By His Excellency's command,

Colonial Secretary's Office,  
Colombo, March 3, 1926.

A. G. M. FLETCHER,  
Colonial Secretary.

## AMENDMENTS REFERRED TO.

Clause 54.—Alter to read as follows :—

In schools in which adequate provision is made for systematic instruction in vernacular language and literature, grant may be paid at the rate of Rs. 5 for each pupil who passes the annual test in each standard or stage from Standard IV. to the V. S. L. C. Class according to Schedules A and B of the Code for Assisted Vernacular Schools. Provided that no grant is paid twice to the same pupil in the same standard.

Clause 63.—Delete "Ceylon" in last line.

Clause 64.—Delete "Ceylon" in line 3.

Clause 68.—In line 5 substitute "second class provisional" for "third class"; in last line omit "elementary school."

Clause 69 (paragraph 2).—Substitute "second class provisional" for "third class."

Clauses 71 and 72.—Substitute the following :—

Graduates who have completed an approved course of training will on passing the final examination be regarded as trained graduate teachers.

Grants.—In the amendments relating to the payment of grants published in *Gazette* No. 7,489 of October 2, 1925.—

Add the following to section 2 :—

In the event of any teachers voluntarily agreeing to be employed under a Manager on a salary less than that provided in these scales, such cases must be submitted to the Department for approval before any grant can be paid towards the salaries of such teachers.

Add the following to section 5 :—

G.O. 119. In the case where the salary drawn by a teacher at the time of promotion is not less than the minimum salary of his new grade, he will continue to draw his former rate of salary in his new grade, and the period qualifying for the first increment is to be reckoned from the date on which he began to draw that rate of salary. His first increment will be of such amount as will bring his salary to the next incremental step in the scale of the salary of the new grade.

Substitute the following regulations for those relating to the same subjects in the Code for Assisted English Schools :—

*Classification and Grading.*

1. Schools are classified as boys' schools, girls' schools, and mixed schools.
2. English schools are graded as Elementary, Higher Grade, and Secondary.  
An *Elementary* English school is a school which provides a course of instruction up to the E. S. L. C.  
A *Higher Grade* school is a school which provides the course of instruction for Elementary schools, and in addition a further course up to the standard of the Matriculation Examination or a special course approved by the Department.  
A *Secondary* school is a school which provides a course of instruction up to the standard of the London Matriculation Examination including any special courses approved by the Department.  
A Secondary school may frame its own syllabus of work and submit it to the Director for approval before the beginning of each school year.
3. No application for a change of class or grade of a school will be considered except at the annual inspection. Such applications may be approved provisionally and may be confirmed or cancelled at the subsequent annual inspection.
4. In deciding upon the reclassification or regrading of a school, consideration will be given to the effect which such reclassification will have upon the neighbouring Government or Assisted schools.

*Recognition and Registration.*

1. Schools which are certified by the Director as providing adequate and suitable instruction under clause 25 of Ordinance No. 1 of 1920 are called "Recognized schools."
2. Schools which are in receipt of Government grant are called "Registered Schools."
3. It shall be the duty of any person who desires to open a school to report particulars of such a school to the Director at least one month before its opening. Such a school will be recognized provisionally until such time as it is inspected.
4. The first inspection will be held after the school has been in session for at least three months.
5. At the first inspection a report will be made as to whether the school is (a) unfit for recognition, or (b) fit for recognition, or (c) fit for registration.
6. If a school is considered fit for registration and if an application for registration has been made by the Manager, such application will be gazetted for observations to be received within thirty days.
7. A school will be inspected about twelve months subsequent to the first inspection, and if it has maintained the conditions for registration, as defined below, it may be registered as an Assisted school. Notification to this effect will appear in the *Government Gazette*.
8. If the registration is refused the Manager will be informed of the reason for this refusal.
9. No school will be registered when there already exists a school of the same class and grade within one mile of the new school without some intervening obstacle, unless the average daily attendance of eligible pupils of the new school for the previous twelve months exceeds 20. But in any case, however large the attendance, no new school will be aided within a quarter of a mile of an existing registered school of the same class, except in towns and in such other places as may, in the discretion of the Director, justify exceptional treatment. The attendance of children transferred during one year subsequent to the date of the first inspection from existing Government or Assisted schools within a one-mile limit will not be counted.

11. Applications to change the site of a registered school, if approved by the Director, will be notified in the *Government Gazette*, but no such change will take effect before thirty days after such publication.

12. The following conditions for registration must be observed :—

(a) *Accommodation.*—The accommodation, furniture, and apparatus must be sufficient. All rooms used for teaching purposes must be well lighted and ventilated and protected from sun and rain. Classes must not be held in portions of buildings which are not shaped so as to allow of the class being arranged properly for teaching purposes. Class rooms must provide 13 square feet for each pupil on the register. No room will be accepted as suitable in which the length or breadth is less than 9 feet. The number of desks provided must be sufficient to allow all the classes to be seated for writing work simultaneously; desks must be of suitable height and the furniture in general must be adapted to the physical requirements of the pupils. The sanitary condition of the school must be satisfactory.

(b) *Admission, &c., of Pupils.*—(i.) The names of all pupils above the age of 5 attending the school must be entered in the Admission and Attendance Registers. The rules for preparing these registers must be carefully carried out.

(ii.) No pupil, born in Ceylon, shall be admitted into any Government or Assisted English school unless he has produced a birth certificate or other satisfactory evidence of date of birth. Forms of application for birth certificates at the special rate of 50 cents sanctioned for schools can be obtained from the Registrar-General or from the Provincial Registrar and must be kept in the school. In the case of pupils born out of Ceylon it will be expected that similar evidence will be procured within a reasonable period.

(iii.) No pupil who has previously attended any Government or Assisted English or Anglo-Vernacular school shall be admitted into any Government or Assisted school unless he has produced a certificate in the prescribed form (P), signed by the Manager or Principal of the last Government or Assisted school which he has attended. This certificate must be retained by the Manager or Principal of the school which the pupil is attending, and when the pupil is withdrawn it must be brought up to date and handed over to the parent or guardian or any person authorized in writing by the parent or guardian to receive it. It may not be refused except on the ground of non-payment of school fees, arrears of which may not be claimed for more than three months.

(iv.) In lieu of notice of withdrawal, school fees may be claimed only up to the end of the current term.

(v.) (a) No pupil shall be admitted into an English school from a Government or Assisted Vernacular or Anglo-Vernacular school who has not passed a vernacular standard not lower than the third. This rule will not be applied to pupils who are admitted as boarders into English schools, nor to children admitted to the Infant Departments of English schools under the conditions of clause 19 (2).

(b) Cases in which difficulty is caused by a change of residence on the part of the parent may be submitted to the Inspector for special consideration.

(c) It shall be the duty of every Principal of an English school, within one month after admission of such pupil, to draw up and file a certificate for him in the prescribed form (P), giving the required information. This rule applies also to all pupils who, after leaving Vernacular schools, have attended unregistered English schools.

(vi.) It is expected that the Managers of schools will draw up their own rules for the admission and withdrawal of pupils, and for the payment of fees, subject to the provisions of this clause. In all schools printed copies of the school rules must be given to the parents or guardians of all pupils. It will be regarded as a condition of grant that every school should have a system for ensuring—

(1) Communication with the parents or guardians of pupils.

(2) Punctual payment of fees.

(c) *Staff.*—(i.) The school must have an adequate and efficient staff, two-thirds of whom must be certificated.

(ii.) In mixed schools there must be a female teacher on the staff. The head teacher of a girls' school must be a female teacher.

(iii.) No teacher who has been dismissed or who is suspended by the Department can be employed without the permission of the Director.

(iv.) The scale of salaries adopted by the school must be approved by the Director.

(d) *Curriculum.*—(i.) The school must follow the syllabuses of work prescribed by the Department.

(ii.) Provision must be made for the teaching of the vernaculars up to and including the English School-Leaving Certificate Class in Elementary schools, and up to and including the Matriculation Class in Secondary schools, to Sinhalese, Tamil, and Muslim children when in the opinion of the Director the demand for such teaching justifies the provision.

(iii.) Provision must be made for systematic instruction in drill and physical exercise.

(iv.) A separate time table must be provided for each class and hung in the class room. The general time table of the school must be so arranged as to allow the head teacher adequate time for the supervision of the work of the teachers.

(v.) Records of work and the results of terminal tests must be retained for inspection.

13. Any school accepted by the Director which ceases to fulfil the above conditions may, unless satisfactory reasons be furnished to the Director, be removed from the list of Assisted schools. If the Manager wishes to revive at any time a school removed from the list, application must be made in the same form as for a new school.

#### *Infant Departments.*

Infant Departments will not be recognized for grant unless the following conditions are fulfilled :—

(a) A room is provided for that Department alone, with sufficient space there or elsewhere for active games and exercise;

(b) The room is suitably furnished;

(c) The teaching apparatus is adequate;

(d) The staff is properly qualified;

(e) A syllabus of work for the following year and an outline of the work done during the past year are presented on the day of the annual inspection.

## CODE FOR ASSISTED VERNACULAR AND ANGLO-VERNACULAR SCHOOLS.

THE following amendments to the Code of Regulations for Assisted Vernacular and Anglo-Vernacular Schools, which have been approved by the Board of Education, and confirmed by His Excellency the Governor in Executive Council, are hereby published in accordance with section 10 (3) of Ordinance No. 1 of 1920.

4. The first inspection will be held after the school has been in session for at least three months.
5. At the first inspection a report will be made as to whether the school is (a) unfit for recognition, or (b) fit for recognition, or (c) fit for registration.
6. If a school is considered fit for registration and if an application for registration has been made by the Manager, such application will be gazetted for observations to be received within thirty days.

8. If the registration is refused the Manager will be informed of the reason for this refusal.
9. No school will be registered when there already exists a school of the same class and grade within one mile of the new school without some intervening obstacle, unless the average daily attendance of eligible pupils of the new school for the previous twelve months exceeds 30. The seating accommodation provided must be sufficient to allow all the classes to be seated for writing work simultaneously; desks when used must be of suitable height and the furniture in general must be adapted to the physical requirements of the pupils. The sanitary condition of the school must be satisfactory.

Nothing in these special conditions shall render the purchaser in any way exempt from liability under the Forest Ordinance of 1907 should he be responsible for the commission of a forest offence outside the boundaries of his purchased coupe or coupes.

SPECIAL CONDITIONS.

*Service A.*

(1) On payment of the full purchase amount the purchaser shall be entitled to fell and remove on or before December 31, 1926, in the manner specified below, all the timber and firewood contained in the purchased coupe or strip. Any timber or firewood not removed by the expiry date, December 31, 1926, shall *ipso facto* revert to the Crown.

coupe or strip. Payment of 70 per cent. of the full purchase price by means of a second instalment of 30 per cent. shall entitle the purchaser to fell and remove all the trees in not exceeding two-thirds of the total area of coupe or strip.

(3) The purchaser shall agree to commence felling along the full length of the southern boundary of each coupe and to progress this felling line in the direction of the southern boundary, always keeping it parallel to the southern boundary along which felling commences.

(4) The purchaser shall pay for the second instalment or in all 70 per cent. of the full purchase price within five months, and the third and final instalment within nine months of the date of execution of the agreement. Should the purchaser fail to pay the second and final instalment when due, it shall be within the discretion of Divisional Forest Officer to cancel the agreement as from the date of such default. Any unremoved timber will revert to the Crown as from the date of such cancellation, and the purchaser will forfeit all claims thereto. On no account shall any postponement of the instalment payments or extension of the felling dates be granted.

(5) Should the purchaser fell or remove timber trees in excess of the quantity specified in special condition 2, nothing in the agreement shall exempt him from being liable for illicit felling and removal under the Forest Ordinance, No. 16 of 1907.

(6) The purchaser will be required to spread the branchwood evenly over the coupes or strips immediately after conversion so as to leave no bare patches liable to soil erosion.

(7) The purchaser shall either exercise such personal supervision as will ensure the conditions of this agreement being efficiently executed or employ an efficient supervisor.

(8) The purchaser or his agent or workmen shall not damage any boundary pillars or Inga Saman plants or block up the boundaries by depositing any brushwood or branches. All lines so blocked must be re-cleared by the purchaser.

(9) A general removal permit will be issued by the Divisional Forest Officer authorizing the purchaser to remove the timber and firewood standing in one-third, two-thirds, or to the full coupe or strip (according to the purchase amount paid, *vide* conditions 2 and 4) in such daily quantities as will be specified in cart notes which must accompany each and every cart in transit. The Forest Ranger or the Forest Overseer or the Forest Guard will measure up the wood which is ready for removal twice daily at 9.30 A.M. and 3.30 P.M., and will issue the necessary cart notes which shall accompany each and every cart in transit.

(10) The purchaser shall agree that for each and every infringement of the above conditions he shall become liable to a fine of not exceeding Rs. 100 to be imposed by the Divisional Forest Officer in writing at his discretion, and to be recovered from the purchaser's security money.

(11) The purchaser shall agree that, in the event of security money having become exhausted, it shall be within the discretion of the Divisional Forest Officer either (a) to accept a further security deposit amounting to 10 per cent. of the full tendered purchase price, or (b) to cancel the agreement and to refund to the purchaser such balance of the paid up purchase money, if any, as remains after deducting the value of all timber and firewood removed by the purchaser on the date of such cancellation. For the purpose of this clause the value of each removed cubic foot of timber and cubic yard of firewood shall be reckoned at full royalty rates.

(12) The purchaser shall have the right of appeal to the Conservator of Forests in the event of the enforcement of any of the penalties specified in these conditions, and the purchaser shall agree to accept the Conservator's decision as final and binding.

The purchaser shall be required to cut all material in the coupes in the coppice system by four distinct operations as follows :—

*Operation 1.*

All herbaceous and undergrowth other than tree growth shall be cut out. This operation shall commence along the full length of one boundary of each coupe and proceed in a straight line to the opposite boundary of that coupe. The whole area of each coupe must thus be covered including those portions, if any, which contain no tree growth.

*Operation 2.*

All tree seedlings and saplings which are under one inch diameter shall be coppiced out within two inches of the ground by means of sharp cattles or any other instrument authorized by the Divisional Forest Officer. This operation shall commence from and proceed to the same boundaries and in the same alignment as operation 1. Not less than three days shall have elapsed between the execution of operation 1 and the commencement of operation 2 in any portion of the area, and there shall be an interval on the ground of not less than one chain between operations 1 and 2, except where the terminating boundary is reached.

*Operation 3.*

All saplings which are over one inch in diameter, and not exceeding eight inches in diameter shall be felled within twelve inches of the ground, and on the day of felling the stools shall be coppiced by means of sharp adzes cleanly and flush with the ground. 23. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

25. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

26. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys due upon their respective shares beyond the sums actually called for; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding, however, six per centum per annum.

#### TRANSFER OF SHARES.

27. Subject to the restrictions of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

31. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two rupees and Fifty cents or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer, upon payment thereof the Directors, subject to the powers vested in them by Article 30, shall register the transferee as a Shareholder and retain the instrument of transfer.

32. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

33. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

34. The Register of Transfers may be closed during the fourteen days immediately preceding each Ordinary General Meeting; and when a dividend is declared, for the three days next ensuing after the Meeting; also at such other times (if any) and for such periods as the Directors may from time to time determine, provided always that it shall not be closed or more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

35. The executors, or administrators, or the heirs of a deceased Shareholder other than one of several joint shareholders shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

36. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

37. If any person who shall become entitled to be registered under clause 36, in respect of any share on which the Company has any lien, shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share; or if in the case of the death of any Shareholder, no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares to sold, shall be paid to the person entitled thereto.

#### SURRENDER AND FORFEITURE OF SHARES.

38. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

39. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

40. Any Shareholder whose shares have been so declared forfeited shall notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

41. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

42. The surrender or forfeiture of a share shall involve the extinction of all interest in, and of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

43. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 41 hereof, shall be redeemable after sale or disposal.

44. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares, held by such holder or joint-holders or in respect of any other debt, or claim, and whether due from any such holder individually or jointly with others, including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

45. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days, from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

46. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

47. A certificate in writing under the hands of one of the Directors and of the Secretary, or Secretaries that the power of sale given by clause 45 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

48. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

#### PREFERENCE SHARES.

49. Any shares from time to time to be issued or created may from time to time be issued with any such right or preference, whether in respect of dividend or of repayment of capital or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company, may from time to time, by special resolution determine, provided that no such shares shall have any preference over the 27,000 cumulative preference shares above referred to.

50. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by a special resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

51. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

52. The Directors may from time to time at their discretion raise or borrow or secure the payment of any sums of money for the purpose of the Company's business, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed One hundred and Fifty thousand rupees.

53. With the sanction of a special resolution, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

54. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

55. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

56. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

57. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

58. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

59. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

60. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

61. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. 142. The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for equalizing dividends, or for working the business of the Company, or for repairing, improving, maintaining or extending any of the property or plant of the Company or any part thereof or for the redemption of mortgages or for any other purposes connected with the interest of the Company that they may from time to time deem expedient.

143. No unpaid Dividend or bonus shall ever bear interest against the Company.

144. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

145. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

146. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

147. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

148. Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

149. Any General Meeting may direct payment of any dividend declared at such meeting or of any interim dividends which may subsequently be declared by the Directors, wholly or in part by means of cheques or drafts on London, or by the distribution of specific assets and in particular of paid-up shares, debentures, or debenture stock of the Company; or of any other company, or in any one or more of such ways, and the Directors shall give effect to such direction, and when any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Directors. Where requisite a proper contract shall be filed and the Directors may appoint any person to sign such contract on behalf of the persons entitled to the dividend, and such appointment shall be effective.

#### NOTICES.

150. Notices from the Company may be authenticated by the signature (printed or written) of the Agent or Secretary, Agents or Secretaries, or persons appointed by the Board to authenticate the same.

151. Every Shareholder shall give an address in Ceylon, which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

152. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors, or administrators shall have given to the Directors, or to the Agent or Secretary, or Agents or Secretaries of the Company, their own or some other address to which notice may be sent.

153. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled, other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

154. Any notice, if served by post, shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

155. Every Shareholder residing out of Ceylon shall name and register in the books of the Company an address within Ceylon at which all notices shall be served upon him, and all notices served at such address shall be deemed to be well served. If he shall not have named and registered such an address, he shall not be entitled to any notices.

All notices required to be given by advertisement shall be published in the Ceylon Government Gazette.

#### EVIDENCE.

156. On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the Register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

#### PROVISIONS RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

157. Any Shareholder, whether a Director or not, and whether alone or jointly with any other Shareholder or Director, and any person not a Shareholder, may become the purchaser of the property of the Company or any part thereof in the event of a winding up or a dissolution, or at any other time when a sale of the Company's property or effects or any part thereof shall be made by the Directors under the powers hereby or under the Ordinance conferred upon them.

158. If the Company shall be wound up whether voluntarily or otherwise, the liquidator or liquidators may with the sanction of a special resolution of the Company divide among the contributories in specie any part of the assets of the Company, and may with the like sanction vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidator or liquidators with the like sanction shall think fit, and if thought expedient any such division may be otherwise than in accordance with the legal rights of the members of the Company, and in particular any class may be given preferential or special rights or may be excluded altogether or in part, and the liquidator or liquidators shall be entitled to sell all or any of the assets of the Company in consideration of or in exchange for shares, ordinary, fully paid, part paid or preference, in the purchasing company, but in case any division otherwise than in accordance with the legal rights of the contributories shall be determined on or any sale made of any or all of the assets of the Company in exchange for shares in the purchasing company either ordinary, fully paid, or part paid, or preference, any contributory who would be prejudiced thereby, shall have a right to dissent as if such determination were a special resolution passed pursuant to the section 192 of the Companies (Consolidation) Act of 1908 in England, but for the purposes of an arbitration as in the sub-section 6 of the said section, provided the provisions of Ceylon Arbitration Ordinance, 1866, and of the Ceylon Ordinance, No. 2 of 1889, shall apply in place of the English and Scotch Acts referred to in the said sub-section 6 of section 192 of the aforesaid Companies (Consolidation) Act and the said section 192, save as herein excepted, shall be deemed to be part and parcel of these present Articles.

#### BUSINESS.

2. The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted, as soon as, in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The business of the Company shall be carried on by, or under the management or direction of, the Directors, and subject only to the control of General Meetings, in accordance with these presents.

## CAPITAL.

4. The nominal capital of the Company is One million Rupees (Rs. 1,000,000), divided into 100,000 shares of Ten Rupees (Rs. 10) each.

5. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate, and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct.

6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.

7. The Directors may also with the sanction of a special resolution of the Company reduce the capital or subdivide or consolidate the shares of the Company.

## SHARES.

8. The Company may issue the balance capital whenever the Directors shall think fit and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid, and the time of payment of such calls.

9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the Holder of the shares.

10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares, except when otherwise provided, shall first be offered by the Directors to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any rights, privileges, property, assets, estates, or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such rights, privileges, property, assets, estates, or lands, or as remuneration for work done for or services rendered to the Company and that without offering the shares so allotted to the Shareholders.

11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company, shall direct, and if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to dividends, and in the distribution of the assets of the Company, and with a special or without any right of voting.

Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion as nearly as possible to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any rights, privileges, property, assets, estates, or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such rights, privileges, property, assets, estates, or lands, and that without offering the shares so allotted to the Shareholders.

12. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company may from time to time direct.

13. Shares may be registered in the name of a firm or partnership, and any partner of the firm or agent duly authorized to sign the name of the firm shall be entitled to vote and to give proxies in respect of shares registered in the name of the firm.

14. Shares may be registered in the names of two or more persons jointly.

15. Any one of the joint-holders of a share, other than a firm, may give effectual receipts for any dividends payable in respect of such share; but only one of such joint-shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares, shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.

16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.

17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 35 to become a Shareholder in respect of any share.

18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares, held by him and the amount paid thereon, provided that in the case of shares registered in the names of two or more persons the Company shall not be bound to issue more than one certificate to all the joint-holders, and delivery of such certificate to any one of them shall be sufficient delivery to all.

20. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof may be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.

## CALLS.

21. The Directors may from time to time make such calls as they think fit upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the persons and at the time and place appointed by the Directors.

22. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest on the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

23. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

24. The Director shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

25. The Directors may at their discretion receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys uncalled upon their respective shares beyond the sums actually called up; and upon the moneys so paid in advance, or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon, and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance, and the Directors may agree upon, not exceeding, however, eight per centum per annum.

#### TRANSFER OF SHARES.

26. Subject to the restrictions contained in these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

27. No transfer of shares shall be made to an infant or person of unsound mind.

28. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

29. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien, or to any person not approved of by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

30. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by the certificate for the shares to be transferred and by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Two Rupees and Fifty Cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer; upon payment thereof the Directors, subject to the powers vested in them by Article 29, shall register the transferee as a Shareholder and retain the instrument of transfer.

31. The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders, without the necessity of any meeting of the Directors for that purpose.

32. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, but only if at all, upon the transferee.

33. The Register of Transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

#### TRANSMISSION OF SHARES.

34. The executors, or administrators, or the heirs of a deceased Shareholder not being one of several joint-shareholders shall be the only persons recognized by the Company, as having any title to the shares of such Shareholder.

35. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

36. If any person who shall become entitled to be registered in respect of any share under clause 35, shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if in the case of the death of any Shareholder, no person shall within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money; and the purchaser shall be entitled to be registered in respect of such shares, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

#### SURRENDER AND FORFEITURE OF SHARES.

37. The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company, provided such acceptance is properly legalized.

38. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

39. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company, all calls, instalments, premia, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon, from the time of forfeiture until payment; at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

40. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, reallocated, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

41. The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against the Company in respect of, the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

42. A certificate in writing under the hands of one of the Directors and of the Secretary or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

43. The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or reallocated, or otherwise, disposed of under Article 40 hereof, shall be redeemable after sale or disposal.

44. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or in respect of any other debt, liability, or engagement whatsoever, and whether due from any such holder individually or jointly with others; including all calls which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

45. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose shares the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

46. The nett proceeds of any such sale shall be applied in or towards the satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

47. A certificate in writing under the hands of one of the Directors and of the Secretary, that the power of sale given by clause 45 has arisen and is exercisable by the Company under these presents, shall be conclusive evidence of facts therein stated.

48. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

#### PREFERENCE SHARES.

49. Any shares from time to time to be issued or created may from time to time be issued with any right or preference, whether in respect of dividend or of repayment of capital, or both, or any other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any conditions or provisions, and with any right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

50. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares; and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

51. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

#### BORROWING POWERS.

52. The Directors shall have power from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting exceed Rupees Fifty thousand (Rs. 50,000).

53. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

54. For the purpose of securing the repayment of any such money so borrowed or raised, or for any other purposes, the Directors may grant, create, execute, and issue any mortgages, cash, credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

55. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

56. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

57. The First General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

58. Subsequent General Meetings shall be held once in every year, at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is so prescribed then at such place and at such time as soon after the first day in each year as may be determined by the Directors.

59. The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

60. The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

61. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent by registered post to the registered office of the Company.

Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and time as the Shareholders convening the meeting may themselves fix.

62. Any Shareholder may, on giving not less than five days' previous notice of any resolution, submit the same to a meeting.

63. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

64. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the objects and business of the meeting, shall be given by notice sent by post or in such other manner (if any) as may be prescribed by the Company in General Meeting. Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently upon the resolution being passed by the requisite majority at the first meeting.

65. Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors in place of those retiring by rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

66. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

67. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

68. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

69. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting, he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

70. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

71. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place unless due notice thereof shall be given.

72. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

#### VOTING AT MEETINGS.

73. At any meeting every resolution shall be decided by a show of hands and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some Shareholder, or in the case of a special resolution by five Shareholders, present and entitled to vote a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution. The power of demanding a poll conferred by this clause may be exercised by the proxy or attorney of any Shareholder duly appointed in that behalf.

74. If at any meeting a poll be demanded by some Shareholder present, his proxy or attorney, or in the case of a special resolution by five Shareholders, their proxies or attorneys at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder or proxy or attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

75. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

76. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

77. On a show of hands every Shareholder present in person shall have one vote. Where a Shareholder is present by an attorney who is not a Shareholder, such attorney shall be entitled to vote for such Shareholder on a show of hands. In case of a poll every Shareholder shall have one vote for every share held by him.

78. The parent or guardian or curator of an infant Shareholder, the committee or other legal guardian or curator of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased Shareholder, unless such person shall have been registered as a Shareholder.

79. Votes may be given either personally or by proxy or by attorney.

80. No Shareholder shall be entitled to be present or to vote either personally or by proxy or attorney at any meeting unless all calls due from him on his shares have been paid, and no Shareholder, other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, shall be entitled to be present or to vote at any meeting held after the expiration of three months from the registration of the Company, in respect of any share which he has acquired by transfer, unless he has been registered as the holder of the share in respect of which he claims to vote at least three months previous to the time of holding the meeting at which he proposes to vote.

81. No person shall be entitled to hold a proxy who is not a Shareholder in the Company, but this rule shall not apply to a power of attorney.

82. The instrument appointing a proxy shall be printed or written, and shall be signed by the appointor (whether a Shareholder or his attorney), or if such appointor be a company or corporation, it shall be under the common seal of such company or corporation.

83. The instrument appointing a proxy or attorney shall be deposited at the registered office of the Company not less than forty-eight hours before the time appointed for holding the meeting at which the person named in such instrument proposes to vote.

The instrument appointing a proxy may be in the following form :—

*Darton Development Company, Limited.*

I \_\_\_\_\_ of \_\_\_\_\_, appoint \_\_\_\_\_, of \_\_\_\_\_ as my proxy, to represent me and to vote for me and on my behalf at the Ordinary (or Extraordinary, as the case may be) General Meeting of the Company to be held on the \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_, and at any adjournment thereof, and at every poll which may be taken in consequence thereof.

As witness my hand this \_\_\_\_\_ day of \_\_\_\_\_, One thousand Nine hundred and \_\_\_\_\_.

84. No objection shall be made to the validity of any vote (whether given personally or by proxy or by attorney) except at the meeting or poll at which such votes shall be tendered, and every vote (whether given personally or by proxy or by attorney) to which no objection shall be made at such meeting or poll shall be deemed valid for all purposes of such meeting or poll whatsoever.

85. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

DIRECTORS.

86. The number of Directors shall never be less than two or more than four ; but this clause shall be construed as being directory only, and the continuing Directors or Director may act notwithstanding any number of vacancies.

The qualification of a Director shall be his holding in his own right at least ten fully or partly paid shares in the Company upon which all calls for the time being have been paid, and this qualification shall apply as well to the first Directors as to all future Directors, but an alternate Director appointed under Article 100 does not require to be qualified under this Article.

87. As remuneration for their services the Directors shall be entitled to appropriate a sum not exceeding Seven hundred and Fifty rupees annually to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future, and such remuneration shall not be considered as including any remuneration granted for special or extra services hereinafter referred to, nor any extra remuneration to the Managing Directors of the Company.

88. The first Directors shall be Messrs. J. G. Moore, H. D. Thornton, and W. K. S. Hughes, all of Colombo. The first Directors shall hold office till the First Ordinary General Meeting of the Company, when they shall retire, but shall be eligible for re-election.

89. One or more of the Directors may be appointed by the Directors to act as Secretary, Manager, or Managing Director, for such time and on such terms as the Directors may determine or may fix by agreement with the person or persons appointed to the office, and they may from time to time revoke such appointment and appoint another or other Secretary, or Manager, or Managing Director.

The Directors may confer on the Managing Director or Managing Directors all or any duties and powers that might be conferred on any Manager of the Company.

If any Director shall be called upon to perform any extra services, the Directors may arrange with such Director for such special remuneration for such services, either by way of salary, commission, or the payment of a lump sum of money, as they shall think fit.

ROTATION OF DIRECTORS.

90. At the First Ordinary General Meeting of the Company all the Directors shall retire from office and at the First Ordinary General Meeting in every subsequent year one of the Directors for the time being shall retire from office as provided in clause 91.

91. The Director to retire from office at the Second Ordinary General Meeting shall, unless the Directors otherwise arrange among themselves, be determined by ballot ; in every subsequent year the Directors to retire shall be those who have been longest in office.

92. In case any question shall arise as to which of the Directors who have been the same time in office shall retire, the same shall be decided by the Directors by ballot.

93. Retiring Directors shall be eligible for re-election.

94. The Ordinary General Meeting at which Directors retire or ought to retire by rotation shall appoint successors to them, and in default thereof such successors may be appointed at a subsequent Ordinary General Meeting.

95. Any casual vacancy occurring in the number of Directors arising from death, resignation, or otherwise, may be filled up by the Directors, but any person appointed to fill such vacancy shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

96. A General Meeting may from time to time increase or reduce the number of Directors, and may also determine in what rotation such increased or reduced number is to go out of office.

97. If at any meeting at which an election of a Director ought to take place, the place of a retiring Director is not filled up, the retiring Director may continue in office until the First Ordinary General Meeting in the next year, and so on from meeting to meeting until his place is filled up, unless it shall be determined at such meeting to reduce the number of Directors.

98. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

99. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. The Director so appointed shall hold office only during such time as the Director in whose place he is appointed would have held the same if he had not been removed.

100. Any Director may, from time to time, appoint any person who is approved by the majority of the Directors, or alternate or substituted Directors, to be an alternate or substituted Director. The appointee, while he holds office as an alternate Director, shall be entitled to notice of meetings of the Directors and to attend and vote thereat as a Director, but he shall not require any qualification, and shall not be entitled to be remunerated otherwise than out of the remuneration of the Director appointing him. Any appointment so made may be revoked at any time by the appointor or by a majority of the other Directors, and any appointment or revocation under this clause shall be effected by notice in writing to be delivered to the Secretary of the Company.

101. Every Director or officer of the Company, and his heirs, executors, and administrators shall be indemnified by the Company from all losses and expenses incurred by him in or about the discharge of his duties, except such as happen from his wilful acts or defaults; and no Director or officer shall, nor shall the heirs, executors, or administrators of any Director or officer, be liable for the acts or defaults of any other Director or officer, or for any loss or expenses happening to the Company by the insufficiency or deficiency of title to any property acquired for or on behalf of the Company, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Company shall be invested, or for any loss or damage arising from the bankruptcy, insolvency, or tortious act of any person with whom any moneys, securities, or effects shall be deposited, or for any other loss, damage, or misfortune whatsoever which shall happen in the execution of the duties of his office or in relation thereto unless the same happen through his own wilful act or default.

102. No contribution shall be required from any present or past Director or Manager, exceeding the amount, if any, unpaid on the shares in respect of which he is liable as a present or past Shareholder.

#### DISQUALIFICATION OF DIRECTORS.

103. The office of Director shall be vacated—

- (a) If he accepts or holds any office or place of profit other than Manager, Managing Director, Agent or Secretary of the Company, or Trustee for Debenture Holders.
- (b) If he becomes bankrupt or insolvent, or suspends payment, or files a petition for the liquidation of his affairs, or compounds with his creditors.

- (f) If he ceases to ordinarily reside in Ceylon or is absent from Ceylon for a period of three consecutive months.

No Director shall be disqualified from holding office by reason of entering into any contract with or doing any work for the Company or by reason of his being a member of any corporation, company, or firm which has entered into any contract with, or done any work for the Company, or by reason of his being agent, or secretary, or solicitor, or being a member of a firm who are agents, or secretaries, or solicitors of the Company; nevertheless, he shall disclose to the Directors his interest in any contract work or business in which he may be personally interested, and shall not vote in respect of any matters connected with any such contract, work, or business.

#### POWERS OF DIRECTORS.

104. The business of the Company shall be managed by the Directors either by themselves or through a Managing Director, or with the assistance of an agent or agents, and secretary or secretaries of the Company to be appointed by the Directors, subject to the provisions of Article No. 121 for such a period and on such terms as they shall determine, and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and the registration of the Company.

106. The Directors shall exercise in the name and on behalf of the Company all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting, and shall generally do all such acts and things as are or shall be by any Ordinance and by these presents directed and authorized to be exercised, given, made, or done by the Company, and are not by any Ordinance or by these presents required to be exercised or done by the Company in General Meeting, subject, nevertheless, to the provisions of any such Ordinances and of these presents and to such regulations and provisions (if any) as may from time to time be prescribed by the Company in General Meeting; but no regulations made by the Company in General Meeting shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

107. The Directors shall have power to appoint a proctor or proctors, solicitor or solicitors, attorney or attorneys to assist in carrying on or protecting the business of the Company, on such terms as they may consider proper, and from time to time to revoke such appointment.

109. The seal of the Company shall not be affixed to any instrument except in the presence of two or more of the Directors, or of one Director and the Secretary or Secretaries, who shall attest the sealing thereof; such attestation on the part of the Secretaries, in the event of a firm or registered company being the Secretaries, being signified by a partner or duly authorized manager, director, secretary, attorney, or agent of the said firm or company signing for and on behalf of the said firm or company as such Secretaries.

110. In furtherance and not in limitation of, and without prejudice, to the general powers conferred or implied by these presents, it is hereby expressly declared that the Directors shall have the powers following (that is to say):—

- (a) To institute, conduct, defend, compromise, settle, or abandon any action, suit, prosecution, or other legal proceedings on behalf of the Company, and also to compound and allow time for payment or satisfaction of any debts due to or from the Company, and any claims or demands made by or against the Company.

- (f) To delegate to any one or more of the Directors of the Company for the time being, or any other person or company for the time being, residing or carrying on business in Ceylon, or elsewhere, all or any of the powers or functions given to or exercisable by the Directors; and to confer such powers for such time and to be exercised for such objects and purposes, and upon such terms and conditions and with such restrictions as the Directors may think expedient, and to confer such powers either collaterally with or to the exclusion of, and in substitution for, all or any of the powers of the Directors in that behalf, and from time to time to revoke, withdraw, alter, or vary all or any of such powers. The Directors may allow to any person or company to whom any powers may be so delegated such remuneration as they in their absolute discretion shall think fit.

#### PROCEEDINGS OF DIRECTORS.

111. 113. The Board may elect a Chairman of their meetings and determine the period for which he is to hold office, and all meetings of the Directors shall be presided over by the Chairman, if one has been elected and if present, but if there be a vacancy in the office of Chairman, or if at any meeting of Directors the Chairman be not present at the time appointed for holding the same, then and in that case the Directors present shall choose one of their number to be Chairman of such meeting.

All acts done by any such committee, in conformity with such regulations and in the fulfilment of the purposes of their appointment, but not otherwise, shall have the like force and effect as if done by the Board.

116. The meetings and proceedings of such committees shall be governed by the provisions herein contained for regulating the meetings and proceedings of Directors, so far as the same are applicable thereto, and are not superseded by the express terms of the appointment of such committee respectively, or any regulation imposed by the Board.

117. The acts of the Board or of any committees appointed by the Board shall, notwithstanding any vacancy in the Board or committee, or defect in the appointment or qualification of any Director or of any member of the committee, be as valid as if no such vacancy or defect had existed, and as if such person had been duly appointed or qualified, provided the same be done before the discovery of the vacancy or defect.

118. A resolution in writing signed by all the Directors for the time being in Ceylon shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and constituted.
