IT is hereby notified that the following rules have been made for the whole Colony by the Principal Civil Medical Officer, with the approval of the Governor in Executive Council, under section 12 of Ordinance No. 10 of 1912, as amended by Ordinance No. 27 of 1921, and are published for general information.

Colonial Secretary's Office,
Colombo, July 24, 1923.

RULES REFERRED TO.

Construction of Cooly Lines.

1. After the promulgation of these rules no owner or Superintendent shall erect or re-erect any permanent cooly lines, except in accordance with plans, drawings, and specifications approved in writings by the Principal Civil Medical Officer or any person thereunto authorized by him in writing. Such lines shall in all respects conform with the requirements and standards set forth in Schedule A to these rules.

2. The Principal Civil Medical Officer may, if he thinks fit in any instance, permit the erection of temporary lines for the accommodation of coolies for a period not exceeding four years from the date of first occupation. Such date shall be reported to the Principal Civil Medical Officer, who may at his discretion forbid the further occupation of such lines at any time within the said period of four years. Such temporary lines shall in all respects conform with the requirements and standards set forth in Schedule B to these rules.

3. Should it at any time appear to any Medical Officer charged with the duty of estate inspection that any cooly lines are by reason of their site, construction, size, condition, or otherwise not in conformity with the requirements and standards set forth in the schedules hereto, he shall report accordingly to the Principal Civil Medical Officer, and shall with his report submit recommendations as to the action necessary, in his opinion, to be taken. On receipt of such report the Principal Civil Medical Officer may, after such inquiry as he shall deem necessary, give to the Superintendent or owner an order in writing requesting him to remove, alter, or enlarge such lines within one year or such further period as may be allowed by the Principal Civil Medical Officer, provided that such order shall not be made solely upon the ground that the superficial area of a living room is less than 100 square feet. The Principal Civil Medical Officer may, at his discretion, prescribe the site to which the lines are to be removed, the nature of the alterations required, or the extent of the enlargements to be made, and it shall be the duty of the Superintendent or owner to carry out the directions of the Principal Civil Medical Officer in every particular.

4. An appeal shall lie to the Governor from any decision or order made under the above rules by the Principal Civil Medical Officer. Such appeals shall be in writing and shall be forwarded to the Medical Wants Committee for submission to the Governor, whose decision shall be final.

5. Cooly lines shall be built on dry and, where possible, on raised sites, preferably on the eastern slope of a hill, and where a sufficiency of good potable water is easily accessible. In malarious districts the lines shall be whenever possible at a distance of at least 500 yards from swamps and marshes. No lines shall be erected within 2 feet of any bank or cutting which is more than 6 feet high, if other suitable building sites exist. Where any existing cooly line has been erected within 2 feet of any bank or cutting, the Superintendent or owner shall cause an efficient drain to be cut at the base of such bank or cutting.

6. A clear open space of a minimum width of 40 feet shall be left around the lines, which open space shall be kept free of jungle and rank and noisome vegetable growth. No latrines, animal sheds, or other structures shall be erected in this open space.

Sanitary Measures and Precautions.

7. The Superintendent or owner shall cause the vicinity of the lines to be kept clear of refuse and excreta, and the lines and the drains to be cleaned out daily, and all refuse in or near them to be collected, removed, and disposed of by burning or burying. The Superintendent or owner shall detail a sufficient number of coolies daily to carry out these duties.

8. The Superintendent or owner shall provide—

- (a) Covered dustbins in the proportion of one to every five rooms, and, where possible, incinerators for the destruction of rubbish, unless other means satisfactory to the Principal Civil Medical Officer are taken for its disposal. (Plans of incinerators may be obtained free of charge on application to the Principal Civil Medical Officer.)
- (b) Portable wide-mouthed utensils for the use of the children not able to use latrines.

9. The Superintendent or owner shall cause all walls of cooly lines and latrines to be whitewashed or tarred according to the nature of their construction annually.

10. All labourers or occupants of cooly lines shall make a proper use of the latrines and shall not pollute the soil.

11. No cattle or goats shall be kept in the living rooms or verandahs, and no windows or air spaces shall be blocked up.

12. Every Superintendent or owner shall himself visit, or cause to be visited and inspected by a dispenser or other responsible person, all lines and latrines at least twice a week. It shall be the duty of the Superintendent or owner to cause any default, defect, or neglect in the cleaning operations of the lines and latrine to be immediately rectified.

Water Supply.

13. When the domestic water supply for the lines is obtained from sources other than wells, the Superintendent or owner shall provide that it is conducted in such a manner as shall obviate any risk of contamination in transit, and is delivered to the consumer with similar precautions. Earth drains or channels for conducting the water from the source of supply shall not be considered a sufficient safeguard against risks of contamination. The source of supply shall be protected by means of wall or fencing, or in such manner as the Inspecting Medical Officer may consider necessary. No bathing or washing of clothes shall be allowed at any well, or at any source of supply, or along any conduit, or at any reservoir supplying water which is intended for human consumption, except with the permission of the Principal Civil Medical Officer.

The Superintendent or owner shall also provide that—

- (a) All wells are protected from the possibility of surface pollution by properly constructed stone or masonry parapet walls, and are provided with suitable drains to prevent the percolation of waste water from the surface.
- (b) No well is to be within a distance of 50 feet from a pit latrine, unless the bottom of such well be on a higher level of ground than the bottom of the pit latrine.
- (c) Separate bathing and washing places adequately drained are provided for the use of the coolies, wherever possible.

SCHEDULE A.

12. Shares may be registered in the name of a firm, and any partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies.

13. A Shareholder shall in respect of each share held by him be entitled in respect of one motor car owned, made known and registered by him in the Company's books, to any special rights, privileges, or concessions which may from time to time be granted to the Shareholders by the Directors in regard to each share and car owned by a Shareholder, provided that so long as a car registered in respect of any share has not been disposed of by the owner, no other car shall be registered in respect of the same share for the purposes of this clause.

14. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

15. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other rights in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clauses 32 and 33 to become a Shareholder in respect of any share.

16. The joint-holders of a share shall be severally, as well as jointly, liable for the payment of all instalments and calls due in respect of such share.

17. Every Shareholder shall be entitled to a certificate under the common seal of the Company, specifying the shares held by him and the amount paid thereon.

18. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof, and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

CALLS.

19. The Directors may, from time to time, make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

20. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

21. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

22. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

23. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys due upon their respective shares beyond the sums actually called for; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance, and the Directors may agree upon, not exceeding, however, six per centum per annum.

TRANSFER OF SHARES.

24. Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

25. No transfer of shares shall be made to an infant or person of unsound mind.

26. The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

27. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise; or in case of shares not fully paid up to any person not approved by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

28. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of two rupees and fifty cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer, upon payment thereof the Directors, subject to the powers vested in them by Article 27, shall register the transferee as a Shareholder and retain the instrument of transfer.

29. The Directors may, by such means, as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

30. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if it all, upon the transferee.

31. The register of transfers may be closed during the fourteen days immediately preceding each Ordinary General Meeting, and when a dividend is declared for the three days next ensuing after the Meeting, also at such other times (if any) and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

TRANSMISSION OF SHARES.

32. The executors, or administrators, or the heirs of a deceased Shareholder shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

33. Any guardian of any infant Shareholder, or any manager of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer shall upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to provisions herein contained, to be registered as a Shareholder in respect of such shares, or may subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

34. If any person who shall become entitled to be registered under clause 33 in respect of any share on which the Company has any lien shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares as sold, shall be thereafter paid to the person entitled thereto.

SURRENDER AND FORFEITURE OF SHARES.

35. The Directors may accept in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

36. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited. If the requisition of such notice as aforesaid be not complied with every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

37. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

38. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

39. The surrender or forfeiture of a share shall involve the extinction of all interest in, and of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

40. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, or re-allotted, or otherwise disposed of under Article 38 hereof shall be redeemable after sale or disposal.

41. The Company shall have a first charge or a paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, or claim, and whether due from any such holder individually or jointly with others including all calls which the Directors,

shall have resolved to make, although the times appointed for the payment thereof shall not have arrived, and where any share is held by more persons than one, the Company shall be entitled to the said charge of lien in respect of any money due to the Company from any of such persons, and the Directors may decline to register any transfer of shares subject to such charge or lien.

42. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder, or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, six days' notice shall be allowed him.

43. The nett proceeds of any such sale shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

44. A certificate in writing under the hands of one of the Directors and of the Secretary, or Secretaries, that the power of sale given by clause 42 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

45. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser hereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

PREFERENCE SHARES.

46. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution determine.

47. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by a special resolution passed at a meeting of such holders consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares, and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

48. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

BORROWING POWERS.

49. The Directors may from time to time at their discretion raise or borrow or secure the payment of any sum of money for the purpose of the Company's business, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Twenty-five thousand rupees.

50. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

51. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

52. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

53. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

54. The first General Meeting shall be held at such time, not being more than six months after the incorporation of the Company, and at such place as the Directors may determine.

55. Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed, then at such place and at such time, as soon after the first day in each year as may be determined by the Directors.

56. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

57. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

58. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same, within twenty-one days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

59. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

60. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

61. Fourteen days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner (if any) as may be prescribed by the Company in General Meeting.

62. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in the place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

63. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

64. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented by proxy or attorney at the commencement of the business three or more Shareholders entitled to vote.

65. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

66. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

67. No business shall be discussed at any General Meeting, except the election of a Chairman whilst the Chair is vacant.

68. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

69. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

70. At any meeting every resolution shall be decided in the first instance by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some member present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution.

71. If at any meeting a poll be demanded by some Shareholder present at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any vote to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

72. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

73. No poll shall be demanded on the election of a Chairman of the meeting, or on any question of adjournment.

74. On a show of hands every Shareholder present in person shall have one vote only. When a Shareholder is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder present in person or by proxy or attorney shall (except as provided for in the Article immediately following) have one vote for every share held by him. When voting on a resolution involving the sale of the Company's estates or any portion thereof, or the winding up of the Company, every Shareholder shall have one vote for every one share held by him, and a majority of three-fourths of the Shareholders present or presented by proxy or attorney shall be necessary to carry such resolution.

75. The parent or guardian of an infant Shareholder, the manager or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

76. Votes may be given either personally or by proxy or by attorney.

77. No Shareholder shall be entitled to vote or speak at any meeting, unless all calls due from him on his shares have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, or person acquiring by marriage, shall be entitled to vote at any meeting held after the expiration of three months from the registration of the Company in respect of any share which he has acquired by transfer, unless he has been possessed of the share in respect of which he claims to vote at least three months previously to the time of holding the meeting at which he proposes to vote or speak.

78. No Shareholder who has not been duly registered as such for three months previous to the General Meeting shall be entitled to be present and to speak and vote at any meeting held after the expiry of three months from the incorporation of the Company.

79. No person shall be entitled to hold a proxy who is not a Shareholder of the Company, but this rule shall not apply to a power of attorney.

80. The instrument appointing a proxy shall be printed or written, and shall be signed by the appointor, or if such appointor be a company or corporation it shall be under the common seal of such company or corporation.

81. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than twenty-four hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form :—

Automobile Owners, Limited.

I, _____, of _____, appoint _____, of _____ (a Shareholder in the Company), as my proxy, to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the _____ day of _____, One thousand Nine hundred and _____, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this _____ day of _____, One thousand Nine hundred and _____.

82. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney) except at the meeting or poll at which such vote shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

83. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

DIRECTORS.

84. The number of Directors shall never be less than two nor more than five, but this clause shall be construed as being directory only, and the continuing Directors may act notwithstanding any number of vacancies. Any Shareholder shall be qualified to become a Director.

As remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding Rupees One thousand (Rs. 1,000) annually to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration granted for special or extra services hereinafter referred to nor any extra remuneration to the Managing Director of the Company.

85. The first Directors shall be William Henry Atkinson, Rudolph Reginald Banning Lover, John Reynold de Silva, Edward Bulner, and Arthur Edward Ephraums who shall hold office till the first Ordinary General Meeting of the Company, when they shall all retire, but shall be eligible for re-election.

86. One or more of the Directors may be appointed by the Directors to act as Secretary, Managing Director, or Managing Directors, for such time and on such terms as the Directors may determine or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another, or other Secretary, Managing Director, or Managing Directors.

The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any manager of the Company.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Director for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money as they shall think fit.

ROTATION OF DIRECTORS.

87. At the first Ordinary General Meeting of the Company all the Directors shall retire from office, at the first Ordinary General Meeting in every subsequent year one of the Directors for the time being shall retire from office as provided in clause 88.

88. The Directors to retire from office at the second, third, and fourth Ordinary General Meetings shall, unless the Directors otherwise arrange among themselves, be determined by ballot. In every subsequent year the Directors to retire shall be those who have been longest in office.

89. In case any question shall arise as to which of the Directors who have been the same time in office shall retire, the same shall be decided by the Directors by ballot.

90. Retiring Directors shall be eligible for re-election.

91. The Ordinary General Meeting at which Directors retire or ought to retire by rotation shall appoint successors to them, and in default thereof such successors may be appointed at a subsequent Ordinary General Meeting.

92. Any casual vacancy occurring in the number of Directors or provisional Directors, arising from death, resignation, or otherwise, may be filled up by the Directors, but any person appointed to fill such vacancy shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

93. The Directors, subject to the approval of a General Meeting, may from time to time at any time subsequent to the second Ordinary General Meeting increase or reduce the number of Directors, and may also, subject to the like approval, determine in what rotation such increased or reduced number is to go out of office.

94. If at any meeting at which an election of a Director ought to take place, the place of a retiring Director is not filled up, the retiring Director may continue in office until the first Ordinary General Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

95. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

96. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The Director so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same as if he had not been removed.

97. Every Director or officer of the Company, and his heirs, executors, and administrators shall be indemnified by the Company from all losses and expenses incurred by him in or about the discharge of his duties, except such as happen from his respective wilful acts or defaults; and no Director or officer shall, nor shall the heirs, executors, or administrators of any Director or officer, be liable for the acts or defaults of any other Director or officer, or for any loss or expense happening to the Company by the insufficiency or deficiency of title to any property acquired, or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy insolvency, or tortuous act of any person with whom any moneys, securities, or effects shall be deposited, or for any other loss, damage, or misfortune whatsoever which shall happen in the execution of the duties of his office or in relation thereto, unless the same happen through his own wilful act or default.

98. No contribution shall be required from any present or past Director or Manager exceeding the amount, if any, unpaid on the shares in respect of which he is liable as at present or past Shareholder.

DISQUALIFICATION OF DIRECTORS.

99. The office of the Director shall be vacated—

- (a) If he accepts or holds any office or place of profit other than Managing Director, Visiting Agent, Superintendent, or Secretary under the Company.
- (b) If he becomes bankrupt or insolvent, or suspends payment, or files a petition for the liquidation of his affairs, or compounds with his creditors.
- (c) If by reason of mental or bodily infirmity he becomes incapable of acting.
- (d) If he ceases to be a Shareholder.

Provided that no Director shall vacate his office by reason of his being a member of any corporation, company, or firm which has entered into any contract with, or done any work for the Company of which he is a Director, or by his being agent, or secretary, or solicitor, or by his being a member of a firm who are agents, or secretaries, or solicitors of the Company; nevertheless, he shall not vote in respect of any contract work or business in which he may be personally interested.

POWERS OF DIRECTORS.

100. The Directors shall have power to carry into effect the lease, purchase, or acquisition of any lands or property they may think fit, or any share or shares thereof.

101. The business of the Company shall be managed by the Directors either by themselves or through a Managing Director, or with the assistance of an agent or agents, and secretary or secretaries of the Company to be appointed by the Directors for such period, and on such terms as they shall determine, and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and the registration of the Company, and in and about the valuation, purchase, lease, or acquisition of the said property, and otherwise in or about the working and business of the Company. The whole of the direction and control of the business of the Company shall be conducted in Ceylon, and no person shall act in any manner as a Director whilst resident temporarily or otherwise in the United Kingdom, except by special sanction of the Board where such Director is engaged out of Ceylon on the Company's business.

102. The Directors shall have power to make, and may make, such rules or regulations for the management of the business and property of the Company as they may from time to time think proper, and shall carry on the business of the Company in such manner as they may think most expedient; and in addition to the powers and authorities by any Ordinance or by these presents expressly conferred on them, they may exercise all such powers, give all such consents, make all such arrangements, appoint all such agents, managers, secretaries, treasurers, accountants, and other officers, superintendents, assistants, clerks, artisans, labourers, and other servants for such period or periods, and with such remuneration, and at such salaries, and upon such terms and conditions as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, treasurers, accountants, and other officers, clerks, or servants of the Company for such reasons as they may think proper and advisable, and without assigning any cause for so doing.

103. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting, and shall generally do all such acts and things as are or shall be, by any Ordinance and by these presents, directed and authorized to be exercised, given, made or done by the Company, and are not by any Ordinance or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of any such Ordinances and of these presents and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting; but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

The generality of the powers conferred by any clause in these presents on the Directors shall not be taken to be limited by any clause conferring any special or expressed power.

104. The Directors shall have power to appoint a proctor or proctors, solicitor or solicitors, attorney or attorneys to assist in carrying on or protecting the business of the Company on such terms as they may consider proper, and from time to time to revoke such appointment.

105. The Directors shall have power to open from time to time on behalf of the Company any account or accounts with such bank or banks as they may select or appoint, and also by such signatures as they may appoint to draw, accept, make, endorse, sign, and execute cheques, bills of exchange, and promissory notes, bills of lading, receipts, contracts and agreements, bonds, mortgages, proxies to any proctor or proctors, and other documents on behalf of and to further the interests of the Company.

106. The seal of the Company shall not be used or affixed to any deed or instrument except in the presence of two or more of the Directors, or of one Director and the secretary or secretaries of the Company, who shall attest the sealing thereof, such attestation on the part of secretaries, in the event of a firm or corporation being the secretaries, being signified by a partner or duly authorized manager, attorney, or agent of the said firm or corporation signing for and on behalf of the said firm or corporation as such secretaries.

107. It shall be lawful for the Directors, if authorized so to do by the Shareholders in General Meeting, to arrange terms for the amalgamation of the Company with any other company or companies, or individual or individuals, or for the sale or disposal of the business and effects of the Company; or any part or parts, share or shares thereof, respectively, to any company or companies, or person or persons, upon such terms and in such manner as the Directors shall think fit, and the Directors shall have power to do all such things as may be necessary for carrying such amalgamation, sale, or other disposition into effect so far as a resolution or special resolution of the Company is not by law necessary for such purpose; and in case any terms so arranged by the Directors include or make necessary the dissolution of the Company, the Company shall be dissolved to that end.

108. In furtherance and not in limitation of, and without prejudice, to the general powers conferred or implied in the last preceding clause, and of the other powers conferred by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say) :—

- (a) To institute, conduct, defend, compromise, settle, abandon any action, suit, prosecution, or other legal proceedings on behalf of the Company, and also to compound and allow time for payment or satisfaction of any debts due to or from the Company, and of any claims or demands made by or against the Company.
- (b) To refer any claims or demands by or against the Company to arbitration, and observe and perform or enforce the award.
- (c) To make and give receipts, releases, and other discharges for money payable to the Company, and for claims and demands by the Company.
- (d) To act on behalf of the Company in all matters relating to bankrupts and insolvents, with power to accept the office of trustee, assignee, liquidator, or inspector, or any similar office.
- (e) To invest any of the moneys of the Company which the Directors may consider not to be immediately required for the purposes thereof, upon such securities and in such manner as they may think fit, and so that they shall not be restricted to such securities as are permissible to trustees, without special powers, and from time to time to vary or release such investments.
- (f) To delegate to any one or more of the Directors of the Company for the time being, or any other person or company for the time being, residing or carrying on business in Ceylon, or elsewhere, all or any of the powers or functions given to or exercisable by the Directors; and to confer such power for such time and to be exercised for such objects and purposes, and upon such terms and conditions and with such restrictions as the Directors may think expedient, and to confer such powers either collaterally with, or to the exclusion of, and in the substitution for, all or any of the powers of the Directors in that behalf, and from time to time to revoke, withdraw, alter, or vary all or any such powers. The Directors may allow to any person or company to whom any powers may be so delegated such remuneration as they in their absolute discretion shall think fit.

PROCEEDINGS OF DIRECTORS.

109. The Directors may meet for the despatch of business, adjourn, and otherwise regulate their meetings at such places and times and in such manner as they may think fit, and determine the quorum necessary for the transaction of business. Until otherwise determined two Directors shall be a quorum.

110. A Director may at any time summon a meeting of Directors.

111. The Board may elect a Chairman of their meetings and determine the period for which he is to hold office, and all meetings of the Directors shall be presided over by the Chairman if one has been elected and if present, but if there be a vacancy in the office of Chairman, or if at any meeting of Directors the Chairman be not present at the time appointed for holding the same, then and in that case the Directors present shall choose one of their number to be Chairman of such meeting.

112. Any question which shall arise at any meeting of the Directors shall be decided by a majority of votes, and in case of an equality of votes the Chairman thereat shall have a casting vote in addition to his vote as a Director.

113. The Board may delegate any of their powers to committees consisting of such member or members of their body as the Board think fit, and they may from time to time revoke and discharge any such committee, either wholly or in part, and either as to persons or purposes, but every committee so formed shall, in exercise of the powers delegated to it, conform to all such regulations as may be prescribed by the Board. All acts done by any such committee, in conformity with such regulations and in the fulfilment of the purposes of their appointment, but not otherwise, shall have the like force and effect as if done by the Board.

114. The meetings and proceedings of such committees shall be governed by the provisions herein contained for regulating the meetings and proceedings of Directors, so far as the same are applicable thereto and are not superseded by the express terms of the appointment of such committee respectively or any regulation imposed by the Board.

115. The acts of the Board and of any committees appointed by the Board shall, notwithstanding any vacancy in the Board or committee, or defect in the appointment or qualification of any Director or of any member of the committee, be as valid as if no such vacancy or defect had existed, and as if such person had been duly appointed or qualified, provided the same be done before the discovery of the vacancy or defect.

116. A resolution in writing signed by all the Directors for the time being in Ceylon shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and constituted.

117. The Director shall cause minutes to be made in a book or books to be provided for the purpose—

- (1) Of all appointments of (a) officers and (b) committees made by the Directors.
- (2) Of the names of the Directors present at each meeting of the Directors.

- (5) Of all resolutions and proceedings of all General Meetings of the Company.
- (6) Of all resolutions and proceedings of all meetings of the Directors.
- (7) Of all resolutions and proceedings of all meetings of committees appointed by the Board.

118. All such minutes shall be signed by the person who shall have presided as Chairman at the General Meeting, the Board Meeting, or Committee Meeting at which the business minuted shall have been transacted, or by the person who shall preside as Chairman at the next ensuing General Meeting, or Board Meeting, or Committee Meeting, as the case may be; and all minutes purporting to have been signed by any Chairman of any General Meeting, Board Meeting, or Committee Meeting, respectively, shall, for all purposes whatsoever, be *prima facie* evidence of the actual and regular passing of the resolutions, and the actual and regular transaction or occurrence of the proceedings and other matters purporting to be so recorded, and of the regularity of the meeting at which the same shall appear to have taken place, and of the Chairmanship and signature of the person appearing to have signed as Chairman, and of the date on which such meeting was held.

ACCOUNTS.

119. The agent or secretary or the agents or secretaries, for the time being, or, if there be no agent or secretary or agents or secretaries, the Directors shall cause true accounts to be kept of the paid-up capital for the time being of the Company, and of all sums of money received and expended by the Company, and of the matters in respect of which such sums were received and expended, and of the assets, credits, and liabilities of the Company, and generally of all its commercial, financial, and other affairs, transactions, and engagements, and of all other matters necessary for showing the true financial state and condition of the Company. The accounts shall be kept in such books and in such a manner at the registered office of the Company as the Directors think fit.

120. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions and regulations the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company, except as conferred by statute or authorized by the Directors, or by a resolution of the Company in General Meeting.

121. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income and expenditure of the Company for the previous financial year, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the same period.

122. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived, and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other heads of expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting, and in case where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such item shall be stated, with the addition of the reason why only portion of such expenditure is charged against the income of the year.

123. The balance sheet shall contain a summary of the property and liabilities of the Company, arranged under the heads appearing in the form annexed to the table referred to in Schedule C to "The Joint Stock Companies Ordinance, 1861," or as near thereto as circumstances admit.

124. Every such statement shall be accompanied by a report as to the state and condition of the Company and as to the amount which the Directors recommend should be paid out of the profits by way of dividend or bonus to the Shareholders, and the statement, report, and balance sheet shall be signed by the Directors.

125. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at or posted to the registered address of every Shareholder.

AUDIT.

123. The accounts of the Company shall from time to time be examined, and the correctness of the balance sheet ascertained, by one or more auditor or auditors.

127. No person shall be eligible as an auditor who is interested otherwise than as a Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an auditor that he be a Shareholder of the Company, and no Director or officer of the Company shall, during his continuance in office, be eligible as an auditor.

128. The Directors shall appoint the first auditor of the Company and fix his remuneration. He shall hold office till the second General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the first Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the auditor or auditors appointed at such meeting shall hold office only until the first Ordinary General Meeting after his or their appointment, or until otherwise ordered by a General Meeting.

129. The remuneration of the auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

130. Retiring auditors shall be eligible for re-election.

131. If any vacancy that may occur in the office of auditor is not supplied at the next Ordinary General Meeting, or if any casual vacancy shall occur in the office of auditor, the Directors shall fill up the vacancy by the appointment of a person who shall hold office until the next Ordinary General Meeting after his appointment.

132. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto and to report thereon to the meeting, generally or specially, as he may think fit.

133. The auditor or auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the day-time have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

DIVIDENDS, BONUS, AND RESERVE FUND.

134. The Directors may, with the sanction of the Company in General Meeting, from time to time declare a dividend to be paid, and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend shall be payable except out of nett profits.

135. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

136. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such sums as they think proper as a reserve fund to meet contingencies or for special dividends or for equalizing dividends, or for repairing, improving, and maintaining any of the property of the Company, or for repayment of mortgages or for other purposes as the Directors shall in their absolute discretion think conducive to the interests of the Company, and may invest the several sums so set aside upon such investments as they may think fit, and from time to time deal with and vary such investments and dispose of all or any part thereof for the benefit of the Company, and to divide the reserve fund into such special funds as they think fit, and to employ the reserve fund or any part thereof in the business of the Company, and that without being bound to keep the same separate from their other assets.

137. The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for equalizing dividends, or for working the business of the Company, or for repairing, improving, maintaining, or extending any of the property or plant of the Company or any part thereof, or for the redemption of mortgages, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient.

138. No unpaid dividend or bonus shall ever bear interest against the Company.

139. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

140. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

141. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

142. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

143. Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

144. Any General Meeting may direct payment of any dividend declared at such meeting or of any interim dividends which may subsequently be declared by the Directors, wholly or in part by means of cheques or drafts, or by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company, or of any other company, or in any one or more of such ways, and the Directors shall give effect to such direction, and when any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholders upon the footing of the value so fixed, in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Directors. Where requisite a proper contract shall be filed, and the Directors may appoint any person to sign such contract on behalf of the persons entitled to the dividend, and such appointment shall be effective.

NOTICES.

145. Notices from the Company may be authenticated by the signature (printed or written) of the agent or secretary, agents or secretaries, or persons appointed by the Board to authenticate the same.

146. Every Shareholder shall give an address in Ceylon, which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

147. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the agent or secretary or agents or secretaries of the Company, their own or some other address to which notices may be sent.

148. Any notice if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof and no further evidence shall be necessary.

149. All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

ARBITRATION.

150. Whenever any question or other matter whatsoever arises in dispute between the Company and any other company or person, the same may be referred by the Directors to arbitration.

EVIDENCE.

151. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

PROVISIONS RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

152. Any Shareholder, whether a Director or not, and whether alone or jointly with any other Shareholder or Director, and any person not a Shareholder, may become the purchaser of the property of the Company or any part thereof in the event of a winding up or a dissolution, or at any other time when a sale of the Company's property or effects or any part thereof shall be made by the Directors under the powers hereby or under the Ordinance conferred upon them.

153. If the Company shall be wound up whether voluntarily or otherwise, the liquidator or liquidators may, with the sanction of a special resolution of the Company, divide among the contributories in specie any part of the assets of the Company, and may with the like sanction vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator or liquidators with the like sanction shall think fit, and if thought expedient any such division may be otherwise than in accordance with the legal rights of the members of the Company, and in particular any class may be given preferential or special rights, or may be excluded altogether or in part, and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully-paid, part-paid, or preference in the purchasing company, but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing company either ordinary, fully-paid, or part-paid, or preference, any contributory who would be prejudiced thereby, shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England, but for the purposes of an arbitration as in the sub-section 6 of the said section, provided the provisions of Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance, No. 2 of 1889, shall apply in place of the English and Scotch Acts referred to in the said sub-section 6 of section 192 of the aforesaid Companies (Consolidation) Act, and the said section 192 save as herein excepted shall be deemed to be part and parcel of these present Articles.

(iii.) If the dog so seized and detained shall not have been claimed by such owner or person within six hours after the seizure, the local authority shall cause the dog to be slaughtered, or otherwise disposed of in such manner as the local authority may deem expedient.

Schedule A.—TODDY RENT SALE CONDITIONS.

The conditions on which the exclusive privilege of selling fermented toddy by retail within the villages described in Schedule B, from October 1, 1923, to September 30, 1924, is sold are, in addition to the general conditions applicable to all Excise licenses published in the *Government Gazette* No. 7,330 of May 25, 1923, as follows:—

1. The Government Agent shall have power, in his discretion, to refuse to accept any bid or tender, subject to which power the highest bidder or tenderer shall be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold.
2. (a) The grantee shall, immediately on being declared the grantee, sign these conditions of sale and pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture in whole or in part, at the discretion of the Government Agent, for breach of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall hypothecate the said security deposit by a bond in form Excise T 23 within fourteen days of sale of the privilege above prescribed.
- (b) If the highest bid or tender under condition 1 exceeds the sum of Rs. 2,000, the grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege.
- (c) The grantee shall, on signing the conditions of sale, elect, and under his hand signify a post office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the post office so elected and posted in due course shall be considered as good and effectual to all intents and purposes as if the same were served personally.
3. The grantee shall pay to the Government Agent the purchase money or rent in twelve equal monthly instalments, and also any duty, fee, cost price, or other sum due to the Government from him. The first instalment of the purchase money or rent shall be considered due and payable on September 30, 1923, and the remainder on the last day of each succeeding month. Interest at the rate of 9 per cent. per annum shall be payable on all arrears.
4. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the hands of the Shroff or any other officer of the Kachcheri shall be considered as money paid under this contract.
5. If an instalment or part of the instalment of the purchase money or rent, or any duty, fee, cost price, or other sum due to the Government from the grantee remains unpaid after the same shall have become due and payable, the Government Agent shall have power, after 15 days' notice to the grantee of his intention to do so without further process of law, to cancel the license or licenses issued to the grantee, and to re-sell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.
6. The grantee shall, on receipt of the license to sell, furnish to the Superintendent or Assistant Superintendent of Excise an application on the prescribed form showing the numbers and situations of the trees which he proposes to tap for the supply of fermented toddy for sale at each tavern, and no tree shall be tapped or toddy drawn for this purpose except under cover of a license setting forth the numbers and situations of the trees, the name of the drawer, and the tavern for which the fermented toddy is intended. The Superintendent of Excise or Assistant Superintendent of Excise shall have power, subject to appeal to the Excise Commissioner, to refuse any application to tap trees for any tavern if such application is, in his opinion, open to serious objection.
7. No tree shall be tapped or toddy drawn therefrom for the supply of fermented toddy for sale at a tavern unless such tree shall first have been marked for this purpose in a manner prescribed by the Excise Commissioner; nor shall toddy be transported to the tavern except under cover of a pass granted by the Superintendent of Excise or the Assistant Superintendent of Excise. Such pass shall set forth the name of the person who transports the toddy and shall be issued to the grantee, who shall hand it to the person who transports the toddy.
- (a) Any renter wishing to make vinegar from toddy shall first obtain a vinegar license from the Government Agent.
- (b) The holder of a vinegar license shall store such vinegar in premises approved by the Excise Commissioner, and shall keep a true account of all toddy converted into vinegar and of all sales of vinegar in the form prescribed by the Excise Commissioner.

8. The grantee, if he taps the trees and draws the toddy himself, or, if he delegates the work to another person, such person shall, at the time of tapping the trees or drawing the toddy, invariably carry the license on his person, and shall produce it forthwith on the demand of any Excise Officer or village headman.

9. The grantee shall have no concern or interest, direct or indirect, in the sale of arrack, or in the purchase of any privilege for the sale of arrack, within the Revenue District in which he possesses the privilege of selling toddy.

10. Except under the written authority of the Assistant Commissioner of Excise, no toddy, except toddy drawn from trees licensed and marked for a particular tavern, shall be kept, offered for sale, or sold in that tavern.

11. No fermented toddy shall be sold at a lower price than 40 cents per gallon, and in proportion for any smaller quantity.

12. The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site. No tavern shall be opened at any place except with the approval of the Government Agent.

13. The purchaser shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license or licenses for the sale by retail of fermented toddy at the taverns within the area covered by the privilege.

14. (a) The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

(b) On days of polling the Government Agent or his Assistant shall order the closure of all taverns in the area in which polls are held, and the grantee shall have no claim to a remission on this account.

15. (a) No bids will be accepted from any person who is a habitual criminal as defined by Ordinance No. 32 of 1914.

(b) The purchaser shall, whenever called upon to do so by the Government Agent, satisfy him that he is not a habitual criminal within the meaning of the said Ordinance.

16. The taverns within the areas of the exclusive privilege granted under the foregoing conditions shall open and close at the hours specified in Schedule C, and no toddy shall be sold at such tavern between the hour of closing and that of opening.
