Provided that the Government Agent or Assistant Government Agent shall not make any arrangements to record votes, unless it be shown to his satisfaction that the number of persons raising any such objection represents not less than 25 per cent. of the tax-paying inhabitants in that area.

Provided further, that such objection shall be made in writing, and that unless the person objecting to the existence of a place or places licensed for the sale of beer and porter by retail adds against his name the number of his last road tax receipt or the number of his last certificate of performance of labour, or in the case of a person exempted for military service, his rank, regimental number, and the unit to which he belongs, he will not be counted towards the 25 per cent. necessary to secure the ballot.

5. Where a Government Agent or Assistant Government Agent is satisfied that objections have been received on or before the due date as specified in rule 4 above from 25 per cent. of the tax-paying inhabitants of any area against the existence of the place or places licensed for the sale of beer and porter by retail within such area, the Government Agent or Assistant Government Agent shall fix a date, time, and place at which votes will be recorded for the purpose of ascertaining whether 75 per cent. of such tax-paying inhabitants are opposed to the existence of such place or places licensed for the sale of beer and porter by retail, and shall give not less than twenty days' notice thereof. Provided that the place at which votes shall be recorded shall be within the said area, if such an arrangement is practicable.

6. Such notice shall be given by publication in one or more local newspapers, by fixing copies of the notice at the Kachcheri, the local Police Court, and the Village Tribunal within the jurisdiction of which the said area is situated, and at prominent places within the said area, and by beat of tom-tom, or such other method as the Government Agent or Assistant Government Agent shall direct. The notice shall state the names of the villages comprised in the said area.

7. It shall be the duty of all division officers of the villages forming the said area to allow voters and any person or persons interested in the ballot to inspect the returns prepared by such division officers under sections 4 and 9 of the Ordinance No. 31 of 1884, and to take copies thereof.

8. The recording officer in charge of the ballot shall be the Government Agent or Assistant Government Agent or some person deputed by him in writing, who shall preside at the ballot, and have power to decide all questions arising in connection with the ballot. Objections shall be noted and the decision of the presiding officer on such objections shall be recorded.

9. An agent accredited by the voters in the said area may be present during the progress of the ballot.

10. No person shall be entitled to vote unless he either—

- (a) Produces at the time of voting a receipt for road tax paid by him within the twelve months preceding the ballot as a resident within the area served by the tavern or taverns proposed to be abolished; or
- (b) Has been certified during the said twelve months to the local authority as having performed the labour due by him under the Thoroughfares Ordinances, and produces such certificate at the time of voting; or
- (c) Has been certified during the said twelve months to the local authority as a *bona fide* efficient soldier of the Defence Force under section 26 (5) of Ordinance No. 8 of 1910, and produces such certificate at the time of voting.

11. The votes shall be counted as soon as possible after the close of the ballot, and the result declared immediately after it has been ascertained.

12. Only ballot papers in the form annexed hereto and issued by the recording officer shall be used in recording votes. Each ballot paper shall have a number printed on the back, and shall have a counterfoil with the same number printed on the face.

13. At the time of voting the ballot paper shall be marked on both sides with an official seal and delivered to the voter within the polling station, and a number corresponding to the number of the voter on the list of tax-paying inhabitants shall be marked on the counterfoil. A mark shall be placed in the list of tax-paying inhabitants against the number of the voter to denote that he has received a ballot paper, but so that it shall not indicate which particular ballot paper he received.

The voter shall record his vote by marking a cross X on the right-hand side of the ballot paper opposite the words "Abolition of existing places licensed for the sale of Beer and Porter by retail" or "Retention of existing places licensed for the sale of Beer and Porter by retail," as he may decide, and in no other way. He shall then fold it so as to conceal his vote, and place it in a closed box in the presence of the presiding officer, after having shown him the official mark. The presiding officer, on the application of any voter who states that he is unable to read, shall cause the vote of such voter to be marked on a ballot paper in manner directed by such voter, but he shall take such steps as will secure that no one but himself and the voter knows how such ballot paper was marked.

Ballot papers which do not comply with this rule shall not be considered in recording the votes.

14. No votes shall be recorded by proxy. All votes shall be given by the voters personally.

15. The Government Agent or Assistant Government Agent shall make all necessary arrangements for the ballot.

| 15. Province of Uva .. | .. | Badulla District |

2. Each tenderer must state in figures and in words in his tender the total amount he is prepared to pay. In the case of the Province of Uva, the tenderer must state in figures and in words in his tender the highest price (exclusive of duty and cost price) he is prepared to pay for every gallon of arrack (whether toddy arrack, or molasses arrack) removed from the warehouse for sale in the taverns.

3. No tender will be received after 11 A.M. on each of the appointed days.

4. Separate tenders must be made for the several rents as shown above, both the name and number of the rent being inserted in the tender.

5. Tenders properly sealed may either be posted, addressed to the Hon. Sir Graeme Thomson, K.C.B., Colonial Secretary, marked "Arrack Rent Tender," or delivered personally by the tenderer to the Board.

6. The conditions of sale have been amended since the rents were last sold. Separate conditions have been drawn up for the rents of the Chilaw District in which "off" sales are prohibited in certain taverns. Separate conditions have also been drawn up for the rent of the Province of Uva where the contract supply system will be introduced. Forms of amended conditions of sale with amended list of taverns can be obtained at any Kacheheri in the Island. Attention is drawn to the fact that the privilege which will be sold under the conditions is the right to sell only arrack by retail, and does not include the right to sell toddy.

7. Tenderers who cannot speak English and wish to communicate with the Board must bring their own interpreters.

8. No tender will be considered unless the tenderer is present in person or by his authorized agent at the Council Chamber, and is prepared to deposit forthwith the amount of one month's rent as tendered by him. In the case of the Province of Uva, a sum equivalent to two months' rent will have to be deposited as security.

N.B.—The Uva rent will be calculated on the basis of the average consumption for two months during the period October, 1920, to March, 1921.

9. After considering the tenders the Board shall have the option of offering the rent for sale by public auction among any two or more of the tenderers, or of calling for fresh tenders. The Board shall also have the option of allowing the Government Agent, Badulla, to offer for sale each individual tavern in the Badulla District Rent Area by public auction under the contract supply system.

10. The Board shall have power to accept or reject any bid or tender, and any bidder or tenderer whose bid or tender shall be accepted shall forthwith be declared to be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.

11. Forms of tender can be obtained free of charge on application personally or by letter to the Hon. the Controller of Revenue.

12. Any further information required will be supplied by the Excise Commissioner on application made to him, either personally or by letter.

N.B.—The Arrack Rents of the Northern Province will be sold locally at Jaffna, Mannar, and Mullaittivu at dates which will be notified later. The sale of the Arrack Rent of the Revenue District of Kalutara has been postponed.

The notice appearing in the *Gazette* No. 7,182 of June 10, 1921, is hereby cancelled.

CEYLON.

INSTRUCTIONS passed under the Royal Sign Manual and Signet, to the Governor and Commander-in-Chief of the Island of Ceylon and its Dependencies.

GEORGE R.I.

INSTRUCTIONS to Our Governor and Commander-in-Chief in and over Our Island of Ceylon and its Dependencies, or to any other Officer for the time being administering the Government of Our said Island and its Dependencies.

Dated 11th September,
1920.

WHEREAS by certain Letters Patent, bearing even date herewith, We have constituted, ordered, and declared that there shall be a Governor and Commander-in-Chief (therein and hereinafter called the Governor) in and over Our Island of Ceylon with its Territories and Dependencies (therein and hereinafter called the Island): And whereas We have thereby authorized and commanded the Governor to do and execute in due manner all things that shall belong to his said office, according to the tenour of Our said Letters Patent, and of such Commission as may be issued to him under the Royal Sign Manual and Signet, and according to such Instructions as may from time to time be given to him under Our Sign Manual and Signet, or by Our Order in Our Privy Council, or by Us through one of Our Principal Secretaries of State, and to such laws as are, or shall hereafter be in force in the Island:

Preamble.

Recites Letters Patent of even date constituting Office of Governor.

And whereas by an Order made by Us in Our Privy Council, entitled "The Ceylon (Legislative Council) Order in Council, 1920," provision is made for the constitution of the Legislative Council of the Island:

Recites "The Ceylon (Legislative Council) Order in Council, 1920."

And whereas We did issue certain Instructions under Our Sign Manual and Signet, bearing date the Twenty-fourth day of November, 1910, and also certain Additional Instructions bearing date the Thirtieth day of September, 1914, and the 31st day of December, 1915:

Recites Instructions of 24th November, 1910, and Additional Instructions of 30th September, 1914, and 31st December, 1915.

And whereas We are minded to substitute fresh Instructions for the aforesaid Instructions and Additional Instructions:

Now therefore We do by these Our Instructions under Our Sign Manual and Signet revoke, as from the date of the coming into force of Our above recited Letters Patent of even date, the aforesaid Instructions and Additional Instructions, but without prejudice to anything lawfully done thereunder, and instead thereof We do direct and enjoin and declare Our will and pleasure as follows:—

Revokes above recited Instructions and Additional Instructions.

I.—The Governor may, whenever he thinks fit, require any person in the public service of the Island to take the Oath of Allegiance in the form prescribed by the Act mentioned in Our said Letters Patent, together with such other Oath or Oaths as may from time to time be prescribed by any laws in force in the Island. The Governor is to administer such Oaths, or cause them to be administered by some public officer in the Island.

Oaths to be administered by the Governor.

II.—The Executive Council of the Island shall be composed of the under-mentioned Officers, that is to say, the persons for the time being lawfully discharging the functions of Colonial Secretary, Attorney-General, and Government Agent for the Western Province, who shall be styled *ex officio* Members of the said Council, and such other persons as the Governor, in pursuance of Instructions from Us through one of Our Principal Secretaries of State, may from time to time appoint under the Public Seal of the Island.

Constitution of Executive Council.

Every Member, other than an *ex officio* Member of the said Executive Council, shall vacate his seat at the next dissolution of the Legislative Council of the Island after his appointment, but may be reappointed.

III.—The Members of the Executive Council shall have seniority and precedence as We may specially assign, and in default thereof, first the *ex officio* Members in the order in which their several offices are above mentioned; then other Members according to the priority of their respective appointments, or, if appointed by the same Instrument, according to the order in which they are named therein.

Precedence of Members.

IV.—Whenever any person appointed by the Governor, in pursuance of Instructions from Us through one of Our Principal Secretaries of State, shall, by writing under his hand, resign his seat in the Executive Council, or shall die, or be suspended from the exercise of his functions as a Member of the Executive Council, or be declared by the Governor by an Instrument under the Public Seal of the Island to be incapable of exercising his functions as a Member of the Council, or be absent from the Island, or shall either permanently or temporarily become an *ex officio* Member of the Council, the Governor may, by an Instrument under the said Public Seal, appoint some person to be provisionally a Member of the Council in the place of the Member so resigning or dying, or being suspended, or declared incapable, or being absent, or becoming either permanently or temporarily an *ex officio* Member.

Provisional appointments.

The Governor shall forthwith report every such provisional appointment to Us through one of Our Principal Secretaries of State, and every such appointment may be disallowed by Us through one of Our Principal Secretaries of State, or may be revoked by the Governor by any such Instrument as aforesaid.

V.—The Governor shall forthwith communicate these Our Instructions to the Executive Council, and likewise all such others, from time to time, as We may direct, or as he shall find convenient for Our Service to impart to them.

VI.—The Executive Council shall not proceed to the despatch of business unless duly summoned by authority of the Governor, nor unless two Members at the least (exclusive of himself or of the Member presiding) be present and assisting throughout the whole of the meetings at which any such business shall be despatched.

VII.—The Governor shall attend and preside at all meetings of the Executive Council, unless when prevented by some necessary and reasonable cause, and in his absence such Member as the Governor may appoint, or, in default of such Member, the Senior Member of the Council actually present shall preside.

VIII.—In the execution of the several powers and authorities granted to the Governor by Our said recited Letters Patent, or by any other Letters Patent adding to, amending, or substituted for the same, he shall in all cases consult with the Executive Council, excepting only in cases which may be of such a nature that, in his judgment, Our Service would sustain material prejudice by consulting the Council thereupon, or when the matters to be decided shall be too unimportant to require their advice, or too urgent to admit of their advice being given by the time within which it may be necessary for him to act in respect of any such matters. In all such urgent cases he shall, at the earliest practicable period, communicate to the Executive Council the measures which he may have so adopted, with the reasons thereof.

IX.—The Governor shall alone be entitled to submit questions to the Executive Council for their advice and decision; but if the Governor decline to submit any question to the Council when requested in writing by any Member so to do, it shall be competent to such Member to require that there be recorded upon the Minutes his written application, together with the answer which may be returned by the Governor to the same.

X.—The Governor, in the exercise of the powers and authorities granted to him by Our said recited Letters Patent, or by any other Letters Patent, adding to, amending, or substituted for the same, may act in opposition to the advice given to him by the Members of the Executive Council, if in any case he shall deem it right to do so, but in any such case he shall fully report the matter to Us by the first convenient opportunity, with the grounds and reasons of his action. In every such case it shall be competent to any Member of the said Council to require that there be recorded at length on the Minutes the grounds of any advice or opinion he may give upon the question.

XI.—Minutes shall be regularly kept of all the Proceedings and Votes of the Executive Council, and at each meeting of the Council the Minutes of the last preceding meeting shall be confirmed or amended as the case may require, before proceeding to the despatch of any other business. Twice in each year the Governor shall transmit to Us through one of Our Principal Secretaries of State a full and exact copy of all Minutes for the preceding half year.

XII.—In the making of Ordinances the Governor and the Legislative Council shall observe, as far as practicable, the following Rules:—

1. All laws shall be styled "Ordinances," and the enacting words shall be "enacted by the Governor of Ceylon, with the advice and consent of the Legislative Council thereof."

2. All Ordinances shall be distinguished by titles, and shall be divided into successive clauses or paragraphs numbered consecutively, and to every such clause there shall be annexed in the margin a short summary of its contents. The Ordinances of each year shall be distinguished by consecutive numbers, commencing in each year with the number one. All Ordinances passed in any one year shall, unless they require to be reserved for the signification of Our pleasure, be assented to by the Governor in that year, and shall be dated as of the day on which the assent of the Governor is given and shall be numbered as of the year in which they are passed. Ordinances not so assented to by the Governor, but reserved by him for the signification of Our pleasure, shall be dated as of the day and numbered as of the year on and in which they are brought into operation.

3. Each different matter shall be provided for by a different Ordinance, without intermixing in one and the same Ordinance such things as have no proper relation to each other; and no clause is to be inserted in or annexed to any Ordinance which shall be foreign to what the title of such Ordinance imports; and no perpetual clause shall be part of any temporary Ordinance.

XIII.—The Governor shall not (except in the cases hereunder mentioned) assent in Our name to any Bill of any of the following classes:—

1. Any Bill for the divorce of persons joined together in holy matrimony;
2. Any Bill whereby any grant of land or money, or other donation or gratuity, may be made to himself;

10. Any Bill containing provisions to which Our assent has been once refused, or which have been disallowed by Us :—

Unless in the case of any such Bill the Governor shall have previously obtained Our instructions upon such Bill through one of Our Principal Secretaries of State, or unless such Bill shall contain a clause suspending the operation of such Bill until the signification in the Island of Our pleasure thereupon, or unless the Governor shall have satisfied himself that an urgent necessity exists requiring that such Bill be brought into immediate operation, in which case he is authorized to assent in Our name to such Bill, unless the same shall be repugnant to the law of England, or inconsistent with any obligations imposed upon Us by Treaty. But he is to transmit to Us, by the earliest opportunity, the Bill so assented to, together with his reasons for assenting thereto.

Proviso in cases of necessity for immediate operation of a Bill.

XIV.—Every Bill intended to affect or benefit some particular person, association, or corporate body, shall contain a section saving the rights of Us, Our heirs and successors, all bodies politic and corporate, and all others except such as are mentioned in the Bill, and those claiming by, from, and under them. No such Bill, not being a Government measure, shall be introduced into the Legislative Council until due notice has been given as provided in "The Ceylon (Legislative Council) Order in Council, 1920," or in any Order in Council adding to, amending, or substituted for the same, and the Governor shall not assent thereto in Our name until it has been published as provided therein. A certificate under the hand of the Governor shall be transmitted to Us with the Bill signifying that such publication has been made.

XV.—When any Ordinance shall have been passed or when any Bill has been reserved for the signification of Our pleasure the Governor shall forthwith lay it before Us, for Our approval, disallowance, or other direction thereupon, and shall transmit to Us through one of Our Principal Secretaries of State, a transcript in duplicate of the same, together with a marginal abstract thereof, duly authenticated under the Public Seal of the Island, and by his own signature. Such transcript shall be accompanied by such explanatory observations as may be required to exhibit the reasons and occasion for passing such Ordinance or Bill.

Authenticated laws to be sent home in duplicate.

XVI.—At the earliest practicable period at the commencement of each year, the Governor shall cause a complete collection to be published, for general information, of all Ordinances enacted during the preceding year.

Collection of Ordinances to be published every year.

XVII.—Minutes shall be regularly kept of all the proceedings of the Legislative Council, and at each meeting of the Council the Minutes of the last preceding meeting shall be confirmed or amended as the case may require, before proceeding to the despatch of any other business. The Governor shall transmit to Us through one of Our Principal Secretaries of State as soon as possible after every meeting a full and exact copy of the Minutes thereof.

Minutes of proceedings to be kept.

XVIII.—Before disposing of any vacant or waste lands to Us belonging, the Governor shall cause the same to be surveyed and such reservations to be made thereout as he may think necessary for roads or other public purposes. The Governor shall not directly or indirectly purchase for himself any of such lands without Our special permission given through one of Our Principal Secretaries of State.

Surveys and reservations to be made before waste lands are disposed of. Governor not to purchase Crown lands without permission.

XIX.—All Commissions to be granted by the Governor to any person or persons for exercising any office or employment shall, unless otherwise provided by law, be granted during pleasure only ; and whenever the Governor shall appoint to any vacant office or employment of which the initial emoluments exceed fifteen hundred rupees or one hundred pounds sterling a year, according as the said emoluments are fixed with reference to rupees or to pounds sterling, as the case may be, any person not by Us specially directed to be appointed thereto, he shall at the same time expressly apprise such person that such appointment is to be considered only as temporary and provisional until Our allowance or disallowance thereof be signified.

Appointments to be provisional and during pleasure.

XX.—Before suspending from the exercise of his office any Public Officer whose annual pensionable emoluments exceed three thousand rupees or two hundred pounds sterling, according as the said emoluments are fixed with reference to rupees or to pounds sterling, as the case may be, the Governor shall signify to such officer by a statement in writing the grounds of the intended suspension, and shall call upon him to state in writing the grounds upon which he desires to exculpate himself and if the officer does not furnish such a statement within the time fixed by the Governor, or fails to exculpate himself to

But if in any case the interests of Our service shall appear to the Governor to demand that a person shall cease to exercise the powers and functions or his office instantly, or before there shall be time to take the proceedings hereinbefore directed, he shall then interdict such person from the exercise of the powers and functions of his office.

XXI.—Whenever any offender shall have been condemned to suffer death by the sentence of any Court in the Island, the Governor shall call upon the Judge who presided at the trial to make to him a written report of the case of such offender, and shall cause such report to be taken into consideration at the first meeting thereafter which may be conveniently held of the Executive Council, and he may cause the said Judge to be specially summoned to attend at such meeting and to produce his notes thereat. The Governor shall not pardon or reprove any such offender unless it shall appear expedient to him so to do after receiving the advice of the Executive Council thereon; but in all such cases he is to decide either to extend or to withhold a pardon or reprove, according to his own deliberate judgment, whether the Members of the Executive Council concur therein or otherwise; entering, nevertheless, on the Minutes of the Executive Council a minute of his reasons at length, in case he should decide any such questions in opposition to the judgment of the majority of the Members thereof.

Pardon.

Judge's Report to be laid before Executive Council.

Governor may exercise his own judgment.

XXII.—The Governor shall punctually transmit to Us, from year to year, through one of Our Principal Secretaries of State, the Annual Book of Returns for the Island, commonly called the "Blue Book," relating to the Revenue and Expenditure, Defence, Public Works, Legislation, Civil Establishments, Pensions, Population, Schools, Course of Exchange, Imports and Exports, Agricultural Produce, Manufactures, and other matters in the said Blue Book more particularly specified, with reference to the state and condition of the Island.

Governor not to absent himself without leave.

XXIV.—In these Our Instructions the term "the Governor" shall, unless inconsistent with the context, include every person for the time being administering the Government of the Island.

Term "the Governor" explained.

ARTICLES OF ASSOCIATION OF MACKWOODS RUBBER TRADING COMPANY, LIMITED.

I.—PRELIMINARY.

1. The regulations contained in "Table C," in the schedule to "The Joint Stock Companies Ordinance, 1861," shall not apply to this Company, but the following shall be the regulations of the Company.

2. In these Articles, unless there be something in the subject or the context inconsistent therewith:—

"These Articles" means the Regulations of the Company for the time being in force.

"Month" means calendar month.

"Year" means the year from the 1st day of January to the 31st day of December, both inclusive.

"In Writing" means written or printed or partly written and partly printed.

"Extraordinary resolution" means, in the case of a meeting of the holders of any class of shares, a resolution passed by a majority consisting of not less than three-fourths of the votes given on the resolution.

Words importing only the singular number include the plural number, and *vice versa*.

Words importing only the masculine gender include the feminine gender.

Words importing persons include corporations.

3. The business of the Company may be commenced as soon after the incorporation of the Company as the Directors shall think fit, and notwithstanding that part only of the shares may have been allotted, any branch or kind of business which by the Memorandum of Association is either expressly or by implication authorized to be undertaken by the Company may be undertaken by the Directors at such time or times as they shall think fit, either alone or with any one or more of the other branches or kinds of business thereby authorized, and any such branch or kind of business may be suffered by them to be in abeyance, whether actually commenced or not, so long as the Directors may deem it expedient not to commence or proceed with such branch or kind of business.

II.—CAPITAL.

1.—SHARES.

4. No part of the funds of the Company shall be employed in the purchase of or lent or advanced upon the security of the shares of the Company.

5. The shares shall be subject to the control of the Directors, who may issue and allot the same to such persons on such terms and conditions as to payment by way of deposit, instalment, or calls or as the amount or time of payment of calls and at such times as the Directors may think fit, subject, however, in the case of any new shares of the Company, to the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued.

6. The Company may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and time for the payment of such calls.

7. If by the conditions of the allotment of any share the whole or part of the amount or issue price thereof shall be payable by instalments, every such instalment shall when due be paid to the Company by the person who for the time being shall be the registered holder of the share, but this provision shall not affect the liability of any allottee who may have agreed to pay the same.

8. The Company shall be entitled to treat the registered holder of any share as the absolute owner thereof, and consequently shall not be bound by or compelled to recognize, even when having notice thereof, any trust, charge, incumbrance, lien, or other claim to or interest in such share on the part of any person other than an absolute right thereto in the registered holder thereof for the time being, and such rights upon transmission as are hereinafter mentioned.

9. If two or more persons are registered as joint-holders of any share, any one of such persons may give effectual receipts for any dividends, bonus, return of capital, or other money payable in respect of such share, but all the joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls payable in respect thereof.

10. The Company may with the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued pay to any person in consideration of his subscribing or agreeing to subscribe, whether absolutely or conditionally, for any shares, debentures, or debenture stock in the Company, or procuring or agreeing to procure subscriptions, whether absolute or conditional, for any shares, debentures, or debenture stock in the Company, such commission as the Directors may from time to time determine, but so that the commission payable in respect of shares (if paid out of capital moneys or satisfied by means of shares of the Company) shall not exceed the rate of 20 per cent. of the nominal amount of the shares in each case subscribed or to be subscribed, and that the rate per cent. paid or agreed to be paid shall be disclosed in any circular or notice (not being a prospectus) inviting subscriptions for the shares. Such commission may be satisfied by the allotment of fully or partly paid shares. The total amount of the sum paid by way of commission in respect of any shares, debentures, or debenture stock, or allowed by way of discount in respect of any debentures or debenture stock, or so much thereof as shall not have been written off, shall be stated in every balance sheet of the Company, until the whole amount thereof has been written off. The Company may also on the issue of shares pay such brokerage as may be lawful.

2.—SHARE CERTIFICATE.

11. The certificates of title to shares shall be issued under the seal of the Company, signed by one Director and countersigned by the Secretary or some other person appointed by the Directors. Every certificate shall specify the name or names of the holder or holders, the number and denoting numbers of the shares in respect of which it is issued, and the amount paid up or credited as paid up thereon.

12. Every member shall be entitled, without payment, to receive within two months after allotment or registration of transfer (unless the conditions of issue provide for a longer period) one certificate for the shares allotted to or acquired by him, but so that two or more persons entitled jointly to a share shall be entitled only to one certificate in respect thereof.

13. If any certificate is worn out or defaced, then, upon delivery thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof, and if any certificate is lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity, whether with or without security, as the Directors may deem adequate being given, and on payment to the Company of any expenses incurred by the Company in connection with the proof of such loss, or in investigating the title to the shares, or in connection with such indemnity, a new certificate in lieu thereof shall be issued to the person entitled to the shares represented by such lost or destroyed certificate.

14. There shall be paid to the Company for every certificate issued under the last preceding article the sum of one rupee or such smaller sum as the Directors may from time to time determine.

15. The certificate of shares registered in the joint names of two or more persons shall be delivered to the person first named on the register in respect thereof, unless such joint-holders otherwise direct.

3.—CALLS ON SHARES.

16. The Directors may from time to time, subject to the terms on which shares have been issued, make such calls as they shall think fit upon the members in respect of all moneys unpaid on the shares held by them respectively, and not by the conditions of allotment thereof made payable at fixed times, and each member shall be liable to pay the amounts

of calls so made to the persons, and at the times and places appointed by the Directors. A call may be made payable by instalments, a date fixed for payment may be postponed, and a call may be wholly or in part revoked.

17. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call is passed.

18. Six weeks' notice of any call shall be given, specifying the time and place of payment and the persons to whom such call is payable.

19. If any instalment payable on a share under the terms of allotment, or any call or instalment of a call payable in respect of any share, be not paid on or before the day appointed for payment thereof, the registered holder for the time being or allottee of the share shall pay interest for the same from the day appointed for the payment thereof to the time of actual payment at the rate of 10 per cent. per annum, or at such less rate as the Directors may determine.

20. The Directors may, if they think fit, receive from any member willing to advance the same all or any part of the money unpaid upon the shares held by him beyond the sums actually called up thereon, either as a loan repayable or as a payment in advance of calls, but such advance, whether repayable or not, shall, until actually repaid, extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which it has been received, the Company may pay interest at such rate as the member paying such sum and the Directors agree upon.

4.—FORFEITURE AND LIEN.

21. If any member fails to pay the whole or any part of any instalment payable under the terms of allotment of a share or of any call on or before the day appointed for the payment thereof, the Directors may at any time thereafter, while the said instalment or call or any part thereof remains unpaid, serve a notice on such member requiring him to pay the same, with any interest which may have accrued, and all expenses which may have been incurred by the Company by reason of such non-payment.

22. The notice shall name a day (not being less than six weeks from the date of the notice) and a place (being either the registered office of the Company or some place at which calls of the Company are usually made payable) on and at which such instalment or call or such part thereof as shall remain unpaid and such interest and expenses are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the share in respect of which such payment is due will be liable to be forfeited.

23. If the requisitions of such notice as aforesaid are not complied with, any shares in respect of which such notice shall have been given may at any time thereafter, before payment of all instalments, calls, interest, and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared and interest payable in respect of the forfeited shares, and not actually paid before the forfeiture.

24. Any share so forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of in such manner as the Directors shall with the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued (exclusive of the shares so forfeited) think fit, and in the case of re-allotment with or without any moneys paid thereon by any former holder credited as paid up thereon.

25. The Directors may at any time before any share so forfeited shall have been sold, re-allotted, or otherwise disposed of annul the forfeiture upon such conditions as they think fit.

26. The holder at the time of forfeiture of any share which has been forfeited shall, notwithstanding the same, be liable to pay to the Company all instalments, calls, interest, and expenses owing upon or in respect of such share at the time of the forfeiture, together with interest on such instalments, calls, and expenses from the time of forfeiture, until payment at the rate of 10 per cent. per annum, or such less rate as may be fixed by the Directors.

27. The Company shall have a first and paramount lien on all the shares registered in the name of any member (whether solely or jointly with other persons), and on the dividends or interest declared or payable in respect thereof for the debts, liabilities, or engagements of that member either alone or jointly with any other person to or with the Company, although the period for the payment, fulfilment, or discharge thereof may not have arrived, and whether the same may have been incurred before or after notice of any equitable interest subsisting in any person other than the registered holder. For the purpose of enforcing such lien the Directors may sell the shares subject thereto in such manner as they shall with the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued think fit, but no sale shall be made until such period as aforesaid shall have arrived, and until notice in writing of the intention to sell shall have been served on such member, his executors, or administrators, and default shall have been made by him or them in the payment, fulfilment, or discharge of such debts, liabilities, or engagements for seven days after service of such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such member, his executors, administrators, or assigns. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

28. Upon the sale or re-allotment of a forfeited share, or the sale of any share to enforce a lien of the Company in purported exercise of the powers hereinbefore contained, the Directors may cause the name of the purchaser or allottee to be entered in the register as the holder of the share, and deliver to him a certificate therefor, and thereupon he shall be deemed the holder of such share discharged from all instalments, calls, or other money due prior to such purchase or allotment. The purchaser or allottee shall not be bound to see to the application of the purchase money or consideration, and after his name has been entered in the register, his title to such share shall not be affected by any irregularity in the proceedings in reference to such forfeiture or sale, but the remedy of any person aggrieved thereby shall be in damages only and against the Company exclusively.

5.—TRANSFER AND TRANSMISSION OF SHARES.

29. The instrument of transfer of any share in the Company shall be in writing in the usual common form, but need not be under seal, and shall be signed both by the transferor and the transferee. Shares of different classes shall not be transferred by the same instrument of transfer without the consent of the Directors. Until a transfer is duly registered the transferor shall be deemed the holder of the share transferred.

30. There shall be paid to the Company in respect of the registration of every transfer or transmission of a share or shares such fee not exceeding one rupee as the Directors deem fit.

31. No share in the Company shall be transferred without the previous consent in writing of the holders of two-thirds of the shares of the Company for the time being issued.

32. The executors or administrators of a deceased member (not being one of several joint-holders) shall be the only persons recognized by the Company as having any title to or interest in the shares registered in the name of such member, and in the case of the death of any one or more of the joint-holders of any registered shares, the survivors or survivor shall be the only persons or person recognized by the Company as having any title to or interest in such shares, but this Article shall not be deemed to release the estate of a deceased joint-holder from any liability in respect of any shares held by him jointly with any other person or persons.

33. Any person becoming entitled to a share in consequence of the death or bankruptcy of a member or otherwise than by transfer, upon producing the share certificate and such evidence of title as the Directors think sufficient, may, with the consent of the Directors or of the holders of two-thirds of the shares of the Company for the time being issued (which

they shall be under no obligation to give), be himself registered as the holder of the shares, or may, subject to the regulations of these Articles as to transfers, transfer such shares to any other person. There shall be paid to the Company in respect of any such registration such fee not exceeding one rupee as the Directors deem fit.

34. Every instrument of transfer shall be left at the registered office of the Company for registration, together with the certificate of the shares proposed to be transferred, and the Company shall be furnished with such evidence as the Directors may require of the title of the transferor or his right to transfer the shares, and thereupon, and upon payment of the proper fee, the transferee shall, subject to the foregoing regulations, be registered as a member in respect of such shares. The Directors may waive the production of a certificate upon evidence satisfactory to them of its loss or destruction, and on such indemnity, whether with or without security, as the Directors may deem adequate being given, but the transferor shall pay to the Company any expenses incurred in investigating the title to the shares, or in connection with such indemnity.

35. All instruments of transfer which shall be registered and the certificates of the shares to which they refer shall be retained by the Company, but any instrument of transfer which the Directors may decline to register and the certificates of the shares to which it refers shall be returned to the person depositing the same. If a certificate lodged and retained comprises more shares than the transfer, a new certificate for the residue shall be issued to the transferor.

36. The transfer books may be closed during such time or times as the Directors may think fit, not exceeding in the whole twenty-one days in each year.

37. The holders for the time being of two-thirds of the shares of the Company for the time being issued may at any time serve the Company with a requisition to enforce the transfer of any particular shares not held by the requisitionists. The Company shall forthwith give to the holder of such shares notice in writing (with a copy of this Article subjoined), and upon the service of such notice the holder of such shares shall be deemed to have authorized the Company to sell his shares to any other member of the Company in accordance with the provisions herein contained at the fair value to be fixed by the Auditor in accordance with these Articles. If the Company shall within the space of twenty-eight days after the service of such notice find a member of the Company willing to purchase the shares (hereinafter called "the purchasing member"), and shall give notice thereof to the holders of such shares, the latter shall be bound upon payment of the fair value to transfer the shares to the purchasing member. In case any difference arises between such holder and the purchasing member as to the fair value of the shares, the Auditor shall on the application of either party certify in writing the sum which in his opinion is the fair value, and such sum shall be deemed to be the fair value, and in so certifying the Auditor shall be deemed to be acting as an expert and not as an arbitrator. If the holder of such shares after having become bound as aforesaid makes default in transferring the shares, the Company may receive the purchase money and shall thereafter cause the name of the purchasing member to be entered in the register as the holder of the shares, and shall hold the purchase money in trust for the holder of such shares. The receipt of the Company for the purchase money shall be a good discharge to the purchasing member, and after his name has been entered in the register in the purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person. Until otherwise determined by the Company in general meeting any shares in respect of which any such requisition shall be served on the Company shall be offered in succession to the holders of the shares of the Company in accordance with the number of shares held by them respectively, the holder of a larger holding being always preferred to the holder of a smaller holding, and as between holdings of equal amount in such order as may be determined by lots drawn in regard thereto, and the lots shall be drawn in such manner as the Directors think fit.

6.—INCREASE AND REDUCTION OF CAPITAL.

38. The Company in General Meeting may with the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued from time to time increase the capital by the creation of new shares of such aggregate amount as may be deemed expedient.

39. The new shares shall be of such nominal amounts and shall be issued upon such terms and conditions as the Company in General Meeting may with the consent in writing of the holder of two-thirds of the shares of the Company for the time being issued direct, and in particular such shares and also any shares of the original capital for the time being unissued may (subject to the provisions hereinafter contained as to the consent of the holders of any class of shares where such consent is necessary) be issued with any preference or priorities, or special or qualified, or restricted rights in the payment of dividends, or in the distribution of assets or otherwise over as compared with any other shares, whether preference, ordinary, or deferred, and whether then already issued or not, or as shares ranking equally with any other shares, or as deferred shares, or with any special rights of or restrictions (whether absolute or partial) against voting.

40. Subject to or in default of any such directions, the provisions of these Articles shall apply to the new capital in the same manner in all respects as to the original ordinary capital of the Company.

41. The Company may from time to time by special resolution reduce its capital in any way, and in particular (without prejudice to the generality of this power) may (a) extinguish or reduce the liability on any of its shares in respect of capital not paid up, (b) either with or without extinguishing or reducing liability on any of its shares cancel any paid up capital which is lost or is unrepresented by available assets, or (c) either with or without extinguishing or reducing liability on any of its shares pay off any paid up capital which is in excess of the wants of the Company. The Company may also cancel shares which at the date of the passing of the resolution in that behalf have not been taken or agreed to be taken by any person, and diminish the amount of its capital by the amount of the shares so cancelled. Capital may be paid off upon the footing that it may be called up again or otherwise.

7.—CONSOLIDATION AND SUBDIVISION OF SHARES.

42. The Company in General Meeting may consolidate, and by special resolution may subdivide, its shares or any of them into shares of a larger or smaller denomination. The special resolution whereby any share is subdivided may provide that as between the holders of the shares resulting from such subdivision any one or more of such shares shall have any preference, priority, or advantage with regard to dividends, in the distribution of assets, as to right of voting, or in any other respect over the other or others of them.

III.—BORROWING POWERS.

43. The Directors may from time to time at their discretion raise or borrow in any manner, and upon any terms, any sum or sums of money for the purposes of the Company.

44. The Directors may for the purpose of securing borrowed money and the interest thereon, or for any other purpose, create any mortgage, charge, or lien upon, or may pledge the undertaking of the Company and the whole or any part of its property, present and future, including its uncalled capital for the time being, by way either of specific or of floating security, and may also, for any purpose and for any consideration, create and issue bonds or perpetual or redeemable debentures or debenture stock or other obligation, and secure the principal represented thereby and the interest thereon by any such mortgage, charge, or lien as aforesaid.

45. The Directors may also issue or deposit any such debentures or debenture stock by way of collateral or contingent security for the payment of any debt or the discharge of any liability of the Company.

IV.—MEETINGS OF MEMBERS.

1.—CONVENING OF GENERAL MEETINGS.

46. The Statutory Meeting of the Company shall be held at such time, not being less than one month nor more than twelve months after the date at which the Company is entitled to commence business, and at such place as the Directors shall determine.

47. General Meetings, not being Extraordinary General Meetings, shall be held once in every year after the year of the incorporation of the Company, at such time and place as may be prescribed by the holders of two-thirds of the Company for the time being issued, or if no time or place is so prescribed as may (subject as aforesaid) be determined by the Directors.

48. The General Meetings mentioned in the last preceding Article shall be called Ordinary General Meetings, and all other General Meetings shall be called Extraordinary General Meetings.

49. The Directors may, whenever they shall think fit, convene an Extraordinary General Meeting and they shall, upon a requisition made in writing by Members of the Company holding together not less than one-tenth of the issued capital upon which all calls or other sums then due shall have been paid, forthwith proceed to convene an Extraordinary General Meeting. An Extraordinary General Meeting if convened by the Directors shall be held at such place as the Directors may determine.

50. Any requisition made by members shall state the objects of the meeting to be called, and must be signed by the requisitionists and deposited at the registered office of the Company. It may consist of several documents in like form, each signed by one or more requisitionists.

51. If the Directors do not proceed to cause an Extraordinary General Meeting to be held within twenty-one days from the date of the deposit, the requisitionists, or a majority of them in value, may themselves convene the meeting, but any meeting so convened shall not be held after three months from the date of such deposit. If at any such meeting convened under this Article a resolution requiring confirmation at another meeting shall be passed, the Directors shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution, and if the Directors do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists, or a majority of them in value, may themselves convene the meeting. Any meeting convened under this Article by the requisitionists shall be convened in the same manner, as nearly as possible, as that in which meetings are to be convened by the Directors.

52. Twenty-eight days' notice of any General Meeting (inclusive of the day of service, but exclusive of the day appointed for holding the meeting) specifying the place, day, and hour of such meeting, and in case of special business the general nature of such business, shall (except in the case of meetings convened solely for the purpose of confirming a special resolution or special resolutions, and meetings convened in pursuance of a requisition made by members) be given to the members entitled to attend and vote thereat in manner hereinafter mentioned, or in such other manner (if any) as may be prescribed by the Company in General Meeting. In the case of General Meetings convened solely for the purpose of confirming a special resolution or resolutions, or a General Meeting convened in pursuance of a requisition made by members, the length of notice shall be seven days calculated as above mentioned to be given in manner above provided.

53. The accidental omission to give any such notice to any member, or the non-receipt of the same by any member, shall not invalidate any resolution passed at any such meeting.

2.—PROCEEDINGS AT GENERAL MEETINGS.

54. The business of an Ordinary Meeting shall be to receive and consider the accounts presented by the Directors, and the reports of the Directors and of the Auditors, to declare dividends, to elect Auditors, and to vote their remuneration. All other business transacted at an Ordinary Meeting, and all business transacted at an Extraordinary Meeting, shall be deemed special.

55. Two members present in person or by proxy shall be a quorum at a General Meeting. No business shall be transacted at any General Meeting unless the quorum requisite be present at the commencement of the business.

56. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened by or upon the requisition of members, shall be dissolved. In any other case it shall be adjourned to such day and place as the meeting shall by resolution determine, or, in default of such resolution, to the same day in the next week (or if that day be a holiday to the next working day thereafter), and at the time and place as the original meeting. At an adjourned meeting the members present and entitled to vote, whatever their number, shall have power to decide upon all matters which could properly have been disposed of at the meeting from which such adjournment took place.

57. The Chairman of the Directors shall be entitled to preside at every General Meeting, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, and willing to preside, the Deputy-Chairman (if any) of the Directors shall be entitled to preside, or if there be no such Chairman or Deputy-Chairman, or if neither of them shall be present within such fifteen minutes, and willing to preside, the members present shall choose another Director as Chairman, or if one Director only be present, he shall preside, if willing so to do. If no Director is present, or if all the Directors present decline to preside, then the members present shall choose one of their number to act as Chairman.

58. The Chairman of a General Meeting may, with the consent of the meeting, adjourn the same from time to time, and place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

59. At every General Meeting every resolution (including a special resolution) submitted shall, subject to the right to demand a poll, be determined by a show of hands, and unless a poll is demanded by the Chairman or by at least two members personally present, or by a member or members holding or representing by proxy, and entitled to vote in respect of at least one-tenth of the issued capital, or in the case of a special resolution by at least five Shareholders, a minute signed as hereinafter mentioned, or a declaration of the Chairman that a resolution has been carried, or in the case of a resolution requiring any particular majority that it was passed by the requisite majority, and an entry to that effect in the Book of Proceedings of the Company shall be conclusive evidence of the facts, without proof of the number or proportion of the votes recorded in favour of or against such resolution.

60. If a poll is demanded as aforesaid, it shall be taken in such manner and at such time (within twenty-eight days next after the meeting), and at such place as the Chairman of the meeting before the conclusion of the meeting directs, and either immediately or after an interval or adjournment or otherwise, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. Any poll duly demanded on the election of a Chairman of a meeting, or any question of adjournment, shall be taken at the meeting and without adjournment. The fact that a poll has been demanded shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded. A demand of a poll may be withdrawn, and no notice need be given of a poll not taken immediately.

61. In the case of an equality of votes, the Chairman shall, both on a show of hands and at a poll, have a casting vote in addition to the vote or votes to which he may be entitled as a member.

62. Minutes shall be made in books provided for the purpose of all resolutions and proceedings of general meetings, and any such minutes, if signed by the Chairman of the meeting to which they refer, or by any person present thereat and appointed by the Directors to sign the same in his place, or by the Chairman of the next succeeding meeting, shall be received as conclusive evidence of the facts stated therein.

3.—MEETINGS OF SPECIAL CLASSES OF SHAREHOLDERS.

63. The holders of any class of shares shall have power at any time and from time to time, and whether before or during liquidation, by an extraordinary resolution passed at a meeting of such holders, of which notice specifying the intention to propose such resolution shall have been duly given, to consent on behalf of all the holders of shares of the class—

- (a) To the issue or creation of any shares ranking equally with the shares of the class or having any priority thereto, which could not be issued under the powers hereinbefore contained without the consent of all the holders of shares of the class ; or
- (b) To the abandonment or alteration of any preference, privilege, priority, or special right, whether as regards capital or dividends, or of any right of voting affecting the class of shares, or to the abandonment of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to the amalgamation into one class of the shares of any two or more classes, or to the division of shares into shares of different classes, or to any alteration in these Articles, varying or abrogating, or putting an end to any rights or privileges attached to shares of the class ; or
- (c) To any scheme for the reduction of capital prejudicially affecting the class of shares as compared with any other class, and not otherwise authorized by these Articles ; or
- (d) To any scheme for the distribution of assets in money or kind in or before liquidation (though such scheme may not be in accordance with legal rights), or to any contract for the sale of the whole or any part of the Company's undertaking or property determining the manner in which, as between the several classes of Shareholders, the purchase consideration shall be distributed (though such distribution may not be in accordance with legal rights) ; and
- (e) Generally to any alteration, contract, compromise, or arrangement which the persons voting thereon could, if *sui juris* and holding all the shares of the class, consent to or enter into ;

and a resolution so passed shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which, but for this Article, the object of the resolution could have been effected without it under the provisions contained in these Articles. The consent in writing of the holders of two-thirds of the shares of the class for the time being issued shall have the same effect as an extraordinary resolution passed at a meeting of holders of shares of the class.

64. Any meeting for the purpose of the last preceding Article shall be convened and conducted in all respects as nearly as possible in the same way as an extraordinary general meeting of the Company, but no member not being a Director shall be entitled to notice thereof, or not being a Director or the duly appointed proxy of a corporation entitled to shares of the class shall be entitled to attend thereat, unless he holds shares of the class intended to be affected by the resolution, and (except that a Chairman, if a Director, may give a casting vote, whether a holder of shares of the class or not) votes shall only be given in respect of shares of that class ; and at any such meeting or any adjournment thereof, the quorum shall be members holding or representing by proxy at least one half of the issued shares of the class, and a poll may be demanded at any such meeting by any member of the class present in person or by proxy, and entitled to vote at the meeting.

4.—VOTES OF MEMBERS.

65. Subject to any special terms as to voting upon which any shares may be issued or may for the time being be held, on a show of hands every member present in person shall have one vote, and on a poll every member present in person or by proxy shall have one vote for every share held by him. Any company holding shares conferring the right to vote may by resolution of its Directors authorize any of its officials or any other person to act as its representative at any General Meeting of the Company, and the person so authorized shall be entitled to exercise the same powers on behalf of the Company which he represents as if he had been an individual Shareholder of the Company.

66. 95. At the Ordinary General Meeting in each year the Directors shall lay before the Company a balance sheet and a profit and loss account, containing a summary of the property and liabilities of the Company made up to as recent a date as practicable from the date to which the last preceding balance sheet and account were made up, or in the case of the first balance sheet and account, from the incorporation of the Company.

96. Every balance sheet and account shall be accompanied by a report of the Directors as to the state and condition of the Company, and as to the amount (if any) which they propose to carry to the reserve fund, and the amount they recommend to be distributed by way of dividend or bonus to the members in accordance with the provisions in that behalf hereinafter contained, and the balance sheet, account, and report shall be signed on behalf of the Board by two of the Directors of the Company, or if there is only one by that Director.

97. The Company shall at each Ordinary General Meeting appoint an Auditor or Auditors to hold office until the next Ordinary General Meeting.

98. The first Auditors of the Company may be appointed by the Directors before the statutory meeting, and if so appointed shall hold office until the First Ordinary General Meeting, unless previously removed by a resolution of the Shareholders in General Meeting, in which case the Shareholders at such meeting may appoint Auditors. Any Auditor quitting office shall be eligible for immediate re-election. The remuneration of the Auditors shall be fixed by the Company in General Meeting, except that the remuneration of any Auditors appointed before the statutory meeting, or to fill any casual vacancy, may be fixed by the Directors.

103. A person other than a retiring Auditor shall not be capable of being appointed Auditor at an Ordinary General Meeting, unless notice of an intention to nominate that person to the office of Auditor has been given by a member to the Company not less than fourteen days before the Ordinary General Meeting, and the Company shall send a copy of any such notice to the retiring Auditor, and shall give notice thereof to the member either by advertisement or in any other mode allowed by these Articles not less than seven days before the Ordinary General Meeting. Provided that, if after a notice of the intention to nominate an Auditor has been so given, an Ordinary General Meeting is called for a date fourteen days or less after the notice has been given, the notice, though not given within the time required by this Article, shall be deemed to have been properly given for the purposes hereof, and the notices to be sent or given by the Company may, instead of being sent or given within the time required by this Article, be sent or given at the same time as the notice of the Ordinary General Meeting.

3.—RESERVE FUND.

104. The Directors may divide the reserve fund into such special funds as they think fit, and may consolidate into one fund any special funds or any parts of any special funds into which the reserve fund may have been divided as they think fit, with full power to employ the whole or any part of the assets constituting the reserve fund in the business of the Company without being under any obligation to keep the same separate from the other assets of the Company. The Directors may also, without placing the same to reserve, carry forward any profits which they may think it not prudent to divide.

4.—DIVIDENDS.

105. The Company may in General Meeting, subject to any preference or priority for the time being subsisting, and subject to the provisions hereinafter contained, declare a dividend to be paid to the members in proportion to the amounts for the time being paid up or credited as paid up on their shares otherwise than in advance of calls, but no larger dividend shall be declared than is recommended by the Directors.

106. The Directors may from time to time pay to the members such interim dividends on account of the dividends for the current year as in their judgment are justified by the position of the Company.

107. Any premium received upon the issue of shares, and any profits realized upon the sale or shown by a valuation of assets, may be treated as revenue of the Company for the year in which the issue is made or the profits realized are ascertained.

108. The Directors may retain any dividends or instalments of interest on which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities, or engagements in respect of which the lien exists.

109. The Directors may retain the dividends or instalments of interest payable upon shares in respect of which any person is under the provisions as to the transmission of shares hereinbefore contained entitled to become a member, or which any person under those provisions is entitled to transfer, until such person shall become a member in respect of such shares, or shall duly transfer the same.

110. Every dividend and instalment of interest shall belong and be paid subject to the Company's lien (if any) to those members who shall be the registered holders of the shares at the date of the meeting or adjourned meeting at which such dividend shall be declared, or at the date at which such interest shall be made payable respectively, notwithstanding any subsequent transfer or transmission of the shares.

111. No dividend or bonus shall, except with the consent of a General Meeting, bear interest against the Company.

112. Notice of any dividend which may have been declared shall be given to the members entitled to participate therein in manner hereinafter prescribed.

113. Until otherwise directed, any dividend, bonus, or interest payable in cash to the holders of registered shares shall be paid by cheque or warrant sent through the post directed to the holder at his registered address, or in the case of joint-holders directed to the holder whose name stands first in the register in respect of the shares at his registered address. Every such cheque or warrant shall be made payable to the order of the registered holder, and in the case of joint-holders to the order of the holder whose name stands first on the register in respect of such shares, unless such joint-holders otherwise direct, and shall be sent at his or their risk.

114. A General Meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets, and in particular of paid up shares, debentures, or debenture stock of the Company, or paid up on the shares, debentures, or debenture stock of any other company, or in any one or more of such ways, and the Directors shall give effect to such resolution, and where any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments may be made to any member upon the footing of the value so fixed in order to adjust the rights of the members, and may vest any specific assets in trustees upon trust for the persons entitled to the dividend as may seem expedient to the Directors.

VII.—NOTICES.

115. A notice may be served by the Company upon any member, either personally or by sending it through the post in a prepaid letter addressed to such member at his registered address in the Island of Ceylon, or at any place outside the Island of Ceylon which is in the ordinary course of post, within a forty-eight hours' postal delivery from Colombo. In the event of a meeting being convened to consider a resolution requiring, if passed, confirmation as a special resolution, the notice convening the meeting to confirm the same may be served with or at the same time as or at any time after the notice convening the first meeting, and it shall be no objection to the notice convening the second meeting that it only convenes the same contingently on the resolution being passed by the requisite majority at the first meeting.

116. Any member residing out of the Island of Ceylon at a place which is in the ordinary course of post outside a forty-eight hours' postal delivery from Colombo may from time to time notify to the Company an address in the Island of Ceylon, or an address out of the Island of Ceylon, which is in the ordinary course of post within a forty-eight hours' postal delivery from Colombo at which all notices may be served upon him, and all notices served at such address shall be deemed well served. If he shall not have named such address, he shall not be entitled to any notices. But in the case of Heilbut Symons & Company, Limited, or any person, firm, or company for the time being carrying on the business now carried on by them, an intimation of the Company's intention to hold a meeting shall forthwith at the expense of the Company be given by cablegram addressed to them in London, England.

117. All notices directed to be given to the members shall, with respect to any share held by joint registered holders, be given to the person first named in the register of members in respect of those shares, and notice so given shall be deemed to be notice to all the holders of such shares.

118. Any notice if served by post shall be deemed to have been served at the expiration of forty-eight hours after the letter containing the same is posted, and in proving such service it shall be sufficient to prove that the letter containing the same was properly addressed and put into the post office.

119. Every executor, administrator, or trustee in bankruptcy of any member, and every person who by transfer, operation of law, or other means whatsoever, shall become entitled to any share shall be bound by every notice in respect of such share, which previously to his name being entered in the register shall have been duly given to the person from whom he derives his title, and if such person was not entitled to any notice, shall be so bound without any notice whatsoever.

120. Any notice or document given, delivered, or sent by post to or left at the registered address of any member in pursuance of these Articles shall, notwithstanding such member be then deceased, and whether or not the Company has notice of his decease, be deemed duly served in respect of any shares held by such member, whether solely or jointly with other persons, until some other person shall be registered in his stead as the holder or joint-holder thereof, and such service shall for all purposes of these articles be deemed a sufficient service of such notice or document on his heirs, executors, or administrators, and all persons (if any) jointly entitled with him to any such shares.

VIII.—WINDING UP.

121. If the Company shall be wound up and the assets available for distribution among the members shall be insufficient to pay the whole of the paid up capital, such assets shall be distributed so that as nearly as may be the losses shall be borne by the members in proportion to the capital paid up, or which ought to have been paid up at the commencement of the winding up on the shares held by them respectively, and if in a winding up the assets available for distribution among the members shall be more than sufficient to repay the whole of the capital paid up at the commencement of the winding up, the excess shall be distributed amongst the members in proportion to the capital paid up, or which ought to have been paid up at the commencement of the winding up, on the shares held by them respectively, but in no case shall a member be entitled to have any call made upon other members holding shares of the same class for the purpose of adjusting their rights. This Article shall be without prejudice to the rights of the holders of any shares issued upon special conditions and to the provisions hereinafter contained.

122. If the Company shall be wound up (whether the liquidation is altogether voluntary, under supervision, or by the Court), the liquidator may with the authority of an extraordinary resolution divide among the members in specie or kind the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of one kind or shall consist of properties of different kinds and may for such purpose set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the members or different classes of members, and the liquidator may with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of members as the liquidator with the like authority shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no contributory shall be compelled to accept any shares in respect of which there is a liability.

123. The power of sale of a liquidator shall include a power with the sanction of the holders of two-thirds of the shares of the Company for the time being issued to sell wholly or partly for the debentures, debenture stock, or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.

124. In any case in which these Articles provide that any powers may be exercised by the holders of two-thirds of the shares for the time being issued, or the consent of such holders is made necessary to the exercise of any power or any other transaction hereunder, such power may be exercised or consent given by cablegram or telegram addressed to the registered office of the Company, or by their Attorney duly appointed in that behalf, and the Company may act upon a consent so given.

IX.—INDEMNITY.

125. Every Director, Manager, Secretary, and other officer, or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay all costs, losses, and expenses which any officer or servant may incur or become liable to by reason of any contract entered into, or act or deed done by him as such officer or servant, or in any way in the discharge of his duties, and the amount for which such indemnity is provided shall immediately attach as a lien on the property and uncalled capital of the Company, and have priority as between the members over all other claims.

126. No Director or other officer of the Company shall be liable for any loss or expense happening to the Company, through the insufficiency or deficiency of title to any property acquired by order of the Directors for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortious act of any person with whom any of the moneys, securities, or effects of the Company shall be deposited, or for any loss occasioned by any error of judgment or oversight on his part, or for any other loss, damage, or misfortune whatever which shall happen in the execution of the duties of his office, or in relation thereto, unless the same shall happen through his own dishonesty.

127. No Director or other Officer of the Company shall be liable for the acts, receipts, neglects, or defaults of any other Director or Officer, or for joining in any receipt or other acts for conformity.

Coastwise Rules.

REGULATIONS for the carrying of goods coastwise dated January 5, 1870, as amended by regulations dated September 2, 1893, and November 17, 1909, made by His Excellency the Governor, in virtue of the power vested in him under the 55th clause of the Ordinance No. 17 of 1869:—

- (1) All trade by sea from one port of the Island of Ceylon to another port of the same Island to be deemed coasting trade, and all vessels while so employed therein shall be deemed to be coasting vessels, and no part of such voyage shall be deemed to be beyond sea.
- (2) The master of every coasting vessel which is to depart from any port of this Island shall deliver to the Collector an entry outwards in his name, and under his hand, of the name and destination of such vessel, her tonnage, and the number of the crew, and thereupon the Collector shall grant a general sufferance and authority for the shipping and landing of all goods, except such (if any) as shall be thereon expressly exempted.
- (3) The master shall record on the said sufferance all goods taken on board his vessel, viz., the number and description of packages and the qualities, description, and value of the goods therein, distinguishing first, goods *ex* the warehouse under bond; secondly, goods foreign and import duty paid, and shall afford proof that such duties have been paid; thirdly, goods the produce of Ceylon.
- (4) When goods are shipped for more than one port or for any place not a port, the master shall note separately the goods for each port or place.
- (5) Upon the production to the Collector of the sufferance thus duly recorded and signed by the master, and upon the furnishing by him of any further information that may be required, the Collector shall grant a clearance, according to the statement rendered by the master, of the several sorts of goods laden on board such vessel, and if the master's account be false, he shall forfeit a sum not exceeding £100, and all goods not appearing on the clearance as duly shipped shall be liable to seizure and forfeiture.
- (6) Coasting vessels may call at places and out bays at which no Custom-house officer is stationed, and may, under the written permit of the Principal Collector of Customs or of the Collector of the Province in which such place is situated, land or ship any goods specified in the said permit; and the headman (duly authorized by the Government Agent for that Province) of any place at which a vessel may anchor, discharge, or ship cargo shall require the master of such vessel to produce to him the clearance or permit of such vessel, and the headman is enjoined and required frequently to visit such vessel, to examine and take an account of the goods landed or shipped, to note and write such particulars upon the clearance or permit of the vessel, to detain such goods as shall be illegally landed or shipped, and to report any irregularity to the Government Agent or the nearest officer of Customs.
- (7) All timber, salt, arrack, or other goods which may be landed or shipped at places not authorized by the clearance or permit of the vessel will be liable to forfeiture, and may be seized by the headman of such place, who is immediately to report the detention of the goods to the Collector of Customs for the district.
- (8) All timber shipped without permit of the Government or Assistant Government Agent, or being found not to agree with the description or dimensions specified in the permit shall and may be liable to seizure and forfeiture.
- (9) Coasting vessels shall be allowed, as stores for the use of the seamen on board, only the quantity of arrack or rum sanctioned by the Government Proclamation of December 30, 1854 (*i.e.*, every vessel not exceeding 100 tons burthen bound from any port in this Colony to any other port within the same shall be allowed, as stores for the use of seamen on board of such vessel, any quantity of arrack or rum

not exceeding two gallons, and any vessel exceeding 100 tons, such quantity as shall be permitted by the Collector and recorded on the clearance), and the quantity so shipped as stores shall be so entered on the clearance of the vessel.

(10) On the removal of goods from one warehousing port to another, the parties at the warehousing port shall enter into bond, in double the amount of the duties leviable, that the goods shall be delivered into the charge of the officers of Customs at the port of destination; and the Collector at the warehousing port where the goods are shipped shall advise the Collector (by post) at the port of destination of the shipment of the same, and unless the goods be landed at the port for which they are entered outwards, or be otherwise accounted for the satisfaction of the Collector, the bond will be put in force, and in the event of any deficiency occurring between the port of lading and the port of discharge the duty will be charged thereon.

(11) All goods laden, water-borne, or unladen, contrary to the foregoing regulations, shall be forfeited under the provisions of the 56th clause of the Ordinance No. 17 of 1869.

(12) No vessel under 15 tons burthen shall be employed in a coasting voyage, nor any clearance or permit granted to her, unless the owner thereof shall have obtained from the Collector of the port to which she belongs a license, to be had on board on every such voyage, specifying the name of such vessel, the name of the master, the name of the owner, and her tonnage, and containing as many particulars of her dimensions and build as may be sufficient to identify her; but the Collector of Customs in each Province may, if he should find it necessary, dispense in the case of vessels and boats plying solely on any lake, canal, or river within his Province, with the licenses, sufferances, and permits aforesaid, and may substitute boat notes for permits, &c.

(13) *To ascertain the tonnage.*—Measure the length of the vessel from the afterpart of stem to the forepart of stropost at a point level with the upper edge of the upper strake of outside plank; then if the length is 50 feet or under, divide it into four equal parts, or if above 50 feet, into six equal parts; and at each of the divisions take the depth from a line stretched across the upper edge of upper strake or gunwale to the ceiling or bottom plank on top of the frames amidships. Divide each depth into four equal parts, and at each of the three points of division take the horizontal breadth from lining plank on one side to lining plank on the other, also the horizontal breadth at the upper and lower points of the depth; number the upper breadth 1, and so on, down to the lowest breadth, which would be 5, multiply the second and fourth breadth by 4, and the third by 2; add these products together, and to the sum add the first breadth and the fifth; multiply the quantity thus obtained by one-third of the common interval between the breadths, and the product shall be deemed the transverse area.

Having thus ascertained the transverse area at each point of division of the length of the vessel, proceed to ascertain the tonnage in the following manner. Number the areas successively, 1, 2, 3, &c., No. 1 being at the extreme limit of the length at the bow and the last number at the extreme limit of the length at the stern; then, whether the length be divided into four or six parts, multiply the second and every even numbered area by 4, and the third and every odd numbered area (except the first and last) by 2; add these products together, and to the sum add the first and last if they yield anything. Multiply the quantity thus obtained by one-third of the common interval between the areas, and the product will be the cubical contents of the internal space under the upper edge of the upper strake or gunwale; divide this product by 100, and the quotient shall be deemed the tonnage of the vessel.

(14) Before licenses as hereinbefore provided for be granted, the vessel shall, under the direction of the Collector of Customs, be inspected as to her being seaworthy, and her name and the port to which she belongs shall be conspicuously painted on her stern, and her tonnage and number of license marked upon the main beam.

(15) Licenses will be in force for the year in which they have been issued, and must be renewed immediately after January 1 in each year. All changes of owners and tinders during the year must be reported for endorsement upon the license by the Collector of Customs; and if the name of the
