NOTICE is hereby given that an application has been received from the Ceylon Hemp and Produce Syndicate for the lease to it of the block of land described below for the special purpose of cultivating it with Sisal hemp.

THE following memorandum drawn up by His Majesty's Commercial Agent for the Netherlands East Indies relating to import duty to be levied on goods sent as exhibits for the Annual Fair to be held at Bandoeng this year is published for general information.

Colonial Secretary's Office,  
Colombo, July 4, 1921.

By His Excellency's command,  
GRAEME THOMSON,  
Colonial Secretary.

## MEMORANDUM.

*Import Duties Levied on Goods Imported for Exhibitions at the Bandoeng Fair.*

With reference to the forthcoming Industrial Fair which will open at Bandoeng, Java, on September 19, 1921, and continue until October 9, 1921, several questions have recently been put to the Director of the Customs Department for the Netherlands East Indies in connection with the import duties levied on goods primarily intended as exhibits at the Fair. For the general information of British and Colonial Firms who are interested in sending their manufactures to this Industrial Fair, questions that have been asked by this Office and replies that have been received through the courtesy of the Director of Customs Department are subjoined herewith:—

**Question 1.**—Are goods imported for the Industrial Fair to be held at Bandoeng, Java, subject to the existing import duties?

**Answer.**—Yes. On goods which, according to the Regulations are subject to import duty and with which no special declaration is forwarded, the full import duty must be paid.

**Question 2.**—In the event of goods imported for exhibition purposes only, and not for sale, can any duty paid be reclaimed when the goods are again withdrawn from the Netherlands East Indies?

**Answer.**—If it can be shown that the goods are destined as exhibits at the Fair, and are to be again exported, no import duty is levied on such goods, provided that the Director of the Department of Finance declares that the goods in question are imported according to the Regulations laid down in Article 23 of the Ordinance dated October, 1882 (Official Gazette No. 240, with amendments published in Official Gazette No. 237 of 1902 and No. 203 of 1909).

In order to obtain the applicable information of Article 23 in respect of goods mentioned, participants have to apply to the Chief of the Department of Finance on a proper form which may be obtained from the Post Office at a charge of f. 1. 50.

If the goods are sent by parcel post the application for duty exemption should be forwarded to the Head of the Customs Department, Weltevreden, Java.

The exemptions allowed under Article 23 are governed by the following conditions:—

(a) That the destination of the goods is proved to the satisfaction of the Customs House Officer.

(b) That before the goods are admitted, a bill of declaration must be made in accordance with the regulations in Articles 27/31 of the by-laws under the index letter "A" in the Official Gazette of 1882, No. 240.

(c) The importer must admit his liability for the payment of import duty. (I understand that by this is meant that liability is admitted if the importer fails to get exemptions under Article 23.)

(d) The Customs House Officer has the authority of claiming a security.

(e) That within a stipulated time, proof must be shown to the satisfaction of the Customs House Officer that the goods imported are intended for the purpose of exhibits at the Industrial Fair only.

(f) That liability under sub-section (c) is exempted and security under sub-section (d) is required, after all other conditions have been complied with.

(g) That if having failed to comply with the conditions under sub-section (e) the importer will pay the import duty when demanded by the Collector of Import, Export, and Excise as soon as the specified time has expired.

**Question 3.**—If machinery worth, say, from £3,000 sent to the Fair solely for demonstration purposes is withdrawn from this country as soon as practicable, what *ad valorem* percentage duty must be deposited, and what possibility is there of the deposit being refunded?

**Answer.**—Machines, steam engines, machine tools, apparatus, and implements for agriculture, industry, mining, handicraft, or professions, are, according to the Netherlands East Indian Tariff Law, subject to 6 per cent. *ad valorem* duty.

In case such goods are imported exclusively with a view to demonstrating them at the Industrial Fair, and immediately the Fair is over to re-export them outside the territory, subject to our Customs Law, the conditions as explained under question 2 are applicable.

**Question 4.**—If goods imported for exhibition purposes and also offered for sale, and in the event of such goods not being sold are later withdrawn from this country, can any refund of import duty be claimed?

**Answer.**—Goods of which the re-export is not certain are subject to import duty according to Article 23 of the Ordinance of October 1, 1882.

2. The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted as soon as, in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The business of the Company shall be carried on by, or under the management or direction of, the Directors, and subject only to the control of General Meetings, in accordance with these presents. The Company being established on the basis that it shall acquire the Karandupona estate, it shall be no objection that the vendors are in a fiduciary position to the Company or that there is no independent Board of Directors nor shall any claim be made on any of the vendors on any such ground. Every member of the Company present or future shall be deemed to have joined the Company on this basis.

## CAPITAL.

4. The nominal capital of the Company is One million Rupees (Rs. 1,000,000) divided into 100,000 shares of Ten Rupees (Rs. 10) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct; and they shall have power to add to such new shares such an amount of premium as may be considered expedient.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.

7. The Directors may also with the sanction of a special resolution of the Company reduce the capital or subdivide or consolidate the shares of the Company.

## SHARES.

8. The Company may call up the balance capital whenever the Directors shall think fit, and may make arrangements on the issues of shares for a difference between the holders of such shares in the amount of calls to be paid, and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the *Holder* of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares, except when otherwise provided, shall first be offered by the Directors to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, or as remuneration for work done for or services rendered to the Company and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company shall direct; and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, and that without offering the shares so allotted to the Shareholders.

12. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company may from time to time direct.

13. Shares may be registered in the name of a firm or partnership and any partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies in respect of shares registered in the name of the firm.

14. Shares may be registered in the names of two or more persons jointly.

15. Any one of the joint-holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such share; but only one of such joint-shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 36 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares held by him and the amount paid thereon.

20. If any certificate be worn out or defaced, then, upon production thereof to the Directors they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

21. The certificates of shares registered in the names of two or more persons not a firm shall be delivered to the person first named on the register.

#### CALLS.

22. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

23. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

24. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing the call was passed.

25. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

26. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys due upon their respective shares beyond the sums actually called for; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

27. Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

28. No transfer of shares shall be made to an infant or person of unsound mind.

29. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

30. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise; or in case of shares not fully paid up, to any person not approved of by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

31. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of two rupees and fifty cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors,

subject to the powers vested in them by Article 30, shall register the transferee as a Shareholder and retain the instrument of transfer.

32. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

33. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only if at all, upon the transferee.

34. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

35. The executors, or administrators, or the heirs of a deceased Shareholder shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

36. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

37. If any person who shall become entitled to be registered in respect of any share under clause 36 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

#### SURRENDER AND FORFEITURE OF SHARES.

38. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

39. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

41. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. A certificate in writing under the hands of one of the Directors and of the Secretary that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 41 hereof, shall be redeemable after sale or disposal.

45. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or in respect of any other debt, liability, or engagement whatsoever; and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. A certificate in writing under the hands of one of the Directors and of the Secretary, that the power of sale given by clause 46 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

49. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

51. If at any time by the issue or preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

53. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees One hundred thousand (Rs. 100,000).

54. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

55. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

56. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

60. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other Meetings of the Company shall be called Extraordinary General Meetings.

61. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

62. Any requisition so made shall express the object of the Meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and such time as the Shareholders convening the meeting may themselves fix.

63. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

64. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

65. Seven days' notice, of the time, place, date, and subject of the meeting, and the object and business of the meeting, shall be given by advertisement in such other manner (if any) as may be prescribed by the Company in General Meeting. If the resolution is not passed at the first meeting, the two meetings may be convened by one and the same notice and it shall be deemed that it only convenes the 2nd meeting contingently upon the resolution being passed at the first meeting.

The Directors shall be competent, without special notice having been given of the purposes for which the meeting is to be transacted thereat, to receive and discuss any report and any accounts.

presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

67. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

68. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

69. If at the expiration of half an hour from the time appointed for the Meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

70. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

71. No business shall be discussed at any General Meeting, except the election of a Chairman whilst the Chair is vacant.

72. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

73. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

#### VOTING AT MEETINGS.

74. At any meeting every resolution shall be decided by a show of hands and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some Shareholder, or in the case of a special resolution by five Shareholders present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

75. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney, or in the case of a special resolution, by five Shareholders, their proxies or attorneys at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

76. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

77. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

78. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him.

79. The parent or guardian or curator of an infant Shareholder, the committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

80. Votes may be given either personally or by proxy or by attorney.

81. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting unless all calls due from him on his shares have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote at least one month previous to the time of holding the meeting at which he proposes to vote.

82. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

83. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney), or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

84. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than twenty-four hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

As witness my hand this \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_.

85. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney) except at the meeting or poll at which such votes shall be tendered, and every vote (whether given personally or by proxy

or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

86. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

The qualification of a Director shall be his holding in his own right at least one hundred fully or partly paid shares in the Company upon which all calls for the time being have been paid, and this qualification shall apply as well to the first Directors as to all future Directors.

88. As remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding Two thousand Rupees annually to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration granted for special or extra services hereinafter referred to, nor any extra remuneration to the Managing Directors of the Company.

89. The first Directors shall be Alexander Craib, James Graham Craib, and Percy Ball. The said Alexander Craib shall be a Life Director and shall hold office until his death or disqualification under Article 103 hereof. The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Director for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money, as they shall think fit.

99. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

100. The Company may, by a special resolution, remove any Director (other than the Life Director) before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The Directors so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

137. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the daytime have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

#### DIVIDENDS, BONUS, AND RESERVE FUND.

138. The Directors may, with the sanction of the Company in General Meeting, from time to time, declare a dividend to be paid, and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend shall be payable except out of nett profits.

139. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

140. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund and may invest the same in such securities as they may select, or place the same in fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof as they think fit, to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

141. Any General Meeting may direct payment of any dividend or bonus declared at such meeting, or of any interim dividends or bonuses which may subsequently be declared by the Directors, wholly or in part by means of drafts or cheques on London, or by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company or of any other company, or in any other form of specie, or in any one or more of such ways, and the Directors shall give effect to such direction, and when any difficulty arises in regard to the distribution, they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend or bonus as may seem expedient to the Directors.

142. No unpaid dividend or bonus shall ever bear interest against the Company.

143. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

144. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of moneys as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

145. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

146. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

147. Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

#### NOTICES.

148. Notices from the Company may be authenticated by the signature (printed or written) of the Agent or Secretary, Agents or Secretaries, or persons appointed by the Board to authenticate the same.

149. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

150. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the Agent or Secretary or Agents or Secretaries of the Company, their own or some other address in Ceylon to which notices may be sent.

151. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

152. Any notice if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

153. Any Shareholder who fails to give and register an address in Ceylon, as provided in Article No. 149, shall not be entitled to be given any notices.

All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

#### ARBITRATION.

154. Whenever any question or other matter whatsoever arises in dispute between the Company and any other company or person, the same may be referred by the Directors to arbitration.

## EVIDENCE.

155. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the Register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

## PROVISIONS RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

156. Any Shareholder, whether a Director or not, and whether alone or jointly with any other Shareholder or Director, and any person not a Shareholder, may become the purchaser of the property of the Company or any part thereof in the event of a winding up or a dissolution, or at any other time when a sale of the Company's property or effects or any part thereof shall be made by the Directors under the powers hereby or under the Ordinance conferred upon them.

157. If the Company shall be wound up, whether voluntarily or otherwise, the liquidator or liquidators may, with the sanction of a special resolution of the Company, divide among the contributories in specie any part of the assets of the Company, and may, with the like sanction, vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator or liquidators, with the like sanction, shall think fit, and if thought expedient, any such division may be otherwise than in accordance with the legal rights of the members of the Company, and in particular any class may be given preferential or special rights or may be excluded altogether or in part, and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully paid, part paid, or preference in the purchasing company, but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing company, either ordinary, fully paid, or part paid, or preference, any contributory who would be prejudiced thereby shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England, but for the purposes of an arbitration, as in the sub-section (6) of the said section provided, the provisions of the Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance No. 2 of 1889 shall apply in place of the English and Scotch Acts referred to in the said sub-section (6) of section 192 of the aforesaid Companies (Consolidation) Act, and the said section 192, save as herein excepted, shall be deemed to be part and parcel of these present Articles.

#### ARTICLES OF ASSOCIATION OF THE VARSITY STORE, LIMITED.

It is agreed that the regulations contained in the Table C in the schedule annexed to "The Joint Stock Companies Ordinance, 1861," subject to the hereinafter mentioned modifications, shall be deemed to be the regulations of the Company. The modifications are as follows :—

*Issuing and Transferring Shares.*—Every instrument of transfer shall be left at the office of the Company for approval by the Directors, accompanied by such evidence as may be required by the Directors to prove the title of the transferor. If the transfer be approved, such approval shall be certified in writing under the hand of two of the Directors endorsed on such instrument of transfer, and the Company shall thereupon register the transferee as a Shareholder. If the transfer be not approved of, the proposed transfer shall be absolutely void and notice of non-approval shall be sent to the Shareholder intending to transfer such shares. If no notice of non-approval shall be sent to the Shareholder within thirty days, the transfer shall be deemed to have been approved. Shareholders who are employed in the Company cannot sell or transfer their shares as long as they are employed by the Company.

*General Meetings.*—No business shall be transacted at any meeting, except the declaration of a dividend, unless a quorum of Shareholders is present at the commencement of such business, and seventeen Shareholders shall form a quorum. One share one vote. Each Shareholder shall be entitled to one vote for every share held by him.

*Proxies and Agents.*—Each Shareholder shall be entitled to have a representative or proxy (duly authorized and notified to the Company beforehand) at all meetings which he does not personally attend. Such representative or proxy must himself be a Shareholder. Any Shareholder resident out of the Island must authorize a representative, agent, or attorney with an address within the Island to receive on his behalf all such notices as the Company is bound to give to Shareholders and must register such agent's address at the Company's office, and any such Shareholder failing to do so shall be regarded as having dispensed with notice. Every person who by operation of law, by transfer, or other means shall become entitled to any share shall be bound by any and every notice or other document, which previous to his name and address being entered on the Company's register of shares shall already have been given to the person from whom he derives his title.

When any notice or document is delivered or sent in accordance with these presents to the registered address of a Shareholder or of a Shareholder's registered agent, then, notwithstanding his being then deceased, and whether or not the Company shall have had notice of his decease, such delivery or despatch of the notice or document shall for all purposes be deemed sufficient service thereof on his heirs, executors, and administrators.

*Directors.*—The number of Directors shall be five, three of whom shall form a quorum, and the Directors for the first year shall be those who have been appointed by the subscribers hereof. Every Director shall hold in his own name and not jointly with another not less than fifty shares in the Company.

*Power of Directors.*—Directors shall have the power to do the following things in the name and on behalf of the Company :—

From time to time to appoint or renew such officers of the Company as they may deem expedient, and to appoint an attorney or attorneys under the seal of the Company as they deem necessary to act specially on behalf of the Company out of the Island, and to revoke such appointments and to appoint or remove one or more of their number as Managing Director and to fix the salaries of such persons.

*Management.*—The Directors, through the agency of a Secretary to be appointed by them, are to be responsible for the management of the business.

To purchase or take on lease any land or other real or personal property that they may think requisite or desirable for the purposes of the Company.

To execute all deeds, receipts, and other documents that they may deem necessary and for that purpose to use the seal of the Company.

To refer disputes to arbitration, to compromise any debts or claim due to or by the Company, and to give time to any debtor for the payment of his debt.

To bring or defend or abandon any action, suit, or prosecution or other legal proceedings, and to accept responsibility for the acts of officers of the Company.

To carry into effect all or any of the objects of the Company as expressed in the Memorandum of Association, and to exercise all or any of the powers thereby given to the Company, provided, however, that the seal of the Company shall not be affixed to any instrument, except in the presence of at least one Director and the Secretary, who shall attest to the

seal thereof. And it is provided further that all moneys, except the moneys required for current expenses, shall from time to time be deposited by the Directors with Bankers of the Company to the account of The Varsity Store, Ltd., and cheques shall be signed and all bills drawn, accepted, and endorsed by a Director and the Secretary. And it is provided also that the Directors shall not have the power to purchase shares of the Company on behalf of themselves or others with the Company's funds.

*Period of Meeting.*—The Directors shall meet at least once in every three months. Shareholders shall meet ordinarily as soon after December 31 in each year, as soon as the books of the Company shall have been closed.

An Extraordinary General Meeting shall be convened whenever eleven Shareholders sign a requisition thereof.

A resolution signed by all the Directors for the time being resident in Ceylon shall be valid and effectual as if it had been passed at a meeting of Directors duly called and constituted, provided that no fewer than three Directors shall have signed it.

The Directors shall at least seven days prior to the Annual General Meeting give or send to the registered address of every Shareholder, or in the case of Shareholders out of the Island to their registered agents or attorneys as hereinbefore provided, a correct statement of the financial affairs of the Company covering the previous year's working and their reckoned to the said December 31, assets, liabilities, duly audited by a Public Accountant or Accountants, and shall submit the same at the meeting together with any further information likely to forward the welfare and interest of the Company.

## MUNICIPALITY OF GALLE.

*Present* :—Mr. F. Bartlett, Chairman; Mr. D. G. Goonewardene; Mr. H. M. Macañ Markar; Mr. D. W. Subasinghe; Mr. C. E. de Vos; Mr. G. E. Abeywardene; Mr. J. E. Perera; Mr. D. I. Durham; and Mr. E. W. Cade.

1. The Minutes of Proceedings of the General Meeting of May 14, 1921, a copy thereof having been furnished to each Councillor, were taken as read and confirmed.

2. Pursuant to notice, Mr. D. W. Subasinghe asked:—What steps does the Council intend taking to improve the Victoria park; is there any likelihood of the clumsy sooriya trees being felled and the drive round it being improved?

The Chairman replied:—The existing barrier is being widened and raised to prevent erosion on the south-east, and 400 feet of reinforced cement concrete sheet piling are being constructed to protect the bank of the canal at an estimated cost of Rs. 7,000. A sum of Rs. 500 was voted for partially filling the hollow, the removal of unnecessary trees, and for repairing the drive. It is the intention of the Council to vote a similar sum annually for the gradual improvement of the park.

3. Pursuant to notice, Mr. J. E. Perera asked:—

(1) What further information is available regarding the electric lighting scheme?

*Reply*.—All I can say at present is that certain correspondence on the subject is being laid before the Special Committee.

(2) What increase of proceeds has the Council realized by the re-sale of properties sold and purchased by Council for non-payment of taxes during the years 1919, 1920, and 1921?

*Reply*.—In 1919 Rs. 2,256.03; in 1920 Rs. 173; in 1921 Rs. 979.65.

4. Pursuant to notice, Mr. D. W. Subasinghe moved—That the Superintendent of Works be requested to supervise the prosecutions under the Town Planning Ordinance, and be provided with such assistance as may be necessary. Mr. D. G. Goonewardene seconded.—Resolved that all reports *re* buildings from the Inspectors be referred to the Superintendent of Works for his recommendation as to the action to be taken.

5. Pursuant to notice, Mr. J. E. Perera moved—That the Council do vote a sum of Rs. 500 for the purpose of distributing free milk to the infants of destitute parents within the Municipality, either by its own or by any voluntary organization which may elect to do so; and that a like sum be voted every three months if Council is satisfied with such distribution. Mr. G. E. Abeywardene seconded.

Mr. D. G. Goonewardene was of opinion that a representative scheme should first be laid before the Council; and he suggested that the consideration of the matter should await the scheme. The Chairman endorsed Mr. Goonewardene's suggestion, and thought that a public meeting should be convened to consider the question of forming an organization for social service in Galle.

This was agreed to; and Mr. J. E. Perera, with the consent of the seconder, agreed to withdraw the motion.

## NOTIFICATIONS UNDER "THE PATENTS ORDINANCE 1906."

THE following Specifications have been accepted :—

No. 1824 of May 3, 1921.

California Corrugated Culvert Co.

"Flood-gate."

*Abstract.*—A flood-gate is described, which is mounted in such a way that when it moves away from its seating it remains parallel to it and so leaves an opening all the way round; at the same time it is claimed that the gate movement is sensitive, return is easy, and closing effective.

The claims are :—

1. A flood-gate comprising a conduit; a gate-seating member carried by the conduit; a gate; and gate-supporting links symmetrically disposed with relation to the vertical centre line of said gate, one on each side thereof, pivotally connected at their lower ends to said gate in a horizontal line above its centre of gravity and at their upper ends pivotally connected in a horizontal line, with the gate-seating member in such position with relation thereto that said gate when closed is substantially in a state of equilibrium with respect to said pivotal connections, substantially as described and illustrated.

2. A flood-gate comprising a conduit; a gate-seating member carried by the conduit; a gate; and gate-supporting links symmetrically disposed with relation to the vertical centre line of said gate, one on each side thereof, pivotally connected at their lower ends to said gate in a horizontal line above its centre of gravity, and at their upper ends pivotally connected in a horizontal line, with the gate-seating member in such position with relation thereto that said gate when closed is substantially in a state of equilibrium with respect to said pivotal connections, said links being extended beyond their pivotal connections with said gate-seating member, and provided with counterweights, substantially as described and illustrated.

3. A flood-gate comprising a conduit; a gate-seating member carried by the conduit; extensions rising from said member; a rod carried between said extensions; a gate; gate-supporting links pivotally connected with said gate and pivoted on said rod; and a stop pin on the gate-top coacting with said rod, substantially as described and illustrated.

4. A flood-gate comprising a conduit; a gate-seating member carried by the conduit; extensions rising from said member; a rod carried between said extensions; a gate; gate-supporting links pivotally connected with said gate and pivoted on said rod; said links being extended above said rod and provided with counterweights; and a stop pin on the gate-top coacting with said rod, substantially as described and illustrated.

No. 1,825 of May 3, 1921.

Universal Oil Products Company.

"Cracked petroleum oils and process of producing same."

*Abstract.*—A process and apparatus for cracking petroleum oils are described, in which the oil enters the coolest part of the furnace and gradually approaches the hottest part, and in which the distillate is characterized by containing less unsaturated hydro-carbons than the starting material.

The claims are :—

1. A process of cracking petroleum oil, including the steps of heating the oil, delivering the heated oil in a substantially liquid phase to an expansion chamber located outside the fire zone, where evaporation takes place, and subjecting the vapors to reflux condensation, substantially as described.

2. A process of cracking petroleum oils, as set forth in claim 1, including the step of charging the oil into the coolest part of the furnace and causing the same gradually to approach the hottest part and delivering it to the expansion chamber, substantially as described.

3. A process of cracking petroleum oils, as set forth in claim 1, including the steps of returning the reflux condensate continuously to the heating element at a point where the untreated oil enters into said element, substantially as described.

4. A process of cracking petroleum oil, as set forth in claim 1, wherein the oil is distilled under temperature and pressures sufficient to convert not less than 45 per cent. of the same into pressure distillate of not less than 45 degrees Beaume gravity, and subjecting the oil to an average temperature during distillation of less than 875 degrees F., substantially as described.

5. A process of cracking petroleum oil, as set forth in claims 1 and 4, which consists of converting more than 40 per cent. of the raw oil into a pressure distillate of not less than 45 degrees Beume, the distillate containing less unsaturated hydro-carbons than the charging stock, substantially as described.

6. A process of cracking petroleum oil, as set forth in claims 1, 4, and 5, wherein the various cuts of the pressure distillate, as gasolene, kerosene, and gas oil, each contain also a lower percentage of unsaturated hydro-carbons than the charging stock, substantially as described.

7. An apparatus for treating oils, including in combination with the heating means, enlarged vapor chambers communicating with the heating device, means for cutting said vapor chambers in and out of the system, a dephlegmator, and means for maintaining a regulated pressure on the apparatus, substantially as described.

8. An apparatus for treating oil, as set forth in claim 7, including vapor lines connecting the dephlegmator with the vapor chambers and condensating means connected to said dephlegmator, substantially as described.

9. A pressure distillate produced from the cracking of a residue obtained from the fractional distillation of crude oil, and including percentages of gasolene, kerosene, and gas oil, the entire distillate having a lower percentage of unsaturated hydro-carbons than the charging stock, and the gasolene, kerosene, and gas oil which are contained within the pressure distillate also having each a lower percentage of unsaturated hydro-carbons than the original charging stock, substantially as described.

10. A pressure distillate, as set forth in claim 9, containing not less than 15 per cent. of gasolene of 55 degrees Beume or higher, not less than 15 per cent. of kerosene of 39 degrees Beume or higher, substantially as described.

11. A process of cracking petroleum oils, substantially as described and for the purpose set forth, an apparatus for cracking petroleum oils, substantially as described and shown and for the purpose set forth.
