MUNICIPALITY OF GALLE.

Minutes of Proceedings of a General Meeting of the Municipal Council of Galle held in the Municipal Office on March 14, 1925, at 2 p.m., pursuant to Notice dated March 9, 1925.

Present:—Mr. T. B. Russell, Chairman; Mr. D. G. Goonewardene, M.B.E.; the Hon. Mr. H. M. Macan Markar; Mr. D. W. Subasinghe; Mr. C. E. de Vos; Mr. J. E. Perera; Mr. D. I. Durham; Mr. C. L. Wickramasinghe; Dr. E. P. Aserappa; and Mr. S. W. Dassanaikie.

1. The Minutes of the General Meeting of February 14, 1925, a copy thereof having been furnished to each Member were taken as read and confirmed.

2. Mr. D. W. Subasinghe presented a petition from S. L. O. L. Marikar of No. 45, Church street, praying to be exempted from the payment of poll tax, on the grounds that he is over 55 years of age. The petition was read and the Council was agreed that the petitioner should be exempted for life.

3. Mr. D. G. Goonewardene presented a petition from certain residents of Noswatta and Radagodde asking for a road through the hamlet and for water and lights. Mr. Goonewardene recommended the opening of a road from Jail road past the Radagodella temple to Kandewatta road. The land for the purpose will be given free.—Resolved that the Superintendent of Works be asked for an estimate.

4. Monthly meeting of the Municipal Council for April—Resolved that the General Meeting of the Municipal Council be held on April 25, instead of April 11, which is a public holiday.

5. Pursuant to notice, Mr. D. W. Subasinghe asked—(1) Have any objections been received at this office against Captain Eastman's appraisal? If so, how many?

The Chairman replied—Yes. 142 objections have been received.

(2) Were the objections received investigated by the Chairman? If so, with what results?

Reply: If by "investigated" is meant the holding of a formal inquiry as apparently contemplated by section 117 of Ordinance No. 6 of 1910, I have not investigated the objections. But each letter or petition received by me was considered by me personally *in camera*, with the help of whatever material there was in the office, and particularly the assessor, Mr. Eastman's notes. That has been the invariable practice for the last 7 years at least, including the last re-assessment of 1919.

(3) Has the Council any intention of printing the Council's by-laws? If so, will they be printed only in English, or—as is desirable—in Sinhalese and Tamil as well? When were they last printed?

Reply: The Council, to my knowledge, has no intention of having the by-laws printed till they are revised. They were last printed in 1903.

(4) If the subject has not been considered, will the Chairman be pleased to call for an estimate for the purpose, as an early reprint of the Council's by-laws is urgently required only a very few copies of the by-laws being now available? Has the office any copies for sale?

Reply: I will call for an estimate if the Council so requires it. There are no copies for sale in the office.

6. Pursuant to notice, Mr. D. W. Subasinghe was to have moved—"That the appointment of an officer to raise the price of fish at the Fish Auction Shed be discontinued"; but, with the leave of the Council, he withdrew the motion upon being informed by the Chairman that there is no officer appointed for the purpose.

The Chairman agreed to put up a notice to this effect in the fish auction shed.

7. Pursuant to notice, Mr. J. E. Perera moved—(1) That Government be informed of the urgent necessity of widening the narrow portions of the Galle high street, which is a trunk road in charge of the Public Works Department, and forms the main thoroughfare through the town; and that Government be requested to set apart a sum of money from the surplus balances for the carrying out of the said urgent work. Mr. C. L. Wickramasinghe seconded, and Mr. D. W. Subasinghe supported the motion.

Mr. D. G. Goonewardene moved, as an amendment—“That application be made to Government for a share of the surplus balances of the Colony for the Municipal Council, but that when obtained it should be applied to the duplication of the main from Hiyare.” Mr. C. E. de Vos seconded the amendment.

The Chairman and the Hon. Mr. H. M. Macan Markar spoke to the motion.

Mr. S. W. Dassanaikie suggested a 50-ft. road along the harbour front as being cheaper than the cost of acquisition for widening the trunk road.

Mr. D. W. Subasinghe moved, as a further amendment,—“That this Council, whilst urging on Government the necessity of widening without delay the trunk road belonging to Government, from the Galle esplanade to the bridge over the Waggalmodera, appeals to Government to grant out of the surplus balances of the Colony a sum of money sufficient to carry out a most urgent work in Galle, viz., the duplication of the main in the water scheme originally carried out by Government for the Council and which now is found to be totally inadequate.”

Mr. D. G. Goonewardene, with the leave of the Council withdrew his amendment, and Mr. J. E. Perera withdrew his motion.

The second amendment, which now became the substantive motion, was seconded by Mr. D. G. Goonewardene and carried.

8. With the leave of Council, Mr. J. E. Perera withdrew the following motion of which he had given notice—“That the Superintendent of Police be requested to make a census of the in-coming and out-going traffic in detail, such as bullock carts, carriages, and motor vehicles on the Galle-Matara road at the triangle junction of the Galle high street, with a view to gauging the volume of traffic on that road.”
