(b) *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

(c) *In Default of Payment Shares to be Forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

46. (a) *Certificates of Surrender or Forfeiture.*—A certificate in writing, under the hands of two of the Directors and of the agent or secretary or agents or secretaries, that a share has been duly surrendered or forfeited stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

(b) *Forfeiture may be Remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 44 hereof, shall be redeemable after sale or disposal.

47. *Company's lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares, held by such holder, or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived: and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any moneys due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

48. *Lien how made Available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

49. *Proceeds how applied.*—The nett proceeds of any such sale as aforesaid under the provisions of Articles 44 and 48 hereof shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) shall be paid to such Shareholder or his representatives.

51. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

52. *Preference and deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference) or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time, by special resolution determine.

53. *Modification of Rights and Consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any other accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions consent thereto, on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provision of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

54. *Meeting affecting a particular Class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof, or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

CALLS.

55. (a) *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors provided that two months' notice at least shall be given to Shareholders of the time and place appointed for payment of each call.

(b) *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or by resolution in writing in terms of Article 120.

But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

56. *Interest on unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalment shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

57. *Payments in Anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

BORROWING POWERS.

58. *Power to borrow.*—The Directors shall have power from time to time, in the usual course of business, such temporary advances as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, but so that the amount at any one time owing in respect of moneys so borrowed or raised shall not without the sanction of a General Meeting, exceed the sum of Two hundred thousand Rupees (Rs. 200,000). With the sanction of the General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may for the purpose of securing the re-payment of any such sum or sums of money so borrowed or raised, create, and issue any mortgages, debentures, mortgage debentures,

debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes, or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the agent or secretary or agents or secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall as regards the creditor be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

Mr. Grocock was also thanked for his valuable report on the improvements to the water supply.

5. Pursuant to notice, Mr. Ratwatte asked—Will the Chairman be pleased to ask the Superintendent of Municipal Works to furnish an estimate to build the pavement of Trincomalee street from the junction of Hill street up to the end of Trincomalee street, in a manner similar to the pavements now being built, with a view to the estimate being included in the Budget for next year?

The Chairman replied in the affirmative.

6. Pursuant to notice, Mr. Wijayatilake asked—(1) Will the Chairman be pleased to state if the fish stalls at the Municipal Market are supplied with lake water?

(2) If the answer is in the affirmative, will the Chairman be pleased to order the Superintendent of Works to take immediate steps to connect the pipes laid to the fish stalls to the main from the Reservoir?

(3) Is the Chairman aware that complaints have been made by certain residents that lake water is used at the market for washing vegetables?

(4) If these complaints are based on truth, will the Chairman be pleased to order the Superintendent of Works to submit estimates for supplying four additional water taps connected to the main from the Reservoir for the section of the market where vegetables are sold, and close daily the water taps connected to the main from the lake after the flushing of the drains?

(5) Will the Chairman be pleased to state how many scavenging carts are used daily by the Municipal Council?

(6) Have any of them been condemned by the Medical Officer of Health? Will the Chairman be pleased to obtain a report from him as to their present condition for the next Meeting of the Council?

In regard to (1) to (4) the Chairman stated that the fish stalls had been supplied with lake water for a considerable number of years. He supposed because fish is boiled and eaten, there is no danger in using lake water. There was, however, no necessity for using lake water for vegetables as there is a very good fountain in the middle of the market supplied with Reservoir water.

As regards (5) and (6) the Chairman replied that the number of scavenging carts employed by the Council was 29.

An estimate of Rs. 8,800 for carts of the type suggested by the Medical Officer of Health was before the Council from time to time, but not passed for want of funds. It is for the Council to consider whether this estimate should be adopted at the next Budget Meeting.

7. Pursuant to notice, Mr. De Silva moved—That a boutique-keeper be allowed to store grain not exceeding 10 bushels in quantity at any one time, whether for consumption or for sale, in rat-proof bins approved by the Medical Officer of Health, and that Government be requested to amend the existing regulations to give effect to this resolution; and that any person acting in contravention of this rule shall be guilty of an offence against the provisions of the Ordinance No. 3 of 1897, and shall on conviction be liable to the punishment therein provided. Mr. Wijayatilake seconded.

Mr. Ratwatte referred to the Government regulations published in August, 1925, relating to the storage of grain and suggested in accordance with these rules that the grain boutiques be allowed to store 5 bags instead of 10 bushels as proposed in the resolution.

This was agreed to and the resolution adopted unanimously.

8. Pursuant to notice, Mr. De Silva moved—That this Council do appoint a Special Committee to report from time to time on the working of the Electricity Department, and that the Government Electrical Adviser be requested to furnish half-yearly reports on the installation and its working for the information of this Council.

Mr. Grocock seconded. The resolution was carried and the following Special Committee was adopted:—

The Chairman, Provincial Engineer, Dr. Hay, and the mover.

9. Pursuant to notice, Mr. Wijayatilake moved—That the Katukelle Model Tenements and the road leading to same be supplied with electric lights—the tenements each with two lights, and the road with a few standard lights. Mr. De Silva seconded.

It was agreed to consider the matter at the Budget Meeting.

10. Papers *re* confirmation of Mr. H. F. Mottram as Municipal Electrical Engineer.

Resolved that Mr. H. F. Mottram be confirmed in his appointment as Municipal Electrical Engineer.

11. Application for one year's leave from Dr. P. R. Tennekoon, Medical Officer of Health to proceed to England to obtain the D. P. H. qualification.

Resolved that Dr. P. R. Tennekoon be allowed one year's leave to obtain his qualifications and that Dr. G. W. Karunaratne be asked whether he was prepared to act as Medical Officer of Health during the absence of Dr. Tennekoon on leave on an allowance of Rs. 2,000 per annum.

S. C. (A).

(1) That by-law 219B closing Jail road to motor traffic during certain hours be repealed.

(2) That the schedule to the proposed by-law closing certain roads to motor buses and lorries be approved.

S. C. (B).

(4) That it be recommended that licences be issued for the sale of rice from rat-proof bins approved by the Medical Officer of Health to hold not more than five bushels, and that in all boutiques where rice is kept, no rice shall be stored except in rat-proof bins to hold five bushels. Mr. Vanderwall to draw up a by-law to this effect.

(5) That the Katugastota Scavenging Contractor be paid Rs. 10 per mensem extra for the additional work that has to be now done owing to the recently constructed drains, with effect from August 1, 1926.

S. C. (C).

(6) That Muttu Veeran, night soil cooly be paid a gratuity of Rs. 108.99.

(10) That the following estimates be approved:—

(b) Lighting of Free Library, Rs. 160.

Resolved that the recommendations be adopted with the exception of (8) which was deferred for the present, and (4) in view of resolution No. 7.

Mr. Pieris dissented to the adoption of (3).

MUNICIPALITY OF KANDY.

Notice regarding Rabies.

NOTICE is hereby given that in view of the existence of rabies in Kandy, the following regulations will be enforced within the limits of the Kandy Municipality from and after the date hereof until further orders.

By order, J. R. JAYETILEKE,
Secretary.

Municipal Office,
Kandy, December 22, 1926.

Regulations framed under Section 9 of the Rabies Ordinance, No. 7 of 1893.

1. Every owner of a dog shall cause such dog to be muzzled or led by a chain, when in any public road or place. The muzzle shall be so constructed as to render it impossible for the dog while wearing the same to bite any person or animal, but not so as to prevent the dog from breathing freely or lapping water.

2. A dog shall not be considered effectually controlled unless muzzled as above or led by some competent person by means of a chain and collar, the latter to be securely fastened to the dog's neck.

3. Any dog not effectually controlled found in any public road or place may be (a) destroyed by any person specially authorized thereto by the local authority, or (b) seized by any police officer or any person duly appointed for the purpose by the local authority. If seized, a dog shall be removed to such place as may be appointed, there to be dealt with in the following manner :—

- (i.) If the dog is affected with, or suspected of, rabies, it shall forthwith be slaughtered.
- (ii.) If the dog is not affected with, or suspected of, rabies, it shall be detained in any place appointed.
