"THE EXCISE ORDINANCE, No. 8 OF 1912."

*Excise Notification No. 128.*

IT is hereby notified that His Excellency the Governor has, under the provisions of section 24 of "The Excise Ordinance, No. 8 of 1912," been pleased to direct that the following shall be the general conditions applicable to all Excise licenses on and after July 1, 1922, from which date the general conditions applicable to all Excise licenses appearing in Excise Notification No. 112 dated May 4, 1920, will be cancelled.

Colonial Secretary's Office,  
Colombo, March 17, 1922.

By His Excellency's command,  
GRAEME THOMSON,  
Colonial Secretary.

## General Conditions applicable to all Excise Licenses.

1. Sales at taverns (whether country liquor or foreign liquor) must be conducted in a suitable building, of which the whole or part must be set aside for exclusive use as a tavern. If there are means of communication between the tavern and an adjoining dwelling house, they must be kept permanently closed. In the case of all taverns there shall be no possible means of ingress or egress except by the front door. In the case of taverns in Municipalities, Local Board towns, or towns brought under the operation of the Small Towns Sanitary Ordinance, the tavern premises shall have no doors except into the main street. The interior of the tavern shall be sufficiently lighted by day and by night, and the tavern shall not be used as a place of residence, save by the vendor or a caretaker.\*

No alterations or additions shall be made to any tavern building nor shall any wall, fence, or other enclosure be erected without the approval of the Government Agent.

2. A signboard must be affixed to the front of each licensed distillery, brewery, wholesale warehouse, arrack renter's storehouse, bottling warehouse, or tavern (including beer and porter) showing the number and nature of the license, the name of the licensee, and, in the case of country liquor taverns, the current rate of sale. These particulars must be legibly painted in English or the local vernacular. The license and a printed copy of these conditions must be hung up in a conspicuous place within all licensed premises. In the case of taverns the license must show the names of the salesmen.

3. (1) The possession upon any licensed premises of any liquor or intoxicating drug, except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor, is prohibited, provided that this shall not apply to harmless substances kept or used in distilleries to flavour or colour liquor, if such are approved by the Excise Commissioner.

(2) All liquor and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them, either to increase their intoxicating power or for any other purpose, provided that this shall not apply to harmless substances kept or used in distilleries to flavour or colour liquor, if such are approved by the Excise Commissioner.

4. All officers authorized to inspect licensed premises (*vide* condition 21 *infra*) are authorized to detain any liquor or intoxicating drug reasonably suspected to be unfit for consumption or use, or which they may believe to have been tampered with, and all licensees shall give all such officers all such facilities and assistance as they may require for the exercise of their powers.

5. The sale or transport of liquor or intoxicating drugs by persons below the age of sixteen, or by persons suffering from leprosy or any contagious disease, and the employment of such persons for the sale of the same, are prohibited. The names of all persons employed or proposed to be employed in godowns, warehouses, taverns, or bars shall be furnished to the Government Agent, who may forbid the employment of any person of whom he may disapprove.

6. The rules regarding the hours of opening and closing places licensed for the sale of liquor are as follows:—

*Toddy Taverns.*—Toddy taverns shall remain open between the hours of 8 A.M. and 6.30 P.M., and shall be kept closed at all other hours. The Government Agent may, after consulting the Advisory Committee, fix the opening hour of toddy taverns as early as 7 A.M., where local circumstances are found to require it, and may extend the hour of closing any taverns in towns, and for special reasons outside towns, to such hour as he may fix, not being later than the closing hour of arrack taverns in the same area, and shall enter such hours of opening and closing in the license. No sale shall take place between the time at which the tavern is required to be closed at night and the time fixed for opening.

*Arrack Taverns.*—Arrack Taverns shall remain open between the hours of 8 A.M. and 6.30 P.M., and shall be kept closed at all other hours. The Government Agent may, after consulting the Advisory Committee, extend the hour of closing any such taverns in towns, and for special reasons outside towns, to such hour as he may fix, not being later than the closing hour of such taverns in April, 1917, and in no case later than 9 P.M., and shall enter the hour of closing in the license. No sale shall take place between the time at which the tavern is required to be closed at night and 8 A.M. next morning.

*Places licensed for the Sale of Foreign Liquor.*—The hours for opening and closing will be noted on the license by the Government Agent, provided, however, that in cases for which Excise Notification No. 76, published in the *Ceylon Government Gazette* No. 6,953 of June 28, 1918, has prescribed hours, such prescription of hours shall hold good. No sale of liquor shall take place between the hour at which the premises are required to be closed and the hour fixed for opening. Taverns (including places licensed for the sale of beer and porter only) and bars shall remain closed between the hour fixed for closing and the hour fixed for opening. The closing hour of foreign liquor taverns (including places licensed for the sale of beer and porter only) shall not be later than the closing hour of arrack taverns in the same area.

The licensing authority may, however, in special cases authorize licensed premises, other than taverns and places licensed for the sale of beer and porter, to be kept open to such later hour as may be fixed by him, provided that no liquor shall be sold between the hours of closing and opening appearing in the liquor license.

7. No drunkenness, disorder, or gaming shall be permitted in taverns and other licensed premises. Every person licensed to sell liquor and every keeper of any licensed premises shall refuse to admit to, and shall turn out of, the premises in respect of which the license is granted any person who is drunk, violent, quarrelsome, or disorderly, and any person whose presence on the premises would subject him to a penalty under any Ordinance for the time being in force.

\* In taverns which are clearly of a superior character, private bars may be sparingly allowed by the Government Agent, under a special license to be granted by him, free of fee; provided that the interior of the bar is wholly visible from the doorway, and that signboard to show its nature.

8. No robbers, thieves, habitual criminals, or disorderly or riotous persons or reputed prostitutes shall be harboured in any licensed premises. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer by the licensee.

9. No person shall be harboured in any licensed premises between the hours of closing and opening such premises, and no constable shall be harboured in such premises during his time of duty.

10. Taverns situated on or adjacent to the line of march must be closed, if the Government Agent so orders, while a regiment or detachment of European or native soldiers is passing, or is encamped in the vicinity; and, if the Government Agent so orders, any licensed premises must be temporarily closed in times of religious excitement, or when a disturbance exists or is apprehended. Every Excise licensee shall of his own motion close his licensed premises when there is a riot or disturbance in the neighbourhood.

11. The right is reserved to the Government Agent to grant "Occasional Licenses" for the sale of liquor on the occurrence of fairs, festivals, &c. Such licenses shall ordinarily be granted to the tavern keepers who usually supply the locality, or to the representative of the renter. Their period shall not exceed ten days, and the fee to be paid therefor shall be fixed at the discretion of the officer issuing the licenses.

12. No liquor shall be sold or given—

(a) Except at licensed premises specially approved by the Officer Commanding the Troops in the Colony or the Officer Commanding the Station or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the Excise authorities and specified in the license—

- (1) To sailors in the Royal Navy, soldiers, and the members of their families; or
- (2) To any other person living in barracks.

(b) Whilst on duty to any—

- (1) Member of the Police Force or officer of the Excise Department; or
- (2) Railway servant; or

(c) In any circumstances to any—

- (1) Person under sixteen years of age; or
- (2) Insane person; or
- (3) Person known or believed to be intoxicated

13. No privilege of manufacture, supply, or sale, or any interest therein shall be sold, transferred, or sub-rented without the Government Agent's previous permission; nor, if the Government Agent so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

14. Taverns must be kept open, unless their temporary closure is authorized under condition 10 *supra*, and such supply of liquor as the Government Agent may consider sufficient to meet local requirements must be maintained therein. Taverns not opened by dates to be fixed by the Government Agent shall be liable to be re-sold at the risk of the licensee.

15. No liquor shall be sold in taverns except for cash. All licensees shall, subject to any special condition limiting the quantity that may be sold, be bound to supply liquor on demand and on tender of cash to any person entitled to demand it.

16. No liquor or intoxicating drug shall be sold either below the minimum or above the maximum prices fixed for sale of the same in accordance with the law for the time being in force.

17. No liquor or intoxicating drug in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit; nor shall liquor or intoxicating drugs be sold at godowns or warehouses in quantities less than the minima prescribed.

18. True accounts of transactions shall be maintained from day to day in ink in forms approved by the Excise Commissioner, and shall be kept in the licensed premises. Such accounts shall be correctly and promptly totalled at the end of each month. The accounts and passes shall be in printed books, which may be obtained from any Kachcheri on payment of cost price, or on production of receipts for the payment of the cost price into a Government Treasury. Passes for liquor or intoxicating drugs received and the counterfoils of passes issued must be carefully filed in the licensed premises. The signing of blank passes for subsequent issue is prohibited. The accounts and counterfoils of passes shall be preserved by the licensee for one year after the period covered by the license, and shall be produced when called for by an officer not below the rank of Assistant Superintendent of the Excise Department.

19. Such returns and information as may be required by the Excise Commissioner or by the Government Agent from time to time shall be furnished by holders of licenses.

20. When any weights, measures, or instruments have been prescribed for use in any licensed premises, only such weights, measures, and instruments as have been prescribed shall be possessed or used on such premises, and they shall be tested and stamped by the stamping establishment of the district, if the Government Agent shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

21. The officers authorized to inspect licensed premises are—

- (1) Any officer of the Revenue Department of rank not lower than a Ratamahatmaya, Mudaliyar, Muhandiram, or officer of like rank;
- (2) Any officer of the Excise Department of rank not lower than Inspector; and
- (3) Any person appointed under section 7 (c) to perform the acts and duties mentioned in sections 32, 34, and 45 (a). (*Vide* Excise Notification No. 68.)

These officers are empowered to enter and examine the premises, to test weights and measures in use, and the liquor and intoxicating drugs in the possession of the licensee, to remove samples of the same, free of charge, after duly sealing them in presence of the licensee, for purposes of chemical analysis where there is reason to test quality or strength, and to call for and check the accounts kept in the licensed premises. In regard to taverns (including premises licensed for the sale of beer and porter only) such officers are further empowered to examine any private documents or books within the premises, and, if any offence is disclosed thereby, to seize and remove such documents or books. All licensees shall give to all such officers all such facilities and assistance as they may require for the exercise of their powers. Nothing in this condition shall be interpreted as depriving Police Officers of any powers vested in them by law, and no claim shall lie for compensation for the value of such samples.

22. An inspection notebook with the pages numbered consecutively shall be kept by the licensee in the licensed premises for the entry in it by Inspecting Officers of their remarks, and be handed over to the Superintendent or Assistant Superintendent of Excise, or any officer authorized by him to receive it, on a receipt being given therefor.

23. Licensees are bound to report to the Government Agent all instances which come to their knowledge of persons employed by them in the manufacture, transport, or sale of liquor and intoxicating drugs committing breaches of the Excise laws, and to comply with the Government Agent's orders respecting the continued employment of such persons. No persons who have been convicted under the Ceylon Penal Code or under "The Excise Ordinance, No. 8 of 1912," shall be employed in the transport or sale of liquor and intoxicating drugs without the Government Agent's previous permission.

24. Pecuniary dealings of any kind whatever by licensees with officials of the Excise Department are absolutely prohibited.

25. All licensed premises and all vessels, measures, and other articles used for the storage or sale of liquor therein, shall be kept scrupulously clean.

26. All licensees shall be bound by any additional general rules that may be prescribed under the Excise law, and, if so required by the Government Agent or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

27. The possession (save under and in accordance with the law applicable to unlicensed persons) or sale by any licensee of any excisable article elsewhere than at the premises to which his license refers is prohibited.

28. In no case shall an arrack or toddy renter or a licensee of a foreign liquor tavern, either personally or by an agent, transport from a tavern any quantity of liquor that may have been sold without a special permit from the Government Agent or Assistant Government Agent.

29. All vessels at arrack renters' storehouse, arrack taverns, toddy taverns, and beer and porter shops used for storing or for transport of liquor shall have their correct capacities marked in terms of gallons, and be provided with accurate dip-rods to ascertain the correct quantities they hold.

#### BUSINESS.

2. The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted as soon as, in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The business of the Company shall be carried on by, or under the management or direction of, the Directors, and subject only to the control of General Meetings, in accordance with these presents. The Company being established on the basis that it shall acquire the Uva Highlands estate, it shall be no objection that the vendors are in a fiduciary position to the Company or that there is no independent Board of Directors, nor shall any claim be made on any of the vendors on any such ground. Every member of the Company, present or future, shall be deemed to have joined the Company on this basis.

#### CAPITAL.

4. The nominal capital of the Company is Six hundred thousand (Rs. 600,000) divided into 60,000 shares of Ten Rupees (Rs. 10) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.

7. The Directors may also, with the sanction of a special resolution of the Company, reduce the capital or subdivide or consolidate the shares of the Company.

#### SHARES.

8. The Company may issue the balance capital whenever the Directors shall think fit, and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the *Holder* of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares, except when otherwise provided, shall first be offered by the Directors to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, or as remuneration for work done for or services rendered to the Company, and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company shall direct, and, if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of the assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, and that without offering the shares so allotted to the Shareholders.

12. The Company may pay to any person a commission at a rate not exceeding ten per cent. or of an amount not exceeding such rate in consideration of his subscribing or agreeing to subscribe whether absolutely or conditionally for any shares in the Company or procuring or agreeing to procure subscriptions whether absolute or conditional for any shares in the Company.

13. The Company may pay a reasonable sum for brokerage and may make any allotment on the terms that the person to whom such allotment is made shall have the right to call for further shares at such time or times and at such price or prices (not being less than par) as may be thought fit.

14. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company may from time to time direct.

15. Shares may be registered in the name of a firm or partnership, and any one partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies in respect of shares registered in the name of the firm.

16. Shares may be registered in the names of two or more persons jointly.

17. Any one of the joint holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such share; but only one of such joint Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

18. In case of the death of any one or more of the joint holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

19. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 38 to become a Shareholder in respect of any share.

20. The joint holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

21. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares held by him and the amount paid thereon.

22. If any certificate be worn out or defaced, then, upon production thereof to the Directors they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

23. The certificates of shares registered in the names of two or more persons not a firm shall be delivered to the person first named on the register.

#### CALLS.

24. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that three months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

25. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

26. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing the call was passed.

27. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

28. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

29. Subject to the restrictions contained in these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

30. No transfer of shares shall be made to an infant or person of unsound mind.

31. The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

32. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien, or otherwise; or in case of shares not fully paid up, to any person not approved of by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

33. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two Rupees and Fifty Cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 32, shall register the transferee as a Shareholder and retain the instrument of transfer.

34. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

35. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only if at all, upon the transferee.

36. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

## TRANSMISSION OF SHARES.

37. The executors, or administrators, or the heirs of a deceased Shareholder shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

38. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

39. If any person who shall become entitled to be registered in respect of any share under clause 38 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall within twelve calendar months after such death be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

## SURRENDER AND FORFEITURE OF SHARES.

40. The Directors may accept in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company, provided such acceptance is properly legalized.

41. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

42. Any Shareholder whose shares have been so declared forfeited shall notwithstanding be liable to pay and shall forthwith pay to the Company all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture, until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

43. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such shares be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

46. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

47. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint holders for all moneys for the time being due to the Company by such holder or by all or any of such joint holders respectively, either in respect of such shares or of other shares held by such holder or joint holders or in respect of any other debt, liability, or engagement whatsoever, and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

48. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

49. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

50. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries, that the power of sale given by Article 48 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

51. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

## PREFERENCE SHARES.

52. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or

at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

53. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

54. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

55. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees One hundred thousand (Rs. 100,000).

56. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or Secretaries, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

57. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credit, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

58. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

59. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

60. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

61. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed, then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

62. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings, all other Meetings of the Company shall be called Extraordinary General Meetings.

63. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

64. Any requisition so made shall express the object of the Meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and such time as the Shareholders convening the meeting may themselves fix.

65. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

66. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

67. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the object and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner (if any) as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the 2nd meeting contingently upon the resolution being passed by the requisite majority at the 1st meeting.

68. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

69. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

70. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

71. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved,

but in any other case it shall stand adjourned to the same day in the next week at the same time and place ; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

72. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary ; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman ; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

73. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

74. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

75. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

#### VOTING AT MEETINGS.

76. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder ; and unless a poll be immediately demanded by some Shareholder, or in the case of a special resolution by five Shareholders, present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

77. 143. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year, provided the Directors are satisfied that the nett profits of the Company will be sufficient to justify such interim dividend or bonus.

144. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund and may invest the same in such securities as they may select, or place the same in fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof as they think fit, to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

145. Any General Meeting may direct payment of any dividend or bonus declared at such meeting or of any interim dividends or bonuses which may subsequently be declared by the Directors, wholly or in part by means of drafts or cheques on London, or by the distribution of specific assets and in particular of paid-up shares, debentures, or debenture stock of the Company or of any other company or in any other form of specie, or in any one or more of such ways, and the Directors shall give effect to such direction, and when any difficulty arises in regard to the distribution they may settle the same as they think expedient and in particular may issue fractional certificates and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend or bonus as may seem expedient to the Directors.

146. No unpaid dividend or bonus shall ever bear interest against the Company.

147. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

148. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

149. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

154. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the Agent or Secretary or Agents or Secretaries of the Company their own or some other address in Ceylon to which notices may be sent.

155. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

156. Any notice if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

157. Any Shareholder who fails to give and register an address in Ceylon as provided in Article No. 153 shall not be entitled to be given any notices.

158. All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

PROVISIONS RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

## MUNICIPAL COUNCIL NOTICES.

## MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Tuesday, February 7, 1922, at 3 p.m.

THE Council met this day at 3 p.m., pursuant to notice dated January 31, 1922.

*Present* :—Mr. T. Reid, Chairman; Mr. C. P. Dias; the Hon. Mr. N. H. M. Abdul Cader; the Hon. Mr. Arthur Alvis; the Hon. Mr. H. L. de Mel, C.B.E.; Dr. E. V. Ratnam; Dr. W. P. Rodrigo; the Hon. Dr. G. J. Rutherford; Mr. W. C. S. Ingles; Mr. W. Philips; Mr. A. E. de Silva; Lieut.-Colonel S. Boylan Smith, D.S.O., O.B.E.; Mr. E. W. Jayewardene; Mr. R. L. Pereira; Mr. C. H. Z. Fernando; Mr. T. H. Tatham; Mr. J. S. Collett; and Mr. G. Adamjee Lukmanjee.

1. The Minutes of the General Meeting of January 10, 1922, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of the General Meeting of January 10, 1922, be confirmed.

2. The Chairman read the following :—Fourteen cases of plague have been recorded since January 1, as against a total of 80 during the corresponding period of last year and the average of 25 during the previous 8 years. Five of the cases were septicaemic and 9 were bubonic. All but one bubonic case proved fatal.

*Rat Plague*.—Ten infected rats were found, all in the Sea street, Pettah area, as against 22 during the corresponding period of last year.

The Chairman suggested that the statement regarding plague be discontinued in future. This was agreed to, and the Chairman undertook to lay on the table a monthly statement for the information of Members.

3. Pursuant to notice, Dr. W. P. Rodrigo asked the Chairman the following questions, and the Chairman replied *seriatim* :—

Q. (1) What is the total paid and payable by this Council up to December 31 last on account of the interest and sinking fund on the three million Waterworks Loan?

A. (1) The total payable up to the end of 1921 on account of interest and sinking fund on the Waterworks loan was Rs. 1,236,333.32, the total paid was Rs. 1,161,333.32 as the last quarter's instalment for 1921 has not been paid.

Q. (2) What portion of this amount will be refunded to the Council according to the new financial agreement with Government?

A. (2) I cannot state definitely how much will be refunded to the Council. The value of the sinking fund stock on a certain date will be refunded if the Secretary of State sanctions the agreement made with the Government of Ceylon. December 31, 1921, has been suggested as the date. When the value of the stock on that date is ascertained and when questions of interest earned and rates of exchange are settled, it will be possible to give the figure.

Q. (3) Is it true that a second set of new assessment notices has been written and served on the rate-payers subsequent to the last Budget Meeting of this Council?

A. (3) The foils of the original notices were filled in afresh and issued subsequent to the December Meeting of Council.

Q. (4) What is the cost of the extra work involved, who is responsible for it, and are the rate-payers expected to pay it?

A. (4) The extra work was done by the staff to whom it is suggested to pay a sum of Rs. 1,072.60 for their services. After the Council Meeting of July, 1921, the then Chairman directed procedure on the 20 per cent. basis. Later on, I wanted to be absolutely certain that the issue of notices was valid, as I anticipated possible expensive litigation if any loo phole were left in the procedure. I consulted the Attorney-General and the Solicitor-General and was advised by them to re-issue the notices. It must be a matter of opinion as to who is responsible for the expenditure. The cost, in my opinion, should be met from the Municipal Fund. The Finance Committee and the Law Committee were consulted in December, and no objection was raised to the expenditure, and the new Finance Committee of 1922 has since recommended the expenditure to the Council.

4. Pursuant to notice, Dr. W. P. Rodrigo asked the following question, and the Chairman replied as follows :—

Q. What is the fee for a broker's license in Colombo, and what was it last year? Has His Excellency the Governor in Executive Council sanctioned the enhanced fee, and, if so, will the Chairman be good enough to refer the Council to the date of the notification in the *Gazette*?

A. The fee for a broker's license used to be Rs. 80. In 1920 this Council decided to raise it to Rs. 100. Before the change could be effected the Ordinance No. 15 of 1889 had to be amended. In September, 1920, Government informed this Council "that His Excellency the Governor in Executive Council has been pleased to approve of section 15 of Ordinance No. 15 of 1889 being further amended so as to permit of the levy of a fee of Rs. 100 for a broker's license." In August, 1921, the Government informed this Council that the amending Ordinance No. 18 of 1921 had been passed, and action was then taken to recover fees on the new basis. I have now inquired from Government if the levy of the fee at the enhanced rate was legal without a further indication of the approval of His Excellency the Governor after the passing of the amending Ordinance of 1921. The necessary action will be taken after the ruling of Government is received.

Arising out of this question, the Hon. Mr. Arthur Alvis asked whether the Chairman would refund the balance Rs. 20 if it is held that the extra charge is not legal.

The Chairman replied in the affirmative.

5. Pursuant to notice, the Chairman moved that this Council do place on record their deep regret at the sad death of Mr. B. F. Khan, till recently a Member of this Council, and their high appreciation of the valuable services rendered by him to the Council. And that the Chairman to convey to his family the condolences of this Council. Mr. C. P. Dias seconded.

The motion was put to the meeting and carried unanimously, all the Members standing.

6. (1) Pursuant to notice, Dr. W. P. Rodrigo moved that no part of the money to be refunded by Government out of the interest and sinking fund on the special Waterworks loan be utilized for any other purpose than reducing the tax on house property as it is a breach of faith on the part of this Council to do so. That a rebate of 2 per cent. calculated on the annual value of properties be paid to rate-payers out of the money so refunded, and that the rebate be continued year by year until the total sum is exhausted.

While Dr. W. P. Rodrigo was speaking to his motion, Lieut.-Col. S. Boylan Smith rose to a point of order as the speech appeared to him to be merely an attack on the Chairman.

The Chairman ruled that the mover was in order, and Dr. W. P. Rodrigo continued his speech. The Hon. Mr. H. L. de Mel seconded *pro forma*.

Mr. R. L. Pereira spoke against the motion.

The Chairman urged that the motion showed a misunderstanding of the facts and figures regarding the refund due to the Council, and that the proposal was probably illegal and was also not feasible.

The motion was put to the meeting and lost, only the mover voting for it.

(2) Pursuant to notice, Dr. W. P. Rodrigo moved that no sum out of the money budgetted for the improvement of Colpetty road (Rs. 100,000) be spent during the first six months of the year. The Hon. Mr. H. L. de Mel seconded.

Mr. R. L. Pereira and Mr. C. H. Z. Fernando opposed the motion.

The motion was put to the meeting and lost.

Dr. W. P. Rodrigo had given notice of the following motion :—

7. That this Council approves of the disciplinary circular sent by the Chairman to the Heads of Departments, but wishes to impress upon him, the necessity and justice of placing before the Council any and every letter, petition, or memorial addressed by the members of the Municipal service to the Council and forwarded to him for that purpose, but which unfortunately has not been done hitherto.

Dr. W. P. Rodrigo asked for permission to withdraw his motion. Permission having been granted, the motion was withdrawn.

Mr. C. H. Z. Fernando had given notice of the following motion :—

8. That a Committee consisting of the Chairman, the Members for the St. Paul's, Slave Island, and Pettah Wards, the Hon. Mr. Arthur Alvis, and the mover be appointed to consider and report on the question of the control of house rents within the City.

Mr. C. H. Z. Fernando asked for permission to withdraw his motion. Permission having been granted, the motion was withdrawn.

Mr. C. P. Dias asked for permission of the Council to bring forward a motion with regard to Lieut.-Colonel S. Boylan Smith's impending departure.

The permission having been granted, Mr. C. P. Dias moved that this Council desires to place on record its appreciation of the valuable services ungrudgingly rendered to this Council by Lieut.-Colonel S. Boylan Smith, D.S.O., O.B.E. The Hon. Mr. Arthur Alvis seconded.

Dr. W. P. Rodrigo spoke in favour of the motion.

The Chairman, before putting the motion to the Meeting, heartily endorsed all that had been said. The motion was put to the Meeting and carried unanimously.

Lieut.-Colonel S. Boylan Smith thanked the Meeting.

Mr. C. P. Dias moved that the Council do go into Committee to consider items Nos. 9 to 13 (inclusive) on the agenda. The Hon. Mr. N. H. M. Abdul Cader seconded.—Carried.

The following extracts from the Minutes of the Standing Committees named were then laid before the Council in Committee :—

*Extracts from the Minutes of the Standing Committee on Law and General subjects of January 28, 1922.*

(5) To consider the correspondence with the Government with regard to the provision of a Municipal Court.

In the opinion of the Committee the powers of appointment and fixing of salary are vested in His Excellency the Governor, under sections 54 and 56 of Ordinance No. 6 of 1910.

(12) To consider an application from Dr. C. V. Aserappa, 1st Assistant Medical Officer of Health, for (a) 90 day's vacation leave to be spent in Nuwara Eliya; (b) cancellation of 7 months' and 1 day's commuted half-pay leave sanctioned by Council on July 5, 1921, as he is unable to take the leave out of the Island.

(The Financial Assistant reports that he can have only 42 days' vacation leave, and that the balance 48 days should be on half pay, which cannot be commuted to full pay as the leave is to be spent in Ceylon).—(a) Recommended that he be given 42 days' full pay vacation leave and 48 days' half pay; (b) recommended.

13. To consider the correspondence with regard to the acquisition of land for the proposed cemetery and quarry at Wellawatta.—Recommended that the Council's resolution of September 3, 1920, be adhered to, viz.: "That the land be acquired at a cost of Rs. 80,000 odd, details of cost to be submitted later."

*Resolutions.*

Item No. 3 (corresponding to item No. 8 of the extracts from the Minutes of the Standing Committee on Sanitation and Markets of January 30, and item No. 4 of the extracts from the Minutes of the Standing Committees on Municipal Works and Finance (meeting together) on January 31, 1922) was deferred for consideration in connection with the extracts from the Sanitation, Works, and Finance Committees.

Resolved that the recommendation of the Standing Committee with regard to item No. 12 be adopted.

With regard to item No. 13 (corresponding to item No. 28 of the extracts from the Minutes of the Standing Committee on Sanitation and Markets of January 30, 1922) the Hon. Mr. H. L. de Mel, Dr. E. V. Ratnam, Mr. R. L. Pereira, and Mr. W. C. S. Ingles spoke on the subject.

Mr. C. P. Dias moved that the consideration of the matter be postponed for next Meeting. Mr. J. S. Collett seconded.—Carried.

*Extracts from the Minutes of the Standing Committee on Sanitation and Markets of January 30, 1922.*

(4) To consider the recommendation of the Works Engineer with regard to the supply of 50 night soil hand carts.—Recommended that the work be carried out by the Works Engineer at a cost of Rs. 5,000.

(7) To consider (a) letter No. 61 dated October 11, 1921, from the Medical Officer of Health with regard to the proposed improvements to the Bacteriological Laboratory at Maligakanda; (b) plan and estimate of Rs. 5,354.36 from the Works Engineer.—(a) Considered; (b) recommended.

(8) To consider the correspondence with the Government with regard to the provision of a Municipal Court.—Recommended that the salary of a Civil Servant, Class IV., £400, rising by £25 to £500, with temporary increment, be paid to the Magistrate appointed.

(10) (a) With regard to the proposed feeding of the poor in commemoration of the visit of H. R. H. the Prince of Wales, to consider who is to make out the list of poor, and who is to feed them, and with what; (b) Also to consider a letter dated January 17, 1922, from the Chairman of Sub-Committee of H. R. H. the Prince of Wales' Reception Children's Day asking for a donation from the profits of the rice distribution in order to treat the children of the free schools in Colombo.—Recommended that the approval of His Excellency the Governor be asked for the transfer of the balance from the Rice Account to the Mayor's Fund. The Chairman undertakes that the feeding of the poor on the occasion of the visit of H. R. H. the Prince of Wales will be paid for out of this Fund.

The Committee regrets that it is unable to recommend a grant to the Reception Children's Day Sub-Committee, and consider that the Council should concentrate its efforts on feeding the poor, which should include children.

(11) To consider the applications received for the post of Chief Inspector, City Sanitation Department.—Recommended that the following names be submitted to the Council :—(1) Mr. Walter de Silva (No. 9), (2) Mr. J. A. V. Rodrigo (No. 5), (3) Mr. A. P. de Pinto (No. 6). The Committee specially recommends the appointment of Mr. Walter de Silva.

(14) To consider an estimate of Rs. 46,200 from the Acting City Sanitation Engineer for the erection of a Municipal laundry at Bloemendahl for 30 units.—Recommended.

(15) To consider a plan and an estimate of Rs. 41,000 from the Acting City Sanitation Engineer for the construction of a rider sewer from M. H. 9 on the main sewer G 1, North of Modera street along Modera street and up Madampitiya road to the Police Station and Barracks.—Recommended.

(16) To consider a draft letter to Government with regard to the drainage of Government lands reclaimed from the Colombo lake.—Recommended to pay to Government (a) a sum of Rs. 35,000 for the Hunupitiya Bay Reclamation Scheme; (b) a sum of Rs. 12,250 for the Kew and Short's road Reclamation Scheme; (c) and a sum of Rs. 6,100, the cost of draining the existing Kew lane, subject to the condition that Government undertakes to reclaim the land needed for St. Joseph's College at Government expense before the end of 1923, and to obtain from the College authorities permission for the Municipality to throw the land needed from the frontage into Darley road at once. A further condition would be that Government put in hand the drainage and reclamation of Hunupitiya Bay at once, and undertake to complete the work before March, 1923. Another condition would be a guarantee from Government that the other two schemes, the drainage at Kew and Short's roads and the making of Kew lane, would be carried out in the near future. In case any part of the Drainage Works referred to were carried out by the Municipal Engineers at the request of the Public Works Department, the work should be paid for by the Public Works Department. The Municipality agrees to contribute a total sum of Rs. 35,000, plus Rs. 12,250, plus Rs. 6,100, or a total of Rs. 53,350, and would pay over that sum now to Government, but would not undertake to pay any more for the schemes in question, whether the actual cost exceeded or were less than the sums estimated.

(17) To consider a plan and an estimate of Rs. 20,000 from the Acting City Sanitation Engineer for the construction of rainwater drain in Colpetty between Muhandiram's lane and the Railway bridge.—Recommended.

(20) To consider an estimate of Rs. 1,650 from the Works Engineer for the erection of a storage depôt of corrugated iron sheets and angle iron framework as per plan No. 1,879, including the cost of providing an approach roadway and boundary fence. Provision of Rs. 2,750 is made in the Budget under vote I. (h) 54.—Recommended.

(23) To consider a plan and an estimate of Rs. 13,000 from the Acting City Sanitation Engineer for the construction of a rider sewer in Wellawatta road. Provision is made in the Budget under Vote M. 24, "Extension of Drainage Works."—Recommended.

(24) To consider (a) the claim of Mrs. Schokman for alleged damages to premises No. 59, Colpetty, owing to an open drain having been run through the premises by the Drainage Works Department; (b) the Chairman's proposal to deal with the matter.—Recommended that the Council acquire the portion marked blue on the plan.

(25) To consider an application from Dr. C. V. Aserappa, 1st Assistant Medical Officer of Health, for (a) 90 days' vacation leave to be spent in Nuwara Eliya; (b) cancellation of 7 months' and 1 day's commuted half-pay leave sanctioned by Council on July 5, 1921, as he is unable to take the leave out of the Island.

(The Financial Assistant reports that he can have only 42 days' vacation leave, and that the balance 48 days should be on half pay, which cannot be commuted to full pay as the leave is to be spent in Ceylon).—(a) Recommended that he be given 42 days' full pay vacation leave and 48 days' half pay; (b) recommended.

5. Pursuant to notice Dr. Attygalle asked—(1) Is the Chairman aware of the recent failure of the electric lighting for two nights in succession and again a few days later ? (2) What explanation has the Company tendered for the sudden and repeated failures, and if no explanation has been received, will the Chairman call for a statement from the Company as to the cause of the failures and to exact nature of the fault or faults ? (3) Has the Superintendent of Works tested the pressure of the current during the last two months, and with what results ? (4) In view of these frequent failures does the Chairman think that the Company could, with confidence, be relied on to supply the extra lights and illuminations on the night of the visit of His Royal Highness the Prince of Wales next month ? (5) If these failures indicate a permanent weakness, is it not advisable to retract the offer made to the Company and take steps to have a new installation instead of acquiring the Company's installation and plant ? (6) When does the Chairman propose to make a start with the Asgeriya road ? (7) Has the Chairman intimated the various landowners over whose properties the road is traced, if not, will he kindly do so ? (8) Has the building of the Municipal school taken in hand, if not, what is the delay ? (9) Has the land referred to in the letter of the Government Agent, Central Province, No. 134, of May 26, 1920, been vested in the Council, if not, what is the cause of the delay ?

The Chairman replied as follows :—(1) I am aware that there were failures on January 25 and 27, 1922. (2) The manager of the Company reports : "On 25th ultimo a slight mechanical breakdown occurred on our large Diesel unit, but this was remedied and spare plant brought into operation within half an hour. Only part of Kandy town was affected." (3) Yes, the results are tabled at each Meeting of Council. (4) The manager reports : "It may be noted that it has already been arranged with Council that during the time H. R. H. the Prince of Wales is at Kandy only one-half of the public street lamps are to be lighted in order that our electric supply plant may not be unduly taxed, and with the exception of some 600 lamps on the bund of the lake, and extra lamps required at the Pavilion, we are allowing for illuminations much the same as at the Peace Celebrations in 1919, so there should be no anxiety on this point." (5) This is a matter for decision of Council. (6) In accordance with the decision of Council, notices calling for tenders to construct a section of the road have been issued. The tenders are due on March 6, 1922. (7) All landowners over whose land the section of road proposed to be constructed this year is traced have been consulted. (8) The building of the Municipal school will be taken in hand at once. (9) Not yet. The Government Agent informs me that the title plan required for the deed of vesting has not yet been received from the Surveyor-General.

6. Pursuant to notice Mr. de Silva asked—Has the Council taken any steps to acquire a playground for Katugastota, if not, when does the Council intend doing so ?

The Chairman replied as follows :—The Council resolved at the Meeting held in October, 1921, that steps be taken to acquire land for a playground at Katugastota. It was also agreed that the Superintendent of Works be asked to report on suitable land for the purpose at Katugastota. The Superintendent of Works reports : "A portion of the paddy field, say, four acres, near the Police Station, is suitable. The cost of land at Rs. 2,500 per acre would be Rs. 10,000, the land will have to be raised at least 3 feet and drained to make it fit for a playground, this would cost another Rs. 5,000, the total cost will be Rs. 15,000." The report has been submitted to the Finance Committee and will come before the Council in due course.

7. Pursuant to notice Dr. Attygalle moved—(1) As the rat-proof rice boutiques which are in course of construction by retail rice traders in various parts of the town are yet incomplete, that the enforcement of the regulations regarding the sale and possession of rice be deferred for a term of three months, excepting in the Katugastota area where the necessary provision, both for wholesale and retail trade, has been made. Mr. Ratwatta seconded.

Mr. de Silva moved as an amendment—That the enforcement of the regulations be deferred indefinitely. Mr. Vallipuram seconded.

Mr. Pieris moved as an amendment—That the enforcement of the regulations be postponed for six months, except in the case of wholesale dealers. Mr. Vallipuram seconded.
