Short title.

1 This Ordinance may be cited as "The Irrigation (Amendment) Ordinance, No. 21 of 1920."

Amendment of  
section 76 of  
the principal  
Ordinance

2 Section 76 of the principal Ordinance is hereby struck out and the following section shall be inserted in lieu thereof:

76. (1) Where—

- (a) Any channel, water-course, or ela, used for irrigation purposes, is blocked up or obstructed; or
- (b) Any injury is caused to fields below or adjacent to such channel, water-course, or ela,

by silt, earth, water, or any other substance owing to the clearing or draining, by the owner or occupant thereof, of any land or premises situated above such channel, water-course, or ela, any person aggrieved may make a complaint to a Government Agent.

(2) If the Government Agent is not able, by agreement between the parties concerned, to settle what steps should be taken and what obligations should be assumed by such owner or occupant, and by the cultivators of the said fields respectively, with or without such assistance as the Director of Irrigation (not being a party concerned) may be willing to contribute, for the purpose of removing such blocking up or obstruction, the repairing of such injury, or the prevention of the recurrence of such blocking up, obstruction, or injury, such Government Agent may, by written notice addressed to the parties, direct that the matter shall be referred to the arbitration of such arbitrator or arbitrators as may be agreed upon by the parties.

(3) In the said notice the Government Agent shall further inform the parties that, unless by a date specified in the notice or on such further date as he may on application fix, the parties have notified to him the name or names of an agreed arbitrator or arbitrators, he will apply to the District Judge to act as arbitrator, with or without assessors, as to the District Judge may seem proper.

(4) If the parties do not, on or before such date as aforesaid, notify to the Government Agent the name or names of an agreed arbitrator or arbitrators, the Government Agent may apply to the District Judge to act as arbitrator; and it shall be the duty of the Judge to act in accordance with such application.

(5) The District Judge may, at his discretion, appoint such assessors as he may think fit to assist him in such arbitration.

(6) The Government Agent may appoint any person for the purpose of representing the interests of the cultivators of the said fields in the matter and in any arbitration that may take place for its settlement.

(7) It shall be the duty of the arbitrator or arbitrators and the assessors, if any, to visit the place with respect to which the matter arises, and to determine the same without any formalities of legal procedure, and to make such award with reference to the steps to be taken by the said owner or occupant and by the said cultivators, and the obligations to be imposed upon them respectively, as shall be reasonable in all the circumstances of the case.

(8) In any case in which the Government Agent, or the Director of Irrigation (not being a party concerned), with a view to assisting any award, undertakes to execute any work for the purpose of carrying off silt, earth, water, or any other substance, or of preventing injury to fields, an order for the execution of such work may be embodied in the award.

(9) In any case in which the parties consent to the arbitrator or arbitrators determining any claim for damages that may have been made by a party, an order for the payment of damages may be embodied in the award, and in any such case no action shall lie in respect of such claim.

(10) In the event of any arbitrators not being agreed as to the award or as to any point arising in the course of the proceedings, the opinion of the majority shall prevail.

(11) (a) In the event of there being no opinion supported by a majority of such arbitrators, it shall be lawful for the Government Agent to appoint, by writing under his hand, an umpire to decide all matters in question in the arbitration.

(b) The Government Agent shall in such writing fix the fee to be paid to the umpire.

(c) The award shall be made by such umpire, and shall be as binding in all respects as if it had been made by the arbitrators or a majority of them.

(d) Such fee as aforesaid shall be included in and form part of any award made by the umpire.

(12) In the event of assessors being appointed to assist a District Judge in the conduct of an arbitration, the District Judge shall fix the fee of the assessors, which shall be included in, and form part of, any award made by such Judge.
