BE it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title.

1 This Ordinance may be cited as the Local Boards' Ordinance, No. of 1926.

Amendment of section 62 of the principal Ordinance.

2 Section 62 of the principal Ordinance is hereby amended by the addition thereto of the following paragraph :

(11) To supply electric energy for lighting and other purposes.

Addition of new section.

3 The following section shall be inserted in the principal Ordinance as section 62 A :

Supply of electric energy.

62 A. The Local Board may, with the sanction of the Governor in Executive Council and subject to the consent of the local authority of any area adjacent to the administrative limits of the Board, contract with the owners or occupiers of any premises in such adjacent area for the supply of electric energy to such premises, and may charge and enforce rates in respect of such supply.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, March 2, 1926.

A. G. M. FLETCHER,
Colonial Secretary.

Statement of Objects and Reasons.

THE object of this Bill is to make express provision enabling Local Boards to supply electricity for lighting and other purposes not only within the administrative limits of the Board but also in areas adjoining such limits.

2. The general use of electricity for lighting the streets and the public demand for it have made it necessary that this right which is already possessed by District Councils (sections 140 and 142 of Ordinance No. 11 of 1920) should be extended to Local Boards.

3. The necessary amendment has been made by the addition of a paragraph to section 62 and the insertion of a new section (62 A) between sections 62 and 63.
