ARTICLES OF ASSOCIATION OF MACKWOODS RUBBER TRADING COMPANY, LIMITED.

I.—PRELIMINARY.

1. The regulations contained in "Table C," in the schedule to "The Joint Stock Companies Ordinance, 1861," shall not apply to this Company, but the following shall be the regulations of the Company.

"These Articles" means the Regulations of the Company for the time being in force.

"Month" means calendar month.

"Year" means the year from the 1st day of January to the 31st day of December, both inclusive.

"In Writing" means written or printed or partly written and partly printed.

"Extraordinary resolution" means, in the case of a meeting of the holders of any class of shares, a resolution passed by a majority consisting of not less than three-fourths of the votes given on the resolution.

Words importing only the masculine gender include the feminine gender.

Words importing persons include corporations.

3. The business of the Company may be commenced as soon after the incorporation of the Company as the Directors shall think fit, and notwithstanding that part only of the shares may have been allotted, any branch or kind of business which by the Memorandum of Association is either expressly or by implication authorized to be undertaken by the Company may be undertaken by the Directors at such time or times as they shall think fit, either alone or with any one or more of the other branches or kinds of business thereby authorized, and any such branch or kind of business may be suffered by them to be in abeyance, whether actually commenced or not, so long as the Directors may deem it expedient not to commence or proceed with such branch or kind of business.

II.—CAPITAL.

1.—SHARES.

4. No part of the funds of the Company shall be employed in the purchase of or lent or advanced upon the security of the shares of the Company.

5. The shares shall be subject to the control of the Directors, who may issue and allot the same to such persons on such terms and conditions as to payment by way of deposit, instalment, or calls or as the amount or time of payment of calls and at such times as the Directors may think fit, subject, however, in the case of any new shares of the Company, to the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued.

6. The Company may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and time for the payment of such calls.

7. If by the conditions of the allotment of any share the whole or part of the amount or issue price thereof shall be payable by instalments, every such instalment shall when due be paid to the Company by the person who for the time being shall be the registered holder of the share, but this provision shall not affect the liability of any allottee who may have agreed to pay the same.

8. The Company shall be entitled to treat the registered holder of any share as the absolute owner thereof, and consequently shall not be bound by or compelled to recognize, even when having notice thereof, any trust, charge, incumbrance, lien, or other claim to or interest in such share on the part of any person other than an absolute right thereto in the registered holder thereof for the time being, and such rights upon transmission as are hereinafter mentioned.

9. If two or more persons are registered as joint-holders of any share, any one of such persons may give effectual receipts for any dividends, bonus, return of capital, or other money payable in respect of such share, but all the joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls payable in respect thereof.

10. The Company may with the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued pay to any person in consideration of his subscribing or agreeing to subscribe, whether absolutely or conditionally, for any shares, debentures, or debenture stock in the Company, or procuring or agreeing to procure subscriptions, whether absolute or conditional, for any shares, debentures, or debenture stock in the Company, such commission as the Directors may from time to time determine, but so that the commission payable in respect of shares (if paid out of capital moneys or satisfied by means of shares of the Company) shall not exceed the rate of 20 per cent. of the nominal amount of the shares in each case subscribed or to be subscribed, and that the rate per cent. paid or agreed to be paid shall be disclosed in any circular or notice (not being a prospectus) inviting subscriptions for the shares. Such commission may be satisfied by the allotment of fully or partly paid shares. The total amount of the sum paid by way of commission in respect of any shares, debentures, or debenture stock, or allowed by way of discount in respect of any debentures or debenture stock, or so much thereof as shall not have been written off, shall be stated in every balance sheet of the Company, until the whole amount thereof has been written off. The Company may also on the issue of shares pay such brokerage as may be lawful.

2.—SHARE CERTIFICATE.

11. The certificates of title to shares shall be issued under the seal of the Company, signed by one Director and countersigned by the Secretary or some other person appointed by the Directors. Every certificate shall specify the name or names of the holder or holders, the number and denoting numbers of the shares in respect of which it is issued, and the amount paid up or credited as paid up thereon.

12. Every member shall be entitled, without payment, to receive within two months after allotment or registration of transfer (unless the conditions of issue provide for a longer period) one certificate for the shares allotted to or acquired by him, but so that two or more persons entitled jointly to a share shall be entitled only to one certificate in respect thereof.

13. If any certificate is worn out or defaced, then, upon delivery thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof, and if any certificate is lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity, whether with or without security, as the Directors may deem adequate being given, and on payment to the Company of any expenses incurred by the Company in connection with the proof of such loss, or in investigating the title to the shares, or in connection with such indemnity, a new certificate in lieu thereof shall be issued to the person entitled to the shares represented by such lost or destroyed certificate.

14. There shall be paid to the Company for every certificate issued under the last preceding article the sum of one rupee or such smaller sum as the Directors may from time to time determine.

15. The certificate of shares registered in the joint names of two or more persons shall be delivered to the person first named on the register in respect thereof, unless such joint-holders otherwise direct.

3.—CALLS ON SHARES.

16. The Directors may from time to time, subject to the terms on which shares have been issued, make such calls as they shall think fit upon the members in respect of all moneys unpaid on the shares held by them respectively, and not by the conditions of allotment thereof made payable at fixed times, and each member shall be liable to pay the amount.

of calls so made to the persons, and at the times and places appointed by the Directors. A call may be made payable by instalments, a date fixed for payment may be postponed, and a call may be wholly or in part revoked.

17. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call is passed.

18. Six weeks' notice of any call shall be given, specifying the time and place of payment and the persons to whom such call is payable.

19. If any instalment payable on a share under the terms of allotment, or any call or instalment of a call payable in respect of any share, be not paid on or before the day appointed for payment thereof, the registered holder for the time being or allottee of the share shall pay interest for the same from the day appointed for the payment thereof to the time of actual payment at the rate of 10 per cent. per annum, or at such less rate as the Directors may determine.

20. The Directors may, if they think fit, receive from any member willing to advance the same all or any part of the money unpaid upon the shares held by him beyond the sums actually called up thereon, either as a loan repayable or as a payment in advance of calls, but such advance, whether repayable or not, shall, until actually repaid, extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which it has been received, the Company may pay interest at such rate as the member paying such sum and the Directors agree upon.

4.—FORFEITURE AND LIEN.

21. If any member fails to pay the whole or any part of any instalment payable under the terms of allotment of a share or of any call on or before the day appointed for the payment thereof, the Directors may at any time thereafter, while the said instalment or call or any part thereof remains unpaid, serve a notice on such member requiring him to pay the same, with any interest which may have accrued, and all expenses which may have been incurred by the Company by reason of such non-payment.

22. The notice shall name a day (not being less than six weeks from the date of the notice) and a place (being either the registered office of the Company or some place at which calls of the Company are usually made payable) on and at which such instalment or call or such part thereof as shall remain unpaid and such interest and expenses are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the share in respect of which such payment is due will be liable to be forfeited.

23. If the requisitions of such notice as aforesaid are not complied with, any shares in respect of which such notice shall have been given may at any time thereafter, before payment of all instalments, calls, interest, and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared and interest payable in respect of the forfeited shares, and not actually paid before the forfeiture.

24. Any share so forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of in such manner as the Directors shall with the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued (exclusive of the shares so forfeited) think fit, and in the case of re-allotment with or without any moneys paid thereon by any former holder credited as paid up thereon.

25. The Directors may at any time before any share so forfeited shall have been sold, re-allotted, or otherwise disposed of annul the forfeiture upon such conditions as they think fit.

26. The holder at the time of forfeiture of any share which has been forfeited shall, notwithstanding the same, be liable to pay to the Company all instalments, calls, interest, and expenses owing upon or in respect of such share at the time of the forfeiture, together with interest on such instalments, calls, and expenses from the time of forfeiture, until payment at the rate of 10 per cent. per annum, or such less rate as may be fixed by the Directors.

27. The Company shall have a first and paramount lien on all the shares registered in the name of any member (whether solely or jointly with other persons), and on the dividends or interest declared or payable in respect thereof for the debts, liabilities, or engagements of that member either alone or jointly with any other person to or with the Company, although the period for the payment, fulfilment, or discharge thereof may not have arrived, and whether the same may have been incurred before or after notice of any equitable interest subsisting in any person other than the registered holder. For the purpose of enforcing such lien the Directors may sell the shares subject thereto in such manner as they shall with the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued think fit, but no sale shall be made until such period as aforesaid shall have arrived, and until notice in writing of the intention to sell shall have been served on such member, his executors, or administrators, and default shall have been made by him or them in the payment, fulfilment, or discharge of such debts, liabilities, or engagements for seven days after service of such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such member, his executors, administrators, or assigns. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

28. Upon the sale or re-allotment of a forfeited share, or the sale of any share to enforce a lien of the Company in purported exercise of the powers hereinbefore contained, the Directors may cause the name of the purchaser or allottee to be entered in the register as the holder of the share, and deliver to him a certificate thereof, and thereupon he shall be deemed the holder of such share discharged from all instalments, calls, or other money due prior to such purchase or allotment. The purchaser or allottee shall not be bound to see to the application of the purchase money or consideration, and after his name has been entered in the register, his title to such share shall not be affected by any irregularity in the proceedings in reference to such forfeiture or sale, but the remedy of any person aggrieved thereby shall be in damages only and against the Company exclusively.

5.—TRANSFER AND TRANSMISSION OF SHARES.

29. The instrument of transfer of any share in the Company shall be in writing in the usual common form, but need not be under seal, and shall be signed both by the transferor and the transferee. Shares of different classes shall not be transferred by the same instrument of transfer without the consent of the Directors. Until a transfer is duly registered the transferor shall be deemed the holder of the share transferred.

30. There shall be paid to the Company in respect of the registration of every transfer or transmission of a share or shares such fee not exceeding one rupee as the Directors deem fit.

31. No share in the Company shall be transferred without the previous consent in writing of the holders of two-thirds of the shares of the Company for the time being issued.

32. The executors or administrators of a deceased member (not being one of several joint-holders) shall be the only persons recognized by the Company as having any title to or interest in the shares registered in the name of such member, and in the case of the death of any one or more of the joint-holders of any registered shares, the survivors or survivor shall be the only persons or person recognized by the Company as having any title to or interest in such shares, but this Article shall not be deemed to release the estate of a deceased joint-holder from any liability in respect of any shares held by him jointly with any other person or persons.

33. Any person becoming entitled to a share in consequence of the death or bankruptcy of a member or otherwise than by transfer, upon producing the share certificate and such evidence of title as the Directors think sufficient, may, with the consent of the Directors or of the holders of two-thirds of the shares of the Company for the time being issued (which

they shall be under no obligation to give), be himself registered as the holder of the shares, or may, subject to the regulations of these Articles as to transfers, transfer such shares to any other person. There shall be paid to the Company in respect of any such registration such fee not exceeding one rupee as the Directors deem fit.

34. Every instrument of transfer shall be left at the registered office of the Company for registration, together with the certificate of the shares proposed to be transferred, and the Company shall be furnished with such evidence as the Directors may require of the title of the transferor or his right to transfer the shares, and thereupon, and upon payment of the proper fee, the transferee shall, subject to the foregoing regulations, be registered as a member in respect of such shares. The Directors may waive the production of a certificate upon evidence satisfactory to them of its loss or destruction, and on such indemnity, whether with or without security, as the Directors may deem adequate being given, but the transferor shall pay to the Company any expenses incurred in investigating the title to the shares, or in connection with such indemnity.

35. All instruments of transfer which shall be registered and the certificates of the shares to which they refer shall be retained by the Company, but any instrument of transfer which the Directors may decline to register and the certificates of the shares to which it refers shall be returned to the person depositing the same. If a certificate lodged and retained comprises more shares than the transfer, a new certificate for the residue shall be issued to the transferor.

36. The transfer books may be closed during such time or times as the Directors may think fit, not exceeding in the whole twenty-one days in each year.

37. The holders for the time being of two-thirds of the shares of the Company for the time being issued may at any time serve the Company with a requisition to enforce the transfer of any particular shares not held by the requisitionists. The Company shall forthwith give to the holder of such shares notice in writing (with a copy of this Article subjoined), and upon the service of such notice the holder of such shares shall be deemed to have authorized the Company to sell his shares to any other member of the Company in accordance with the provisions herein contained at the fair value to be fixed by the Auditor in accordance with these Articles. If the Company shall within the space of twenty-eight days after the service of such notice find a member of the Company willing to purchase the shares (hereinafter called "the purchasing member"), and shall give notice thereof to the holders of such shares, the latter shall be bound upon payment of the fair value to transfer the shares to the purchasing member. In case any difference arises between such holder and the purchasing member as to the fair value of the shares, the Auditor shall on the application of either party certify in writing the sum which in his opinion is the fair value, and such sum shall be deemed to be the fair value, and in so certifying the Auditor shall be deemed to be acting as an expert and not as an arbitrator. If the holder of such shares after having become bound as aforesaid makes default in transferring the shares, the Company may receive the purchase money and shall thereafter cause the name of the purchasing member to be entered in the register as the holder of the shares, and shall hold the purchase money in trust for the holder of such shares. The receipt of the Company for the purchase money shall be a good discharge to the purchasing member, and after his name has been entered in the register in the purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person. Until otherwise determined by the Company in general meeting any shares in respect of which any such requisition shall be served on the Company shall be offered in succession to the holders of the shares of the Company in accordance with the number of shares held by them respectively, the holder of a larger holding being always preferred to the holder of a smaller holding, and as between holdings of equal amount in such order as may be determined by lots drawn in regard thereto, and the lots shall be drawn in such manner as the Directors think fit.

6.—INCREASE AND REDUCTION OF CAPITAL.

38. The Company in General Meeting may with the consent in writing of the holders of two-thirds of the shares of the Company for the time being issued from time to time increase the capital by the creation of new shares of such aggregate amount as may be deemed expedient.

39. The new shares shall be of such nominal amounts and shall be issued upon such terms and conditions as the Company in General Meeting may with the consent in writing of the holder of two-thirds of the shares of the Company for the time being issued direct, and in particular such shares and also any shares of the original capital for the time being unissued may (subject to the provisions hereinafter contained as to the consent of the holders of any class of shares where such consent is necessary) be issued with any preference or priorities, or special or qualified, or restricted rights in the payment of dividends, or in the distribution of assets or otherwise over as compared with any other shares, whether preference, ordinary, or deferred, and whether then already issued or not, or as shares ranking equally with any other shares, or as deferred shares, or with any special rights of or restrictions (whether absolute or partial) against voting.

40. Subject to or in default of any such directions, the provisions of these Articles shall apply to the new capital in the same manner in all respects as to the original ordinary capital of the Company.

41. The Company may from time to time by special resolution reduce its capital in any way, and in particular (without prejudice to the generality of this power) may (a) extinguish or reduce the liability on any of its shares in respect of capital not paid up, (b) either with or without extinguishing or reducing liability on any of its shares cancel any paid up capital which is lost or is unrepresented by available assets, or (c) either with or without extinguishing or reducing liability on any of its shares pay off any paid up capital which is in excess of the wants of the Company. The Company may also cancel shares which at the date of the passing of the resolution in that behalf have not been taken or agreed to be taken by any person, and diminish the amount of its capital by the amount of the shares so cancelled. Capital may be paid off upon the footing that it may be called up again or otherwise.

7.—CONSOLIDATION AND SUBDIVISION OF SHARES.

42. The Company in General Meeting may consolidate, and by special resolution may subdivide, its shares or any of them into shares of a larger or smaller denomination. The special resolution whereby any share is subdivided may provide that as between the holders of the shares resulting from such subdivision any one or more of such shares shall have any preference, priority, or advantage with regard to dividends, in the distribution of assets, as to right of voting, or in any other respect over the other or others of them.

III.—BORROWING POWERS.

43. The Directors may from time to time at their discretion raise or borrow in any manner, and upon any terms, any sum or sums of money for the purposes of the Company.

44. The Directors may for the purpose of securing borrowed money and the interest thereon, or for any other purpose, create any mortgage, charge, or lien upon, or may pledge the undertaking of the Company and the whole or any part of its property, present and future, including its uncalled capital for the time being, by way either of specific or of floating security, and may also, for any purpose and for any consideration, create and issue bonds or perpetual or redeemable debentures or debenture stock or other obligation, and secure the principal represented thereby and the interest thereon by any such mortgage, charge, or lien as aforesaid.

45. The Directors may also issue or deposit any such debentures or debenture stock by way of collateral or contingent security for the payment of any debt or the discharge of any liability of the Company.

IV.—MEETINGS OF MEMBERS.

1.—CONVENING OF GENERAL MEETINGS.

46. The Statutory Meeting of the Company shall be held at such time, not being less than one month nor more than twelve months after the date at which the Company is entitled to commence business, and at such place as the Directors shall determine.

47. General Meetings, not being Extraordinary General Meetings, shall be held once in every year after the year of the incorporation of the Company, at such time and place as may be prescribed by the holders of two-thirds of the Company for the time being issued, or if no time or place is so prescribed as may (subject as aforesaid) be determined by the Directors.

48. The General Meetings mentioned in the last preceding Article shall be called Ordinary General Meetings, and all other General Meetings shall be called Extraordinary General Meetings.

49. The Directors may, whenever they shall think fit, convene an Extraordinary General Meeting and they shall, upon a requisition made in writing by Members of the Company holding together not less than one-tenth of the issued capital upon which all calls or other sums then due shall have been paid, forthwith proceed to convene an Extraordinary General Meeting. An Extraordinary General Meeting if convened by the Directors shall be held at such place as the Directors may determine.

50. Any requisition made by members shall state the objects of the meeting to be called, and must be signed by the requisitionists and deposited at the registered office of the Company. It may consist of several documents in like form, each signed by one or more requisitionists.

51. If the Directors do not proceed to cause an Extraordinary General Meeting to be held within twenty-one days from the date of the deposit, the requisitionists, or a majority of them in value, may themselves convene the meeting, but any meeting so convened shall not be held after three months from the date of such deposit. If at any such meeting convened under this Article a resolution requiring confirmation at another meeting shall be passed, the Directors shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution, and if the Directors do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists, or a majority of them in value, may themselves convene the meeting. Any meeting convened under this Article by the requisitionists shall be convened in the same manner, as nearly as possible, as that in which meetings are to be convened by the Directors.

52. Twenty-eight days' notice of any General Meeting (inclusive of the day of service, but exclusive of the day appointed for holding the meeting) specifying the place, day, and hour of such meeting, and in case of special business the general nature of such business, shall (except in the case of meetings convened solely for the purpose of confirming a special resolution or special resolutions, and meetings convened in pursuance of a requisition made by members) be given to the members entitled to attend and vote thereat in manner hereinafter mentioned, or in such other manner (if any) as may be prescribed by the Company in General Meeting. In the case of General Meetings convened solely for the purpose of confirming a special resolution or resolutions, or a General Meeting convened in pursuance of a requisition made by members, the length of notice shall be seven days calculated as above mentioned to be given in manner above provided.

53. The accidental omission to give any such notice to any member, or the non-receipt of the same by any member, shall not invalidate any resolution passed at any such meeting.

2.—PROCEEDINGS AT GENERAL MEETINGS.

54. The business of an Ordinary Meeting shall be to receive and consider the accounts presented by the Directors, and the reports of the Directors and of the Auditors, to declare dividends, to elect Auditors, and to vote their remuneration. All other business transacted at an Ordinary Meeting, and all business transacted at an Extraordinary Meeting, shall be deemed special.

55. Two members present in person or by proxy shall be a quorum at a General Meeting. No business shall be transacted at any General Meeting unless the quorum requisite be present at the commencement of the business.

56. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened by or upon the requisition of members, shall be dissolved. In any other case it shall be adjourned to such day and place as the meeting shall by resolution determine, or, in default of such resolution, to the same day in the next week (or if that day be a holiday to the next working day thereafter), and at the time and place as the original meeting. At an adjourned meeting the members present and entitled to vote, whatever their number, shall have power to decide upon all matters which could properly have been disposed of at the meeting from which such adjournment took place.

57. The Chairman of the Directors shall be entitled to preside at every General Meeting, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, and willing to preside, the Deputy-Chairman (if any) of the Directors shall be entitled to preside, or if there be no such Chairman or Deputy-Chairman, or if neither of them shall be present within such fifteen minutes, and willing to preside, the members present shall choose another Director as Chairman, or if one Director only be present, he shall preside, if willing so to do. If no Director is present, or if all the Directors present decline to preside, then the members present shall choose one of their number to act as Chairman.

58. The Chairman of a General Meeting may, with the consent of the meeting, adjourn the same from time to time, and place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

59. At every General Meeting every resolution (including a special resolution) submitted shall, subject to the right to demand a poll, be determined by a show of hands, and unless a poll is demanded by the Chairman or by at least two members personally present, or by a member or members holding or representing by proxy, and entitled to vote in respect of at least one-tenth of the issued capital, or in the case of a special resolution by at least five Shareholders, a minute signed as hereinafter mentioned, or a declaration of the Chairman that a resolution has been carried, or in the case of a resolution requiring any particular majority that it was passed by the requisite majority, and an entry to that effect in the Book of Proceedings of the Company shall be conclusive evidence of the facts, without proof of the number or proportion of the votes recorded in favour of or against such resolution.

60. If a poll is demanded as aforesaid, it shall be taken in such manner and at such time (within twenty-eight days next after the meeting), and at such place as the Chairman of the meeting before the conclusion of the meeting directs, and either immediately or after an interval or adjournment or otherwise, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. Any poll duly demanded on the election of a Chairman of a meeting, or any question of adjournment, shall be taken at the meeting and without adjournment. The fact that a poll has been demanded shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded. A demand of a poll may be withdrawn, and no notice need be given of a poll not taken immediately.

61. In the case of an equality of votes, the Chairman shall, both on a show of hands and at a poll, have a casting vote in addition to the vote or votes to which he may be entitled as a member.

62. 3.—MEETINGS OF SPECIAL CLASSES OF SHAREHOLDERS.

At the Ordinary General Meeting in each year the Directors shall lay before the Company a balance sheet and a profit and loss account, containing a summary of the property and liabilities of the Company made up to as recent a date as practicable from the date to which the last preceding balance sheet and account were made up, or in the case of the first balance sheet and account, from the incorporation of the Company.

96. Every balance sheet and account shall be accompanied by a report of the Directors as to the state and condition of the Company, and as to the amount (if any) which they propose to carry to the reserve fund, and the amount they recommend to be distributed by way of dividend or bonus to the members in accordance with the provisions in that behalf hereinafter contained, and the balance sheet, account, and report shall be signed on behalf of the Board by two of the Directors of the Company, or if there is only one by that Director.

The Directors may divide the reserve fund into such special funds as they think fit, and may consolidate into one fund any special funds or any parts of any special funds into which the reserve fund may have been divided as they think fit, with full power to employ the whole or any part of the assets constituting the reserve fund in the business of the Company without being under any obligation to keep the same separate from the other assets of the Company. The Directors may also, without placing the same to reserve, carry forward any profits which they may think it not prudent to divide.

4.—DIVIDENDS.

105. The Company may in General Meeting, subject to any preference or priority for the time being subsisting, and subject to the provisions hereinafter contained, declare a dividend to be paid to the members in proportion to the amounts for the time being paid up or credited as paid up on their shares otherwise than in advance of calls, but no larger dividend shall be declared than is recommended by the Directors.

106. The Directors may from time to time pay to the members such interim dividends on account of the dividends for the current year as in their judgment are justified by the position of the Company.

107. Any premium received upon the issue of shares, and any profits realized upon the sale or shown by a valuation of assets, may be treated as revenue of the Company for the year in which the issue is made or the profits realized are ascertained.

108. The Directors may retain any dividends or instalments of interest on which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities, or engagements in respect of which the lien exists.

109. The Directors may retain the dividends or instalments of interest payable upon shares in respect of which any person is under the provisions as to the transmission of shares hereinbefore contained entitled to become a member, or which any person under those provisions is entitled to transfer, until such person shall become a member in respect of such shares, or shall duly transfer the same.

110. Every dividend and instalment of interest shall belong and be paid subject to the Company's lien (if any) to those members who shall be the registered holders of the shares at the date of the meeting or adjourned meeting at which such dividend shall be declared, or at the date at which such interest shall be made payable respectively, notwithstanding any subsequent transfer or transmission of the shares.

111. No dividend or bonus shall, except with the consent of a General Meeting, bear interest against the Company.

112. Notice of any dividend which may have been declared shall be given to the members entitled to participate therein in manner hereinafter prescribed.

113. Until otherwise directed, any dividend, bonus, or interest payable in cash to the holders of registered shares shall be paid by cheque or warrant sent through the post directed to the holder at his registered address, or in the case of joint-holders directed to the holder whose name stands first in the register in respect of the shares at his registered address. Every such cheque or warrant shall be made payable to the order of the registered holder, and in the case of joint-holders to the order of the holder whose name stands first on the register in respect of such shares, unless such joint-holders otherwise direct, and shall be sent at his or their risk.

114. A General Meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets, and in particular of paid up shares, debentures, or debenture stock of the Company, or paid up on the shares, debentures, or debenture stock of any other company, or in any one or more of such ways, and the Directors shall give effect to such resolution, and where any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments may be made to any member upon the footing of the value so fixed in order to adjust the rights of the members, and may vest any specific assets in trustees upon trust for the persons entitled to the dividend as may seem expedient to the Directors.

VII.—NOTICES.

115. A notice may be served by the Company upon any member, either personally or by sending it through the post in a prepaid letter addressed to such member at his registered address in the Island of Ceylon, or at any place outside the Island of Ceylon which is in the ordinary course of post, within a forty-eight hours' postal delivery from Colombo. In the event of a meeting being convened to consider a resolution requiring, if passed, confirmation as a special resolution, the notice convening the meeting to confirm the same may be served with or at the same time as or at any time after the notice convening the first meeting, and it shall be no objection to the notice convening the second meeting that it only convenes the same contingently on the resolution being passed by the requisite majority at the first meeting.

116. Any member residing out of the Island of Ceylon at a place which is in the ordinary course of post outside a forty-eight hours' postal delivery from Colombo may from time to time notify to the Company an address in the Island of Ceylon, or an address out of the Island of Ceylon, which is in the ordinary course of post within a forty-eight hours' postal delivery from Colombo at which all notices may be served upon him, and all notices served at such address shall be deemed well served. If he shall not have named such address, he shall not be entitled to any notices. But in the case of Hailbut Symons & Company, Limited, or any person, firm, or company for the time being carrying on the business now carried on by them, an intimation of the Company's intention to hold a meeting shall forthwith at the expense of the Company be given by cablegram addressed to them in London, England.

117. All notices directed to be given to the members shall, with respect to any share held by joint registered holders, be given to the person first named in the register of members in respect of those shares, and notice so given shall be deemed to be notice to all the holders of such shares.

118. Any notice if served by post shall be deemed to have been served at the expiration of forty-eight hours after the letter containing the same is posted, and in proving such service it shall be sufficient to prove that the letter containing the same was properly addressed and put into the post office.

119. Every executor, administrator, or trustee in bankruptcy of any member, and every person who by transfer, operation of law, or other means whatsoever, shall become entitled to any share shall be bound by every notice in respect of such share, which previously to his name being entered in the register shall have been duly given to the person from whom he derives his title, and if such person was not entitled to any notice, shall be so bound without any notice whatsoever.

120. Any notice or document given, delivered, or sent by post to or left at the registered address of any member in pursuance of these Articles shall, notwithstanding such member be then deceased, and whether or not the Company has notice of his decease, be deemed duly served in respect of any shares held by such member, whether solely or jointly with other persons, until some other person shall be registered in his stead as the holder or joint-holder thereof, and such service shall for all purposes of these articles be deemed a sufficient service of such notice or document on his heirs, executors, or administrators, and all persons (if any) jointly entitled with him to any such shares.

This Article shall be without prejudice to the rights of the holders of any shares issued upon special conditions and to the provisions hereinafter contained.

122. 123. The power of sale of a liquidator shall include a power with the sanction of the holders of two-thirds of the shares of the Company for the time being issued to sell wholly or partly for the debentures, debenture stock, or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.

124. In any case in which these Articles provide that any powers may be exercised by the holders of two-thirds of the shares for the time being issued, or the consent of such holders is made necessary to the exercise of any power or any other transaction hereunder, such power may be exercised or consent given by cablegram or telegram addressed to the registered office of the Company, or by their Attorney duly appointed in that behalf, and the Company may act upon a consent so given.

Every Director, Manager, Secretary, and other officer, or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay all costs, losses, and expenses which any officer or servant may incur or become liable to by reason of any contract entered into, or act or deed done by him as such officer or servant, or in any way in the discharge of his duties, and the amount for which such indemnity is provided shall immediately attach as a lien on the property and uncalled capital of the Company, and have priority as between the members over all other claims.

126. No Director or other officer of the Company shall be liable for any loss or expense happening to the Company, through the insufficiency or deficiency of title to any property acquired by order of the Directors for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortious act of any person with whom any of the moneys, securities, or effects of the Company shall be deposited, or for any loss occasioned by any error of judgment or oversight on his part, or for any other loss, damage, or misfortune whatever which shall happen in the execution of the duties of his office, or in relation thereto, unless the same shall happen through his own dishonesty.

MUNICIPAL COUNCIL NOTICES.

MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Friday, May 13, 1921, at 3 p.m.

The Council met this day at 3 p.m., pursuant to notice dated May 6, 1921.

Present :—Mr. B. G. de Glanville, Chairman ; Mr. C. P. Dias ; Major A. W. de Wilton ; Mr. N. H. M. Abdul Cader ; Mr. Arthur Alvis ; Dr. E. V. Ratnam ; Dr. W. P. Rodrigo ; the Hon. Dr. G. J. Rutherford ; Mr. W. C. S. Ingles ; Mr. Harold Creasy ; Mr. W. Philips ; Mr. A. E. de Silva ; Lieut.-Col. S. Boylan Smith, D.S.O., O.B.E. ; Mr. E. W. Jayewardene ; Mr. R. L. Pereira ; Mr. C. H. Z. Fernando ; Mr. T. H. Tatham ; and Mr. J. S. Collett.

1. The Minutes of the General Meeting of April 22, 1921, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of April 22, 1921, be confirmed.

2. (a) The Chairman read the following :—Since the last meeting of Council 6 cases of Human Plague, including a contact in the Segregation Camp, have been reported, making a total up to date, this year, of 154 cases, as against a total of 52 cases during the corresponding period of last year. Three of the cases were septicæmic, and 3 were bubonic in character. All proved fatal. The distribution of the cases was as follows :—Gas Works street 1 case ; Green street 2 cases ; one of which developed at the Segregation Camp ; Albion lane 1 case ; Old Kolonnawa road 1 case ; 1 homeless vagrant said to have come from Kochchi ade.

Rat Plague.—No case of rat plague has been discovered since March 10, when the total stood at 43 cases.

(b) *Smallpox*.—The Chairman read the following :—The Medical Officer of Health reports that the town may now be regarded as free from infection, as it is 31 days since the last case was removed to the hospital. A watch is, however, still being maintained in case concealment may have been resorted to.

3. Pursuant to notice, Mr. C. H. Z. Fernando asked the Chairman the following questions to which the Chairman replied as follows :—

Q. (1) Whether the Chairman is aware what steps are being taken by Government to redeem its promise to introduce at an early date legislation to amend the constitution of Municipal Councils, so as to bring it into harmony with the principles of the Local Government Bill ?

A. (1) The answer is in the negative.

Q. (2) Whether the Chairman is aware that Mr. W. M. Thyne, the Waterworks Engineer, has expended a good deal of money over and above the Rs. 3,260 sanctioned by the Council, in repairing and renovating his bungalow and laying out and terracing its grounds ?

A. (2) The Chairman is aware that more than Rs. 3,260 was spent on repairing and renovating this bungalow, but not that any Municipal funds were expended in laying out or terracing the grounds.

Q. (3) Whether the Chairman is aware what is the total expenditure likely to be incurred on this account and also how much of this has been expended up to date.

A. (3) The answer is in the affirmative.

Q. (4) Whether the Chairman is aware which votes were used to obtain the sum expended up to date and whether such expenditure was with his sanction.

A. (4) The answer to the first part of the question is in the affirmative. The expenditure was made without reference to the Chairman.

Q. (5) Whether the Chairman has obtained from the Works Engineer an estimate of the actual cost up to date of the repairs to the building and the laying out of the grounds by the Waterworks Engineer, and, if so, what it amounts to ?

A. (5) No estimate was obtained from the Works Engineer. Work of this nature is usually in the hands of the Engineer concerned.

Q. (6) In view of the fact that the Council has neither sanctioned an increase of expenditure under the vote of Repairs to the Waterworks Engineer's Bungalow, nor allowed a transfer of monies assigned under other heads of expenditure to this head, will the Chairman make a statement to Council as to how this extra expenditure came to be made ?

A. (6) The following is the statement asked for :—In March, 1920, the Waterworks Engineer, Mr. W. M. Thyne, reported that he estimated the cost of erecting a new kitchen, bathroom, and other minor alterations at Rs. 3,260, and submitted a plan showing the alterations proposed. On May 7, 1920, this estimate was sanctioned by the Council. In December, 1920, I called for a statement of the cost of work done on this bungalow. The Waterworks Engineer submitted a statement showing expenditure up to November 30, 1920, as follows :—From vote of Rs. 3,260 sanctioned, Rs. 2,975.26 ; from vote for Maintenance of Waterworks, Rs. 2,358.89.

With this statement he submitted the following report :—“In submitting my estimate for alterations it was not anticipated that any rebuilding of walls would be necessary ; however, on removing the plaster dangerous cracks were noticed, and in two instances the partition walls built of cabook and mud could be shaken. It was necessary to rebuild these walls, and the work was done on the vote for Maintenance of Colombo Waterworks, under which vote provision is also made for repairs to buildings in Waterworks premises. No new walls have been constructed other than those rebuilt, with the exception of the back verandah wall, which was included in my original suggestion. The rebuilding of the walls would under any circumstances have been necessary were the bungalow to be occupied. Some of the door and window frames were also eaten badly by ants, and were replaced. I am occupying the bungalow on January 1, and any painting and varnishing of doors, &c., will be charged to maintenance of premises. This will cost Rs. 300.”

4. Pursuant to notice, Mr. C. H. Z. Fernando moved that, in view of the fact that the Councils' finances show some improvement, immediate arrangements be made to obtain the services of a Band to afford the citizens of Colombo music at the parks, a privilege they enjoyed for over twenty years and which was discontinued last year owing to the policy of retrenchment. Mr. R. L. Pereira seconded. Mr. E. W. Jayewardene supported the motion.

The Chairman stated that he was fully in sympathy with and accepted the motion. He moved, as an amendment, that, with the consent of the mover and the seconder, the matter be referred to the Standing Committee on Finance to decide the number of performances that should be given and the question of cost. Mr. C. P. Dias seconded.

The mover and the seconder having acquiesced, the amendment was carried.

5. Pursuant to notice, Mr. T. H. Tatham moved that this Council do take immediate steps to make the San Sebastian Canal a navigable waterway, and that, on completion, they urge Government to take it over and work it with the Lake Development Scheme, with which it is intimately connected. Mr. J. S. Collett seconded.

The Chairman suggested that the matter be referred to the Standing Committees on Municipal Works and Finance, with whom may be associated the mover of the motion, to consider the estimates, &c., and submit their recommendation to Council. Messrs. R. L. Pereira, E. W. Jayewardene, and Dr. W. P. Rodrigo spoke on the subject.

The Chairman moved, as an amendment, with the consent of the mover and seconder, that the matter be referred for consideration to the Standing Committees on Municipal Works and Finance, with whom will be associated the mover of the motion, and that, meanwhile, the papers be circulated to Members of Council. Mr. C. P. Dias seconded.—Carried.

6. Pursuant to notice, the Chairman moved that this Council desires to place on record its regret at the death of Mr. M. F. Khan, a former Member of the Municipal Council, and to convey to his family an expression of its sympathy in their bereavement. Mr. C. P. Dias seconded.

The motion was put to the meeting and passed in solemn silence, all the Members standing.

Mr. C. P. Dias moved that the Council do go into Committee to consider items Nos. 7 to 13 (inclusive) on the Agenda. Mr. N. H. M. Abdul Cader seconded.—Carried.

The following extracts from the Minutes of the Standing and the Special Committees named were then laid before the Council in Committee:—

Extracts from the Minutes of the Four Standing Committees of April 29, 1921.

(2) To consider the application of Mr. A. T. Bennett for the post of Expert Assessor.—Recommended that Mr. A. T. Bennett be appointed to the post of Expert Assessor, and that steps be taken at once to appoint an assistant to be trained to take the place of the present Assistant Assessor on the later's retirement.

(3) To re-consider the question of the resignation of Mr. C. L. Cox, the City Sanitation Engineer, and his request to retain a claim to ultimate pension for his service under the Municipality.—Recommended that Council sanction Mr. C. L. Cox's acceptance of the post of Deputy Director, Public Works, Nigeria, and his retention of a claim to ultimate pension for his service (of 14 years 8 months and 23 days, to end of May, 1921) under the Municipality. (Mr. N. H. M. Abdul Cader dissenting.)

Resolutions.

With regard to item No. 2, Dr. E. V. Ratnam and Mr. R. L. Pereira spoke against the recommendation.

In consequence of a statement by Mr. R. L. Pereira that a report from Mr. Bennett had been extracted from the papers, the Chairman adjourned the debate on the question while an inquiry was being made as regards the report said to have been abstracted.

Meanwhile, the Council proceeded to consider the next item on the Agenda. This was disposed of as detailed below. Mr. Bennett having been sent for and having assured the Chairman that he had made only two reports which were with the papers, the Chairman so informed the meeting.

Dr. E. V. Ratnam, Mr. C. H. Z. Fernando, Mr. R. L. Pereira, Dr. W. P. Rodrigo, and Mr. E. W. Jayewardene spoke against the recommendation and maintained that the resolution of the Council at the previous meeting was binding on the Council.

(Major A. W. de Wilton left the meeting at this stage.)

Mr. Harold Creasy stated that, as it was a matter of urgency, the application of Mr. Bennett had been brought before that meeting.

Mr. E. W. Jayewardene moved that the recommendation of the Four Standing Committees is *ultra vires* and should not be considered at present until applications have been received from England, India, and Ceylon. Mr. C. H. Z. Fernando seconded.—Carried.

With regard to item No. 3, Mr. R. L. Pereira, Mr. Arthur Alvis, and Dr. W. P. Rodrigo opposed the recommendation.

(Mr. W. C. S. Ingles left the meeting at this stage.)

The Chairman explained the position as regards the Pension Minute, the position as regards Mr. C. L. Cox's resignation, and the position as regards the effect on the Council's service of a refusal to grant this claim.
