52. *Modification of rights and consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting such class of shares ;
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions consent thereto, on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

#### CALLS.

54. (a) *Directors may make calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times ; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

55. *Interest on unpaid calls.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

#### BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time, at their discretion, to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the

Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed one-fifth of the subscribed capital for the time being.

With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine.

The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights, or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures, or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of the money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

#### SHARES.

4. Without prejudice to any special rights previously conferred on the holders of existing shares in the Company, any share in the Company may be issued with or subject to such preferred, deferred, or other special rights, or such conditions or restrictions, whether in regard to dividend, voting, return of share capital, or otherwise, as the Company may from time to time determine in General Meeting.

5. If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of an extraordinary resolution passed at a separate General Meeting of the holders of the shares of the class. To every such separate General Meeting the provisions of these regulations relating to General Meetings shall *mutatis mutandis* apply, but so that the necessary quorum shall be two persons at least holding or representing by proxy one-third of the issued shares of the class.

6. Every person whose name is entered as a member in the register of members shall, without payment, be entitled to a certificate under the common seal of the Company, specifying the shares held by him and the amount paid up thereon, provided that in respect of shares held jointly by several persons the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint-holders shall be sufficient delivery to all.

7. If a share certificate is defaced, lost, or destroyed, it may be renewed on payment of such fee, if any, not exceeding fifty cents, and on such terms, if any, as to evidence and indemnity as the Directors think fit.

8. No part of the funds of the Company shall be employed in the purchase of, or in loans upon the security of, the Company's shares.

9. The Company may pay a commission to any person in consideration of his subscribing or agreeing to subscribe, whether absolutely or conditionally for any shares in the Company, or procuring or agreeing to procure subscriptions, whether absolute or conditional for any shares in the Company, provided that the commission does not exceed twenty per cent. on the nominal value of such shares or an amount equivalent thereto, and such commission may be paid in whole or in part, in cash or fully or partly paid shares of the Company as may be arranged. All statutory requirements in regard to the payment of any such commission shall be duly observed by the Directors.

#### LIEN.

10. The Company shall have a first and paramount lien on every share for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share, and the Company shall also have a lien on all shares standing registered in the name of a single person, for all moneys presently payable by him or his estate to the Company; but the Directors may at any time declare any share to be wholly or in part exempt from the provisions of this clause. The Company's lien, if any, on a share shall extend to all dividends payable thereon.

11. The Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, nor until the expiration of fourteen days after a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the person entitled, by reason of his death or bankruptcy, to the share. The proceeds of the sale shall be applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (unless the shares were also subject to a lien for sums not presently payable, in which case such residue shall be subject to a like lien for such sums as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the date of the sale. The purchaser shall be registered as the holder of the shares, and he shall not be bound to see to the application of the purchase-money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

#### CALLS ON SHARES.

12. The Directors may from time to time make calls upon the Members in respect of any moneys unpaid on their shares, provided that no call shall exceed one-fourth of the nominal amount of the share, or be payable at less than one month from the last call; and each Member shall (subject to receiving at least fourteen days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on his shares. A call may be made payable by instalments.

13. The joint-holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

14. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest upon the sum at the rate of ten per cent. per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of the interest wholly or in part.

15. The provisions of these regulations as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share or by way of premium, as if the same had become payable by virtue of a call duly made and notified.

16. The Directors may make arrangements on the issue of shares for a difference between the holders in the amount of calls to be paid and in the times of payment.

17. The Directors may, if they think fit, receive from any Member willing to advance the same, all or any part of the moneys uncalled and unpaid upon any shares held by him; and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding, without the sanction of the Company in General Meeting, seven per cent.) as may be agreed upon between the Member paying the sum in advance and the Directors.

#### TRANSFER AND TRANSMISSION OF SHARES.

18. The instrument of transfer of any share in the Company shall be executed both by the transferor and transferee, and the transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the Register of Members in respect thereof.

19. Shares in the Company shall be transferred in the following form, or in any usual or common form which the Directors shall approve:—

I, A.B., of \_\_\_\_\_ (in consideration of the sum of Rs. \_\_\_\_\_ paid to me by C.D., of \_\_\_\_\_ (hereinafter called "the said transferee") do hereby transfer to the said transferee the share (or shares) numbered \_\_\_\_\_ in the undertaking called Darley, Butler & Company, Limited, to hold unto the said transferee, his executors, administrators, and assigns, subject to the several conditions on which I held the same at the time of the execution thereof, and I, the said transferee, do hereby agree to take the said share (or shares) subject to the conditions aforesaid.

As witness our hands the \_\_\_\_\_ day of \_\_\_\_\_

Witness to the signature of, &c. \_\_\_\_\_

20. The Directors may without assigning any reason therefor decline to sanction or register any transfer of shares to a person who is not already a Member, and may also decline to register any transfer of shares on which the Company has a lien. The Directors may also suspend the registration of transfers during the fourteen days immediately preceding the Ordinary General Meeting in each year. The Directors may decline to recognize any instrument of transfer, unless (a) a fee not exceeding Rs. 2:50 is paid to the Company in respect thereof, and (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer.

21. The executors or administrators of a deceased sole holder of a share shall be the only persons recognized by the Company as having any title to the share. In the case of a share registered in the names of two or more holders, the survivors or survivor, or the executors or administrators of the deceased survivor, shall be the only persons recognized by the Company as having any title to the share.

22. Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall, upon such evidence being produced as may from time to time be required by the Directors, have the right, either (with the previous consent of the Directors, which they shall be at liberty to withhold without assigning any reason) to be registered as a Member in respect of the share, or (subject to the provisions and restrictions as to transfer hereinbefore contained), instead of being registered himself, to make such transfer of the share as the deceased or bankrupt person could have made, and the Directors shall in either case have the same right and duty to decline or suspend registration as they would have had in the case of a transfer of the share by the deceased or bankrupt person before the death or bankruptcy.

23. A person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.

#### FORFEITURE OF SHARES.

24. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.

25. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.

26. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect. The forfeiture of a share shall include all dividends declared in respect thereof, but not actually paid before the forfeiture.

27. A forfeited share may be sold, re-allotted, or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale, re-allotment, or disposition the forfeiture may be cancelled on such terms as the Directors think fit.

28. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares, but his liability shall cease if and when the Company receive payment in full of the nominal amount of the shares.

29. A declaration in writing that the declarant is a Director of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and that declaration, and the receipt of the Company for the consideration, if any, given for the share on the sale or disposition thereof, shall constitute a good title to the share, and the person to whom the share is sold or disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the purchase-money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, or disposal of the share.

30. The provisions of these regulations as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

#### CONVERSION OF SHARES INTO STOCK.

31. The Directors may, with the sanction of the Company previously given in General Meeting, convert any paid-up shares into stock, and may with the like sanction reconvert any stock into paid-up shares of any denomination.

32. The holders of stock may transfer the same, or any part thereof, in the same manner and subject to the same regulations and restrictions as and subject to which the shares from which the stock arose might previously to conversion have been transferred, or as near thereto as circumstances admit; but the Directors may from time to time fix the minimum amount of stock transferable and restrict or forbid the transfer of fractions of that minimum, but the minimum shall not exceed the nominal amount of the shares from which the stock arose.

33. The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges, and advantages as regards dividends, votings at Meetings of the Company, and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except participation in the dividends and profits of the Company) shall be conferred by any such aliquot part of stock as would not, if existing in shares, have conferred that privilege or advantage.

34. Such of the regulations of the Company as are applicable to paid-up shares shall apply to stock, and the words "share" and "Shareholder" therein shall include "stock" and "Stockholder."

#### ALTERATIONS OF CAPITAL.

35. The Company in General Meeting may increase the share capital by such sum, to be divided into shares of such amount, as the resolution shall prescribe.

36. Subject to any direction to the contrary that may be given by the Company in General Meeting, all new shares shall before issue be offered to such persons as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as nearly as the circumstances admit, to the amount of the existing shares to which they are entitled. The offer shall be made by notice specifying the number of shares offered and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of that time or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of the same in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares) cannot, in the opinion of the Directors, be conveniently offered under this Article.

37. The new shares shall be subject to the same provisions with reference to the payment of calls, lien, transfer, transmission, forfeiture, and otherwise as the shares in the original share capital.

38. The Company may by Special Resolution—

(a) Consolidate and divide its share capital into shares of larger amount than its existing shares.

(b) By subdivision of its existing shares, or any of them, divide the whole or any part of its share capital into shares of smaller amount than is fixed by the Memorandum of Association.

(c) Cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

(d) Reduce its share capital in any manner, and with and subject to any incident authorized and consent required by law.

## GENERAL MEETINGS.

39. The first General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

40. Subsequent General Meetings shall be held once in every year at such time (not being more than fifteen months after the holding of the last preceding General Meeting) and place as may be prescribed by the Company in General Meeting, or, in default, as the Directors shall appoint. In default of a General Meeting being so held a General Meeting may be convened by any two Members in the same manner as nearly as possible as that in which meetings are to be convened by the Directors.

41. The above-mentioned General Meetings shall be called Ordinary Meetings; all other General Meetings shall be called Extraordinary.

42. The Directors may, whenever they think fit, convene an Extraordinary General Meeting, and Extraordinary General Meetings shall also be convened on such requisition, or, in default, may be convened by such requisitionists. If at any time there are not within the Island of Ceylon sufficient Directors capable of acting to form a quorum; any Director or any two Members of the Company may convene an Extraordinary General Meeting in the same manner as nearly as possible as that in which meetings may be convened by the Directors.

## PROCEEDINGS AT GENERAL MEETINGS.

43. Seven days' notice at the last (exclusive of the day on which the notice is served or deemed to be served, but inclusive of the day for which notice is given), specifying the place, the day, and the hour of meeting, and, in case of special business, the general nature of such business shall be given in manner hereinafter mentioned, or in such other manner (if any) as may be prescribed by the Company in General Meeting, to such persons as are, under the regulations of the Company, entitled to receive such notices from the Company, but the accidental omission to give such notice to or the non-receipt of such notice by any Member shall not invalidate the proceedings at any General Meeting. A meeting may with the written consent of all the Members be convened by a shorter notice and in such manner as the Members think fit.

44. All business shall be deemed special that is transacted at the Extraordinary Meeting and all that is transacted at an Ordinary Meeting, with the exception of sanctioning a dividend, the consideration of the accounts, balance sheets, and the ordinary report of the Directors and Auditors, the election of Directors and other officers in the place of those retiring by rotation, and the fixing of the remuneration of the Auditors.

45. No business shall be transacted at any General Meeting unless a quorum of Members is present at the time when the meeting proceeds to business; save as herein otherwise provided, two Members personally present shall be a quorum.

46. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Members, shall be dissolved; in any other case it shall stand adjourned to the same day in the next week, at the same time and place, and, if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting, the members present shall be a quorum.

47. The Chairman, if any, of the Board of Directors shall preside as Chairman at every General Meeting of the Company.

48. If there is no such Chairman, or if at any meeting he is not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act as Chairman, the Members present shall choose some Director, or if no Director is present, or if all the Directors decline to take the chair, they shall choose some Member present to be Chairman of the meeting.

49. The Chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for ten days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

50. At any General Meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by at least two Members or by the holder or holders in person or by proxy of at least one-twentieth part of the issued share capital of the Company and, unless a poll is so demanded, a declaration by the Chairman that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book of the proceedings of the Company shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against, that resolution.

51. If a poll is duly demanded it shall be taken in such manner as the Chairman directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

52. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place, or at which the poll is demanded, shall be entitled to a second or casting vote.

53. A poll demanded on the election of a Chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the Chairman of the meeting directs.

## VOTES OF MEMBERS.

54. On a show of hands every Member present in person shall have one vote. On a poll every Member shall have one vote for each share of which he is the holder, but this provision shall be subject and without prejudice to any special rights or restrictions as to voting for the time being attached to any special class of shares.

55. In the case of joint-holders the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint-holders; and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members.

56. A Member of unsound mind, or in respect of whom an order has been made by any Court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his Committee, *curator bonis*, or other person in the nature of a Committee or *curator bonis* appointed by that Court, and such Committee, *curator bonis*, or other person may, on a poll, vote by proxy.

57. No Member shall be entitled to vote at any General Meeting unless all calls or other sums presently payable by him in respect of shares in the Company have been paid.

58. On a poll votes may be given either personally or by proxy or by attorney.

59. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorized in writing, or if the appointor is a corporation, either under the common seal or under the hand of an officer or attorney so authorized. No person shall act as a proxy unless either he is entitled on his own behalf to be present and vote at the meeting at which he acts as proxy, or he has been appointed to act at that meeting as proxy for a corporation.

60. The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed, or a notarially certified copy of that power or authority, shall be deposited at the registered office of the Company not less than twenty-four hours before the time for holding the meeting at which the person named in the instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid.

61. An instrument appointing a proxy may be in the following form, or in any other form which the Directors shall approve:—

*Darley, Butler & Company, Limited.*

DIRECTORS.

62. Unless and until otherwise determined by the Company in General Meeting, the number of the Directors shall not be less than two nor more than five.

63. The first Directors of the Company shall be William Edward Mitchell, Frank Smedley Mitchell, Ernest Reed Williams, Hugh Kenneth Armstrong, and Wilfred Arthur Cole.

64. The remuneration of the Directors shall from time to time be determined by the Company in General Meeting. Provided always that if any Director shall be called upon to perform any special or extra services, the Board may vote him such additional remuneration as in the circumstances of the case may appear to them to be just.

65. The qualification of a Director shall be shares in the Company to the nominal value of Rs. 500.

POWERS AND DUTIES OF DIRECTORS.

66. The business of the Company shall be managed by the Directors, who may pay all expenses incurred in getting up and registering the Company, and may exercise all such powers of the Company as are not by these Articles required to be exercised by the Company in General Meeting, subject, nevertheless, to any regulations of these Articles, and to such regulations being not inconsistent with the aforesaid regulations or provisions, as may be prescribed by the Company in General Meeting; but no regulation made by the Company in General Meeting shall invalidate any prior act of the Directors which would have been valid if that regulation had not been made.

67. The Directors may from time to time appoint one or more of their body to the office of Managing Director, for such term and at such remuneration (whether by way of salary or commission, or participation in profits, or partly in one way and partly in another) as they may think fit, and a Director so appointed shall not, while holding that office, be subject to retirement by rotation, or taken into account in determining the rotation of retirement of Directors; but (subject to any arrangement between a Managing Director and the Company) his appointment shall be subject to determination *ipso facto* if he ceases from any cause to be a Director, or if the Company in General Meeting resolve that his tenure of the office of Managing Director be determined.

68. The Directors shall duly comply with the provisions of the Joint Stock Companies Ordinance, No. 4 of 1861, or any statutory modification thereof for the time being in force, and in particular with the provisions in regard to the registration of the particulars of mortgages and charges affecting the property of the Company, or created by it, and to keeping a Register of the Directors, and to sending to the Registrar of Companies an annual list of Members, and a summary of particulars relating thereto, and notice of any consolidation or increase of share capital, or conversion of shares into stock, and copies of special resolutions, and a copy of the Register of Directors, and notifications of any changes therein.

69. The Directors shall cause minutes to be made in books provided for the purpose—

- (a) Of all appointments of officers made by the Directors;
- (b) Of the names of the Directors present at each meeting of the Directors, and of any Committee of the Directors;
- (c) Of all resolutions and proceedings at all meetings of the Company, and of the Directors, and of Committees of Directors.

THE SEAL.

70. The seal of the Company shall not be affixed to any instrument except in the presence of two or more of the Directors or of one Director and the Secretary or Secretaries who shall attest the sealing thereof; such attestation on the part of the Secretaries, in the event of a firm or registered company being the secretaries, being signified by a partner or duly authorized manager, secretary, attorney, or agent of the said firm or company signing for and on behalf of the said firm or company as such secretaries.

DISQUALIFICATION OF DIRECTORS.

71. Subject to the provisions of any agreement for the time being subsisting, the office of a Director shall be vacated, if the Director—

- (a) Becomes bankrupt; or
- (b) Is found lunatic or becomes of unsound mind; or
- (c) By notice in writing to the Company resigns his office.

72. No Director shall vacate his office by reason of his being a member or otherwise interested in any company which has entered into contracts with or done any work for the Company or by reason of his being in any way concerned or interested in any contract or arrangement with the Company or be liable to account for any profits made by him in connection with any such contract work or arrangement, provided that before the contract or arrangement is entered into or so soon thereafter as he becomes interested therein he shall disclose in writing to the Board his interest in the contract work or arrangement, but a Director shall not vote as a Director in respect of any such contract work or arrangement, and if he does so vote his vote shall not be counted. A Director shall not, however, be precluded from voting as a Director on any contract or arrangement for giving him security for moneys advanced or to be advanced by him to the Company, or for giving him security by way of indemnity for any guarantee or liability given or incurred, or to be given or incurred by him for the benefit of the Company, and the above prohibition as to voting may at any time be suspended or relaxed to any extent by the Company in General Meeting.

73. A Director may hold any other office or place of profit under the Company except that of Auditor.

ROTATION OF DIRECTORS.

74. At the Ordinary Meeting of the Company in the year 1921 and at the Ordinary Meeting in every subsequent year, one-third of the Directors for the time being, or if their number is not three or a multiple of three, then the number nearest to one-third shall retire from office. The Directors (if any) to retire in each year (if more than one) shall be those who have been longest in office since their last election, but as between persons who became Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

75. The Company at the General Meeting at which a Director retires in manner aforesaid may fill up the vacated office by electing a person thereto. A retiring Director shall be eligible for re-election.

76. If at any meeting at which an election of Directors ought to take place, the places of the vacating Directors are not filled up, the vacating Directors, or such of them as have not had their places filled up, shall be deemed to have been re-elected unless at such meeting it shall be determined to reduce the number of the Directors.

77. The Company may from time to time in General Meeting increase or reduce the number of Directors, and determine in what rotation the increased or reduced number is to go out of office, and any casual vacancy occurring in the Board of Directors may be filled up by the Directors, but a person chosen to fill a casual vacancy shall retire from office at the next following Ordinary General Meeting, when he shall be eligible for re-election.

78. The Directors shall have power at any time, and from time to time, to appoint a person as an additional Director, who shall retire from office at the next following Ordinary General Meeting, but shall be eligible for election by the Company at that meeting as an additional Director.

79. The Company may by extraordinary resolution remove any Director before the expiration of his period of office, and may by an ordinary resolution appoint another person in his stead; the person so appointed shall be subject to retirement at the same time as if he had become a Director on the day on which the Director in whose place he is appointed was last elected a Director.

#### PROCEEDINGS OF DIRECTORS.

80. The Directors may meet together for the despatch of business, adjourn, and otherwise regulate their meetings as they think fit. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes the Chairman shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors.

81. The quorum necessary for the transaction of the business of the Directors may be fixed by the Directors and unless so fixed shall be two.

82. The continuing Directors may act notwithstanding any vacancy in their body, but if and so long as their number is reduced below the number fixed by or pursuant to the regulations of the Company as the necessary quorum of Directors, the continuing Directors may act for the purpose of increasing the number of Directors to that number, or of summoning a General Meeting of the Company, but for no other purpose.

83. The Directors may elect a Chairman of their meetings and determine the period for which he is to hold office; but if no such Chairman is elected, or if at any meeting the Chairman is not present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be Chairman of the meeting.

84. The Directors may delegate any of their powers to committees consisting of such Member or Members of their body as they think fit; any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on them by the Directors.

85. A committee may elect a Chairman of their meetings, if no such Chairman is elected, or if at any meeting the Chairman is not present within five minutes after the time appointed for holding the same, the Members present may choose one of their number to be Chairman of the meeting.

86. A Committee may meet and adjourn as they think proper. Questions arising at any meeting shall be determined by a majority of votes of the Members present, and in case of an equality of votes the Chairman shall have a second or casting vote.

87. All acts done by any meeting of the Directors, or of a Committee of Directors, or by any person acting as a Director, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Directors or persons acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

88. A resolution in writing signed by all the Directors shall have the same effect and validity as a resolution of the Board duly passed at a meeting of the Board duly convened and constituted.

#### DIVIDENDS AND RESERVE.

89. The Company in General Meeting may declare dividends, but no dividend shall exceed the amount recommended by the Directors, or be paid otherwise than out of profits.

90. The Directors may from time to time pay to the Members such interim dividends as appear to the Directors to be justified by the profits of the Company according to the estimate formed by them thereof.

91. Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid on the shares. No amount paid on a share in advance of calls shall, while carrying interest, be treated for the purposes of this article as paid on the share.

92. The Directors may, before recommending any dividend, set aside out of the profits of the Company such sums as they think proper as a reserve or reserves, which shall, at the discretion of the Directors, be applicable for meeting contingencies, or for equalizing dividends, or for the payment of special dividends or bonuses, or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company) as the Directors may from time to time think fit.

93. Any General Meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company or of any other company, or in any one or more of such ways, and the Directors shall give effect to such direction; and when any difficulty arises in regard to the distribution, they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Directors. Where requisite a proper contract shall be filed and the Directors may appoint any person to sign such contract on behalf of the person entitled to the dividend, and such appointment shall be effective.

94. If several persons are registered as joint-holders of any share, any one of them may give effectual receipts for any dividend, bonus, or other moneys payable on the share.

95. Notice of any dividend that may have been declared shall be given in manner hereinafter mentioned to the persons entitled to share therein.

96. No dividend or interest shall bear interest against the Company.

#### CAPITALIZATION OF RESERVES.

97. The Company in General Meeting may at any time, and from time to time, pass a resolution that any sum or sums not required for the payment or provision of any fixed preferential dividend, and (a) forming part of the undivided profits standing to the credit of any reserve fund or reserve account of the Company, including premiums received on the issue of any shares, debentures, or debenture stock of the Company, or (b) being undivided nett profits in the hands of the Company be capitalized, and that any such sum or sums be set free for distribution and be appropriated as capital to and amongst

the ordinary Shareholders who would have been entitled thereto if the same had been distributed by way of dividend on the ordinary shares, and in the shares and proportions in which they would have been entitled, and in such manner as the resolution may direct, and such resolution shall be effective; and the Directors shall in accordance with such resolution apply such sum or sums in paying up in full any unissued shares in the capital of the Company on behalf of the ordinary Shareholders aforesaid, and appropriate such shares to and distribute the same, credited as fully paid up, amongst such Shareholders in the proportions aforesaid in satisfaction of their shares and interests in the said capitalized sum, or shall apply such sum or sums or any part thereof on behalf of the Shareholders aforesaid in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued ordinary shares held by such Shareholders, or otherwise deal with such sum or sums as directed by such resolution. Where any difficulty arises in respect of any such distribution, the Directors may settle the same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any fully paid up shares, make cash payments to any Shareholders on the footing of the value so fixed, in order to adjust rights, and vest any such shares in trustees upon such trusts for the persons entitled to share in the appropriation and distribution, as may seem just and expedient to the Directors.

#### ACCOUNTS.

98. The Directors shall cause true accounts to be kept—

Of the sums of money received and expended by the Company, and the matters in respect of which such receipt and expenditure takes place; and

Of the assets and liabilities of the Company.

99. The books of account shall be kept at the Registered Office of the Company, or at such other place or places as the Directors think fit, and shall always be open to the inspection of the Directors.

100. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of Members not being Directors, and no Member (not being a Director) shall have any right of inspecting any account or book or documents of the Company, except as conferred by statute or authorized by the Directors, or by the Company in General Meeting.

101. Once at least in every year the Directors shall lay before the Company in General Meeting a profit and loss account for the period since the preceding account, or (in the case of the first account) since the incorporation of the Company made up to a date not more than six months before such meeting.

102. A balance sheet shall be made out in every year and laid before the Company in General Meeting, made up to a date not more than six months before such meeting. The balance sheet shall be accompanied by a report of the Directors as to the state of the Company's affairs, and the amount which they recommended to be paid by way of dividend, and the amount, if any, which they propose to carry to a reserve fund.

103. A copy of the balance sheet and report shall, seven days previously to the meeting, be sent to the persons entitled to receive notices of General Meetings in the manner in which notices are to be given hereunder.

#### AUDIT.

104. The accounts of the Company shall from time to time be examined and the correctness of the balance sheet ascertained by one or more Auditor or Auditors.

105. No person shall be eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Shareholder of the Company, and no Director or Officer of the Company shall, during his continuance in office, be eligible as an Auditor.

106. The Directors shall appoint the first Auditor of the Company and fix his remuneration. He shall hold office till the second General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the first Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the Auditor or Auditors appointed at such meeting shall hold office only until the first Ordinary General Meeting after his or their appointment, or until otherwise ordered by a General Meeting.

107. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

108. Retiring Auditors shall be eligible for re-election.

109. If any vacancy that may occur in the office of Auditor is not supplied at the next Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person or persons who shall hold office until the next Ordinary General Meeting after his appointment.

110. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto and to report thereon to the meeting, generally or specially, as he may think fit.

111. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the daytime have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

#### NOTICES.

112. A notice may be given by the Company to any Member, either personally or by sending it by post to him to his registered address, or (if he has no registered address in the Island of Ceylon) to the address, if any, within the Island of Ceylon supplied by him to the Company for the giving of notices to him. Where a notice is sent by post, service of the notice shall be deemed to be effected by properly addressing, prepaying, and posting a letter containing the notice, and unless the contrary is proved to have been effected at the time at which the letter would be delivered in the ordinary course of post.

113. If a Member has no registered address in the Island of Ceylon, and has not supplied to the Company an address within the Island of Ceylon for the giving of notices to him, he shall not be entitled to receive any notices from the Company.

114. A notice may be given by the Company to the joint-holders of a share by giving the notice to the joint-holder named first in the register in respect of the share.

115. A notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a Member by sending it through the post in a prepaid letter addressed to them by name, or by the title of representatives of the deceased, or trustee of the bankrupt, or by any like description, at the address, if any, in the Island of Ceylon, supplied for the purpose by the persons claiming to be so entitled, or (until such an address has been so supplied) by giving the notice in any manner in which the same might have been given if the death or bankruptcy had not occurred.

116. Notice of every General Meeting shall be given in some manner hereinbefore authorized to (a) every Member of the Company, except those Members who (having no registered address within the Island of Ceylon) have not supplied to the Company an address within the Island of Ceylon for the giving of notices to them, and also (b) every person entitled to a share in consequence of the death or bankruptcy of a Member, who, but for his death or bankruptcy, would be entitled to receive notice of the Meeting. No other persons shall be entitled to receive notices of General Meetings.

**INDEMNITY.**

117. The Directors, Auditors, Secretary, and other officers for the time being of the Company, and any trustees for the time being acting in relation to any of the affairs of the Company, and their heirs, executors, and administrators, respectively, shall be indemnified out of the assets of the Company from and against all actions, proceedings, costs, charges, losses, damages, and expenses which they or any of them shall or may incur or sustain by reason of any act done or omitted in or about the execution of their duty in their respective offices or trusts, except such (if any) as they shall incur or sustain by or through their own wilful neglect or default respectively, and no such officer or trustee shall be answerable for the acts, receipts, neglects, or defaults of any other officer or trustee, or for joining in any receipt for the sake of conformity, or for the solvency or honesty of any bankers or other persons with whom any moneys or effects belonging to the Company may be lodged or deposited for safe custody, or for any insufficiency or deficiency of any security upon which any moneys of the Company shall be invested, or for any other loss or damage due to any such cause as aforesaid, or which may happen in or about the execution of his office or trust, unless the same shall happen through the wilful neglect or default of such officer or trustee.

**Sale of Ebony.**

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depot, Kew road, Slave Island, Colombo, on Saturday, August 28, 1920, at 10 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers at a rate per lot, and no advance of less than Re. 1 per lot will be accepted.

2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.

3. Payment of 25 per cent. of the successful bid to be made at time of sale if so required.

4. Depot weights must be accepted, but buyers can have the right of giving notice, before the expiration of the date of payment, of having the actual weight ascertained. Should the difference between the depot weight and the weight ascertained after re-weighing be more than 1½ per cent., the cost of re-weighing is to be borne by the Forest Department, and if within 1½ per cent. by the purchaser; any difference between the depot weight and the weight ascertained after re-weighing is to be paid or allowed for, as the case may be. Should two or more purchasers desire to re-weigh their timber on the same day, precedence will be given to the buyer whose notification of intention to re-weigh reaches the Assistant Conservator of Forests first.

5. No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depot within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchasers until removed.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the re-sale, while if an enhanced price is realized at such re-sale, he shall, however, have no claim to the profit which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid, such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.

1. The Minutes of the General Meeting of May 7, 1920, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.—Resolved that the Minutes of the General Meeting of May 7, 1920, be confirmed.

The Chairman stated that before proceeding further with the agenda, with the permission of the Council, he would like to refer to the distinction which had been conferred on the senior elected member of the Council and he thought he was voicing the opinion of the Council Members in saying that this distinction has given the greatest pleasure to his brother Councillors, and he was sure he could offer on behalf of the Members their heartiest congratulations to Mr. C. P. Dias.

The Members signified by acclamation their endorsement of the Chairman's remarks. Mr. C. P. Dias thanked the Chairman.

The Chairman pointed out to the Council that Mr. F. R. Senanayake (Member for Colpetty Ward) and Mr. M. Casim Ismail (Member for New Bazaar Ward) had been absent from three consecutive General Meetings, and unless restored to office by the Council under section 30 of Ordinance No. 6 of 1910, they would *ipso facto* cease to be Members. It was for the Council to decide whether they should be so restored to office or whether by-elections should be held for the short period remaining before the triennial elections.

Mr. C. P. Dias moved that Mr. F. R. Senanayake, who had ceased to be a Member in consequence of having failed to attend three consecutive General Meetings, be restored to office under the provisions of section 30 of Ordinance No. 6 of 1910. Mr. Arthur Alvis seconded.—Carried.

Mr. L. B. Fernando moved that Mr. M. Casim Ismail, who had ceased to be a Member in consequence of having failed to attend three consecutive General Meetings, be restored to office under the provisions of section 30 of Ordinance No. 6 of 1910. The Hon. Mr. N. H. M. Abdul Oader seconded.—Carried.

*Rat plague.*—Two further cases of rat plague have been recorded, making a total for this year up to date of 62 cases.

3. Pursuant to notice, Dr. W. P. Rodrigo asked the Chairman the following question :—How many prospective depôt-keepers have placed security in anticipation of getting employment ? What are their names and the dates on which security was deposited in each case ?

The Chairman replied as follows :—The following is a list of prospective depôt-keepers who have paid in their security with dates of such payments :—

(1) G. Simon Perera, care of G. M. Perera, Chatham street, May 21, 1920 ; (2) M. D. Emanuel Perera, No. 24, Green street, May 22, 1920 ; (3) D. Ponnambalam, No. 65, Sea street, June 8, 1920 ; (7) P. de Silva, " Trevine," Layard's road, June 8, 1920.

4. With the permission of Council Dr. E. V. Ratnam withdrew the question No. 1 and asked the Chairman question No. 2 standing against his name, viz. :—(2) If he has ascertained, since my motion on the subject, what steps the Government has taken to minimize the danger to pedestrians from accidents due to the reckless driving of motor vehicles on thoroughfares within the City.

The Chairman replied as follows :—Since the motion and discussion in Council, I have been in correspondence with Government officials, especially the Inspector-General of Police. The principal letters are tabled to-day for the information of Council. All dangerous junctions now have police on point duty. The Inspector-General of Police has undertaken to try to induce pedestrians to walk on the sides of the streets. He has suggested that the Council put up notices in streets and in trams warning pedestrians ; and the Works Engineer is devising a scheme accordingly. He has asked the Director of Education to issue fresh notices to school children regarding traffic dangers. He has agreed to improve the instructions issued to motor drivers with their licenses. He is keeping a watch on furious motor driving. In Colpetty a special watch is kept. Since the last discussion in Council 27 drivers have been prosecuted for bad driving. The Police are considering whether the speed limit in certain much frequented narrow streets should not be reduced to 10 miles an hour. As regards other details discussed in Council, the Works Engineer in the letter tabled sets out the difficulty of avoiding piling metal in streets without proper conveniences for rapid transport. The remedy, viz., the purchase of a fourth Leyland steam lorry for transport purposes has been sanctioned recently by Council. The chief cause of accidents, viz., narrow streets and dangerous corners will, I hope, be dealt with in town planning schemes.

5. Dr. W. P. Rodrigo had given notice of the following motion :—(1) For a return showing the personnel of the Rice Department from its establishment up to the present time, giving the names of all the officers, with their ages, date of appointment, designation, salary, allowances, date of confirmation of appointment by Council, date of discontinuance of service, cause of discontinuance, date of sanction by the Council of the discontinuance, in a form similar to the annexed :—

No. _____ Name : _____ Designation : _____ Age : _____ Date of Appointment : _____ Salary, Rs. _____ c. _____	Allowances : _____ Date of confirmation of appointment by Council : _____ Date of discontinuance of services : _____ Cause of discontinuance : _____ Date of sanction by the Council of discontinuance : _____ Remarks : _____
--	---

(2) That in the opinion of this Council the time is now appropriate for reverting to the boutique system of rice distribution in the City and with that end in view the Chairman do inquire from the Food Controller whether he has any serious objection to it and, if he has none, take immediate steps for the purpose.

Dr. W. P. Rodrigo stated that he had conferred with some of the elected Members of Council and they considered that in view of the probable prosecution of certain officers and as the matter is more or less *sub-judice*, the motion should be postponed for the next Meeting of the Council.

Dr. W. P. Rodrigo moved with the leave of the Council, that the two motions in his name be postponed for consideration at the next Meeting of Council. Mr. H. L. de Mel seconded.—Carried.

Mr. C. P. Dias moved that the Council do go into Committee to consider items Nos. 6 to 11 (inclusive). Mr. H. de Mel seconded.—Carried.
