DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance further to amend "The Local Boards Ordinance, 1898."

Preamble.

WHEREAS it is expedient further to amend "The Local Boards Ordinance, 1898": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Local Boards (Amendment) Ordinance, No. of 1921."

Amendment of section 56 of the principal Ordinance.

2 For paragraphs (7) and (8) of section 56 of the principal Ordinance the following paragraphs shall be substituted:

(7) The regulation, supervision, inspection, and control of trades deemed to be offensive or dangerous by the Board;

(8) The seizure, forfeiture, removal, and destruction of unwholesome articles of food or drink, and the prevention of the sale or exposure for sale thereof;

By His Excellency's command,

Colonial Secretary's Office,
Colombo, January 27, 1921.

GRAEME THOMSON,
Colonial Secretary.

Statement of Objects and Reasons.

THE powers of Local Boards to deal with dangerous or offensive trades have proved insufficient; and it is proposed by the Bill to repeal paragraphs (7) and (8) of Ordinance No. 13 of 1898 and to substitute for them paragraphs 10 (k) and (g) of section 168 of "The Local Government Ordinance, No. 11 of 1918." This will give Local Boards wider powers over the definition of dangerous and offensive trade, and extend their power to deal with unwholesome articles of food or drink.

Attorney-General.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

**An Ordinance to facilitate the Enforcement in the Colony
of Maintenance Orders made in England and
Ireland and *vice versa*.**

Preamble.

WHEREAS it is expedient to facilitate the enforcement in the Colony of maintenance orders made in England and Ireland and *vice versa*: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title and commencement.

1 This Ordinance may be cited as "The Maintenance Orders (Facilities for Enforcement) Ordinance, No. of 1921," and shall come into operation on a day to be fixed by the Governor in Executive Council, by Proclamation published in the "Government Gazette."

Interpretation.

2 For the purposes of this Ordinance, the expression "maintenance order" means an order other than an order of affiliation for the periodical payment of sums of money towards the maintenance of the wife or other dependants of the person against whom the order is made, and the expression "dependants" means such persons as that person is, according to the law in force in England, Ireland, or Ceylon, as the case may be, liable to maintain; the expression "certified copy" in relation to an order of a court means a copy of the order certified by the proper officer of the court to be a true copy.

Enforcement in the Colony of maintenance orders made in England or Ireland.

3 Where a maintenance order has, whether before or after the passing of this Ordinance, been made against any person by any court in England or Ireland, and a certified copy of the order has been transmitted to the Governor by the Secretary of State, the Governor shall send a copy of the order to the prescribed officer of a Police Court in the Colony for registration; and on receipt thereof the order shall be registered in the prescribed manner, and shall, from the date of such registration, be of the same force and effect, and, subject to the provisions of this Ordinance, all proceedings may be taken on such order as if it had been an order originally obtained in the court in which it is so registered, and that court shall have power to enforce the order accordingly.

Transmission of maintenance orders made in the Colony.

4 Where a Police Court in the Colony has, whether before or after the commencement of this Ordinance, made a maintenance order against any person, and it is proved to that court that the person against whom the order was made is resident in England or Ireland, the court shall send to the Governor for transmission to the Secretary of State a certified copy of the order.

Power to make provisional orders of maintenance against persons resident in England or Ireland.

5 (1) Where an application is made to a Police Court in the Colony for a maintenance order against any person, and it is proved that that person is resident in England or Ireland, the court may, in the absence of that person, if after hearing the evidence it is satisfied of the justice of the application, make any such order as it might have made if a summons had been duly served on that person and he had failed to appear at the hearing, but in such case the order shall be provisional only, and shall have no effect unless and until confirmed by a competent court in England or Ireland.

(2) The evidence of any witness who is examined on any such application shall be put into writing, and such deposition shall be read over to and signed by him.

(3) Where such an order is made, the court shall send to the Governor, for transmission to the Secretary of State, the depositions so taken and a certified copy of the order, together with a statement of the grounds on which the making of the order might have been opposed if the person against whom the order is made had been duly served with a summons and had appeared at the hearing, and such information as the court possesses for facilitating the identification of that person, and ascertaining his whereabouts.

(4) Where any such provisional order has come before a court in England or Ireland for confirmation, and the order has by that court been remitted to the Police Court in the Colony which made the order for the purpose of taking further evidence, that court shall, after giving the prescribed notice, proceed to take the evidence in like manner and subject to the like conditions as the evidence in support of the original application. If upon the hearing of such evidence it appears to such Police Court that the order ought not to have been made, the court may rescind the order, but in any other case the depositions shall be sent to the Governor and dealt with in like manner as the original depositions.

(5) The confirmation of an order made under this section shall not affect any power of a Police Court to vary or rescind that order. Provided that on the making of a varying or rescinding order the court shall send a certified copy thereof to the Governor, for transmission to the Secretary of State, and that in the case of an order varying the original order, the order shall not have any effect unless and until confirmed in like manner as the original order.

(6) The applicant shall have the same right of appeal, if any, against a refusal to make a provisional order as he would have had against a refusal to make the order had a summons been duly served on the person against whom the order is sought to be made.

Power of Police Court to confirm maintenance order made in England or Ireland.

6 (1) Where a maintenance order has been made by a court in England or Ireland, and the order is provisional only, and has no effect unless and until confirmed by a Police Court in the Colony, and a certified copy of the order, together with the depositions of witnesses and a statement of the grounds on which the order might have been opposed has been transmitted to the Governor, and it appears to the Governor that the person against whom the order was made is resident in the Colony, the Governor may send the said documents to the prescribed officer of a Police Court, with a requisition that a summons be issued calling upon the person to show cause why that order should not be confirmed, and upon receipt of such documents and requisition the court shall issue such a summons and cause it to be served upon such person.

(2) At the hearing it shall be open to the person on whom the summons was served to raise any defence which he might have raised in the original proceedings had he been a party thereto, but no other defence, and the certificate from the court which made the provisional order stating the grounds on which the making of the order might have been opposed if the person against whom the order was made had been a party to the proceedings shall be conclusive evidence that those grounds are grounds on which objection may be taken.

(3) If at the hearing the person served with the summons does not appear or, on appearing, fails to satisfy the court that the order ought not to be confirmed, the court may confirm the order either without modification or with such modifications as to the court after hearing the evidence may seem just.

(4) If the person against whom the summons was issued appears at the hearing and satisfies the court that for the purpose of any defence it is necessary to remit the case to the court which made the provisional order for the taking of any further evidence, the court may so remit the case and adjourn the proceedings for the purpose.

(5) Where a provisional order has been confirmed under this section, it may be varied or rescinded in like manner as if it had originally been made by the confirming court, and where on an application for rescission or variation the court is satisfied that it is necessary to remit the case to the court which made the order for the purpose of taking any further evidence, the court may so remit the case and adjourn the proceedings for the purpose.

(6) Where an order has been so confirmed, the person bound thereby shall have the same right of appeal, if any, against the confirmation of the order as he would have had against the making of the order had the order been an order made by the court confirming the order.

Power of Governor in Executive Council to make regulations for facilitating communications between courts.

7 The Governor may make regulations as to the manner in which a case can be remitted by a court authorized to confirm a provisional order to the court which made the provisional order, and generally for facilitating communications between such courts.

Mode of enforcing orders.

8 (1) A court in the Colony in which an order has been registered under this Ordinance, or by which an order has been confirmed under this Ordinance, and the officers of such court, shall take all such steps for enforcing the order as may be prescribed.

(2) Every such order shall be enforceable as if it were an order made by such court under section 9 of "The Maintenance Ordinance, 1889."

(3) A warrant of distress or commitment issued by the court for the purpose of enforcing any order so registered or confirmed may be executed in any part of the Colony in the same manner as if the warrant had been originally issued by a Police Court having jurisdiction in the place where the warrant is executed.

Criminal Procedure Code to apply to proceedings under this Ordinance.

9 "The Criminal Procedure Code, 1898," shall apply to proceedings before a Police Court under this Ordinance as it applies to proceedings under "The Maintenance Ordinance, 1889."

Proof of documents signed by officers of court.

10 Any document purporting to be signed by an officer of a court of summary jurisdiction in England or Ireland shall, until the contrary is proved, be deemed to have been so signed without proof of the signature or judicial or official character of the person appearing to have signed it, and the officer of a court by whom a document is signed shall, until the contrary is proved, be deemed to have been the proper officer of the court to sign the document.

Depositions to be evidence.

11 Depositions taken in a court in England or Ireland may be received in evidence in proceedings before Police Courts under this Ordinance.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, January 15, 1921.

GRAEME THOMSON,
Colonial Secretary.

Statement of Objects and Reasons.

By the Maintenance Orders (Facilities for Enforcement) Act, 1920, which originated from a resolution passed by the Imperial Conference in 1911, facilities are provided for the enforcement in England and Ireland of maintenance orders made in the overseas dominions of the Crown.

But by section 12 of the Act these facilities only become operative in England and Ireland if and when similar facilities are provided in a Colony. When that has been done, the Act becomes operative in that particular Colony.

The object of this Bill is to place the Colony in a position to take advantage of those facilities.
