Such certificate must be produced to the Customs Officer at the port of entry. A list of countries whose service of plant inspection is recognized shall be published in the "Government Gazette," and may be added to or varied by the Director of Agriculture.

6. In the case of consignments imported through the post, a copy of the prescribed certificate need not be produced to the Customs Officer, but a copy must be affixed to each package.

7. The certificate shall be transmitted by the Customs Officer to the inspector in charge of the Colombo Fumigatorium.

8. The inspector in charge of the Colombo Fumigatorium may open and examine the contents of any consignment or package imported or believed to have been imported, notwithstanding the fact that the consignment may be accompanied by or the package may have attached thereto the duly authorized copy certificate.

9. In the case of the importation of plants from a country where no recognized service of plant inspection is maintained, and in the case of a consignment of plants which is not accompanied by copy certificates as above mentioned, or of a package of plants imported through the post to which a copy certificate is not attached, the plants before passing out of the Customs shall be subjected at the Colombo Fumigatorium to inspection.

All disinfection or fumigation shall be carried out at the risk of the consignee, and the consignee or his agent shall be in attendance to unpack the articles for inspection, fumigation, or disinfection and to re-pack them afterwards, and shall provide the cool labour necessary for handling the articles during the process of inspection or fumigation.

13. When any plants are sent to the Colony through the Post Office from a place beyond the Colony, the plants shall be conveyed to the Fumigatorium under Customs supervision at the expense of the consignee or his agent, and shall be dealt with as prescribed above.

PART II.

14. *Notification of Pests, Diseases and Weeds.*—The Governor shall from time to time, by notification in the "Government Gazette," declare the pests and diseases and weeds to which the regulations contained in this Part shall apply, hereinafter in these regulations referred to as a declared pest, disease, or weed, as the case may be.

15. The owner or occupier of any plantation, estate, garden, or land upon which any of such pests, diseases, and weeds are present shall forthwith report in writing the presence of such pest and disease to the Director of Agriculture either direct or through the nearest headman. A failure so to report shall be an offence under the Ordinance, unless such person shall prove that he had no reasonable ground for suspecting the presence of such pest, disease, or weed in his plantation, estate, garden, or land.

16. In the case of a declared infested area it shall be lawful for the Director of Agriculture, or for any inspector or any officer authorized by the Director of Agriculture in writing, to enter at all reasonable times any plantation, estate, garden, or land whatsoever to determine whether any pest, disease, or weed is present. It shall be lawful for such Director of Agriculture, inspector, or other officer to remove plants or any portion thereof for the purpose of further examination and inspection.

17. It shall be the duty of every owner or occupier of any plantation, estate, garden, or land to conduct or cause to be conducted the Director of Agriculture, an inspector, or any such officer over such plantation, estate, garden, or land upon being requested to do so.

18. *Declaration of Areas Infested.*—When the Director of Agriculture shall be satisfied that any pest, disease, or weed is present in any plantation, estate, garden, or land, he shall, by notification in the "Government Gazette," declare the plantation, estate, garden, or land, or the Chief Headmen's Division of the Revenue District or any part thereof in which the said plantation, estate, garden, or land is situated, and such adjoining Chief Headmen's Divisions of Revenue Districts as he may consider necessary as an infested area.

19. *Plants not to be removed from an Infested Area.*—No weed or plant or part of plant attacked by or liable to be attacked by the pest or disease specified in the notification of an infested area shall be removed from land within such infested area, save and except as may be permitted by the Director of Agriculture under permit in writing, and any person removing or receiving such plants shall be guilty of an offence.

20. *Declaration of Areas Free.*—Upon being satisfied that any such infested area or part thereof is no longer infested, the Director of Agriculture may, by notification in the "Government Gazette," declare such area or part thereof to be no longer infested, and thereafter it shall cease to be an infested area.

21. *Spraying or other Treatment.*—The Director of Agriculture may, by notice in the "Government Gazette," prescribe the manner in which weeds or plants attacked by a declared pest or disease shall be treated, and it shall be the duty of the owner or occupier of land within this defined area to cause such weeds or plants attacked by the declared pest or disease to be treated in the manner prescribed.

22. If on a visit of an inspector any declared pest or disease is found to be present, he may order the affected plants or weeds to be treated in the manner prescribed. If upon a second visit after an order has been issued an inspector shall find the declared pest, or disease still to exist, and that no action has been taken, he shall report the matter to the Director of Agriculture or to the local Agricultural Committee, as the case may be, who may by notice in the form prescribed in the schedule to these regulations order the owner or occupier to treat the plants or weeds in the manner prescribed within a defined time.

23. If the owner or occupier fails or neglects to comply with such notice, the inspector may enter upon the land and spray or otherwise treat the weeds or plants or destroy them at the expense of the owner or occupier, but nothing contained therein shall relieve the owner or occupier from any penalty he may have incurred by reason of his default, failure, or neglect.

24. *Service of Notice.*—A notice shall be deemed to be served on any person if it is delivered to him personally or left for him at his last known place of abode or business or sent through the post in a letter addressed to him there, or if the notice cannot be so served, or if there be no known owner or occupier, it may be put up at some conspicuous part of such land, and it shall be not necessary in any such notice to name the owner or occupier, and a notice purporting to be signed by the Director of Agriculture or the Chairman of the local Agricultural Committee shall be *prima facie* evidence that it was signed by him.

Statement of Objects and Reasons.

As it is necessary to make certain additions and amendments to the Ordinances No. 5 of 1901, No. 6 of 1907, and No. 30 of 1919, it is thought desirable to review the whole situation and to provide a Consolidating Ordinance, which will embody such additions and amendments and will bring our legislation in conformity with the most recent legislation connected with the control of plant pests and diseases in other countries. These proposals have been submitted to the Board of Agriculture, and the present draft has been framed with its advice, and after careful consideration of the views of a Committee composed of representatives of the Board of Agriculture, Ceylon Planters' Association, and Low-country Products Association.

Section 8 is the most important provision of the Bill, and allows of regulations being made to prevent the introduction of plant diseases or their spread within the Island. In view of the need for continual changes in the methods of dealing with plant diseases, it is not desirable to deal with this subject in the Ordinance itself; but the control of the Legislature over the operation of the law is maintained by the requirement that all regulations must be laid before it and may be amended or rejected (section 8 (5)). It will also be observed that embodied in the schedule are regulations which purport to be made in conformity with the powers given in section 8.

Under Ordinance No. 6 of 1907 provision is made for the constitution of Plant Pest Boards, and for the manner in which they shall carry out the administrative duties with which they have been charged. The work of these Boards has not been satisfactory, and has been the subject of careful scrutiny by the Estates Products Committee of the Board of Agriculture. The experience in Ceylon is similar to that of other countries where provision was originally made for local authorities being entrusted with the carrying out of duties in connection with the control of plant pests and diseases, and this Bill has been framed on the lines of modern legislation. It will be seen, however, that provision is made by section 8 (2) (m) for the constitution of Advisory Committees.

The following are the principal amendments in the existing law to which attention is drawn :—

The Preamble and Title.—The words "insect" and "fungus" which appear in the preamble and title of Ordinance No. 5 of 1901 have been omitted, in order that animals may be included in the definition of pests and in order to provide for the inclusion of bacterial diseases. Provision has been made to include "weeds," so that legal steps may be taken against their introduction and also for their control.

Section 3 provides for the appointment of inspectors and other officers for the purposes of the Ordinance, while by section 4 powers of entry upon lands, at all reasonable times, are given to such inspectors and officers for the due discharge of their duties; and clause 5 affords immunity to officers acting in pursuance of the Ordinance in a *bona fide* manner. Clause 5 is similar to the provision in Ordinance No. 5 of 1901, and clause 6 is identical with clause 19 of Ordinance No. 6 of 1907.

In section 8 (2) (c) provision is made for allowing certain imports under special license. Ceylon is recognized internationally as a country possessing a service of plant pest and disease inspection, and it is therefore necessary that it should accept certificates of inspection and freedom from pests and diseases from other countries similarly recognized internationally. Provision is, however, retained to inspect all imports at the port of entry, and for fumigation and disinfection if and when considered necessary. Provision is also being made for prescribing the quarantine of imported plants in special areas when necessary, and is a safeguard for the existing agricultural industries.

Section 8 (2) (g to m), under which regulations can be framed for the control of plant pests and diseases in the Colony, provides for the due declaration of the outbreak of any pest or disease or weed, and of the measures of control, the declaration of infested areas, for the quarantine of any such infested area, for the destruction, if necessary, or other treatment of infested plants within such areas, and for the regulation of the transfer of plants from one locality to another.

In the schedule are contained regulations in pursuance of section 8 of the Bill. Regulation 3 (2) is new, as also are regulation 3 (5), (6), (7), and (8). Regulations 3 and 9 to 10, both inclusive, are based upon existing regulations, but special provision is made for inspection before fumigation or disinfection, and for quarantine, if necessary, in special nurseries. Regulation 14 provides for the declaration of pests and diseases. Such provision was made in clause 5 of Ordinance No. 6 of 1907. Regulation 15 is similar to the Shot-hole Borer Regulation No. 2 issued on December 7, 1916. Regulation 16 is similar to regulation 5 of December 7, 1916. Regulation 17 is based upon clause 12 of Ordinance No. 6 of 1917. Regulation 18 is similar to regulation 3, regulation 19 to regulation 6, and regulation 20 to regulation 4 of December 7, 1916. Regulation 21 is new, and makes provision for spraying or other treatment, and regulation 22 is also new, being an improvement on the existing provision in Ordinance No. 6 of 1907. Regulation 23 is similar to clause 10 of Ordinance No. 6 of 1907, and regulation 24 to clause 14 of the same Ordinance.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to enable the Trustees of St. Paul's Church, Colombo, to sell the same and to provide for the application of the Proceeds of the Sale in the Purchase of other Suitable Land and in the Erection thereon of a New Church to be held subject to the same Trust, and to apply any Surplus thereof in the Endowment of the said Church and its Services and in the Erection of Subsidiary Buildings necessary for the Parochial Purposes of the said Church.

WHEREAS by a grant dated the Seventeenth day of May, 1821, the Governor of Ceylon, in exercise of the powers in him vested, granted and assigned unto the Right Reverend Father in God Thomas Fanshaw, by Divine permission Lord Bishop of Calcutta, and his successors in the said Episcopal See, the Honourable and Venerable Thomas James Twistleton, Doctor of Divinity, Archdeacon of Colombo, and his successors in the said Archdeaconry, the Honourable John Rodney,

Preamble

Chief Secretary to the Government, or the Chief Secretary for the time being, and William Granville, Esquire, Collector of the district of Colombo, or the Collector of the said district for the time being, in trust for the inhabitants of the town and district of Colombo professing the doctrine and discipline of the United Church of England and Ireland, and all who might thereafter belong to the said town and district of Colombo or become inhabitants as aforesaid, a piece of ground enclosed by a low wall lying in the town of Colombo containing in extent by admeasurement one square rood, twenty-four square perches and thirty-four hundredths of a square perch, situate and bounded as by the authenticated survey thereof to the said grant annexed would fully appear, together with all buildings thereon existing, then called and known by the appellation of the Episcopal Pettah Church of Colombo and burying ground thereof, and being the property and in the possession of Our Lord the King, to the end and effect that they the said Bishop, Archdeacon, Chief Secretary, and Collector of Colombo should and might hold the same in trust for the inhabitants aforesaid as a church for the celebration of Divine service, the preaching of the Word of God, the administration of the sacraments and other ecclesiastical rites, and the burial of the dead according to the rubric of the said United Church, and not to any lay and profane use for ever :

And whereas in pursuance of the desire of the said Governor declared and expressed in the above recited grant the said church has been consecrated and dedicated to the service of Almighty God and is now known as St. Paul's Church, Colombo :

And whereas the interment of the dead in the said property has been discontinued for many years :

And whereas the Bishop of Colombo, the Colonial Secretary, and the Government Agent of the Western Province being thereunto specially empowered by Ordinance No. 5 of 1893 did transfer to the Municipal Council of Colombo a certain portion of the said property :

And whereas it is expedient to enact that the trusts by the hereinbefore recited grant vested in the Right Reverend Father in God Thomas Fanshaw, by Divine permission Lord Bishop of Calcutta, and his successors in the said Episcopal See, in the Honourable and Venerable Thomas James Twistleton, Doctor of Divinity, Archdeacon of Colombo, and his successors in the said Archdeaconry, in the Honourable John Rodney, Chief Secretary to the Government, or the Chief Secretary for the time being, and in William Granville, Esquire, Collector of the district of Colombo, or the Collector of the said district for the time being, have respectively devolved upon and are now lawfully vested in the Lord Bishop of Colombo for the time being, in the Colonial Secretary to the Government of Ceylon for the time being, and in the Government Agent of the Western Province for the time being :

And whereas the said land, church, and buildings have become unsuited for the purposes for which they were granted, and it is expedient that the same should be sold and the proceeds of such sale should be applied in the purchase of other land and the erection thereon of a new church and to make provision for the application of any surplus of such proceeds :

Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

1 This Ordinance may be cited as "The St. Paul's Church (Colombo) Ordinance, No. of 1923."

2 The trusts, powers, and authorities which by the above recited grant dated the Seventeenth day of May, 1821, were vested in the Right Reverend Father in God Thomas Fanshaw, by Divine permission Lord Bishop of Calcutta, and his successors in the said Episcopal See, in the Honourable and Venerable Thomas James Twistleton, Doctor of Divinity, Archdeacon of Colombo, and his successors in the said Archdeaconry, in the Honourable John Rodney, Chief Secretary to the Government, or the Chief Secretary to the Government for the time being, and in William Granville, Esquire, Collector of the district of Colombo, or the Collector of the said district for the time being, shall be deemed to have respectively devolved upon and to be lawfully vested in the Lord Bishop

Devolution of trusts.

of Colombo for the time being, in the Colonial Secretary to the Government of Ceylon for the time being, and in the Government Agent of the Western Province for the time being.

3 It shall be lawful for the trustees for the time being of the said grant to sell the whole or any portion of the residue of the said piece of ground which still remains vested in the said trustees, together with the church and buildings thereon, now known as St. Paul's Church, Colombo, either by public auction or private contract, upon such terms and subject to such conditions and in such manner as they shall think fit, and by writing under their hands to convey and transfer the same to the purchaser or purchasers thereof absolutely freed and discharged of and from all and every the trusts, terms, and conditions in the said grant contained and declared concerning the same :

Provided that the trustees for the time being shall make proper arrangements to protect and re-provide accommodation for all monuments which may have been placed on the walls of the said church and buildings or on the grounds appurtenant thereto. If the trustees shall fail or neglect to make to the satisfaction of the Governor proper arrangements to protect and re-provide accommodation for such monuments, the Governor may make such arrangements for the protection and re-accommodation of the said monuments as he may think fit, and the cost thereof shall be a debt due to the Crown, and recoverable as such from the said trustees.

4 Upon the sale of the whole or any portion of such residue as aforesaid, the trustees of the said grant shall forthwith pay the nett proceeds of the sale to the Incorporated Trustees of the Church of England in Ceylon, and the said Incorporated Trustees shall stand possessed of such moneys in trust to apply the same in the purchase of other suitable land in Colombo and in the erection thereon of a new church to be called St. Paul's Church, and the surplus, if any, to the erection of such school and other subsidiary buildings as may be needed for the parochial purposes of the said church and for the Endowment of the said church and its services : Provided that no part of the land so purchased shall be utilized for the purpose of a cemetery or burial ground.

5 The land to be purchased and the new church and buildings to be erected thereon as aforesaid shall be held by the Incorporated Trustees of the Church of England in Ceylon, subject to the same trusts, terms, and conditions, so far as the same are capable of taking effect, as were declared and contained in the aforesaid grant dated the Seventeenth day of May, 1821.

By His Excellency's command,
Colonial Secretary's Office, CECIL CLEMENTI,
Colombo, November 23, 1923. Colonial Secretary.

Statement of Objects and Reasons.

INASMUCH as (1) the Anglican portion of the population has shifted from the Pettah, (2) there is no space for additional buildings necessary for parochial purposes, and (3) the incessant noise of business makes the site increasingly undesirable, the decision has been taken by the Anglican Church authorities that it is advisable to sell the site of St. Paul's Church with the object of providing a church near the church population, with space for additional buildings and in a quieter neighbourhood, and this Bill has been introduced to allow of that decision being given effect to. In the event of there being any surplus left after providing for the purchase of land and the erection of a new church, the surplus may be applied to the endowment of the new church and its services.
