18. The net proceeds of any such sales shall be applied in or towards satisfaction of the amount due to the Company or of the liability or engagement, as the case may be, and the balance (if any) shall be paid to the members or persons (if any) entitled by transmission to the shares so sold.

19. Upon any such sales as aforesaid, the Directors may enter the purchaser's name in the register as the holder of the shares, and the purchaser shall not be bound to see the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

20. No member shall be entitled to receive any dividend or to exercise any privilege as a member until he shall have paid all calls for the time being due and payable on every share held by him, whether alone or jointly with any other person, together with interest and expenses (if any).

## CALLS ON SHARES.

21. The Directors may, subject to the provisions of these articles, from time to time make such calls upon the members in respect of all moneys unpaid on their shares as they think fit, provided that 14 days' notice at least is given of each call, and each member shall be liable to pay the amount of every call so made upon him to the persons by instalments (if any), and at the times and places appointed by the Directors.

22. The call shall be deemed to have been made at any time when the resolution of the Directors authorizing such a call was passed.

23. The joint-holders of a share shall be jointly and severally liable to the payment of all calls and instalments in respect thereof.

24. If before or on the day appointed for payment thereof a call or instalment payable in respect of a share is not paid, the holder or allottee of the share shall pay interest on the amount of the call or instalment at such rate, not exceeding 10 per cent. per annum, as the Directors shall fix from the day appointed for payment thereof till the time of actual payment, but the Directors may waive payment of such interest wholly or in part.

25. Any sum which by the terms of allotment of a share is made payable upon allotment or at any fixed date, whether on account of the amount of the share or by way of premium, shall, for all purposes of these articles, be deemed to be a call duly made and payable on the date fixed for payment, and in the case of nonpayment the provisions of these articles as to payment of interest and expenses, forfeiture, and the like, and all other relevant provisions of these articles, shall apply as if such sum were a call duly made and notified as hereby provided.

26. The Directors may from time to time make arrangements on the issue of shares for a difference between the holders of such shares in the amount of call to be paid, and in time of payment of such calls.

27. The Directors may, if they think fit, receive from any member willing to advance the same, all or any part of the moneys due upon his shares beyond the sum actually called up thereon, and upon the moneys so paid in advance, or so much thereof as exceeds the amount for the time being called up on the share in respect of which such advance has been made, the Directors may pay or allow such interest as may be agreed between them, and such member, in addition to the dividend payable upon such part of the share in respect of which such advance has been made as is actually called up.

#### TRANSFER OF SHARES.

28. Subject to the restrictions of these articles, shares shall be transferable, but every transfer must be in writing in the usual common form, or in such other form as the Directors shall from time to time approve, and must be left at the office accompanied by the certificate of shares to be transferred, and such other evidence (if any) as the Directors shall require to prove the title of the intending transferor. All instruments of transfer which shall be registered shall be retained by the Company.

29. No share shall in any circumstances be transferred to any infant, bankrupt, or person of unsound mind.

30. No transfer of any share in the Company shall be made, or have any legal effect, or be registered, without the previous sanction of the Directors.

31. The instrument of transfer of a share shall be executed both by the transferor and the transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the register of members in respect thereof.

32. The Company shall provide a book to be called the "Register of Transfers," which shall be kept by the Secretary under the control of the Directors, and in which shall be entered the particulars of every transfer or transmission of every share.

33. Such fee, not exceeding Two Rupees and Fifty Cents for each transfer, as the Directors may from time to time determine, may be charged for registration or a transfer.

34. The register of transfers shall be closed during the fourteen days immediately preceding every Ordinary General Meeting of the Company, and at such times (if any), for such period as the Directors may from time to time determine, provided always that it shall not be closed more than twenty-one days in a year.

#### TRANSMISSION OF SHARES.

35. In the case of the death of a member, the survivor or survivors, where the deceased was a joint-holder, and the executors or administrators of the deceased, where he was sole or only surviving holder, shall be the only person recognized by the Company as having any title to his share, but nothing herein contained shall release the estate of the deceased joint-holder from any liability in respect of any share jointly held by him. Before recognizing any executor or administrator the Directors may require him to obtain a grant of probate or letters of administration, as the case may be, from some competent court in the Island of Ceylon having effect in Colombo.

36. Any persons becoming entitled to or to transfer a share in consequence of the death, or bankruptcy, or insolvency of any member may, upon producing such evidence of title, or that he sustains the character in respect of which he proposes to act under this clause as the Directors shall require, with the consent of the Directors (which they shall not be under any obligation to give), be registered himself as the holder of the share, or may, subject to the provisions as to transfer herein contained, transfer such share.

37. A person entitled to a share by transmission, on proving his title thereto to the satisfaction of the Directors, shall be entitled to receive and may give a discharge for any dividends or other moneys payable in respect of such share, but he shall not be entitled in respect of it to receive notices of, or to attend or vote at, meetings of the Company, or save as aforesaid, to exercise any of the rights or privileges of a member unless and until he shall have become a member in respect of the share.

#### FORFEITURE OF SHARES.

38. If any member fails to pay the whole or any part of any call or instalment of a call on or before the day appointed for the payment thereof, the Directors may at any time thereafter, during such time as the instalment or call or any part thereof remains unpaid, serve a notice on him, or on the person entitled to the share by transmission, requiring him to pay such call or instalment or such part thereof as remains unpaid, together with interest at such rate, not exceeding 10 per cent. per annum, as the Directors shall determine, and any expenses that may have accrued by reason of such nonpayment.

39. The notice shall name a further day (not earlier than the expiration of seven days from the date of notice) on or before which such call or instalment or such part thereof as aforesaid and all interest and expenses that have accrued by reason of nonpayment are to be paid. It shall also name the place where payment is to be made, and shall state that in the event of nonpayment at or before the time and at the place appointed, the shares in respect of which such call or instalment was made, will be liable to be forfeited.

40. If the requisitions or any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by resolution of the Directors to that effect. The forfeiture of shares shall include all dividends in respect of the shares not actually paid before the forfeiture, notwithstanding that they shall have been declared.

41. When any share has been forfeited in accordance with these articles, notice of the forfeiture shall forthwith be given to the holder of the share or the person entitled to the share by transmission, as the case may be, and an entry of such notice having been given, and of the forfeiture with the date thereof, shall forthwith be made in the register of members, opposite to the share, but the provisions of this article are directory only, and no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice, or to make such entry as aforesaid.

42. Notwithstanding any such forfeiture as aforesaid, the Directors may at any time before the forfeited share has been otherwise disposed of annul the forfeiture upon the terms of payment of all calls and interest due upon, and expenses incurred in respect of, the share, and upon such further terms (if any), as they shall see fit.

43. Every share which shall be forfeited shall thereupon become the property of the Company, and may either be cancelled, or sold, or re-allotted, or otherwise disposed of, either to the person who was before forfeiture the holder thereof or entitled thereto, or to any other person, upon such terms and in such manner as the Directors shall think fit.

44. A Shareholder whose shares have been forfeited shall notwithstanding be liable to pay the Company all calls made and not paid on such shares at the time of forfeiture, and interest thereon to the date of payment in the same manner in all respects as if the shares had not been forfeited, and to satisfy all (if any) the claims and demands which the Company might have enforced in respect of the shares at the time of forfeiture without any deduction or allowance for the value of the shares at the time of forfeiture.

45. The forfeiture of a share shall involve the extinction at the time of forfeiture of all interest in and all claims and demands against the Company in respect of the share, and all other rights and liabilities incidental to the share as between the Shareholder whose share is forfeited and the Company, except only such of those rights and liabilities as are by these articles expressly saved or as are by the Ordinances given or imposed in the case of past members.

46. A duly verified declaration in writing that the declarant is a Director of the Company and that a share has been duly forfeited in pursuance of these articles, and stating the date upon which it is forfeited, shall, as against all persons claiming to be entitled to the share adversely to the forfeiture thereof, be conclusive evidence of the facts therein stated, and such declaration, together with the receipt of the Company for the consideration (if any) given for the share in the sale or disposition thereof, and a certificate of proprietorship of the share under the seal delivered to the person to whom the same is sold or disposed of, shall constitute a good title to the share, and such person shall be registered as the holder of the share and shall be discharged of all calls made prior to such sale or disposition, and shall not be bound to see to the application of purchase money (if any), nor shall his title to the share be affected by any act, omission, or irregularity relating to, or connected with, the proceedings in reference to the forfeiture, sale, or re-allotment, or disposal of share.

#### ALTERATION OF CAPITAL.

47. The Company may by special resolution—

- (a) Consolidate and divide its share capital into shares of larger amount than its existing shares, or
- (b) Divide its share capital or any part thereof into shares of smaller amount than fixed by its Memorandum of Association by subdivision of its existing shares or any of them, subject to the provision of the Ordinances, and so that as between the resulting shares one or more such shares may, by the resolution by which such subdivision is effected, be given any preference or advantage as regards dividend, capital, voting, or otherwise over the others, any other of these shares.

#### INCREASE OF CAPITAL.

48. The Company may from time to time in General Meeting or by extraordinary resolution, whether all the shares for the time being authorized shall have been issued or all the shares for the time being issued shall have been fully called up or not, increase its share capital by the creation and issue of new shares, such new capital to be of such amount and to carry such rights or deferred rights, or to be subject to such conditions or restrictions in regard to dividend, return of capital, voting, or otherwise as the Company by the resolution authorizing such increase directs.

49. Unless otherwise determined by the Directors or by the General Meeting authorizing an increase of capital, any original shares for the time being unissued, and any new shares from time to time to be created shall, before they are issued, be offered to the members in proportion as nearly as may be to the number of shares held by them. Such offer shall be made by notice specifying the number of shares offered and limiting a time within which the offer if not accepted will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may, subject to these articles, dispose of the same in such manner as they think most beneficial to the Company. The Directors may, in like manner, dispose of any such new or original shares as aforesaid which, by reason of the proportion borne by them to the number of persons entitled to such offer as aforesaid or by reason of any other difficulty in apportioning the same, cannot in the opinion of the Directors be conveniently offered in manner hereinbefore provided.

50. Except as far as otherwise provided by the conditions of issue, any capital raised by the creation of new shares shall be considered as part of the original ordinary share capital of the Company, and shall be subject to the same provisions with reference to the payment of calls, lien, transfers, transmission, forfeitures, and otherwise as the original share capital.

#### REDUCTION OF CAPITAL, &C.

51. The Company may (subject to the provisions of the Ordinance) from time to time by special resolution reduce its capital by paying off capital, or cancelling capital which has been lost or is unrepresented by available assets, or reducing the liability on the shares or otherwise as may seem expedient, and capital may be paid off upon the footing that it may be called up again or otherwise; and paid-up capital may be cancelled as aforesaid without reducing the nominal amount of the shares by the like amount to the intent that the unpaid and callable capital shall be increased by the like amount.

#### SURRENDER OF SHARES.

52. The Directors may accept the surrender of any shares by way of compromise of any question as to the holder being properly registered in respect thereof.

#### MODIFICATION OF CLASS RIGHTS.

53. All or any of the rights, privileges, or conditions for the time being attached or belonging to any class of shares for the time being forming part of the capital of the Company may from time to time be modified, affected, varied, extended, or surrendered at any time with the consent in writing of the holders of not less than three-fourths of the issued shares of the class, or with the sanction of the extraordinary resolution passed at a separate General Meeting of the members of that class. To any such General Meeting all the provisions of these articles as to General Meetings of the Company shall *mutatis mutandis* apply, but so that the necessary quorum shall be members of the class holding or representing by proxy one-fifth of the capital paid or credited as paid on the issued shares of the class. This clause is not to derogate from any power the Company would have had if this clause were omitted.

#### GENERAL MEETING.

54. The First General Meeting shall be held at such time (subject to the provisions of the Ordinance) and at such place as the Directors may determine. Subsequent General Meetings shall be held once in every year, at such time and place as may be determined by the Directors.

55. The above-mentioned General Meetings shall be called Ordinary Meetings. All other General Meetings shall be called Extraordinary.

56. Any General Meeting may be held elsewhere than in Ceylon.

57. The Directors may call an Extraordinary Meeting whenever they think fit.

58. The Directors shall call an Extraordinary Meeting whenever a requisition in writing signed by members of the Company holding in the aggregate not less than one-tenth in amount of the issued capital upon which all calls or other sums then due shall have been paid up, and stating fully the object of the meeting, shall be deposited at the office. Such a requisition may consist of several documents in like form, each signed by one or more requisitionists.

59. If the Directors do not proceed to convene a meeting to be held within three months from the date of the requisition being so deposited, the requisitionists or a majority of them in value may themselves convene the meeting, but any meeting so convened shall not be held until after six months from the date of such deposit.

60. If at any such meeting a resolution requiring confirmation at another meeting be passed, the Directors shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution and, if thought fit, of confirming it as a special resolution, and if the Directors do not convene such further meetings within seven days' from the date of the passing of the first resolution, the requisitionists or majority of them in value may themselves convene the meeting. All meetings convened by requisitionists under this or the preceding article shall be convened in the same manner as nearly as possible as that in which meetings are to be convened by the Directors.

61. Four months' notice at the least, specifying the place, the day, and the hour of the meeting, and in the case of special business, the general nature of such business, shall be given in the manner hereinafter mentioned to such members as are, under the provisions of these articles, entitled to receive notices from the Company, provided that the accidental omission to give such notice to, or the non-receipt of such notice by, any such member, shall not invalidate any resolution passed or proceeding taken at any such meeting, and with the written consent of all members for the time being entitled to receive such notices of meetings, a meeting may be convened upon a shorter notice and in such manner as such members may approve. Proper minutes shall be kept of all General Meetings of the Company. Where it is proposed to pass a special resolution, the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

#### PROCEEDINGS AT GENERAL MEETINGS.

62. All business shall be deemed special that is transacted at an Extraordinary Meeting, and all that is transacted at an Ordinary Meeting shall also be deemed special, with the exception of sanctioning a dividend, the consideration of the accounts and balance sheets, and the ordinary reports of the Directors and Auditors, and the appointment and the fixing of the remuneration of the Auditors.

63. Any member entitled to be present and vote at a meeting may submit any resolution to any General Meeting, provided that at least the prescribed time before the day appointed for the meeting shall have served upon the Company a notice in writing signed by him, containing the proposed resolution and stating his intention to submit the same. The prescribed time above-mentioned shall be such that, between the date on which the notice is served or deemed to be served and the day appointed for the meeting there shall be not less than two nor more than three intervening months.

64. Upon receipt of any such notice as in the last preceding article mentioned, the Secretary shall in any case where the notice of intention is received before the notice of the meeting is issued, include in the notice of the meeting, and shall in any other case issue as quickly as possible to the members entitled to notice of the meeting notice that such resolution will be proposed.

65. No special business shall be transacted at any general meeting, unless a quorum is present when the meeting proceeds to business. For all purposes the quorum shall be members personally present, not being less than three, and holding or representing by proxy not less than one-tenth part of the issued share capital of the Company.

66. If within half an hour from the time appointed for the holding of a General Meeting a quorum is not present the meeting if convened on the requisition of members shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place, and if at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the members present shall be a quorum.

67. The Chairman (if any) of the Board of Directors or in his absence the Vice-Chairman shall preside at every general meeting, but if there be no such Chairman or Vice-Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding the same, or shall be unwilling to act as Chairman, the members present shall choose some Director, or if no Directors be present, or if all the Directors present decline to take the chair, they shall choose some member present to be Chairman of the meeting.

68. The Chairman may, with the consent of any meeting at which a quorum is present, and shall if so directed by the meeting, adjourn any meeting from time to time and from place to place as the meeting shall determine. No member shall be entitled to any notice of an adjournment, or of the business to be transacted at an adjourned meeting. No business shall be transacted at any adjourned meeting other than the business which might have been transacted at the meeting from which the adjournment took place.

69. At all General Meetings a resolution put to the vote of the meeting shall be decided on a show of hands, unless before or upon the declaration of the result of the show of hands a poll be demanded by the Chairman (being a person entitled to vote), or by at least two members, or by the holders in person or by proxy of at least one-twentieth part of the issued ordinary share capital of the Company, and unless a poll be so demanded a declaration by the Chairman of the Meeting that a resolution has been carried, or has been carried unanimously, or by a particular majority or lost, or not carried by a particular majority, shall be conclusive, and an entry to that effect in the Minute Book of the Company shall be conclusive evidence thereof, without proof of the number or proportion of the votes recorded in favour of or against such resolution.

70. If a poll be demanded in the manner aforesaid, it shall be taken at such time and place, and in such manner as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

71. No poll shall be demanded on the election of the Chairman of a meeting or on any question of adjournment.

72. In the case of an equality of votes, either on a show of hands or at the poll, the Chairman of the meeting shall be entitled to a further or casting vote.

73. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business, other than the question on which a poll has been demanded.

#### VOTES OF MEMBERS.

74. Subject and without prejudice to any special privileges or restrictions for the time being effecting any class of shares for the time being forming part of the capital of the Company, every member shall have one vote on a show of hands, and in the case of a poll shall have one vote for every share of which he is the holder,

75. If any member be a lunatic, idiot, or *non compos mentis* he may vote by his committee, receiver, *curator bonis*, or other legal curator, and any of such last-mentioned persons may give his vote either personally or by proxy.

76. If two or more persons are jointly entitled to a share, then in voting upon any question the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other registered holders of the share, and for this purpose seniority shall be determined by the order in which the names stand in the register of members.

77. Save as herein expressly provided no person other than a member duly registered, and who shall have paid everything for the time being due from him and payable to the Company in respect of his shares, shall be entitled to be present or to vote on any question either personally or by proxy for another member, or to be reckoned in a quorum at any General Meeting.

78. Votes may be given either personally or by proxy. A member present only by proxy and a proxy for or representative of a corporation may vote on a show of hands.

79. The instrument appointing a proxy shall be under the hand of the appointor or of his attorney, duly authorized in writing, or if such appointor is a corporation under its common seal, if any, and if none, then under the hand of some officer duly authorized in that behalf.

An instrument appointing a proxy to vote at a meeting shall be deemed to include the power to demand a poll on behalf of the appointor.

80. The instrument appointing a proxy shall be deposited at the office at least forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in such instrument proposes to vote, otherwise the person so named shall not be entitled to vote in respect thereof. An alternate Director appointed under Article 96 a shall be entitled to exercise all the rights and functions of a person appointed a proxy by virtue of the instrument effecting his appointment.

81. Any instrument appointing a proxy not being an Alternate Director, shall be in the following form or as near thereto as circumstances will admit:—

*Mann, Little & Co. (Ceylon), Limited.*

I, \_\_\_\_\_, of \_\_\_\_\_, a Member of Mann, Little & Co. (Ceylon), Limited, and entitled to \_\_\_\_\_ votes, hereby appoint \_\_\_\_\_ of \_\_\_\_\_ and failing him \_\_\_\_\_ of \_\_\_\_\_ to vote for me and on my behalf at the (stating Ordinary, Extraordinary, or Adjourned, as the case may be) General Meeting of the Company to be held on the \_\_\_\_\_ day of \_\_\_\_\_ 19 \_\_\_\_\_ and at every adjournment thereof.

As witness my hand, this \_\_\_\_\_ day of \_\_\_\_\_ 19 \_\_\_\_\_

82. A resolution in writing signed by or on behalf of all the members of a class, or all the members for the time being of the Company shall be as valid and effectual as if it had been passed at a meeting of the class or of the Company duly called and constituted; but this article shall not apply to a resolution for winding up the Company or to a resolution passed in respect of any matter which by the Ordinance or these Articles ought to be dealt with by special or extraordinary resolution.

#### DIRECTORS.

83. Unless and until otherwise determined by the Company in General Meeting the number of the Directors shall not be less than three nor more than seven, including local Directors appointed under Article 109 hereof.

84. The first Directors shall be Charles Cecil Trevanion, who shall be Managing Director, Eric William Mann, John Donald Taylor, and William Ashmead Barker.

85. The remuneration of the Directors (other than the Managing Directors and local Managing Directors) shall be at such rate as shall from time to time be determined by the Company in General Meeting, and such remuneration shall be divided among the Directors (other than aforesaid), as they shall determine, or failing agreement equally. All the Directors shall also be entitled to be repaid all travelling and hotel expenses incurred by them respectively in or about the performance of their duties as Directors, including their expenses of travelling to or from Board Meetings.

86. The qualification of a Director shall be the holding in his own right or jointly with any other person of one share in the Company of the nominal value of not less than Rs. 15.

87. A first Director may act before acquiring his qualification, but shall in any case acquire the same within two months from his appointment, and unless he shall do so he shall be deemed to have agreed to take the said shares from the Company, and the same shall be forthwith allotted to him accordingly.

88. A Director who is absent from or who is about to leave Ceylon may appoint any member of the Company or any other person to be an Alternate Director during his absence from Ceylon, and such appointment shall have effect, and such appointee, while he holds office, shall be entitled to notice of meetings of Directors and to attend and vote thereat accordingly, and generally to exercise all the rights and functions of such absent Director, subject to any limitations or restrictions in the instrument appointing him, but he shall not require any qualification, and he shall *ipso facto* vacate office if and when his appointor returns to Ceylon or vacates office as a Director; any appointment under this Article shall be effected by an instrument in writing under the hand of the appointor, and any appointment so effected can be cancelled by the appointor by an instrument in writing under his hand, and such Alternate Director shall vacate office as soon as notice in writing of the execution of such instrument of cancellation shall be received at the office of the Company.

89. The continuing Directors may act notwithstanding any vacancy in their body; but so that if the number falls below the minimum above fixed, the Directors shall not, except for the purpose of filling vacancies, act so long as the number is below the minimum.

90. Subject as herein otherwise provided and to the terms of any subsisting agreement, the office of a Director shall be vacated:—

- (a) If he be found lunatic or become of unsound mind.
- (b) If he ceases to hold the required amount of shares to qualify him as Director, but this proviso does not apply to an Alternate Director.
- (c) If he absents himself from the Meetings of the Board during a continuous period of eighteen months without special leave of absence from the Directors, and they pass a resolution that he has by reason of such absence vacated his office.
- (d) If by notice in writing given to the Company he resigns his office.

A Director may hold any other office or place of profit under the Company, except that of Auditor, in conjunction with his office of Director on such terms as to remuneration or otherwise as may be arranged by the Director.

#### MANAGING DIRECTORS.

91. The Directors may from time to time appoint one or more of their body to be *Managing Director* or *Managing Directors* for such period and upon such terms as they think fit, and may vest in such *Managing Director* or *Managing Directors* such powers hereby vested in the Directors generally as they may think fit, and such powers may be

made exercisable for such period or periods, and upon such conditions, and subject to such restrictions, and generally upon such terms as to remuneration and otherwise as they may determine. The remuneration of a Managing Director may be by way of salary or commission, or by participation in profits, or by any or all of those modes.

92. A Managing Director shall not while he continues to hold that office be subject to retirement by rotation, and he shall not be taken into account in determining the rotation of retirement of Directors, but he shall, subject to the provisions of any contract between him and the Company, be subject to the same provisions as to resignation and removal as the other Directors of the Company, and if he cease to hold the office of Director, he shall *ipso facto* and immediately cease to be a Managing Director.

#### POWERS AND DUTIES OF DIRECTORS.

93. The business of the Company shall be managed by the Directors, who may pay all such expenses of and preliminary and incidental to the promotion, formation, establishment, and registration of the Company, and do on behalf of the Company all such acts as may be exercised or done by the Company, and as are not by the Ordinance or by these Articles required to be exercised or done by the Company in General Meeting, subject, nevertheless, to any regulations of these articles, to the provision of the Ordinance and to such regulations being not inconsistent with the aforesaid regulations or provisions as may be prescribed by the Company in General Meeting, but no regulation made by the Company in General Meeting shall invalidate any prior act of the Directors which would have been valid if such regulation had not been made.

94. The amount for the time being remaining undischarged of moneys borrowed or raised by the Directors for the purposes of the Company (otherwise than by the issue of share capital) shall not at any time exceed Rs. 180,000 without the sanction of the Company in General Meeting. But no lender shall be bound to see that this limit is observed, and the borrowing powers hereby conferred upon the Directors are irrespective of any moneys borrowed from or bills discounted with the bankers of the Company or others in the ordinary course of business, although security may be given for such moneys.

95. The continuing Directors may act at any time notwithstanding any vacancy in their body, provided always that in case the Directors shall at any time be reduced in number less than three, it shall be lawful for them to act as Directors for the purpose of filling up vacancies in their body, or of summing a General Meeting of the Company, but not for any other purpose.

96. All moneys, bills, and notes belonging to the Company shall be paid to or deposited with the Company's bankers to an account to be opened in the name of the Company. Cheques on the Company's bankers until otherwise from time to time resolved upon by the Directors, shall be signed by one of the Directors or by the Manager, and countersigned by an authorized employee of the Company. The Company's banking account shall be kept with such banker or bankers as the Directors shall from time to time determine.

97. A Director may contract with and be interested in any contract or arrangement made with the Company, and shall not be liable to account for any profit made by him by reason of any such contract or arrangement, provided that the precise nature of the interest of the Director in such contract or arrangement be declared to the Board before the same is entered into, but if his interest then exists and otherwise at the next Board Meeting after the acquisition of his interest, no Director shall vote in respect of any contract or arrangement in which he shall be interested, and if he do so his vote shall not be counted. But this prohibition will not apply to any contract or arrangement entered into with Mann, Little & Co., Ltd., incorporated under the English Companies' Act, and it may at any time be suspended or relaxed to any extent by a General Meeting. A Director may be or become a Director or member or otherwise interested in any company in which this Company is or may be interested as a vendor, shareholder, or otherwise, and he shall not be liable to account for any remuneration or other benefit received by him from any such company as a Director or member thereof or otherwise.

#### ROTATION OF DIRECTORS.

98. At each Ordinary Meeting one of the Directors (not being a Managing Director or Local Managing Director) shall retire from office.

99. The Director to retire shall be the Director who has been longest in office since his last election. As between Directors of equal seniority, the Director to retire shall, in the absence of agreement, be selected from among them by lot. A retiring Director shall be eligible for re-election, and shall act as Director throughout the meeting at which he retires.

100. Subject as hereinafter provided the Company shall, at the Meeting at which any Director may retire in manner aforesaid, fill up the vacated office by electing a person thereto.

101. No person, not being a Director retiring at the meeting, shall, unless recommended by the Directors for election, be eligible for the office of Director at any General Meeting unless not less than the prescribed time before the day appointed for the meeting there shall have been given to the Secretary notice in writing by some member duly qualified to be present and vote at the meeting for which such notice is given of his intention to propose such person for election, and also notice in writing signed by the person to be proposed of his willingness to be elected. The prescribed time above-mentioned shall be such that between the date when the notice is served or deemed to be served and the day appointed for the meeting there shall be not less than two or more than three intervening months.

113. The Directors shall cause proper minutes to be made of all General Meetings of the Company, and also of all appointments of officers and of the proceedings of all meetings of Directors and committees and of the attendances thereat, and of all business transacted at such meetings, and any such minute of any meeting if purporting to be signed by the Chairman of such meeting, or by the Chairman of the next succeeding meeting, shall be conclusive evidence without any further proof of the facts therein stated.

114. A resolution in writing signed by all the Directors shall be as effective for all purposes as a resolution passed at a meeting of the Directors duly convened, held, and constituted.

115. The Directors may from time to time provide for the management of the affairs of the Company in any special locality in Ceylon or elsewhere in such manner as they shall think fit, and the provisions contained in the following Articles shall be without prejudice to the general powers conferred by this Article.

#### DIVIDENDS AND RESERVE FUND.

121. Subject to any preferential or other special right for the time being attached to any special class of shares, the profits of the Company which it shall from time to time be determined to distribute by way of dividend shall be applied to payment of dividends upon the shares of the Company in proportion to the amounts paid up or credited as paid thereon, respectively.

122. The Directors may with the sanction of a General Meeting from time to time declare dividends, but no such dividend shall be payable except out of the profits of the Company, provided that the Directors may, if they think fit, from time to time pay to the member such interim dividends as appear to them to be justified by the position of the Company. No higher dividend shall be paid than is recommended by the Directors, and the declaration of the Directors as to the amount of the net profits shall be conclusive.

123. The Directors may before recommending any dividend set aside out of the profits of the Company such sums as they shall think proper as a reserve fund or reserve funds, which shall at the discretion of the Directors be applicable for meeting contingencies for the gradual liquidation of any debt or liability of the Company, or for repairing or maintaining any works connected with the business of the Company, or shall with the sanction of the Company in General Meeting be as to the whole or in part applicable for equalizing dividends, or for the payment of special dividends or bonuses, and pending such application the Directors may employ the sums from time to time so set apart as aforesaid in the business of the Company, or invest the same in such securities other than the shares of the Company as they may select. The Directors may also from time to time carry forward such sums as may be deemed expedient in the interest of the Company.

124. No unpaid dividend or interest shall bear interest as against the Company.

125. Any General Meeting may direct payment of any dividend declared at such meeting, or of any interim dividend which may subsequently be declared by the Directors, wholly or in part by means of drafts or cheques on London, or by the distribution of specific assets, and in particular of paid-up shares, debentures, or debenture stock of the Company, or of any other Company, or in any other form of specie, or in one or more of such ways, and the Directors shall give effect to such direction; and when any difficulty arises in regard to the distribution, they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholders upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Directors.

126. A transfer of shares shall not pass the right to any dividend declared thereon before the registration of the transfer.

127. The Directors may retain the dividends payable upon the shares in respect of which any person is under clauses 35 and 36 entitled to become a member, or which any person under that clause is entitled to transfer, until such person shall become a member in respect thereof or shall duly transfer the same.

128. The Company in General Meeting may at any time and from time to time pass a resolution that any sum or sums not required for the payment or provision of any fixed preferential dividend, and (a) for the time being standing to the credit of any reserve fund or reserve account of the Company, including premiums received on the issue of any shares, debentures or debenture stock on the Company; (b) being undivided net profits in the hands of the Company be capitalized, and that such sum or sums be set free for distribution, and be appropriated as capital to and amongst the ordinary Shareholders in the shares and proportions in which they would have been entitled thereto if the same had been distributed by way of dividend on the ordinary shares, and in such manner as the resolution may direct, and such resolution shall be effective, and the Directors shall in accordance with such resolution apply such sum or sums in paying up in full any unissued shares in the capital of the Company on behalf of the ordinary Shareholders aforesaid, and appropriate such shares to and distribute the same credited as fully paid-up amongst such Shareholders in the proportions aforesaid in satisfaction of their shares and interests in the said capitalized sum, or shall apply such sum or sums or any part thereof on behalf of the Shareholders aforesaid in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued ordinary shares held by such Shareholders, or otherwise deal with such sum or sums as directed by such resolution. Where any difficulty arises in respect of any such distribution, the Directors may settle the same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any fully paid-up shares, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights, and vest any such shares in trustees upon such trusts for the persons entitled to share in the appropriation and distribution as may seem just and expedient to the Directors. The Directors may appoint any person to sign a proper contract on behalf of the persons entitled to share in the appropriation and distribution, and such appointment shall be effective.

Once at least in every year the Directors shall lay before the Company in General Meeting a profit and loss account for the period since the preceding account or (in the case of the first account) since the incorporation of the Company, made up to a date not more than four months before such meeting. A balance sheet shall be made out in every year and laid before the Company in General Meeting made up to a date not more than four months before such meeting. The balance sheet shall have attached thereto the Auditors' report, and shall be accompanied by a report of the Directors as to the state of the Company's affairs and the amount which they recommend to be paid by way of dividend, and the amount (if any) which they propose to carry to any reserve fund or reserve account.

#### AUDIT.

134. All notices directed to be given to the members shall, with respect to any share to which persons are jointly entitled, be given to whichever of such persons is named first in the register of members, and any notice so given shall be sufficient notice to the holders of such share.

135. Any member described in the register of members by an address not within the United Kingdom or Ceylon, who shall from time to time give the Company an address within the United Kingdom or Ceylon at which notices may be served upon him, shall be entitled to have served upon him at such address any notice to which he would be entitled under these articles, but save as aforesaid no member other than a member described in the register of members by an address within the United Kingdom or Ceylon shall be entitled to receive any notice from the Company.

136. A notice may be given by the Company to the persons entitled to any share in consequence of the death or bankruptcy of a member by sending it through the post in a prepaid letter addressed to them by name or by the title of representatives or trustees of such deceased or bankrupt member at the address (if any) in the United Kingdom supplied for the purpose by such persons as aforesaid or (until such address has been supplied) by giving the notice in the manner in which the same would have been given if the death or bankruptcy had not occurred.

137. Any notice or other document if served or sent by post shall be deemed to have been served or delivered at the time when the letter containing the same was put into the post, and in proving such service or sending it shall be sufficient to prove that the letter containing the notice or document was properly addressed and put into the post as a prepaid letter.

138. Where a given number of days' notice or notice extending over any other period is required to be given the day of service shall be counted in such number of days or other period, but the day upon which such notice shall expire shall not be so counted.

#### INDEMNITY.

139. The Directors, Auditors, Secretary, and other officers for the time being of the Company and any trustees for the time being acting in relation to any of the affairs of the Company, and their heirs, executors, and administrators, respectively, shall be indemnified out of the assets of the Company from and against all actions, proceedings, costs, charges, losses, damages, and expenses which they or any of them shall or may incur or sustain by reason of any act done or omitted in or about the execution of their duty in their respective offices or trusts, except such (if any) as they shall incur or sustain

- (4) Tests of educational qualifications corresponding to or not below any of the above, of which proof must be produced.

3. Candidates need only furnish copies of certificates which will not be returned. No intimation will be given to unsuccessful candidates, nor will letters inviting attention to applications tendered be replied to.

4. Candidates must submit their applications in person through the Deputy or Assistant Conservator of Forests within whose division they reside, and post copy of same direct to the Conservator of Forests. The originals of the certificates should be produced to the Deputy or Assistant Conservator of Forests, who should certify to the correctness of the copies of certificates attached to the applications. Any candidates already in the service of Government must submit their applications similarly through the Head of their Department and the Deputy or Assistant Conservator of Forests.

5. Successful candidates will be on probation for two years, and are liable to removal from the service at any time within that period without a reason being assigned for the same.

6. Dismissed employees of Government need not apply. Any candidate who is a dismissed employee, in the event of his appointment, will be deemed to have secured entry under false pretences, and on detection will be summarily dismissed.

7. While on probation candidates will draw a salary of Rs. 25 per mensem, plus temporary increase and the usual travelling allowance for probationers, and if confirmed in their grade will draw a salary of Rs. 300 per annum rising by increments and promotions to Rs. 1,200 per annum. For really capable men there are, besides, reasonable prospects of promotion to Foresterships carrying salaries from Rs. 1,260 to Rs. 2,280 per annum. Substantial increases in salaries are proposed in the recommendations of the Salaries Commission.

8. Candidates who display exceptional merit during the period of probation may be selected for training at the Madras Forest College, Coimbatore, at the expense of the Government of Ceylon.

9.
