17. Should the contractor at any time during the execution of the contract find that he will be unable to deliver the teak or any portion of it within the period named, he shall at once give notice accordingly to the General Manager of the Railway, who shall have an absolute discretion either to grant an extension of time or to determine the contract and recover damages as provided hereinafter in condition 20.

18. If any teak delivered shall be objected to by the Mechanical Engineer as not being of the size or quality contracted for as laid down in clauses 1 and 2 of this notice, the General Manager of the Railway shall be at liberty to deduct from the price such sums as he may consider justifiable by reason of such inferior size or quality, or he may reject such teak. Whenever any teak is so rejected, the contractors shall, at their own cost and expense, remove the rejected teak, and pending removal the teak shall remain and be at the risk of the contractors, and the contractors shall, in addition to any other penalty, be liable to refund to the General Manager the cost incurred in landing such teak, and the cost so incurred, when certified under the hand of the General Manager, shall be deemed final and conclusive.

20. Should the contractors fail to supply teak in the quantities and at the time agreed upon or should they supply teak inferior in quality, or should they commit a breach of any of the covenants of the contract, the General Manager shall be at liberty by notice in writing, to forthwith determine the contract, and thereupon the contractors will be liable to pay to the General Manager all costs and expenses incurred by failure to supply teak or by the supplying of teak of inferior size and quality, or by the breach of any other covenants of the contract, and shall in addition be liable to forfeit the sum of Rs. 2,000 deposited by them as

Any extraordinary resolution passed under the provisions of this article shall be binding upon all the holders of shares of the class, provided that this article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this article the object of the resolution could have been effected without it.

53. *Meeting Affecting a Particular Class of Shares.*—Any meeting for the purpose of the last preceding article shall be convened and conducted in all respects as nearly as possible in the same way as an extraordinary general meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any shareholder personally present and entitled to vote at the meeting.

CALLS.

54. (a) *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

The Directors shall, with the sanction of a general meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the re-payment of any such sum or sums of moneys so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures or create any debenture stock they shall obtain the sanction thereto of the Company in general meeting whether ordinary or extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at part or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this article and subscribed by two or more of the Directors, or by one Director and the agent or secretary or agents or secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

74. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. 41. *The Directors may accept Surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

(a) *Certificate of Surrender or Forfeiture.*—A certificate in writing, under the hands of two of the Directors and of the Agent or Secretary or Agents or Secretaries, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

(b) *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

And the Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made Available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators or heirs, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default, shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution, determine.

52. *Modification of Rights and Consent thereto.*—If at any time, by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in general meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

53. *Meeting affecting a Particular Class of Shares.*—Any meeting for the purpose of the last preceding Article shall be convened and conducted in all respects as nearly as possible in the same way as an extraordinary general meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he is a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any Shareholder personally present and entitled to vote at the meeting.

CALLS.

54. (a) *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

55. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this Article.

56. *Payments in Anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up.

BORROWING POWERS.

57. *Power to Borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures, or create any debenture stock, they shall obtain the sanction thereto of the Company in General Meeting whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied or exchanged, as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agent or Secretary or Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

MUNICIPAL COUNCIL NOTICES.

MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Wednesday, June 2, 1926, at 3 p.m.

The Council met this day at 3 p.m., pursuant to notice, dated May 25, 1926.

Present :—Mr. C. P. Dias, J.P.; the Hon. Mr. N. H. M. Abdul Cader, M.L.C.; Mr. H. L. De Mel, C.B.E., J.P.; Dr. E. V. Ratnam; Mr. A. E. de Silva; Mr. R. L. Pereira; the Hon. Mr. C. H. Z. Fernando, M.L.C.; Mr. W. E. V. de Rooy; Dr. E. A. Cooray; Mr. G. W. Dodds; Mr. J. S. Collett; Mr. T. G. Jayewardene, V.D., J.P.; Mr. N. R. Blande; and Mr. T. R. Mitchell.

As Mr. H. E. Newnham, the Chairman, was absent owing to illness, the members present, in accordance with the provisions of section 87 of Ordinance No. 6 of 1910, proceeded to choose one of their number to preside.

The Hon. Mr. N. H. M. Abdul Cader proposed that the senior member, Mr. C. P. Dias, do preside. Mr. H. L. De Mel seconded.—Carried.

Mr. C. P. Dias accordingly took the Chair.

Before proceeding to the business of the day, Mr. Dias said that the Council would regret the cause of the Chairman's absence. He also thought that the Council should congratulate the Secretary on the honour to be conferred on him by His Excellency the Governor.

1. The Minutes of the General Meeting of May 5, 1926, having been previously printed and copies thereof having been sent to each Member of Council, were taken as read.—Resolved that the Minutes of the General Meeting of May 5, 1926, be confirmed.

2. Pursuant to notice, Mr. T. G. Jayewardene asked the Chairman the following question:—Will the Chairman be pleased to state what reply he has received to the letter he addressed Government in regard to the easing of the gradient of the road now under construction to take the place of the present Victoria Bridge road, which was the subject of a motion carried at the Meeting of this Council held on October 7, 1925?

The Chairman replied as follows:—As a result of the representation made to Government a conference was held on November 17, 1925, at which the Director of Public Works, the General Manager of Railways, the Chief Construction Engineer, the Municipal Engineer, and the Chairman were present. It was pointed out that it was impracticable to alter the gradient of the overhead bridge as the work would involve the alteration of at least three other roads. It was also pointed out that it would be necessary to keep open the existing old road for at least two years until the new road is sufficiently consolidated to permit of the laying of stone setts. During this period it would be possible to observe the movements and modifications of traffic, and in the light thereof to determine the final solution which would probably consist in keeping the old road open permanently.

3. Pursuant to notice, Mr. C. P. Dias asked the following questions:—(1) Will the Chairman please inform the Council whether the Municipal Treasurer, in his recommendations to the Salaries Committee, considered that the post of 1st Clerk, Correspondence and Registration Branch of his Department, was on a par with the other 1st Clerkships of his Department, which have all been placed in the Special Class, and is he not of the same opinion still? (2) If so, is it not fair and equitable that this post should be immediately raised in status to that of a Special Class "B," and the salary of the holder adjusted accordingly? (3) Will the Chairman be pleased to obtain a report from the Municipal Treasurer on this subject?

The replies were as follows:—(1) The Municipal Treasurer reports that he informed the Salary Committee that the post of 1st Clerk of the Correspondence and Registration Branch of his Department was one which, in his opinion, it was reasonable to place with the other posts already in the Special Class B; and that he is still of the same opinion. (2) This is a matter for the Council to decide. (3) Yes.

4. Pursuant to notice, Dr. E. V. Ratnam asked the Chairman the following question:—Whether the Chairman has received any communication from Government on the subject of the reform of the constitution of the Colombo Municipal Council other than the rather vague letter of the Hon. the Colonial Secretary, No. 76 of May 17, 1926, in which he states that the question is receiving the attention of the Government?

The Chairman replied as follows:—The letter referred to is the only communication received from Government on the subject.

5. Pursuant to notice, the Hon. Mr. C. H. Z. Fernando moved that this Council do draw the immediate attention of the Police to the scandalous overcrowding in tramcars, and insist that prompt action be taken, especially in view of the fact that drivers of buses are being constantly prosecuted by the Police for carrying even one more passenger above the licensed number. Mr. A. E. de Silva seconded.

Mr. R. L. Pereira and Mr. T. G. Jayewardene spoke to the motion, which was put to the Meeting and carried.

6. (1) Pursuant to notice, Mr. H. L. De Mel moved that this Council do approve the proposal to change the name of the Ward now known as "Slave Island" and that the matter be referred to the Standing Committees on Law and Finance. Dr. A. E. Coorey seconded.—Carried.

(2) Pursuant to notice, Mr. H. L. De Mel moved that the time has arrived for the City to adopt a definite and comprehensive Town Planning Scheme, and that steps be taken by the Chairman to have such a scheme prepared for the consideration of the Council. The Hon. Mr. C. H. Z. Fernando seconded.

Mr. T. G. Jayewardene spoke to the motion. The mover replied to him.

Mr. R. L. Pereira also spoke to the motion, which was put to the Meeting and carried.

15. At the conclusion of the proceedings Mr. Ratwatte said, as this was the last meeting prior to the Chairman's departure on furlough, he would like to take this opportunity to express his sincere appreciation of the good work Mr. Kindersley had done as Chairman of this Council.

He referred especially to the able manner in which he handled the outbreak of plague which threatened disaster to this beautiful town. He also referred to the construction of rice granaries, the extension of the water supply to Peradeniya and Katugastota, improvements and additions to the Electric Power Station enabling the further extension of the electric main, the demolition of the slums and the housing of the poor.

He wished Mr. and Mrs. Kindersley a pleasant holiday and a safe return to Kandy.

Dr. Hay associated himself with all that fell from Mr. Ratwatte, and added that the present Chairman had done more for the town of Kandy than any other previous Chairman.

Mr. de Silva regretted he had to differ from the sentiments expressed by Mr. Ratwatte. While appreciating Mr. Kindersley as a true sportsman and congratulating the Council on having an Englishman of his stamp as Chairman, there were occasions when he and the majority of the Elected Members failed to see eye to eye with the Chairman. He said the rice granaries had not been a success. The rice granaries at Katugastota were lying idle and the Council had no return whatever on the sum of nearly Rs. 20,000 that had been spent on their erection.

With regard to improvements to the water supply, the Chairman had advocated a scheme which would have cost the Council nearly two lakhs of rupees. The Elected Members had taken timely precaution to prevent the execution of that scheme.

Whilst admiring the Chairman as a true English sportsman, he regretted he could not take the same view as Mr. Ratwatte as regards the work he had done as Chairman of this Council.

He hoped the Chairman and Mrs. Kindersley would have a good holiday.

The Chairman thanked the members for their kind wishes. He said he did not know he would have to be on his defence on an occasion of this kind, and that he had been taken by surprise.

With regard to the erecting of the granaries at Katugastota, they were erected by the unanimous vote of this Council and not by his personal vote. They have been lying idle owing to the Council not having promptly enforced the regulations they passed. This would have put the granaries into use at once.

As regards other granaries within Kandy, they are being used and they are an insurance for this town against a recurrence of plague.

With regard to the water scheme, he reminded the Council that the scheme was passed by the Council and money borrowed for the purpose from Government. He did not know why he was put down as entirely responsible for the scheme.

Confirmed this 19th day of June, 1926 :

R. A. G. FESTING,
Chairman.
