PROCLAMATION BY THE GOVERNOR.

IN the Name of His Majesty GEORGE THE FIFTH, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith.

SCHEDULE.

By-law referred to.

CHAPTER II.

26. When the Council is about to appoint to an office, the salary of which exceeds Rs. 1,200 a year, the Committee making the preliminary selection shall (unless otherwise ordered) submit to the Council the names of three candidates, indicating at the same time, if they think fit, the candidate whom they recommend the Council to appoint. If the Council, instead of agreeing to the recommendation of the Committee, resolves to vote upon the three candidates submitted, the Chairman shall put to the Council the three names in alphabetical order, each member of the Council

being at liberty to vote for one or more as he thinks fit, and the name of the candidate who has received the fewest votes shall be struck out. The Chairman shall then put the names of the other two candidates, and, having declared which of them has received the most votes, he shall finally put the question whether such candidate shall be appointed to the office. If a majority of the members present, and voting, vote in his favour, he shall be declared to be appointed. If a majority of those present, and voting, vote against him, the matter of the appointment shall be referred back to the Committee concerned.

THE following regulations as to the issue of passports in Ceylon are published for general information.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, April 6, 1921.

GRAEME THOMSON,
Colonial Secretary.

REGULATIONS REFERRED TO.

Applications for passports to travel in foreign parts must be made in the authorized form, and enclosed in a cover addressed to the Hon. the Colonial Secretary, Colonial Secretary's Office, Colombo.

2. The charge for a passport is Rs. 5. Passports are issued at the Colonial Secretary's Office, between the hours of 10 A.M. and 4 P.M. the day following that on which the application for the passport has been received, except on Sundays and public holidays. Applications should, if possible, reach the office before 4 P.M. on the previous day. If the applicant does not reside in Colombo, the passport may be sent by post, and stamps to the value of Rs. 5 should in that case accompany the application.

3. Passports are granted—

- (1) To natural-born British subjects ;
- (2) To the wives and widows of such persons ; and
- (3) To persons naturalized in the United Kingdom, in the British Colonies, or in India.

A married woman is deemed to be a subject of the State of which her husband is for the time being a subject.

4. Passports are granted—

- (1) In the case of natural-born British subjects and persons naturalized in the United Kingdom or in Ceylon, upon the production of a declaration by the applicant in the authorized form, verified by a declaration made by an official of any banking firm established in Ceylon or by any Justice of the Peace or Minister of the Christian religion resident in the Island. The applicant's certificate of birth and other evidence may also be required.
- (2) In the case of children under the age of 16 years requiring a separate passport, upon the production of a declaration made by the child's parent or guardian in a form (B) to be obtained upon application to the Hon. the Colonial Secretary, Colonial Secretary's Office, Colombo.
- (3) In the case of persons naturalized in any of the British self-governing Dominions or in any Crown Colony other than Ceylon, upon production of a

recommendation from the Government of the State or Colony concerned ; and in the case of natives of British India and persons naturalized therein, upon production of a letter of recommendation from the Government of India or from the Government of the Province in which the applicant was born or naturalized.

5. If the applicant for a passport be a naturalized British subject, the certificate of naturalization must be forwarded to the office with the declaration or letter of recommendation.

Naturalized British subjects will be described as such in their passports, which will be issued subject to the necessary qualifications.

6. A passport issued to a British subject on and after January 1, 1921, unless endorsed as valid for travelling only to the country therein specified, will be valid for travelling anywhere within the British Empire. Such passport, however, will not exempt the holder thereof from complying with the immigration regulations in force in the various countries of the Empire.

7. On and after January 1, 1921, a passport issued to a British subject may be endorsed so as to be valid for travelling anywhere within the British Empire or for travelling only to the country therein specified.

8. Valid British passports issued before January 1, 1921, may be endorsed free of charge so as to render them valid for travelling anywhere within the British Empire.

9. Passports are not available beyond two years from the date of issue. They may be renewed for four further periods of two years each, after which fresh passports must be obtained. The fee for each renewal is two rupees.

10. During the two years for which a passport is valid no further endorsement shall be required for further journeys to the countries in which travelling is authorized by such passport.

11. Any person who has obtained a British *visa* to his passport valid for twelve months may enter the Colony as often as he chooses during that period without being required to obtain a further British *visa*.

IT is hereby notified for general information that, with a view to avoiding unnecessary restrictions on travelling, passports issued to British subjects in any part of the Empire may be endorsed by the issuing authority as available for travel anywhere within the Empire, thus dispensing with the necessity for particularizing the projected journey or for fresh endorsement, except in respect of renewal of the life of the passport.

2. All passports issued to British subjects on an after January 1, 1921, will, accordingly, unless otherwise endorsed, be valid for travelling throughout the Empire. It must be understood, however, that passports do not exempt holders from compliance with the Immigration Regulations in force in the various countries of the Empire. Valid passports issued before January 1, 1921, may be endorsed free of charge on application to the passport officer or to Consuls abroad, so as to make them valid for the Empire, in all suitable cases; and in all such cases this endorsement will be added as a matter of course whenever the passport is presented to a passport officer or British Consul for renewal or endorsement.

3. A person abroad who obtains a British *visa* to his passport valid for twelve months is permitted to enter the Colony as often as he chooses during that period without being required to obtain a further British *visa*.

4. No British *visa* is required by British subjects to enable them to land in the United Kingdom, but they should be in possession of valid passports issued or renewed within the previous two years.

5. The new arrangements do not, however, include Egypt, for which country a specific endorsement will still be required.

Colonial Secretary's Office,
Colombo, April 6, 1921.

By His Excellency's command,
GRAEME THOMSON,
Colonial Secretary.

9. Sufficient sureties will be required to join in a bond for the due fulfilment of the contract. The amount

of the bond and all other necessary information can be ascertained upon application at the office referred to in section 5. A further security in cash of 5 per cent. of the value of the contract will be required of the contractor when entering into a bond.

10. Tenderers should read and initial a draft contract which is available in the Forest Office, Kurunegala, before they obtain tender forms. Also certify that they have inspected the demarcated blocks and the enumerated trees.

11. If any tree or sapling which is not stamped is felled outside the area demarcated for clear felling, the contractor will be liable for the full penalty provided under Ordinance No. 16 of 1907.

12. A penalty of 25 cents for every cubic yard of firewood not felled or stacked or delivered at the monthly rate specified in the schedule below will be exacted from the contractor.

13. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

14. The Government reserves to itself the right, without question, of rejecting any or all tenders, and of accepting any portion of a tender.

15. Alternative rates per cubic yard firewood delivered should be quoted, written both in words and figures, and also rates per broad gauge sleeper and per cubic foot of scantlings delivered.

Provided that the Directors may, at their discretion, allot such new shares or any portion of them in payment for any estates or lands or other property purchased or acquired by the Company, without first offering such shares to the registered Shareholders for the time being of the Company.

18. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payments of calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise.

REDUCTION OF CAPITAL AND SUBDIVISION OR CONSOLIDATION OF SHARES.

19. The Company in General Meeting may by special resolution reduce the capital in such manner as such special resolution shall direct, and may by special resolution subdivide or consolidate the shares of the Company or any of them.

SHARE CERTIFICATES.

20. Every Shareholder shall be entitled to one certificate for all the shares registered in his name, or to several certificates each for one or more of such shares. Every certificate shall specify the number of the share in respect of which it is issued.

21. The certificate of shares shall be issued under the Seal of the Company.

22. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof, and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors may deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

23. The certificate of shares registered in the names of two or more persons, not a firm, shall be delivered to the person first named in the register.

TRANSFER OF SHARES.

24. Shares in the Company may be transferred by transfer in the usual common form. The instrument of transfer shall be signed by both the transferor and the transferee, and shall contain the name, address, and occupation of the transferee, and the transferor shall be deemed to remain the holder of the shares until the name of the transferee is entered in the register in respect thereof.

25. Every instrument of transfer shall be left at the office or such other place as the Board may prescribe, with the certificate of every share to be thereby transferred, and such other evidence as the Board may reasonably require to prove the title of the transferor or his right to transfer the shares, and the instruments of transfer and certificate shall remain in the custody of the Board, but shall be at all reasonable times produced at the request and expense of the transferor or transferee and their respective representatives or any of them. A new certificate shall be delivered to the transferee after the transfer is completed and registered on his application for the same, and, when necessary, a balance certificate shall be delivered to the transferor. A fee not exceeding one Rupee may be charged for each transfer.

26. The person proposing to transfer any share (hereinafter called "the proposing transferor") shall give notice in writing (hereinafter called "the transfer notice") to the Company that he desires to transfer the same. Such notice shall specify the sum he fixes as the fair value and shall constitute the Company his agent for the sale of the share at the price so fixed, or, at the option of the purchaser, at the fair value to be fixed by the Auditors in accordance with these Articles. The transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each. The transfer notice shall not be revocable except with the sanction of the Directors.

27. The Company in General Meeting may make and from time to time vary rules as to the mode in which any share specified in any transfer notice given to the Company as aforesaid shall be offered to the members, and as to their rights in regard to the purchase thereof, and in particular may give any member or class of members a preferential right to purchase the same. Until otherwise determined by extraordinary resolution of the Company, the share specified in the transfer notice given to the Company as aforesaid shall be offered by the Company in the first place to the life Directors hereinafter named or to such other Director or Directors that may be appointed and such offer shall be made to them collectively and individually, but so that in the case of competition they shall rank for acceptance *pari passu* in proportion to the shares held by them respectively, and so that if any shares cannot be so apportioned such shares shall be offered to them in order determined by lot, and each of the life Directors or such ordinary Director or Directors hereinafter named shall cause lots to be drawn accordingly. Any shares not taken up by the life Directors and the Director or Directors hereinafter named within 90 days shall be offered by the Company to any person selected by the life Directors hereinafter named whom they may deem it desirable in the interest of the Company to admit to membership. Subject as aforesaid, the shares shall be offered by the Company to the members other than the proposing transferor, as nearly as may be in

proportion to the existing shares held by them respectively. The offer whether to a person selected as aforesaid or to a member shall, in each case, limit the time (not exceeding 90 days) within which the same, if not accepted, will be deemed to be declined, and may notify to the members that any member who desires an allotment of shares in excess of his proportion, should in his reply state how many excess shares he desires to have, and if all members do not claim their proportions, the unclaimed shares shall be used for satisfying the claims in excess. If any shares shall not be capable, without fractions, of being offered to the members in proportion to their existing holdings, the same shall be offered to the members or some of them, in such proportions or in such manner as may be determined by lots to be drawn under the direction of the Directors.

28. If the Company shall within the time limited as aforesaid or within 180 days after being served with the transfer notice find a member or person selected as aforesaid willing to purchase the share (hereinafter called "the purchasing member") and shall give notice thereof to the proposing transferor, he shall be bound upon payment of the fair value to transfer the share to the purchasing member.

29. In case any difference arises between the proposing transferor and the purchasing member as to the fair value of a share, the Auditors shall, on the application of either party, certify in writing the sum which, in their opinion, is the fair value, and such sum shall be deemed to be the fair value, and in so certifying the Auditors shall be considered as acting as experts and not as arbitrators.

30. If in any case the proposing transferor, after having become bound as aforesaid, makes default in transferring the share, the Company may receive the purchase money, and shall thereupon cause the name of the purchasing member to be entered in the register as the holder of the share, and shall hold the purchase money in trust for the proposing transferor. The receipt of the Company for the purchase money shall be a good discharge to the purchasing member, and after his name has been entered in the register in purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person.

31. If the Company shall not, within the time limited as aforesaid, or within 180 days after being served with the transfer notice, find a member willing to purchase the shares, and give notice in manner aforesaid, the proposing transferor shall at any time within 90 days afterwards be at liberty to sell and transfer the shares (or those not placed) to any person and at any price.

32. Any share may be transferred by a life Director to any child or other issue, mother, brother, sister, nephew, niece, or wife of such Director, and any share of a deceased life Director may be transferred by his executors or administrators to any child or other issue, mother, brother, sister, nephew, niece, or widow of such deceased Director (to whom such deceased Director may have specifically bequeathed the same), and shares standing in the name of the trustees of the will of any deceased life Director may be transferred upon any change of trustees to the trustees for the time being of such will.

33. The Directors may refuse to register any transfer of shares (a) where the Company has a lien on the shares, or (b) where the Directors are not of an opinion that it is desirable to admit the proposed transferee to membership. But paragraph (b) of this Article shall not apply where the proposed transferee is already a member, nor to a transfer made pursuant to Article 32 hereof.

34. The holders for the time being of nine-tenths of the issued capital may at any time serve the Company with a requisition to enforce the transfer of any particular shares not held by the requisitionists. The Company shall forthwith give to the holder of such shares notice in writing of the requisition (with a copy of this Article subjoined), and unless within 14 days afterwards the holder shall give to the Company a transfer notice in respect of his shares in accordance with Article 26 hereof, he shall be deemed at the expiration of that period to have actually given such notice, and to have specified therein the amount of capital paid up on the shares as the sum he fixes as the fair value for the purposes of this Article, any person entitled under Article 38 or otherwise to transfer shall be deemed the holder of such share.

35. The Company shall provide a register of transfers, which shall be kept by the Secretary under the control of the Board, and in which shall be entered the particulars of every transfer or transmission of every share.

36. No transfers shall be made to a minor or person of unsound mind.

37. The register may be closed during such time as the Board think fit not exceeding the whole 21 days in any one year.

TRANSMISSION OF SHARES.

38. On the death of any member (not being one of several joint-holders of a share) the executors or administrators of such deceased member shall be the only persons recognized by the Company as having any title to such share.

39. Any person becoming entitled to shares in consequence of the death, bankruptcy, or insolvency of any member, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, may, with the consent of the Directors (which they shall not be under any obligation to give), be registered as a member in respect of such shares, or may, subject to the regulations as to transfer hereinbefore contained, transfer such shares.

40. A person becoming entitled to a share by reason of the death, bankruptcy, or insolvency of the holder shall be entitled to the same dividend and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.

SURRENDER AND FORFEITURE OF SHARES.

41. The Directors may accept, in the name and for the benefit of the Company and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company—

(a) If the shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, or his executors or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

(b) The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses aforesaid are to be paid, the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

(c) If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may, at any time thereafter, before payment of calls or instalments with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

(d) Any Shareholder whose shares have been declared forfeited under any of the provisions hereinbefore contained shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interests, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

42. Every share surrendered or declared forfeited under any of the provisions hereinbefore contained shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

43. The surrender and forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share, and the proceeds thereof and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

44. A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts herein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

45. The Directors may, in their discretion, remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money, by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 42 hereof shall be redeemable after sale or disposal.

46. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holder for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holder or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the time appointed for the payment thereof shall not have arrived, and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

47. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days notice shall be allowed to him.

48. The net proceeds of any such sale as aforesaid under the provisions of Articles 42 and 47 hereof shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representatives.

A certificate in writing under the hands of two of the Directors and of the Secretary or Secretaries that the power of sale given by clause 47 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of facts therein stated.

49. Upon any sale after forfeiture or for enforcing a lien in purported exercise of the powers herein given, the Board may cause the purchaser's name to be entered in the register in respect of the shares sold, and the purchaser shall not be bound to see to the regularity of the proceedings, or to the application of the purchase money, and after his name has been entered in the register in respect of such shares, the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

PREFERENCE SHARES.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

51. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes:—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders, may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto, on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

52. Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been affected without it.

53. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

CALLS.

54. (a) The Directors may from time to time make such calls as they think fit upon the registered holders of shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of such call.

(b) A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of Directors or by resolution in writing in terms of Article 127.

(c) The Directors shall have power, in their absolute discretion, to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. Any sum or premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date and any instalment of a call or premium shall, for all purpose of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, and the like, and all other the relevant provisions of these presents shall apply as if such sum, premium, or instalment were a call duly made and notified as hereto provided.

56. If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall have been due, shall pay interest for the same at the rate of 9 per cent. per annum from the day appointed for the payment thereof to the time of actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

57. The Directors may at their discretion, receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

MEETINGS.

58. The first General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

59. Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

60. The General Meetings mentioned in the two last preceding clauses shall be called Ordinary General Meetings, all other meetings of the Company shall be called Extraordinary General Meetings.

61. Any General Meeting convened by the Board, unless the time thereof shall have been fixed by General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is hereinafter mentioned, may be postponed by the Board by notice in writing, and the meeting shall, subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business convened by the original notice.

62. The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote.

63. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company, and may consist of several documents in like form, each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within twenty-one days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

64. If at any such meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and if thought fit of confirming it as a special resolution, and if the Board do not convene the meeting within seven days from the date of passing of the first resolution, the requisitionists or a majority of them in value may themselves convene the meeting.

65. Any meeting convened by requisitionists as aforesaid shall be convened in the same manner, as nearly as possible, as that in which meetings are convened by the Board.

66. Any holder of an ordinary share may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

67. Seven days' notice, specifying the time and place of a meeting, and specifying also, in the case of any special business, the general nature of the business to be transacted thereat, shall be given by the Secretary, or other officer of the company, or any other person appointed by the Board to do so, to such members as are entitled to receive notices from the Company, provided that, with the consent in writing of all the holders of ordinary shares a meeting may be convened by a shorter notice and in any manner they think fit. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

68. The accidental omission to give notice of any meeting to, or the non-receipt of such notice by, any member shall not invalidate any resolution passed or proceeding had at any such meeting.

69. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been made in the notice or notices upon which the meeting was convened.

70. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

71. No business shall be transacted at any General Meeting except the declaration of a dividend recommended by a report of the Directors or the election of a Chairman, unless there shall be present in person at the commencement of the business two or more persons being Shareholders entitled to vote or persons holding proxies or powers of attorney from Shareholders entitled to vote.

72. If at the expiration of half an hour from the time appointed for the meeting the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place, and if at such adjourned meeting a quorum is not present, those Shareholders who are present, shall be a quorum, and may transact the business for which the meeting was called.

73. The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, or shall retire from the chair, the Shareholders shall choose another Director as Chairman, and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

74. No business shall be discussed at any General Meeting except the election of a Chairman whilst the chair is vacant.

75. The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

76. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall, when so entered, be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same, when so entered and signed, shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

77. At any meeting every resolution shall be decided by the votes of the Shareholders present. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes which he may be entitled as a Shareholder and proxy and attorney, and unless a poll be immediately demanded in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the minute book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

78. If a poll be duly demanded the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

79. If at any meeting a poll be demanded by notice in writing signed by some Shareholders present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll be deemed to be the resolution of the Company in such meeting.

80. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

81. On a show of hands every holder of an ordinary share or ordinary shares present in person shall have one vote only. In case of a poll every holder of an ordinary share or ordinary shares present in person or by proxy or attorney shall have one vote for every ordinary share held by him. Preference Shareholders shall not be entitled to be present at or to vote at any meeting of the Company. When voting on a resolution involving the winding up of the Company, every Shareholder shall have one vote for every share held by him, but no such resolution shall be deemed to be carried unless passed by three fourths in number and value of such Shareholders of the Company for the time being entitled to vote as may be present in person or by proxy or by attorney at any meeting, of which notice specifying the intention to propose such resolution has been duly given.

82. The parent or curator of a minor Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her share as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such minor, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

83. Votes may be given either personally or by proxy or by attorney duly authorized.

84. No person shall be appointed a proxy who is not a holder of an ordinary share of the Company, but the attorney of a holder of an ordinary share, even though not himself a Shareholder of the Company, may present and vote for his principal at any meeting of the Company.

85. No Shareholder shall be entitled to vote or speak at any General Meeting unless all calls due from him on his shares or any of them shall have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, or person acquiring by marriage, shall be entitled to vote or speak at any meeting held after the expiration of three months from the registration of the Company, in respect of or as the holder of any share which he has acquired by transfer, unless he has been at least three months previously to the time of holding the meeting at which he proposes to vote or speak duly registered as the holder of the share in respect of which he claims to vote or speak.

86. The instrument appointing a proxy shall be printed or written, and shall be signed by the appointor or his attorney, or, if such appointor be a corporation, it shall be under the common seal of such corporation.

87. The instrument appointing a proxy with the letter or power of attorney under which it may be signed shall be deposited at the registered office of the Company not less than twenty-four hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve months from the date of its execution.

Every instrument appointing a proxy shall, as nearly as circumstances admit, be in the form or to the effect following:—

I, _____, of _____, being a Shareholder of C. A. Hutson & Company, Limited, hereby appoint _____ of _____ as my proxy to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the _____ day of _____, One thousand Nine hundred and _____, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand, this _____ day of _____, One thousand Nine hundred and _____.

88. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney), except at the meeting or poll at which such vote shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

89. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

DIRECTORS.

90. Until otherwise determined by a General Meeting, the number of Directors shall not be less than two or more than four.

91. The said William Ferber Hutson and Charles Arthur Hutson, who are herein referred to as the life Directors, and Reginald George Shipton who and any other Directors are herein referred to (as Ordinary Directors) shall be the first Directors of the Company.

92. The said William Ferber Hutson and Charles Arthur Hutson shall both be entitled to hold office so long as they respectively hold shares of the Company of any class of the nominal value of Rupees Two hundred and Fifty thousand, and in the event of one of them vacating office by death, resignation, or otherwise the other shall be the sole life Director.

93. The said William Ferber Hutson and Charles Arthur Hutson, whilst holding office as life Directors, and after one of them vacates the office of life Director, the other whilst holding office as life Director, shall have full control of the business of the Company, and they or the survivor of them shall have power to appoint and remove any other Director

* Notice re Sale of Toddy Rents by Public Auction.

NOTICE is hereby given that the privilege of selling Fermented Toddy by retail in the areas specified in the Schedule on page 2, for the period of twelve months from October 1, 1921, to September 30, 1922, will be put up for sale by public auction on the following Conditions:—

Toddy Rent Sale Conditions applicable to Toddy Taverns in respect of which "off" sales are not prohibited.

The Conditions on which the exclusive privilege of selling Fermented Toddy by retail within the under-mentioned area from October 1, 1921, to September 30, 1922, is sold are, in addition to the general conditions applicable to all Excise licenses published in the *Government Gazette* No. 7,102 of May 7, 1920, as follows:—

1. The Government Agent shall have power, in his discretion, to refuse to accept any bid, subject to which power the highest bidder shall be the grantee of the privilege, and shall conform to and perform all the Conditions under which the privilege is sold.

2. (a) The grantee shall, immediately on being declared the grantee, sign these Conditions of Sale and pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture, in whole or in part, at the discretion of the Government Agent, for breach of any of the Conditions; and such forfeiture shall be in addition to any other penalty prescribed by the Conditions for such breach. The grantee shall hypothecate the said security deposit by a bond in Form Excise T 23 within fourteen days of sale of the privilege above prescribed.

(b) If the highest bid under Condition 1 exceeds the sum of Rs. 2,000, the grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege.

(c) The grantee shall, on signing the Conditions of Sale, elect, and under his hand signify, a Post Office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the Post Office so elected and posted in due course shall be considered as good and effectual to all intents and purposes as if the same were served personally.

3. The grantee shall pay the purchase money to the Government Agent in twelve equal monthly instalments. The first instalment shall be considered due and payable on September 30, 1921, and the remainder on the last day of each succeeding month. Interest at the rate of 9 per cent. per annum shall be payable on all arrears.

4. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the hands of the Shroff or any other officer of the Kachcheri shall be considered as money paid under this contract.

5. If any instalment of the purchase money, or any part of an instalment, remains unpaid after the same shall have become due and payable, the Government Agent shall have power, after fifteen days' notice to the grantee of his intention to do so, without further process of law, to cancel the License or Licenses issued to the grantee, and to re-sell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.

6. The grantee shall, on receipt of the License to Sell, furnish to the Superintendent or Assistant Superintendent of Excise an application on the prescribed form showing the numbers and situations of the trees which he proposes to tap for the supply of Fermented Toddy for sale at each Tavern, and no tree shall be tapped or Toddy drawn for this purpose except under cover of a License setting forth the numbers and situations of the trees, the name of the drawer, and the Tavern for which the Fermented Toddy is intended. The Superintendent of Excise or Assistant Superintendent of Excise shall have power, subject to appeal to the Excise Commissioner, to refuse any application to tap trees for any Tavern if such application is, in his opinion, open to serious objection.

7. No tree shall be tapped or Toddy drawn therefrom for the supply of Fermented Toddy for sale at a Tavern unless such tree shall first have been marked for this purpose in a manner prescribed by the Excise Commissioner; nor shall Toddy be transported to the Tavern except under cover of a pass granted by the Superintendent of Excise or the Assistant

Superintendent of Excise. Such pass shall set forth the name of the person who transports the Toddy, and shall be issued to the grantee, who shall hand it to the person who transports the Toddy.

8. The grantee, if he taps the trees and draws the Toddy himself, or, if he delegates the work to another person, such person shall, at the time of tapping the trees or drawing the Toddy, invariably carry the License on his person, and shall produce it forthwith on the demand of any Excise Officer or Village Headman.

9. The grantee shall have no concern or interest, direct or indirect, in the sale of Arrack, or in the purchase of any privilege for the sale of Arrack, within the Revenue District in which he possesses the privilege of selling Toddy.

10. Except under the written authority of the Assistant Commissioner of Excise, no Toddy, except Toddy drawn from trees licensed and marked for a particular Tavern, shall be kept, offered for sale, or sold in that Tavern.

11. No Fermented Toddy shall be sold at a lower price than 40 cents per gallon, and in proportion for any smaller quantity.

12. The Government Agent shall not be bound to find a site for any Tavern in the event of the grantee not being able to procure a site. No Tavern shall be opened at any place except with the approval of the Government Agent.

13. The purchaser shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a License or Licenses for the sale by retail of Fermented Toddy at the Taverns within the area covered by the privilege.

14. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the Taverns upon any road to be closed for a limited period during the march of Troops, or upon the plea of losses arising from any cause whatever.

15. (a) No bids will be accepted from any person who is a habitual criminal as defined by Ordinance No. 32 of 1914.

(b) The purchaser shall, whenever called upon to do so by the Government Agent, satisfy him that he is not a habitual criminal within the meaning of the said Ordinance.

16. The tavern within the area of the exclusive privilege granted under the foregoing Conditions shall open at 7 A.M. and close at 6.30 P.M., except taverns Nos. 1, 2, 3, which shall close at 7 P.M., and Nos. 59 and 61 at 8 P.M. No toddy shall be sold at such tavern between the hour of closing and that of opening.

17. Save in exceptional circumstances, no trees will be licensed in areas in which there are no taverns.

NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following Specifications have been accepted :—

No. 1,737 of July 16, 1920 (date applied for under Section 50 of the Ordinance, January 6, 1920).

Ernest Hopkinson.

"Products obtained from rubber containing latex."

Abstract.—The invention relates to a method for the production of a crude rubber by adding a preservative material adapted to prevent coagulation of the latex and then spraying the mixture in such a manner that it meets a stream of dry gas and is thereby dehydrated.

The claims are :—

1. A crude rubber derived from substantially dry masses of the solid contents of latex obtained by drying and compacting comminuted latex.
2. A crude rubber or similar material derived from a cheese-like mass of rubber obtained by drying from latex or the like
3. A crude rubber according to any of the preceding claims, having a vulcanizing agent mixed therewith.
4. A crude rubber according to any of the preceding claims, having a compounding ingredient mixed therewith.
5. A crude rubber according to any of the preceding claims, having a protective agent mixed therewith.
6. A crude rubber according to claims 4 and 5, wherein the protective agent is of a type adapted to oppose coagulation of the latex induced by the compounding ingredient.

"Improvements in and relating to the haulage of limbered vehicles for civil and military purposes."

Abstract.—The inventor describes a method of hauling limbered vehicles with a maximum efficiency under all conditions and an apparatus for attaining this result. The apparatus consists of a double tree slidable on the tongue of the vehicle, a hook fixed to and dependent from the rear section of the vehicle and a connection between the double-tree and the hook, so arranged that the pull is applied directly to the rear section of the vehicle and the latter pushes the front section.

The claims are:—

1. An apparatus for hauling limbered vehicles, comprising a bar adapted to be slidably associated with the front section of the vehicle in advance of the axle, a member adapted to be fixed to the rear section of the vehicle so as to depend therefrom, and a flexible connection disposed in the same plane as said member and bar and connecting the same.

2. An apparatus for hauling limbered vehicles, comprising a member slidable on the front section of the vehicle in advance of the axle, a second member rigidly secured to and depending from the rear section of the vehicle, and means directly connecting said members to effect a forward and upward thrust of the front section when a tractive force is applied to the first member in a direction away from the second member.

3. In a limbered vehicle, a member movable on the front section of the vehicle in advance of the axle, a second member fixed to and depending from the rear section, and a third member directly connecting the two members, whereby as the draft is increased an upward thrust is exerted at the point of connection between the two sections of the vehicle.

4. A method of hauling limbered vehicles which consists in connecting a tractor to the vehicle so that the pulling force is applied directly to the rear section of the vehicle at a point below the point of connection of the sections of the vehicle.

5. A method of hauling limbered vehicles which consists in slidably mounting the double-tree on the tongue of the vehicle and flexibly connecting the same at its ends to the rear section of the vehicle at the point below the axle of the rear section.

6. A method of hauling limbered vehicles which consists in connecting the pulling medium to the rear section of the vehicle to simulate the principle of the bell-crank lever with the force exerted on the short arm of the lever.

7. An apparatus for hauling limbered vehicles, comprising a bar adapted to be slidably associated with the front section of the vehicle, a member adapted to be fixed to the rear section of the vehicle, so as to depend therefrom, and a flexible connection between said member and said bar.

8. A method of hauling limbered vehicles which consists in connecting the pulling medium to the rear section of the vehicle to simulate the principle of a bell-crank lever with the force exerted on the short arm of the lever associated therewith to form a triangle.

9. A method of hauling limbered vehicles which consists in connecting a tractor so that the rear section of the vehicle is caused to push the front section thereof.

10. In a limbered vehicle, the combination with the rear section of the vehicle, of means for attaching traces to the rear section below the pivotal connection between the sections of the vehicle.

11. In combination, a limbered vehicle, a double-tree slidable on the tongue of the vehicle, a hook fixed to the rear section of the vehicle and depending therefrom, and a connection between the double-tree and the hook.
