By His Excellency's command,

Colonial Secretary's Office,
Colombo, June 1, 1922.

B. HORSBURGH,
Acting Colonial Secretary.

Rules for the Conduct of Voting by Ballot for or against the Existence of Arrack, Toddy, and Foreign Liquor Taverns, and Places Licensed for the Sale of Beer and Porter by Retail.

1. In these rules—

- (i.) The expression “area” means an area defined by a Government Agent or an Assistant Government Agent.
- (ii.) The expression “tax-paying inhabitants” means persons residing within an area who during the previous twelve months and on or before March 31 of the year in which the list was prepared—
 - (a) Have commuted or performed labour in that area;
 - (b) Have been certified as *bona fide* efficient soldiers under section 26 (5) of Ordinance No. 8 of 1910.

NOTE.—(1) The Government Agent or Assistant Government Agent shall cause lists of these tax-paying inhabitants to be prepared by or before May 1 of each year, wherever practicable. Such lists shall be available for inspection by opponents and supporters of taverns or places licensed for the sale of beer and porter by retail. No names shall be added to the lists after their first preparation.

(2) The names of tax-paying inhabitants who have died in the interval between the preparation of the lists of such inhabitants and the recording of votes shall not be taken into consideration when determining the proportion of votes recorded to the number of road tax-paying inhabitants on the lists, nor the names of those who at the time of the ballot are in jail or otherwise prevented by operation of the law from being present.

2A. If it be shown to the satisfaction of the Government Agent or Assistant Government Agent and his Advisory Committee that 60 per cent. of the tax-paying inhabitants of an area served by one or more arrack, toddy, or foreign liquor taverns or places licensed for the sale of beer and porter by retail are opposed to the existence of such taverns or places licensed for the sale of beer and porter by retail within such area, such tavern or taverns or such place or places licensed for the sale of beer and porter by retail shall be abolished, with effect from the commencement of the rent period in respect of which the ballot is held.

2B. Voters shall have the power to vote only for or against the total abolition of arrack, toddy, or foreign liquor taverns or of places licensed for the sale of beer and porter by retail, whichever they so desire, but they shall not have the power to vote for a reduction in the number of arrack, toddy, or foreign liquor taverns or of places licensed for the sale of beer and porter by retail in any area provided that this paragraph (B) shall apply only when the areas defined for such arrack, toddy, foreign liquor or beer shops coincide. In other cases each poll shall be separate.

2C. The area defined shall be the area served, but that area shall not exceed the area of a circle whose diameter is 6 miles, but where the 6-mile limit cuts a village in two, the whole of such village shall be included in the area defined, save and except that if in the Government Agent's or Assistant Government Agent's opinion a small part only of such village is served by such tavern, the whole may be excluded.

2D. Where there is more than one tavern or place licensed for the sale of beer and porter by retail in any area, provided that they are not more than one mile apart the area defined for all such taverns shall be one and the same but, if the area served by one is larger than the area served by the others, such larger area shall be defined as the area of all, and any ballot against any such taverns shall be a joint ballot against all the taverns and places licensed for the sale of beer and porter by retail in such area.

3. Information as regards the boundaries or definitions of areas can be obtained from Kachcheries.

4. Objections to the existence of the arrack, toddy, or foreign liquor tavern or taverns or of the place or places licensed for the sale of beer and porter by retail in any particular area will be accepted by the Government Agent or Assistant Government Agent on or before July 31, 1922,

in respect of the 1923-24 rent or licensing period; and on or before July 31, of each succeeding year in respect of each succeeding rent or licensing period.

Provided that the Government Agent or Assistant Government Agent shall not make any arrangements to record votes, unless it be shown to his satisfaction that the number of persons raising any such objection represents not less than 25 per cent. of the tax-paying inhabitants in that area.

Provided further, that such objection shall be made in writing, and that unless the person objecting to the existence of an arrack, toddy, or foreign liquor tavern or taverns, or of a place or places licensed for the sale of beer and porter by retail adds against his name the number of his last road tax receipt or the number of his last certificate of performance of labour, or in the case of a person exempted for military service, his rank, regimental number, and the unit to which he belongs, he will not be counted towards the 25 per cent. necessary to secure the ballot.

A similar procedure shall be followed in respect of applications to re-open taverns.

5. Where a Government Agent or Assistant Government Agent is satisfied that objections have been received on or before the due date as specified in rule 4 above from 25 per cent. of the tax-paying inhabitants of any area against the existence of the arrack, toddy, or foreign liquor tavern or taverns, or of the place or places licensed for the sale of beer and porter by retail within such area, the Government Agent or Assistant Government Agent shall fix a date, time, and place at which votes will be recorded for the purpose of ascertaining whether 60 per cent. of such tax-paying inhabitants are opposed to the existence of such tavern or taverns, or of such place or places licensed for the sale of beer and porter by retail and shall give not less than twenty days' notice thereof. Provided that the place at which votes shall be recorded shall be within the said area, if such an arrangement is practicable.

6. Such notice shall be given by publication in one or more local newspapers, by fixing copies of the notice at the Kacheheri, the local Police Court, and the Village Tribunal within the jurisdiction of which the said area is situated, and at prominent places within the said area, and by beat of tom-tom, or such other method as the Government Agent or Assistant Government Agent shall direct. The notice shall state the names of the villages comprised in the said area.

7. It shall be the duty of all division officers of the villages forming the said area to allow voters and any person or persons interested in the ballot to inspect the returns prepared by such division officers under sections 4 and 9 of the Ordinance No. 31 of 1884, and to take copies thereof.

8. The recording officer in charge of the ballot shall be the Government Agent or Assistant Government Agent or some person deputed by him in writing, who shall preside at the ballot, and have power to decide all questions arising in connection with the ballot. Objections shall be noted, and the decision of the presiding officer on such objections shall be recorded.

9. An agent accredited by the voters in the said area may be present during the progress of the ballot.

10. No person shall be entitled to vote unless he either—

- (a) Produces at the time of voting a receipt for road tax paid by him within the twelve months preceding March 31 of the year in which the ballot is held as a resident within the area served by the tavern or taverns or by the place or places licensed for the sale of beer and porter by retail proposed to be abolished; or
- (b) Has been certified during the said twelve months to the local authority as having performed the labour due by him under the Thoroughfares Ordinances, and produces such certificate at the time of voting; or
- (c) Has been certified during the said twelve months to the local authority as a *bona fide* efficient soldier of the Defence Force under section 26 (5) of Ordinance No. 3 of 1910, and produces such certificate at the time of voting.

11. Polling shall be from 7 A.M. to 7 P.M., and shall be begun and finished on one day. But the Government Agent or Assistant Government Agent or the presiding officer shall have power to postpone the poll if in his opinion inclemency of the weather justifies postponement. Voting shall be carried on as expeditiously as possible. No voter shall be kept waiting merely because other voters from his village have not arrived.

12. The votes shall be counted as soon as possible after the close of the ballot, and the result declared immediately after it has been ascertained.

13. Only ballot papers in the forms annexed hereto and issued by the recording officer shall be used in recording votes. Each ballot paper shall have a number printed on the back, and shall have a counterfoil with the same number printed on the face.

14. At the time of voting the ballot paper shall be marked on both sides with an official seal and delivered to the voter within the polling station, and a number corresponding to the number of the voter on the list of tax-paying inhabitants shall be marked on the counterfoil. A mark shall be placed in the list of tax-paying inhabitants against the number of the voter to denote that he has received a ballot paper, but so that it shall not indicate which particular ballot paper he received.

The voter shall record his vote by marking a cross X on the right-hand side of the ballot paper opposite the words "Abolition of existing arrack, toddy, foreign liquor taverns, and places licensed for the sale of beer and porter by retail;" or "Retention of existing arrack, toddy, foreign liquor taverns, and places licensed for the sale of beer and porter by retail," or "For re-opening of arrack, toddy, foreign liquor taverns, and places licensed for the sale of beer and porter by retail," or "Against re-opening of arrack, toddy, foreign liquor taverns, and places licensed for the sale of beer and porter by retail" as the case may be, and as he may decide, and in no other way. He shall then fold it so as to conceal his vote, and place it in a closed box in the presence of the presiding officer, after having shown him the official mark. The presiding officer, on the application of any voter who states that he is unable to read, shall cause the vote of such voter to be marked on a ballot paper in manner directed by such voter, but he shall take such steps as will secure that no one but himself and the voter knows how such ballot paper was marked.

Ballot papers which do not comply with this rule shall not be considered in recording the votes.

15. No votes shall be recorded by proxy. All votes shall be given by the voters personally.

16. The Government Agent or Assistant Government Agent shall make all necessary arrangements for the ballot.

17. In the circumstances described in rule 2, paragraph d, and whenever areas coincide each ballot shall be a simultaneous ballot against all classes of taverns or places licensed for the sale of beer and porter by retail in the area concerned. In such case no application shall be received for a ballot against one class of tavern in any one area, unless it is at the same time directed against all other classes of taverns and places licensed for the sale of beer and porter by retail in the same area.

If the area for each of the taverns or places licensed for the sale of beer and porter by retail affected by the ballot are identical, one ballot shall suffice.

18. Taverns and places licensed for the sale of beer and porter by retail closed by ballot shall not be re-opened unless 60 per cent. of the tax-paying inhabitants vote for re-opening, and shall be re-opened if they so vote.

Applications for such ballots shall be made in the same manner as is prescribed by rule 4.

It shall not be competent for the licensing authority to issue, without the approval of His Excellency the Governor in Executive Council, a new license for the sale of liquor in any area in which all the arrack, toddy, and foreign liquor taverns have been closed by ballots.

19. These rules shall not in any way apply to any arrack, toddy, foreign liquor tavern, or place licensed for the sale of beer and porter by retail which, in the opinion of the Government Agent or Assistant Government Agent, mainly serves a population of Indian coolies.

40. *The Directors may accept Surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

41. *If Call or Instalment be not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators, or the trustee or assignee in his bankruptcy, manager of a lunatic, or curator of a minor requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, from the date when such payment fell due, and all expenses that may have been incurred by the Company by reason of such non-payment.

42. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interests and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

43. *In Default of Payment, Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

48. *Forfeiture may be remitted.*—The Directors may, in their discretion, remit or annul the forfeiture of any share within six months from the date of such forfeiture upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 45 hereof shall be redeemable after sale or disposal.

49. *Company's Lien on Shares.*—The Company shall have a first charge or lien upon all the shares of any holder or joint holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint holders respectively, either in respect of such shares or of other shares held by such holder or joint holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

50. *Lien how made Available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee in his bankruptcy, or manager of a lunatic, or curator of a minor requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, ninety days' notice shall be allowed him.

51. *Proceeds how applied.*—The net proceeds of any such sale as aforesaid under the provisions of Articles 45 and 50 hereof shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representative.

PREFERENCE SHARES.

54. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may be issued with any such right or preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

55. *Modification of Rights and Consent.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of that class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting that class of shares; and such resolution shall be binding upon all the holders of shares of that class, provided that this article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

56. *Meetings affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat,

unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholders personally present and entitled to vote at the meeting.

CALLS.

57. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

58. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Clause 117.
