2. All tenders should be in duplicate and sealed under one cover, and should be addressed to the Chairman of the Tender Board, Office of the Controller of Revenue, Colombo.

3. Tenders should either be deposited in the tender box in the Office of the Controller of Revenue, or be sent through the post.

4. Tenders should be marked "Tender for Sleeper and Scantling Supply, 1920-21, North-Central Division," in the left hand top corner of the envelope, and should reach the Office of the Controller of Revenue not later than midday on Tuesday, September 7, 1920.

5. The tenders are to be made upon forms which will be supplied upon application at the Forest Office, Anuradhapura. No tender will be considered unless it is on the recognized form. Alterations must be initialled, otherwise the tenders may be treated as informal and rejected.

6. A deposit of Rs. 20 will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline or fail to enter into the contract and bond after he has tendered, or to furnish approved security, within ten days of receiving notice in writing from the Head of the Department, or his duly authorized representative, that his tender has been accepted, such deposit will be forfeited to the Crown, and the defaulter will render himself liable to be included in the list of defaulting contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of a contract.

7. Each tender must be accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become security for the due fulfilment of the contract.

8. Sufficient sureties will be required to join in a bond for the due fulfilment of the contract. The amount of the bond, and all other necessary information, can be ascertained upon application at the office referred to in section 5. A further security in cash of 5 per cent. of the value of contract will be required of the contractor when entering into the bond.

9. Separate rates per sleeper, broad gauge and narrow gauge, and also rate per cubic foot of scantling, must be quoted written both in words and figures.

10. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

11. The Government reserves to itself the right, without question, of rejecting any or all tenders, and of accepting any portion of a tender.

12. Contract may not be assigned or sublet without the authority of the Tender Board previously obtained.

13. The contractor must not issue a power of attorney to a person whose name is on the defaulting contractors' list authorizing him to carry on the contract.

14. Further, the contractor shall not employ any person whose name is on the list of defaulting contractors, nor any person whom the Assistant Conservator, for reasons which appear to him sufficient, objects to after giving due notice in writing.

15. For any further information and for inspection of the draft contracts application should be made to the Assistant Conservator of Forests, North-Central Division, Anuradhapura.

GENERAL CONDITIONS.

(1) Trees are to be felled within 6-inches from the ground by saw or axe and saw combined.

(3) All suitable dead and hollow trees and branchwood within the forest such as are marked by the Forest Officer, though below 6 ft. in girth, should, in addition to all matured sound trees marked by him, be utilized for conversion into sleepers and scantlings or scantlings alone, as may be directed. Contractors should understand that only such portions of trees as cannot be converted into sleepers may be sawn into scantlings.

6	by 3	9	by 2½	11	by 2½
6	by 4	9	by 3	11	by 3

(6) Sleepers and scantlings should be rectangular in form, and sawn perfectly parallel, on all sides. On no account will squaring of logs, sleepers, or scantlings with an adze or axe be allowed.

(7) Sleepers and scantlings should be covered with saw-dust or immersed in water and be invariably placed under shade immediately they are sawn until they can be transported to delivery depôts, where they should be stacked and kept under shade in the manner to be pointed out by the Forest Ranger.

(8) Rejected sleepers or scantlings will not be paid for, and they will lapse to Government, as well as all refuse wood in the sleeper operations. The contractor shall have no claim in respect of any material sold as rejections.

(9) The contractor may be paid a proportionate rate for sleepers and scantlings sawn, but not removed to delivery depôts in cases when it shall be deemed expedient to do so by the Conservator of Forests, up to April 30, 1921.

No further shares shall be issued without the authority of the Company in General Meeting. Subject to any direction to the contrary which may be given by the meeting which authorizes the issue of further shares, the further shares to be issued shall be offered to the members in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the member is entitled, and limiting the time within which the offer if not accepted will be deemed to be declined, and after the expiration of such time or on the receipt of an intimation from the member to whom such notice is given that he declines to accept the shares offered, the Directors may allot or otherwise dispose of the same to such persons and upon such terms as they think fit.

The Directors may, from time to time, make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

23. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

24. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing the call was passed.

25. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

26. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys due upon their respective shares beyond the sums actually called for; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance, and the Directors may agree upon, not exceeding, however, six per centum per annum.

31. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred, and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of two rupees and fifty cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 30, shall register the transferee as a Shareholder, and retain the instrument of transfer.

32. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

33. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

34. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

37. If any person who shall become entitled to be registered in respect of any share under clause 36 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to alien on the shares so sold, shall be paid to the person entitled thereto.

SURRENDER AND FORFEITURE OF SHARES.

38. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

39. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such a notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

41. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the shares and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. A certificate in writing under the hands of one of the Directors and of the Secretary that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted or otherwise disposed of under Article 41 hereof shall be redeemable after sale or disposal.

45. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or in respect of any other debt, liability, or engagement whatsoever, and whether due from any such holder, individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him

or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. The nett proceeds of any such sale shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. A certificate in writing under the hands of one of the Directors and of the Secretary, that the power of sale given by clause 46 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

49. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or payment of capital, or both, or any such other special privilege or advantage over any shares previously issued, or then about to be issued (other than shares with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued, or then about to be issued, or subject to any such conditions or provisions, and with any such right, or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

51. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class to the issue or creation of any shares ranking equally therewith or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which, but for this Article, the object of the resolutions could have been affected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no votes shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any member personally present and entitled to vote at the meeting.

BORROWING POWERS.

53. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not exceed Rupees Fifty Thousand, and the Directors shall have power to mortgage or hypothecate any of the property of the Company as security for the repayment of such sum or sums of money.

54. With the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may with the sanction of a General Meeting grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

55. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

56. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

57. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the persons to whom the same may be issued.

GENERAL MEETINGS.

58. The first General Meeting shall be held at such time, not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

59. Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

60. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

62. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

64. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

65. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or by notice sent by post or otherwise served as hereinafter provided, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

66. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in the place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

67. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

68. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

69. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

70. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

71. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

72. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

73. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOIING AT MEETINGS.

74. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some members present and entitled to vote, or in the case of a special resolution by three members present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution.

75. If at any meeting a poll be demanded by some Shareholder present at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

76. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

77. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

78. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such Shareholder on a show of hands, in case of a poll every Shareholder shall have one vote for every share held by him.

79. The parent or guardian or curator of an infant Shareholder, the Committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person, shall have been registered as a Shareholder.

80. Votes may be given either personally or by proxy or by attorney.

81. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting unless all calls due from him on his shares have been paid, and no Shareholder other than the trustee or assignee of a bankrupt, or representative of a deceased Shareholder, shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company, in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote, at least three months previous to the time of holding the meeting at which he proposes to vote.

82. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

83. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney), or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

84. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than twenty-four hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in following form:—

The Farnham Estate Company, Limited.

I, _____, of _____, appoint _____, of _____, as my proxy to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, *as the case may be*) General Meeting of the Company to be held on the _____ day of _____, One thousand Nine hundred and _____, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this _____, day of _____, One thousand Nine hundred and _____.

85. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney), except at the meeting or poll at which such vote shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

86. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

DIRECTORS.

87. The number of Directors shall never be less than two nor more than five, exclusive of any Director nominated under clause 90 hereof, but this clause shall be construed as being directory only, and the continuing Directors may act notwithstanding any number of vacancies.

The qualification of a Director other than one nominated under clause 90 hereof shall be his holding in his own right at least ten fully or partly paid shares in the Company upon which all calls for the time being have been paid, and the qualification shall apply as well to the first Directors as to all future Directors.

88. As a remuneration for their services, the Directors shall be entitled to appropriate a sum not exceeding One Thousand Rupees (Rs. 1,000) each annually, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration granted for special extra services hereinafter referred to, nor any extra remuneration to the Managing Directors of the Company.

89. The first Directors shall be Thomas Staines Clark, Edwyn Stanhope Clark, and Walter Edward Keell, who shall hold office till the first Ordinary General Meeting of the Company, when they shall all retire, but shall be eligible for re-election.

90. The mortgagees for the time being under bonds bearing Nos. 9,444 and 9,445, dated 29th November, 1907, attested by Frederick John de Saram of Colombo, Notary Public, and under bond No. 2,010, dated the seventh day of July, 1920, attested by L. W. F. de Saram of Colombo, Notary Public, or any Assignment or Assignments thereof shall, so long as any money remains payable to them in terms of the said mortgage bonds, have the right at any time of nominating a Director, such nomination to be by writing sent under registered cover addressed to the Company at its registered office in Colombo and such nomination to be effective immediately upon receipt in Colombo by the Company at its registered office of the said notice. It shall not be necessary for any Director nominated as aforesaid to acquire the qualification of a Director provided for in article 87 hereof, nor shall the provisions of Articles 91, 92, 93, 96, 97, and 103 (a), (d), and (e) apply in the case of any Director nominated as aforesaid. Provided always that if the mortgagees for the time being under the said mortgage bonds bearing Nos. 9,444, 9,445, and 2,010 and any assignment or assignments thereof are unable to agree as to who shall be nominated as a Director in exercise of the right aforesaid then the mortgagees under whichever of the said three mortgage bonds shall be in force and shall bear prior date or any assignment of such prior dated mortgage bond shall have the right of nominating a Director in manner aforesaid. Any Director nominated in manner aforesaid shall hold office until his nomination shall be revoked. Such revocation being exercisable by the parties at the time entitled to nominate a Director in manner aforesaid and to be by writing sent in the same manner as is hereinbefore provided with regard to the nomination of a Director.

90. (a) One (or more) of the Directors may be appointed by the Directors to act as Secretary, Managing Director, and (or) Visiting Agent of the Company, or Superintendent of any of the estates, for such time and on such terms as the Directors may determine or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Secretary, Managing Director, and (or) Visiting Agent, or Superintendent.

The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Director for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money, as they shall think fit.

ROTATION OF DIRECTORS.

91. At the First Ordinary General Meeting of the Company all the Directors shall retire from office, and at the First Ordinary General Meeting in every subsequent year one of the Directors for the time being shall retire from office as provided in clause 92.

92. The Director to retire from office at the second, third, fourth, and fifth Ordinary General Meeting shall, unless the Directors otherwise arrange among themselves, be determined by ballot; in every subsequent year the Directors to retire shall be those who have been longest in office.

93. In case any question shall arise as to which of the Directors who have been the same time in office shall retire, the same shall be decided by the Directors by ballot.

94. Retiring Directors shall be eligible for re-election.

95. The Ordinary General Meeting at which Directors retire or ought to retire by rotation shall appoint successors to them, and in default thereof, such successors may be appointed at a subsequent Ordinary General Meeting.

96. Any casual vacancy occurring in the number of Directors or provisional Directors arising from death, resignation, or otherwise, may be filled up by the Directors; but any person appointed to fill such vacancy shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

97. A General Meeting may from time to time increase or reduce the number of Directors, and may also determine in what rotation such increased or reduced number is to go out of office.

98. If at any meeting at which an election of a Director ought to take place the place of a retiring Director is not filled up, the retiring Director may continue in office until the first Ordinary General Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

99. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

100. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The Director so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

101. Every Director or officer of the Company, and his heirs, executors, and administrators shall be indemnified by the Company from all losses and expenses incurred by him in or about the discharge of his duties, except such as happen from his respective wilful acts or defaults; and no Director or officer shall, nor shall the heirs, executors, or administrators of any Director or officer, be liable for the acts or defaults of any other Director or officer, or for any loss or expense happening to the Company by the insufficiency or deficiency of title to any property acquired for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortious act of any person with whom

any moneys, securities, or effects shall be deposited, or for any other loss, damage, or misfortune whatsoever which shall happen in the execution of the duties of his office or in relation thereto, unless the same happen through his own wilful act or default.

102. No contribution shall be required from any present or past Director or Manager exceeding the amount, if any, unpaid on the shares in respect of which he is liable as a present or past Shareholder.

DISQUALIFICATION OF DIRECTORS.

103. The office of a Director shall be vacated—

- (a) If he accepts or holds any office or place of profit other than Managing Director, Visiting Agent, Superintendent, or Secretary under the Company.
- (b) If he becomes bankrupt or insolvent; or suspends payment, or files a petition for the liquidation of his affairs, or compounds with his creditors.
- (c) If by reason of mental or bodily infirmity he becomes incapable of acting.
- (d) If he ceases to hold the required number of shares to qualify him for the office.
- (e) If he is concerned or participates in the profits of any contract with, or work done for, the Company.

Provided that no Director shall vacate his office by reason of his being a member of any corporation, company, or firm which has entered into any contract with, or done any work for, the Company of which he is a Director, or by his being Agent, or Secretary, or Solicitor, or by his being a member of a firm who are Agents, or Secretaries, or Solicitors of the Company; nevertheless, he shall not vote in respect of any contract work or business in which he may be personally interested.

POWERS OF DIRECTORS.

104. The Directors shall have power to carry into effect the said agreement and to acquire the lease of Farnham estate aforesaid.

105. The business of the Company shall be managed by the Directors either by themselves or through a Managing Director, or with the assistance of an Agent or Agents and Secretary or Secretaries of the Company to be appointed by the Directors, for such a period and on such terms as they shall determine, and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and the registration of the Company, and in and about the valuation, purchase, lease, or acquisition of the said estates and lands, and the opening, clearing, planting, and cultivation thereof, and otherwise in or about the working and business of the Company.

106. The Directors shall have power to make such rules or regulations for the management of the business and property of the Company as they may from time to time think proper, and shall carry on the business of the Company in such manner as they may think most expedient; and, in addition to the powers and authorities by any Ordinance or by these presents expressly conferred on them, they may exercise all such powers, give all such consents, make all such arrangements, appoint all such agents, managers, secretaries, treasurers, accountants, and other officers, superintendents, Assistants, clerks, artisans, labourers, and other servants for such period or periods, and with such remuneration, and at such salaries, and upon such terms and conditions as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, treasurers, accountants, officers, clerks, or servants of the Company for such reasons as they may think proper and advisable, and without assigning any cause for so doing.

107. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting, and shall generally do all such acts and things as are or shall be by any Ordinance and by these presents directed and authorized to be exercised, given, made, or done by the Company, and are not by any Ordinance or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of any such Ordinance and of these presents and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting; but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulations had not been made.

The generality of the powers conferred by any clause in these presents on the Directors shall not be taken to be limited by any clause conferring any special or expressed power.

108. The Directors shall have power to appoint a proctor or proctors, solicitor or solicitors, attorney or attorneys, to assist in carrying on or protecting the business of the Company on such terms as they may consider proper, and from time to time to revoke such appointment.

109. The Directors shall have power to open from time to time on behalf of the Company any account or accounts with such bank or banks as they may select or appoint, and also by such signatures as they may appoint to draw, accept, make, endorse, sign, and execute cheques, bills of exchange, and promissory notes, bills of lading, receipts, contracts, and agreements, bonds, mortgages, proxies to any proctor or proctors, and other documents on behalf of and to further the interests of the Company.

110. The seal of the Company shall not be affixed to any instrument except in the presence of two or more of the Directors, or of one Director and the Secretary or Secretaries, who shall attest the sealing thereof; such attestation on the part of the Secretaries, in the event of a firm or registered company being the Secretaries, being signified by a partner or duly authorized Manager, Secretary, Attorney, or Agent of the said firm or Company signing for and on behalf of the said firm or Company as such Secretaries.

111. It shall be lawful for the Directors, if authorized so to do by a special resolution of the Shareholders of the Company in General Meeting, to arrange terms for the amalgamation of the Company with any other company or companies, or individual or individuals, or for the sale or disposal of the business, estates, and effects of the Company, or any part or parts, share or shares, thereof, respectively, to any company or companies or person or persons, upon such terms and in such manner as the Directors shall think fit, and the Directors shall have power to do all such things as may be necessary for carrying such amalgamation, sale, or other disposition into effect so far as a resolution or special resolution of the Company is not by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

112. In furtherance and not in limitation of, and without prejudice to, the general powers conferred or implied in the last preceding clause, and of the other powers conferred by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say):—

- (a) To institute, conduct, defend, compromise, settle, or abandon any action, suit, prosecution, or other legal proceedings on behalf of the Company, and also to compound and allow time for payment or satisfaction of any debts due to or from the Company, and any claims or demands made by or against the Company.
- (b) To refer any claims or demands by or against the Company to arbitration, and observe and perform or enforce the award.
- (c) To make and give receipts, releases, and other discharges for money payable to the Company, and for claims and demands by the Company.

- (d) To act on behalf of the Company in all matters relating to bankrupts and insolvents, with power to accept the office of trustee, assignee, liquidator, or any similar office.
- (e) To invest any of the moneys of the Company, which the Directors may consider not to be immediately required for the purposes thereof, upon such securities and in such manner as they may think fit, and so that they shall not be restricted to such securities as are permissible to trustees without special powers, and from time to time to vary or release such investments.
- (f) To delegate to any one or more of the Directors of the Company for the time being, or any other person or Company for the time being, residing or carrying on business in Ceylon or elsewhere, all or any of the powers or functions given to or exercisable by the Directors; and to confer such powers for such time and to be exercised for such objects and purposes, and upon such terms and conditions and with such restrictions as the Directors may think expedient, and to confer such powers either collaterally with, or to the exclusion of, and in substitution for, all or any of the powers of the Directors in that behalf, and from time to time to revoke, withdraw, alter, or vary all or any of such powers.
