## MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance further to amend the Law relating  
to Prisons.

Preamble.

WHEREAS it is expedient further to amend "The Prisons Ordinance, 1877," so as to allow of criminal prisoners not subject to hard labour being employed during the currency of their sentences in prison: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title.

1 This Ordinance may be cited as "The Prisons (Amendment) Ordinance, No. of 1922."

Repeal of section 52 of the principal Ordinance.

2 Section 52 of the principal Ordinance is hereby repealed.

By His Excellency's command,

Colonial Secretary's Office,  
Colombo, May 4, 1922.

B. HORSBURGH,  
Acting Colonial Secretary.

*Statement of Objects and Reasons.*

THE Chief Justice has brought to the attention of Government the desirability of employment being given to persons sentenced to simple imprisonment. Under section 52 of the principal Ordinance such persons may be given employment provided that they desire to have it. But it has been found by experience that a large proportion of the prisoners prefer to remain in idleness.

2. The result of the existing provisions of the law is that sentences of simple imprisonment are infrequently given by the courts. It is thought that this is not advisable in the interests of the administration of justice. On the other hand, it is equally clear that courts are averse to sentencing persons to spend considerable periods of time doing nothing in prison.

3. The object of this Bill is to allow of criminal prisoners not subject to hard labour being employed, and to introduce a form of imprisonment corresponding to what is known as the Second Division in England. The repeal of section 52 of the principal Ordinance will bring such prisoners within the operation of section 76 thereof. Rules can be made for their employment under paragraph 11 of that section.
