COMMUNIQUE.

Insertion of Name of Agency on Applications for Recruiting Licenses.

THE Ceylon Emigration Commissioner has represented the fact that at present no provision is made on the form of “ Application for Recruiting Licenses ” for filling in the name of the Agency on which the recruiter will operate.

2. As in some Indian Districts there are several Labour Commission Agencies within the same District or even within the same Taluk, the Emigration Commissioner often cannot tell, on receiving the application, the Agency to which the recruiter will bring his recruits.

3. Employers will therefore considerably facilitate the operations of their recruiters if, when they fill in their applications for licenses, they will insert the name of the Agency which the recruiter will use. This name should be inserted on each of the three parts of the application form at the very bottom of the form under the space provided for the Emigration Commissioner's endorsement, *i.e.*, under the word “ Trichinopoly,” which is the last printed word on the form.

4. If the Superintendent gives this information the Emigration Commissioner on receipt of his copy of the application will be able to advise the Agent concerned, beforehand, of the recruiters who will arrive in his division. The Agent will thus have a record of all recruiters who will operate within his jurisdiction, while Inspecting Officers will be able when camping in the vicinity of an Agency to obtain a list of these recruiters and visit them in their villages.

5. When the time comes for printing a fresh supply of application forms provision will be made for the insertion of the name of the Agency, as one of the particulars required.

Colombo, January 30, 1924.

W. E. WAIT,  
Controller of Indian Immigrant Labour.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except an absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 36 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares held by him and the amount paid thereon.

20. If any certificate be worn out or defaced, then upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

21. The certificate of shares registered in the names of two or more persons not a firm shall be delivered to the person first named on the register.

#### CALLS.

22. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that three months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

23. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

24. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

25. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

26. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance, and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

27. (1) Subject to the provisions of sub-clauses (5), (7), or (8) of this Article, no share shall be transferred to a person who is not a Shareholder so long as any Shareholder is willing to purchase the same as hereinafter provided.

(2) (a) Except where the transfer is made pursuant to sub-clauses (5), (7), or (8) of this Article, the person proposing to transfer any share (hereinafter called "the proposing transferor") shall give notice in writing (hereinafter called "the transfer notice") to the Company that he desires to transfer such share. The transfer notice shall specify the sum he fixes as the price of the share (hereinafter called "the proposing transferor's price"), which price must be approved by the Directors as not being prohibitive or excessive, and shall constitute the Company his agent for the sale of the share to any Shareholder of the Company at such price. The transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each, and shall specify the denoting number of each share which the proposing transferor desires to sell. A transfer notice shall not be revocable except with the sanction of the Directors.

(b) If the Directors do not approve of the proposing transferor's price and consider the same prohibitive or excessive, the question shall be referred to the Company's auditors for their decision, and the valuation of the shares as fixed by the auditors shall be binding on all parties, and such valuation shall be immediately inserted in the transfer notice as the proposing transferor's price.

(3) If the Company shall, within the space of ninety days after being served with such notice, find a Shareholder willing to purchase the share at the proposing transferor's price (hereinafter called "the purchasing Shareholder") and give notice thereof to the proposing transferor, the latter shall be bound, upon payment of the said price, to transfer the share to the purchasing Shareholder.

(4) If in any case the proposing transferor, after having become bound as aforesaid, makes default in transferring any share, the Company may receive the purchase money, and shall thereupon cause the name of the purchasing Shareholder to be entered in the register as the holder of that share, and shall hold the purchase money in trust for the proposing transferor. The receipt of the Company for the purchase money shall be a good discharge to the purchasing Shareholder, and after his name has been entered in the register in purported exercise of the aforesaid power, the validity of the proceedings shall not be questioned by any person.

(5) If the Company shall not, within the space of ninety days after being served with the transfer notice, find a Shareholder willing to purchase all or any of the shares comprised therein, and give notice in manner aforesaid, the proposing transferor shall at any time within three calendar months after the expiration of the said period of ninety days be at liberty, subject to Article 30, to sell and transfer the said shares or such of them as have not been sold to a purchasing Shareholder to any person, but at a price not less than that specified by him in his transfer notice, or the price fixed by the Company's auditors, as the case may be.

(6) The Company in General Meeting may make, and from time to time vary, rules as to the mode in which any shares specified in any transfer notice shall be offered to the Shareholders, and as to their rights in regard to the purchase thereof, and in particular may give any Shareholder, or class of Shareholders, a preferential right to purchase the same. Until otherwise determined, every such share or shares will be offered to the Shareholders as far as practicable in proportion to the shares held by them, and in case where this is not possible, such share or shares will be offered to the Shareholders by lots drawn in regard thereto as the Directors shall think fit.

(7) Any share may be transferred by a shareholder to any child or other issue, son-in-law, daughter-in-law, father, mother, brother, sister, nephew, niece, wife, or husband of a Shareholder, and any share of a deceased Shareholder may be transferred by his executors or administrators to any trustees under the will of any such deceased Shareholder, or to any child or other issue, son-in-law, daughter-in-law, father, mother, brother, sister, nephew, niece, widow or widower of such deceased Shareholder, to whom such deceased Shareholder may have specifically bequeathed the same, or who may be entitled to the residuary estate of such deceased Shareholder, or any part or share of such residuary estate and shares standing in the name of the trustees of the will of any deceased Shareholder may be transferred to any beneficiary as aforesaid under the will, or, upon any change of trustees, to the trustees for the time being of such will, and the restrictions in sub-clause (1) of this Article contained shall not apply to any transfer authorized by this sub-clause.

(8) A Shareholder may with the consent of the Directors transfer any shares, the total nominal value of which shall not exceed One thousand Rupees (Rs. 1,000) to a person who is not a Shareholder for the purpose of enabling such person to qualify as a Director or for any purpose connected with the conduct and management of the Company's business, or for such other purposes as the Directors may in their absolute discretion think proper. Any transfer to a person who is not a Shareholder made under this Article otherwise than for the purposes herein specifically mentioned shall be absolutely null and void.

28. No transfer of shares shall be made to an infant or person of unsound mind.

29. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

30. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien, or otherwise, or in case of shares not fully paid up, to any person not approved by them, but the latter restriction shall not apply where the proposed transferee is already a Shareholder nor to a transfer made pursuant to Article 27 (7) hereof. In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

31. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two Rupees and Fifty Cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 30, shall register the transferee as a Shareholder and retain the instrument of transfer.

32. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

33. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

34. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

35. The executors, or administrators, or the heirs of a deceased Shareholder (other than one of several joint Shareholders) shall be the only person recognized by the Company, as having any title to the shares of such Shareholder.

36. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

37. If any person who shall become entitled to be registered in respect of any share under clause 36 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

#### SURRENDER AND FORFEITURE OF SHARES.

38. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed a surrender of the shares of Shareholders who may be desirous of retiring from the Company provided such acceptance is properly legalized.

39. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. Any Shareholder whose shares have been so declared forfeited shall notwithstanding be liable to pay, and shall forthwith pay to the Company all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

41. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

44. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 41 hereof, shall be redeemable after sale or disposal.

45. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or in respect of any other debt, liability, or engagement whatsoever, and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that the power of sale given by Article 46 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

49. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

51. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any member personally present and entitled to vote at such meeting.

#### BORROWING POWERS.

53. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining,

improving, or extending buildings, machinery, plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Rupees One hundred thousand (Rs. 100,000).

54. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary or Secretaries, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

55. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

56. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

57. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

58. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

59. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed, then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

60. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

62. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and such time as the Shareholders convening the meeting may themselves fix.

63. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

64. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

65. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner (if any), as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the 2nd meeting contingently upon the resolution being passed by the requisite majority at the 1st meeting.

66. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

67. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

68. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

69. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

70. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

71. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

72. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice thereof shall be given.

73. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

#### VOTING AT MEETINGS.

74. At any meeting every resolution shall be decided by a show of hands, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may

be entitled as a Shareholder; and unless a poll be immediately demanded by some Shareholder, or in the case of a special resolution by five Shareholders present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

75. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney, or in case of a special resolution by five Shareholders, their proxies or attorneys at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

76. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

77. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

78. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him.

79. The parent or guardian or curator of an infant Shareholder, the committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

80. Votes may be given either personally or by proxy or by attorney.

81. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting unless all calls due from him on his shares have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company, in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote at least three months previous to the time of holding the meeting at which he proposes to vote.

82. No person shall be entitled to hold a proxy who is not a Shareholder of the Company, but this rule shall not apply to a power of attorney.

83. The instrument appointing a proxy shall be printed or written and shall be signed by the appointor (whether a Shareholder or his attorney) or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

84. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than forty-eight hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form:—

*The Troup Tea Company, Limited.*

I, \_\_\_\_\_, of \_\_\_\_\_, appoint \_\_\_\_\_, of \_\_\_\_\_, as my proxy, to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_.

85. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney) except at the meeting or poll at which such votes shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

86. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

**DIRECTORS.**

87. The number of Directors shall never be less than two or more than five; but this clause shall be construed as being directory only, and the continuing Directors or Director may act notwithstanding any number of vacancies.

88. The qualification of a Director shall be his holding in his own right at least ten fully or partly paid shares in the Company upon which all calls for the time being have been paid, and this qualification shall apply as well to the first Directors as to all future Directors.

89. As remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding One thousand five hundred Rupees annually to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration granted for special or extra services hereinafter referred to, nor any extra remuneration to the Managing Directors of the Company. The Directors may repay to any Director all reasonable travelling and hotel expenses incurred by him in or about the *bona fide* performance of his duties as a Director including all reasonable travelling expenses to and (or) from Board meetings.

90. The first Directors shall be Arthur Murray Cooper of Talawakele, Willoughby Greaves Beauchamp, and Thomas Lister Villiers, both of Colombo. The first Directors shall hold office till the first Ordinary General Meeting of the Company, when they shall retire, but shall be eligible for re-election.

91. One or more of the Directors may be appointed by the Directors to act as Secretary, Managing Director or Managing Directors, and (or) Visiting Agent or Agents of the Company, for such time and on such terms as the Directors may determine or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Secretary, Managing Director or Managing Directors, and (or) Visiting Agent or Agents.

The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Director for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money, as they shall think fit.

92. At the first Ordinary General Meeting of the Company all the Directors shall retire from office, and at the first Ordinary General Meeting in every subsequent year one of the Directors for the time being shall retire from office as provided in clause 93.

93. The Director to retire from office at the second Ordinary General Meeting shall, unless the Directors otherwise arrange among themselves, be determined by ballot; in every subsequent year the Directors to retire shall be those who have been longest in office.

97. Any casual vacancy occurring in the number of Directors or provisional Directors arising from death, resignation, or otherwise may be filled up by the Directors, but any person appointed to fill such vacancy shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

98. A General Meeting may from time to time increase or reduce the number of Directors, and may also determine in what rotation such increased or reduced number is to go out of office.

99. If at any meeting at which an election of a Director ought to take place, the place of a retiring Director is not filled up, the retiring Director may continue in office until the first Ordinary General Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

100. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary or Secretaries, or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

101. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The Director so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

102. Every Director or officer of the Company, and his heirs, executors, and administrators shall be indemnified by the Company from all losses and expenses incurred by him in or about the discharge of his duties, except such as happen from his respective wilful acts or defaults; and no Director or officer shall nor shall, the heirs, executors, or administrators of any Director or officer, be liable for the acts or defaults of any other Director or officer, or for any loss or expenses happening to the Company by the insufficiency or deficiency of title to any property acquired for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortious act of any person with whom any moneys, securities, or effects shall be deposited, or for any other loss, damage, or misfortune whatsoever which shall happen in the execution of the duties of his office or in relation thereto, unless the same happen through his own wilful act or default.

103. No contribution shall be required from any present or past Director or Manager exceeding the amount, if any, unpaid on the shares in respect of which he is liable as a present or past Shareholder.

No Director shall be disqualified from holding office by reason of entering into any contract with or doing any work for the Company, or by reason of his being a member of any corporation, company, or firm which has entered into any contract with, or done any work for, the Company, or by reason of his being agent, or secretary, or solicitor, or being a member of a firm who are agents, or secretaries, or solicitors of the Company; nevertheless, he shall disclose to the Directors his interest in any contract, work, or business in which he may be personally interested, and shall not vote in respect of any matters connected with any such contract, work, or business.

108. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting, and shall generally do all such acts and things as are or shall be by any Ordinance and by these presents directed and authorized to be exercised, given, made, or done by the Company, and are not by any Ordinance or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of any such Ordinances and of these presents and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting; but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

116. The Board may elect a Chairman of their meetings and determine the period for which he is to hold office, and all meetings of the Directors shall be presided over by the Chairman, if one has been elected and if present, but if there be a vacancy in the office of Chairman, or if at any meeting of Directors the Chairman be not present at the time appointed for holding the same, then and in that case the Directors present shall choose one of their number to be Chairman of such meeting.

All acts done by any such committee, in conformity with such regulations and in the fulfilment of the purposes of their appointment, but not otherwise, shall have the like force and effect as if done by the Board.

119. The meetings and proceedings of such committees shall be governed by the provisions herein contained for regulating the meetings and proceedings of Directors, so far as the same are applicable thereto, and are not superseded by the express terms of the appointment of such committee respectively, or any regulation imposed by the Board.

120. The acts of the Board or of any committees appointed by the Board shall, notwithstanding any vacancy in the Board or committee, or defect in the appointment or qualification of any Director or of any member of the Committee, be as valid as if no such vacancy or defect had existed, and as if such person had been duly appointed or qualified, provided the same be done before the discovery of the vacancy or defect.

121. A resolution in writing signed by all the Directors for the time being in Ceylon shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and constituted.

resolutions, and the actual and regular transaction or occurrence of the proceedings and other matters purporting to be so recorded, and of the regularity of the meeting at which the same shall appear to have taken place, and of the Chairmanship and signature of the person appearing to have signed as Chairman, and of the date on which such meeting was held.

#### AGENTS AND SECRETARIES.

124. The firm of George Steuart & Company shall be the first agents and secretaries of the Company.

#### ACCOUNTS.

125. The Agent or Secretary or the Agents or Secretaries, for the time being, or, if there be no Agent or Secretary or Agents or Secretaries, the Directors shall cause true accounts to be kept of the paid-up capital for the time being of the Company, and of all sums of money received and expended by the Company, and of the matters in respect of which such sums were received and expended, and of the assets, credits, and liabilities of the Company, and generally of all its commercial, financial, and other affairs, transactions, and engagements, and of all other matters necessary for showing the true financial state and condition of the Company. The accounts shall be kept in such books and in such a manner at the registered office of the Company as the Directors think fit.

126. The Directors shall from time to time determine whether, and to what extent, and at what times and places, and under what conditions or regulations, the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company, except as conferred by Ordinance or authorized by the Directors or by a resolution of the Company in General Meeting.

127. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income and expenditure of the Company for the previous financial year, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the same period.

128. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other heads of expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting, and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such item shall be stated, with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

129. The balance sheet shall contain a summary of the property and liabilities of the Company, arranged under the heads appearing in the form annexed to the table referred to in Schedule C to "The Joint Stock Companies Ordinance, 1861," or as near thereto as circumstances admit.

130. Every such statement shall be accompanied by a report as to the state and condition of the Company and as to the amount which the Directors recommend should be paid out of the profits by way of dividend or bonus to the Shareholders, and the statement, report, and balance sheet shall be signed by the Directors.

131. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at, or posted to, the registered address of every Shareholder.

132. The accounts of the Company shall from time to time be examined, and the correctness of the balance sheet ascertained by one or more Auditor or Auditors.

#### AUDIT.

133. No person shall be eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Shareholder of the Company, and no Director or officer of the Company shall, during the continuance in office, be eligible as an Auditor.

134. The Directors shall appoint the first Auditor or Auditors of the Company and fix his or their remuneration. He or they shall hold office till the second General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the Auditor or Auditors appointed at such meeting shall hold office only until the first Ordinary General Meeting after his or their appointment or until otherwise ordered by a General Meeting.

135. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting, and this remuneration may from time to time be varied by a General Meeting.

136. Retiring Auditors shall be eligible for re-election.

137. If any vacancy that may occur in the office of Auditor is not supplied at the Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person or persons who shall hold office until the next Ordinary General Meeting after his or their appointment.

138. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto, and to report thereon to the meeting, generally or specially, as he may think fit.

139. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the day-time have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

#### DIVIDENDS, BONUS, AND RESERVE FUND.

140. The Directors may, with the sanction of the Company in General Meeting, from time to time, declare a dividend to be paid, and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend or bonus shall be payable except out of nett profits.

141. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

142. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund, and may invest the same in such securities as they may select, or place the same on fixed deposit in any bank or banks, and may from time to time deal with and vary such investment and apply such reserve fund or such portion thereof as they think fit to meet contingencies or for special dividends or for equalizing dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

143. Any General Meeting may direct payment of any dividend or bonus declared at such meeting or of any interim dividends or bonuses which may subsequently be declared by the Directors, wholly or in part by means of drafts or cheques on London, or by the distribution of specific assets, and in particular of paid-up shares, debentures or debenture stock of the Company or of any other company or in any other form of specie, or in any one or more of such ways, and the Directors shall give effect to such direction, and when any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend or bonus as may seem expedient to the Directors.

144. No unpaid dividend or bonus shall ever bear interest against the Company.

145. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company, in respect of such share or shares, or otherwise howsoever.

146. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

147. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

148. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

149. Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm may be paid to, and an effectual receipt given by, any one of such persons.

#### NOTICES.

150. Notices from the Company may be authenticated by the signature (printed or written) of the Agent or Secretary, Agents or Secretaries, or persons appointed by the Board to authenticate the same.

151. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

152. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the Agent or Secretary or Agents or Secretaries of the Company, their own or some other address in Ceylon to which notices may be sent.

153. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such person is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

154. Any notice, if served by post, shall be deemed to have been served on the day on which the letter containing the same would in the ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

155. Any Shareholder who fails to give and register an address in Ceylon as provided in Article No. 151 shall not be entitled to be given any notices.

156. All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

#### EVIDENCE.

157. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the Register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

#### PROVISIONS RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

158. Any Shareholder, whether a Director or not, and whether alone or jointly with any other Shareholder or Director, and any person not a Shareholder, may become the purchaser of the property of the Company or any part thereof in the event of a winding up or a dissolution, or at any other time when a sale of the Company's property or effects or any part thereof shall be made by the Directors under the powers hereby or under the Ordinance conferred upon them.

159. If the Company shall be wound up, whether voluntarily or otherwise, the liquidator or liquidators may, with the sanction of a special resolution of the Company, divide among the contributories in specie any part of the assets of the Company, and may with the like sanction vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator or liquidators with the like sanction shall think fit, and if thought expedient any such division may be otherwise than in accordance with the legal rights of the members of the Company, and in particular any class may be given preferential or special rights or may be excluded altogether or in part, and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully paid, part paid, or preference in the purchasing Company, but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing Company either ordinary, fully paid, or part paid, or preference, any contributory who would be prejudiced thereby shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England, but for the purposes of an arbitration as in the sub-section (6) of the said section provided; the provisions of the Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance, 2 of 1889, shall apply in place of the English and Scotch Acts referred to in the said sub-section (6) of section 192 of the aforewritten Companies (Consolidation) Act, and the said section 192, save as herein excepted, shall be deemed to be part and parcel of these present Articles.

## CAPITAL.

5. The capital of the Company is 110,000 Rupees divided into 22,000 shares of Five Rupees each.

Of the said 22,000 shares of Five Rupees each—

7,000 shares, numbered 1 to 7,000 inclusive, shall be preference shares, and shall confer the right for five years from and after the incorporation of the Company to a fixed non-cumulative preferential dividend at the rate of 10 per cent. per annum, and from and after the expiry of said five years to a fixed cumulative preferential dividend at the rate of 8 per cent. per annum on the amount for the time being paid up thereon, all before any payment or distribution is made on the ordinary shares, but which preference shares shall not be entitled to participate in any further distribution of profits or in any distribution of surplus assets; and

## SHARES.

6. The shares shall be under the control of the Directors to allot or otherwise dispose of the same to such persons on such terms and conditions, and at such times as the Directors think fit.

7. The Company may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and the time of payment of such calls.

8. If, by the conditions of allotment of any share, the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the person who, for the time being, shall be the registered holder of the share.

9. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

10. The Company shall be entitled to treat the registered holder of any share as the absolute owner thereof, and accordingly shall not be bound to recognize any equitable or other claim to, or interest in, such share on the part of any other person save as herein provided.

11. If the Company shall at any time offer any of its shares to the public for subscription, the Directors may pay a commission to the person subscribing or agreeing to subscribe or procuring or agreeing to procure subscriptions whether absolute or conditional for any shares so offered, but so that the commission shall not exceed 20 per cent. on the shares in each case offered.

## CERTIFICATES.

12. Every member shall be entitled to a certificate under the common seal of the Company, and signed by at least one Director and the Secretary, specifying the share or shares held by him, and the amount paid up thereon, and if such certificate is worn out or lost, it may, on payment of Rs. 2.50 or such other sum as the Directors may prescribe, be renewed, provided that the Directors may require such evidence of such certificate being worn out or lost, and such indemnity as they may consider proper.

13. Certificate of shares registered in the name of two or more persons shall be delivered to the person first named on the register.

## CALLS.

14. The Directors may from time to time make such calls as they think fit upon the members in respect of all moneys unpaid on the shares held by them respectively, and not by the conditions of allotment thereof made payable at fixed times, and each member shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors. A call may be made payable by instalments.

15. A call shall be deemed to have been made at the time the resolution of the Directors authorizing such call was passed.

16. Fourteen days' notice of any call shall be given, specifying the time and place of payment and to whom such call shall be paid.

17. If the sum payable in respect of any call, or instalment, be not paid on or before the day appointed for payment thereof, the holder for the time being of the share in respect of which the call shall have been made or the instalment shall be due shall be liable to pay interest on the same at the rate of 8 per centum per annum from the date appointed for the payment thereof or the time of the actual payment, or at such rate as the Directors may determine.

18. The Directors may, if they think fit, receive from any member willing to advance the same all or any part of the money due upon the shares held by him beyond the sums actually called for, and upon the money so paid in advance, or so much thereof as from time to time exceeds the amount of the calls then made upon the shares, in respect of which such advance has been made, the Company may pay interest at such rate as the member paying such sum in advance and the Directors agree upon.

## FORFEITURE AND LIEN.

19. If any member fail to pay any call, or instalment, on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call, or instalment, remains unpaid, serve a notice on such member requiring him to pay the same within twenty-one days from the date thereof, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment. Such notice shall contain a copy of the next following clause.

20. If the requisitions of any such notice as aforesaid are not complied with, any shares in respect of which such notice has been given may at any time thereafter, before payment of all calls, or instalments, interest, and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares not actually paid before the forfeiture.

21. When any share shall have been so forfeited, notice of the resolution shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the Register.

22. Any share so forfeited shall be deemed to be the property of the Company, and the Directors may sell, re-allot, or otherwise dispose of the same in such manner as they think fit.

23. The Directors may at any time before any share so forfeited shall have been sold, re-allotted, or otherwise disposed of, annul the forfeiture thereof upon such conditions as they think fit.

24. The Company shall have a first and paramount lien upon all the shares (other than fully paid-up shares) registered in the name of each member (whether solely or jointly with others) for his debts, liabilities, and engagements, solely or jointly with any other person, to or with the Company, whether the period for the payment, fulfilment, or discharge thereof shall have actually arrived or not. And such lien shall extend to all dividends from time to time declared in respect of such shares. Unless otherwise agreed the registration of a transfer of shares shall operate as a waiver of the Company's lien, if any, on such share.

25. For the purpose of enforcing such lien, the Directors may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such period as aforesaid shall have arrived, and until notice in writing of the intention to sell shall have been served on such member or his executors or administrators, and default shall have been made by him or them in the payment, fulfilment, or discharge of such debts, liabilities, or engagements for seven days after such notice.

26. The nett proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities, or engagements, and the residue (if any) paid to such member or his executors, administrators, or assigns.

27. Upon any sale after forfeiture, or for enforcing a lien in purported exercise of the powers hereinbefore given, the Directors may cause the purchaser's name to be entered in the Register in respect of the shares sold, and the purchaser shall not be bound to see to the regularity of the proceedings or to the application of the purchase money; and after his name has been entered in the Register in respect of such shares, the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

#### TRANSFER AND TRANSMISSION.

28. The instrument of transfer of any share shall be signed, both by the transferor and transferee, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the Register in respect thereof.

29. The instrument of transfer of any share shall be in writing in the usual form, or as near thereto as the circumstances will admit.

30. The Directors may decline to register any transfer of shares (or stock) upon which the Company have a lien; and in the case of shares not fully paid up may refuse to register a transfer to a transferee of whom they do not approve.

31. Every instrument of transfer shall be left at the office for registration, accompanied by the certificate of the shares to be transferred, and such other evidence as the Company may require to prove the title of the transferor or his right to transfer the shares, but the Directors may on receipt of approved indemnity waive the production of any certificate, upon being satisfied of the loss or destruction thereof.

32. All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall be returned to the person depositing the same.

33. A fee not exceeding Rs. 2.50 may be charged for each transfer, and shall, if required by the Directors, be paid before the registration thereof.

34. The Transfer Books and Register of Members may be closed during such time as the Directors think fit, not exceeding twenty-one days in each year.

35. The executors or administrators of a deceased member (not being one of several joint-holders) shall be the only persons recognized by the Company as having any title to the shares registered in the name of such member, and in case of the death of any one or more of the joint-holders of any registered shares, the survivors shall be the only persons recognized by the Company as having any title to or interest in such shares.

36. Any person becoming entitled to shares in consequence of the death or bankruptcy of any member upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, as the Directors think sufficient, may, with the consent of the Directors (which they shall not be under any obligation to give), be registered as a member in respect of such shares, or may, subject to the regulations as to transfer hereinbefore contained, transfer such shares. This clause is hereinafter referred to as the "Transmission Clause."

#### MODIFICATION OF RIGHTS.

37. If the capital of the Company, by reason of the issue of preference shares or otherwise, be divided into different classes of shares, all or any of the rights and privileges attached to each class may be modified by agreement between the Company and any person purporting to contract on behalf of that class, provided such agreement is ratified in writing by the holders of at least three-fourths of the issued shares of the class, or is confirmed by an extraordinary resolution passed at a separate General Meeting of the holders of shares of that class, and all the provisions hereinafter contained as to General Meetings of holders of the ordinary shares shall, *mutatis mutandis*, apply to every such separate meeting, but so that the quorum thereof shall be members holding or representing by proxy two-thirds of the nominal amount of the issued shares of the class. This clause is not to derogate from any power the Company would have had if the clause were omitted.

#### INCREASE AND REDUCTION OF CAPITAL.

38. The Company in General Meeting may from time to time increase the capital by the creation of new shares of such amount as may be deemed expedient.

39. The new shares shall be issued upon such terms and conditions, and with such rights and privileges annexed thereto as the General Meetings resolving upon the creation thereof shall direct, and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of assets of the Company, and with a special or without any right of voting, provided that no new shares shall be issued with any preferential right over or *pari passu* ranking with the preference shares in the original capital, except with the sanction of the holders of such preference shares given pursuant to Article 37.

40. The Company in General Meeting may, before the issue of any new shares, determine that the same or any of them shall be offered in the first instance, and either at par or at a premium, to all the then members or to any class thereof in proportion to the amount of the capital held by them, or make any other provisions as to the issue and allotment of the new shares, but in default of any such determination or so far as the same shall not extend, the new shares may be dealt with as if they formed part of the shares in the original ordinary capital.

41. Except so far as otherwise provided by the conditions of issue, or by these presents, any capital raised by the creation of new shares shall be considered part of the original ordinary capital, and shall be subject to the provisions herein contained with reference to the payment of calls and instalments, transfer and transmission, forfeiture, lien, and otherwise.

42. The Company may from time to time by special resolution reduce its capital by paying off capital, or cancelling capital which has been lost or is unrepresented by available assets, or reducing the liability on the shares, or otherwise as may seem expedient, and capital may be paid off upon the footing that it may be called up again or otherwise.

43. The Company may from time to time by special resolution subdivide, or by ordinary resolution consolidate its shares or any of them.

44. The special resolution whereby any share is subdivided may determine that, as between the holders of the shares resulting from such subdivision, one or more of such shares shall have any and what preference over the others or other, and that the profits applicable to the payment of dividends thereon shall be appropriated accordingly.

#### BORROWING POWERS.

45. The Directors may from time to time at their discretion raise or borrow or secure the payment of any sum or sums of money for the purposes of the Company from any Shareholder or Director of the Company, or from any other person or persons or from any corporate body, but so that the amount at any one time owing in respect of moneys so raised or borrowed shall not, without the sanction of a General Meeting, exceed one-half of the amount of the issued shares for the time being. Nevertheless, no lender or other person dealing with the Company shall be concerned to see or inquire whether the limit is observed.

46. The Directors may raise or secure the re-payment of such moneys in such manner and upon such terms and conditions in all respects as they think fit, and in particular by the granting of mortgages, bonds, and dispositions in security containing power of sale, and by the issue of debentures or debenture stock of the Company charged upon all or any part of the property of the Company (both present and future), including its uncalled capital for the time being, or without any such charge, or by the deposit of securities.

#### GENERAL MEETINGS.

47. The First General or Statutory Meeting of the Company shall be held at such time (not being more than twelve months after the registration of the Company), and at such place as the Directors may determine.

48. Subsequent General Meeting shall be held once in every year, at such time and place as may be determined by the Directors and shall be called Ordinary Meetings, and all other General Meetings of the Company shall be called Extraordinary Meetings.

49. The Directors may, whenever they think fit, convene an Extraordinary General Meeting, and Extraordinary General Meetings shall also be convened on a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for or in default, may be convened by such requisitionists. If at any time there shall not be within the Island of Ceylon sufficient Directors capable of acting to form a quorum, any Director, or any two members of the Company, may convene an Extraordinary General Meeting in the same manner as nearly as possible as that in which meetings may be convened by the Directors.

50. Seven days' notice at the least (exclusive of the day on which the notice is served or deemed to be served, but inclusive of the day for which notice is given), specifying the place, the day, and the hour of meeting, and in case of special business, the general nature of such business shall be given, either by an advertisement or by a notice sent by post or otherwise given as hereinafter provided; and with the consent in writing of all the members, a meeting may be convened by a shorter notice, and in any manner they think fit. The non-receipt of such notice by any members shall not invalidate any resolution passed at any such meeting.

51. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

#### PROCEEDINGS AT GENERAL MEETINGS.

52. The business of an Ordinary Meeting other than the first one shall be to receive and consider the accounts and balance sheets and to read the ordinary report of the Directors and Auditors, to declare a dividend, and elect Directors and other officers in the place of those retiring by rotation or otherwise, and to transact any other business which under these presents ought to be transacted at an Ordinary Meeting. All other business transacted at an Ordinary Meeting and all business transacted at an Extraordinary Meeting shall be deemed special.

53. No business shall be transacted at any General Meeting unless a quorum of members is present at the time when the meeting proceeds to business. Save as herein otherwise provided, three members present personally or by attorney shall be a quorum.

54. The Chairman (if any) of the Board of Directors shall be entitled to take the chair at every General Meeting, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or is unwilling to act as Chairman, the members present shall choose another Director as Chairman; and if no Director be present, or if all the Directors present be unwilling to take the chair, then the members present shall choose one of their number to be Chairman.

55. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of members, shall be dissolved. In any other case it shall stand adjourned to the same day next week, at the same time and place, and if at such adjourned meeting a quorum is not present, those members who are present shall be a quorum, and may transact the business for which the meeting was called.

56. The Chairman of a General Meeting may, with the consent of the meeting, adjourn the same from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more, notice of the adjourned meeting shall be given as in the case of the original meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

57. Every question submitted to a meeting shall, unless unanimously decided, be decided in the first instance on a show of hands by a majority of the members present in person and entitled to vote, and in the case of an equality of votes the Chairman shall, both on a show of hands and at a poll, have a casting vote in addition to the vote or votes to which he may be entitled as a member, on a show of hands a member present only by proxy shall have no vote, but they shall not apply to an attorney who is not a Shareholder.

58. At any General Meeting (unless as regards a special resolution or an extraordinary resolution, a poll is demanded by at least five members, and as regards an ordinary resolution a poll is demanded by the Chairman or by a member or members holding or representing by proxy or entitled to vote in respect of at least one-tenth part of the issued capital represented at the meeting), a declaration by the Chairman that a resolution has been carried, or carried by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the books of proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

59. If a poll is demanded as aforesaid, it shall be taken in such manner and at such time and place as the Chairman of the meeting directs, and either at once or after an interval or adjournment or otherwise, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

60. No poll shall be demanded upon any question of adjournment or as to the election of a Chairman.

#### VOTES OF MEMBERS.

61. On a show of hands, every member present in person shall have one vote; and upon a poll, every member present in person or by proxy or by attorney shall have one vote for every twenty shares held by him.

62. Any person entitled under the transmission clause to transfer any share may vote at any General Meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight hours at least before the time of holding the meeting at which he proposed to vote he shall satisfy the Directors of his right to transfer such shares, unless the Directors shall have previously admitted his right to vote at such meeting in respect thereof.

63. Where there are joint registered holders of any share, any one of such persons may vote at any meeting either personally or by proxy in respect of such share, as if he were solely entitled thereto; and if more than one of such joint-holders be present at any meeting personally or by proxy, that one of the said persons so present, whose name stands first on the register in respect of such share, shall alone be entitled to vote in respect thereof. Several executors or administrators of a deceased member in whose name any share stands shall, for the purpose of this clause, be deemed joint-holders thereof.

64. Votes may be given either personally or by proxy or by attorney.

65. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney, or if such appointor is a corporation under its common seal. No person shall be appointed a proxy who is not a member of the Company and qualified to vote, but a corporation being a member of the Company may appoint any one of its officers to be its proxy.

66. The instrument appointing a proxy and a power of attorney, if any, under which it is signed shall be deposited at the registered office of the Company not less than forty-eight hours before the time for holding the meeting or adjourned meeting, as the case may be, at which the person named in such instrument proposes to vote, but no instrument appointing a proxy shall be valid after the expiration of twelve months from the date of its execution.

67. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death of the principal, or revocation of the proxy, or transfer of the share in respect of which the vote is given, provided no intimation in writing of the death, revocation, or transfer shall have been received at the registered office of the Company before the meeting.

68. No member shall be entitled to be present, or to vote on any question either personally or by proxy or as proxy for another member, at any General Meeting or upon a poll, or be reckoned in a quorum, whilst any call or other sum shall be due and not paid to the Company in respect of any of the shares of such member.

69. An instrument appointing a proxy may be in the following form, or in any other form which the Directors shall approve:—
