49. *Forfeiture may be remitted.*—The Directors may, in their discretion, remit or annul the forfeiture of any share within six months from the date of such forfeiture upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 46 hereof shall be redeemable after sale or disposal.

The Directors may decline to register any transfer of shares subject to such charge or lien.

51. *Lien how made Available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee in his bankruptcy, or manager of a lunatic, or curator of a minor requiring him or them to pay the amount for the time being due to the Company and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, ninety days' notice shall be allowed him.

52. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid, under the provisions of Articles 46 and 50 hereof, shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representative.

53. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors or of one of the Directors and the Secretary that the power of sale given by clause 51 has arisen, and is exercisable by the Company under these presents shall be conclusive evidence of such facts.

or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

56. *Modification of Rights and Consent.*—If at any time by the issue of preference shares or otherwise the Capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders consent, on behalf of all the holders of shares of that class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting that class of shares: and such resolution shall be binding upon all the holders of shares of that class, provided that this Article shall not be read as implying the necessity for such consent in any case in which, but for this Article, the object of the resolutions could have been effected without it.

57. *Meetings affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholders personally present and entitled to vote at the meeting.

#### CALLS.

58. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that one month's notice at least shall be given to the Shareholder of the time and place appointed for payment of each call.

59. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of clause 121.

60. *Extension of Time for Payment of Call.*—The Directors shall have power, in their discretion, to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension, except as a matter of grace or favour.

61. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have become due, shall pay interest for the same at the rate of 9 per cent. per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum payable as interest under the clause.

62. *Payments in Anticipation of Calls.*—The Directors may, at their discretion, receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount due on his shares beyond the sum actually called up.

#### BORROWING POWERS.

63. The Directors shall have the power to procure from time to time such temporary advances or loans as they may find necessary or expedient for the purpose of carrying out the objects of the Company and extending the business of the Company in keeping with the objects as set out in these presents, on condition that they shall, under no circumstances whatsoever, unless sanctioned by a General Meeting, raise money at a higher rate of interest than 12 per cent. per annum; also from time to time, at the discretion of the Directors, to borrow or raise at a rate of interest not exceeding the rate aforesaid from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of such moneys borrowed or raised shall not, without the sanction of a General Meeting, exceed the paid up capital of the Company. With the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums and at such rates of interest as such meeting shall determine. The Directors may, for the purpose of securing the re-payment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligation of the Company, charged upon all or any part of the undertaking, revenue, property, and rights and assets of the Company (both present and future) including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures, or create any debenture stock, they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged, as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed to by two or more of the Directors, or by one Director and the Secretary, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

#### MEETINGS.

65. *When subsequent General Meetings to be held.*—Other General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, then at such time and place as may be determined by the Directors.

(3) If at any such meeting a resolution requiring confirmation at another meeting is passed, the Directors shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and if thought fit of confirming it as a special resolution; and if the Directors do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists or a majority of them in value may themselves convene the meeting.

(4) Any meeting convened under this clause by the requisitionists shall be convened in the same manner as nearly as possible as that in which meetings are to be convened by Directors.

68. *Notice of Meeting.*—Seven clear days' notice to the Shareholders specifying the place, day, and hour of meeting, and, in case of such special business, the general nature of such business, shall be given by advertisement in the *Ceylon Government Gazette*, or by notice sent by post or otherwise served as hereinafter provided for.

69. *Two Meetings convened by one Notice.*—Where it is proposed to pass a special resolution, the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

70. *As to Omission to give Notice.*—The accidental omission to give any such notice to any of the Shareholders shall not invalidate any resolution passed at any such meeting.

#### PROCEEDINGS AT A GENERAL MEETING.

The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

78. *Poll.*—If a poll is demanded by some Shareholder or his proxy or attorney, it shall be taken in such manner and at such time and place as the Chairman of the meeting directs, and either at once or after an interval or adjournment or otherwise, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall be taken shall be entitled to a casting vote, in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll may be withdrawn.

## MUNICIPAL COUNCIL NOTICES.

## MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Wednesday, March 7, 1923, at 3 p.m.

The Council met this day at 3 p.m., pursuant to notice, dated February 28, 1923.

*Present* :—Mr. T. Reid, C.C.S., Chairman ; Mr. C. P. Dias ; the Hon. Mr. N. H. M. Abdul Cader ; the Hon. Mr. H. L. De Mel, C.B.E. ; Dr. E. V. Ratnam ; Dr. W. P. Rodrigo ; the Hon. Dr. G. J. Rutherford ; Mr. W. C. S. Ingles ; Mr. Harold Creasy ; Mr. W. Philps ; Mr. A. E. de Silva, Mr. C. H. Z. Fernando ; Mr. T. H. Tatham ; Mr. J. S. Collett ; Mr. G. Adamjee Lukmanjee ; Mr. W. E. V. de Rooy ; and Mr. G. W. Dodds.

1. The Minutes of the General Meeting of February 7, 1923, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of February 7, 1923, be confirmed.

2. Pursuant to notice, Dr. W. P. Rodrigo asked the Chairman—(a) What cars other than the Chairman's and the Waterworks Engineer's are repaired in the Council's workshop ? (b) How many such cars have been repaired for the years 1920, 1921, and 1922, respectively ? (c) To whom do they belong ? (d) What was the nature of the repairs and what amounts have been paid to the Municipal fund by the owners for such repairs ? (e) How does such amounts paid compare with charges made by outside firms for similar work ? (f) As the Council's Officers are paid very substantial travelling allowances, does the Chairman consider it fair to compete with private firms in this manner ?

The Chairman replied as follows :—(a) Cars owned by the Council's Officers can be repaired at the Municipal Workshop if the officers so desire ; (b) In 1920 ten such cars were repaired, in 1921 ten, and in 1922 thirteen ; (c) They belonged to one or other of fifteen officers of the higher staff of the Council, viz., Messrs. Byrde, Ingram, Kilmister, Stewart, Wijethanathan, Fernando, Collette, Pate, Cox, Blizzard, Eastman, Beling, Saunders, and Drs. Hirst and Aserappa ; (d) The repairs effected were of the usual motor garage type. In 1920 these officers paid a sum of Rs. 4,717.35 for repairs done, in 1921 a sum of Rs. 4,885.78, and in 1922 a sum of Rs. 6,241.98 ; (e) It is impossible to say how the charges made would have compared with the charges of outside firms at the time. Presumably these officers would not have had repairs executed at the Municipal Workshop if it had not been either the cheapest or the quickest place for efficient work ; (f) I think there can be no objection to repairing Council's Officers' cars at the Municipal Workshop, and charging the officers the full cost of the work.

3. Pursuant to notice Dr. W. P. Rodrigo asked the Chairman :—What arrangements have been made for the transport of goods, e.g., cement, &c., from Waga Station to Labugama ? Were tenders advertised for such work, and has any contract been given ? If so, who is the contractor, and what are the rates ? Has any security been taken from such contractor ? Has the Council had to pay any charges to the Railway Department for non-removal of goods within the prescribed time ? If so, how much ?

The Chairman replied as follows :—The Waterworks Engineer reports that he invited tenders for transport from Waga to Labugama at so much per ton. That two tenders only were received at Rs. 4 a ton and Rs. 3.50 a ton, respectively, the lower tender, that of R. D. Girigoris, being accepted for work not costing more than Rs. 500. That no security was taken from the contractor. That no demurrage charges were claimed by or paid to the Railway. That as the rate of Rs. 3.50 a ton works out at approximately Rs. 3 a cart load, the Waterworks Engineer cancelled the contract by mutual consent of parties, and the work of transport is going on at the rate of Rs. 3 per day, per double bullock cart, this rate being the Council's sanctioned rate. On this method any carter who wishes to work can be employed. That at times transport is done by the Waterworks lorry, when available and when it is convenient.

To a further question put by Dr. Rodrigo, the Chairman added that tenders were called for by notices which were put up along the road to Labugama.

Mr. C. P. Dias moved that the Council do go into Committee to consider items Nos. 4 to 11 (inclusive) on the agenda. The Hon. Mr. N. H. M. Abdul Cader seconded.—Carried.

The following extracts from the Minutes of the Standing and the Special Committees named, and a report of the Council's Lawyers with regard to the re-conveyance of a property vested in the Council, were then laid before the Council in Committee :—
