*Abstract.*—The applicants describe an apparatus for the manufacture of milk powder in which the milk is atomised by steam at the top of the apparatus: hot air enters near the atomisers. An exhaust fan draws the materials first downwards, whereby most of the milk is dried and falls down into hoppers: the air and the undeposited milk are then drawn upwards through filters on which the rest of the milk is deposited. These filters are shaken at intervals and the milk powder thereon drops down into the hoppers below.

The claims are:—

1. Apparatus for manufacturing milk powder, comprising a drying chamber into which the atomised milk is sprayed at the top collecting hoppers depending from the drying chamber, bag filters communicating with the drying chamber and hoppers, whereby the bulk of the atomised milk is deposited in the form of milk powder directly into the hoppers, and the residue is collected by the bag filters and deposited from time to time into the hoppers and intimately mixed with the main deposit, substantially as specified.

5. Apparatus for manufacturing milk powder according to claim 1, comprising an air washer, a heater through which the air passes on its way to a drying chamber atomisers adapted to spray the milk into the drying chamber in company with the heated air hoppers beneath said drying chamber for collecting by direct deposit the bulk of the milk powder, filter bags in connection with the drying chamber by which the milk powder in suspension in the air is filtered, shaking mechanism for said filter bag, a pump for producing the air supply, substantially as specified.

## REGULATIONS UNDER SECTION 14 OF THE ORDINANCE.

## CHAPTER I.

*Fees payable by Employers of Estates paying Acreage Fees.*

1. The employer of any Indian immigrant labourers on any estate of the description named in schedule A attached to these rules shall, except as hereinafter provided, pay by quarterly instalments to the Controller, for the purposes of the Immigration Fund, acreage fees on such a scale as may from time to time be fixed by the Governor in Executive Council and notified in the *Government Gazette*.

2. The first instalment of such fees shall be due and payable on a date to be fixed by the Governor in Executive Council and notified in the *Government Gazette*. Thereafter the instalments shall be due and payable on or before the first day of each quarter, viz., January 1, April 1, July 1, and October 1.

3. (a) For the purpose of assessing the first and second instalments, the employer of any Indian immigrant labourers on any estate of the description named in schedule A shall forward to the Controller, on or before a date to be fixed by the Governor and notified in the *Government Gazette*, a return covering the second quarter of 1923, as nearly as may be material in the form set out in schedule B attached to these rules. Such forms can be furnished by the Controller free of cost to each employer on application, or may be obtained at the nearest Kachcheri or Post Offices in planting districts.

(b) Thereafter the return shall be furnished quarterly to the Controller. The return for each quarter of the year shall be sent in on or before the last day of the following month; e.g., the return for the third quarter on or before October 31, &c.

4. The return shall be certified by the employer under his hand to be correct. Any employer who fails to furnish a correct return, certified as aforesaid, within the prescribed time shall be guilty of an offence, and shall be liable on summary conviction to a fine not exceeding Rs. 50.

5. Any employer knowingly certifying an incorrect return shall be guilty of an offence, and shall be liable on summary conviction to a fine not exceeding Rs. 50.

6. (a) Upon the receipt of the return set out in schedule B, the Controller, if he is satisfied that no Indian immigrant labourers have been employed in the estate during the period covered by the return, shall notify the employer that no acreage fees for the ensuing quarter are payable on account of the estate.

(b) If Indian immigrant labourers have been employed during such period or any portion thereof, the Controller shall assess the amount due by the estate as acreage fees, and shall, in the case of the first instalment, notify the employer at least seven days before the instalment is payable, of the amount so due, which amount shall thereupon become payable by the employer on the prescribed date. Thereafter the assessment shall be notified at least seven days before each instalment is due. Provided that the Controller may notify any employer that the assessment of the whole or any portion of his estate is held in abeyance until the Controller can cause the same to be inspected. When any such assessment is postponed, but exemption is not eventually granted, the acreage fee as assessed shall be payable seven days after demand by the Controller.

7. If the Controller is not satisfied as to the correctness of the return under schedule B, or if the employer fails to make any such return, the Controller may assess the amount payable by any such estate. Such amount shall be notified to the employer and be payable by him on the prescribed date.

8. Within fourteen days after the receipt by him of any notice regarding the assessment of the rate to be levied on account of any estate, the employer may appeal against such assessment to the Governor in Executive Council whose decision thereon shall be final.

9. If default be made in payment of any instalment, it shall be lawful for the Controller or any person authorized by writing under his hand, either generally or in a special instance, to seize the estate in respect of which such instalment is due, and any crop, or produce thereof, and any movables thereon; and if the amount

of such instalment together with any interest due under section 15 of the Ordinance or any costs payable under rule 11 shall not be sooner paid, to sell the property so seized by public auction at any time not less than twenty-one days from the date of such seizure.

10. It shall be lawful for the person making the seizure to place and keep a person in possession of the property so seized as aforesaid pending such sale, if authorized thereto by general or special instructions issued by the Controller.

11. The costs and charges of seizure and sale shall also be payable from the proceeds of the property seized, and they shall be as follows:—

- (1) The costs of proceeding to the estate of the party in default, a charge not exceeding eight per centum on the amount due;
- (2) The removal of the goods seized in case such removal takes place, a charge not exceeding eight per centum on the amount due;
- (3) For keeping the same in safe custody in case of such removal, a charge not exceeding one rupee per day;
- (4) For keeping a person in possession if the goods seized are not removed, a charge not exceeding one rupee per day;
- (5) For the expenses of sale when any sale takes place, a charge not exceeding two and half per centum on the nett proceeds of the sale.

12. In the event of a sale of property seized, the Controller shall, after deducting the amount of the instalment due as aforesaid, the interest payable under section 15 of the Ordinance and the costs payable under the last preceding rule, restore the overplus, if any, arising from such sale, to the owner of the property sold.

13. If the estate or any part thereof seized as mentioned in rule 9 is sold, a certificate substantially in the form given in schedule D hereto, signed by the Controller, shall be sufficient to vest the land sold in the purchaser. Such certificate shall be liable to the stamp duty fixed on conveyances of immovable property, and to any registration or other charges authorized by law, such duty and charges being payable by the purchaser.

#### CHAPTER II.

##### *Fees payable by Private Employers not paying Acreage Fees.*

1. The following fees for the recruitment of Indian immigrant labourers shall be computed and become payable in the following manner by any employer not paying acreage fees, and not being a Government Department, to the Controller for the purposes of the Immigration Fund.

2. Before any license to recruit on behalf of such employer is granted in conformity with section 16 of the Ordinance, such employer shall forward to the Controller an application in duplicate as nearly as material in the form shown in schedule C. Application forms may be obtained free of cost from the Controller.

3. On receipt of the application the Controller shall examine the same, and, if he approve thereof, shall—

- (a) Compute the amount which may reasonably be expected to cover the cost of recruiting and forwarding to the employer the number of recruits specified in the application;
- (b) Thereupon notify such amount to the applicant, and call upon him either to deposit the said sum with the Controller, or to furnish the Controller with a Bank guarantee for the amount;
- (c) When the deposit has been lodged or the Bank guarantee furnished, forward to the Emigration Commissioner a copy of the application, and notify to him the particulars of the deposit or Bank guarantee made by the employer. The Emigration Commissioner shall thereupon deal with the application as laid down in section 16 of the Ordinance.

4. Provided that if the employer is a certified subscriber to the Coast Agency of the Ceylon Planters' Association, the Controller may waive the demand for a special deposit or Bank guarantee. In such case the Ceylon Labour Commissioner shall be responsible to the Controller for all charges payable to the Immigration Fund by the employer for the Indian immigrant labourers introduced or recruited on behalf of such employer. The Ceylon Labour Commissioner may from time to time furnish the Controller with a list of employers certified, for the purposes of this rule, as subscribers to the Coast Agency.

5. When the Indian immigrant labourers duly accepted for assisted passages under any license issued under rule 3 (c), and any Emigration Agent accompanying them have been introduced into the Island, the Controller shall, within a reasonable period, ascertain—

- (a) The cost incurred for the transport and subsistence of such Indian immigrant labourers and Emigration Agent from the time of their acceptance as recruits by the Emigration Commissioner until they have been handed over to their employer;
- (b) Any charges incurred in the transport, subsistence, and return to their homes of any such Indian immigrant labourers rejected at any stage of the journey;
- (c) Any special charges incurred by the Emigration Commissioner or Controller for the medical treatment, examination, detention, burial, or cremation of any such Indian immigrant labourers or Emigration Agent accompanying them;

- (d) Any immigration fee duly imposed by the Indian Emigration authority on each such Indian immigrant labourer or Emigration Agent accompanying them ;
- (e) Any fee paid to the licensed recruiter for the Indian immigrant labourers duly recruited by him and thereafter accepted by the Emigration Commissioner for despatch from the port of embarkation to Ceylon. Such fee shall be at the rates specified by the employer in his application, in the form schedule C, under rule 2, but shall not in any case exceed the rates sanctioned by the Government of Madras under the provisions of the Indian Emigration Act ;
- (f) A capitation fee (to cover the charges incurred by the Department of Indian Immigrant Labour for registration and supervision) for each such Indian immigrant labourer or licensed recruiter introduced into the Island. The amount of such fee shall be fixed from time to time by the Governor in Executive Council and notified in the *Government Gazette* ;
- (g) A capitation fee (similarly calculated, fixed, and notified) to be paid into the Fund as a set off against any expenses which may be incurred in repatriating Indian immigrant labourers under section 22 of the Ordinance.

6. When the Controller has ascertained the total amount payable under regulation 5 of this Chapter by any employer, he shall certify the same and present it to the employer for payment within twenty-one days ; or if the employer be a certified subscriber to the Coast Agency under rule 4, the bill shall be presented to, and payable by, the Ceylon Labour Commissioner. When such amount is covered by any deposit made under rule 3 of this Chapter by the employer, the Controller shall deduct the amount due from the deposit, and return the balance, if any, of the deposit to the employer. Provided that the amount due shall not be wholly covered by the deposit made by the employer, the Controller shall call on the employer to pay the balance.

7. All moneys recovered by the Controller under the preceding rule shall be paid by him into the Immigration Fund.

8. If any sum due by an employer is not paid as required by regulation 6 of this Chapter, the same may, together with any interest due under section 15 of the Ordinance, and the costs of the seizure and sale, be recovered by seizure and sale of the property, movable or immovable, of the employer in the manner and subject to the conditions laid down in regulations 9 to 13 (both inclusive) of Chapter I.

9. Employers introducing Indian immigrant labourers under the provisions of this Chapter shall not receive any recruitment allowance for labourers so introduced.

#### REGULATIONS UNDER SECTIONS 13 AND 23 OF THE ORDINANCE.

##### A.—Recruitment Allowances.

1. Every employer paying acreage fees to the Fund shall receive a recruitment allowance for every Indian immigrant labourer recruited directly on his behalf by a licensed recruiter and thereafter landed in Ceylon under the care of the Controller.

2. Recruitment allowances shall not be payable on children under twelve years of age or on other dependents. The Emigration Commissioner shall decide whether any person is a labourer or dependent, and his decision for the purpose of this rule shall be final.

3. The recruitment allowance shall be on a scale fixed from time to time by the Governor in Executive Council and notified in the *Government Gazette*.

4. Recruitment allowances shall be payable to employers at the end of each half year.

Other dependents accompanying duly accepted immigrant labourers and unfit for registration as labourers may be accepted by the Emigration Commissioner at his discretion.

8. Dependents shall be provided at the cost of the Fund with the same transport, subsistence, or batta in lieu thereof as recruited labourers, but no employer shall be entitled to any recruitment allowance on their behalf.

*D.—Holders of Recruiting Licenses.*

9. Holders of recruiting licenses on their return journey to Ceylon shall be provided, as if they were recruited labourers, at the cost of the Fund, with transport, subsistence, or batta in lieu thereof from the Agency at which they recruit to the railway station in Ceylon most convenient to their place of employment. Their employer shall not however be entitled to any recruitment allowance on their behalf.

10. Holders of recruiting licenses who travel in charge of their recruits from the office of registration to the port of embarkation, and who, on the departure of their recruits to Ceylon, return to their districts for further recruiting, shall, while accompanying their recruits, be provided at the cost of the Fund with their transport, subsistence, or batta in lieu thereof, as if they were duly recruited labourers. On the departure of their recruits for Ceylon they shall be provided at the cost of the Fund with their railway ticket to the station most convenient for the Agency at which they recruit.

*E.—Assisted Immigrants not directly recruited by Holders of Recruiting Licenses.*
