By His Excellency's command,
Colonial Secretary's Office, GRAEME THOMSON,
Colombo, August 4, 1921. Colonial Secretary.

Statement of Objects and Reasons.

"THE Old Metal Ordinance, 1905," is based on an English Act, 24 & 25 Vict., Chap. 110, which deals with the same subject. The carrying on of this business gives wide opportunities for disposing of stolen goods, and as a result the law in England was amended by the Public Health Acts Amendment Act, 1907.

"The Old Metal Ordinance, 1905," does not come into operation until a dealer in old metal has been convicted of an offence under that Ordinance, and directed to be registered under its provisions. In the present Bill it is proposed to adopt the requirements of the Public Health Acts Amendment Act, 1907, and provide for the registration of all dealers in old metal.

The provisions of the Bill are to all intents and purposes similar to those of the existing law, the great difference being that, as required by the English law, all dealers in old metal must, whether they have been convicted or not, be registered.

There is one provision of the Bill to which it may be well to call attention. Under section 7 (1) (e) of "The Old Metal Ordinance, 1905," a dealer must keep all old metal purchased or received by him without changing the form in which the articles comprising the same were when so purchased for a period of forty-eight hours. The Inspector-General of Police has stated that this period is much too short to allow of the necessary inquiries being made, and for that purpose the period has been extended to fifteen days.
