## Circular.

Downing street, July 5, 1921.

SIR,—WITH reference to the Earl of Crewe's circular despatch of the 26th of July, 1910, transmitting a copy of a Convention of Commerce and Navigation between the United Kingdom and Montenegro, I have the honour to inform you that Commercial Treaties concluded with Montenegro are no longer binding and that the Treaty of 1910 may be considered to be no longer in force, although no definite arrangement has been made to this effect.

2. I have also to inform you with reference to the Earl of Crewe's circular despatch of the 27th of May, 1908, that the Commercial Treaty with Serbia of 1907 is binding on the Serb-Croat-Slovene State under Article 12 of the Treaty of St. Germain, which is now in force and which stipulates (Article 12) that, pending the conclusion of new treaties or conventions, all treaties, conventions, agreements, and obligations between Serbia on the one hand and any of the other principal Allied and Associated Powers on the other hand which were in force on the 1st of August, 1914, or which have since been entered into shall *ipso facto* be binding on the Serb-Croat-Slovene State.

3. I take this opportunity to state for your information that the extent of the territory now covered by the Treaty with Serbia of 1907 covers the new Kingdom of the Serbs, Croats, and Slovenes. Its boundaries have been defined in relation to Austria by the Treaty of St. Germain (in force 16th July, 1920); in relation to Hungary by the Treaty of Trianon (ratified by the Hungarian Government 13th November, 1920); in relation to Bulgaria by the Treaty of Neuilly (in force 9th August, 1920); in relation to Roumania by the Treaty relative to certain frontiers to which the Serb-Croat-Slovene State and Roumania acceded on the 22nd of December and the 28th of October, 1920, respectively; in relation to Italy by the Treaty of Rapallo between Italy and the Serb-Croat-Slovene State (in force on the 2nd February, 1921, and recognized without reserve by His Majesty's Government on the 14th February, 1921). His Majesty's Government cancelled the exequaturs of Montenegrin Consuls on the 17th of March, 1921, thereby recognizing the incorporation of Montenegro into the Serb-Croat-Slovene Kingdom. The Albanian frontier has not yet been determined, but pending further settlement the line of 1913 for Serbia and Montenegro may now be taken as that of the new Serb-Croat-Slovene State.

I have, &c.,

WINSTON S. CHURCHILL.

35. *Directors may authorize Registration of Transferees.*—The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

36. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles, and whether they abstain from so inquiring or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but if at all upon the transferee only.

37. *Transfer Books when to be closed.*—The Transfer Books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First General Meeting; also, when a dividend is declared, for the three days next ensuing the Meeting; also, at such other times as the Directors may decide, not exceeding in the whole twenty-one days in any one year.

40. *Failing such Registration Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 39, shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder, no person shall within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same; the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

46. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The net proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representatives.

50. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

#### PREFERENCE SHARES.

51. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution determine.

52. *Modification of rights and consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares, by an extraordinary resolution passed at a meeting of such holders, may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares;
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto, on behalf of all the holders of shares of the class by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

53. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

#### CALLS.

54. (a) *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

(b) *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Article 111.

(c) *Extension of Time for Payment of Call.*—The Directors shall have power, in their absolute discretion, to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

55. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his share beyond the sum actually called up.

#### BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time, at their discretion, to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Twenty-five thousand Rupees (Rs. 25,000). With the sanction of a General Meeting, the Directors shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures, or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied or exchanged, as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Director or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

65. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been made in the notice or notices upon which the meeting was convened.

66. *Notice of other Business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

75. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned and the poll shall be taken at such time and in such a manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

The Chairman welcomed Mr. Bingham as a Member who had already been of service to the Council in the past.

1. The Minutes of Proceedings of the Meeting held on June 18, 1921, having been previously submitted to the Chairman for his approval and a copy thereof furnished to each Member, were taken as read and confirmed by the Chairman.

2. The following documents were submitted :—

- Progress report of works brought up to the same date.
- Health Officer's report for June.
- Statements of cases instituted by the several Inspectors and of work done by the Municipal Magistrate during the month of June.
- The reservoir readings for June.

Resolved that the statement (a), together with the Minutes of Proceedings of this Meeting, as required by section 83 of "The Municipal Councils Ordinance, No. 6 of 1910," be forwarded to the Colonial Secretary for publication in the *Government Gazette*.

3. The following papers were laid on the table :—Reports by the several Inspectors on laundries, bakeries, dairies, standpipes, and house service taps inspected during June.

Mr. de Silva gave notice that he would move at the next Meeting of Council that the scavenging of the town be entrusted to the Health Department as before.

(2) Letter No. 26 of June 30, 1921, from the Hon. the Colonial Secretary *re* amendment of the Municipal Councils Ordinance.—Read.

(3) Letter No. 27 of July 8, 1921, from the Hon. the Colonial Secretary, acknowledging receipt of letter forwarding copy of a resolution passed by the Municipal Council relative to the question of water supply to Peradeniya.—Read.

(4) Circular No. 39 of June 29, 1921, from the Hon. the Colonial Secretary, forwarding an extract from a report by the Colonial Auditor suggesting that all counterfoils with cancelled stamps be returned to the Treasurer as soon as they have been passed by Audit.—Read.

(5) Letter of July 4, 1921, from the Hon. the Government Agent, Central Province, requesting that an Unofficial Member of Council be nominated as a representative in the Excise Advisory Committee for the period October 1, 1921, to September 30, 1924. Mr. de Silva proposed that Dr. Attygalle be nominated as a representative in the Excise Advisory Committee for the period October 1, 1921, to September 30, 1924.

(6) Letter of June 18, 1921, from the Honorary Secretary, Kandy Ratepayers' Association, forwarding the following resolutions passed at a meeting of the Committee of the Association :—(i.) That in the opinion of the Association it is desirable that, whenever the Municipal Council decides to lease or sell any land vested in the Council, due notice by publication should be given of such action; (ii.) that in view of the congestion of traffic (especially after the arrival of trains)

on that part of Ward street leading up to the railway station, it seem very desirable in the opinion of the Association that a pavement or side walk should be constructed on both sides of this road, starting from the Planters' Association Hall up to the railway station.—Resolved that (i.) be referred to the Standing Committee on Law and General Subjects and (ii.) to the Standing Committee on Municipal Works.

(7) Letter of June 21, 1921, from the Honorary Secretary, Kandy Social Service League, asking for a contribution of Rs. 1,000 to carry on the work of the League.—Resolved that the application be referred to the Standing Committee on Finance.

(8) Letters of July 2, 1921, and July 4, 1921, from the Medical Officer of Health, Colombo Municipality, and the Medical Officer of Health, Galle Municipality, respectively, *re* analysis of milk. Dr. Attygalle moved—“That in order that the Medical Officer of Health may satisfy himself that cow or buffalo milk sold, hawked about, or exposed for sale in the town is not adulterated, he be supplied with the necessary apparatus for roughly testing the same.” Dr. Hay seconded.—Carried.

5. Pursuant to notice Mr. Ratwatte asked—(i.) What are the new roads opened by this Municipality within the last 15 years for the improvement and extension of the town? (ii.) When is the Mahaiyawa playground expected to be completed, and what is the delay?

The Chairman replied as follows :—(i.) Lady Blake's Drive (1 mile 17 chains) was constructed in 1907 at the instance of the Council by the Provincial Road Committee and paid for out of Government funds. It is maintained by the Municipal Council from 1908, and is now vested in the Council. Lady McCallum's Drive (3½ miles) was constructed in 1914 by the Provincial Road Committee under the same conditions. It is maintained by the Municipal Council from 1915, and is now vested in the Council. Lewella-Alutgantota road (2½ miles) was constructed by the Municipal Council in 1909 : (ii.) Almost all the work provided for in the sanctioned estimate, except the demolition of the old Lock Hospital, has been completed. The Lock Hospital and the land attached to it have not yet been handed over to the Council pending re-survey, till this is done the building cannot be demolished. The estimate did not provide for completing the playground at once. It is proposed to fill in the ground gradually, depositing the ash from the Incinerator, and when filled in the surface will be levelled and finished off. The work will probably be completed by the end of next year.

6. Pursuant to notice, Dr. Attygalle was to have moved the following resolution :—“As it is the intention of Government to defer further the long expected reforms of the constitution of Municipal Councils until experience is gained in the working of the Local Government Ordinance, in spite of the fact that the Municipal Councils have been in existence for over half a century, that this Council do inform the Government that in their opinion, the interests of the citizens demand the immediate amending of the Municipal Councils Ordinance, giving them complete control of their local affairs, and as such providing for an elected Chairman and substantial elected majorities; and that Government be respectfully requested to introduce legislation accordingly during the present sessions of the Legislative Council.”

On the Chairman's suggestion Dr. Attygalle moved the following :—“As it is the intention of Government to defer further the long expected reforms of the Constitution of Municipal Councils until experience is gained in the working of the Local Government Ordinance, in spite of the fact that the Municipal Councils have been in existence for over half a century, that this Council do inform the Government that in their opinion, the interests of the citizens demand the immediate amending of the Municipal Councils Ordinance, giving them fuller control of their local affairs such as providing, *inter alia*, for an elected Chairman and substantial elected majorities; and that Government be respectfully requested to introduce legislation accordingly during the present sessions of the Legislative Council.” Mr. Pieris seconded. Mr. de Silva spoke in support.—Carried.

7. Papers *re* the purchase by the Council of premises Nos. 87 and 88, Castle Hill street, for non-payment of taxes.—Resolved that premises be released on payment of all Municipal dues, with effect from May 1, 1921, and that a rent of Rs. 50 per mensem be paid by the Council for the use of the premises from May 1, 1921, to the end of the year, with no option of renewal.
