15. *Survivor of Joint-Holders, other than a Firm, only recognized.*—In case of the death of any one or more of the joint-holders, other than a firm, of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to or interest in such shares.

16. *Liability of Joint-Holders.*—The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

17. *Trusts or any Interest in Share other than that of Registered Holder or of any Person under Article 38 not recognized.*—The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except an absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under Article 38 to become a Shareholder in respect of any share.

INCREASE OF CAPITAL.

18. *Increase of Capital by Creation of new Shares.*—The Company in General Meeting may, by special resolution from time to time, increase the capital by creation of new shares of such amount per share and in the aggregate, and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct.

19. *Issue of new Shares.*—The new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights, privileges, or conditions attached thereto, as the General Meeting resolving on the creation thereof or any other General Meeting of the Company shall direct; and in particular such shares may be issued with a preferential or qualified right to the dividends and in the distribution of assets of the Company, and with a special or without any right of voting. The Directors shall have power to add to such new shares such an amount of premium as they may consider proper.

20. *How carried into Effect.*—Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders, in accordance with their rights and subject in the case of preference shares or shares of any particular class to any limitations as to participating in any issue of shares which may attach to such preference shares or shares of such particular class, in proportion to the existing shares held by them. Such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them in payment for any estates or lands or other property purchased or acquired by the Company, or for services rendered or to be rendered to the Company, without first offering such shares to the registered Shareholders for the time being of the Company.

21. *Same as Original Capital.*—Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payments of calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise.

REDUCTION OF CAPITAL AND SUBDIVISION OR CONSOLIDATION OF SHARES.

22. *Reduction of Capital and Subdivision or Consolidation of Shares.*—The Company in General Meeting may, by special resolution, reduce the capital in such manner as such special resolution shall direct, and may, by special resolution, subdivide or consolidate the shares of the Company or any of them.

SHARE CERTIFICATES.

23. *Certificates how issued.*—Every Shareholder shall be entitled to one certificate for all the shares registered in his name, or to several certificates, each for one or more of such shares. Every certificate shall specify the distinctive number of the share in respect of which it is issued.

24. *Certificates to be under Seal of Company.*—The certificates of shares shall be issued under the seal of the Company.

25. *Renewal of Certificate.*—If any certificate be worn out or defaced, then upon production thereof to the Directors they may order the same to be cancelled and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

26. *Certificate to be delivered to the first named of Joint Holders not a Firm.*—The certificate of shares registered in the names of two or more persons not a firm shall be delivered to the person first named on the register.

TRANSFER OF SHARES.

27. *Exercise of Rights.*—No person shall exercise any right of a Shareholder until his name shall have been entered in the register of Shareholders, and he shall have paid all calls and other moneys for the time being payable on every share in the Company held by him.

28. *Transfer of Shares.*—Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

29. *No transfer to Minor or Person of Unsound Mind.*—No transfer of shares shall be made to a minor or person of unsound mind.

30. *Register of Transfers.*—The Company shall keep a book or books to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

31. *Instrument of Transfer.*—The instrument of transfer of any share shall be signed both by the transferor and transferee, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the register in respect thereof.

32. *Board may decline to register Transfers.*—The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company has a lien or otherwise; or to any person not approved by them.

33. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

34. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Rs. 2·50, or such other sum as the Directors shall from time to time determine, must be paid; and thereupon the Directors, subject to the powers vested in them by Articles 32, 33, and 35, shall register the transferee as a Shareholder and retain the instrument of transfer.

35. *Directors may authorize Registration of Transferees.*—The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

36. *Directors not bound to inquire as to validity of transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but, if at all, upon the transferee only.

37. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First General Meeting; also, when a dividend is declared, for the three days next ensuing the meeting; also at such other times as the Directors may decide, not exceeding in the whole twenty-one days in any one year.

TRANSMISSION OF SHARES.

38. *Title to Shares of Deceased Holder.*—The executors, or administrators, or the heirs of a deceased Shareholder shall be the only persons recognized by the Company, as having any title to shares of such Shareholder.

39. *Registration of Persons entitled to Shares otherwise than by Transfer.*—Any curator of any minor Shareholder, any committee of a lunatic Shareholder or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Company think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares on payment of a fee of Rs. 2·50; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

40. *Failing such Registration, Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under Article 39 shall not, from any cause whatever, within 12 calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder, no person shall, within 12 calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell the same either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same; the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SURRENDER AND FORFEITURE OF SHARES.

41. *The Directors may accept Surrender of Shares.*—The Directors may accept in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. (a) *If Call or Instalment be not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

(b) *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

(c) *In Default of Payment, Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

(d) *Shareholder still liable to pay Money owing at Time of Forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at 9 per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

43. *Surrendered or Forfeited Shares to be the Property of the Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

44. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company, in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

45. (a) *Certificates of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

(b) *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted or otherwise disposed of under Article 43 hereof shall be redeemable after sale or disposal.

46. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators or heirs, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

48. *Proceeds how applied.*—The net proceeds of any such sale as aforesaid under the provisions of Articles 43 and 47 hereof shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representatives.

49. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries that the power of sale given by Article 47 has arisen, and is exerciseable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

50. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

51. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution, determine.

52. *Modification of Rights and Consent thereto.*—If at any time, by the issue of preference shares or otherwise, the capital be divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares;
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

53. *Meeting affecting a Particular Class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

CALLS.

54. (a) *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares in respect of money unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

(b) *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Article 121.

(c) *Extension of Time for Payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest on the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in Anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

BORROWING POWERS.

57. *Power to Borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time, at their discretion, to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of One hundred thousand Rupees (Rs. 100,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures, or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

MEETINGS.

58. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

59. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

60. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the two last preceding clauses shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

61. *Extraordinary General Meetings.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-seventh of the number of Shareholders holding not less than one-seventh of the issued capital and entitled to vote.

62. *Requisition of Shareholders to state Object of Meeting; on Receipt of Requisition, Directors to call Meeting and in Default, Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called shall be addressed to the Directors, and shall be sent to the registered office of the Company. Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. *Notice of Resolution.*—Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64 (a) *Seven Days' Notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given either by advertisement in the *Ceylon Government Gazette* or by notice sent by post, or otherwise served as hereinafter provided, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting, provided, however, that holders of preference shares or shares of any particular class shall not be entitled to notice of any meeting at which by the conditions or provisions attached to such preference shares or shares of such particular class they shall not be entitled to attend or vote thereat.

64 (b). *Two Meetings convened by one Notice.*—Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

65. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat,

to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Directors and Auditors; and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been made in the notice or notices upon which the meeting was convened.

66. *Notice of other Business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

67. *Quorum to be Present.*—No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or the election of a Chairman, unless there shall be present in person at the commencement of the business two or more persons, being Shareholders, entitled to vote, or persons holding proxies or powers of attorney from Shareholders entitled to vote.

68. *If a Quorum not Present, Meeting to be dissolved or Adjourned; adjourned Meeting to transact Business.*—If at the expiration of half an hour from the time appointed for the meeting, the required number of persons shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. *Chairman of Directors or a Director to be Chairman of General Meeting; in Case of their Absence or Refusal, a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

70. *Business confined to Election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting, except the election of a Chairman whilst the chair is vacant.

71. *Chairman with Consent may adjourn Meeting.*—The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

72. *Minutes of General Meetings.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

73. *Votes.*—At any meeting every resolution shall in the first instance be decided by a show of hands. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder; and unless a poll be immediately demanded in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

75. *Poll how taken.*—If at any meeting a poll be demanded by notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned and the poll shall be taken at such time and in such manner as the Chairman shall direct; and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been taken shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

76. *No Poll on Election of Chairman or on Question of Adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

77. *Voting in Person or by Proxy or Attorney.*—Votes may be given either personally or by proxy or by attorney duly authorized.

78. *Number of Votes to which Shareholder entitled.*—On a show of hands every Shareholder present in person or by attorney duly authorized shall have one vote only. In case of a poll every Shareholder present in person or by proxy or attorney shall have one vote for every share held by him up to ten shares; he shall have an additional vote for every ten shares held by him beyond the first ten shares up to one hundred shares; an additional vote for every one hundred shares held by him beyond the first one hundred shares up to one thousand shares; and an additional vote for every two hundred and fifty shares held by him beyond the first one thousand shares. When voting on a resolution involving the sale of the Company's estates or any of them or any part or portion thereof or the winding up of the Company, every Shareholder shall have one vote for every share held by him.

79. *Curator of Minor, &c., when not entitled to Vote.*—The parent or curator of a minor Shareholder, the committee, or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such minor, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.

80. *Non-Shareholder not to be appointed Proxy; but Attorney though not Shareholder may vote.*—No person shall be appointed a proxy who is not a Shareholder of the Company, but the attorney of a Shareholder, even though not himself a Shareholder of the Company, may represent and vote for his principal at any meeting of the Company.

81. *Shareholder in Arrear or not Registered at least three Months previous to the Meeting not to Vote.*—No Shareholder shall be entitled to vote or speak at any General Meeting unless all calls due from him on his shares, or any of them, shall have been paid; and no shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, or person acquiring by marriage, shall be entitled to vote or speak at any meeting held after the expiration of three months from the registration of the Company, in respect of or as the holder of any share which he has acquired by transfer, unless he has been at least three months previously to the time of holding the meeting at which he proposes to vote or speak, duly registered as the holder of the share in respect of which he claims to vote or speak.

82. *Proxy to be Printed or in Writing.*—The instrument appointing a proxy shall be printed or written, and shall be signed by the appointor, or if such appointor be a corporation, it shall be under the common seal of such corporation.

Provided always that an instrument appointing a proxy may be signed by the attorney of the appointor duly authorized in writing under the hand or the common seal, as the case may be, of the appointor.

83 (a). *When Proxy to be deposited.*—The instrument appointing a proxy shall be deposited at the registered office of the Company not less than twenty-four hours before the time appointed for holding the meeting or adjourned meeting at which the person named in such instrument proposes to vote.
