NOTICE is hereby given that an examination for candidates wishing to enter Class II., Grade III., of the Clerical Branch of the Public Service will take place on Thursday, August 26, 1920, and following days.

2. Applications for admission to the examination by persons not now in the Public Service must be addressed to the Director of Education, bearing a duly cancelled stamp of Rs. 10, and in the prescribed form (Schedule A), which can be obtained at the Education Office on application. A certificate of the registration of the candidate's birth, showing him to have been born on or after August 27, 1899, but not later than August 26, 1902, and a certificate of good character signed by a responsible person,* to the satisfaction of the Director of Education, must be attached to the form of application. If a certificate of birth for a previous examination has been already sent in, and is filed in the Education Office, it will be sufficient to refer to the name and date of that examination. Affidavits will not be accepted. In the case of candidates who submit certificates of registration from the register of past births, the certificates will be accepted only after consideration of the evidence by which the dates of birth were established. If the name appearing in the birth register differs, either by alteration or addition, from the name by which the candidate is known, the parent or guardian should, before obtaining a certificate, apply to the Registrar-General or his Assistant for such alteration in the manner set forth in section 7 of Ordinance No. 23 of 1900. Certificates of birth issued for the purposes of the Code for Aided Schools will not be accepted for this examination. This examination is confined to British subjects whose families are permanently resident in the Island.

3. Clerks in Government Service (other than members of the Customs, Postal, Survey, or Railway Departments), from whatever funds they may be paid, who have completed three years' service, and whose service has been throughout satisfactory, are eligible for examination, irrespective of age and without fee. Their applications (in the same form, Schedule A) for admission to the examination should be forwarded to the Director of Education through the Heads of their Departments.

4. Clerks who have not completed three years' service, but are within the prescribed age, will also be admitted without fee.

5. Applications should reach the Director of Education not later than 2 P.M. on July 10, 1920; any applications received after that hour will be rejected.

6. The Director of Education will return to the candidate his application, approved or disapproved as the case may be, after taking, if necessary, the orders of Government thereon. The approved application shall constitute the candidate's ticket of admission to the examination. Candidates presenting themselves for examination must produce to the officer appointed to supervise the examination their forms of application approved by the Director of Education. A candidate not producing such form will be refused admittance to the examination.

7. The examination will be held at Colombo only, under the supervision of the Director of Education, in the places which will be notified to the candidates in due course. Heads of Departments are required to grant leave, to present themselves at the examination, to officers of their Departments whose applications to present themselves for examination have been returned to them approved by the Director of Education.

9. The successful candidates will be required to pass a medical examination as to their physical fitness for service in any part of the Island.

10. The subjects for examination are those set out in Schedule B to this notice. The examination will be held in two parts. The first part is a qualifying examination in Handwriting, Spelling, and Arithmetic. Any candidate failing to obtain two-thirds of the marks allotted for Handwriting or half those allowed for Spelling or for Arithmetic will be excluded from the remainder of the examination. Special attention will be paid to Handwriting, and candidates whose writing is untidy or illegible or contains defects in the formation of letters will be rigorously excluded. The kind of writing preferred is that generally known as the "Civil Service" hand. The second part of the examination will be in the remaining subjects in Schedule B. Should a candidate obtain less than one-third of the aggregate marks for the three subjects Composition, General Paper, Précis Writing—or less than one-fourth marks in any other subject, or if he be a Sinhalese or Tamil, less than one-half of the marks in his native language, such marks will not be counted in his favour. In all the written papers marks will be deducted for bad writing and mistakes in spelling.

A call may be made payable by instalments.

13. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

15. If by the terms of the issue of any shares or otherwise any amount is made payable at any fixed time or by instalments at any fixed times, such amount or instalment shall be payable as if it were a call duly made by the Directors and of which due notice had been given, and all provisions hereof with respect to the payment of calls and interest thereon,

or to the forfeiture of shares for non-payment of calls, shall apply to such amount or instalments and the shares in respect of which they are payable.

The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the moneys uncalled or unpaid upon any shares held by him; and upon the money so paid in advance the Directors may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding, without the sanction of the Company in General Meeting, six per cent.) as may be agreed upon between the Member paying the sum in advance and the Directors.

TRANSFER OF SHARES.

17. The instrument of transfer of any share in the Company shall be in writing, and shall be executed both by the transferor and transferee, and duly attested, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the Register in respect thereof.

18. Shares in the Company shall be transferred in the following form, or in any usual or common form, of which the Directors shall approve:—

I, A.B., of _____, in consideration of the sum of _____ paid to me by C.D. of _____ (hereinafter called "the said transferee"), do hereby transfer to the said transferee _____ share (or shares) numbered _____ in the undertaking called "The Ceylon and Foreign Products Company, Limited," to hold unto the said transferee, his executors, administrators, and assigns, subject to the several conditions on which I hold the same; and I, the said transferee, do hereby agree to make the said share (or shares) subject to the conditions aforesaid.

As witness our hands, the _____ day of _____, 19__.

Signed by the above-named _____, in the presence of _____.

19. A share may be transferred by a Member or other person entitled to transfer to any Member selected by the transferor; but save as aforesaid, and save as provided by clause 24 hereof, no share shall be transferred to a person who is not a Member, so long as any Member or any person selected by the Directors as one whom it is desirable in the interests of the Company to admit to Membership is willing to purchase the same at its fair value as hereinafter defined or ascertained.

20. Except where the transfer is made pursuant to clause 19 hereof, the person proposing to transfer any shares (hereinafter called the proposing transferor) shall give notice in writing (hereinafter called the transfer notice) to the Company that he desires to transfer the same. Such notice shall constitute the Company his agent for the sale of the share to any Member of the Company or person selected as aforesaid at the fair value. The transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each. The transfer notice shall not be revocable, except with the sanction of the Directors.

21. If the Company shall within a space of two calendar months after being served with the transfer notice find a Member or person selected as aforesaid willing to purchase the share or shares at the fair value and shall give notice thereof to the proposing transferor, he shall be bound upon payment of the fair value to transfer the share to the Member or person selected by the Company as aforesaid (hereinafter called the purchasing Member).

22. At the Ordinary General Meeting in each year the Company shall by resolution declare what is the fair value of a share within the meaning of clause 19 hereof, and the amount so declared with the addition thereto of interest at the rate of 4 per cent. per annum from the date of the meeting or from the date of the last dividend, which last shall happen, the date of the completion of any sale shall be deemed to be the fair value.

23. If in any case the proposing transferor after having become bound as aforesaid, makes default in transferring the share, the Company may receive the purchase money, and shall thereupon cause the name of the purchasing Member to be entered in the Register as the holder of the share, and shall hold the purchase money in trust for the proposing transferor. The receipt of the Company for the purchase money shall be a good discharge to the purchasing Member, and after his name has been entered in the Register in purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person.

24. If the Company shall not within a space of two calendar months after being served with the transfer notice find a member or person willing to purchase the shares and give notice in manner aforesaid, the proposing transferor shall at any time within two calendar months thereafter be at liberty, subject to clause 28 hereof to sell and transfer the share or shares (or those not placed by the Company) to any person and at any price. If however any such share shall not be transferred within two calendar months as aforesaid, the proposing transferor shall not be entitled to sell or deal with the same without first giving a fresh transfer notice.

25. Any share of a deceased Member may, subject to clause 28 hereof, be transferred by his executors or administrators to any person to whom such deceased Member may have specifically bequeathed the same, and any such share or any share devolving or death on the personal representatives of a deceased Member shall be subject to the same restrictions as regards transfer as the share was subject to in the hands of the deceased Member.

26. The Company in General Meeting may make, and from time to time vary, the rules as to the mode in which any shares specified in any transfer notice given to the Company pursuant to clause 20 hereof shall be offered to the Members and as to their rights in regard to the purchase thereof, and in particular may give any Member or class of Members a preferential right to purchase same. Until otherwise determined, the disposal of every such share shall be determined by lots drawn in regard thereto, and the lots shall be drawn in such manner as the Directors think fit.

27. The Transfer Books and Register of Members may be closed during such times as the Directors think fit, not exceeding in the whole twenty-one days in each year. The Directors may decline to recognize any instrument of transfer unless (a) a fee not exceeding two rupees is paid to the Company in respect thereof, and (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Directors may require to prove the title of the transferor or his right to transfer the shares. All instruments of transfer which shall be registered shall be retained by the Company. The Directors may authorize the registration of transfers without the necessity of any meeting of Directors being held for that purpose.

28. The Directors may decline to register a transfer of any shares upon which the Company has a lien, and may refuse to register a transfer of any shares to a transferee of whom they do not approve without assigning any reason therefor.

TRANSMISSION OF SHARES.

29. On the death of any Member (not being one of several joint-holders of a share), the executors or administrators of such deceased Member shall be the only persons recognized by the Company as having any title to such share.

30. Any person becoming entitled to shares in consequence of the death, bankruptcy, or insolvency of any Member, upon producing such evidence that he sustains the character in respect of which he professes to act under this clause, or of his title, as the Directors think sufficient, may, with the consent of the Directors (which they shall not be under any obligation to give), be registered as a Member in respect of such shares, or may, subject to the regulations as to transfers hereinbefore contained, transfer such shares.

31. A person becoming entitled to a share by reason of the death, bankruptcy, or insolvency of the holder, shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a Member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to Meetings of the Company.

FORFEITURE OF SHARES AND LIEN.

32. If any Member fail to pay any call or instalment on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring him to pay so much of the call or instalment as is unpaid, together with interest accrued and any expenses incurred by reason of such non-payment.

33. The notice shall name a further day on or before which such call or instalment and all interest accrued and expenses incurred by reason of such non-payment are to be paid, and it shall also name the place where payment is to be made, such place being either the registered office or some other place at which calls of the Company are usually made payable. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which such call or instalment is payable will be liable to forfeiture.

34. If the requisitions of any such notice as aforesaid be not complied with, any shares in respect of which such notice has been given may, at any time thereafter before payment of all calls or instalments, interest, and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect.

35. Any shares so forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of in such manner, either subject to or discharged from all calls made or instalments due prior to the forfeiture, as the Directors think fit; or the Directors may, at any time before such shares are disposed of, annul the forfeiture upon such terms as they may approve.

36. Any Member whose shares have been forfeited shall, notwithstanding, be liable to pay the Company all calls and instalments owing upon such shares at the time of forfeiture, together with interest thereon, at such rate not exceeding ten per centum per annum, as the Directors shall appoint, down to the date of payment; but the Directors may, if they think fit, remit the payment of such unpaid calls or interests or any part thereof.

37. When any shares have been forfeited, an entry shall forthwith be made in the Register of Members of the Company recording the forfeiture and the date thereof, and so soon as the shares so forfeited have been disposed of, an entry shall also be made of the manner and date of the disposal thereof.

38. The Company shall have a first and paramount lien upon all shares held by any Member of the Company (whether alone or jointly with other persons), and upon all dividends and bonuses which may be declared in respect of such shares for all debts, obligations, and liabilities of such Member (whether solely or jointly with any other person or persons and whether such other person or persons shall be a Member or Members or not) to or with the Company, and whether the period for payment, fulfilment, or discharge thereof shall actually have arrived or not.

39. The Directors may serve upon any Member who is indebted or under obligation to the Company a notice requiring him to pay the amount due to the Company or satisfy the said obligation, and stating that, if payment is not made or if the said obligation is not satisfied within a time (not being less than fourteen days) specified in such notice, the shares held by such member will be liable to be sold; and if such Member shall not comply with such notice within the time aforesaid, the Directors may sell such shares without further notice.

40. Upon any sale being made by the Directors of any shares to satisfy the lien of the Company thereon, the proceeds shall be applied: first, in the payment of all costs of such sale; next in satisfaction of the debts or obligations of the Member of the Company; and the residue (if any) shall be paid to the said Member or as he shall direct.

41. An entry in the Minute Book of the Company of the forfeiture of any shares or that any shares have been sold to satisfy a lien of the Company shall be sufficient evidence as against all persons entitled to such shares, that the said shares were properly forfeited or sold; and such entry and the receipt of the Company for the price of such shares shall constitute a good title to such shares, and the name of the purchaser shall be entered in the Register as a Member of the Company, and he shall be entitled to a certificate of title to the shares, and shall not be bound to see to the application of the purchase money. The remedy of the former holder of such shares and of any person claiming under or through him shall be against the Company and in damages only.

ALTERATION OF CAPITAL.

42. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital by the issue of new shares, such aggregate increase to be of such amount and to be divided into shares of such respective amounts as the resolution shall prescribe.

43. The new shares shall be issued upon such terms and conditions and with such rights, priorities, privileges, or restrictions as the resolution sanctioning the increase of capital shall direct, and if no such direction be given as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to dividends, and in the distribution of assets of the Company, and with a special or without any right of voting.

44. Subject to any direction to the contrary that may be given by the resolution sanctioning the increase of capital, all new shares shall, before issue, be offered to such Members as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as nearly as the circumstances admit, to the amount of the existing shares to which they are entitled. Such offer shall be made by notice, specifying the number of shares offered and limiting a time within which the offer, if not accepted, will be deemed to be declined; and after the expiration of such time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of the same in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares) cannot, in the opinion of the Directors, be conveniently offered under this Article. The Directors may also allot any new shares to the vendor or vendors of any properties or assets which may be acquired by the Company in payment or part payment of the purchase price of any such properties or assets or to any person or persons as remuneration for work done for or service rendered to the Company without first offering the same to the Members.

45. Any capital raised by the creation of new shares shall, unless otherwise provided by the conditions of issue, be considered as part of the original capital, and shall be subject to the same provisions with reference to the payments of calls and the forfeiture of shares on non-payment of calls, transfer, and transmission of shares, lien, or otherwise, as if it has been part of the original capital.

46. The Company may by special resolution—

(a) Consolidate its shares or any of them into shares of a larger amount than its existing shares.

(b) By sub-division of its existing shares, or any of them, divide the whole or any part of its capital into shares of smaller amount than is fixed by the Memorandum of Association; provided that in the sub-division of the existing shares the proportion between the amount (if any) unpaid on each share of reduced amount shall be the same as it was in the case of the existing share from which the share of reduced amount is derived.

(c) Cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

(d) Reduce its capital in any manner allowed by law.

MODIFICATION OF RIGHTS.

47. Whenever the capital is divided into different classes of shares, the rights and privileges attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a resolution passed at a separate General Meeting of the holders of the shares of the class by a majority consisting of not less than three-fourths of the votes given upon the resolution. To every such separate General Meeting the provisions of these regulations relating to General Meetings shall, *mutatis mutandis*, apply, but so that at every such separate General Meeting the quorum shall be a person or persons holding or representing by power of attorney or proxy three-quarters of the issued shares of the class.

BORROWING POWERS.

48. The Directors may from time to time borrow from bankers or others for the temporary purposes of the Company by way of bills, overdraft, cash credits on the security of goods or produce, or by any other usual means of obtaining trading accommodation, such sum or sums of money as they in their discretion shall consider necessary or desirable for the proper and convenient administration of the Company's finances.

49. In addition to the moneys so borrowed under the preceding clause the Directors may, from time to time, at their discretion, raise or borrow money from the Directors or other persons for the purposes of the Company, and may secure the re-payment of the same by mortgage or charge upon the whole or any part of the assets and property of the Company (present or future), including its uncalled or unissued capital, and may issue bonds, debentures, or debenture stock, either charged upon the whole or any part of the assets and property of the Company or not so charged, but so that the whole amount so borrowed or raised and outstanding at any one time under the provisions of this clause shall not without the consent of the Company in General Meeting exceed the amount of the share capital of the Company for the time being issued or agreed to be issued. Nevertheless, no lender or other person dealing with the Company shall be concerned to see or inquire whether this limit is observed.

50. Any debentures, debenture stock, bonds, or other securities may be issued at a discount, premium, or otherwise, and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at General Meetings of the Company, appointment of Directors, and otherwise.

51. The Register of Mortgages shall be open to inspection by any creditor or Member of the Company without any payment, and by any other person on payment of the sum of One Rupee for each inspection.

52. A register of the holders of the debentures of the Company shall be kept at the registered office of the Company and shall be open to the inspection of the registered holder of any such debentures and of any holder of shares in the Company at any time between the hours of two and four in the afternoon. The Directors may close the said Register for such period or periods as they may think fit, not exceeding in the aggregate twenty-one days in each year.

GENERAL MEETINGS.

53. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

54. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no other time or place is prescribed at such time and place as may be determined by the Directors.

55. The General Meetings referred to in the last preceding clause shall be called Ordinary Meetings; all other meetings of the Company shall be called Extraordinary Meetings.

56. The Directors may, whenever they think fit, and they shall upon a requisition made in writing by the holders of not less than one-tenth of the issued capital of the Company, convene an Extraordinary General Meeting of the Company.

57. Any requisition so made shall express the object of the meeting proposed to be called and shall be sent to the registered office of the Company.

58. If the Directors do not proceed to convene a meeting within twenty-one days from the date of the requisition being so deposited, the requisitionists may themselves convene a meeting.

59. In the case of an Extraordinary Meeting convened by the requisitionists under the preceding clause three months' notice shall be given to the members specifying the place, day, and hour of the meeting and the business to be transacted thereat, and no business other than that stated in the requisition as the objects of the meeting shall be transacted.

PROCEEDINGS AT GENERAL MEETINGS.

60. Seven days' notice at the least (exclusive of the day on which the notice is served or deemed to be served, but inclusive of the day for which notice is given), specifying the place, day, and hour of meeting, shall be given to the Members in manner hereinafter mentioned, or in such other manner (if any) as may be prescribed by the Company in General Meeting; but the accidental omission to give notice to any member, or the non-receipt by any Member of such notice, shall not invalidate the proceedings at any General Meeting.

61. Every Ordinary General Meeting shall be competent without special notice having been given of the purposes for which it is convened or of the business to be transacted thereat to receive and consider the accounts and balance sheets and the reports of the Directors and Auditors, to elect Directors in place of those retiring, to elect Auditors and fix their remuneration, and to sanction a dividend, and shall also be competent to enter upon, discuss, and transact any other their remuneration, and to sanction a dividend, and shall also be competent to enter upon, discuss, and transact any other business of which special mention shall have been made in the notice or notices convening the meeting.

62. No business shall be transacted at any General Meeting, except election of a Chairman, the declaration of a dividend, or the adjournment of the Meeting, unless a quorum of members is present at the time when the meeting proceeds to business; and such quorum shall consist of not less than two Members present personally or by proxy or attorney.

63. If within half an hour from the time appointed for the meeting a quorum be not present, the meeting, if convened upon the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place, and if at such adjourned meeting a quorum be not present, those Members who are present shall be deemed to be a quorum, and may do all business which a full quorum might have done.

64. The Chairman (if any) of the Board of Directors shall preside as Chairman at every General Meeting of the Company. If there be no such Chairman, or if at any meeting he be not present within fifteen minutes after the time appointed for holding the meeting, the Members present shall choose one of the Directors present to be Chairman, or if no Director shall be present and willing to take the Chair, the Members present shall choose one of their number to be Chairman.

65. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place; but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for twenty-one days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

66. At any General Meeting every question shall be decided in the first instance by a show of hands; and unless a poll be demanded in the case of a special resolution by at least five persons entitled to vote, or in any other case by one or more Members or any attorney or attorneys representing one or more Members holding or representing not less than one-tenth of the Capital of the Company, or be directed by the Chairman, a declaration by the Chairman that a resolution has been carried or not carried, or carried or not carried by a particular majority, and an entry to that effect in the Book of Proceedings of the Company, shall be conclusive evidence of the facts, without proof, of the number or portion of the votes recorded in favour of or against such resolution.

67. If a poll be demanded or directed in the manner above-mentioned, it shall be taken at such time and in such manner as the Chairman may appoint, and the result of such poll shall be deemed to be the resolution of the Company in General Meeting. In the case of an equality of votes at any General Meeting, whether upon a show of hands or on a poll, the Chairman shall be entitled to a second or casting vote. In case of any dispute as to the admission or rejection of any vote, the Chairman shall determine the same, and such determination made in good faith shall be final and conclusive.

68. A poll demanded upon the election of a Chairman or upon a question of adjournment shall be taken forthwith. Any business other than that upon which a poll has been demanded may be proceeded with pending the taking of the poll.

VOTE OF MEMBERS.

69. Upon a show of hands every member present in person shall have one vote only. Where a member is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such Member on a show of hands. Upon a poll every Member present in person or by proxy or by attorney shall have one vote for every share held by him upon which there are no calls in arrear.

70. If any Member be a lunatic or idiot he may vote by his committee or other legal curator.

71. No Member shall be entitled to vote at any General Meeting unless all calls due from him have been paid, and no Member shall without the consent of the Directors which they shall be under no obligation to give, be entitled to vote in respect of any shares that he has acquired by transfer at any meeting held after the expiration of three months from the incorporation of the Company, unless he has been possessed of the shares in respect of which he claims to vote for at least three months previously to the time of holding the Meeting at which he proposes to vote.

72. Where there are joint registered holders of any share, any one of such persons may vote at any Meeting, either personally or by proxy, in respect of such share as if he were solely entitled thereto, and if more than one of such joint-holders be present at any meeting, personally or by proxy, that one of the said persons so present, whose name stand first on the Register in respect of such share, shall alone be entitled to vote in respect thereof.

73. Votes may be given either personally or by proxy or by attorney.

74. The instrument appointing a proxy shall be in writing under the hand of the appointor, or of his attorney duly authorized in writing, or if such appointor be a corporation either under its common seal or under the hand of an officer or attorney so authorized. No person shall be appointed a proxy, who is not a member of the Company and qualified to vote, but this provision shall not apply to an attorney under a power of attorney: Provided always that a corporation being a Member of the Company may appoint any one of its officers to be its proxy, and the person so appointed may attend and vote at any Meeting and exercise the same functions on behalf of the corporation which he represents as if he were an individual Shareholder.

75. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death of the principal, or revocation of the proxy or transfer of the share in respect of which the vote is given, provided no intimation in writing of the death, revocation, or transfer shall have been received at the office before the Meeting.

76. The instrument appointing a proxy, and the power of attorney or other authority (if any) under which it is signed or under which the attorney of any Member proposes to represent such Member at any Meeting, or a notarially certified copy of such power or authority, shall be deposited at the registered office of the Company not less than forty-eight hours before the time fixed for holding the Meeting or adjourned Meeting, as the case may be, at which the person named in such instrument is authorized to vote, and in default the instrument of proxy or power of attorney shall not be treated as valid.

77. An instrument appointing a proxy shall be in the following form, or in any other form of which the Directors shall approve:—

The Ceylon and Foreign Products Company, Limited.

I, _____, of _____, being a Member of The Ceylon and Foreign Products Company, Limited, hereby appoint _____ of _____ (a Member of the Company) as my proxy to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company, to be held on the _____ day of _____ One thousand Nine hundred and _____, and at any adjournment thereof.

As witness my hand this _____, day of _____, One thousand Nine hundred and _____.

78. Until otherwise determined by a General Meeting the number of the Directors shall not be less than two or more than five.

79. The first Directors shall be L. Beling, W. H. Schokman, and W. E. V. de Rooy, who shall hold office until the First Ordinary General Meeting of the Company, when they shall all retire, but shall be eligible for re-election.

80. The Directors shall have power from time to time to appoint any other persons to be Directors either to fill a casual vacancy or as an addition to the Board, but so that the total number of Directors shall not at any one time exceed the maximum number fixed as above, and so that no such appointment shall be effective unless all of the then Directors concur therein.

81. A Director need not be a Shareholder.

82. A Director may hold any other office under the Company in conjunction with the office of Director, except that of Auditor.

83. There shall be paid to the Directors (other than the Managing Director) as remuneration for their services as Directors such sum as the Company in General Meeting shall from time to time determine, and such remuneration shall be divided among them in such proportion and manner as the Directors may determine, and in default of determination among them equally.

POWERS OF DIRECTORS.

84. The business of the Company shall be managed by the Directors either by themselves or through a Managing Director or Managing Directors, with the assistance of an Agent or Agents, Secretary or Secretaries of the Company to be appointed by the Directors for such a period and on such terms as they shall determine, and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and registration of the Company, and in or about the working and business of the Company. The whole of the direction and control of the business of the Company shall be conducted in Ceylon.

85. The Directors shall have power to make and may make such rules and regulations for the management of the business and property of the Company as they may from time to time think proper, and shall carry on the business of the Company in such manner as they may think most expedient; and in addition to the powers and authorities by any Ordinance or by these presents expressly conferred on them, they may exercise all such powers, give all such consents, make all such arrangements, appoint all such agents, managers, secretaries, treasurers, accountants, and other officers, superintendents, assistants, clerks, artisans, labourers, and other servants, for such period or periods, and with such remuneration and at such salaries, and upon such terms and conditions as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, treasurers, accountants, officers, clerks, or servants of the Company for such reasons as they may think proper and advisable, and without assigning any cause for so doing.

86. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting, and shall generally do all such acts and things as are or shall be by any Ordinance and by these presents directed and authorized to be exercised, given, made, or done by the Company, and are not by any Ordinance or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of any such Ordinances and of these presents and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting; but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

The generality of the powers conferred by any clause in these presents on the Directors shall not be taken to be limited by any clause conferring any special or expressed power.

87. The Directors shall have power to appoint a proctor or proctors, solicitor or solicitors, attorney or attorneys, to assist in carrying on or protecting the business of the Company on such terms as they may consider proper, and from time to time to revoke such appointment.

89. It shall be lawful for the Directors, if authorized so to do by a special resolution of the Company in General Meeting, to arrange terms for the amalgamation of the Company with any other company or companies, or individual or individuals, or for the sale or disposal of the business, estates, and effects of the Company, or any part or parts, share or shares thereof, respectively, to any company or companies, or person or persons, upon such terms and in such manner as the Directors shall think fit, and the Directors shall have power to do all such things as may be necessary for carrying such amalgamations, sale, or other disposition into effect so far as a resolution or special resolution of the Company is not by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

90. In furtherance and not in limitation of, and without prejudice to, the general powers conferred or implied in any of the preceding clauses, and of the other powers conferred by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say):—

- (a) To purchase or take on lease premises suitable for the business of the Company, and generally to purchase or otherwise acquire for the Company any property, rights, or privileges which the Company is authorized to acquire at such price, and generally on such terms and conditions as they think fit; and to execute any mortgage of the said premises or other property of the Company for securing any loan and interest thereon on such terms as they may think fit, and to exercise all borrowing powers of the Company.
- (b) At their discretion to pay for any rights acquired by or services rendered to the Company, either wholly or partially in cash, or in shares, bonds, debentures, or other securities of the Company; and any such shares may be issued, either as fully paid up or with such amount credited as paid up thereon, as may be agreed upon.

MANAGING DIRECTORS.

91. The Directors shall have power by an agreement in writing to appoint one or more Managing Director or Managing Directors, and shall have power in such agreement to fix the period of service of such Managing Director or Managing Directors, and the amount of the remuneration to be paid to him or them, and in such agreement to provide for the removal from office of any Managing Director or Directors before his or their term of service has expired. A Managing Director so appointed shall not, while holding the office of Managing Director, be subject to retirement by rotation, nor shall such period of service be taken into account in determining the rotation or retirement of Directors.

92. The Managing Director or Managing Directors shall have all the powers of the Directors excepting the power to make calls, forfeit, borrow money for other than purposes of temporary finance under clause 48, or issue debentures. But the exercise of all powers by the Managing Director or Managing Directors shall be subject to such regulations and restrictions as the Directors may from time to time impose, and the said powers may at any time be withdrawn, revoked, or varied.

DISQUALIFICATION OF DIRECTORS.

93. The office of a Director shall be vacated :—

- (a) If he becomes bankrupt or insolvent or compound with his creditors.
- (b) If he become of unsound mind or is found a lunatic.
- (c) If he gives the Directors notice in writing that he resigns his office.

But any act done in good faith by a Director whose office is vacated as aforesaid shall be valid, unless prior to the doing of such act written notice has been served upon the Directors, or an entry has been made in the Director's Minute Book stating that such Director has ceased to be a Director of the Company.

94. A Director shall not be disqualified by his office from entering into contracts, arrangements, dealings with the Company, nor shall any contract, arrangement or dealing with the Company be voided, nor shall a Director be liable to account to the Company for any profit arising out of any contract, arrangement, or dealing with the Company by reason of such Director being a party to or interested in or deriving profit from any such contract, arrangement, or dealing, and being at the same time a Director of the Company, provided that such Director discloses to the Board at or before the time when such contract, arrangement, or dealing is determined upon his interest therein, or, if his interest be subsequently acquired, provided that he on the first occasion possible discloses to the Board the fact that he has acquired such interest. But no Director shall vote as a Director in regard to any contract, arrangement, or dealing in which he is interested, or upon any matter arising thereout, and if he shall so vote, his vote shall not be counted, nor shall he be reckoned for the purpose of constituting a quorum of Directors.

95. The continuing Directors may act notwithstanding any vacancy in their body, but if and so long as the number of Directors is reduced below the number fixed by or pursuant to the regulations of the Company as the necessary quorum of Directors, the continuing Directors may act for the purpose of increasing the number of Directors to that number, or of summoning a General Meeting of the Company, but for no other purpose.

ROTATION OF DIRECTORS.

96. At the First Ordinary General Meeting of the Company all the Directors shall retire from office, and at the Ordinary General Meeting in every subsequent year, one of the Directors shall retire from office, the Director to retire in each year being the one who has been longest in office since his last election, but as between persons who became Directors on the same day, the Director to retire shall (unless they otherwise agree among themselves) be determined by lot. This clause, however, shall not apply to a Managing Director.

97. A retiring Director shall be eligible for re-election.

98. The Company at the Ordinary General Meeting at which any Director retires in manner aforesaid shall fill up the vacated office, and may fill up any other offices which may then be vacant, by electing the necessary number of persons, unless the Company shall determine to reduce the number of Directors. The Company may also, at any Extraordinary General Meeting, or notice duly given, fill up any vacancy in the office of Director, or appoint additional Directors provided that the maximum hereinbefore mentioned be not exceeded.

99. If at any meeting at which an election of Directors ought to take place, the place of the vacating Director be not filled up, the vacating Director shall continue in office until the Ordinary General Meeting in the next year, and so on from time to time until his place has been filled up.

100. The Company may from time to time in General Meeting increase or reduce the number of Directors (within the limits prescribed by Article 78) and may alter their qualification, and may also determine in what rotation such increased or reduced number is to go out of office.

101. Any person appointed a Director by the Board of Directors under the provisions of Article 80 shall only retain his office until the next Ordinary General Meeting of the Company when he shall retire, but he shall be eligible for re-election.

102. The Company in General Meeting may, by a special resolution, remove any Director, before the expiration of his period of office, and may, by an ordinary resolution appoint another person in his stead. The person so appointed shall hold office during such time only as the Director in whose place he is appointed would have held the same if he had not been removed.

103. Seven days' previous notice in writing shall be given to the Company of the intention of any Member to propose any person other than a retiring Director for election to the office of Director: Provided always that, if the Members present at a General Meeting unanimously consent, the Chairman of such meeting may waive the said notice, and may submit to the meeting the name of any person duly qualified.

PROCEEDINGS OF DIRECTORS.

104. The Directors may meet together for the despatch of business, adjourn, and otherwise regulate their meetings as they think fit, and determine the quorum necessary for the transaction of business. Until otherwise determined, two Directors shall constitute a quorum. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes, the Chairman shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors. It shall not be necessary to give any notice of a meeting of Directors to any Director who is absent from Ceylon.

105. All meetings of the Board shall be presided over by a Chairman, to be chosen at each meeting by the Directors present at such meeting.

106. The Directors may delegate any of their powers to Committees, consisting of such Member or Members of their body as they think fit. Any Committee so formed shall, in exercise of the powers so delegated, conform to any regulations that may be imposed on him or them by the Directors. The regulations herein contained for the meetings and proceedings of Directors shall, so far as not altered by any regulations made by the Directors, apply also to the meetings and proceedings of any Committee.

107. All acts done by any meeting of the Directors or of a Committee of Directors, or by any persons acting as Directors, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Directors or persons acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

108. The Directors may award special remuneration out of the funds of the Company to any Director going or residing abroad in the interests of the Company, or undertaking any work additional to that usually required of Directors of a Company similar to this.

109. A resolution in writing signed by a majority of the Directors shall be as valid and effectual as if it had been passed at a Meeting of the Directors duly called and constituted.

MINUTES.

110. The Directors shall cause minutes to be made in books provided for the purpose—

- (a) Of all appointments of officers made by the Directors.
- (b) Of the names of the Directors present at each meeting of the Directors and of any Committee of the Directors.
- (c) Of all resolutions and proceedings of all meetings of the Company and of Directors and of Committees of Directors.

SEAL.

111. The Directors shall forthwith procure a common seal to be made for the Company and shall provide for the safe custody thereof. The seal shall not be affixed to any instruments, except in the presence of one of the Directors and the Secretary of the Company, who shall attest the sealing thereof.

DIVIDENDS.

112. Subject to the provisions of the Memorandum of Association and to the rights of the holders of any shares entitled to any priority, preference, or special privilege, all dividends shall be declared and paid to the Members in proportion to the amounts paid up on the shares held by them respectively. No amount paid on a share in advance of calls shall while carrying interest be treated for the purpose of this Article as paid on a share.

113. The Directors shall lay before the Company in General Meeting a recommendation as to the amount which they consider ought to be paid by way of dividend, and the Company shall declare the dividend (if any) to be paid, but such dividend shall not exceed the amount recommended by the Directors. Any General Meeting may direct payment of any dividend declared at such meeting, or of any interim dividends which may subsequently be declared by the Directors, wholly or in part by means of drafts or cheques or by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stocks of the Company, or paid-up shares, debentures, or debenture stocks of any other company, or in any other form of specie, or in any one or more of such ways, and the Directors shall give effect to such resolution; and where any difficulty arises in regard to the distribution, they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific asset or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Directors.

114. No dividend shall be paid otherwise than out of the profits arising from the business of the Company.

115. The Directors may from time to time pay to the Members such interim dividends as appear to the Directors to be justified by the profits of the Company.

116. The Directors may deduct from the dividends payable to any Member all such sums of money as may be due from him to the Company on account of calls or otherwise.

117. Notice of any dividend that may have been declared shall be given to each Member in the manner in which notices are given to the Members. Any dividend or bonus unclaimed by any Member for three years after notice thereof shall have been given as aforesaid may be forfeited by the Directors for the benefit of the Company, and if the Directors think fit may be applied in augmentation of the reserve fund.

118. The Company may transmit any dividend or bonus payable in respect of any shares by ordinary post to the registered address of the holder of such share (unless he shall have given written instructions to the contrary), and shall not be responsible for any loss arising therefrom.

119. No dividend shall bear interest as against the Company.

RESERVE FUND.

120. Before the declaration of a dividend the Directors may set aside any part of the nett profits of the Company to create a reserve fund, and may apply the same either by employing it in the business of the Company or by investing it in such manner (not being the purchase of or by way of loan upon the shares of the Company) as they shall think fit, or place same on fixed deposit in any bank or banks, and the income arising from such reserve fund shall be treated as part of the gross profits of the Company. Such reserve fund may be applied for the purpose of maintaining or extending the property of the Company, replacing wasting assets, meeting contingencies, forming an insurance fund, or for special dividends or equalizing dividends, or for any other purpose for which the nett profits of the Company may lawfully be used, and until the same shall be so applied it shall be deemed to remain undivided profit. The Directors may also carry forward to the accounts of the succeeding year or years any profit or balance of profit which they shall not think fit either to divide or to place to reserve.

ACCOUNTS.

121. The Directors shall cause true accounts to be kept:—

- (a) Of the sums of money received and expended by the Company, and the matters in respect of which such receipts and expenditure take place.
- (b) Of the assets and liabilities of the Company.

122. The books of account shall be kept at the registered office of the Company, or at such other place or places as the Directors may determine. The Directors shall from time to time by a resolution, determine whether and to what extent and at what times and places and on what conditions the books and accounts of the Company, or any of them shall be open to the inspection of the Members, and the Members shall have only such rights of inspection as are given to them by Ordinance or by such resolution as aforesaid.

123. A balance sheet and profit and loss account shall be made out and laid before the Company at the Ordinary General Meeting in every year, made up to a date not more than six months before such meeting. The balance sheet shall be accompanied by a report of the Directors upon the general state of the Company, and a recommendation as to the amount (if any) which the Directors consider ought to be paid by way of dividend, and as to the amount (if any) which they propose to set aside as a reserve fund.

124. A copy of the balance sheet and report shall, seven clear days previously to such meeting, be served on every Member entitled to receive notices of General Meetings in the manner in which notices are hereafter directed to be served.

AUDIT.

125. No person shall be eligible as an Auditor who is interested otherwise than as a Member in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Member of the Company, and no Director or officer of the Company shall, during his continuance in office, be eligible as an Auditor.

126. The Directors shall appoint the first Auditor or Auditors of the Company and fix his or their remuneration. He or they shall hold office till the second General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the Ordinary General Meeting of the Company in each year by the Members present thereat, and the Auditor or Auditors appointed at such Meetings shall hold office only until the first Ordinary General Meeting after his or their appointment, or until otherwise ordered by a General Meeting.

127. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

128. Retiring Auditors shall be eligible for re-election.

129. If any vacancy that may occur in the office of Auditors is not supplied at the Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person, or persons, who shall hold office until the next Ordinary General Meeting after his or their appointment.

130. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto, and to report thereon to the Meeting, generally or specially as he may think fit.

131. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the day time have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

INDEMNITY.

132. Every Director, Managing Director, Manager, Secretary, and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay all costs, losses, and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into or act or thing done by him as such officer or servant, or in any way in the discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company, and have priority as between the Members over all other claims.

NOTICES.

133. Every Member shall register with the Company an address in Ceylon to which notices may be sent, and any notice required to be given to such member may be served by the Company upon such Member either personally or by sending it through the post in a pre-paid letter addressed to such Member at his registered address.

134. No Member shall be entitled to have a notice served on him at any address outside Ceylon, and no Member who has neglected to register with the Company an address in Ceylon shall have any right to be served with any notices by the Company, and any notice published in the *Ceylon Government Gazette* shall be deemed to be good and sufficient notice to such Member for all purposes.

135. Any notice, if served by post, shall be deemed to have been served twenty-four hours after the latter containing the same shall have been posted; and in proving such service, it shall be sufficient to prove that the letter containing the notice was properly addressed and put into the Post Office or into any post box subject to the control of the Post Office.

136. Whenever it is proposed to pass a special resolution, the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convened the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

SECRECY CLAUSES.

137. Every Director, Manager, Auditor, Trustee, Member of a Committee, Officer, Servant, Agent, Accountant, or other person employed in the business of the Company shall, if so required by the Directors or Managing Director before entering upon his duties, sign a declaration pledging himself to observe a strict secrecy respecting all transactions of the Company with the customers and the state of accounts with individuals and in matters relating thereto, and shall by such declaration pledge himself not to reveal any of the matters which may come to his knowledge in the discharge of his duties except when required to do so by the Directors or by any meeting, or by a court of law, or by the person to whom such matters relate, and except so far as may be necessary in order to comply with any of the provisions in these presents contained.

138. Any Member, whether a Director or not, and whether alone or jointly with any other Member or Director, and any person not a Member, may become the purchaser of the property of the Company or any part thereof in the event of a winding up or a dissolution, or at any other time when a sale of the Company's property or effects or any part thereof shall be made by the Directors under the powers hereby or under the Ordinance conferred upon them.

139. If the Company shall be wound up, whether voluntarily or otherwise, the liquidator or liquidators may with the sanction of a special resolution of the Company divide among the contributories in specie any part of the assets of the Company, and may with the like sanction vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator or liquidators with the like sanction shall think fit, and if thought expedient any such division may be otherwise than in accordance with the legal rights of the Members of the Company and in particular any class may be given preferential or special rights or may be excluded altogether or in part, and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully-paid, part-paid, or preference in the purchasing company, but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on, or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing Company, either ordinary, fully-paid, or part-paid, or preference any contributory, who would be prejudiced thereby, shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England, but for the purposes of an arbitration, as in the sub-section 6 of the said section provided, the provisions of the Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance 2 of 1889 shall apply in place of the English and Scotch Acts referred to in the said sub-section 6 of section 192 of the afore-written Companies (Consolidation) Act, and the said section 192, save as herein excepted, shall be deemed to be part and parcel of these present articles.

25. The certificates of shares shall be issued under the seal of the Company.
26. If any certificate be worn out or defaced, then upon production thereof to the Directors they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors may deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.
27. The certificate of shares registered in the names of two or more persons not a firm shall be delivered to the person first named on the Register.

TRANSFER OF SHARES.

28. Subject to any restriction provided for herein, the shares of the Company may be transferred by transfer in the usual common form. The instrument of transfer of any shares shall be signed both by the transferor and transferee, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the Register in respect thereof.
29. The Directors may decline to register any transfer of shares upon which the Company has a lien, and in the case of shares not fully paid up may refuse to register a transfer to a transferee of whom they do not approve.

30. Every instrument of transfer shall be left at the office for registration accompanied by the certificate of the shares to be transferred, and such other evidence as the Company may require to prove the title of the transferor or his right to transfer the shares.

31. All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall on demand be returned to the person depositing the same.

32. A fee not exceeding Rs. 2.50 may be charged for each transfer, and shall, if required by the Directors, be paid before the registration thereof.

33. The Register may be closed during such time as the Board think fit, not exceeding in the whole twenty-one days in each year.

34. Should any member (other than any member holding shares as the nominee of The Anglo-Ceylon and General Estates Company, Limited) die or cease to take an active interest in the management of the Company, or of The Anglo-Ceylon and General Estates Company, Limited, the shares of such member shall be offered in the first instance to The Anglo-Ceylon and General Estates Company, Limited, at a price to be determined by the Auditors in event of the parties not being able to agree a price, and failing the written acceptance of such shares within three months of the date of offer, the same shall be offered by tender to the other Shareholders at the same price as a minimum, and failing their sale such member or the executors or administrators of such deceased member shall be at liberty to sell and transfer the said shares or such of them as have not been accepted to any person and at any price.

TRANSMISSION OF SHARES.

35. In the case of the death of a member, the survivors or survivor where the deceased was a joint-holder, and the executors or administrators of the deceased where he was a sole holder, shall be the only persons recognized by the Company as having any title to his shares; but nothing herein contained shall release the estate of a deceased joint-holder from any liability in respect of any share jointly held by him.

36. A person entitled to a share in consequence of the death or bankruptcy of a member shall not be entitled to receive notice of, or to attend or vote at, Meetings of the Company, or to receive payment of any dividends, or to exercise any of the rights and privileges of a Member, unless and until he shall have been registered as the holder of the shares.

SURRENDER AND FORFEITURE OF SHARES.

37. The Directors may accept in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

(a) If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, at the rate of nine per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

(b) The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

(c) If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

(d) Any Shareholder whose shares have been declared forfeited under any of the provisions hereinbefore contained shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company, all calls, instalments, interest and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

38. Every share surrendered or declared forfeited under any of the provisions hereinbefore contained shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

39. The surrender and forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

40. A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

41. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona-fide* sold, or re-allotted, or otherwise disposed of under Article 38 hereof shall be redeemable after sale or disposal.

42. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint holders respectively, either in respect of such shares or of other shares held by such holder or joint holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the time appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

43. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him,

44. The nett proceeds of any such sale as aforesaid under the provisions of Articles 38 and 43 hereof shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representatives.

A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 43 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

45. Upon any sale after forfeiture or for enforcing a lien in purported exercise of the powers herein given, the Board may cause the purchasers name to be entered in the Register in respect of the shares sold, and the purchaser shall not be bound to see to the regularity of the proceedings, or to the application of the purchase money, and after his name has been entered in the Register in respect of such shares, the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

CALLS.

46. (a) The Directors may from time to time make such calls as they think fit upon the registered holders of shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of such call.

(b) A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Article.

(c) The Directors shall have power in their absolute discretion to give time to any one or more Shareholders or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace of favour.

47. Any sum or premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purposes of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, and the like, and all other the relevant provisions of these presents shall apply as if such sum, premium, or instalment were a call duly made and notified as hereto provided.

48. If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

49. The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

MEETINGS.

50. The first General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

At the first General Meeting accounts to the 31st day of December, 1920, shall be presented, and at each subsequent General Meeting accounts to the 31st day of December of the preceding year.

51. Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

52. The General Meetings mentioned in the two last preceding clauses shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

53. Any General Meeting convened by the Board, unless the time thereof shall have been fixed by General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is hereinafter mentioned, may be postponed by the Board by notice in writing, and the meeting shall, subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business convened by the original notice.

54. The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote.

55. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company, and may consist of several documents in like form, each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within twenty-one days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

56. If at any such meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution; and, if thought fit, of confirming it as a special resolution, and if the Board do not convene the meeting within seven days from the date of passing of the first resolution, the requisitionists or a majority of them in value may themselves convene the meeting.

57. Any meeting convened by requisitionists as aforesaid shall be convened in the same manner, as nearly as possible, as that in which meetings are convened by the Board.

58. Any Shareholder may, on giving not less than ten days previous notice of any resolution, submit the same to a meeting. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

59. Seven days' notice, specifying the time and place of a meeting, and specifying also in the case of any special business the general nature of the business to be transacted thereat, shall be given by the Secretary, or other officers of the Company, or any other person appointed by the Board to do so, to such members as are entitled to receive notices from the Company, provided that with the consent in writing of Shareholders a meeting may be convened by a shorter notice and in any manner they think fit. Where it is proposed to pass a special resolution, the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

60. The accidental omission to give notice of any meeting to, or the non-receipt of such notice by, any member shall not invalidate any resolution passed or proceeding had at any such meeting.

61. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been made in the notice or notices upon which the meeting was convened.

62. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

63. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or the election of a Chairman, unless there shall be present in person at the commencement of the business two or more persons being Shareholders entitled to vote or persons holding proxies or powers of attorney from Shareholders entitled to vote.

64. If at the expiration of half an hour from the time appointed for the meeting the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

65. The Chairman (if any) of the Board of Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the Chair, or shall retire from the chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

66. No business shall be discussed at any General Meeting except the election of a Chairman whilst the Chair is vacant.

67. The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

68. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

69. At any meeting every resolution shall be decided by the votes of the Shareholders present. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and proxy and attorney; and unless a poll be immediately demanded in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

70. If a poll be duly demanded the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

71. If at any meeting a poll be demanded by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such a manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such Meeting.

72. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

73. On a show of hands every member present in person shall have one vote only. In case of a poll every member present in person or by proxy or attorney shall have one vote for every share held by him. When voting on a resolution involving the winding up of the Company, every Shareholder shall have one vote for every share held by him, but no such resolution shall be deemed to be carried unless passed by three-fourths in number and value of such Shareholders of the Company for the time being entitled to vote as may be present in person or by proxy or by attorney at any meeting, of which notice specifying the intention to propose such resolution has been duly given.

74. The parent or curator of a minor Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such minor, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

75. Votes may be given either personally or by proxy or by attorney duly authorized.

76. No person shall be appointed a proxy who is not a Shareholder of the Company, but the attorney of a Shareholder, even though not himself a Shareholder of the Company, may represent and vote for his principal at any Meeting of the Company.

77. No Shareholder shall be entitled to vote or speak at any General Meeting unless all calls due from him on his shares, or any of them, shall have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, or person acquiring by marriage, shall be entitled to vote or speak at any meeting held after the expiration of three months from the registration of the Company in respect of, or as the holder of, any share which he has acquired by transfer, unless he has been, at least three months previously to the time of holding the meeting at which he proposes to vote or speak, duly registered as the holder of the share in respect of which he claims to vote or speak.

78. The instrument appointing a proxy shall be printed or written, and shall be signed by the appointer or his attorney, or if such appointer be a corporation, it shall be under the common seal of such corporation.

79. The instrument appointing a proxy with the letter or power of attorney under which it may be signed shall be deposited at the registered office of the Company not less than twenty-four hours before the time appointed for holding the Meeting at which the person named in such instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve months from the date of its execution.

80. Every instrument appointing a proxy shall, as nearly as circumstances admit, be in the form or to the effect following:—

I, _____, of _____, being a Shareholder of Bois Brothers & Co., Limited, hereby appoint _____, of _____, as my proxy to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the _____ day of _____, One thousand Nine hundred and _____, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this _____ day of _____, One thousand Nine hundred and _____.

81. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney) except at the meeting or poll at which such vote shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

82. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

DIRECTORS.

83. The first Directors shall be Walter Sutherland Ross, Neill Graeme Campbell, and George Cyril Slater, who shall hold office till the First Ordinary General Meeting of the Company, when they shall all retire, but shall be eligible for re-election.

84. The qualification of a Director shall be the holding in his own right alone of five shares of the Company.

85. Every Director, except with the consent of the Board, shall devote the whole of his time and attention to the business of the Company.

86. Unless otherwise declared by a General Meeting, the number of Directors shall never be less than two or more than five.

87. As remuneration for their services each of the Directors shall be entitled to receive out of the funds of the Company an annual sum of Three thousand Rupees (Rs. 3,000), or such other sum as may be voted by the Shareholders in General Meeting; such remuneration shall be exclusive of any sum paid by salary or remuneration to a Director acting as Chairman, Managing Director, Managing Secretary, or in any other similar capacity.

88. Any Director absent from the Island, except on furlough or with leave from the Board, shall not draw remuneration during such absence.

89. Any casual vacancy occurring in the number of Directors or provisional Directors arising from death, resignation, or otherwise, may be filled up by the Directors, but any person appointed to fill such vacancy shall retain his office so long only as the vacating Directors would have retained the same if no vacancy had occurred, and in any event shall hold office only until the next following Ordinary General Meeting of the Company and shall then be eligible for re-election. The continuing Directors may act notwithstanding any vacancy in their body, but so that if the number falls below the minimum above fixed, the remaining Director or Directors shall not commit the Company to any new business, so long as the number is below the minimum.

90. The office of a Director shall be vacated—

- (a) If he, without the sanction of a General Meeting, accept or hold any other office under the Company, except that of Chairman, Managing Director, Managing Secretary, Manager, or Trustee.
- (b) If he become bankrupt, or suspend payment, or compound with his creditors.
- (c) If he engage on his own account in speculative transactions in produce, stocks, or shares without the previous consent of all the other Directors.
- (d) If he absents himself from the meetings of the Company for a period exceeding three months at any one time without the consent of the other Directors.
- (e) If he be found lunatic or become of unsound mind.
- (f) If he be called upon by all the other Directors to resign his office.
- (g) If by notice in writing to the Company he resign his office.

91. Until an entry of the vacating of office by the Director under one of the sections of this Article shall be entered in the minutes of the Board of Directors his acts as a Director shall be effectual.

92. A Director or intending Director shall not be disqualified by his office from entering into a contract or arrangement with the Company, either as vendor, purchaser, manager, agent, broker, or otherwise, and no such contract or arrangement or any contract or arrangement entered into, by, or on behalf of the Company with any person, firm, or company of or in which any Director shall be in any way interested, shall be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realized by any such contract or arrangement by reason of such Director holding the office of Director, or of the fiduciary relation thereby established. Any Director so contracting or being so interested as aforesaid shall disclose at the Board Meeting at which the contract or arrangement is determined upon the nature of his interest, if his interest then exists, or in any other case at the First Board Meeting after the acquisition of his interest, and a Director shall not as a Director vote in respect of any contract or arrangement in which he is so interested as aforesaid, and if he do so vote his vote shall not be counted, but this prohibition shall not apply to any contract by or on behalf of the Company to give to the Directors or any of them security by way of indemnity, or of security for advances or to a settlement or set off of cross claims, and it may at any time or times be suspended or relaxed by a General Meeting. A general notice that a Director is a member of any specified firm or company, and is to be regarded as interested in any transaction with such firm or company, shall be sufficient disclosure under this Article, and after such general notice it shall not be necessary to give any special notice relating to any particular transaction with such firm or company as aforesaid.

POWERS OF THE BOARD.

93. Subject to any agreement to the contrary, the business of the Company shall be managed by the Board, who may exercise all such powers of the Company, and do on behalf of the Company all such acts as are within the scope of the Memorandum and Articles of Association of the Company, and as are not by the Ordinances or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to any regulations of these presents, to the provisions of the Ordinances, and to such regulations being not inconsistent with the said regulations as may be prescribed by the Company in General Meeting, but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulations had not been made.

LOCAL MANAGEMENT.

94. The Board may from time to time also provide for the management of the affairs of the Company elsewhere than in Ceylon in such manner as they shall think fit, and the provisions contained in the six next following Articles shall be without prejudice to the general powers conferred by this Article.

95. The Board from time to time and at any time may establish any local boards or agencies for managing any of the affairs of the Company in Ceylon or abroad, and may appoint any persons to be members of such local boards or any managers or agents and may fix their remuneration.

96. The Board may appoint any one of their number, or any other person, to be Chairman of any local board, and may lay down such rules and regulations as they may think fit for the conduct of the business of any local board, and may revoke, annul, or vary any such appointment, rules, or regulations.

97. The Board, from time to time and at any time, may delegate to any Managing Director, local board, manager, or agent, any of the powers, authorities, and discretions for the time being vested in the Board with regard to the conduct of the business of the Company (other than the powers to make calls and to mortgage the Company's assets), with power to sub-delegate, and may authorize the members for the time being of any such local board or any of them to fill up any vacancies therein and to act notwithstanding vacancies.

98. Any such appointment or delegation as aforesaid may be made on such terms and subject to such conditions as the Board may think fit, and the Board may at any time remove any person so appointed and may by letter, telegram, or cablegram annul or vary any such delegation, but no person dealing in good faith and without notice of such annulment or variation shall be affected thereby.

99. The Board may from time to time, and at any time, by power of attorney under the seal, appoint any person or persons to be the attorney or attorneys of the Company for such purposes and with such powers, authorities, and discretions, and for such period and subject to such conditions as the Board may from time to time think fit, and any such appointment may (if the Board think fit) be made in favour of any of the Directors or of the members of any one or more of the members of any local board established as aforesaid, or in favour of any company or of the members, directors, nominees, or managers of any company or firm, or otherwise in favour of any fluctuating body of persons, whether nominated directly or indirectly by the Board, and any such powers of attorney may contain such provisions for the protection or convenience of persons dealing with such attorneys as the Board think fit. Any such attorneys as aforesaid may be authorized by the Board to sub-delegate all or any of the powers, authorities, and discretions for the time being vested in them.

BOBROWING.

100. The Board may at any time borrow or raise for the purpose of the Company from the Directors, members, or other persons, or any bank, firm, or company, such sums of money, and at such rates of interest as the Board may think proper, and may secure the repayment of such moneys by mortgage or charge, or by debentures or debenture stock, perpetual or otherwise, forming a charge upon the whole or any part of the property, assets, and undertaking of the Company, both present and future, including its uncalled capital for the time being, in such manner and upon such terms and conditions and with such security as the Board shall determine, but so that the amount at any one time owing in respect of moneys so raised, borrowed, or secured, shall not, without the sanction of a General Meeting, exceed the sum of Rs. 15,000. Nevertheless, no lender or other person dealing with the Company shall be concerned to see or inquire whether this limit is observed.

ROTATION OF DIRECTORS.

101. At the Ordinary General Meeting in the year 1921 and in each subsequent year one Director shall retire from office, but this provision shall be subject to any agreement to the contrary binding upon the Company. A retiring Director shall retain office until the dissolution or adjournment of the meeting at which his successor is elected.

102. The Director to retire in every year shall be the Director who has been longest in office since their last election. As between Directors of equal seniority, the Director to retire shall (unless such Directors of equal seniority shall agree amongst themselves) be selected from among them by lot.

103. A retiring Director shall be eligible for re-election.

104. The Company may at the meeting at which any Director retires in manner aforesaid fill up the vacated office of each Director by electing a person thereto. And if at any such meeting the place of a retiring Director is not filled up, the retiring Director shall be deemed to have been re-elected, unless a resolution reducing the number of Directors is passed at the same meeting.

105. No person not being a Director retiring at the meeting shall, unless recommended by the Board for election, be eligible for the office of a Director at any General Meeting.

106. The Company may from time to time in General Meeting increase or reduce the number of Directors, and may alter their qualification, and may also determine in what rotation such increased or reduced number shall go out of office.

107. The Company by an extraordinary resolution may remove any Director before the expiration of his period of office, and may by ordinary resolution appoint another person to be a Director in his stead. The person so appointed shall retain his office so long only as the Director in whose place he is appointed would have held the same if he had not been removed.

MANAGING DIRECTOR.

108. 117. The meetings and proceedings of any such committee consisting of two or more members shall be governed by the provisions herein contained for the regulating of meetings and proceedings of the Board so far as the same are applicable thereto and not superseded by any regulations made by the Board under the last preceding clause.

DIVIDENDS.

122. Subject as aforesaid and to the rights of holders of shares issued upon special conditions and to any arrangement that may be made by the Company to the contrary, and subject as to shares not fully paid up to any special arrangement made as regards money paid in advance of calls, the profits of the Company shall be divisible among the Members in proportion to the capital paid up or credited as paid on the shares held by them respectively.

123. The Company in General Meeting may declare a dividend to be paid to the members according to their rights and interests in the profits, and may fix the time for payment. Provided always that if shares shall have been issued during the course of a financial year, the holder thereof shall, subject to any arrangement made by the Board to the contrary, only be entitled to have paid to him in respect of dividends on such shares a proportionate part of the dividends for such financial year, calculated on the proportionate part of the year from the date on which such shares were allotted, treating such dividends as earned rateably over the whole year.

124. No dividend shall be payable out of the capital of the Company, and the declaration of the Board as to the amount available for dividend shall be conclusive.

125. The Board may from time to time, without calling any General Meeting, pay to the members on account of the next forthcoming dividend such interim dividend as in their judgment the position of the Company justifies.

126. Any General Meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company, or paid-up shares, debentures, or debenture stock of any other company, or in any one or more of such ways, and the Board shall give effect to such resolution, and where any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Board.

127. The receipt of the person appearing by the Register to be holder of any shares shall be a sufficient discharge to the Company for any dividend or other money payable in respect of such shares; and where several persons are the joint-holders of a share, the receipt of any one of them shall be a good discharge to the Company for any dividend or other moneys payable thereon.

128. No dividend shall bear interest against the Company.

129. Notice of any dividend that may have been declared shall be given to the members, or sent by post or otherwise to their registered places of address.

130. A transfer of shares shall not pass the right to any dividend declared thereon before the registration of the transfer.

131. The Board may retain the dividends payable upon shares in respect of which any person is under the Articles relating to the transmission of shares entitled to become a member, of which any person under those Articles is entitled to transfer, until such person shall become a member in respect thereof or shall duly transfer the same.

132. Unless otherwise directed, any dividend may be paid by cheque or warrant sent through the post to the registered address of the member entitled, or in the case of joint-holders to that one whose name stands first on the Register in the respect of the joint-holding, and every cheque or warrant so sent shall be made payable to the order of the person to whom it is sent, and the payment of any such cheque or warrant shall operate as a good discharge to the Company in respect of the dividend represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that the indorsement thereon has been forged.

133. All dividends unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed.

RESERVED FUND.

134. Before the declaration of a dividend the Board may set aside any part of the nett profits of the Company to create a reserve fund, and may apply the same either by employing it in the business of the Company or by investing it in such manner (not being the purchase of or by way of loan upon the shares of the Company) as they shall think fit, or place same on fixed deposit in any bank or banks, and the income arising from such reserve fund shall be treated as part of the gross profits of the Company. Such reserve fund may be applied for the purpose of maintaining or extending the property of the Company, replacing wasting assets, meeting contingencies, forming an insurance fund, or for special dividends or equalizing dividends, or for any other purpose for which the nett profits of the Company may lawfully be used, and until the same shall be so applied it shall be deemed to remain undivided profit. The Board may also carry forward to the accounts of the succeeding year or years any profit or balance of profit which they shall not think fit either to divide or to place to reserve.

ACCOUNTS.

135. The Board shall cause true accounts to be kept of all the transactions, assets, and liabilities of the Company.
136. The books of account shall be kept at the office, or at such other place or places as the Board shall think fit, and no Member other than a Director or Auditor or any other officer, clerk, accountant, or other person whose duty requires and entitles him to do so, shall be entitled to inspect the books, accounts, documents, or writings of the Company, except as provided by the Ordinances or authorized by the Board, or by a resolution of the Company in General Meeting.

The report and balance sheet shall be signed on behalf of the Board by at least two of the Directors of the Company and shall be countersigned by the Manager or Secretary.

141. A Director or officer of the Company shall not be capable of being appointed Auditor of the Company.
142. A person other than a retiring Auditor, or a person recommended by the Board, shall not be capable of being appointed Auditor at an Annual General Meeting unless notice of an intention to nominate that person to the office of Auditor has been given by a member to the Company not less than fourteen days before the Annual General Meeting, and the Board shall send a copy of any such notice to the retiring Auditor, and shall give notice thereof to the members not less than seven days before the Annual General Meeting. Provided that if after a notice of the intention to nominate an Auditor has been so given, an Annual General Meeting is called for a date fourteen days or less after the notice has been given, the notice, though not given within the time required by this Article, shall be deemed to have been properly given for the purposes thereof, and the notice to be sent or given by the Company may, instead of being sent or given within the time required by this Article, be sent or given at the same time as the notice of the Annual General Meeting.
143. Ford, Rhodes, Thornton & Co. of Colombo shall be the first Auditors of the Company, and they shall hold office until the First Annual General Meeting, unless previously removed by a resolution of the members in General Meeting, in which case the members at such meeting may appoint Auditors.
144. The Board may fill any casual vacancy in the office of Auditor, but while any such vacancy continues the surviving or continuing Auditor or Auditors (if any) may act.
145. The remuneration of the Auditors shall be fixed by the Company in General Meeting, except that the remuneration of any Auditors appointed before the First Ordinary General Meeting or to fill up any casual vacancy may be fixed by the Board.
146. Every Auditor shall have a right of access at all times to the books and accounts and vouchers of the Company, and, as regards books, accounts, and vouchers ordinarily kept abroad, shall be entitled to rely upon copies thereof or extracts therefrom certified by the Company's representatives abroad, and shall be entitled to require from the Board and the office of the Company such information and explanation as may be necessary for the performance of the duties of the Auditors, and the Auditors shall make a report to the members on the accounts examined by them, and on every balance sheet laid before the Company in General Meeting during their tenure of office.
147. Every account of the Board when audited and approved by a General Meeting shall be conclusive, except as regards any error discovered therein within three months next after the approval thereof. Whenever any such error is discovered within that period the accounts shall forthwith be corrected, and thenceforth shall be conclusive.
148. Any Auditor shall, on quitting office, be eligible for re-election.

149. Every member shall register with the Company an address in Ceylon to which notices may be sent, any notice required to be given to such member may be served by the Company upon such member either personally or by sending it through the post in a prepaid letter addressed to such Member at his registered address.
150. All notices directed to be given to the members shall, with respect to any share to which persons are jointly entitled, be given to whichever of such person is named first in the Register, and notices so given shall be sufficient notice to all the holders of such share.

154. Where a given number of days' notice or notice extending over any other period is required to be given, the day of service shall, unless it is otherwise provided, be counted in such number of days or other period.

34. *Registration of transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Rs. 2·50, or such other sum as the Directors shall from time to time determine, must be paid; and thereupon the Directors, subject to the powers vested in them by Articles 32, 33, and 35, shall register the transferee as Shareholder and retain the instrument of transfer.

35. *Directors may authorize registration of transferees.*—The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

36. *Directors not bound to inquire as to validity of transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but if at all upon the transferee only.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares, held by such holder or joint-holders, or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time by special resolution determine.

52. *Modification of rights and consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares;
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition or other modification of such rights, privileges, and conditions, consent thereto, on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolutions could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

CALLS.

54. (a) *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

(b) *Calls, time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Article 121.

(c) *Extension of time for payment of call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. 55. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payment in anticipation of calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purposes of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time, at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of fifty thousand Rupees (Rs. 50,000). With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures, or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

65. *Business requiring and not requiring notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been made in the notice or notices upon which the meeting was convened.

66. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and proxy and attorney; and unless a poll be immediately demanded in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. 75. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall if necessary be adjourned and the poll shall be taken at such time and in such a manner as the Chairman shall direct; and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

Sale of Ebony and Calamander.

AN auction sale of the under-mentioned ebony and calamander will be held at the Central Timber Depot, Kew road, Slave Island, Colombo, on Saturday, June 26, 1920, at 10 A.M., subject to the following conditions:—

- The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Rs. 5 per lot will be accepted.
- The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.
- Payment of 25 per cent. of the successful bid to be made at time of sale if so required.
- Depôt weights must be accepted, but buyers can have the right of giving notice, before the expiration of the date of payment, of having the actual weight ascertained. Should the difference between the depôt weight and the weight ascertained after re-weighing be more than 1½ per cent., the cost of re-weighing is to be borne by the Forest Department, and if within 1½ per cent. by the purchaser; any difference between the depôt weight and the weight ascertained after re-weighing is to be paid or allowed for, as the case may be. Should two or more purchasers desire to re-weigh their timber on the same day, precedence will be given to the buyer whose notification of intention to re-weigh reaches the Assistant Conservator of Forests first.
- No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depôt within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchasers until removed.
- Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the re-sale, while if an enhanced price is realized at such re-sale, he shall, however, have no claim to the profit which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid, such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.

ARRACK RENT SALE CONDITIONS, 1920-21.

THE following conditions on which the Arrack Rents for the period from October 1, 1920, to September 30, 1921, in the Northern Province will be sold, have been approved by His Excellency the Officer Administering the Government under section 18 of the Excise Ordinance, No. 8 of 1912, and are hereby published for general information:—

Arrack Rent Sale Conditions applicable to arrack taverns in respect of which "off" sales are prohibited. The rent of each arrack tavern will be sold separately as is now done in the case of toddy taverns.

The conditions on which the exclusive privilege of selling arrack by retail during the period from October 1, 1920, to September 30, 1921, is sold are, in addition to the general conditions applicable to all Excise Licenses published in the *Government Gazette* No. 7,102 of May 7, 1920, as follows:—

1. The Government Agent shall have power, in his discretion, to refuse to accept any bid or tender, subject to which power the highest bidder or tenderer shall be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.
2. The privilege extends only to the sale of toddy arrack and molasses arrack of the prescribed strength, namely 27° u.p.
3. The privilege will, subject to condition 1 above, be sold to the person who offers the highest price (exclusive of duty and cost price) for every gallon of arrack (whether toddy arrack or molasses arrack) removed from the warehouses for sale in the tavern.
4. Arrack shall be purchased only from the warehouses established by Government at the following places:—
(i.) Jaffna; (ii.) Mankulam; (iii.) Mannar.
5. The duty and cost price to be paid per gallon at 27° u.p. at the warehouses are given below:—

	Duty.	Cost Price.
	Rs. c.	Rs. c.
Toddy arrack.	4 50	3 50
Molasses arrack	4 50	2 0

6. (a) The grantee shall, immediately on being declared the grantee, sign these conditions and pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture, in whole or in part, at the discretion of the Government Agent for breach of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall hypothecate the said security deposit by a bond in form ——— within 14 days of the sale of the privilege above prescribed.

Note.—The rent will be calculated on the basis of the average consumption for two months during the period October, 1919, to March, 1920.

(b) The grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege.

(c) The grantee shall, on signing the conditions of sale, elect, and under his hand signify, a post office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the post office so elected and posted in due course shall be considered as good and effectual to all intents and purposes as if the same were served personally.

7. The grantee shall in addition to the duty and cost price referred to in condition 5 above pay to Government the rent due on each consignment of arrack removed before the arrack is issued from the warehouse.

8. All sums on account of duty, cost price, and rent shall be paid into a Kacheheri and a receipt obtained therefor. On this receipt being delivered to the officer in charge of the warehouse he will deliver the quantity of arrack for which the duty, cost price, and rent have been paid.

9. The quantities purchased at any one time shall not fall below the following minima:—

From the warehouse at—	Molasses Arrack.	Toddy Arrack.
	Gallons.	Gallons.
Jaffna	10	10
Mankulam, Mannar	5	5

10. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

11. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kacheheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the Shroff's hands shall be considered as money paid under this contract.

12. The grantee shall be bound to accept such arrack as is available at the warehouse, whether molasses or toddy arrack. He shall also be bound to keep such minimum quantity of each kind, if available at the warehouse, as the Government Agent may prescribe.

13. All arrack exposed or kept for sale shall be of a strength not weaker than 30° u.p. according to Sykes's hydrometer test. No water and no colouring, or flavouring or other matter shall be added thereto, nor shall toddy arrack be mixed with molasses arrack.

All arrack kept or exposed for sale in taverns shall at all times be opened to inspection and test by Excise Officers.

14. Should the grantee fail to perform any of the conditions of sale, the Government Agent shall be at liberty to order the amount paid by the grantee under clause 6 hereof, or any portion thereof, to be forfeited and shall have power after 15 days' notice to the grantee of his intention to do so, without further process of law, to re-sell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.

15. The Government Agent is not bound to find sites for taverns in the event of the grantee not being able to procure sites from private parties or otherwise.

16. The grantee shall have no power to interfere in any way, directly or indirectly, with the sale of arrack at the Military Canteens, which are altogether excluded from the privilege aforesaid.

17. The right of Government to manufacture and sell or to issue licenses for the manufacture or sale of methylated spirits, as also the right to grant licenses for the manufacture, sale, and use of spirits distilled in the Island for chemical and other purposes, but not for drinking purposes, is hereby expressly reserved from the privilege sold under these Conditions.

18. The Government Agent shall exercise his right, as he may think proper, of issuing licenses to any person to sell foreign liquor by the glass or the bottle.

19. The grantee shall have no concern or interest, direct or indirect, with the sale of fermented toddy, or with the purchase of any privilege for the sale of toddy within the area of his rent.

20. The grantee and the servants employed by him are prohibited from having any pecuniary dealings with Excise Officers. The grantee will be responsible for the acts of his servants.

21. The grantee shall, within 10 days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license for the sale by retail of arrack in respect of the privilege purchased by him.

22. No barrel, cask, keg, vat, or other large receptacle shall be used to store, keep, or transport arrack, unless it shall bear clearly marked on it its correct capacity in terms of gallons.

23. The grantee shall not sell any arrack at a lower price than at the rate of Rs. 9.60 per gallon at 27° u.p. Nor shall the grantee sell any arrack at a higher price than at the rate of Rs. 16 per gallon at 27° u.p., provided that the Government Agent may for special reasons and on the application of the grantee permit the sale of arrack at a rate higher than Rs. 16 per gallon at 27° u.p., as the Government Agent may determine.

24. Each kind of spirit shall be kept in separate vessels and must be separately accounted for, each in a separate tavern register prescribed for this purpose.

25. No arrack shall, in the case of any arrack tavern in respect of which "off" sales (i.e., sales of arrack intended not for consumption on the premises of such tavern but for removal therefrom) are prohibited, as shown in list A mentioned in Condition 9 above, be sold under this exclusive privilege for the purpose of removal from such tavern, and no arrack sold at such tavern shall be removed from it, except under cover of a special permit granted by the Government Agent.

26. No arrack shall, in the case of any arrack tavern in respect of which "off" sales are prohibited, be stored or kept for sale except in casks or receptacles capable of containing at least three gallons each.

THE following conditions on which the arrack rents for the period from October 1, 1920, to September 30, 1921, in the Northern Province, will be sold, have been approved by His Excellency the Officer Administering the Government under section 18 of the Excise Ordinance No. 8 of 1912, and are hereby published for general information :—

Arrack Rent Sale Conditions applicable to arrack taverns in respect of which "off" sales are not prohibited. The rent of each arrack tavern will be sold separately, as is now done in the case of toddy taverns.

The conditions on which the exclusive privilege of selling arrack by retail during the period from October 1, 1920, to September 30, 1921, is sold are, in addition to the general conditions applicable to all Excise Licenses published in the *Government Gazette* No. 7,102 of May 7, 1920, as follows :—

1. The Government Agent shall have power, in his discretion, to refuse to accept any bid or tender, subject to which power the highest bidder or tenderer shall be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.

2. The privilege extends only to the sale of toddy arrack and molasses arrack of the prescribed strength, namely, 27° u.p.

3. The privilege will, subject to condition 1 above, be sold to the person who offers the highest price (exclusive of duty and cost price) for every gallon of arrack (whether toddy arrack or molasses arrack) removed from the warehouses for sale in the tavern.

4. Arrack shall be purchased only from the warehouses established by Government at the following places:—

(i.) Jaffna; (ii.) Mankulam; (iii.) Mannar.

5. The duty and cost price to be paid per gallon at 27° u.p. at the warehouses are given below:—

	Duty.	Cost Price.
	Rs. c.	Rs. c.
Toddy arrack	4 50	3 50
Molasses arrack	4 50	2 0

6. (a) The grantee shall, immediately on being declared the grantee, sign these conditions and pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture in whole or in part, at the discretion of the Government Agent, for breach of any of the conditions and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall hypothecate the said security deposit by a bond in form _____ within 14 days of the sale of the privilege above prescribed.

Note.—The rent will be calculated on the basis of the average consumption for two months during the period October, 1919, to March, 1920.

(b) The grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege.

(c) The grantee shall, on signing the conditions of sale, elect, and under his hand signify, a post office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the post office so elected and posted in due course shall be considered as good and effectual to all intents and purposes as if the same were served personally.

7. The grantee shall in addition to the duty and cost price preferred to in condition 5 above pay to Government the rent due on each consignment of arrack removed before the arrack is issued from the warehouses.

8. All sums on account of duty, cost price, and rent shall be paid into a Kachcheri and a receipt obtained therefor. On this receipt being delivered to the officer in charge of the warehouse he will deliver the quantity of arrack for which the duty, cost price, and rent has been paid.

9. The quantities purchased at any one time shall not fall below the following minima:—

	Molasses Arrack.	Toddy Arrack.
	Gallons.	Gallons.
From the warehouse at Jaffna..	10	10
Mankulam, Mannar	5	5

10. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

11. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the Shroff's hands shall be considered as money paid under this contract.

12. The grantee shall be bound to accept such arrack as is available at the warehouse whether molasses or toddy arrack. He shall also be bound to keep such minimum quantity of each kind, if available at the warehouse, as the Government Agent may prescribe.

13. All arrack exposed or kept for sale shall be of a strength not weaker than 30° u.p. according to Sykes's hydrometer test. No water and no colouring, or flavouring or other matter shall be added thereto nor shall toddy arrack be mixed with molasses arrack.

All arrack kept or exposed for sale in taverns shall at all times be open to inspection and test by Excise Officers.

14. Should the grantee fail to perform any of the conditions of sale, the Government Agent shall be at liberty to order the amount paid by the grantee under clause 6 hereof or any portion thereof to be forfeited and shall have power after 15 days' notice to the grantee of his intention to do so, without further process of law, to re-sell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.

15. The Government Agent is not bound to find sites for taverns in the event of the grantee not being able to procure sites from private parties or otherwise.

16. The grantee shall have no power to interfere in any way, directly or indirectly, with the sale of arrack at the Military Canteens, which are altogether excluded from the privilege aforesaid.

17. The right of Government to manufacture and sell or to issue licenses for the manufacture or sale of methylated spirits, as also the right to grant licenses for the manufacture, sale, and use of spirits distilled in the Island for chemical and other purposes, but not for drinking purposes, is hereby expressly reserved from the privilege sold under these conditions.

18. The Government Agent shall exercise his right, as he may think proper, of issuing licenses to any person to sell foreign liquor by the glass or the bottle.

19. The grantee shall have no concern or interest, direct or indirect, with the sale of fermented toddy, or with the purchase of any privilege for the sale of toddy within the area of his rent.

20. The grantee and the servants employed by him are prohibited from having any pecuniary dealings with Excise Officers. The grantee will be responsible for the acts of his servants.

21. The grantee shall, within 10 days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license for the sale by retail of arrack in respect of the privilege purchased by him.

22. No barrel, cask, keg, vat, or other large receptacle shall be used to store, keep, or transport arrack, unless it shall bear clearly marked on it its correct capacity in terms of gallons.

23. The grantee (a) shall not sell any arrack whether by the dram or by the "bottle" or gallon at a lower price than at the rate of Rs. 9.60 per gallon at 27° u.p.; and (b) shall not sell arrack in any one particular tavern at a cheaper rate by "bottle" or gallon than the rate by the dram at which he sells arrack in that tavern. Nor shall the grantee sell any arrack at a higher price than at the rate of Rs. 16 per gallon at 27° u.p. provided that the Government Agent may for special reasons and on the application of the grantee permit the sale of arrack at a rate higher than Rs. 16 per gallon at 27° u.p. as the Government Agent may determine.

24. Each kind of spirit shall be kept in separate vessels and must be separately accounted for, each in a separate tavern register prescribed for this purpose.

Abstract.—The nature of the invention is indicated in the claims which is as follows :—

In a wet process for manufacturing oil and poonac out of the fresh meat of coconuts :

- (1) The treatment of the shredded meat with live steam for three hours or less after adding an equal volume of water and continuously stirring it during that period ;
- (2) The separating of the resulting emulsion of oil, water, and tissues by straining and pressure ;
- (3) The cooling of this strained and pressed out emulsion, by suitable freezing arrangements, to 15°C during 24 hours or less ;

No. 1,686 of January 30, 1920.

“A combined non-wounding spout holder and spout.”

Abstract.—The spout is held against the tree without wounding the bark by means of a spring clip embracing or partially embracing the tree. The attachment of the spout to that spring clip is done by means of a short vertical length of metal strip fastened at the top end to the spout and at the bottom end to the spring clip. At the junction of the vertical strip with the spring clip another smaller clip adapted to hold a collecting cup is also fastened. The invention of the clip embracing the tree and of the clip to hold the cup is disclaimed.

The claims are:—

1. A combined apparatus consisting of a spout attached to and pressed against, but not inserted into the bark of the tree being operated on, and a strip of metal holding the spout in position by mechanical action exercised by metal strip jointly with the clip and receiving the latex direct from the tapping cut without any channel cut being made, substantially as above described and illustrated.
2. In a combined non-wounding spout holder and spout as described in claim 1, a spout which is not inserted into the bark of the tree, but is firmly attached to and pressed against it by the mechanical action of the metal strip and the clip to receive the latex direct from the tapping cut without any channel cut being required, substantially as illustrated and described.
3. In a combined non-wounding spout holder and spout as described in claim 1, a metal strip attached to clips to hold the spout firmly pressed against the bark of the tree in such a position as to collect the latex from the tapping cut and conduct the latex into the collecting cup, substantially as illustrated and described.

“Improvements in the manufacture of coir yarn matting and in looms therefor.”

Abstract.—The nature of the invention is indicated in the claims as follows:—

1. In looms for the manufacture of coir yarn matting mounting the fell opening and weft-carrying rod on the face of the rocking sley, and providing means for reciprocating said rod in the direction of its axis along the face of the reed at proper times, in such manner that at the rear position of the sley said rod is advanced in the direction of its axis through the open warp shed carrying the weft thread with it, means for rocking the sley to a first forward position to carry the rod bodily into the fell of the fabric, means for inter-locking the loop of the weft carried by the rod to one selvedge of the fabric, said rod being then drawn away from the fell of the fabric by the rearward motion of the sley, then withdrawing said rod in the direction of its axis from the open warp shed, and means for giving a second and greater forward motion of the reed to beat up the weft thread into the fell of the fabric.

2. In looms for the manufacture of coir yarn matting as claimed by claim 1; constructing said rod tubular to permit of the passage of the weft thread from a spool located near one end of the loom, said weft thread passing through the bore of said rod and out through an eye in the forward end of the rod and so to the fabric whereby the weft is prevented becoming damaged by the reed during the beating up of the rod.

3. In a loom as claimed by claims 1 and 2; carrying the weft thread through the open warp shed by the forward advance of the rod and providing mechanism for advancing the reed to press said rod into the fell of the fabric a swivel shuttle and means for operating same to lock the weft from the rod to one selvedge of the fabric, means for causing the retreat of the reed and the withdrawal of the rod from the open warp shed so as to leave a double layer of weft within the warp shed, and means for advancing the reed to its second and most forward position to beat the weft only into the fell of the fabric, substantially as described.

4. In a loom as claimed by claim 2; supporting said weft-carrying rod by means of guides and a bearing bracket connected to the sley of the loom, the rear end of said rod being fixed in a slide block carried in said guides and providing means such as a cam and rack-operated pulley, the latter having a rope or belt passing over idle pulleys and connected to said slide block of said rod, to communicate reciprocating motions to the latter at proper times, substantially as set forth.

5. In a loom as claimed by claim 3; mechanism comprising a revoluble cam for communicating rocking motions to the sley supports, to advance the reed to beat the weft-carrying rod into the fell of the fabric to retire said reed and said rod and after the withdrawal of said rod from the warp shed, to again advance said reed to beat up the weft threads, substantially as described.

6. In looms for the manufacture of coir yarn matting; the combination of mechanism for operating the weft-carrying fell opening rod and for giving the requisite motions to the reed, constructed and acting as and for the purposes described with reference to the accompanying drawing.
