NOTICES CALLING FOR TENDERS.

Notice under "The Excise Ordinance No. 8 of 1912."

TENDERS are hereby invited for the exclusive privilege of supplying country spirits of the strength of 27 degrees under-proof for sale to licensed arrack taverners in the Northern Province during the period commencing October 1, 1920, and ending September 30, 1923.

2. The two kinds of spirit to be supplied shall be (a) Spirit manufactured from coconut toddy; and (b) spirit manufactured from molasses.

The tenderer must specify at what rate per gallon at a strength of 27 degrees under-proof (exclusive of the still-head duty) he is prepared to supply each kind of spirit at a bonded warehouse in the Northern Province and at the duty-paid warehouses specified in condition (iv.) of the conditions following.

The successful tenderer must undertake to manufacture at the Government Distillery, Kalutara, all the spirit required for the supply of the contract area, whether manufactured from molasses or from toddy; and in order to enable him to have a sufficient stock of each kind of spirit to supply the several taverns of the Northern Province as from October 1, 1920, he will be permitted to begin operations at the Government Distillery as from July 1, 1920.

The successful tenderer may obtain his supply of molasses either locally or by importation for the purpose of manufacturing molasses spirit.

3. The contract shall be for a period of three years commencing October 1, 1920.

4. The rate of still-head duty will be the same, i.e., Rs. 4.50 per gallon of spirits at 27 degrees under-proof for both kinds of country spirits, but Government reserves to itself the power of revising such rate if it sees reason to do so at any time. Such duty shall be recovered in the manner described in condition (xiii.) of the conditions following.

5. The manufacture and issue of spirit from the distillery will be under the supervision of the distillery officer, who shall reside in the distillery officer's quarters attached to the distillery; the peons' quarters will be reserved for the use of the Excise peons attached to the distillery, and the office room will be reserved for the use of the distillery officer.

6. The successful tenderer shall pay to Government annually, on October 1 each year, at the office of the Assistant Government Agent, Kalutara, a sum of Rs. 500 for the use of the Government Distillery (other than the buildings referred to in paragraph 5 above) and plant.

7. The bonded warehouse and the duty-paid warehouses, referred to in condition (iv.) of the conditions appearing below, shall be provided by the contractor himself.

The bonded warehouse at Jaffna and the vessels used for the storage of spirits in the same shall be in accordance with the following requirements:—

(i.) The building shall be constructed of brick or stone. Roof shall be either tiled or covered with galvanized iron. All windows shall be fitted with iron bars not more than four inches apart from centre to centre: those in compartments used for the storage of spirit shall be covered internally with galvanized wire-netting of a square mesh not exceeding $\frac{1}{4}$ inch firmly secured to the framework, and shall be provided with inside wooden shutters, which can be secured with an inside bar. Skylights shall be similarly barred and netted.

(ii.) Doors of the building shall be so hung that tampering with the hinges from outside is impossible, and shall be provided with fastenings which can be secured by Excise locks.

(iii.) The contractor shall provide wooden vats or iron tanks for use as spirit vats in the warehouse. All vessels used for the storage of spirit shall be of a regular approved shape, to wit, rectangular, or some form of a conic frustum.

The capacity of any vat shall not be less than 400 gallons. The vats shall be closed vessels fitted with manholes and fixed "dipping" places so that the quantity of liquid contained in them may be ascertained at any time by means of a dipping rod. They shall also be provided with discharge cocks and fastenings so that the vessel can be properly secured.

(iv.) In the warehouse a room shall be set apart for use as an office for the Excise officer.

The contractor will be permitted to use as a warehouse any suitable building that may be approved by the Excise Commissioner, provided that such alterations to the building as may be required are made in accordance with the above rules.

8. The cost of all establishments maintained for Government purposes at the Government Distillery, Kalutara, and at the bonded warehouse in Jaffna will be met by Government.

9. Each tender must be accompanied by a Treasury or Kachcheri receipt for a deposit of Rs. 500, and be enclosed in a sealed cover superscribed with the words "Tender for the Exclusive Privilege of Supply of Country Spirits to the Northern Province." The tender must reach the Chairman of the Arrack Tender Board before 12 noon on Friday, February 6, 1920, after which no tender will be accepted.

10. The tenders will be opened on Friday, February 6, 1920, at 12 noon. The final disposal of the tenders will rest with the Board, and the Board reserves full power to accept such tender as it may deem best for the public interest, and to reject any of those received without assigning reasons.

11. The decision of the Board in each case will be communicated direct to the tenderers concerned, and the deposits of the unsuccessful tenderers will thereafter be returned to them.

12. The party whose tender has been accepted will be required immediately after the Board's decision has been communicated to him to deposit with the Board as security for the due fulfilment of his contract a sum of Rs. 5,000 (exclusive of the sum of Rs. 500 specified in clause 9), and to sign at the same time the Memorandum attached to the Conditions of Sale as well as a bond (a copy of which may be obtained from the office of the Chairman, Arrack Tender Board) hypothecating with the Government the said sum of Rs. 5,000, and binding himself for the due performance of this contract for the period of three years.

In case of default the Board shall have the power to cancel their decision to accept the tender, and to forfeit all deposits already made; in such a case, the exclusive privilege may be granted to any other person who may have tendered therefor, or may be otherwise disposed of at the discretion of the Board.

13. After the agreement has been executed the successful tenderer shall obtain from the Government Agent, all such licenses as may be necessary for the purpose of carrying out the terms of this contract; the exclusive privilege described in the 1st clause of this notice shall be subject to the following conditions.

14. The Excise Commissioner is willing to place at the disposal of any person desirous of tendering all information available to him relating to the consumption of arrack in the Northern Province, the sources from which toddy may be procured for use at the Government Distillery, particulars regarding the plant in the distillery, and on all other matters relating to this tender. Government does not, however, guarantee the accuracy of such information, nor hold itself in any way responsible therefor, nor shall any information so given form any part of the contract between Government and the successful tenderer.

Conditions.

(i.) The contractor shall be bound by the general conditions applicable to all Excise licenses and by the conditions applicable to the arrack rent sales as notified by the Excise Commissioner from time to time in so far as the above may concern him, and by the following conditions which are special to this contract.

(ii.) The privilege conferred extends only to the supply of country spirits of the strength of 27 degrees under-proof manufactured from—(a) Coconut toddy, (b) molasses, to arrack taverns situated in the Northern Province during the period beginning October 1, 1920, and ending September 30, 1923.

Provided that if the Excise Commissioner is satisfied that the contractor has a larger quantity of the above spirits than the minimum prescribed under condition (x.), he may permit

the contractor to sell his surplus stock in such quantities as the Excise Commissioner may prescribe from time to time.

(iii.) The spirits shall not be distilled at a higher strength than 30 degrees over-proof.

The contractor shall manufacture all the molasses and toddy spirits required for the supply of the contract area, i.e., the Northern Province, in the Government Experimental Distillery at Kalutara, in accordance with the conditions of a license which he shall obtain yearly on payment of a fee of Rs. 100 from the Assistant Government Agent, Kalutara.

The contractor shall pay to Government annually, on October 1 each year, a sum of Rs. 500 for the use of the distillery building (other than the distillery officer's quarters, his office, and the peons' quarters) and the distillery plant and such furniture as may be in the distillery.

The contractor shall keep the said premises and the building and plant in good order and condition to the satisfaction of the Excise Commissioner, and in the event of any part of the said building or plant being damaged, otherwise than by fair wear and tear, during the period of his contract, the contractor shall pay to Government the cost of consequent repairs; such cost shall be fixed by the Excise Commissioner, and may be deducted from the amount held in deposit and hypothecated by the contractor for the due fulfilment of the conditions of the contract.

In case of any sum being deducted from the security deposited as aforesaid, the contractor shall within one week deposit with the Assistant Government Agent, Kalutara, a sum equivalent to the amount so deducted. The decision of the Excise Commissioner as to whether or not the contractor shall be held responsible for any damage and as to the cost of repairs to the building or plant shall, subject to appeal to the Governor, be final and conclusive and binding on the said contractor.

The contractor shall not effect any repairs to the building or plant without the written permission of the Excise Commissioner.

The contractor shall use the distillery building and plant only for the purposes of manufacturing arrack.

At the expiration or sooner determination of the contract, the contractor shall yield up and surrender the leased premises and plant in such repair and condition as shall be in accordance with the covenants hereinbefore contained (fair wear and tear excepted) to the lessor.

(iv.) The contractor shall establish within the Northern Province a bonded warehouse at Jaffna for the due supply of both kinds of country spirit. He shall also establish and maintain duty-paid warehouses (for duty-paid liquor only) at (1) Mannar, (2) Vavuniya, (3) Mankulam for the due supply of both kinds of spirits to arrack tavern renters in the Northern Province.

(v.) The licenses for the bonded warehouse and the duty-paid warehouses will be issued free of charge by the Government Agent. The building and plant of the bonded warehouse must be in accordance with the requirements specified in paragraph 7 of the notice calling for tenders. Any suitable building approved by the Government Agent may be used as a duty-paid warehouse.

(vi.) No spirit shall be kept or issued by the contractor in the Northern Province, except at the places mentioned in condition (iv.) above, without special permission from the Excise Commissioner. Issues from the Government Distillery, Kalutara, or from the bonded warehouse at Jaffna to the duty-paid warehouses, or on sale from the bonded warehouse shall be on payment of the prescribed duty into a Government treasury, or after debiting the advance account, if any, be opened by the contractor at the Jaffna or Kalutara Kachcheri or at both.

(vii.) Each kind of country spirit in the distillery, bonded warehouse, and the duty-paid warehouses shall be kept in separate vessels, and separate accounts shall be maintained as regards each kind of spirit.

(viii.) Unless the Government Agent specially orders otherwise, spirits shall be issued from the bonded warehouse in Jaffna only to the duty-paid warehouses and to arrack tavern renters within the Northern Province.

(ix.) The contractor shall supply country spirits of two kinds, to wit: (a) Spirits manufactured from coconut toddy; (b) spirits manufactured from molasses, both to be of good quality to the satisfaction of the Excise Commissioner.

(x.) Such minimum stock of each kind of spirit as may be fixed from time to time by the Government Agent shall be maintained at the bonded and duty-paid warehouses opened by the contractor, except towards the end of the lease when special orders shall be issued by the Government Agent in case the exclusive privilege for the next period has not been granted to the contractor.

Whenever the stock falls short of the minimum so fixed, the Government Agent may purchase the amount of spirits necessary to make up the deficiency from any other person, and the cost of any spirits so purchased shall be recoverable from the contractor in the manner provided in condition (xiv.) *infra*.

A minimum stock of each kind of spirit will also be prescribed in respect of all arrack taverns in the Northern Province.

(xi.) The price at which the contractor shall supply country spirits during the term of this contract shall be the rate per gallon specified by him in his tender.

The still-head duty now sanctioned for the Northern Province is Rs. 4.50 per gallon for arrack, whether manufactured from toddy or from molasses, but Government reserves the power of altering the rate of still-head duty during the currency of the contract.

(xii.) No flavouring matter shall be added to any spirits without the special permission of the Excise Commissioner. Colouring matter may be added to spirits at issuable strength, i.e., 27 degrees under-proof, and only at the Government Distillery, Kalutara, or at the bonded warehouse at Jaffna. For the purpose of calculating the duty payable on such coloured spirit at time of issue the strength of such spirit before the colouring matter was added shall alone be taken into consideration.

The Excise Commissioner shall have the power to take free of cost samples of any colouring or other matter for purposes of examination, and to prohibit the use of any matter which he may think unsuitable.

(xiii.) Any licensed arrack tavern-keeper in the Northern Province shall be entitled to buy either or both kinds of spirits at a strength of 27 degrees under-proof, and the same shall be issued to him by the contractor with all reasonable expedition in such quantities (not being less than 10 gallons at a time if bought at the bonded warehouse, or 5 gallons at a time if bought at any duty-paid warehouse) as may be required; provided that (a) in case he desires to purchase from the bonded warehouse he shall first pay the still-head duty in respect of the quantity he desires to purchase into a Government treasury, unless the contractor has an advance account at the Kachcheri, in which case the duty in respect of the quantity purchased may be paid by the tavern-keeper to the contractor, whose advance account will be debited with that duty at the time the spirit is issued from the bonded warehouse; (b) in case he desires to purchase from a duty-paid warehouse he shall pay the duty due in respect of the quantity so purchased to the contractor; provided further that in either case he shall pay to the contractor the contract price of all arrack so purchased by him.

In the case of issues from the Government Distillery at Kalutara or from the bonded warehouse at Jaffna to the duty-paid warehouses still-head duty must be paid by the contractor into a Government treasury or debited to his advance account, if any.

(xiv.) Failure to supply spirits, as specified in condition (xiii.) *supra*, within what the Government Agent considers a reasonable time will entail a penalty at the discretion of the Government Agent not exceeding Rs. 100; in such cases the spirit may be purchased elsewhere by the Government Agent at his discretion at the contractor's risk. The penalty, the costs of spirits so purchased, and any loss to Government that may result may be recovered from the contractor's deposit or otherwise.

(xv.) All spirit shall (a) in the case of the Government Distillery at Kalutara be stored in vats provided in the distillery; and (b) in the case of the bonded warehouse at Jaffna be stored in vats of the description referred to in paragraph 7 of the notice calling for tenders.

In the duty-paid warehouses spirit may be stored in sound casks.

(xvi.) In the event of the contract not being renewed or on the earlier termination of the contract, the contractor shall be bound to hand over at the close of the contract or at such earlier termination, at the contract rate, such

quantity of spirit which may be left in the distillery and in the bonded and duty-paid warehouses as the Excise Commissioner may direct, provided that the Excise Commissioner shall give one month's notice of his requirements under this condition.

(xvii.) The contractor shall have no claim to compensation from Government on account of the stock of any liquor that may be left in the distillery or warehouses on termination of the contract.

(xviii.) An account will be taken of the contractor's stock of spirit at the Government Distillery at Kalutara, and at the bonded warehouse in Jaffna at such intervals, not being greater than three months, as the Excise Commissioner may direct; and the contractor shall pay to Government duty at tariff rate on all spirit which may not be forthcoming and for which he shall be unable to account to the satisfaction of the Excise Commissioner, in excess of an allowance of 1½ per cent. which will be made to him for wastage, and which will be calculated and ascertained at the end of each year. The allowance for wastages in transit will be in accordance with rule 42 of Distillery Rules (Excise Notification No. 53).

An allowance of 3 per cent. will be allowed in the case of spirit stored in the duty-paid warehouses. Such wastage will be calculated on the quantity of spirit contained in each cask or vessel. Duty at tariff rate will be recovered on any wastage in excess of this allowance if not satisfactorily explained.

(xix.) The contractor shall observe and keep the rules applicable to distilleries as published in Excise Notification No. 53 in so far as they may concern him, and the aforesaid distillery rules shall, unless there be something inconsistent or incompatible in the context thereof, be deemed to apply to the bonded warehouse at Jaffna.

(xx.) The contractor shall be bound by such orders as have been or may be made and by such rules as have been or may be prescribed from time to time under the provisions of the Excise Ordinance in regard to the manufacture, storage, transport, and issues of spirits.

(xxi.) The contractor is prohibited from holding within the Northern Province any interest in the retail vend of arrack or other intoxicating liquor and from employing any person who has such interest.

(xxii.) When the period of the license expires, and the conditions of the license have been fulfilled, the contractor shall surrender his license, and the Government Agent shall return the deposit made by the contractor for the due performance of the contract, or so much thereof as shall remain after such deductions as are herein provided for have been made.

(xxiii.) If on the expiry, cancellation, or forfeiture of the license the contractor should be indebted to Government in any sum the balance of liquor in hand in the distillery and warehouses shall be forthwith surrendered to the Government Agent. It will thereupon become the property of Government and may be disposed of by the Government Agent, provided that the whole of the said nett price or so much thereof as shall be equal to the sum in which the said contractor shall be so indebted may be retained by the Government Agent, and the remaining sale proceeds of liquor (after deducting necessary costs) be paid to him, the said contractor, within a period of two months.

(xxiv.) In all matters not expressly provided for herein the contractor shall accept the ruling of the Excise Commissioner subject to appeal to Government.

(xxv.) Infraction of any of the conditions of the license or contract either by the contractor or by any person in his employment will entail on the contractor at the discretion of the Excise Commissioner—

- (a) Fine up to Rs. 200; or
- (b) Forfeiture of deposits and cancellation of agreement and disposal of the privilege at his risk;
- (c) Cancellation of the distillery license referred to in condition (iii.) above.

(xxvi.) The contractor shall be bound to inform the Excise Commissioner before January 31, 1923, whether he desires or not to renew his contract. If he desires a renewal he must intimate by the above date the terms under which he is willing to do so.

BUSINESS.

2. The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted as soon as, in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The business of the Company shall be carried on by, or under the management or direction of, the Directors, and subject only to the control of General Meetings in accordance with these presents.

CAPITAL.

4. The nominal capital of the Company is Two hundred thousand Rupees (Rs. 200,000), divided into 20,000 shares of Ten Rupees (Rs. 10) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto, as such resolution shall direct; and they shall have power to add to such new shares such an amount of premium as may be considered expedient.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls, and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.

7. The Directors may in like manner, and with like sanction, reduce the capital or subdivide or consolidate the shares of the Company.

SHARES.

8. The Company may call up the balance capital whenever the Directors shall think fit, and may make arrangements on the issue of shares for difference between the holders of such shares in the amount of calls to be paid and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the holder of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares shall first be offered by the Directors to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, or as remuneration for work done for or services rendered to the Company, and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company shall direct; and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them; and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined; and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, and that without offering the shares so allotted to the Shareholders.

12. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company from time to time direct.

13. Shares may be registered in the name of a firm or partnership, and any partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies in respect of shares registered in the name of the firm.

14. Shares may be registered in the names of two or more persons jointly.

15. Any one of the joint-holders of a share other than a firm may give effectual receipts for any dividends payable in respect of such share; but only one of such joint-shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 36 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares held by him and the amount paid thereon.

20. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

21. The certificate of shares registered in the names of two or more persons not a firm shall be delivered to the person first named on the register.

CALLS.

22. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons, and at the time and place appointed by the Directors.

23. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

24. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing the call was passed.

25. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

26. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys due upon their respective shares beyond the sums actually called for; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance, and the Directors may agree upon not exceeding, however, six per centum per annum.

TRANSFER OF SHARES.

27. Subject to the restriction of these Articles any Shareholder may transfer all or any of his shares by instrument in writing.

28. No transfer of shares shall be made to an infant or person of unsound mind.

29. The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

30. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise; or in case of shares not fully paid up to any person not approved by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

31. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred, and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of one rupee and fifty cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 30, shall register the transferee as a Shareholder, and retain the instrument of transfer.

32. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

33. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they

abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

34. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

TRANSMISSION OF SHARES.

35. The executors, or administrators, or the heirs of a deceased Shareholder shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

36. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

37. If any person who shall become entitled to be registered in respect of any share under clause 36 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SURRENDER AND FORFEITURE OF SHARES.

38. The Directors may accept in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

39. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

41. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. A certificate in writing under the hands of one of the Directors and of the Secretary that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share, but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted or otherwise disposed of under Article 41 hereof shall be redeemable after sale or disposal.

45. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or in respect of any other debt, liability, or engagement whatsoever, and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. The nett proceeds of any such sale shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. A certificate in writing under the hands of one of the Directors and of the Secretary, that the power of sale given by clause 46 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

49. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued, or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued, or then about to be issued, or subject to any such conditions or provisions, and with any such right, or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

51. If at any time by the issue of preference shares or otherwise, the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which, but for this Article, the object of the resolutions could have been effected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no votes shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

BORROWING POWERS.

53. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees Fifty thousand (Rs. 50,000), but the Directors shall not have power to mortgage or hypothecate any of the property of the Company as security for the repayment of such sum or sums of money without the sanction of a General Meeting.

54. With the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

55. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may with the sanction of a General Meeting grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

56. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

57. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

58. The first General Meeting shall be held at such time, not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

59. Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed, then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

60. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

62. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

64. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

65. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner (if any) as may be prescribed by the Company in General Meeting.

66. Every Ordinary General Meeting shall be competent, without special notice having been given for the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in the place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

67. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

68. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

69. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

70. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

71. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

72. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

73. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

74. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some member present and entitled to vote, or in the case of a special resolution by three members present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution.

75. If at any meeting a poll be demanded by some Shareholder present at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

76. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

77. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

78. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him up to twenty shares and one vote for every further fifty shares.

79. The parent or guardian or curator of an infant Shareholder, the Committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

80. Votes may be given either personally or by proxy or by attorney.

81. 100. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. Until otherwise determined two Directors shall be a quorum.

114. A Director may at any time summon a meeting of Directors.

115. The Board may elect a Chairman of their meetings and determine the period for which he is to hold office, and all meetings of the Directors shall be presided over by the Chairman, if one has been elected and if present, but if there be a vacancy in the office of Chairman, or if at any meeting of Directors the Chairman be not present at the time appointed for holding the same, then and in that case the Directors present shall choose one of their number to be Chairman of such meeting.

All acts done by any such committee, in conformity with such regulations and in the fulfilment of the purposes of their appointment, but not otherwise, shall have the like force and effect as if done by the Board.

118. The meetings and proceedings of such committees shall be governed by the provisions herein contained for regulating the meetings and proceedings of Directors, so far as the same are applicable thereto, and are not superseded by the express terms of the appointment of such committee respectively, or any regulation imposed by the Board.

119. The acts of the Board and of any committees appointed by the Board shall, notwithstanding any vacancy in the Board or Committee, or defect in the appointment or qualification of any Director or of any member of the Committee, be as valid as if no such vacancy or defect had existed, and as if such person had been duly appointed or qualified, provided the same be done before the discovery of the vacancy or defect.

120. A resolution in writing signed by all the Directors shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and constituted.

122. All such minutes shall be signed by the person who shall have presided as Chairman at the General Meeting, the Board Meeting, or Committee Meeting at which the business minuted shall have been transacted, or by the person who shall preside as Chairman at the next ensuing General Meeting, or Board Meeting, or Committee Meeting, as the case may be; and all minutes purporting to have been signed by any Chairman of any General Meeting, Board Meeting, or Committee Meeting, respectively, shall, for all purposes whatsoever, be *prima facie* evidence of the actual and regular passing of the resolutions, and the actual and regular transaction or occurrence of the proceedings and other matters purporting to be so recorded, and of the regularity of the meeting at which the same shall appear to have taken place, and of the Chairmanship and signature of the person appearing to have signed as Chairman, and of the date on which such meeting was held.

ACCOUNTS.

123. The Agent or Secretary or the Agents or Secretaries for the time being, or if there be no Agent or Secretary or Agents or Secretaries, the Directors shall cause true accounts to be kept of the paid up capital for the time being of the Company, and of all sums of money received and expended by the Company, and of the matters in respect of which such sums were received and expended, and of the assets, credits, and liabilities of the Company, and generally of all its commercial, financial, and other affairs, transactions, and engagements, and of all other matters necessary for showing the true financial state and condition of the Company. The accounts shall be kept in such books and in such a manner at the registered office of the Company as the Directors think fit.

124. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions or regulations the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company, except as conferred by statute or authorized by the Directors, or by a resolution of the Company in General Meeting.

125. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income and expenditure of the Company for the previous financial year, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the same period.

126. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived, and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other heads of expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting, and in case where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such item shall be stated, with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

127. The balance sheet shall contain a summary of the property and liabilities of the Company arranged under the heads appearing in the form annexed to the table referred to in schedule C to "The Joint Stock Companies Ordinance, 1861," or as near thereto as circumstances admit.

128. Every such statement shall be accompanied by a report as to the state and condition of the Company, and as to the amount which the Directors recommend should be paid out of the profits by way of dividend or bonus to the Shareholders, and the statement, report, and balance sheet shall be signed by the Directors.

129. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at or posted to the registered address of every Shareholder.

130. The accounts of the Company shall from time to time be examined, and the correctness of the balance sheet ascertained by one or more Auditor or Auditors.

AUDIT.

131. No person shall be eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Shareholder of the Company, and no Director or officer of the Company shall, during his continuance in office, be eligible as an Auditor.

132. The Directors shall appoint the first Auditor or Auditors of the Company, and fix his or their remuneration. He or they shall hold office till the second General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the Auditor or Auditors appointed at such Meeting shall hold office only until the first Ordinary General Meeting after his or their appointment, or until otherwise ordered by a General Meeting.

133. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

134. Retiring Auditors shall be eligible for re-election.

135. If any vacancy that may occur in the office of Auditor is not supplied at the Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person or persons who shall hold office until the next Ordinary General Meeting after his or their appointment.

136. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto, and to report thereon to the meeting, generally or specially, as he may think fit.

137. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the daytime have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

DIVIDENDS, BONUS, AND RESERVE FUND.

138. The Directors may, with the sanction of the Company in General Meeting, from time to time declare a dividend to be paid, and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend shall be payable except out of nett profits.

139. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

140. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund, and may invest the same in such securities as they may select, or place the same in fixed deposit in any bank or banks, and may from time to time deal with and vary such investments and apply such reserve fund or such portion thereof as they think fit, to meet contingencies or for special dividends, or for equalizing dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient, without being bound to keep the same separate from the other assets.

141. Any General Meeting may direct payment of any dividend declared at such meeting, or of any interim dividends which may subsequently be declared by the Directors, wholly or in part by means of drafts or cheques on London, or by the distribution of specific assets, and in particular of paid up shares, debentures, or debenture stock of the Company or of any other company, or in any other form of specie, or in any one or more of such ways, and the Directors shall give effect to such direction; and when any difficulty arises in regard to the distribution, they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholders upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Directors.

142. No unpaid dividend or bonus shall ever bear interest against the Company.

143. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

144. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

145. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

146. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

147. Every dividend or bonus payable in respect of any share held by several persons jointly other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

NOTICES.

148. Notices from the Company may be authenticated by the signature (printed or written) of the Agent or Secretary, Agents or Secretaries, or persons appointed by the Board to authenticate the same.

149. Every Shareholder shall give an address in Ceylon, which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

150. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder, at his registered address or place of abode, and any notice so served shall be deemed to be well served, notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the Agent or Secretary, or Agents or Secretaries, of the Company, their own or some other address in Ceylon to which notices may be sent.

151. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

152. Any notice if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

153. Any Shareholder who fails to give and register an address in Ceylon as provided in Article 149 shall not be entitled to be given any notices.

All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

ARBITRATION.

154. Whenever any question or other matter whatsoever arises in dispute between the Company and any other company or person, the same may be referred by the Directors to arbitration.

EVIDENCE.

155. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

PROVISIONS RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

156. Any Shareholder, whether a Director or not, and whether alone or jointly with any other Shareholder or Director, and any person not a Shareholder, may become the purchaser of the property of the Company or any part thereof in the event of a winding up or a dissolution or at any other time when a sale of the Company's property or effects or any part thereof shall be made by the Directors under the powers hereby or under the Ordinance conferred upon them.

157. If the Company shall be wound up, whether voluntarily or otherwise, the liquidator or liquidators may, with the sanction of a special resolution of the Company, divide among the contributories in specie any part of the assets of the Company, and may, with the like sanction, vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator or liquidators, with the like sanction, shall think fit, and, if thought expedient, any such division may be otherwise than in accordance with the legal rights of the members of the Company, and in particular any class may be given preferential or special rights, or may be excluded altogether or in part, and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully paid, part paid, or preference in the purchasing company, but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on, or any sale made of, any or all of the assets of the Company in exchange for shares in the purchasing company, either ordinary, fully paid, or part paid, or preference, any contributory who would be prejudiced thereby shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England, but for the purposes of an arbitration, as in the sub-section (6) of the said section provided, the provisions of the Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance No. 2 of 1889 shall apply in place of the English and Scotch Acts referred to in the said sub-section (6) of section 192 of the aforewritten Companies (Consolidation) Act, and the said section 192, save as herein excepted, shall be deemed to be part and parcel of these present Articles.
