DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance further to amend "The Local Boards' Ordinance, 1898."

WHEREAS it is expedient further to amend "The Local Boards' Ordinance, 1898": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

1 This Ordinance may be cited as "The Local Boards' (Amendment) Ordinance, No. of 1922."

2 The following section shall be inserted as section 61 A in the principal Ordinance:

61 A. In laying out or constructing any new street or thoroughfare, or in turning, diverting, widening, opening, enlarging, or otherwise improving any such street or thoroughfare, the Board may, with the sanction of the Governor in Executive Council, in addition to the land required for the purposes of the carriageways and footways thereof, also purchase the land necessary for houses and buildings to form the said street or thoroughfare, and may, with the like sanction, sell, lease, or otherwise dispose of the same, subject to such stipulations and conditions as to the class and description of houses or buildings to be erected thereon as they shall think fit.

Preamble.

Short title.

Insertion of new section 61 A in the principal Ordinance. Power to take land adjoining new street for building purposes.

By His Excellency's command,
Colonial Secretary's Office, GRAEME THOMSON,
Colombo, January 4, 1922. Colonial Secretary.

Statement of Objects and Reasons.

UNDER Ordinance No. 13 of 1898 power is given compulsorily to acquire land for the purposes of that Ordinance. If, however, land is required to make or widen a street, the ratepayers have to pay the full market value of the land acquired, but do not share, except very indirectly, in the benefit derived from the improvement.

This anomalous state of affairs has been remedied by section 65 of "The Local Government Ordinance, No. 11 of 1920," under which a District Council may also acquire the frontage on a street with a view to recouping itself by the sale or lease of the frontage for the cost of carrying out the improvement. A similar provision is to be found in section 150 of Ordinance No. 6 of 1910.

The subject of betterment is one that has given rise to much controversy, but it is considered that provisions similar to those contained in section 65 of Ordinance No. 11 of 1920 and section 150 of Ordinance No. 6 of 1910 are an equitable solution of a recognized difficulty, and should be made applicable to improvements by Local Boards.

Statement of Objects and Reasons.

UNDER Ordinance No. 18 of 1892, as amended by section 5 of No. 12 of 1913, power is given compulsorily to acquire land for the purposes of that Ordinance. If, however, land is required to make or widen a street, the ratepayers have to pay the full market value of the land acquired, but do not share, except very indirectly, in the benefit derived from the improvement.

This anomalous state of affairs has been remedied by section 65 of "The Local Government Ordinance, No. 11 of 1920," under which a District Council may also acquire the frontage on a street with a view to recouping itself by the sale or lease of the frontage for the cost of carrying out the improvement.
