### DRAFT ORDINANCES.

#### MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

**An Ordinance to declare the Batticaloa Waterworks to be vested in the Ceylon Government.**

**W**HEREAS an arrangement for the construction of waterworks at a total cost of one hundred and forty-six thousand rupees for the use of the Local Board town of Batticaloa was made in the year 1914 between the Government and the Local Board of Batticaloa:

Preamble.

And whereas it was a term of the said arrangement that the Government should contribute the sum of eighty-four thousand rupees towards the cost of construction and that the balance was to be met by the Local Board out of a loan of sixty-two thousand rupees to be made to the said Board by the Government and to be repaid by a sinking fund at the rate of two and half per centum per annum together with interest at the rate of three and half per centum per annum:

And whereas the said waterworks were duly constructed by the Government and were handed over to the said Local Board as from the thirty-first day of March, 1917:

And whereas in the year 1918 by agreement with the Government the said Local Board handed over the property in, and the management and control over, the said works to the Government on the terms that the Government should provide such a water supply for the use of the said town as circumstances would permit and that the proceeds of the water-rate to be levied by the Local Board under the provisions of section 44 of Ordinance No. 13 of 1898 should be paid by the said Local Board to the Government and that the Local Board should be relieved of the liability for payment of interest and sinking fund on the loan aforesaid:

And whereas it is desirable to make fit and proper provision with a view to removing any doubts as to the respective rights and duties of the Government and of the said Local Board in the premises:

Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title and commencement.

1 This Ordinance may be cited as "The Batticaloa Water works Ordinance, No. of 1924," and shall come into operation on a date to be fixed by the Governor in Executive Council by Proclamation in the "Government Gazette."

Transfer of Batticaloa Waterworks to Ceylon Government.

2 (1) The waterworks, hereinbefore referred to, constructed by the Government for the use of the Local Board town of Batticaloa and the land on which the said works stand shall belong to and be vested in the Government, and all tanks, reservoirs, cisterns, fountains, wells, aqueducts, conduits, tunnels, pipes, pumps, or other waterworks existing at the commencement of this Ordinance, or afterwards made, laid, or erected, and whether made, laid, or erected at the cost of the Government or otherwise, and all rights, servitudes, bridges, buildings, engines, works, materials, and things connected therewith or appertaining thereto, shall be vested in the Government.

(2) The Government shall have the right of breaking open the soil at any place, including the right of digging up and opening any street, road, or lane, for the purpose of constructing, laying, altering, or repairing any part of the said waterworks: Provided that the Government shall with all convenient speed, after such work has been completed, restore the ground broken open to its former condition.

Duty of Government to supply water within Local Board limits.

3 (1) Subject to the performance by the said Local Board of the obligations undertaken by, or imposed on, them under this Ordinance, the Government shall provide a supply of drinking water within the Local Board town of Batticaloa, and shall for that purpose cause such pipes to be laid, and such tanks, reservoirs, or other works to be made, as are necessary for the supply of wholesome water in the public streets of the Local Board town of Batticaloa, and shall erect in such streets convenient standpipes, fountains, open reservoirs, or pumps for the gratuitous use of the inhabitants of the said Local Board town of Batticaloa for domestic purposes. It shall also, subject to the performance of the obligations of the said Local Board hereinbefore mentioned, be the duty of the Government, as far as possible, to make adequate provision that such supply of water shall be continuous throughout the year, and that the water supplied shall be at all times fit for human consumption.

(2) A supply of water for domestic purposes shall not include a supply of water for horses or cattle or for washing vehicles, where such horses, cattle, or vehicles are kept for sale or hire, or a supply for any trade, manufacture, or business, or for fountains or swimming baths, or for any ornamental or mechanical purpose, or for purposes of irrigation.

(3) The Government may supply water for other than domestic purposes, or allow a private service of water to any house for domestic purposes, in such quantities and upon such terms and conditions as may be agreed upon between it and the persons desirous of being so supplied.

Imposition of water-rate and relief of Board from repayment of loan.

4 (1) As a contribution to the cost and maintenance of the said waterworks, the said Local Board agrees, and it is hereby empowered, to impose, annually, a water-rate on the annual value, ascertained in the manner provided by section 31 of "The Local Boards Ordinance, 1898," of all houses, buildings, lands, and tenements within the limits of the Local Board town of Batticaloa. Such rates shall be imposed on or before the thirty-first day of December in each year, or on such other date as may be fixed by agreement between the Government and the said Local Board.

(2) The amount of such water-rate shall be fixed from time to time by the Governor in Executive Council, but shall in no case exceed six per centum on such annual value as aforesaid, and shall be paid and recovered in the same manner as the police tax is directed to be paid and recovered under "The Police Ordinance, 1865," as amended by any subsequent enactment, and shall be subject in all respects to the provisions of that Ordinance as amended as aforesaid relating to the

payment and recovery of such police tax. The Government Agent of the Eastern Province shall collect and recover such rate, and shall pay it into the Colonial Treasury.

(3) And it is hereby declared and agreed that in consideration of, and subject to the performance of their obligations under, the agreement above set forth, the said Local Board shall be relieved from all and every liability to repay to the said Government the loan of sixty-two thousand rupees hereinbefore recited, or any part thereof, or to pay any interest, or make any contribution towards any sinking fund, in respect of the said loan.

5 The Governor in Executive Council may, by notification in the "Government Gazette," exempt either wholly or partially from the said water-rate any premises, which, in his opinion, are not sufficiently supplied with water from such waterworks, and may from time to time revoke such exemption.

Exemption from payment of water-rate.

6 In the event of the said Local Board refusing, neglecting, or failing to impose a water-rate as hereinbefore provided, it shall be lawful for the Governor in Executive Council to impose such water-rate and to empower the Government Agent of the Eastern Province to collect and recover the water-rate in the manner and subject to the same conditions as if such water-rate had been duly imposed by the said Local Board.

Procedure on failure of Local Board to impose water-rate.

7 The obligations under this Ordinance imposed on, or undertaken by, the said Local Board shall be transferred to and carried out by any successor of the Board constituted under "the Local Government Ordinance, No. 11 of 1920," or any Ordinance amending the same.

Obligations of Board to be carried out by successor.

By His Excellency's command,

Colonial Secretary's Office,  
Colombo, November 10, 1924.

CECIL CLEMENTI,  
Colonial Secretary.

*Statement of Objects and Reasons.*

THE facts relating to the construction of the Batticaloa Waterworks are set out in the Preamble to the Bill. They were constructed for the Local Board of Batticaloa by Government and handed over to that power in March, 1917; but as difficulty was experienced by the Board in running the business of water supply in the town, an arrangement was made, as stated in the preamble, for Government to take over the management and control of the waterworks.

This arrangement was made somewhat informally, and the relations between Government and the Local Board with reference to the works and the water supply are not altogether free from doubt; and after consultation with the Local Board and obtaining its consent, Government has decided to introduce this Bill so as to regularize the whole position.

By section 2 of the Bill the waterworks are handed over to Government and power is given to do all necessary repairs to the works; while by section 3 (1) the duty is thrown upon Government of supplying drinking water for the town by means of standpipes, &c., for domestic purposes. What are domestic purposes is defined in section 3 (2) of the Bill; while by section 3 (3) Government is empowered to enter into special agreements to supply water for other than domestic purposes or to allow a private service of water for domestic purposes to any house.

In return for the service of water to the town and for being relieved from the liability to pay the loan of Rs. 62,000 mentioned in the preamble to the Bill, provision is made by section 4 for the raising and payment of a water-rate into the Colonial Treasury; while by section 6 power is taken to deal with in case of the Local Board failing to carry out its obligations under section 4.

By section 5 power is given to the Governor in Executive Council to exempt from payment of water-rate any premises insufficiently supplied with water from the works; and by section 7 the duty is imposed on any successor of the Board to carry out the obligations of the latter.

Attorney-General.
