GOVERNMENT NOTIFICATIONS.

Order by the Governor in Executive Council under "The Ceylon (Legislative Council) Order in Council, 1920," Clause 64.

WHEREAS the principle underlying the provisions of clause 24 (e) of "The Ceylon (Legislative Council) Order in Council, 1920," is that all persons, not otherwise disqualified, shall be entitled to be registered as electors in the registers relating to the electoral districts in which they *bona fide* have their homes:

And whereas power is given under the provisions of clause 64 of the said Order in Council to the Governor in Executive Council to do anything which appears to him necessary for the purpose of removing any difficulty which may arise as to first establishment of the Council, or otherwise in giving effect to the provisions of the said Order in Council:

And whereas it is provided by clause 24 (e) of the said Order in Council that no person shall be qualified to have his name entered on any register of voters in any year if he has not resided in the electoral district to which the register relates for a period of one year prior to the Thirty-first day of July in such year:

And whereas, by reason of the practice of subletting dwelling-houses and of the liability of persons to be temporarily absent from their homes on public service, residence for the purposes of the said last-mentioned clause is liable to be interrupted, and many persons in *bona fide* and prolonged occupation of such dwelling-houses may be prevented from exercising the right to be registered intended to be conferred upon them by the said Order in Council:

And whereas a difficulty has, therefore, arisen in first giving effect to the provisions of the said Order in Council:

And whereas the decision of the Governor in Executive Council on any question which may arise as to the intention, construction, or application of the said Order in Council is, under the provisions of clause 65 thereof, final:

Know, therefore, We, William Henry Manning, Governor as aforesaid, do hereby order as follows:—

A person shall be deemed to have resided in an electoral district for the purposes of clause 24 (e) of the said Order in Council for the period of one year prior to the Thirty-first day of July, 1920, even though, during any part of such period—

- (a) He has permitted the occupation of his dwelling-house as a furnished house by some other person on a monthly tenancy or on a tenancy at will; or
- (b) He has leased his dwelling-house as a furnished house for a term or terms not exceeding six months in all; or
- (c) He has been absent on public service from his dwelling-house:

Provided always that during the existence of such tenancy, lease, or absence as aforesaid, his intention to return to the said dwelling-house has continued.

THE following Notification regarding further areas of irrigable land available for lease for the cultivation of foodstuffs is published for general information:—

The following further areas under existing irrigation works are now available for lease for the purpose of food production:—

Nachchaduwa	1,000 acres.
Nuwarawewa	1,000 acres.

2. These acreages are only approximate, but lessees will be given entry to the leased land prior to survey, the amount of rent due under the lease being ascertained and calculated on the result of final survey.

3. The term of the lease shall be for such period as may be agreed on between Government and the lessees, but shall not exceed a period of ninety-nine years.

4. The rent shall be a pepper-corn rent for the first ten years, and thereafter at the rate of Rs. 3 per acre per annum for a further period of ten years, after which the rent will be subject to revision.

6. Any rent which remains unpaid for more than one month from the date when it is due shall be paid with interest at 9 per cent. per annum from the date when it becomes payable.
