8. No tender will be considered unless the tenderer is present in person or by his authorized agent at the Council Chamber, and is prepared to deposit forthwith the amount of one month's rent as tendered by him. In the case of the Province of Uva, a sum equivalent to one month's rent will have to be deposited as security.

N.B.—The Uva rent will be calculated on the basis of the average consumption for one month during the period October, 1922, to March, 1923.

9. After considering the tenders the Board shall have the option of offering the rent for sale by public auction among any two or more of the tenderers, or of calling for fresh tenders. The Board shall also have the option of allowing the Government Agent, Badulla, to offer for sale each individual tavern in the Badulla District Rent Area by public auction under the contract supply system.

10. The Board shall have power to accept or reject any bid or tender, and any bidder or tenderer whose bid or tender shall be accepted shall forthwith be declared to be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.

11. Forms of tender can be obtained free of charge on application personally or by letter to the Hon. the Controller of Revenue.

3. Should the contractor at any time during the execution of the contract find that he will be unable to deliver the sleepers or any portion of them within the period named, he shall at once give notice accordingly to the Chief Construction Engineer, Railway Extensions, Colombo.

4. The sleepers shall be subject to inspection as stipulated in paragraph 17, and any sleepers rejected at such inspection will not be accepted by the Ceylon Government.

5. If at any time any question, dispute, or difference shall arise between the Chief Construction Engineer and the contractors upon or in relation to or in connection with the contract either party may forthwith give the other notice in writing of the existence of such question, dispute, or difference, and such question, dispute, or difference shall

be referred to arbitration of a person mutually agreed upon. The award of such arbitrator shall be final, conclusive, and binding on both parties.

17. The sleepers must be passed for shipment by the Government Inspector of the State, from which the timber is obtained.

18. In case of failure to comply with the specification, the Chief Construction Engineer may deduct such sum from the payment, as he may consider justifiable, by reason of the inferior quality of sleepers supplied, or may reject the sleepers supplied, in which case they shall be removed forthwith by the contractor. Any dispute to be referred to the arbitrators as stated in paragraph 5.

19. The price quoted in the tender is to include all costs, including inspection and freight, till delivered in ship's

22. Delivery may commence from date of acceptance of tender, and must be completed by October 17, 1923. Delivery shall be made in as large lots as possible.

23. If any contractor fails to supply the sleepers or any of them in accordance with his contract, or commit a breach of any of the covenants of the contract, the Chief Construction Engineer shall be at liberty, by notice in writing, to forthwith determine the contract; and thereupon the contractor will be liable to pay the excess cost of purchasing sleepers elsewhere at such price as the Chief Construction Engineer shall deem fit to the quantity which he contracted to supply and shall, in addition, be liable to forfeit the sum of Rs. 5,000 (named in paragraph 14) deposited as security.

24. In the event of war, or disturbance, or pestilence, epidemical sickness, earthquakes, fires, storms, floods, or other hinderances, being the act of God or beyond the control of the contractors, the contract shall be subject to such modification as the circumstances may warrant.

41. *The Directors may accept Surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. (a) *If Call or Instalment be not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

(b) *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

50. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

#### PREFERENCE SHARES.

51. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution, determine.

- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

53. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

57. *Power to Borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption,

surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.
