By His Excellency's command,
Colonial Secretary's Office, **CECIL CLEMENTI,**
Colombo, October 10, 1924. Colonial Secretary.

Statement of Objects and Reasons.

At present the Ceylon Medical College Council is mainly concerned with the course of study and training of local medical students, and conducts the necessary examinations the passing of which is compulsory before a student can become a locally qualified medical man. Apart from control over the students of the Medical College, the College Council is brought into relation with all registered medical and dental practitioners in the Island, many of whom were trained elsewhere. The approval of the Council is necessary before they can be registered, and the Council has authority also to deal with complaints of unprofessional conduct, and may recommend in such cases, if they think fit, that His Excellency the Governor shall cause the name of the offender to be struck off the List of Registered Medical Practitioners or Dental Practitioners.

2. Of late years there has been a feeling amongst the general body of medical practitioners in the Island that the College Council was not sufficiently representative, and that it was better that it should deal with College matters only, and a separate Medical Council be formed to deal with matters affecting the profession as a whole. The College Council, whose Chairman is the Principal Civil Medical Officer, is in agreement with this idea.

3. It is proposed that the Registrar of the Medical College shall act as such for the new Council, as there is not sufficient work for a separate Registrar for the new Council. This is dealt with in section 9.

Attorney-General's Chambers, **L. H. ELPHINSTONE,**
Colombo, October 9, 1924. Attorney-General.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend "The Ceylon Medical College Ordinance, 1905."

WHEREAS it is expedient to amend "The Ceylon Medical College Ordinance, 1905": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Preamble.

1 This Ordinance may be cited as "The Ceylon Medical College (Amendment) Ordinance, No. of 1924."

Short title.

2 Section 4 of the principal Ordinance is hereby repealed, and the following shall be inserted in lieu thereof :—

Repeal of section 4 of the principal Ordinance and insertion of new section in lieu thereof.

4 The following persons shall be members of the Council, namely :

Constitution of Council.

- (1) The person for the time being discharging the duties of the Principal Civil Medical Officer ;
- (2) The person for the time being discharging the duties of Assistant or Deputy Principal Civil Medical Officer ;
- (3) The Senior Military Medical Officer for the time being stationed in Colombo ;

- (4) The Registrar for the time being of the Ceylon Medical College ;
- (5) A lecturer, nominated by the Governor, engaged in delivering lectures to students taking the courses for the pre-medical examination at the University College ;
- (6) A lecturer, nominated as aforesaid, engaged in delivering lectures to students taking the First Professional Courses ;
- (7) A lecturer, nominated as aforesaid, engaged in delivering lectures to students taking the Second Professional Courses ;
- (8) A lecturer, nominated as aforesaid, engaged in delivering lectures to students taking the Third or Final Professional Examination Courses.

Amendment
of section 6 of
the principal
Ordinance.

3 Section 6 of the principal Ordinance is amended by striking out the word and figure " and (7) " and inserting in lieu thereof the figures and word " (7) and (8). "

By His Excellency's command,

Colonial Secretary's Office,
Colombo, October 10, 1924.

CECIL CLEMENTI,
Colonial Secretary.

Statement of Objects and Reasons.

THE Council of the Ceylon Medical College supervises the work of the Ceylon Medical College; it also acts as a disciplinary body, and deals with other matters connected with the medical profession. For that reason representatives of the medical profession were by section 4 of the principal Ordinance put upon the Council; but it is now proposed to have a Medical Council dealing with the concerns of the medical profession separate from the Council of the Ceylon Medical College. It is therefore no longer necessary to have on the Ceylon Medical College Council representatives of the medical profession as such, and for that reason the amendments to section 4 of the principal Ordinance, which appear in the new section 4 proposed to be inserted by section 2 of the Bill, have been made.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance further to amend "The Cattle Ordinance, 1898."

Preamble.

WHEREAS it is expedient further to amend "The Cattle Ordinance, 1898": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Cattle (Amendment) Ordinance, No. of 1924."

2 (1) Paragraph (3) of section 5 of the principal Ordinance is amended by striking out all after the word "permit" in line 3 thereof, and inserting in lieu thereof the words "in the prescribed form."

Amendment of section 5 of the principal Ordinance.

(2) Paragraph (4) of section 5 of the principal Ordinance is amended by striking out the words "and of permits in the form B" in lines 1 and 2 thereof.

3 Form B in the schedule to the principal Ordinance is hereby repealed.

Repeal of Form B in the schedule to the principal Ordinance.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, October 10, 1924.

CECIL CLEMENTI,
Colonial Secretary.

Statement of Objects and Reasons.

COMPLAINTS have been made that the regulations which may be made under paragraph (3) of section 5 of the principal Ordinance for prohibiting the removal of cattle except upon a permit are not sufficiently elastic, and that it would be in the interest of owners of cattle if the rigidity of those regulations could be lessened by allowing of permits to be issued otherwise than by headmen as is the case under the existing law.

With this object it is proposed to repeal Form B in the schedule to the principal Ordinance, which makes it impossible to give effect to the objects above indicated.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance further to amend "The Small Towns Sanitary Ordinance, 1892."

WHEREAS it is expedient further to amend "The Small Towns Sanitary Ordinance, 1892": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Preamble.

1 This Ordinance may be cited as "The Small Towns Sanitary (Amendment) Ordinance, No. of 1924."

Short title.

2 Section 5 of the principal Ordinance is amended in the following respects :

Amendment of section 5 of the principal Ordinance.

(a) By adding after the word "Surgeon" in line 5 of sub-section (1) (b) thereof the words "or, if the Governor so directs by notification in the 'Government Gazette,' a member of the Sanitary Commissioner's Department in place of such Provincial Surgeon";

(b) By adding after the word "stationed" in line 6 of sub-section (1) (c) thereof the words "or, if the Governor so directs by notification in the 'Government Gazette,' a member of the Sanitary Commissioner's Department in place of such senior officer of the Medical Department."

By His Excellency's command,

Colonial Secretary's Office,
Colombo, October 10, 1924.

CECIL CLEMENTI,
Colonial Secretary.

Statement of Objects and Reasons.

IN some cases it is thought that power to appoint members of the Sanitary Commissioner's Department as official members would be in the interests of areas falling within the administrative limits of Sanitary Boards.

2. Under section 5 (1) (b) and (c) of Ordinance No. 18 of 1892 the Provincial Surgeon or senior medical officer is named in the Ordinance as a member of every Sanitary Board, so that, under the existing law, a Sanitary Officer could only be appointed as a nominated member of a Sanitary Board. But it is not desired to increase the number of officials on such Boards, and consequently it is proposed by this Bill that the Governor should be given power to substitute a member of the Sanitary Commissioner's Department for the Provincial Surgeon or senior medical officer of the district, as the case may be.
