Power to make rebates to certain proprietors.

(2) In the case of any produce not directly exported by the proprietor of the estate, such rules may provide for the calculation as nearly as may be upon such evidence as the Committee may determine of the amount of export duty paid upon such produce, and any amount so calculated shall for the purpose of the allowance of rebate be deemed to have been paid upon exportation.

## CHAPTER VII.

### *Financial Provisions.*

28 The Legislative Council may from time to time by resolution impose duties on the exportation of tea, rubber, coffee, cacao, cardamoms, camphor, pepper, and cinchona, at such rates as the Council may deem sufficient for the purpose of meeting the expenses of the administration of this Ordinance in so far as the same are not herein otherwise provided for.

- (c) A *pro rata* share of the actual expenditure (including salaries of staff) during the same period of twelve months of all Government dispensaries at which immigrant labourers have been treated, based upon the proportion which the number of visits paid by the said immigrant labourers to the said dispensaries bears to the number of visits paid by other patients to the same dispensaries ;
- (d) In the case of all expenditure properly chargeable to a capital account in respect of all Government hospital or dispensary buildings declared by the Governor, with the advice of the Medical Wants Committee, to have been primarily constructed or to be primarily maintained for the accommodation of immigrant labourers (including, in the case of buildings completed after the commencement of this Ordinance, the cost of construction), such an annual amount as would be sufficient to liquidate such expenditure, together with interest at four per centum per annum on any unliquidated part thereof, in such equal annual instalments as the Governor, with the like advice, may from time to time determine, until such expenditure is so liquidated, or alternatively, if the Governor, with the like advice, shall, with reference to any period of twelve months in question, so determine, the amount of any such expenditure, or of any part thereof outstanding, in a lump sum ;
- (e) In the case of any special Government hospital or dispensary building completed after the commencement of this Ordinance, such contribution to the cost of construction, whether by way of annual instalments on the terms aforesaid or otherwise, as the Governor, with the advice of the Medical Wants Committee, may determine ;

- (g) The manner in which such rebates shall be made, and generally on all matters connected with the allowance thereof ;

(2) All such rules shall be laid as soon as conveniently may be before the Legislative Council, and if a resolution is passed within forty days of their being laid before the Legislative Council praying that any rule shall be annulled, such rule shall thenceforth be void, but without prejudice to anything done thereunder.

**33** The Legislative Council may from time to time by resolution amend the definition of "estate" in section 2 by the addition of any agricultural product to the list of agricultural products therein enumerated, or by the elimination of any agricultural product from the said list, and any such agricultural product shall thereupon become subject to or exempt from the imposition of duty on exportation, as the case may be, under section 28.

**34** (1) Any person convicted of any offence under this Ordinance shall be liable to a fine not exceeding five hundred rupees.

(2) Every such offence shall be triable by a Police Magistrate, and such Magistrate shall have power to impose the full penalty provided for by this section, notwithstanding any limitation of the ordinary jurisdiction of such Magistrate.

**35** (1) Pending the imposition of the duties authorized by section 28, the duties authorized by section 28 of Ordinance No. 9 of 1912 shall continue to be levied and applied as though the said Ordinance were unrepealed.

Colombo, November 21, 1921.

GRAEME THOMSON,  
Colonial Secretary.

Governor in Council may make rules.

Power of Governor in Council to amend definition of estate and list of agricultural products.

Penalty for offences.

Transitory provisions.

Repeal.

*Statement of Objects and Reasons.*

EXPERIENCE has shown that "The Medical Wants Ordinance, No. 9 of 1912," requires further amendment in several particulars, and it has been thought well to introduce an amending and consolidating Bill. A table is attached to this statement which shows the sources from which this Bill is drawn, and also calls attention to the more important amendments in the existing law proposed :—

*Table referred to.*

Section of Bill.	Corresponding section in Ordinance No. 9 of 1912.	Remarks.
1	1	—
2	2	.. This is the definition section. An important amendment has been made to the definition of "estate." At present only estates which have 10 acres under actual cultivation are within the Ordinances. This prevents grants for the building of hospitals, &c., being made in respect of estates which are only in the development stage, and when, perhaps, such hospitals are most required. In the Bill "estate" is defined as including estates on which labourers are employed in development operations.
3 to 8	3 to 8	..
9	9	.. Sub-section (2) of section 9 is new. It is obvious that if the Medical Department cannot supply the drugs referred to in section 9 (1) (c), the superintendent should be allowed to buy them, and the cost should be refunded to him.
10	10	.. Section 10 of the Bill proposes that fees in respect of visits by Medical Officers to estates shall be received by them for their own use. The fees for such visits and for the maintenance of patients in Government hospitals are also proposed to be raised.
11 to 26	11 to 26	..
27	27	.. Section 27 of Ordinance No. 9 of 1912 as amended by section 3 of Ordinance No. 16 of 1915.
28 to 35	28 to 34 and 36	.. There are slight amendments of a formal character.

Attorney-General's Chambers,  
Colombo, September 30, 1921.

H. C. GOLLAN,  
Attorney-General.

## MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

**An Ordinance to amend "The Maintenance Orders (Facilities for Enforcement) Ordinance, No. 15 of 1921."**

*Preamble.*

WHEREAS it is expedient to amend "The Maintenance Orders (Facilities for Enforcement) Ordinance, No. 15 of 1921,": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

*Short title and commencement.*

1 This Ordinance may be cited as "The Maintenance Orders (Facilities for Enforcement) (Amendment) Ordinance, No. of 1921," and shall come into operation on a day to be fixed by the Governor in Executive Council, by Proclamation published in the "Government Gazette."

*Amendment of section 2 of the principal Ordinance.*

2 Section 2 of the principal Ordinance is amended by adding at the end thereof the words : "The expression 'prescribed' means prescribed by regulations made by the Governor in Executive Council."

3 The following section shall be added as section 12 to the principal Ordinance :

12. Where the Governor is satisfied that reciprocal provisions have been made by the Legislature of any British Possession or any territory under His Majesty's protection for the enforcement within such possession or territory of maintenance orders made by courts in Ceylon, the Governor may by Proclamation published in the "Government Gazette" extend this Ordinance to maintenance orders made by courts within such possession or territory, and thereupon this Ordinance shall apply to such maintenance orders as if they had been made in England or Ireland.

Addition of new section to the principal Ordinance.

Reciprocal arrangements with British Possessions or Protectorates.

By His Excellency's command,  
Colonial Secretary's Office, GRAEME THOMSON,  
Colombo, November 18, 1921. Colonial Secretary.

*Statement of Objects and Reasons.*

By Ordinance No. 15 of 1921 provision was made for the reciprocal enforcement of maintenance orders in England, Ireland, and Ceylon. The Secretary of State has, however, pointed out that it would be advisable to allow of these provisions being made applicable to British Possessions or Protectorates, and with that object section 12 is proposed to be added to the principal Ordinance.

Opportunity has also been taken of making it clear that the prescribed powers referred to in section 3 of the principal Ordinance are to be made operative by means of regulations made by the Governor in Executive Council.

Attorney-General's Chambers, H. C. GOLLAN,  
Colombo, October 31, 1921. Attorney-General.

**MINUTE.**

The following Draft of a proposed Ordinance is published for general information:—

**An Ordinance further to amend "The Births and Deaths Registration Ordinance, 1895."**

**WHEREAS** it is expedient further to amend "The Births and Deaths Registration Ordinance, 1895": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Preamble.

1 This Ordinance may be cited as "The Births and Deaths Registration (Amendment) Ordinance, No. of 1921," and shall come into operation on a day to be fixed by the Governor in Executive Council by Proclamation in the "Government Gazette."

Short title and commencement.

2 Section 7 of the principal Ordinance is amended—

Amendment of section 7 of the principal Ordinance.

(a) By striking out the word "Governor" in line 1 and inserting in lieu thereof the words "Registrar-General."  
(b) By striking out the words "Registrar-General" in line 8 thereof.

3 Section 11 of the principal Ordinance is amended by striking out the word "Governor" in line 6 of sub-section (1) and inserting in line thereof the words "Registrar-General."

Amendment of section 11 of principal Ordinance.

4 Section 20 of the principal Ordinance is amended by striking out the words "and not more than seven years after the birth of any child" in lines 1 and 2 of paragraph (b) of sub-section (1) thereof.

Amendment of section 20 of principal Ordinance.

Existing  
registrars.

5 Anything in this Ordinance contained notwithstanding, all persons holding the office or performing the duties of Registrars of Births and Deaths at the time of the commencement of this Ordinance shall continue to hold the office and perform the duties of Registrars of Births and Deaths under the principal Ordinance; and to exercise all the powers and privileges and be subject to all the liabilities vested in and imposed upon such officers by the principal Ordinance.

By His Excellency's command,  
Colonial Secretary's Office, GRAEME THOMSON,  
Colombo, November 26, 1921. Colonial Secretary.

*Statement of Objects and Reasons.*

PROVISION is made in section 7 of the principal Ordinance for the appointment by the Governor of Registrars for each division created under section 6 of that Ordinance. As the provisions of that Ordinance are of a special character, it is thought well to give the Registrar-General power to appoint the registration officers.

2. As the Registrar-General is to be given the power to appoint registrars, it is thought well that he should also be empowered to prescribe the language in which they should practise, and this proposal is given effect to by the amendment of section 11.

3. The amendment of section 20 is with a view to the removal of the restriction which now exists on the registration of births after the lapse of seven years from the events. This provision seems to have been copied from the rules under the English Act of 1874, whereas no such restriction appears in the Act itself, nor in the Acts or regulations of Scotland and Ireland. No sufficient reason can be found for its continuance, while it has worked some hardship in certain cases.
