

SUPPLEMENT

TO, THE

Ceylon Government Gazette

PART I.

No. 7,102 — FRIDAY, MAY 7, 1920.

GENERAL CONDITIONS APPLICABLE TO ALL EXCISE LICENSES.

“The Excise Ordinance, No. 8 of 1912.”

Excise Notification No. 112.

IT is hereby notified that His Excellency the Governor has, under the provisions of section 24 of “The Excise Ordinance No. 8 of 1912,” been pleased to direct that the following shall be the general conditions applicable to all Excise licenses on and after July 1, 1920, from which date the general conditions applicable to all Excise licenses appearing in Excise Notification No. 29, dated March 4, 1914, and Excise Notifications Nos. 61, 63, 66, 71, 89, and 105 will be cancelled.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, May 4, 1920.

B. HO. SIBURGH,
Acting Colonial Secretary.

General Conditions applicable to all Excise Licenses.

1. Sales at taverns (whether country liquor or foreign liquor) must be conducted in a suitable building, of which the whole or part must be set aside for exclusive use as a tavern. If there are means of communication between the tavern and an adjoining dwelling house, they must be kept permanently closed. In the case of all taverns there shall be no possible means of ingress or egress except by the front door. In the case of taverns in Municipalities, Local Board towns, or towns brought under the operation of the Small Towns Sanitary Ordinance, the tavern premises shall have no doors except into the main street. The interior of the tavern shall be sufficiently lighted by day and by night, and the tavern shall not be used as a place of residence, save by the vendor or a caretaker.*

No alterations or additions shall be made to any tavern building nor shall any wall, fence, or other enclosure be erected without the approval of the Government Agent.

2. The possession upon any licensed premises of any liquor or intoxicating drug, except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor, is prohibited.

3. A signboard must be affixed to the front of each licensed distillery, brewery, wholesale warehouse, arrack renter's storehouse, bottling warehouse, or tavern (including beer and porter) showing the number and nature of the license, the name of the licensee, and, in the case of country liquor taverns, the current rate of sale. These particulars must be legibly painted in English or the local vernacular. The license and a printed copy of these conditions must be hung up in a conspicuous place within all licensed premises. In the case of taverns the license must show the names of the salesmen.

4. All liquor and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them, either to increase their intoxicating power or for any other purpose. All officers authorized to inspect licensed premises (*vide* condition 21 *infra*) are authorized to detain any liquor or intoxicating drug reasonably suspected to be unfit for consumption or use, or which they may believe to have been tampered with, and all licensees shall give all such officers all such facilities and assistance as they may require for the exercise of their powers.

5. The sale or transport of liquor or intoxicating drugs by persons below the age of sixteen, or by persons suffering from leprosy or any contagious disease, and the employment of such persons for the sale of the same, are prohibited. The names of all persons employed or proposed to be employed in godowns, warehouses, taverns, or bars shall be furnished to the Government Agent, who may forbid the employment of any person of whom he may disapprove.

6. The rules regarding the hours of opening and closing places licensed for the sale of liquor are as follows:—

Toddy Taverns.—Toddy taverns shall remain open between the hours of 8 A.M. and 6.30 P.M., and shall be kept closed at all other hours. The Government Agent may, after consulting the Advisory Committee, fix the opening hour of toddy taverns as early as 7 A.M., where local circumstances are found to require it, and may extend the hour of closing any taverns in towns, and for special reasons outside towns, to such hour as he may fix, not being later than the closing hour of arrack taverns in the same area, and shall enter such hours of opening and closing in the license. No sale shall take place between the time at which the tavern is required to be closed at night and the time fixed for opening.

Arrack Taverns.—Arrack Taverns shall remain open between the hours of 8 A.M. and 6.30 P.M., and shall be kept closed at all other hours. The Government Agent may, after consulting the Advisory Committee, extend the hour of closing any such taverns in towns, and for special reasons outside towns, to such hour as he may fix, not being later than the closing hour of such taverns in April, 1917, and in no case later than 9 P.M., and shall enter the hour of closing in the license. No sale shall take place between the time at which the tavern is required to be closed at night and 8 A.M. next morning.

Places licensed for the Sale of Foreign Liquor.—The hours for opening and closing will be noted on the license by the Government Agent, provided, however, that in cases for which Excise Notification No. 76, published in the *Ceylon Government Gazette* No. 6,953 of June 28, 1918, has prescribed hours, such prescription of hours shall hold good. No sale of liquor shall take place between the hour at which the premises are required to be closed and the hour fixed for opening. Taverns (including places licensed for the sale of beer and porter only) and bars shall remain closed between the hour fixed for closing and the hour fixed for opening. The closing hour of foreign liquor taverns (including places licensed for the sale of beer and porter only) shall not be later than the closing hour of arrack taverns in the same area.

The licensing authority may, however, in special cases authorize licensed premises, other than taverns and places licensed for the sale of beer and porter, to be kept open to such later hour as may be fixed by him, provided that no liquor shall be sold between the hours of closing and opening appearing in the liquor license.

* In taverns which are clearly of a superior character, private bars may be sparingly allowed by the Government Agent, under a special license to be granted by him, free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop, or through a separate door clearly labelled or provided with a proper signboard to show its nature

7. No drunkenness, disorder, or gaming shall be permitted in taverns and other licensed premises. Every person licensed to sell liquor and every keeper of any licensed premises shall refuse to admit to, and shall turn out of, the premises in respect of which the license is granted any person who is drunk, violent, quarrelsome, or disorderly, and any person whose presence on the premises would subject him to a penalty under any Ordinance for the time being in force.

8. No robbers, thieves, habitual criminals, or disorderly or riotous persons or reputed prostitutes shall be harboured in any licensed premises. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer by the licensee.

9. No person shall be harboured in any licensed premises between the hours of closing and opening such premises, and no constable shall be harboured in such premises during his time of duty.

10. Taverns situated on or adjacent to the line of march must be closed, if the Government Agent so orders, while a regiment or detachment of European or native soldiers is passing, or is encamped in the vicinity; and, if the Government Agent so orders, any licensed premises must be temporarily closed in times of religious excitement, or when a disturbance exists or is apprehended. Every Excise licensee shall of his own motion close his licensed premises when there is a riot or disturbance in the neighbourhood.

11. The right is reserved to the Government Agent to grant "Occasional Licenses" for the sale of liquor on the occurrence of fairs, festivals, &c. Such licenses shall ordinarily be granted to the tavern keepers who usually supply the locality, or to the representative of the renter. Their period shall not exceed ten days, and the fee to be paid therefor shall be fixed at the discretion of the officer issuing the licenses.

12. No liquor shall be sold or given—

(a) Except at licensed premises specially approved by the Officer Commanding the Troops in the Colony or the Officer Commanding the Station or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the Excise authorities and specified in the license—

- (1) To sailors in the Royal Navy, soldiers, and the members of their families; or
- (2) To any other person living in barracks.

(b) Whilst on duty to any—

- (1) Member of the Police Force or officer of the Excise Department; or
- (2) Railway servant; or

(c) In any circumstances to any—

- (1) Person under sixteen years of age; or
- (2) Insane person; or
- (3) Person known or believed to be intoxicated.

13. No privilege of manufacture, supply, or sale, or any interest therein shall be sold, transferred, or sub-rented without the Government Agent's previous permission; nor, if the Government Agent so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

14. Taverns must be kept open, unless their temporary closure is authorized under condition 10 *supra*, and such supply of liquor as the Government Agent may consider sufficient to meet local requirements must be maintained therein. Taverns not opened by dates to be fixed by the Government Agent shall be liable to be re-sold at the risk of the licensee.

15. No liquor shall be sold in taverns except for cash. All licensees shall, subject to any special condition limiting the quantity that may be sold, be bound to supply liquor on demand and on tender of cash to any person entitled to demand it.

16. No liquor or intoxicating drug shall be sold either below the minimum or above the maximum prices fixed for sale of the same in accordance with the law for the time being in force.

17. No liquor or intoxicating drug in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit; nor shall liquor or intoxicating drugs be sold at godowns or warehouses in quantities less than the minima prescribed.

18. True accounts of transactions shall be maintained from day to day in ink in forms approved by the Excise Commissioner, and shall be kept in the licensed premises. Such accounts shall be correctly and promptly totalled at the end of each month. The accounts and passes shall be in printed books, which may be obtained from any Kachcheri on payment of cost price, or on production of receipts for the payment of the cost price into a Government Treasury. Passes for liquor or intoxicating drugs received and the counterfoils of passes issued must be carefully filed in the licensed premises. The signing of blank passes for subsequent issue is prohibited. The accounts and counterfoils of passes shall be preserved by the licensee for one year after the period covered by the license, and shall be produced when called for by an officer not below the rank of Assistant Superintendent of the Excise Department.

19. Such returns and information as may be required by the Excise Commissioner or by the Government Agent from time to time shall be furnished by holders of licenses.

20. When any weights, measures, or instruments have been prescribed for use in any licensed premises, only such weights, measures, and instruments as have been prescribed shall be possessed or used on such premises, and they shall be tested and stamped by the stamping establishment of the district, if the Government Agent shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

21. The officers authorized to inspect licensed premises are—

- (1) Any officer of the Revenue Department of rank not lower than a Ratamahatmaya, Mudaliyar, Muhandiram, or officer of like rank;
- (2) Any officer of the Excise Department of rank not lower than Inspector; and
- (3) Any person appointed under section 7 (c) to perform the acts and duties mentioned in sections 32, 34, and 45 (a). (*Vide* Excise Notification No. 68.)

These officers are empowered to enter and examine the premises, to test weights and measures in use, and the liquor and intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the licensed premises. In regard to taverns (including premises licensed for the sale of beer and porter only) such officers are further empowered to examine any private documents or books within the premises, and, if any offence is disclosed thereby, to seize and remove such documents or books. All licensees shall give to all such officers all such facilities and assistance as they may require for the exercise of their powers. Nothing in this condition shall be interpreted as depriving Police Officers of any powers vested in them by law.

22. An inspection notebook with the pages numbered consecutively shall be kept by the licensee in the licensed premises for the entry in it by Inspecting Officers of their remarks, and be handed over to the Superintendent or Assistant Superintendent of Excise, or any officer authorized by him to receive it, on a receipt being given therefor.

23. Licensees are bound to report to the Government Agent all instances which come to their knowledge of persons employed by them in the manufacture, transport, or sale of liquor and intoxicating drugs committing breaches of the Excise laws, and to comply with the Government Agent's orders respecting the continued employment of such persons. No persons who have been convicted under the Ceylon Penal Code or under "The Excise Ordinance, No. 8 of 1912," shall be employed in the transport or sale of liquor and intoxicating drugs without the Government Agent's previous permission.

24. Pecuniary dealings of any kind whatever by licensees with officials of the Excise Department are absolutely prohibited.

25. All premises licensed as taverns (including premises for the sale of beer and porter), bars, refreshment rooms, or restaurants, and all vessels, measures, and other articles used for the storage or sale of liquor therein, shall be kept scrupulously clean.

26. All licensees shall be bound by any additional general rules that may be prescribed under the Excise law, and, if so required by the Government Agent or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

27. The possession (save under and in accordance with the law applicable to unlicensed persons) or sale by any licensee of any excisable article elsewhere than at the premises to which his license refers is prohibited.

28. In no case shall an arrack or toddy renter or a licensee of a foreign liquor tavern, either personally or by an agent, transport from a tavern any quantity of liquor that may have been sold without a special permit from the Government Agent or Assistant Government Agent.

ARRACK RENT SALE CONDITIONS, 1920-21.

Notice under "The Excise Ordinance, No. 8 of 1912."

Conditions approved by His Excellency the Governor under Section 18 of "The Excise Ordinance, No. 8 of 1912," under which the Arrack Rents, other than those of the Northern Province, and the Chilaw District of the North-Western Province, for the period October 1, 1920, to September 30, 1921, will be sold.

The conditions under which the exclusive privilege of selling arrack by retail within ———— for the term of twelve months from October 1, 1920, to September 30, 1921, inclusive, is sold are, in addition to the general conditions applicable to all Excise Licenses published in the *Government Gazette* No. 7,102 of May 7, 1920, as follows:—

1. The Board appointed by His Excellency the Governor shall have power to accept or reject any bid or tender, and any bidder or tenderer whose bid or tender shall be accepted shall forthwith be declared by the Board to be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.
2. The grantee shall, immediately on his being declared the grantee, sign the memorandum hereunder written, and shall forthwith pay to the Government Treasury the value of one month's rent in cash, which amount shall be forfeited in whole or in part, at the discretion of the Government Agent, upon breach by the grantee of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach.
3. The grantee shall execute, within ten days of his being declared the grantee, a bond without hypothecating property, with or without sureties, at the discretion of the Government Agent, for the due performance of the conditions of sale. Provided, however, that where the grantee proposes to give land belonging to other persons as security for the bond mentioned in condition 4 hereof, the owners of such land shall sign the bond referred to in this present condition as sureties in addition to the grantee.
4. The grantee shall also, within forty days of his purchase, mortgage with the Government Agent unencumbered landed property which, in the opinion of the Government Agent, is of the value of six months' rent, or shall deposit and pledge with the Government Agent cash to the amount of four months' rent, entering at the same time into a bond, with or without sureties, at the discretion of the Government Agent, for the due performance of the conditions. The grantee shall at the same time execute in the form sanctioned by law a power of attorney to confess judgment in any action which may be instituted against him on the said bond.
5. If security be given in cash, the amount deposited on the day of sale shall be allowed to count as part of the four months' rent which the grantee has to deposit as security. If, however, security be given in land, the cash deposit shall be retained as security additional to the landed property mortgaged with the Government Agent, and shall be hypothecated with it.
6. The grantee shall pay the purchase money in ———— equal monthly instalments at the Office of the Government Agent at ————. The first instalment shall be considered as due and payable on the ————; and the remainder on the last day of each of the ———— succeeding months of the said term respectively; and in case of non-payment of any instalment or any part thereof at the time when the same shall become due, such instalment shall carry interest at the rate of nine per cent. per annum, and the Government Agent shall be at liberty to re-sell the said privilege on behalf of the Crown under condition 13. Where any monthly instalment, or any part of such instalment, remains unpaid for one month or longer from the date when payment of the same falls due, the grantee shall pay, in addition to the interest on such amount, a fine equivalent to six per cent. per annum on the amount due, calculated for the full period of the arrears.
7. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.
8. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the Shroff's hands shall be considered as money paid under this contract.
9. Licenses to sell arrack by retail at taverns in the localities specified in the list hereto annexed marked A shall be issued to the grantee on his application, provided that the sites be approved by the Government Agent. The grantee shall also be allowed to establish storehouses at the under-mentioned places, but such storehouses shall be used exclusively for the purpose of supplying taverns within the limits of the grantee's exclusive privilege of selling arrack by retail, and the grantee shall not be at liberty to issue for that purpose arrack in quantities of less than three gallons at a time at any such storehouse.
10. If in the opinion of Government the average wholesale selling price of arrack in the Island exceeds Rs. 350 per leaguer of arrack at approximately 25 degrees under proof, Government will permit renters to import arrack on warrant in such quantities and on such conditions as Government may in each case consider necessary.
11. All arrack exposed or kept for sale in the taverns shall be of a strength not less than 30 degrees under proof, according to Sykes's hydrometer test, no allowance being made for the degree of obscuration introduced into the arrack by the addition of flavouing or colouring materials; and all arrack kept or exposed for sale in taverns and storehouses shall be open at all times to inspection and test by Excise Officers.
12. The grantee shall be bound to receive any arrack, not exceeding thirty-five gallons, which may be found in the estate of any deceased person, or which may be confiscated by a Magistrate or Excise Officer, or which may belong to any wholesale or retail dealer whose license shall be withdrawn, and to pay to the Government Agent the value of the same at the rate of twenty per cent. below the minimum retail price thereof.

13. Should the grantee fail to perform any of the conditions of sale, the Government Agent shall be at liberty to forfeit the amount paid by the grantee under clause 2 hereof, or any portion thereof, and also either—

- (a) To re-sell the said privilege, or so much of the term thereof as may be unexpired, in which case the grantees shall be liable to the Crown for any loss that may arise from such re-sale, and shall not be entitled to any profit that may arise therefrom; such re-sale shall in no way release the grantee from payment to the Crown of any instalment which may have fallen due under these conditions. The said privilege may be re-sold in such way as His Excellency the Governor may direct; or
- (b) To resume possession of the said privilege, or so much of the term thereof as may be unexpired, and the same to have again, collect, receive, retain, and enjoy as of his former estate, and the said grantee, his executors and administrators, and all others thenceforth utterly to expel, put out, and remove, and thereupon to vacate and determine the sale, as to the said Government Agent shall seem meet. Resumption of possession under this clause shall not deprive the Crown of the right to recover any instalment of the purchase money which may have become due under the conditions, nor of the right to re-sell at the risk of the grantee under clause (a) of this condition.

14. It shall be lawful for the Government Agent, after any re-sale of the said privilege at the risk of the grantee under the foregoing condition, to withdraw all the licenses issued by him in respect of any storehouses under condition 9, and the grantee shall, within forty-eight hours after the notice of such withdrawal has been personally served on him or affixed to the storehouse or storehouses so licensed as aforesaid, deliver up to the Government Agent at the Kachcheri every such license to be cancelled, and shall forthwith cease to sell or issue arrack at any such storehouses.

15. In the event of the grantee failing to pay his instalments after they shall have become due, or being otherwise in default, the Government Agent shall be at liberty to credit the grantee with the amount deposited by him as security for such privilege, without waiting for a judgment or process of the Court condemning the renter in such sum.

16. The grantee and his sureties shall on their signing the conditions of sale elect, and under their hands signify, a place at which all notices and processes whatever, preparatory to or connected with legal proceedings at any stage thereof against them in respect of any sum of money due on account of the said rent, shall be left. And all such notices or processes as aforesaid left at the place so elected shall be considered as good and effectual to all intents and purposes as if the same were served personally.

17. The grantee, before entering upon the said privilege, shall pay (a) the charges of the Crown Proctor for examining the title deeds of properties tendered by the grantee as securities and for drawing and, if necessary, attesting the security bond, (b) the fees for any opinions of Counsel which the Crown Proctor may consider desirable to obtain in connection with such deeds or security bond, (c) the expenses of appraising the properties; and in default thereof the Government Agent shall be at liberty to appropriate the amount of such charges, fees, and expenses out of any payment on account of the said privilege. The grantee shall also, at his own expense, furnish with each deed so tendered by him an abstract of title and a certificate of encumbrances in respect thereof, and shall promptly supply any information that the Crown Proctor may require in connection therewith. Should any such deed have been at any time previously examined by the Crown Proctor in respect of any arrack rent, the grantee shall, when tendering the deed, furnish full particulars and dates of such previous examination.

18. The Government Agent is not bound to find sites for taverns in the event of the grantee not being able to procure sites from private parties or otherwise.

19. The grantee shall have no power to interfere in any way, directly or indirectly, with the sale of arrack at the Military Canteens, which are altogether excluded from the privilege aforesaid.

20. The right of Government to manufacture and sell or to issue licenses for the manufacture or sale of methylated spirits, as also the right to grant licenses for the manufacture, sale, and use of spirits distilled in the Island for chemical and other purposes, but not for drinking purposes, is hereby expressly reserved from the privilege sold under these conditions.

21. The Government Agent shall exercise his right, as he may think proper, of issuing licenses to any person to sell foreign liquor by the glass or the bottle.

22. The grantee shall have no concern or interest, direct or indirect, with the sale of fermented toddy, or with the purchase of any privilege for the sale of toddy within the area of his rent.

23. The grantee and the servants employed by him in taverns and storehouses are prohibited from having any pecuniary dealings with Excise Officers. The grantee will be responsible for the acts of his servants.

24. The grantee shall not without permission previously obtained from the Government Agent sell or otherwise dispose of within the limits of the grantee's exclusive privilege of selling arrack by retail, in any one month, arrack exceeding by more than twenty-five per cent. the average monthly consumption for the preceding twelve months within the said limits.

25. The grantee shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license or licenses for the sale by retail of arrack at each of the taverns within the area covered by the privilege.

26. No barrel, cask, keg, vat, or other large receptacle shall be used to store, keep, or transport arrack, unless it shall bear clearly marked on it its correct capacity in terms of gallons.

27. The grantee (a) shall not sell any arrack whether by the dram or by the "bottle" or gallon at a lower price than at the rate of Rs. 9.60 per gallon at 26 degrees under proof; (b) shall not sell arrack in any one particular tavern at a cheaper rate by "bottle" or gallon than the rate by the dram at which he sells arrack in that tavern.

ARRACK RENT SALE CONDITIONS, 1920-21.

Notice under "The Excise Ordinance, No. 8 of 1912."

Conditions approved by His Excellency the Governor under Section 18 of "The Excise Ordinance, No. 8 of 1912," under which the Arrack Rent of the Chilaw District for the period October 1, 1920, to September 30, 1921, will be sold.

The Conditions under which the exclusive privilege of selling arrack by retail within _____ for the term of twelve months from October 1, 1920, to September 30, 1921, inclusive, is sold are, in addition to the general conditions applicable to all excise licenses published in the *Government Gazette* No. 7,102 of May 7, 1920, as follows:—

1. The Board appointed by His Excellency the Governor shall have power to accept or reject any bid or tender, and any bidder or tenderer whose bid or tender shall be accepted shall forthwith be declared by the Board to be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.
2. The grantee shall, immediately on his being declared the grantee, sign the memorandum hereunder written, and shall forthwith pay to the Government Treasury the value of one month's rent in cash, which amount shall be forfeited in whole or in part, at the discretion of the Government Agent, upon breach by the grantee of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach.
3. The grantee shall execute, within ten days of his being declared the grantee, a bond without hypothecating property, with or without sureties, at the discretion of the Government Agent, for the due performance of the conditions of sale. Provided, however, that where the grantee proposes to give land belonging to other persons as security for the bond mentioned in condition 4 hereof, the owners of such land shall sign the bond referred to in this present condition as sureties in addition to the grantee.
4. The grantee shall also, within forty days of his purchase, mortgage with the Government Agent unencumbered landed property which, in the opinion of the Government Agent, is of the value of six months' rent, or shall deposit and pledge with the Government Agent cash to the amount of four months' rent, entering at the same time into a bond, with or without sureties, at the discretion of the Government Agent, for the due performance of the conditions. The grantee shall at the same time execute in the form sanctioned by law a power of attorney to confess judgment in any action which may be instituted against him on the said bond.
5. If security be given in cash, the amount deposited on the day of sale shall be allowed to count as part of the four months' rent which the grantee has to deposit as security. If, however, security be given in land, the cash deposit shall be retained as security additional to the landed property mortgaged with the Government Agent, and shall be hypothecated with it.
6. The grantee shall pay the purchase money in _____ equal monthly instalments at the Office of the Government Agent at _____. The first instalment shall be considered as due and payable on the _____, and the remainder on the last day of each of the _____ succeeding months of the said term respectively, and in case of non-payment of any instalment or any part thereof at the time when the same shall become due, such instalment shall carry interest at the rate of nine per cent. per annum, and the Government Agent shall be at liberty to re-sell the said privilege on behalf of the Crown under condition 13. Where any monthly instalment or any part of such instalment remains unpaid for one month or longer from the date when payment of the same falls due, the grantee shall pay, in addition to the interest on such amount, a fine equivalent to six per cent. per annum on the amount due, calculated for the full period of the arrears.
7. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.
8. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the Shroff's hands shall be considered as money paid under this contract.
9. Licenses to sell arrack by retail at taverns in the localities specified in the list hereto annexed marked A shall, subject to condition 28 below, be issued to the grantee on his application, provided that the sites be approved by the Government Agent. The grantee shall also be allowed to establish storehouses at the under-mentioned places, but such storehouses shall be used exclusively for the purpose of supplying taverns within the limits of the grantee's exclusive privilege of selling arrack by retail, and the grantee shall not be at liberty to issue for that purpose arrack in quantities of less than three gallons at a time at any such storehouse.
10. If in the opinion of Government the average wholesale selling price of arrack in the Island exceeds Rs. 350 per leaguer of arrack at approximately 25 degrees under proof, Government will permit renters to import arrack on warrant in such quantities and on such conditions as Government may in each case consider necessary.
11. All arrack exposed or kept for sale in the taverns shall be of a strength not less than 30 degrees under proof, according to Sykes's hydrometer test, no allowance being made for the degree of obscuration introduced into the arrack by the addition of flavouring or colouring materials; and all arrack kept or exposed for sale in taverns and storehouses shall be open at all times to inspection and test by Excise Officers.
12. The grantee shall be bound to receive any arrack, not exceeding thirty-five gallons, which may be found in the estate of any deceased person, or which may be confiscated by a Magistrate or Excise Officer, or which may belong to any wholesale or retail dealer whose license shall be withdrawn, and to pay to the Government Agent the value of the same at the rate of twenty per cent. below the minimum retail price thereof.
13. Should the grantee fail to perform any of the conditions of sale, the Government Agent shall be at liberty to forfeit the amount paid by the grantee under clause 2 hereof, or any portion thereof, and also either—
 - (a) To re-sell the said privilege, or so much of the term thereof as may be unexpired, in which case the grantee shall be liable to the Crown for any loss that may arise from such re-sale, and shall not be entitled to any profit that may arise therefrom; such re-sale shall in no way release the grantee from payment to the Crown of any instalment which may have fallen due under these conditions. The said privilege may be re-sold in such way as His Excellency the Governor may direct; or
 - (b) To resume possession of the said privilege, or so much of the term thereof as may be unexpired, and the same to have again, collect, receive, retain, and enjoy as of his former estate, and the said grantee, his executors and administrators, and all others thenceforth utterly to expel, put out, and remove, and thereupon to vacate and determine the sale, as to the said Government Agent shall seem meet. Resumption of possession under this clause shall not deprive the Crown of the right to recover any instalment of the purchase money which may have become due under the conditions, nor of the right to re-sell at the risk of the grantee under clause (a) of this condition.

14. It shall be lawful for the Government Agent, after any re-sale of the said privilege at the risk of the grantee under the foregoing Condition, to withdraw all the licenses issued by him in respect of any storehouses under condition 9, and the grantee shall, within forty-eight hours after the notice of such withdrawal has been personally served on him, or affixed to the storehouse or storehouses so licensed as aforesaid, deliver up to the Government Agent at the Kachcheri every such license to be cancelled, and shall forthwith cease to sell or issue arrack at any such storehouses.

15. In the event of the grantee failing to pay his instalments after they shall have become due, or being otherwise in default, the Government Agent shall be at liberty to credit the grantee with the amount deposited by him as security for such privilege, without waiting for a judgment or process of the Court condemning the renter in such sum.

16. The grantee and his sureties shall on their signing the conditions of sale elect, and under their hands signify, a place at which all notices and processes whatever, preparatory to or connected with legal proceedings at any stage thereof against them in respect of any sum of money due on account of the said rent, shall be left. And all such notices or processes as aforesaid left at the place so elected shall be considered as good and effectual to all intents and purposes as if the same were served personally.

17. The grantee, before entering upon the said privilege, shall pay (a) the charges of the Crown Proctor for examining the title deeds of properties tendered by the grantee as securities and for drawing and, if necessary, attesting the security bond, (b) the fees for any opinions of Counsel which the Crown Proctor may consider desirable to obtain in connection with such deeds or security bond, (c) the expenses of appraising the properties; and in default thereof the Government Agent shall be at liberty to appropriate the amount of such charges, fees, and expenses out of any payment on account of the said privilege. The grantee shall also, at his own expense, furnish with each deed so tendered by him an abstract of title and a certificate of encumbrances in respect thereof, and shall promptly supply any information that the Crown Proctor may require in connection therewith. Should any such deed have been at any time previously examined by the Crown Proctor in respect of any arrack rent, the grantee shall, when tendering the deed, furnish full particulars and dates of such previous examination.

18. The Government Agent is not bound to find sites for taverns in the event of the grantee not being able to procure sites from private parties or otherwise.

19. The grantee shall have no power to interfere in any way, directly or indirectly, with the sale of arrack at the Military Canteens, which are altogether excluded from the privilege aforesaid.

20. The right of Government to manufacture and sell or to issue licenses for the manufacture or sale of methylated spirits, as also the right to grant licenses for the manufacture, sale, and use of spirits distilled in the Island for chemical and other purposes, but not for drinking purposes, is hereby expressly reserved from the privilege sold under these conditions.

21. The Government Agent shall exercise his right, as he may think proper, of issuing licenses to any person to sell foreign liquor by the glass or the bottle.

22. The grantee shall have no concern or interest, direct or indirect, with the sale of fermented toddy, or with the purchase of any privilege for the sale of toddy within the area of his rent.

23. The grantee and the servants employed by him in taverns and storehouses are prohibited from having any pecuniary dealings with Excise Officers. The grantee will be responsible for the acts of his servants.

24. The grantee shall not without permission previously obtained from the Government Agent sell or otherwise dispose of within the limits of the grantee's exclusive privilege of selling arrack by retail, in any one month, arrack exceeding by more than twenty-five per cent. the average monthly consumption for the preceding twelve months within the said limits.

25. The grantee shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license or licenses for the sale by retail of arrack at each of the taverns within the area covered by the privilege.

26. No barrel, cask, keg, vat, or other large receptacle shall be used to store, keep, or transport arrack, unless it shall bear clearly marked on it its correct capacity in terms of gallons.

27. The grantee (a) shall not sell any arrack whether by the dram or by the "bottle" or gallon at a lower price than at the rate of Rs. 9.60 per gallon at 26 degrees under proof; (b) shall not sell arrack in any one particular tavern at a cheaper rate by "bottle" or gallon than the rate by the dram at which he sells arrack in that tavern.

28. No arrack shall, in the case of any arrack tavern in respect of which "off" sales (i.e., sales of arrack intended not for consumption on the premises of such tavern but for removal therefrom) are prohibited, as shown in list A mentioned in condition 9 above, be sold under this exclusive privilege for the purpose of removal from such tavern, and no arrack sold at such tavern shall be removed from it, except under cover of a special permit granted by the Government Agent.

29. No arrack shall, in the case of any arrack tavern in respect of which "off" sales are prohibited, be stored or kept for sale except in casks or receptacles capable of containing at least three gallons each.

THE following conditions on which the toddy rents for the period from July 1, 1920, to June 30, 1921, in the case of the Northern and Eastern Provinces; and from October 1, 1920, to September 30, 1921, in the case of all other Provinces, will be sold have been approved by His Excellency the Governor under section 18 of "The Excise Ordinance, No. 8 of 1912," and are hereby published for general information:—

Toddy Rent Sale Conditions applicable to Toddy Taverns in respect of which "off" sales are not prohibited.

Stamp of 50 cents.

The conditions on which the exclusive privilege of selling fermented toddy by retail within the _____, from _____, 192—, to _____, 192—, is sold are, in addition to the general conditions applicable to all excise licenses published in the *Government Gazette* No. 6,615 of March 13, 1914, as follows:—

1. The Government Agent shall have power, in his discretion, to refuse to accept any bid or tender, subject to which power the highest bidder or tenderer shall be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.

2. (a) The grantee shall, immediately on being declared the grantee, sign these conditions of sale and pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture in whole or in part, at the discretion of the Government Agent, for breach of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall hypothecate the said security deposit by a bond in form Excise T 23 within fourteen days of sale of the privilege above prescribed.

(b) If the highest bid or tender under condition 1 exceeds the sum of Rs. 2,000, the grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege.

(c) The grantee shall, on signing the conditions of sale, elect, and under his hand signify, a post office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the post office so elected and posted in due course shall be considered as good and effectual to all intents and purposes as if the same were served personally.

3. The grantee shall pay the purchase money to the Government Agent in _____ equal monthly instalments. The first instalment shall be considered due and payable on _____, 192—, and the remainder on the last day of each succeeding month. Interest at the rate of 9 per cent. per annum shall be payable on all arrears.

4. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the hands of the Shroff or any other officer of the Kachcheri shall be considered as money paid under this contract.

5. If any instalment of the purchase money or any part of an instalment remains unpaid after the same shall have become due and payable, the Government Agent shall have power, after fifteen days' notice to the grantee of his intention to do so, without further process of law, to cancel the license or licenses issued to the grantee, and to re-sell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.

6. The grantee shall, on receipt of the license to sell, furnish to the Superintendent or Assistant Superintendent of Excise an application on the prescribed form showing the numbers and situations of the trees which he proposes to tap for the supply of fermented toddy for sale at each tavern, and no tree shall be tapped or toddy drawn for this purpose except under cover of a license setting forth the numbers and situations of the trees, the name of the drawer, and the tavern for which the fermented toddy is intended. The Superintendent of Excise or Assistant Superintendent of Excise shall have power, subject to appeal to the Excise Commissioner, to refuse any application to tap trees for any tavern if such application is, in his opinion, open to serious objection.

7. No tree shall be tapped or toddy drawn therefrom for the supply of fermented toddy for sale at a tavern unless such tree shall first have been marked for this purpose in a manner prescribed by the Excise Commissioner; nor shall toddy be transported to the tavern except under cover of a pass granted by the Superintendent of Excise or the Assistant Superintendent of Excise. Such pass shall set forth the name of the person who transports the toddy and shall be issued to the grantee, who shall hand it to the person who transports the toddy.

8. The grantee, if he taps the trees and draws the toddy himself, or, if he delegates the work to another person, such person shall, at the time of tapping the trees or drawing the toddy, invariably carry the license on his person, and shall produce it forthwith on the demand of any Excise Officer or village headman.

9. The grantee shall have no concern or interest, direct or indirect, in the sale of arrack, or in the purchase of any privilege for the sale of arrack, within the Revenue District in which he possesses the privilege of selling toddy.

10. Except under the written authority of the Assistant Commissioner of Excise, no toddy, except toddy drawn from trees licensed and marked for a particular tavern, shall be kept, offered for sale, or sold in that tavern.

11. No fermented toddy shall be sold at a lower price than 40 cents per gallon, and in proportion for any smaller quantity.

12. The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site. No tavern shall be opened at any place except with the approval of the Government Agent.

13. The purchaser shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license or licenses for the sale by retail of fermented toddy at the taverns within the area covered by the privilege.

14. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

15. (a) No bids will be accepted from any person who is a habitual criminal as defined by Ordinance No. 32 of 1914.

(b) The purchaser shall whenever called upon to do so by the Government Agent satisfy him that he is not a habitual criminal within the meaning of the said Ordinance.

16. The tavern within the area of the exclusive privilege granted under the foregoing conditions shall open at — A.M. and close at — P.M., and no toddy shall be sold at such tavern between the hour of closing and that of opening.

TODDY RENT SALE CONDITIONS, 1920-21.

THE following conditions on which the toddy rents for the period from July 1, 1920, to June 30, 1921, in the case of the Northern and Eastern Provinces; and from October 1, 1920, to September 30, 1921, in the case of all other Provinces, will be sold have been approved by His Excellency the Governor under section 18 of "The Excise Ordinance, No. 8 of 1912," and are hereby published for general information:—

Toddy Rent Sale Conditions applicable to Toddy Taverns in respect of which "off" sales are prohibited.

Stamp of 50 cents.

The Conditions on which the exclusive privilege of selling fermented toddy by retail within the ———, from ———, 192—, to ———, 192—, is sold are, in addition to the general conditions applicable to all Excise Licenses published in the *Government Gazette* No. 6,615 of March 13, 1914, as follows:—

1. The Government Agent shall have power, in his discretion, to refuse to accept any bid or tender, subject to which power the highest bidder or tenderer shall be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.

2. (a) The grantee shall, immediately on being declared the grantee, sign the conditions of sale and pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture, in whole or in part, at the discretion of the Government Agent, for breach of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall hypothecate the said security deposit by a bond in form Excise T 23 within fourteen days of sale of the privilege above prescribed.

(b) If the highest bid or tender under condition 1 exceeds the sum of Rs. 2,000, the grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege.

(c) The grantee shall, on signing the conditions of sale, elect, and under his hand signify, a post office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the post office so elected and posted in due course, shall be considered as good and effectual to all intents and purposes as if the same were served personally.

3. The grantee shall pay the purchase money to the Government Agent in ——— equal monthly instalments. The first instalment shall be considered due and payable on ———, 192—, and the remainder on the last day of each succeeding month. Interest at the rate of 9 per cent. per annum shall be payable on all arrears.

4. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the hands of the Shroff or any other officer of the Kachcheri shall be considered as money paid under this contract.

5. If any instalment of the purchase money, or any part of an instalment, remains unpaid after the same shall have become due and payable, the Government Agent shall have power, after fifteen days' notice to the grantee of his intention to do so, without further process of law, to cancel the license or licenses issued to the grantee, and to re-sell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.

6. The grantee shall, on receipt of the license to sell, furnish to the Superintendent or Assistant Superintendent of Excise an application on the prescribed form showing the numbers and situations of the trees which he proposes to tap for the supply of fermented toddy for sale at each tavern, and no tree shall be tapped or toddy drawn for this purpose except under cover of a license setting forth the numbers and situations of the trees, the name of the drawer, and the tavern for which the fermented toddy is intended. The Superintendent of Excise or Assistant Superintendent of Excise shall have power, subject to appeal to the Excise Commissioner, to refuse any application to tap trees for any tavern if such application is, in his opinion, open to serious objection.

7. No tree shall be tapped or toddy drawn therefrom for the supply of fermented toddy for sale at a tavern unless such tree shall first have been marked for this purpose in a manner prescribed by the Excise Commissioner; nor shall toddy be transported to the tavern except under cover of a pass granted by the Superintendent of Excise or the Assistant Superintendent of Excise. Such pass shall set forth the name of the person who transports the toddy, and shall be issued to the grantee, who shall hand it to the person who transports the toddy.

8. The grantee, if he taps the trees and draws the toddy himself, or, if he delegates the work to another person, such person shall, at the time of tapping the trees or drawing the toddy, invariably carry the license on his person, and shall produce it forthwith on the demand of any Excise Officer or Village Headman.

9. The grantee shall have no concern or interest, direct or indirect, in the sale of arrack, or in the purchase of any privilege for the sale of arrack, within the Revenue District in which he possesses the privilege of selling toddy.

10. Except under the written authority of the Assistant Commissioner of Excise, no toddy, except toddy drawn from trees licensed and marked for a particular tavern, shall be kept, offered for sale, or sold in that tavern.

11. No fermented toddy shall be sold at a lower price than 40 cents per gallon, and in proportion for any smaller quantity.

12. The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site. No tavern shall be opened at any place except with the approval of the Government Agent.

13. The purchaser shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license or licenses for the sale by retail of fermented toddy at the taverns within the area covered by the privilege.

14. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

15. (a) No bids will be accepted from any person who is a habitual criminal as defined by Ordinance No. 32 of 1914.

(b) The purchaser shall, whenever called upon to do so by the Government Agent, satisfy him that he is not a habitual criminal within the meaning of the said Ordinance.

16. The tavern within the area of the exclusive privilege granted under the foregoing conditions shall open at — A.M., and close at — P.M., and no toddy shall be sold at such tavern between the hour of closing and that of opening.

17. No toddy shall be sold under this exclusive privilege for the purpose of removal from the tavern, and no toddy sold in the tavern shall be removed from it, except under cover of a special permit granted by the Government Agent.

At the sale held this day of the privilege above described, ——— became the grantee of the said privilege in consideration of the payment of Rupees ——— as a fee therefor, and the said grantee, having paid to the Government Agent the sum of Rupees ——— by way of security deposit under clause 2 of these conditions, hereby agrees to complete the purchase according to the above conditions, and the Government Agent hereby acknowledges the receipt of the said deposit.
