DRAFT ORDINANCES.**MINUTE.**

The following Draft of a proposed Ordinance is published for general information :—

**An Ordinance relating to James Lockhart Jardine's
Patent No. 1,488 of 1916.**

WHEREAS by a grant of exclusive privilege or Letters Patent (in this Ordinance called "Jardine's Patent") under the Public Seal of the Island of Ceylon, bearing date March 17, 1916, and numbered 1,488, the Governor in Executive Council did grant to James Lockhart Jardine, of Esk Mills, Penicuik, in the County of Midlothian, Scotland, his heirs, executors, administrators, and assigns, the exclusive privilege of making, selling, and using, and of authorizing others so to do in Ceylon, for the term of fourteen years, in terms of and subject to the provisions of "The Patents Ordinance, 1906," a certain invention for "Improved process for the production of an acid magnesium sulphite solution and the application of same for the extraction of cellulose from fibrous vegetable materials":

And whereas under the provisions of "The Patents Ordinance, 1906," it is provided that an exclusive privilege shall cease if the inventor fails to pay within the time limited in that behalf by the third schedule any fee prescribed in that schedule in respect of the continuance of the privilege:

And whereas the said third schedule provides that a fee of fifty rupees shall be paid before the expiration of the eighth year from the date of the patent, that a further fee of one hundred rupees be paid after the expiration of the eighth year and before the expiration of the ninth year, and that a further fee of one hundred and fifty rupees be paid after the expiration of the ninth year and before the expiration of the tenth year from the said date in order to secure the continuance of the exclusive privilege:

And whereas a renewal fee on the said patent amounting to fifty rupees became due on or before March 17, 1924, a further fee of one hundred rupees became due on or before March 17, 1925, and a further fee of one hundred and fifty rupees became due on or before March 17, 1926:

And whereas the said renewal fees were not paid within the time appointed for the payment thereof:

And whereas the time prescribed by section 22, sub-section (4) (a), of "The Patents Ordinance, 1906," during which the Registrar of Patents is empowered to enlarge the time for the payment of the renewal fee due on March 17, 1924, expired on September 17, 1924:

And whereas the said renewal fees were duly forwarded by the said James Lockhart Jardine to his agents in Calcutta some time prior to the respective dates on which they became due and payable in accordance with the custom usually observed between the said James Lockhart Jardine and Messrs. Remfry & Son, his agents in Calcutta, but owing either to some error or inadvertance on the part of one of the servants or clerks of Messrs. Remfry & Son or to the failure by the Postal authorities to deliver the letter containing the fees to the proper authority in Ceylon the said fees failed to reach the said proper authority in Ceylon, and the said James Lockhart Jardine being under the impression that the said fees had been duly paid failed to apply for an enlargement of time for payment of the said renewal fee to the Registrar of Patents:

And whereas the said James Lockhart Jardine will be deprived of all advantage to accrue to him under the said patent unless the legislative powers hereinafter contained are graciously granted:

And whereas the said prescribed renewal fees have now been paid and deposited in the proper department :

And whereas the present difficulty and threatened loss arise from no fault, negligence or inadvertance of the said James Lockhart Jardine himself nor from any disobedience to the law ; and it is therefore expedient that the said grant or patent should be rendered valid in the manner hereinafter mentioned :

Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

1 This Ordinance may be cited as " The James Lockhart Jardine's Patent Ordinance, No. of 192 ."

2 Upon the commencement of this Ordinance the said grant of exclusive privilege or patent (a true copy of which is set forth in the schedule to this Ordinance annexed) shall be considered, deemed, and taken to be and to have been as good, valid, and effectual to all intents and purposes as if all the payments prescribed by " The Patents Ordinance, 1906," to be made in respect of the said grant or patent before the passing of this Ordinance had been duly made and satisfied :

3 No action or other proceeding shall be commenced or prosecuted nor any damage recovered—

(1) In respect of any infringement of the said grant or patent which shall have taken place after March 17, 1924, and before the commencement of this Ordinance.

(2) In respect of the use or employment at any time hereafter of any structure, process, or operation actually made or carried on within the Island of Ceylon, or of the use or sale of any article manufactured or made in infringement of the said grant or patent after the said date and before the commencement of this Ordinance. Provided that such use, sale, or employment is by the person or corporation by or for whom such article was *bona fide* manufactured or made, or such structure, process, or operation was *bona fide* made or carried on by his or their executors, administrators, successors, or vendees, or his or their assigns respectively.

(3) In respect of the use or employment at any time hereafter (by the person or corporation entitled for the time being under the preceding sub-section to use or employ any structure, process, or operation) of any improved, extended, or developed structure, process or operation, or of the use or sale of any article thereby manufactured or made in infringement of the said grant or patent. Provided that the use or employment of such improved, extended, or developed structure, process, or operation shall be limited to the buildings, works, or premises of the person or corporation by or for whom such structure, process, or operation was made or carried on, within the meaning of the preceding sub-section his or their executors, administrators, successors, or assigns.

4 If any person shall within one year after the passing of this Ordinance make an application to the Governor in Executive Council for compensation in respect of money, time or labour expended by the applicant upon the subject-matter of the said grant or patent on a *bona fide* belief that such grant or patent had become and continued to be void, it shall be lawful for the said Governor in Executive Council, after hearing the parties concerned or their agents, to assess the amount of such compensation if in their opinion the application ought to be granted, and to specify the party by whom and the day on which such compensation shall be paid : and if default shall be made in payment of the sum awarded, then the said grant or patent shall by virtue of this Ordinance become void, but the sum awarded shall not in that case be recoverable as a debt or damages.

5 Nothing in this Ordinance shall prejudice or affect the rights of His Majesty the King, His Heirs and Successors or any body politic or corporate or any other person or persons except such as are mentioned in this Ordinance and those claiming by, for, through, or under them.

Schedule referred to in the foregoing Ordinance.

The Patents Ordinance, 1906.

1,488.

Grant of Patent.

By His Excellency Sir JOHN ANDERSON, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Knight Commander of the Most Honourable Order of the Bath, Governor and Commander-in-Chief in and over the Island of Ceylon, with the Dependencies thereof.

To all to whom these Presents shall come,

Greeting :

WHEREAS James Lockhart Jardine of Esk Mills, Penicuik, in the County of Midlothian, Scotland, Paper Works Manager, hath by his solemn declaration represented unto me that he is in possession of an Invention for *Improved Process for the Production of an Acid Magnesium Sulphite Solution and the Application of same for the Extraction of Cellulose from Fibrous Vegetable Materials*, that he is the true and first inventor thereof, and that the same is not in use by any other person to the best of my knowledge and belief :

And whereas the said inventor hath humbly prayed that I would be pleased to grant unto him (hereinafter together with his executors, administrators, and assigns, or any of them, referred to as the said patentee), Letters Patent in the name of His Majesty for the sole use and advantage of the said invention within the Island of Ceylon :

And whereas the said inventor hath by and in his complete specification particularly described the nature of his invention :

Know Ye, therefore, that I, in the name and on behalf of His Majesty, do by these presents give and grant unto the said patentee my especial licence, full power, sole privilege, and authority, that he, the said patentee, by himself, his agent, or licensee, and no others, may at all times hereafter during the term of years herein mentioned, make, use, exercise, and vend the said invention within the Island of Ceylon in such manner as to him or them may seem meet, and that the said patentee shall have and enjoy the whole profit and advantage from time to time accruing by reason of the said invention, during the term of fourteen years from the date hereunder written of these presents. And to the end that the said patentee may have and enjoy the sole use and exercise and the full benefit of the said invention, I do by these presents require and strictly command all and every person and persons, bodies politic and corporate, and all others of what estate, quality, degree, name or condition soever they be within Ceylon, that they do not at any time during the continuance of the said term of fourteen years, either directly or indirectly, make use of or put in practice the said invention or any part of the same, nor in anywise imitate the same, nor make or cause to be made any addition thereto or subtraction therefrom, whereby to pretend themselves the inventors thereof, without the consent, licence, or agreement of the said patentee in writing under his hand and seal, on pain of incurring such penalties as may be justly inflicted on such offenders for their contempt and of being answerable to the said patentee according to law for his damages thereby occasioned. Provided always, and these Letters Patent are on this condition, that if at any time during the said term it be made to appear to the Court that this grant is contrary to law or prejudicial or inconvenient to His Majesty's subjects in general, or that the said invention is not a new invention as to the public use and exercise thereof, or that the said patentee is not the first and true inventor thereof, within this Colony as aforesaid, these Letters Patent shall forthwith determine, and be void to all intents and purposes, notwithstanding anything hereinbefore contained. Provided also that if the said patentee shall not pay all fees by law required to be paid in respect of the grant of these Letters Patent, or in respect of any matter relating thereto at the time or times, and in manner for the time being by law provided ; and also if the said patentee shall not supply or cause to be supplied for His Majesty's service in this Island all such articles of the said invention as may be required by the officers administering any department of His Majesty's service in Ceylon in such manner, at such times, and at and upon such reasonable prices and terms as shall be settled for that purpose by the Governor of Ceylon, then, and in any of the said cases, these Letters Patent and all privileges and advantages whatever hereby granted shall determine and become void, notwithstanding anything hereinbefore contained. Provided also that nothing herein contained shall prevent the granting of licences in such manner and for such considerations as they may

by law be granted. And lastly, I do by these presents in the name and on behalf of His Majesty grant unto the said patentee that these Letters Patent shall be construed in the most beneficial sense for the advantage of the said patentee.

In witness whereof I have caused these Letters to be made Patent this Tenth day of October, One thousand Nine hundred and Sixteen, and to be sealed and dated as of the said Seventeenth day of March, One thousand Nine hundred and Sixteen, in the Sixth year of His Majesty's reign.

(Signed) JOHN ANDERSON,
Governor.

By His Excellency's command,

Colonial Secretary's Office, A. G. M. FLETCHER,
Colombo, August 22, 1926. Colonial Secretary.

Statement of Objects and Reasons.

THIS Bill is being introduced into the Legislative Council of Ceylon to reinstate James Lockhart Jardine's Patent No. 1,488 dated March 17, 1916, for "Improved process for the production of an acid magnesium sulphite solution and the application of the same for the extraction of cellulose from fibrous vegetable materials."

This patent was registered in most countries of the world and it was in the hands of a Patent Agent in Glasgow. This Patent Agent sent out the necessary instructions to renew the Patent in March, 1925, in Colombo, but owing to some error the letter containing the fees to the proper authorities in Ceylon did not reach their destination in time and the patent lapsed, that is to say, it was not renewed at the due date. Since then the patentee has complied with the Ordinance by paying for the renewal of the patent, but it is necessary that this Ordinance should be introduced for the purpose.
