DRAFT ORDINANCE.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend Ordinance No. 1 of 1844.

Preamble.

WHEREAS it is expedient to make further provision for requiring the boundaries of persons owning land adjoining lands which are the property of His Majesty to be made or renewed: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 (1) This Ordinance may be cited as "The Definition of Boundaries Ordinance, No. of 1919," and shall be read as one with Ordinance No. 1 of 1844, which is hereinafter referred to as "the principal Ordinance."

Commencement.

(2) This Ordinance shall commence on a day to be fixed by the Governor, by Proclamation in the "Government Gazette."

Procedure when Government Agent or Assistant Government Agent finds boundary of private land adjoining Crown land should be made or renewed.

When owner of such land cannot get its boundary satisfactorily surveyed, Government Agent or Assistant Government Agent may get Surveyor-General to make survey.

Surveyor-General shall certify cost of such survey.

Payment of such cost of survey.

How such cost of survey may be recovered.

2 Where it appears to a Government Agent or Assistant Government Agent that the boundary of land belonging to any of His Majesty's subjects which adjoins land belonging to His Majesty should be made or renewed in whole or in part, such Government Agent or Assistant Government Agent may, in lieu of taking action under section 8 of the principal Ordinance, adopt the following procedure :

(a) The Government Agent or Assistant Government Agent, if he is of opinion that the work of making or renewing a boundary cannot be satisfactorily carried out by such subject or any surveyor employed by him, may call upon the Surveyor-General to make or renew such boundary in whole or in part, and thereupon such Surveyor-General shall make or renew such boundary, as the case may be.

(b) The Surveyor-General shall certify the amount of the cost of the survey to such Government Agent or Assistant Government Agent, and such certificate shall be final and conclusive.

(c) Such subject as aforesaid shall pay the amount so certified to such Government Agent or Assistant Government Agent, and in the event of such subject refusing or neglecting to pay such amount, a summons shall be served upon him requiring him to show cause before a Police Magistrate why the said amount should not be paid by him, and if he fails to show cause, or if he fails to appear, the Police Magistrate, on proof of service of the summons and on reading the Surveyor-General's certificate as aforesaid, may make an order for payment of the amount.

(d) The amount ordered to be paid under the last preceding sub-section may be recovered in the manner provided by law for the recovery of fines by Police Magistrates, although exceeding the amount that is within their ordinary jurisdiction, and when so recovered shall be paid to such Government Agent or Assistant Government Agent as aforesaid.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, July 5, 1919.

A. S. PAGDEN,
Acting Colonial Secretary.

Statement of Objects and Reasons.

POWER is given to a Government Agent or Assistant Government Agent, under section 8 of Ordinance No. 1 of 1844, to call upon the owner of land adjoining Crown lands to make or renew his boundary ; and if such owner fails to do so, the Government Agent or Assistant Government Agent may act in his stead, and recover twice the cost of the survey from him. There are many cases in which it is impossible for the owner to have such a survey carried out, as the necessary information is only in the possession of the Surveyor-General ; and in such cases it does not appear fair to penalize an owner. This Bill would allow of the survey being done by the Surveyor-General and only the actual cost charged to the owner.

Colombo, June 16, 1919. /

H. C. GOLLAN,
Attorney-General.
