherwise any amount is made payable at any fixed time or by instalments at any fixed times, such amount or instalment shall be payable as if it were a call duly made by the Directors and of which due notice had been given; and all provisions hereof with respect to the payment of calls and interest thereon, or to the forfeiture of shares for non-payment of calls, shall apply to such amount or instalments and the shares in respect of which they are payable.

16. The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the moneys uncalled or unpaid upon any shares held by him; and upon the money so paid in advance the Directors may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding, without the sanction of the Company in General Meeting, six per cent.) as may be agreed upon between the Member paying the sum in advance and the Directors.

#### TRANSFER OF SHARES.

17. The instrument of transfer of any share in the Company shall be in writing, and shall be executed both by the transferor and transferee, and duly attested, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the Register in respect thereof.

18. Shares in the Company shall be transferred in the following form, or in any usual or common form of which the Directors shall approve:—

I, A.B., of ———, in consideration of the sum of ——— paid to me by C.D., of ——— (hereinafter called "the said transferee"), do hereby transfer to the said transferee share (or shares) numbered ———, in the undertaking called "WILSON, HOLLGATE & COMPANY (CEYLON), LIMITED," to hold unto the said transferee, his executors, administrators, and assigns, subject to the several conditions on which I hold the same; and I, the said transferee, do hereby agree to take the said share (or shares) subject to the conditions aforesaid.

As witness our hands the ———, day of ———, 19—.

Signed by the above-named ———, in the presence of ———.

19. A share may be transferred by a Member or other person entitled to transfer to any Member selected by the transferor; but save as aforesaid, and save as provided by clause 24 hereof, no share shall be transferred to a person who is not a Member so long as any Member or any person selected by the Directors as one whom it is desirable in the interests of the Company to admit to Membership is willing to purchase the same at its fair value as hereinafter defined or ascertained.

20. Except where the transfer is made pursuant to clause 19 hereof, the person proposing to transfer any shares (hereinafter called the proposing transferor) shall give notice in writing (hereinafter called the transfer notice) to the Company that he desires to transfer the same. Such notice shall constitute the Company his Agent for the sale of the share to any Member of the Company or person selected as aforesaid at the fair value. The transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each. The transfer notice shall not be revocable except with the sanction of the Directors.

21. If the Company shall within a space of one calendar month after being served with the transfer notice find a Member or person selected as aforesaid willing to purchase the share or shares at the fair value and shall give notice thereof to the proposing transferor, he shall be bound upon payment of the fair value to transfer the share to the Member or person selected by the Company as aforesaid (hereinafter called the purchasing Member).

22. At the Ordinary General Meeting in each year the Company shall by resolution declare what is the fair value of a share within the meaning of clause 19 hereof, and the amount so declared with the addition thereto of interest at the rate of 4 per cent. per annum from the date of the meeting or from the date of the last dividend which last shall happen to the date of the completion of any sale shall be deemed to be the fair value.

23. If in any case the proposing transferor, after having become bound as aforesaid, makes default in transferring the share the Company may receive the purchase-money, and shall thereupon cause the name of the purchasing Member to be entered in the Register as the holder of the share, and shall hold the purchase-money in trust for the proposing transferor. The receipt of the Company for the purchase-money shall be a good discharge to the purchasing Member, and after his name has been entered in the Register in purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person.

24. If the Company shall not within a space of one calendar month after being served with the transfer notice find a Member or person willing to purchase the shares and give notice in manner aforesaid, the proposing transferor shall at any time within two calendar months thereafter be at liberty, subject to clause 28 hereof, to sell and transfer the share or shares (or those not placed by the Company) to any person and at any price. If however any such share shall not be transferred within two calendar months as aforesaid, the proposing transferor shall not be entitled to sell or deal with the same without first giving a fresh transfer notice.

25. Any share of a deceased Member may subject to clause 28 hereof be transferred by his executors or administrators to any person to whom such deceased Member may have specifically bequeathed the same, and any such share or any share devolving on death on the personal representatives of a deceased Member shall be subject to the same restrictions as regards transfer as the share was subject to in the hands of the deceased Member.

26. The Company in General Meeting may make, and from time to time vary, rules as to the mode in which any shares specified in any transfer notice given to the Company pursuant to clause 20 hereof shall be offered to the Members, and as to their rights in regard to the purchase thereof, and in particular may give any Member or class of Members a preferential right to purchase the same. Until otherwise determined, every such share shall be determined by lots drawn in regard thereto, and the lots shall be drawn in such manner as the Directors think fit.

27. The Transfer Books and Register of Members may be closed during such times as the Directors think fit; not exceeding in the whole twenty-one days in each year. The Directors may decline to recognize any instrument of transfer unless (a) a fee not exceeding Two Rupees is paid to the Company in respect thereof, and (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Directors may require to prove the title of the transferor or his right to transfer the shares. All instruments of transfer which shall be registered shall be retained by the Company. The Directors may authorize the registration of transfers without the necessity of any meeting of Directors being held for that purpose.

28. The Directors may decline to register a transfer of any shares upon which the Company has a lien, and may refuse to register a transfer of any shares to a transferee of whom they do not approve without assigning any reason therefor.

## TRANSMISSION OF SHARES.

29. On the death of any Member (not being one of several joint-holders of a share), the executors or administrators of such deceased Member shall be the only persons recognized by the Company as having any title to such share.

30. Any person becoming entitled to shares in consequence of the death, bankruptcy, or insolvency of any Member, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, may, with the consent of the Directors (which they shall not be under any obligation to give), be registered as a Member in respect of such shares, or may, subject to the regulations as to transfers hereinbefore contained transfer such shares.

31. A person becoming entitled to a share by reason of the death, bankruptcy, or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a Member in respect of the share, be entitled in respect of it to exercise any right conferred by Membership in relation to Meetings of the Company.

## FORFEITURE OF SHARES AND LIEN.

32. If any Member fail to pay any call or instalment on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring him to pay so much of the call or instalment as is unpaid, together with interest accrued and any expenses incurred by reason of such non-payment.

33. The notice shall name a further day on or before which such call or instalment and all interest accrued and expenses incurred by reason of such non-payment are to be paid, and it shall also name the place where payment is to be made, such place being either the registered office, or some other place at which calls of the Company are usually made payable. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which such call or instalment is payable will be liable to forfeiture.

34. If the requisitions of any such notice as aforesaid be not complied with, any shares in respect of which such notice has been given may, at any time thereafter before payment of all calls or instalments, interest, and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect.

35. Any shares so forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of in such manner, either subject to or discharged from all calls made or instalments due prior to the forfeiture, as the Directors think fit; or the Directors may, at any time before such shares are disposed of, annul the forfeiture upon such terms as they may approve.

36. Any Member whose shares have been forfeited shall notwithstanding, be liable to pay the Company all calls and instalments owing upon such shares at the time of forfeiture, together with interest thereon, at such rate not exceeding ten per centum per annum as the Directors shall appoint, down to the date of payment; but the Directors may, if they shall think fit, remit the payment of such unpaid calls or interest or any part thereof.

37. When any shares have been forfeited, an entry shall, forthwith be made in the Register of Members of the Company recording the forfeiture and the date thereof, and so soon as the shares so forfeited have been disposed of an entry shall also be made of the manner and date of the disposal thereof.

38. The Company shall have a first and paramount lien upon all shares held by any Member of the Company (whether alone or jointly with other persons) and upon all dividends and bonuses which may be declared in respect of such shares for all debts, obligations, and liabilities of such Member (whether solely or jointly with any other person or persons and whether such other person or persons shall be a Member or Members or not) to or with the Company and whether the period for payment, fulfilment, or discharge thereof shall actually have arrived or not.

39. The Directors may serve upon any Member who is indebted or under obligation to the Company a notice requiring him to pay the amount due to the Company or satisfy the said obligation, and stating that if payment is not made or if the said obligation is not satisfied within a time (not being less than fourteen days) specified in such notice, the shares held by such Member will be liable to be sold; and if such Member shall not comply with such notice within the time aforesaid the Directors may sell such shares without further notice.

40. Upon any sale being made by the Directors of any shares to satisfy the lien of the Company thereon, the proceeds shall be applied—first, in the payment of all costs of such sale; next in satisfaction of the debts or obligations of the Member of the Company; and the residue (if any) shall be paid to the said Member or as he shall direct.

41. An entry in the Minute Book of the Company of the forfeiture of any shares, or that any shares have been sold to satisfy a lien of the Company, shall be sufficient evidence, as against all persons entitled to such shares, that the said shares were properly forfeited or sold; and such entry, and the receipt of the Company for the price of such shares, shall constitute a good title to such shares, and the name of the purchaser shall be entered in the Register as a Member of the Company, and he shall be entitled to a certificate of title to the shares, and shall not be bound to see to the application of the purchase money. The remedy of the former holder of such shares, and of any person claiming under or through him, shall be against the Company and in damages only.

## ALTERATION OF CAPITAL.

42. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital by the issue of new shares, such aggregate increase to be of such amount and to be divided into shares of such respective amounts as the resolution shall prescribe.

43. The new shares shall be issued upon such terms and conditions and with such rights, priorities, privileges, or restrictions as the resolution sanctioning the increase of capital shall direct, and if no such direction be given as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of assets of the Company and with a special or without any right of voting.

44. Subject to any direction to the contrary that may be given by the resolution sanctioning the increase of capital, all new shares shall, before issue, be offered to such Members as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as nearly as the circumstances admit, to the amount of the existing shares to which they are entitled. Such offer shall be made by notice, specifying the number of shares offered and limiting a time within which the offer, if not accepted, will be deemed to be declined; and after the expiration of such time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of the same in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares) cannot, in the opinion of the Directors, be conveniently offered under this Article. The Directors may also allot any new shares to the vendor or vendors of any properties or assets which may be acquired by the Company in payment or part payment of the purchase price of any such properties or assets or to any person or persons as remuneration for work done for or service rendered to the Company without first offering same to the Members.

45. Any capital raised by the creation of new shares shall, unless otherwise provided by the conditions of issue, be considered as part of the original capital, and shall be subject to the same provisions with reference to the payment of calls and the forfeiture of shares on non-payment of calls, transfer and transmission of shares, lien or otherwise, as if it has been part of the original capital.

## 46. The Company may by special resolution—

- (a) Consolidate its shares or any of them into shares of a larger amount than its existing shares.
- (b) By subdivision of its existing shares, or any of them, divide the whole or any part of its capital into shares of smaller amount than is fixed by the Memorandum of Association: Provided that in the subdivision of the existing shares the proportion between the amount paid and the amount (if any) unpaid on each share of reduced amount shall be the same as it was in the case of the existing share from which the share of reduced amount is derived.
- (c) Cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.
- (d) Reduce its capital in any manner allowed by law.

## MODIFICATION OF RIGHTS.

47. Whenever the capital is divided into different classes of shares, the rights and privileges attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a resolution passed at a separate General Meeting of the holders of the shares of the class by a majority consisting of not less than three-fourths of the votes given upon the resolution. To every such separate General Meeting the provisions of these regulations relating to General Meetings shall, *mutatis mutandis*, apply, but so that at every such separate General Meeting the quorum shall be a person or persons holding or representing by power of attorney or proxy three-quarters of the issued shares of the class.

## BORROWING POWERS.

48. The Directors may from time to time borrow from bankers or others for the temporary purposes of the Company by way of bills, overdraft, cash credits on the security of goods or produce or by any other usual means of obtaining trading accommodation such sum or sums of money as they in their discretion shall consider necessary or desirable for the proper and convenient administration of the Company's finances.

49. In addition to the moneys so borrowed under the preceding clause the Directors may, from time to time, at their discretion, raise or borrow money from the Directors or other persons for the purposes of the Company, and may secure the repayment of the same by mortgage or charge upon the whole or any part of the assets and property of the Company (present or future), including its uncalled or unissued capital, and may issue bonds, debentures, or debenture stock, either charged upon the whole or any part of the assets and property of the Company or not so charged, but so that the whole amount so borrowed or raised and outstanding at any one time under the provisions of this clause shall not without the consent of the Company in General Meeting exceed the amount of the share capital of the Company for the time being issued or agreed to be issued. Nevertheless no lender or other person dealing with the Company shall be concerned to see or inquire whether this limit is observed.

50. Any debentures, debenture stocks, bonds, or other securities, may be issued at a discount, premium, or otherwise, and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at General Meetings of the Company, appointment of Directors, and otherwise.

51. The register of mortgages shall be open to inspection by any creditor or Member of the Company without payment, and by any other person on payment of the sum of One Rupee for each inspection.

52. A register of the holders of the debentures of the Company shall be kept at the registered office of the Company, and shall be open to the inspection of the registered holder of any such debentures and of any holder of shares in the Company at any time between the hours of two and four in the afternoon. The Directors may close the said register for such period or periods as they may think fit, not exceeding in the aggregate twenty-one days in each year.

## GENERAL MEETINGS.

53. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

54. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no other time or place is prescribed at such time and place as may be determined by the Directors.

55. The General Meetings referred to in the last preceding clause shall be called Ordinary Meetings; all other meetings of the Company shall be called Extraordinary Meetings.

56. The Directors may, whenever they think fit, and they shall upon a requisition made in writing by the holders of not less than one-tenth of the issued capital of the Company, convene an Extraordinary General Meeting of the Company.

57. Any requisition so made shall express the object of the meeting proposed to be called and shall be sent to the registered office of the Company.

58. If the Directors do not proceed to convene a meeting within twenty-one days from the date of the requisition being so deposited the requisitionists may themselves convene the meeting.

59. In the case of an Extraordinary Meeting convened by the requisitionists under the preceding clause three months notice shall be given to the Members specifying the place, day, and hour of the meeting and the business to be transacted thereat, and no business other than that stated in the requisition as the objects of the meeting shall be transacted.

## PROCEEDINGS AT GENERAL MEETINGS.

60. Seven days' notice at the least (exclusive of the day on which the notice is served or deemed to be served, but inclusive of the day for which notice is given), specifying the place, the day, and the hour of meeting, shall be given to the Members in manner hereinafter mentioned, or in such other manner (if any) as may be prescribed by the Company in General Meeting; but the accidental omission to give notice to any Member, or the non-receipt by any Member of such notice, shall not invalidate the proceedings at any General Meeting.

61. Every Ordinary General Meeting shall be competent without special notice having been given of the purposes for which it is convened or of the business to be transacted thereat to receive and consider the accounts and balance sheets and the reports of the Directors and Auditors, to elect Directors in place of those retiring; to elect Auditors and fix their remuneration, and to sanction a dividend, and shall also be competent to enter upon, discuss, and transact any other business of which special mention shall have been made in the notice or notices convening the meeting.

62. No business shall be transacted at any General Meeting, except election of a Chairman, the declaration of a dividend, or the adjournment of the meeting, unless a quorum of Members is present at the time when the meeting proceeds to business; and such quorum shall consist of not less than two Members present personally or by proxy or attorney.

63. If within half an hour from the time appointed for the meeting a quorum be not present, the meeting, if convened upon the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum be not present, those Members who are present shall be deemed to be a quorum, and may do all business which a full quorum might have done.

64. The Chairman (if any) of the Board of Directors shall preside as Chairman at every General Meeting of the Company. If there be no such Chairman, or if at any meeting he be not present within fifteen minutes after the time appointed for holding the meeting, the Members present shall choose one of the Directors present to be Chairman; or if no Director shall be present and willing to take the chair, the Members present shall choose one of their number to be Chairman.

65. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place; but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for twenty-one days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

66. At any General Meeting every question shall be decided in the first instance by a show of hands; and unless a poll be demanded in the case of a special resolution by at least five persons entitled to vote or in any other case by one or more Members or any attorney or attorneys representing one or more Members holding or representing not less than one-tenth of the capital of the Company, or be directed by the Chairman a declaration by the Chairman that a resolution has been carried or not carried, or carried or not carried by a particular majority, and an entry to that effect in the Book of Proceedings of the Company, shall be conclusive evidence of the facts, without proof, of the number or proportion of the votes recorded in favour of or against such resolution.

67. If a poll be demanded or directed in the manner above mentioned, it shall be taken at such time and in such manner as the Chairman may appoint, and the result of such poll shall be deemed to be the resolution of the Company in General Meeting. In the case of an equality of votes at any General Meeting, whether upon a show of hands or on a poll, the Chairman shall be entitled to a second or casting vote. In case of any dispute as to the admission or rejection of any vote, the Chairman shall determine the same, and such determination made in good faith shall be final and conclusive.

68. A poll demanded upon the election of a Chairman or upon a question of adjournment shall be taken forthwith. Any business other than that upon which a poll has been demanded may be proceeded with pending the taking of the poll.

#### VOTES OF MEMBERS.

69. Upon a show of hands every Member present in person shall have one vote only. Where a Member is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such member on a show of hands. Upon a poll every Member present in person or by proxy or attorney shall have one vote for every share held by him upon which there are no calls in arrear.

70. If any Member be a lunatic or idiot he may vote by his committee or other legal curator.

71. No Member shall be entitled to vote at any General Meeting unless all calls due from him have been paid, and no Member shall without the consent of the Directors, which they shall be under no obligation to give, be entitled to vote in respect of any shares that he has acquired by transfer at any meeting held after the expiration of three months from the incorporation of the Company, unless he has been possessed of the shares in respect of which he claims to vote for at least three months previously to the time of holding the meeting at which he proposes to vote.

72. Where there are joint registered holders of any share, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such share as if he were solely entitled thereto; and if more than one of such joint-holders be present at any meeting, personally or by proxy, that one of the said persons so present whose name stand first on the Register in respect of such share shall alone be entitled to vote in respect thereof.

73. Votes may be given either personally or by proxy or by attorney.

74. The instrument appointing a proxy shall be in writing under the hand of the appointor, or of his attorney duly authorized in writing, or if such appointor be a corporation either under its common seal or under the hand of an officer or attorney so authorized. No person shall be appointed a proxy, who is not a member of the Company and qualified to vote, but this provision shall not apply to an attorney under a power of attorney: Provided always that a corporation being a Member of the Company may appoint any one of its officers to be its proxy, and the person so appointed may attend and vote at any meeting and exercise the same functions on behalf of the corporation which he represents as if he were an individual Shareholder.

75. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death of the principal, or revocation of the proxy, or transfer of the share in respect of which the vote is given, provided no intimation in writing of the death, revocation, or transfer shall have been received at the office before the meeting.

76. The instrument appointing a proxy, and the power of attorney or other authority (if any) under which it is signed or under which the attorney of any member proposes to represent such member at any meeting or a notarially certified copy of such power or authority, shall be deposited at the registered office of the Company not less than forty-eight hours before the time fixed for holding the meeting or adjourned meeting, as the case may be, at which the person named in such instrument is authorized to vote, and in default the instrument of proxy or power of attorney shall not be treated as valid.

77. An instrument appointing a proxy shall be in the following form, or in any other form of which the Directors shall approve:—

*Wilson, Holgate & Company (Ceylon), Limited.*

I, \_\_\_\_\_, of \_\_\_\_\_, being a Member of Wilson, Holgate & Company (Ceylon), Limited, hereby appoint \_\_\_\_\_ of \_\_\_\_\_ (a Member of the Company), as my proxy to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_, and at any adjournment thereof.

At witness my hand this \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_.

79. The first Directors shall be Henry T. Helm and Trevor J. Clayton, who shall hold office until the First Ordinary General Meeting of the Company, when they shall all retire but shall be eligible for re-election.

80. The Directors shall have power from time to time to appoint any other persons to be Directors either to fill a casual vacancy or as an addition to the Board but so that the total number of Directors shall not at any time exceed the maximum number fixed as above and so that no such appointment shall be effective unless all of the then Directors concur therein.

81. A Director need not be a Shareholder.

83. There shall be paid to the Directors (other than the Managing Director) as remuneration for their services as Directors such sum as the Company in General Meeting shall from time to time determine, and such remuneration shall be divided among them in such proportions and manner as the Directors may determine, and in default of determination among them equally.

## POWERS OF DIRECTORS.

84. The Directors shall have power to carry into effect the acquisition of the business, assets, and liabilities of the firm of Wilson, Holgate & Company, Colombo, and the purchase, acquisition, or lease of any other businesses, lands, estates, or property they may think fit, or any share or shares thereof.

85. The business of the Company shall be managed by the Directors either by themselves or through a Managing Director or Managing Directors, with the assistance of an agent or agents, secretary or secretaries of the Company to be appointed by the Directors for such a period and on such terms as they shall determine, and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and registration of the Company, and in and about the valuation, purchase, and acquisition of the said businesses and properties, and otherwise, in or about the working, and business of the Company. The whole of the direction and control of the business of the Company shall be conducted in Ceylon, and no person shall act in any manner as a Director while resident temporarily or otherwise outside Ceylon.

86. The Directors shall have power to make, and may make such rules or regulations for the management of the business and property of the Company as they may from time to time think proper, and shall carry on the business of the Company in such manner as they may think most expedient; and in addition to the powers and authorities by any Ordinance or by these presents expressly conferred on them, they may exercise all such powers, give all such consents, make all such arrangements, appoint all such agents, managers, secretaries, treasurers, accountants, and other officers, superintendents, assistants, clerks, artisans, labourers, and other servants, for such period or periods and with such remuneration and at such salaries, and upon such terms and conditions as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, treasurers, accountants, officers, clerks, or servants of the Company for such reasons as they may think proper and advisable and without assigning any cause for so doing.

87. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting, and shall generally do all such acts and things as are or shall be by any Ordinance and by these presents directed and authorized to be exercised, given, made, or done by the Company, and are not by any Ordinance or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of any such Ordinances and of these presents and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting; but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

The generality of the powers conferred by any clause in these presents on the Directors shall not be taken to be limited by any clause conferring any special or expressed power.

88. The Directors shall have power to appoint a proctor or proctors, solicitor or solicitors, attorney or attorneys to assist in carrying on or protecting the business of the Company, on such terms as they may consider proper, and from time to time to revoke such appointment.

90. It shall be lawful for the Directors, if authorized so to do by a special resolution of the Company in General Meeting, to arrange terms for the amalgamation of the Company with any other company or companies, or individual or individuals, or for the sale or disposal of the business, estates, and effects of the Company, or any part or parts, share or shares thereof, respectively, to any company or companies, or person or persons, upon such terms and in such manner as the Directors shall think fit, and the Directors shall have power to do all such things as may be necessary for carrying such amalgamations, sale, or other disposition into effect so far as a resolution or special resolution of the Company is not by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

91. In furtherance and not in limitation of, and without prejudice to, the general powers conferred or implied in any of the preceding clauses, and of the other powers conferred by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say):—

- (a) To purchase or take on lease premises suitable for the business of the Company, and generally to purchase or otherwise acquire for the Company any property, rights or privileges which the Company is authorized to acquire, at such price and generally on such terms and conditions as they think fit; and to execute any mortgage of the said premises or other property of the Company for securing any loan and interest thereon on such terms as they may think fit, and to exercise all borrowing powers of the Company.
- (b) At their discretion to pay for any rights acquired by or services rendered to the Company, either wholly or partially in cash, or in shares, bonds, debentures, or other securities of the Company; and any such shares may be issued either as fully paid up or with such amount credited as paid up thereon as may be agreed upon.

## MANAGING DIRECTORS.

92. The Directors may from time to time appoint one or more of their body to be Managing Director or Managing Directors for such time and at such remuneration (whether by way of salary or commission or participation in profits, or partly in one way and partly in another) as they may think fit, and a Director so appointed shall not, while holding such office, be subject to retirement by rotation or be taken into account in determining the rotation of retirement of Directors, but his appointment shall be subject to determination *ipso facto* if he shall cease from any cause to be a Director, or if the Directors shall resolve that his tenure of such office be determined.

93. The Directors may from time to time confer upon and entrust to the Managing Director or Managing Directors all or any of the powers of the Directors (excepting the power to make calls, forfeit shares, borrow money, for other than purposes of temporary finance under clause 48, or issue debentures) that they may think fit. But the exercise of all powers by the Managing Director or Managing Directors shall be subject to such regulations and restrictions as the Directors may from time to time impose, and the said powers may at any time be withdrawn, revoked, or varied.

## DISQUALIFICATION OF DIRECTORS.

94. The office of a Director shall be vacated—

- (a) If he become bankrupt or insolvent or compound with his creditors.
- (b) If he become of unsound mind or is found a lunatic.
- (c) If he gives the Directors notice in writing that he resigns his office.

But any act done in good faith by a Director whose office is vacated as aforesaid shall be valid, unless prior to the doing of such act written notice has been served upon the Directors or an entry has been made in the Directors' Minute Book stating that such Director has ceased to be a Director of the Company.

95. A Director shall not be disqualified by his office from entering into contracts, arrangements, or dealings with the Company, nor shall any contract, arrangement, or dealing with the Company be voided, nor shall a Director be liable to account to the Company for any profit arising out of any contract, arrangement, or dealing with the Company by reason of such Director being a party to or interested in or deriving profit from any such contract, arrangement, or dealing, and being at the same time a Director of the Company, provided that such Director discloses to the Board at or before the time when such contract, arrangement, or dealing is determined upon his interest therein, or, if his interest be subsequently acquired, provided that he on the first occasion possible discloses to the Board the fact that he has acquired such interest. But no Director shall vote as a Director in regard to any contract, arrangement, or dealing in which he is interested, or upon any matter arising thereout, and if he shall so vote his vote shall not be counted, nor shall he be reckoned for the purpose of constituting a quorum of Directors.

96. The continuing Directors may act notwithstanding any vacancy in their body, but if and so long as the number of Directors is reduced below the number fixed by or pursuant to the regulations of the Company as the necessary quorum of Directors, the continuing Directors may act for the purpose of increasing the number of Directors to that number, or of summoning a General Meeting of the Company, but for no other purpose.

## ROTATION OF DIRECTORS.

97. At the first Ordinary General Meeting of the Company all the Directors shall retire from office, and at the Ordinary General Meeting in every subsequent year, one of the Directors shall retire from office, the Director to retire in each year being the one who has been longest in office since his last election, but as between persons who became Directors on the same day the Director to retire shall (unless they otherwise agree among themselves) be determined by lot. This clause however shall not apply to a Managing Director.

98. A retiring Director shall be eligible for re-election.

99. The Company at the Ordinary General Meeting at which any Director retires in manner aforesaid shall fill up the vacated office, and may fill up any other offices which may then be vacant, by electing the necessary number of persons unless the Company shall determine to reduce the number of Directors. The Company may also, at any Extraordinary General Meeting, on notice duly given, fill up any vacancy in the office of Director, or appoint additional Directors provided that the maximum hereinbefore mentioned be not exceeded.

100. If at any meeting at which an election of Directors ought to take place the place of the vacating Director be not filled up, the vacating Director shall continue in office until the Ordinary General Meeting in the next year, and so on from time to time until his place has been filled up.

101. The Company may from time to time in General Meeting increase or reduce the number of Directors (within the limits prescribed by Article 78) and may alter their qualification, and may also determine in what rotation such increased or reduced number is to go out of office.

102. Any person appointed a Director by the Board of Directors under the provisions of Article 80, shall only retain his office until the next Ordinary General Meeting of the Company, when he shall retire, but he shall be eligible for re-election.

103. The Company in General Meeting may, by a special resolution, remove any Director, before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The person so appointed shall hold office during such time only as the Director in whose place he is appointed would have held the same if he had not been removed.

104. Seven days' previous notice in writing shall be given to the Company of the intention of any Member to propose any person other than a retiring Director for election to the office of Director: Provided always that, if the Members present at a General Meeting unanimously consent, the Chairman of such meeting may waive the said notice, and may submit to the meeting the name of any person duly qualified.

## PROCEEDINGS OF DIRECTORS.

105. The Directors may meet together for the despatch of business, adjourn, and otherwise regulate their meetings as they think fit and determine the quorum necessary for the transaction of business. Until otherwise determined two Directors shall constitute a quorum. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes the Chairman shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time, summon a meeting of the Directors. It shall not be necessary to give any notice of a meeting of Directors to any Director who is absent from Ceylon.

106. All meetings of the Board shall be presided over by a Chairman, to be chosen at each meeting by the Directors present at such meeting.

107. The Directors may delegate any of their powers to committees, consisting of such Member or Members of their body as they think fit. Any Committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on him or them by the Directors. The regulations herein contained for the meetings and proceedings of Directors shall, so far as not altered by any regulations made by the Directors, apply also to the meetings and proceedings of any committee.

108. All acts done by any meeting of the Directors or of a committee of Directors, or by any persons acting as Directors, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Directors or persons acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

109. The Directors may award special remuneration out of the funds of the Company to any Director going or residing abroad in the interests of the Company, or undertaking any work additional to that usually required of Directors of a Company similar to this.

110. A resolution in writing signed by a majority of the Directors shall be as valid and effectual as if it had been passed at a Meeting of the Directors duly called and constituted.

#### MINUTES.

111. The Directors shall cause minutes to be made in books provided for the purpose—

- (a) Of all appointments of officers made by the Directors.
- (b) Of the names of the Directors present at each Meeting of the Directors and of any committee of the Directors.
- (c) Of all resolutions and proceedings at all meetings of the Company and of Directors and of committees of Directors

#### SEAL.

112. The Directors shall forthwith procure a common seal to be made for the Company and shall provide for the safe custody thereof. The seal shall not be affixed to any instruments except in the presence of one of the Directors, and such Director shall sign every instrument to which the seal of the Company is so affixed in his presence.

#### DIVIDENDS.

113. Subject to the provisions of the Memorandum of Association and to the rights of the holders of any shares entitled to any priority, preference, or special privilege, all dividends shall be declared and paid to the Members in proportion to the amounts paid up on the shares held by them respectively. No amount paid on a share in advance of calls shall while carrying interest be treated for the purpose of this Article as paid on a share.

114. The Directors shall lay before the Company in General Meeting a recommendation as to the amount which they consider ought to be paid by way of dividend, and the Company shall declare the dividend (if any) to be paid, but such dividend shall not exceed the amount recommended by the Directors. Any General Meeting may direct payment of any dividend declared at such meeting, or of any interim dividends which may subsequently be declared by the Directors, wholly or in part by means of drafts or cheques on London or by the distribution of specific assets, and in particular of paid up shares, debentures, or debenture stocks of the Company, or paid up shares, debentures, or debenture stocks of any other company, or in any other form of specie, or in any one or more of such ways, and the Directors shall give effect to such resolution; and where any difficulty arises in regard to the distribution, they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific asset or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed, in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Directors.

115. No dividend shall be paid otherwise than out of the profits arising from the business of the Company.

116. The Directors may from time to time pay to the Members such interim dividends as appear to the Directors to be justified by the profits of the Company.

117. The Directors may deduct from the dividends payable to any Member all such sums of money as may be due from him to the Company on account of calls or otherwise.

118. Notice of any dividend that may have been declared shall be given to each Member in the manner in which notices are given to the Members. Any dividend or bonus unclaimed by any Member for three years after notice thereof shall have been given as aforesaid may be forfeited by the Directors for the benefit of the Company, and if the Directors think fit may be applied in augmentation of the reserve fund.

119. The Company may transmit any dividend or bonus payable in respect of any share by ordinary post to the registered address of the holder of such share (unless he shall have given written instructions to the contrary), and shall not be responsible for any loss arising therefrom.

120. No dividend shall bear interest as against the Company.

#### RESERVE FUND.

121. Before the declaration of a dividend the Directors may set aside any part of the nett profits of the Company to create a reserve fund, and may apply the same either by employing it in the business of the Company or by investing it in such manner (not being the purchase of or by way of loan upon the shares of the Company) as they shall think fit or place same on fixed deposit in any bank or banks, and the income arising from such reserve fund shall be treated as part of the gross profits of the Company. Such reserve fund may be applied for the purpose of maintaining or extending the property of the Company, replacing wasting assets, meeting contingencies, forming an insurance fund, or for special dividends or equalizing dividends, or for any other purpose for which the nett profits of the Company may lawfully be used, and until the same shall be so applied it shall be deemed to remain undivided profit. The Directors may also carry forward to the accounts of the succeeding year or years any profit or balance of profit which they shall not think fit either to divide or to place to reserve.

#### ACCOUNTS.

122. The Directors shall cause true accounts to be kept :—

- (a) Of the sums of money received and expended by the Company, and the matters in respect of which such receipts and expenditure take place.
- (b) Of the assets and liabilities of the Company.

123. The books of account shall be kept at the registered office of the Company, or at such other place or places as the Directors may determine. The Directors shall from time to time by resolution determine whether and to what extent and at what times and places and on what conditions the books and accounts of the Company, or any of them, shall be open to the inspection of the Members, and the Members shall have only such rights of inspection as are given to them by Ordinance or by such resolution as aforesaid.

124. A balance sheet and profit and loss account shall be made out and laid before the Company at the Ordinary General Meeting in every year, made up to a date not more than six months before such meeting. The balance sheet shall be accompanied by a report of the Directors upon the general state of the Company, and a recommendation as to the amount (if any) which the Directors consider ought to be paid by way of dividend, and as to the amount (if any) which they propose to set aside as a reserve fund.

125. A copy of the balance sheet and report shall, seven clear days previously to such meeting, be served on every Member entitled to receive notices of General Meetings in the manner in which notices are hereafter directed to be served.

#### AUDIT.

126. No person shall be eligible as an Auditor who is interested otherwise than as a Member in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Member of the Company, and no Director or officer, of the Company shall, during his continuance in office, be eligible as an Auditor.

127. The Directors shall appoint the first Auditor or Auditors of the Company and fix his or their remuneration. He or they shall hold office till the second General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the Ordinary General Meeting of the Company in each year by the Members present thereat, and the Auditor or Auditors appointed at such Meetings shall hold office only until the first Ordinary General Meeting after his or their appointment, or until otherwise ordered by a General Meeting.

128. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

129. Retiring Auditors shall be eligible for re-election.

130. If any vacancy that may occur in the office of Auditor is not supplied at the Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person or persons who shall hold office until the next Ordinary General Meeting after his or their appointment.

131. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting, after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto and to report thereon to the meeting, generally or specially, as he may think fit.

132. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the daytime have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

#### INDEMNITY.

133. Every Director, Managing Director, Manager, Secretary, and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay, all costs, losses, and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into or act or thing done by him as such officer or servant or in any way in the discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company, and have priority as between the Members over all other claims.

#### NOTICES.

134. Every Member shall register with the Company an address in Ceylon to which notices may be sent, and any notice required to be given to such Member may be served by the Company upon such Member either personally or by sending it through the post in a prepaid letter addressed to such Member at his registered address.

135. No Member shall be entitled to have a notice served on him at any address outside Ceylon, and no Member who has neglected to register with the Company an address in Ceylon shall have any right to be served with any notices by the Company, and any notice published in the *Ceylon Government Gazette* shall be deemed to be good and sufficient notice to such Member for all purposes.

136. Any notice, if served by post shall be deemed to have been served twenty-four hours after the letter containing the same shall have been posted; and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into the post office or into any post box subject to the control of the Post Office.

137. Whenever it is proposed to pass a special resolution, the two meetings may be convened by one and the same notices, and it is to be no objection to such notice that it only convened the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

#### WINDING UP.

138. Any Member, whether a Director or not, and whether alone or jointly with any other Member or Director, and any person not a Member, may become the purchaser of the property of the Company or any part thereof in the event of a winding up or a dissolution, or at any other time when a sale of the Company's property or effects or any part thereof shall be made by the Directors under the powers hereby for under the Ordinance conferred upon them.

139. If the Company shall be wound up, whether voluntarily or otherwise, the liquidator or liquidators may with the sanction of a special resolution of the Company divide among the contributories in specie any part of the assets of the Company, and may with the like sanction vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator or liquidators with the like sanction shall think fit, and if thought expedient any such division may be otherwise than in accordance with the legal rights of the Members of the Company and in particular any class may be given preferential or special rights or may be excluded altogether or in part, and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully paid, part paid, or preference in the purchasing company, but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on, or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing company, either ordinary, fully paid, or part paid, or preference, any contributory who would be prejudiced thereby, shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England, but for the purposes of an arbitration as in the sub-section 6 of the said section provided the provisions of the Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance 2 of 1889 shall apply in place of the English and Scotch Acts referred to in the said sub-section 6 of section 192 of the afore-written Companies (Consolidation) Act, and the said section 192, save as herein excepted, shall be deemed to be part and parcel of these present Articles.
