By His Excellency's command,

Colonial Secretary's Office,
Colombo, March 13, 1922.

GRAEME THOMSON,
Colonial Secretary.

Statement of Objects and Reasons.

By section 6 of the Naturalization Ordinance, No. 21 of 1890, provision is made for the cancellation of Letters Patent issued with a view to granting rights of naturalization within the Colony to aliens, on the ground that the application contains material misstatements or that the evidence adduced in support of the application was false.

2. Experience has shown that there are other important grounds upon which rights of naturalization should be revoked, and by section 7 of the British Nationality and Status of Aliens Act, 1914, other grounds of revocation have been enacted.

3. It is proposed by this Bill to adopt the same grounds for the cancellation of Letters Patent of naturalization granted locally as prevail in the cases of certificates of Imperial naturalization, and section 2 of the Bill is framed on the model of the corresponding provisions in the Imperial Act. The Imperial Act contains provisions referring to inquiries that are to be held before certificates of naturalization are revoked in certain cases. These provisions appear in the new section which it is proposed to introduce by this Bill into Ordinance No. 21 of 1890.
