By His Excellency's command,

CECIL CLEMENTI,

Colonial Secretary.

Statement of Objects and Reasons.

THE object of this Ordinance is to give effect to the proposals of the Colombo Municipal Council (which have been in large measure approved of by the various other local authorities of the Island) to alter the taxation on motor cars plying for hire and motor lorries in the following respects :

- (a) That in the case of motor vehicles plying for hire, the present tax and annual license be replaced, in the case of motor buses, by a single tax based on seating capacity, and in the case of a motor lorry, by a single tax based on weight of body and chassis complete.
- (b) That the tax now levied on motor lorries which do not ply for hire should be increased by 100 per cent.
- (c) That the tax on motor lorries which ply for hire should be 50 per cent. more than the tax levied on lorries which do not ply for hire.
- (d) That the tax and license for cars, taxis, and buses plying for hire be replaced by a tax at the rate of Rs. 20 for each seat on the vehicle—the driver's seat included—in the case of passenger motor vehicles of 7 seats or less, and at the rate of Rs. 10 a seat in the case of passenger motor vehicles containing more than 7 seats, provided that no vehicle containing more than 7 seats shall pay a smaller tax than Rs. 140.

2. Under Ordinance No. 4 of 1916, private motor cars and lorries have to pay the annual tax prescribed in Schedule IV. of that Ordinance. In the case of motor cars and lorries plying for hire an annual tax at the same rate has to be paid in addition to the tax payable under Schedule IV. The proposals of the Colombo Municipality mentioned in paragraph 1 (a) above have been given effect to by section (6) (a) and section 2 of the Bill; and those in paragraph 1 (b), (c), and (d) by the substitution of two new Schedules III. and IV. by section 7 of the Bill.

3. Advantage has been taken to legalize the present practice whereby licensing authorities have insisted on the examination for a small fee, of mechanically propelled vehicles by competent examiners before the issue of licenses. (*Vide* sections 3 and 5 of the Bill.)

4. The Bill also provides for certain other amendments which experience has shown to be very necessary, viz. :—

- (a) Power is given to the Governor in Council by the addition of a new paragraph (m) to section 18 (2) of the principal Ordinance to make by-laws requiring the affixing of automatic machines to register fares legally due to the hirer in the case of passenger vehicles plying for hire; and
- (b) A defect in the existing law has been remedied by making it clear that the full annual tax is payable when a private motor car is registered on any date prior to June 30. (*Vide* section 6 (b).)
