Section 4.—Delete the words “ but may count for a long service allowance granted under section 29 of this Minute.”

Section 27.—Public servants drawing a salary at a yearly or monthly rate whose service has been entirely in a non-pensionable office may be awarded a retiring allowance not exceeding three-fourths of the amount payable under section 2.

Provided that to become eligible for an allowance under this section an officer shall have been reported by a Medical Board, nominated by the Director of Medical and Sanitary Services, to be permanently unfit for further active service, or shall be retired on abolition of office after serving continuously for a period of not less than fifteen years.

Provided further, that this privilege shall not be held in any way to interfere with the power of the Governor to dispense with the services of any such officer, or to reduce his salary in case of reorganization or abolition of office ; and no claim to any additional grant on account of such reduction or abolition shall in any case be recognized. Any such officer shall continue to be liable to suspension, dismissal, or removal from office in the same manner as if this section did not exist.

Provided also that an assistant shroff shall not be debarred from the benefits of this section or section 28 or section 4 by reason of the fact that he has been nominated by and holds or has held office at the pleasure of a shroff, and that an assistant shroff compulsorily retired on a change of shroffs shall be deemed to have been retired on abolition of office for purposes of this section. In the case of officers of the age of 60 years no Medical Board need be appointed, but the Head of the Department should furnish proof that the officer is 60 years of age or over.

Section 29.—Daily paid employees with continuous service of fifteen years and upwards may, if the Governor be satisfied from the report of a Medical Board, to be nominated by the Director of Medical and Sanitary Services, that they are physically unfit to discharge the duties of their offices owing to infirmity either of mind or body, be awarded gratuities calculated at the rate of 1/18th of a month's pay for each complete month's service.

In the case of officers of the age of 60 years no Medical Board need be appointed, but the Head of the Department should furnish proof that the officer is 60 years of age or over.

Provided that the service of daily paid employees in the Public Works Department shall be deemed to have been continuous, if the only breaks therein were occasioned by periods of employment on “ agreement work ” though such periods shall not count as service in calculating the amount of gratuity which may be awarded. It shall, moreover, be competent for the Governor, with the advice of the Executive Council, to award such gratuities in other cases in which the service has not been continuous.

In the case of a daily paid employee who dies whilst still in the service, or on leave, and who at the time of his death would, if he had retired, have been eligible for a gratuity under this section, the gratuity that would in the ordinary course have been paid to him had he retired may be paid to his widow or next of kin.

Sale of Timber.

THE under-mentioned timber lying at Tamblegam Depôt will be sold by public auction on the spot by the Divisional Forest Officer, Eastern Division (North), Trincomalee, on Wednesday, April 27, 1927, at 2 P.M.

2. The list of the timber is available for inspection at the Divisional Forest Office, Trincomalee.

3. Further particulars can be obtained from the Divisional Forest Office, Trincomalee.

Conditions.

(a) The timber will be put up either singly or in lots to suit buyers at a rate per cubic foot, and no advance of less than 10 cents per cubic foot will be recognized.

(b) The highest bid will be accepted, subject to the approval of the Conservator of Forests. The highest bidder will be declared the purchaser, and on being so declared shall sign his name in the register of sale in admission of such purpose, and deposit the necessary amount.

(c) Twenty-five per cent of the bids to be deposited on conclusion of the sale. The balance should be paid within ten days of the intimation of the approval of sale by the Conservator of Forests, when a permit for removal will be issued.

(d) The measurements as recorded by the Divisional Forest Officer must be accepted, but prior to date of auction any prospective bidder is at liberty to check the measurements and to represent any difference promptly.

(e) All timber sold, and the full price bid of which has been paid, must be removed from the depôt within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchaser until removed. A charge of Re. 1 per log per week is liable to be made for any logs not removed within ten days of acceptance of bid. Logs not removed from the depôt within one month are liable to be forfeited to the Crown.

(f) Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay twenty-five per cent of his bid when so required, and refuse or fail to remove the timber within the time specified in clause (e) above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the resale, which, if an enhanced price is realized at such resale, he shall, however, have no claim to the profit, which shall accrue to Government.

(g) Agents bidding for others will be required to produce written authority from the firm or person for whom they bid; such authority will be retained by the Divisional Forest Officer, and will hold good only at the particular sale at which it is produced.
