Interpretation. 1 (1) In these rules, unless the context otherwise requires—

“Appeal” means an appeal to His Majesty in Council;

“Judgment” includes decree, order, sentence, or decision of any Court, Judge, or Judicial Officer;

“Record” means the aggregate of papers relating to an appeal (including the pleadings, proceedings, evidence, and judgments) proper to be laid before His Majesty in Council on the hearing of the appeal;

“Registrar” means the Registrar or other proper officer having the custody of the records in the Court appealed from;

“Abroad” means the country or place where the Court appealed from is situate;

“Agent” means a person qualified by virtue of Her late Majesty’s Order in Council of the 6th March, 1896, to conduct proceedings before His Majesty in Council on behalf of another;

“Party” and all words descriptive of parties to proceedings before His Majesty in Council (such as “Petitioner,” “Appellant,” “Respondent”) mean, in respect of all acts proper to be done by an agent, the agent of the party in question where such party is represented by an agent;

“Respondent” includes intervener;

“Month” means calendar month.

Words in the singular shall include the plural, and words in the plural shall include the singular.

(2) Where by these rules any step is required to be taken in England in connection with proceedings before His Majesty in Council, whether in the way of lodging a petition or other document, entering an appearance, lodging security, or otherwise, such step shall be taken in the Registry of the Privy Council, Downing Street, London.

Leave to Appeal.

Leave to appeal generally.

2 All appeals shall be brought either in pursuance of leave obtained from the Court appealed from, or, in the absence of such leave, in pursuance of special leave to appeal granted by His Majesty in Council upon a petition in that behalf presented by the intending appellant.

Special Leave to Appeal.

Form of petition for special leave to appeal.

3 A petition for special leave to appeal to His Majesty in Council shall state succinctly and clearly all such facts as it may be necessary to state in order to enable the Judicial Committee to advise His Majesty whether such leave ought to be granted, and shall be signed by the Counsel who attends at the hearing or by the party himself if he appears in person. The petition shall deal with the merits of the case only so far as is necessary for the purpose of explaining and supporting the particular grounds upon which special leave to appeal is sought.

Five copies of petition to be lodged together with affidavits in support.

4 The petitioner shall lodge at least five copies of his petition for special leave to appeal, together with the affidavit in support thereof prescribed by rule 50 hereinafter contained, and, unless a caveat as prescribed by rule 48 has been lodged by the other parties who appeared in the Court below, an affidavit of service of notice of the intended application upon such parties or their solicitors or agents, either abroad or in England.

Time for lodging petition.

5 A petition for special leave to appeal may be lodged at any time after the date of the judgment sought to be appealed from, but the petitioner shall, in every case, lodge his petition with the least possible delay.

Security for costs and transmission of record.

6 Where the Judicial Committee agree to advise His Majesty to grant special leave to appeal, they shall, in their report, specify the amount of the security for costs (if any) to be lodged by the petitioner, and shall, unless the circumstances of a particular case render such a course unnecessary, provide for the transmission of the record by the registrar to the

Registrar of the Privy Council and for such further matters as the justice of the case may require. Unless otherwise ordered the security shall be lodged at any time before the appellant enters an appearance.

7 Save as by the four last preceding rules otherwise provided, the provisions of rules 47 to 50 and 52 to 59 (all inclusive) hereinafter contained shall apply *mutatis mutandis* to petitions for special leave to appeal.

General provisions.

8 Rules 3 to 7 (both inclusive) shall apply *mutatis mutandis* to petitions for leave to appeal *in formâ pauperis*, but in addition to the affidavits referred to in rule 4 every such petition shall be accompanied by an affidavit from the petitioner stating that he is not worth £25 in the world excepting his wearing apparel and his interest in the subject-matter of the intended appeal, and that he is unable to provide sureties, and also by a certificate of Counsel that the petitioner has reasonable ground of appeal.

Petitions for special leave to appeal *in formâ pauperis*.

9 Where a petitioner obtains leave to appeal *in formâ pauperis*, he shall not be required to lodge security for the costs of the respondent or to pay any Council Office fees.

Exemption of pauper appellant from lodging security and paying Office fees.

10 A petitioner whose petition for leave to appeal *in formâ pauperis* is dismissed may, notwithstanding such dismissal, be excused from paying the Council Office fees usually chargeable to a petitioner in respect of a petition for leave to appeal, if His Majesty in Council, on the advice of the Judicial Committee, shall think fit so to order.

Exemption of unsuccessful petitioner for leave to appeal *in formâ pauperis* from payment of Office fees.

Record and Appearance by Appellant.

11 As soon as the appeal has been admitted, whether by an order of the Court appealed from or by an Order of His Majesty in Council granting special leave to appeal, the appellant shall without delay take all necessary steps to have the record transmitted to the Registrar of the Privy Council, and the Registrar shall, with all convenient speed, certify to the Registrar of the Privy Council that the respondent has received notice, or is otherwise aware, of the order of the Court appealed from admitting the appeal, or of the order of His Majesty in Council giving the appellant special leave to appeal, and has also received notice, or is otherwise aware, of the dispatch of the record to England. Where an appellant who has obtained special leave to appeal by an Order of His Majesty in Council fails to have the record transmitted to the Registrar of the Privy Council with due diligence, the Registrar of the Privy Council shall call upon the appellant to explain his default, and if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar insufficient, the said Registrar may issue a summons to the appellant calling upon him to show cause before the Judicial Committee at a time to be named in the said summons why the special leave to appeal granted should not be rescinded. The respondent shall be entitled to be heard before the Judicial Committee in the matter of the said summons and to ask for his costs and such other relief as he may be advised. The Judicial Committee may, after considering the matter of the said summons, recommend to His Majesty to rescind the grant of special leave to appeal or give such other directions therein as the justice of the case may require.

Record to be transmitted without delay.

12 The record shall be printed in accordance with the rules contained in Schedule A hereto. It may be printed either abroad or in England. When printed abroad the parties in England shall, upon perusal, consider whether the order of the documents is in accordance with these rules, and if it is not, they shall agree upon the proper order. The appellant shall then rearrange copies of the record for the use of the Judicial Committee and the other parties. In the event of the parties being unable to agree, the matter shall be referred to the Registrar of the Privy Council who, if he thinks fit, may require the parties to attend before the Judicial Committee for directions.

Printing of record.

- Number of copies to be transmitted, where record printed abroad.**
- 13** Where the record is printed abroad, the Registrar, shall, at the expense of the appellant, transmit to the Registrar of the Privy Council 40 copies of such record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal, if any, of the Court appealed from.
- One certified copy to be transmitted, where record to be printed in England.**
- 14** Where the record is to be printed in England, the Registrar shall, at the expense of the appellant, transmit to the Registrar of the Privy Council one certified copy of such record, together with an index of all the papers and exhibits in the case. No other certified copies of the record shall be transmitted to the agents in England by or on behalf of the parties to the appeal.
- Record printed partly abroad, partly in England.**
- 15** Where part of the record is printed abroad and part is to be printed in England, rules 13 and 14 shall, as far as practicable, apply to such parts as are printed abroad and such as are to be printed in England respectively.
- Reasons for judgments to be included.**
- 16** The reasons given by the judge, or any of the judges, for or against any judgment pronounced in the course of the proceedings out of which the appeal arises, shall by such judge or judges be communicated in writing to the Registrar and shall be included in the record.
- Exclusion of unnecessary documents from record.**
- 17** The Registrar, as well as the parties and their agents, shall endeavour to exclude from the record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the appeal, and generally to reduce the bulk of the record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be printed or copied shall be enumerated in a typewritten list to be transmitted with the record.
- Documents objected to to be indicated.**
- 18** Where in the course of the preparation of a record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, the record, as finally printed (whether abroad or in England), shall, with a view to the subsequent adjustment of the costs of and incidental to such document, indicate, in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.
- Registration and numbering of records.**
- 19** As soon as the record is received in the Registry of the Privy Council, it shall be registered in the said Registry, with the date of arrival, the names of the parties, and the description whether "printed" or "written." A record, or any part of a record, not printed in accordance with the rules contained in Schedule A hereto shall be treated as written. Appeals shall be numbered consecutively in each year in the order in which the records are received in the said Registry.
- Inspection of record by parties.**
- 20** The parties shall be entitled to inspect the record and to extract all necessary particulars therefrom for the purpose of entering an Appearance.
- Appearance by appellant.**
- 21** The appellant shall enter an appearance before taking any step in the prosecution of the appeal, and after entering such appearance, shall forthwith give notice thereof to the respondent, if the latter has entered an appearance.
- Times within which a copy of a written record shall be bespoken.**
- 22** Where the record arrives in England either wholly written, or partly written and partly printed, the appellant shall, within a period of four months from the date of such arrival in the case of appeals from Courts, situate in any of the countries or places named in Schedule B hereto, and within a period of two months from the same date in the case of appeals from any other Courts, enter an appearance and bespeak a typewritten copy of the record, or of such parts thereof as it may be necessary to have copied, and shall engage to pay the cost of preparing such copy at the following rates per folio typed (exclusive of tabular matter)—2*d.* per folio of English matter, 2½*d.* per folio of Indian matter, and 3½*d.* per folio of foreign matter; and shall also engage to pay at such price as shall be fixed by the Registrar of the Privy Council the cost of printing at least 50 copies thereof.

23 As soon as the appellant has obtained the typewritten copy of the record bespoken by him, he shall proceed, with due diligence, to arrange the documents in suitable order, to check the index, to insert marginal notes, and check the same with the index, and generally to do whatever may be required for the purpose of preparing the copy for the printer in accordance with the rules contained in Schedule A hereto, and shall, if the respondent has entered an appearance, submit the copy, as prepared for the printer, to the respondent for his approval. In the event of the parties being unable to agree, the matter shall be referred to the Registrar of the Privy Council who, if he thinks fit, may require the parties to attend before the Judicial Committee for directions.

Preparation of copy of record for printer.

24 As soon as the typewritten copy of the record is ready for the printer, the appellant shall lodge it in the Registry of the Privy Council for printing by a printer selected by the Registrar of the Privy Council, and at the same time shall lodge the amount of the estimated cost of printing the record.

Lodging copy of record for printing.

25 Whenever it shall be found that the decision of a matter on appeal is likely to turn exclusively on a question of law, the parties, with the sanction of the Registrar of the Privy Council, may submit such question of law to the Judicial Committee in the form of a special case, and print such parts only of the record as may be necessary for the discussion of the same provided that nothing herein contained shall in any way prevent the Judicial Committee from ordering the full discussion of the whole case, if they shall so think fit, and that, in order to promote such arrangements and simplification of the matter in dispute, the said Registrar may call the parties before him, and having heard them, and examined the record may report to the Judicial Committee as to the nature of the proceedings.

Special case.

26 The Registrar of the Privy Council shall, as soon as the proof prints of the record are ready, give notice to all parties who have entered an appearance requesting them to attend at the Registry of the Privy Council at a time to be named in such notice in order to examine the said proof prints and compare the same with the certified record, and shall, for that purpose, furnish each of the said parties with one proof print. After the examination has been completed, the appellant shall, without delay, lodge his proof print duly corrected and (so far as necessary) approved by the respondent, and the Registrar of the Privy Council shall thereupon cause the copies of the record to be struck off from such proof print.

Examination of proof of record and striking off copies.

27 Each party who has entered an appearance shall be entitled to receive, for his own use, six copies of the record.

Number of copies of record for parties.

28 Subject to any special direction from the Judicial Committee to the contrary, the costs of and incidental to the printing of the record shall form part of the costs of the appeal, but the costs of and incidental to the printing of any document objected to by one party, in accordance with rule 18, shall, if such document is found on the taxation of costs to be unnecessary or irrelevant, be disallowed to, or borne by, the party insisting on including the same in the record.

How costs of printing record are to be borne.

Petition of Appeal.

29 The appellant shall lodge his petition of appeal—

- (a) Where the record arrives in England printed, within a period of four months from the date of such arrival in the case of appeals from Courts situate in any of the countries or places named in Schedule B hereto, and within a period of two months from the same date in the case of appeals from any other Courts ;
- (b) Where the record arrives in England written, within a period of one month from, but not before the date of the completion of the printing thereof :

Times within which petition shall be lodged.

Provided that nothing in this rule contained shall preclude the appellant from lodging his petition of appeal prior to the arrival of the record, or the completion of the printing thereof, if there are special reasons why, in the opinion of the Registrar of the Privy Council, it should be desirable for him to do so.

Form of
petition.

30 The petition of appeal shall be lodged in the form prescribed by rule 47 hereinafter contained. It shall recite succinctly and, as far as possible, in chronological order, the principal steps in the proceedings leading up to the appeal from the commencement thereof down to the admission of the appeal, but shall not contain argumentative matter or travel into the merits of the case.

Service of
petition.

31 The appellant shall after lodging his petition of appeal serve a copy thereof without delay on the respondent as soon as the latter has entered an appearance, and shall endorse such copy with the date of the lodgment.

Withdrawal of Appeal.

Withdrawal of
appeal before
petition of
appeal has been
lodged.

32 Where an appellant, who has not lodged his petition of appeal, desires to withdraw his appeal, he shall give notice in writing to that effect to the Registrar of the Privy Council, and the said Registrar shall, with all convenient speed after the receipt of such notice, by letter notify the Registrar of the Court appealed from that the appeal has been withdrawn, and the said appeal shall thereupon stand dismissed as from the date of the said letter without further order.

Withdrawal of
appeal after
petition of
appeal has been
lodged.

33 Where an appellant, who has lodged his petition of appeal, desires to withdraw his appeal, he shall present a petition to that effect to His Majesty in Council. On the hearing of any such petition a respondent who has entered an appearance in the appeal shall, subject to any agreement between him and the appellant to the contrary, be entitled to apply to the Judicial Committee for his costs, but where the respondent has not entered an appearance, or having entered an appearance consents in writing to the prayer of the petition, the petition may, if the Judicial Committee think fit, be disposed of in the same way *mutatis mutandis* as a consent petition under the provisions of rule 56 hereinafter contained.

Non-Prosecution of Appeal.

Dismissal of
appeal where
appellant takes
no step in
prosecution
thereof.

34 Where an appellant takes no step in prosecution of his appeal, within a period of four months from the date of the arrival of the record in England in the case of an appeal from a Court situate in any of the countries or places named in Schedule B hereto, or within a period of two months from the same date in the case of an appeal from any other Court, the Registrar of the Privy Council shall, with all convenient speed, by letter notify the Registrar of the Court appealed from that the appeal has not been prosecuted, and the appeal shall thereupon stand dismissed for non-prosecution as from the date of the said letter without further order, and a copy of the said letter shall be sent by the Registrar of the Privy Council to any respondent who has entered an appearance in the appeal.

Dismissal of
appeal for non-
prosecution
after appellant's
appearance and
before
lodgment of
petition of
appeal.

35 Where an appellant who has entered an appearance—

- (a) Fails to bespeak a copy of a written record, or of part of a written record, in accordance with, and within the periods prescribed by rule 22; or
- (b) Having bespoken such copy within the periods prescribed by rule 22, fails thereafter to proceed with due diligence, to take all such further steps as may be necessary for the purpose of completing the printing of the said record; or
- (c) Fails to lodge his petition of appeal within the periods respectively prescribed by rule 29;

the Registrar of the Privy Council shall call upon the appellant to explain his default, and, if no explanation is offered, or if the explanation offered is in the opinion of the said Registrar insufficient, the said Registrar shall, with all convenient speed, by letter notify the Registrar of the Court appealed from that the appeal has not been effectually prosecuted, and the appeal shall thereupon stand dismissed for non-prosecution as from the date of the said letter without further order, and a copy of the said letter shall be sent by the Registrar of the Privy Council to all the parties who have entered an appearance in the appeal.

36 Where an appellant, who has lodged his petition of appeal, fails thereafter to prosecute his appeal with due diligence, the Registrar of the Privy Council shall call upon him to explain his default, and if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar shall issue a summons to the appellant calling upon him to show cause before the Judicial Committee at a time to be named in the said summons why the appeal should not be dismissed for non-prosecution provided that no such summons shall be issued by the said Registrar before the expiration of one year from the date of the arrival of the record in England. If the respondent has entered an appearance in the appeal, the Registrar of the Privy Council shall send him a copy of the said summons, and the respondent shall be entitled to be heard before the Judicial Committee in the matter of the said summons at the time named and to ask for his costs and such other relief as he may be advised. The Judicial Committee may, after considering the matter of the said summons, recommend to His Majesty the dismissal of the appeal for non-prosecution, or give such other directions therein as the justice of the case may require.

Dismissal of appeal for non-prosecution after lodgment of petition of appeal.

37 An appellant whose appeal has been dismissed for non-prosecution may present a petition to His Majesty in Council praying that his appeal may be restored.

Restoring an appeal dismissed for non-prosecution.

Appearance by Respondent.

38 The respondent may enter an appearance at any time between the arrival of the record and the hearing of the appeal, but if he unduly delays entering an appearance he shall bear, or be disallowed, the costs occasioned by such delay, unless the Judicial Committee otherwise direct.

Time within which respondent may appear.

39 The respondent shall forthwith after entering an appearance give notice thereof to the appellant, if the latter has entered an appearance.

Notice of appearance by respondent.

40 Where there are two or more respondents, and only one, or some, of them enter an appearance, the appearance form shall set out the names of the appearing respondents.

Form of appearance where all the respondents do not appear.

41 Two or more respondents may, at their own risk as to costs, enter separate appearances in the same appeal.

Separate appearances.

42 A respondent who has not entered an appearance shall not be entitled to receive any notices relating to the appeal from the Registrar of the Privy Council, nor be allowed to lodge a case in the appeal.

Non-appearing respondent not entitled to receive notices or lodge case.

43 Where a respondent fails to enter an appearance in an appeal, the following rules shall, subject to any special order of the Judicial Committee to the contrary, apply:—

Procedure on non-appearance of respondent.

- (a) If the non-appearing respondent was a respondent at the time when the appeal was admitted, whether by the order of the Court appealed from or by an order of His Majesty in Council giving the appellant special leave to appeal, and it appears from the terms of the said order, or Order in Council or otherwise from the record, or from a certificate of the Registrar of the Court appealed from that the said non-appearing respondent has received notice, or was otherwise aware of the order of the Court appealed from admitting the appeal, or of the Order of His Majesty in Council giving the appellant special leave to appeal, and has also received notice, or was otherwise aware of the dispatch of the record to England, the appeal may, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the said non-appearing respondent at any time after the expiration of three months from the date of the lodging of the petition of appeal;

(b) If the non-appearing respondent was made a respondent by an Order of His Majesty in Council subsequently to the admission of the appeal, and it appears from the record, or from a supplementary record, or from a certificate of the Registrar of the Court appealed from that the said non-appearing respondent has received notice, or was otherwise aware, of any intended application to bring him on the record as a respondent, the appeal may, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the said non-appearing respondent at any time after the expiration of three months from the date on which he shall have been served with a copy of His Majesty's Order in Council bringing him on the record as a respondent :

Provided that where it is shown to the satisfaction of the Registrar of the Privy Council, by affidavit or otherwise, either that an appellant has made every reasonable endeavour to serve a non-appearing respondent with the notices mentioned in clause (a) and (b), respectively, and has failed to effect such service, or that it is not the intention of the non-appearing respondent to enter an appearance to the appeal, the appeal may, without further order in that behalf and at the risk of the appellant, be proceeded with *ex parte* as against the said non-appearing respondent.

Respondent
defending
appeal in
forma pauperis.

44 A respondent who desires to defend an appeal *in forma pauperis* may present a petition to that effect to His Majesty in Council, which petition shall be accompanied by an affidavit from the petitioner stating that he is not worth £25 in the world excepting his wearing apparel and his interest in the subject-matter of the appeal.

Petitions Generally.

Mode of
addressing
petitions.

45 All petitions for orders or directions as to matters of practice or procedure arising after the lodging of the petition of appeal and not involving any change in the parties to an appeal shall be addressed to the Judicial Committee. All other petitions shall be addressed to His Majesty in Council, but a petition which is properly addressed to His Majesty in Council may include, as incidental to the relief thereby sought, a prayer for orders or directions as to matters of practice or procedure.

Orders on
petitions which
need not be
drawn up.

46 Where an order made by the Judicial Committee does not embody any special terms or include any special directions, it shall not be necessary to draw up such order, unless the Committee otherwise direct, but a note thereof shall be made by the Registrar of the Privy Council.

Form of
petition and
number of
copies to be
lodged.

47 All petitions shall consist of paragraphs numbered consecutively and shall be written, typewritten, or lithographed, on brief paper with quarter margin, and endorsed with the name of the Court appealed from the full title and Privy Council number of the appeal to which the petition relates or the full title of the petition (as the case may be), and the name and address of the London agent (if any) of the petitioner, but need not be signed, except as provided by rule 3. Unless the petition is a consent petition within the meaning of rule 56 at least five copies thereof shall be lodged.

Caveat.

48 Where a petition is expected to be lodged, or has been lodged which does not relate to any pending appeal of which the record has been registered in the Registry of the Privy Council, any person claiming a right to appear before the Judicial Committee on the hearing of such petition may lodge a caveat in the matter thereof, and shall thereupon be entitled to receive from the Registrar of the Privy Council notice of the lodging of the petition, if at the time of the lodging of the caveat such petition has not yet been lodged, and if and when the petition has been lodged, to require the petitioner to serve him with a copy of the petition, and to furnish him at his own expense, with copies of any papers lodged by the petitioner in support of his petition. The caveator shall forthwith, after lodging his caveat, give notice thereof to the petitioner, if the petition has been lodged.

49 Where a petition is lodged in the matter of any pending appeal of which the record has been registered in the Registry of the Privy Council, the petitioner shall serve any party who has entered an appearance in the appeal with a copy of such petition, and the party so served shall thereupon be entitled to require the petitioner to furnish him at his own expense with copies of any papers lodged by the petitioner in support of his petition.

Service of
petition.

50 A petition not relating to any appeal of which the record has been registered in the Registry of the Privy Council, and any other petition containing allegations of fact which cannot be verified by reference to the registered record or any certificate or duly authenticated statement of the Court appealed from shall be supported by affidavit. Where the petitioner prosecutes his petition in person, the said affidavit shall be sworn by the petitioner himself and shall state that, to the best of the deponent's knowledge, information, and belief, the allegations contained in the petition are true. Where the petitioner is represented by an agent, the said affidavit shall be sworn by such agent and shall, besides stating that to the best of the deponent's knowledge, information, and belief, the allegations contained in the petition are true, show how the deponent obtained his instructions and the information enabling him to present the petition.

54 On each day appointed by the Judicial Committee for the hearing of petitions the Registrar of the Privy Council shall, unless the Committee otherwise direct, put in the paper for hearing all such petitions as have been set down, provided that, in the absence of special circumstances of urgency to be shown to the satisfaction of the said Registrar, no petition if opposed shall be put in the paper for hearing before the expiration of ten clear days from the lodging thereof, unless the opponent consents to the petition being put in the paper on an earlier day.

57 A petitioner who desires to withdraw his petition shall give notice in writing to that effect to the Registrar of the Privy Council. Where the petition is opposed the opponent, shall, subject to any agreement between the parties to the contrary, be entitled to apply to the Judicial Committee for his costs, but where the petition is unopposed, or where in the case of an opposed petition, the parties have come to an agreement as to the cost of the petition, the petition may,

66 Subject as hereinafter provided, the party who lodges his case first may, at any time after the expiration of three clear days from the day on which he has given the other party the notice prescribed by the last-preceding rule, serve such other party, if the latter has not in the meantime lodged his case with a "Case Notice," requiring him to lodge his case within one month from the date of the service of the said case notice and informing him that, in default of his so doing, the appeal will be set down for hearing *ex parte* as against him, and if the other party fails to comply with the said case notice, the party who has lodged his case may, at any time after the expiration of the time limited by the said case notice for the lodging of the case, lodge an affidavit of service (which shall set out the terms of the said case notice), and the appeal shall thereupon, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the party in default: Provided that no case notice shall be served until after the completion of the printing, or rearrangement under rule 12, of the record, and also that nothing in this rule contained shall preclude the party in default from lodging his case, at his own risk as regards costs and otherwise, at any time up to the date of hearing.

67 Subject to the provisions of rule 43 and of the last preceding rule, an appeal shall be set down *ipso facto* as soon as the cases on both sides are lodged, and the parties shall thereupon exchange cases by handing one another, either at the offices of one of the agents or in the Registry of the Privy Council, ten copies of their respective cases.

The front cover shall bear a printed label stating the title and Privy Council number of the appeal, the contents of the volume and the names and addresses of the London agents. The several documents indicated by incuts shall be arranged in the following order: (1) appellant's case; (2) respondent's case; (3) record (if in more than one part, showing the separate parts by incuts, all parts being paged at the top of the page); (4) supplemental record (if any); and the short title and Privy Council number of the appeal shall also be shown on the back.

All coal shipped shall be of large size, and free from stone, shale, and other foreign matter. Indian coal shall be inspected by the Officers of the Mining Engineer's Department of the Railway Board of India, who shall reject any coal which, in their opinion, is inferior to that contracted for. *The fees for inspection must be paid by the contractors.*

2. Tenders will only be considered with respect to coals which have been recently in current use on the Railway, or have been recently tested, or of which samples have been submitted for testing purposes in connection with this contract, as specified in clause 3 below. In the case of coals used or tested in connection with recent previous contracts, tenderers will be required to guarantee a contract supply of similar quality to coals previously used or tested.

3. In the case of coals not previously used or tested samples must be immediately submitted for testing purposes. The samples must be delivered at the Mutwal Coal Grounds, in lots of 30 tons packed in bags, and with the names of the coals labelled on each bag. Sample coals will be paid for at the current contract rate per ton. No coal will be tested unless it is of good Railway repute and is in use on Railway trunk lines, and tenderers must produce satisfactory evidence to this effect.

4. The tenders should give full particulars of the source of supply including the name of the colliery and seam from which the coal will be supplied and the price per ton, cost, and freight, Colombo. *In the case of Indian coal the classification of the coal under the Government of India's Coal Grading Board notifications must be stated.* The price tendered must be net, but it is to be distinctly understood that should any further rebates come into operation between the date of receipt of tenders and the date of completion of deliveries such rebates shall be credited to buyer's account.

5. The coal is to be shipped in approximately equal quantities each month. Dates of arrival must be so arranged that only one ship will be discharging coal for the Railway at one time. The first cargo to arrive in Colombo as near as possible to October 1, 1928, and delivery of the whole quantity to be completed by September 30, 1928.

6. The quantity of each shipment of Indian coal will be determined by Marine Surveyors appointed by the General Manager. Payment will be made to the contractor for each separate shipment on completion of discharge in Colombo according to the quantity specified in the bill of lading, but deducting therefrom an amount equal to 2 per cent. for wastage. A survey report or other proof of correct shipment must be furnished by suppliers in the case of coal from other sources.

7. The suppliers shall inform the General Manager by telegraph immediately the steamers commence to load stating the probable date of sailing, and shall again telegraph immediately the vessel has sailed. Plans showing the various holds and the quantity of coal in each bill of lading, and invoices must be transmitted by the contractor to the Railway Storekeeper immediately the vessels are ready for sea. The bills of lading are to be prepared in accordance with the terms of the contract.

8. The coal must be delivered over ship's side free of all freight and charges, into craft, steamer, floating depot, or pier in Colombo Harbour as the General Manager may direct. The General Manager reserves the right to appoint the discharging stevedores.

9. Should the General Manager of the Railway require it, the coal shall be discharged from the steamers at the rate of not less than 1,000 tons per working day, but the General Manager shall not be bound to accept delivery at the rate of more than 500 tons per day, nor shall he be required to take delivery of any coal on Sundays or the days called charter party holidays defined in the calendar published by the Ceylon Chamber of Commerce.

10. Tenders are to be made on forms which will be supplied upon application at the Office of the Railway Storekeeper, and no tender will be considered unless it is on the recognized form. Alterations must be initialled, otherwise the tenders may be treated as informal and rejected.

Whenever any coal is so rejected the contractors shall at their own cost and expense remove the rejected coal, and pending removal the coal shall remain and be at the risk of the contractors, and the contractors shall, in addition to any other penalty, be liable to refund to the General Manager the cost incurred in landing such rejected coal, and the cost so incurred, when certified under the hand of the General Manager, shall be deemed final and conclusive.

21. Should the contractor fail to supply coal in the quantities and the time agreed upon, or should he supply coal inferior in quality to the sample submitted, or should he commit a breach of any of the covenants of the contract, the General Manager shall be at liberty by noticing, in writing to forthwith determine the contract, and thereupon the contractor will be liable to pay to the General Manager all costs and expenses incurred by the failure to supply coal, or by the breach any other covenant of the contract, and shall in addition be liable to forfeit the sum of Rs. 12,000 deposited by him as security, which said sum of Rs. 12,000 shall be paid and forfeited as liquidated damages and not by way of a penalty and shall not be deemed to include the costs and expenses hereinbefore referred to.

23. The purchase price of any coal delivered to and accepted by the General Manager after September 30, 1929, shall be subject to a deduction as damages of 10 per cent. on their value, and such deduction shall be regarded as a reasonable pre-estimate of actual damage which the General Manager will and may sustain by reason of the default of the contractor to complete delivery within the specified time, and shall for all purposes be deemed to be and regarded as liquidated damages and not as a penalty.

24. In the case of failure on the part of the contractor to supply the entire quantity of coal before September 30, 1929, it shall be lawful for the General Manager in his discretion, by reason of such default and breach of contract on the part of the contractor, either to grant the contractor once or oftener an extension of time for the delivery of such quantity of coal as the contractor has failed to supply (subject to a deduction of 10 per cent. on their purchase price) or to purchase in the open market at whatever price he may deem fit and reasonable such quantity of coal as the contractor has failed to supply before September 30, 1929. If the coal so purchased in the open market costs more

than the contract price, such excess cost shall be recovered in addition to the forfeiture of the security money as provided for hereinbefore in clause 21.

25. In the event of the General Manager in his discretion electing not to grant the contractor an extension of time, but to purchase on cause to be purchased in the open market such quantity of coal, as the contractor shall have failed to deliver before September 30, 1929, the General Manager shall give to the contractor 30 days' notice in writing of his intention so to purchase in the open market.

26. It shall be considered sufficient delivery of any notice or notices aforesaid if they are posted to the registered office of the contractor, and if the said contractor shall change his office he shall forthwith notify to the said General Manager such change and till such notification the post of notice or notices to the original address shall be deemed sufficient delivery of such notice.

27. 28. If any difference or dispute shall arise between the parties of this contract as to the true intent and meaning of any of the conditions herein contained, such difference or dispute shall be referred to a board of arbitration, of which each party shall appoint one arbitrator, and the two arbitrators so appointed shall, before proceeding with the reference, appoint an umpire. The award of the arbitrators and umpire, or of the majority of them, shall be conclusive and binding on both parties hereto. The losing party shall bear the costs of the arbitration.

29. The General Manager of the Railway may deduct from sums payable to the contractor all sums payable to the Ceylon Government by the contractor under his contract, or such sums may be recovered by action at law.

30. The decision of the General Manager of the Railway as to whether the contractor has been guilty of any breach of his contract, and upon all questions arising out of or incidental to the contract, shall be final and conclusive, and the contractor shall be bound thereby.

31. No contract shall be entered into with any person whose name is on the list of Crown defaulting contractors, either individually or jointly with any other person, nor shall the contractor employ any person whose name is on such list, or any other person to whom the General Manager, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

32. In the event of war, or disturbance, or strike, or lockout of pitmen, or labourers, or pestilence, or epidemical sickness, or earthquakes, fires, storms, or floods, or other hindrances affecting the contract, being the act of God or beyond the control of the parties to this contract, the contract shall be subject to such modification as the circumstances may warrant.

47. *Certificates of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Agents or Secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

48. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted or otherwise disposed of under Article 45 hereof, shall be redeemable after sale or disposal.

49. *Company's Lien on Shares.*—The Company shall have a first and paramount lien upon all the shares registered in the name of each Shareholder (whether solely or jointly with others) and upon the proceeds of sale thereof for his debts, liabilities, and engagements, solely or jointly with any other person to or with the Company, whether the period for the payment, fulfilment, or discharge thereof shall have actually arrived or not, and no equitable interest, in any share shall be created except upon the footing and condition that Article 20 hereof is to have full effect, and such lien shall extend to all dividends from time to time declared in respect of such shares and to all moneys paid in advance of calls thereon. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

50. *Lien how made Available and Proceeds how Applied.*—For the purpose of enforcing such lien the Board may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such time as the moneys are presently payable, and notice in writing stating the amount due, giving notice of intention to sell in default shall have

been served on such Shareholder or the person (if any) entitled by transmission to the shares and default shall have been made for seven clear days after such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities, and engagements aforesaid, and the residue (if any) shall be paid to the Shareholder or the person (if any) entitled by transmission to the shares or who would be so entitled but for such sale. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

51. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Agents or Secretaries that the power of sale given by Article 50 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

52. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

PREFERENCE SHARES.

53. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution, determine.

54. *Modification of Rights and Consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions, consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

55. *Meeting affecting a Particular Class of Shares.*—Any meeting for the purpose of the last preceding Article shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded by the Chairman or in writing by any Shareholder personally present and entitled to vote at the meeting. A Director although not a holder of shares of the class affected may act as proxy at any such meeting.

CALLS.

56. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

57. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board meeting of the Directors or was signed in terms of Article 127.

58. *Extension of Time for Payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

59. *Interest on unpaid Calls.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this Article. Any sum whether payable on account of the amount of the share or by way of premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purposes of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture and the like, and all other the relevant provisions of these presents, shall apply as if such sum, premium, or instalment were a call duly made and notified as hereby provided.

60. *Payments in Anticipation of Calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount due upon the shares held by him beyond the sum actually called up.

BORROWING POWERS.

61. *Power to Borrow.*—The Directors shall have power from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, at such rate of interest and on such terms as the Directors think fit, but so that the amount at any one time owing in respect of principal moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Two hundred thousand Rupees (Rs. 200,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the re-payment of any such principal sum or sums of money so borrowed or raised as aforesaid and interest create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage, issue any debentures or create any

debenture stock they shall obtain the sanction thereto of the Company in General Meeting whether ordinary or extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agents or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

- (1) Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and deposited at the office and may consist of several documents in like form each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the deposit of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the requisitionists convening the meeting may themselves fix, but any meeting so convened shall not be held after three months from the date of such deposit.
- (2) If at any such meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution; and if the Board do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists, or a majority of them in value, may themselves, convene the meeting.

66. Any General Meeting (whether Ordinary or Extraordinary) convened by the Directors, unless the time thereof shall have been fixed by the Company in General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is in Article 65 hereof mentioned may be postponed by the Directors by notice in writing, and the meeting shall subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business covered by the original notice.

69. *Two Meetings convened by One Notice.*—Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

70. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and consider the profit and loss account (if any), the balance sheet of the Company, the reports of the Directors and Auditors, to elect Directors, Auditors, and other officers in place of those retiring, to fix the remuneration of the Directors and Auditors, to sanction and declare dividends and to transact any business which under these presents ought to be transacted at an Ordinary General Meeting and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been made in the notice or notices upon which the meeting was convened.

VOTING AT MEETINGS.

78. *Votes.*—At any meeting every resolution shall in the first instance be decided by a show of hands. In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and unless a poll be immediately demanded by the Chairman or in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

79. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded. The demand for a poll may be withdrawn.

80. *Poll how taken.*—If at any meeting a poll be demanded by the Chairman or by a notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman the meeting shall if necessary be adjourned and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been taken shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

141. *Reserve Fund.*—Previously to the Directors paying or recommending any dividend on preference or ordinary shares, they may set aside out of the profits of the Company, such sum as they think proper as a reserve fund, and may invest the same in such securities as they shall think fit (subject to the provisions of Article 3 hereof) or place the same on fixed deposit in any bank or banks, and may from time to time deal with, vary or realize such securities and dispose of all or any part thereof for the benefit of the Company. The Directors may divide the reserve fund into such special funds as they think fit, with full power to employ the assets constituting the reserve fund in the business of the Company, and that without being bound to keep the same separate from the other assets, and the Directors may also carry forward any profits which they may deem it not prudent to divide.

142. *Application thereof.*—The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for the payment of accumulated dividends due on preference shares or for equalizing dividends, or for working the business of the Company or for repairing or maintaining or extending the buildings and premises or for the repair or renewal or extension of the property or plant connected with the business of the Company or any part thereof, or for any other purpose of the Company which they may from time to time deem expedient.

143. *Capitalization of Reserve.*—The Company in General Meeting may at any time and from time to time pass a resolution that any sum not required for the payment or provision of any fixed preferential dividend and (a) for the time being standing to the credit of any reserve fund or reserve account of the Company, including premiums received on the issue of any shares or debentures of the Company or any sum arising from any operation creating an excess of assets on capital account, or (b) being undivided net profits in the hands of the Company, be capitalized, and that such sum be set free for distribution and be appropriated as capital to and amongst the Shareholders in the shares and proportions in which they would have been entitled thereto if the same had been distributed by way of dividend, and in such manner as the resolution may direct, and such resolution shall be effective provided that such powers shall not be exercised unless recommended by the Board, and the Directors shall, in accordance with such resolution, apply such sum in paying up in full (or, with the consent of the Shareholders, in part) any unissued shares or debentures or other obligations of the Company on behalf of the Shareholders, and appropriate such share or debentures or other obligations, and distribute the same credited as fully paid up (or, as the case may be, partly paid up) amongst the Shareholders in the proportions aforesaid in satisfaction of their shares and interests in the said capitalized sum, or shall apply such sum or any part thereof on behalf of the Shareholders in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued shares held by such Shareholders or otherwise deal with such sum as directed by such resolution. Where any difficulty arises in respect of any such distribution, the Directors may settle the same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any shares or debentures or other obligations, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights, and vest any such shares or debentures or other obligations in trustees upon such trusts for the persons entitled to share in the appropriation and distribution as may seem just and expedient to the Directors.

144. *Unpaid Interest or Dividend not to bear Interest.*—No unpaid interest or dividend shall ever bear interest against the Company.

145. *No Shareholder to receive Dividend while Debt due to Company.*—No Shareholder shall be entitled to receive payment of any dividend in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

146. *Directors may deduct Debt from the Dividends.*—The Directors may deduct from the dividend payable to any Shareholder all sums of money due from him (whether alone or jointly with any other person) to the Company, and notwithstanding such sums shall not be payable until after the date when such dividend is payable.

147. *Dividends may be paid by Cheque or Warrant and sent through the Post.*—Unless otherwise directed, any dividends may be paid by cheque or warrant sent through the post to the registered address of the Shareholder entitled, or, in the case of joint-holders, to the registered address of that one whose name stands first on the register in respect of the joint-holding; but the Company shall not be liable or responsible for the loss of any such cheque or dividend warrant sent through the post.

148. *Notice of Dividend: Forfeiture of Unclaimed Dividend.*—Notice of all dividends to become payable shall be given to each Shareholder entitled thereto; and all dividends unclaimed by any Shareholder for three years after notice thereof is given, may be forfeited by a resolution of the Board of Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund. For the purposes of this Article any cheques or warrants which may be issued for dividends and may not be presented at the Company's bankers for payment within 3 years shall rank as unclaimed dividends.

149. *Shares held by a Firm.*—Every dividend payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

150. *Joint-Holders other than a Firm.*—Every dividend payable in respect of any share held by several persons jointly, other than a firm, may be paid to, and an effectual receipt given by, any one of such persons.

162. *Notice to Joint-Holders of Shares other than a Firm.*—All notices directed to be given to Shareholders shall, with respect to any share to which persons other than a firm are jointly entitled, be sufficient if given to any one of such persons, and notice so given shall be sufficient notice to all the holders of such shares.

163. *Date and Proof of Service.*—Any notice if served by post, shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post box or posted at a post office and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

The transfer notice may include several shares, and in such case shall operate as if it were a separate notice in respect of each, and shall specify the denoting number of each share which the proposing transferor desires to sell. A transfer notice shall not be revocable except with the sanction of the Directors.

(3) If the Company shall within the space of ninety days after being served with such notice, find a Shareholder willing to purchase the share at the proposing transferor's price (hereinafter called "the purchasing Shareholder"), and give notice thereof to the proposing transferor, the latter shall be bound, upon payment of the said price, to transfer the share to the purchasing Shareholder.

(4) If in any case the proposing transferor, after having become bound as aforesaid makes default in transferring any share, the Company may receive the purchase money and shall thereupon cause the name of the purchasing Shareholder to be entered in the Register as the holder of that share, and shall hold the purchase money in trust for the proposing transferor. (6) The Company in General Meeting may make, and from time to time vary, rules as to the mode in which any shares specified in any transfer notice shall be offered to the Shareholders, and as to their rights in regard to the purchase thereof, and in particular may give any Shareholder, or class of Shareholders a preferential right to purchase the same. Until otherwise determined, all shares offered for sale shall be divided among the purchasing Shareholders in the proportions as nearly as possible in which they already hold shares in the Company: provided that no proposing purchaser shall be liable to take more shares than those he shall have offered to purchase, and any shares which cannot be so divided as aforesaid without creating fractions shall be apportioned by lot among the purchasing Shareholders.

(7) Any share may be transferred by a Shareholder to any child or other issue, son-in-law, daughter-in-law, father, mother, brother, sister, nephew, niece, wife, or husband of a Shareholder and any share of a deceased Shareholder may be transferred by his executors or administrators to any trustees under the will of any such deceased Shareholder, or to any child or other issue, son-in-law, daughter-in-law, father, mother, brother, sister, nephew, niece, widow, or widower of such deceased Shareholder, to whom such deceased Shareholder may have bequeathed the same, either specially or as part of the residuary estate of such deceased Shareholder and shares standing in the name of the trustees of the will of any deceased Shareholder may be transferred to any beneficiary as aforesaid under the will, or upon any change of trustees, to the trustees for the time being of such will, and the restrictions in sub-clause (1) of this Article contained shall not apply to any transfer authorized by this sub-clause.

33. *Board may decline to register Transfers.*—The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company has a lien or otherwise; or to any person not approved by them, but the latter restriction shall not apply where the proposed transferee is already a Shareholder nor to a transfer made pursuant to Article 29 (7) hereof.

34. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

35. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of Rs. 2.50 or such other sum as the Directors shall from time to time determine, must be paid; and thereupon the Directors subject to the powers vested in them by Articles 33, 34, and 36, shall register the transferee as a Shareholder and retain the instrument of transfer.

36. *Directors may authorize Registration of Transferees.*—The Directors may, by such means as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

37. *Directors not bound to inquire as to Validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but, if at all, upon the transferee only.

38. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the First Ordinary General Meeting; also, when a dividend is declared for the three days next ensuing the meeting; also at such other times as the Directors may decide, not exceeding in the whole twenty-one days in any one year.

TRANSMISSION OF SHARES.

39. *Title to Shares of Deceased Holder.*—Subject and without prejudice to the provisions of Article 18 hereof the executors, or administrators, or the heirs of a deceased Shareholder shall be the only persons recognized by the Company, as having any title to shares of such Shareholder.

40. *Registration of Persons entitled to Shares otherwise than by Transfer.*—Any curator of any minor Shareholder, any committee of a lunatic Shareholder or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article, or of his title, as may from time to time be required by the Directors, and with the consent of the Directors (which they shall not be under any obligation to give) be registered as a Shareholder in respect of such shares on payment of a fee of Rs. 2.50; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

41. *Curator of Minor, &c., when not entitled to vote.*—The curator of a minor Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator or heir of any deceased Shareholder, shall not be entitled to receive notice of or to attend or vote at meetings of the Company or save as aforesaid, and save as regards the receipt of such dividends as the Board shall not elect to retain, to exercise any of the rights and privileges of a Shareholder, unless and until he shall have been registered as the holder of the shares.

SURRENDER AND FORFEITURE OF SHARES.

42. *If Call or Instalment not paid, Notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, at the rate of 9 per cent. per annum, and all expenses that may have been incurred by the Company by reason of such non-payment.

43. *Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) on and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid; the notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

44. *In default of Payment Shares to be Forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

45. *Shareholder still liable to pay Money owing at Time of Forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of forfeiture, together with interest thereon at 9 per cent. per annum, from the time of forfeiture until payment and the Directors may enforce the payment thereof if they think fit.

46. *Surrendered or Forfeited Shares to be the Property of the Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

47. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

48. *Certificates of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the agents or secretaries that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company; such purchaser thereupon shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

49. *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 46 hereof, shall be redeemable after sale or disposal.

50. *Company's lien on Shares.*—The Company shall have a first and paramount lien upon all the shares registered in the name of each Shareholder (whether solely or jointly with others) and upon the proceeds of sale thereof, for his debts, liabilities, and engagements, solely or jointly with any other person, to or with the Company, whether the period for the payment, fulfilment, or discharge thereof shall have actually arrived or not, and no equitable interest in any share shall be created except upon the footing and condition that Article 20 hereof is to have full effect, and such lien shall extend to all dividends from time to time declared in respect of such shares and to all moneys paid in advance of calls thereon. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien (if any) on such shares.

51. *Lien how made available and Proceeds how applied.*—For the purpose of enforcing such lien the Board may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such time as the moneys are presently payable, and notice in writing stating the amount due, and giving notice of intention to sell in default shall have been served on such Shareholder or the person (if any) entitled by transmission to the shares and default shall have been made for seven clear days after such notice. The nett proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities, and engagements aforesaid, and the residue (if any) shall be paid to the Shareholder or the person (if any) entitled by transmission to the shares or who would be so entitled but for such sale. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

52. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the agents or secretaries that the power of sale given by Article 51 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the fact therein stated.

53. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such share.

PREFERENCE SHARES.

54. *Preference and deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference) or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may, from time to time, by special resolution determine.

55. *Modification of Rights and Consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue of creation of any shares ranking equally therewith, or having any priority thereto, or the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares.
- (2) All or any of the rights, privileges, and conditions attached to each class may be commuted, abrogated, abandoned, added to, or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition, or other modification of such rights, privileges, and conditions consent thereto on behalf of all the holders of shares of the class, by an extraordinary resolution passed at a meeting of such holders.

Any extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolution could have been effected without it.

56. *Meeting affecting a Particular Class of Shares.*—Any meeting for the purpose of the last preceding Article shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company; provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded by the Chairman or in writing by any Shareholder personally present and entitled to vote at the meeting. A Director although not a holder of shares of the class affected may act as proxy at any such meeting.

CALLS.

57. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the registered holders of shares, in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call.

58. *Calls, Time when made.*—A call shall be deemed to have been made at the time when the resolution authorizing the call was passed at a Board Meeting of the Directors or was signed in terms of Article 128.

59. *Extension of Time for Payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

60. *Interest on Unpaid Calls.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of 9 per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this Article. Any sum whether payable on account of the amount of the share or by way of premium which by the terms of allotment of a share is made payable upon allotment or at any fixed date, and any instalment of a call or premium shall, for all purposes of these presents, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of these presents as to payment of interest and expenses, forfeiture, and the like, and all other the relevant provisions of these presents, shall apply as if such sum, premium, or instalment were a call duly made and notified as hereby provided.

61. *Payments in Anticipation of Calls.* The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount due upon the shares held by him beyond the sum actually called up.

BORROWING POWERS.

62. *Power to Borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting

maintaining, improving, or extending buildings, machinery, or plantations or otherwise. Also from time to time, at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, at such rate of interest and on such terms as the Directors think fit, but so that the amount at any one time owing in respect of principal moneys so borrowed or raised shall not, without the sanction of a General Meeting, exceed the sum of Fifty thousand Rupees (Rs. 50,000). The Directors shall, with the sanction of a General Meeting, be entitled to borrow or raise such further sum or sums, and at such rate of interest as such meeting shall determine. The Directors may, for the purpose of securing the re-payment of any such principal sum or sums of money so borrowed or raised, in pursuance of the powers hereinbefore contained, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds or obligations of the Company, charged upon all or any part of the undertaking, revenue property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided that before the Directors execute any mortgage issue any debentures or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary, notice of the intention to obtain such sanction at such meeting having been duly given. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied, or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the agents or secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.

MEETINGS.

63. *First General Meeting.*—The First General Meeting of the Company shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

64. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is proscribed, at such time and place as may be determined by the Directors.

- (1) Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and deposited at the office and may consist of several documents in like form each signed by one or more of the requisitionists. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the deposit of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the requisitionists convening the meeting may themselves fix, but any meeting so convened shall not be held after 3 months from the date of such deposit.
- (2) If at any such Meeting a resolution requiring confirmation at another meeting is passed, the Board shall forthwith convene a further Extraordinary General Meeting for the purpose of considering the resolution, and, if thought fit, of confirming it as a special resolution; and if the Board do not convene the meeting within seven days from the date of the passing of the first resolution, the requisitionists, or a majority of them in value, may themselves convene the meeting.

67. Any General Meeting (whether Ordinary or Extraordinary) convened by the Directors, unless the time thereof shall have been fixed by the Company in General Meeting, or unless such General Meeting be convened in pursuance of such requisition as is in Article 66 hereof mentioned may be postponed by the Directors by notice in writing, and the meeting shall subject to any further postponement or adjournment, be held at the postponed date for the purpose of transacting the business covered by the original notice.

70. *Two Meetings convened by one Notice.*—Where it is proposed to pass a special resolution the two meetings may be convened by one and the same notice, and it is to be no objection to such notice that it only convenes the second meeting contingently on the resolution being passed by the requisite majority at the first meeting.

71. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat to receive and consider the profit and loss account (if any), the balance sheet of the Company, the reports of the Directors and Auditors, to elect Directors, Auditors, and other officers in place of those retiring, to fix the remuneration of the Directors and Auditors, to sanction and declare dividends and to transact any business which under these presents ought to be transacted at an Ordinary General Meeting and shall also be competent to enter upon, discuss, and transact any business whatever of which special mention shall have been made in the notice or notices upon which the meeting was convened.

72. *Notice of other Business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

73. *Quorum to be present.*—No business shall be transacted at any General Meeting unless there shall be present in person at the commencement of the business two or more persons, being Shareholders entitled to vote, or persons being proxies or attorneys of Shareholders entitled to vote.

75. *Chairman of Directors or a Director to be Chairman of General Meeting: in case of their absence or refusal, a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether ordinary or extraordinary; but if there be no Chairman, or if at any meeting he shall not be present within 15 minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

In case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the votes to which he may be entitled as a Shareholder and unless a poll be immediately demanded by the Chairman or in writing by some Shareholder present at the meeting and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the minute book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

80. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner, and at such time and place as the Chairman shall direct and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded. The demand for a poll may be withdrawn.

81. *Poll how taken.*—If at any meeting a poll be demanded by the Chairman or by a notice in writing signed by some Shareholder present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall if necessary be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided, and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been taken shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy and attorney, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

85. *Non-Shareholder not to be appointed Proxy; but Attorney though not Shareholder may vote.*—No person shall be appointed a proxy who is not a Shareholder of the Company, but the attorney of a Shareholder, even though not himself a Shareholder of the Company, may represent and vote for his principal at any meeting of the Company, or of any class of Shareholders of the Company.

138. *Division of Profits.*—Subject to the rights of holders of shares issued upon special conditions and to any arrangement that may be made by the Company to the contrary and subject as to shares not fully paid up to any special arrangement made as regards money paid in advance of calls, and subject to the provisions of these presents as to reserve fund, the profits of the Company shall be divisible among the Shareholders in proportion to the capital paid or credited as paid on the shares held by them respectively.

139. *Declaration of Dividends.*—The Company in General Meeting may declare a dividend to be paid to the Shareholders according to their rights and interests in the profits and may fix the time for payment. Provided always that if share shall have been issued during the course of a financial year the holder thereof shall, subject to any arrangement made by the Directors to the contrary, only be entitled to have paid to him in respect of dividends on such shares a proportionate part of the dividends for such financial year calculated on the proportionate part of the year from the date on which such share were allotted treating such dividends as earned rateably over the whole year. No dividend shall be payable out of the capital of the Company, and the declaration of the Board as to the amount available for dividend shall be conclusive. No dividend shall exceed the amount recommended from time to time by the Board, but the Company in General Meeting may declare a smaller dividend.

140. *Payment of Dividend in Specie.*—Any General Meeting may direct payment of any dividend declared at such meeting or of any interim dividends which may subsequently be declared by the Directors, wholly or in part in sterling by means of drafts or cheques on London, or by the distribution of specific assets and in particular of paid-up shares, debentures, or debenture stock of the Company or of any other company, or in any other form of specie, or in any one or more of such ways, and the Directors shall give effect to such direction; and where any difficulty arises in regard to the distribution, they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed, in order to adjust the rights of all parties and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the board.

141. *Interim Dividend.*—The Directors may, also if they think fit, from time to time and at any time, without the sanction of a General Meeting, determine on and declare an interim dividend to be paid, and (or) pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

142. *Reserve Fund.*—Previously to the Directors paying or recommending any dividend on preference or ordinary shares, they may set aside out of the profits of the Company such sum as they think proper as a reserve fund, and may invest the same in such securities as they shall think fit (subject to the provisions of Article 3 hereof) or place the same on fixed deposit in any bank or banks, and may from time to time deal with, vary, or realize such securities and dispose of all or any part thereof for the benefit of the Company. The Directors may divide the reserve fund into such special funds as they think fit, with full power to employ the assets constituting the reserve fund in the business of the Company, and that without being bound to keep the same separate from the other assets, and the Directors may also carry forward any profits which they may deem it not prudent to divide.

143. *Application thereof.*—The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for the payment of accumulated dividends due on preference shares, or for equalizing dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises, or for the repair or renewal or extension of the property or plant connected with the business of the Company or any part thereof, or for any other purpose of the Company which they may from time to time deem expedient.

144. *Capitalization of Reserve.*—The Company in General Meeting may at any time and from time to time pass a resolution that any sum not required for the payment or provision of any fixed, preferential dividend and (a) for the time being standing to the credit of any reserve fund or reserve account of the Company, including premiums received on the issue of any shares or debentures of the Company or any sum arising from any operation creating an excess of assets on capital account, or (b) being undivided net profits in the hands of the Company, be capitalized, and that such sum be set free for distribution and be appropriated as capital to and amongst the Shareholders in the shares and proportions in which they would have been entitled thereto if the same had been distributed by way of dividend on the shares and in such manner as the resolution may direct, and such resolution shall be effective provided that such powers shall not be exercised unless recommended by the Board, and the Directors shall, in accordance with such resolution, apply such sum in paying up in full (or, with the consent of all the Shareholders, in part) any unissued shares or debentures or other obligations of the Company on behalf of the Shareholders and appropriate such shares or debentures or other obligations and distribute the same credited as fully paid up (or, as the case may be, partly paid up) amongst such Shareholders in the proportions aforesaid in satisfaction of their shares and interests in the said capitalized sum, or shall apply such sum or any part thereof on behalf of the Shareholders in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued shares, held by such Shareholders or otherwise deal with such sum as directed by such resolution. Where any difficulty arises in respect of any such distribution the Directors may settle the same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any shares or debentures or other obligations, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights, and vest any such shares or debentures or other obligations in trustees upon such trusts for the persons entitled to share in the appropriation and distribution as may seem just and expedient to the Directors.

147. *Directors may deduct Debt from the Dividends.*—The Directors may deduct from the dividend payable to any Shareholder all sums of money due from him (whether alone or jointly with any other person) to the Company, and notwithstanding such sums shall not be payable until after the date when such dividend is payable.

148. *Dividends may be paid by Cheque or Warrant and sent through the Post.*—Unless otherwise directed, any dividend may be paid by cheque or warrant sent through the post to the registered address of the Shareholder entitled, or, in the case of joint-holders, to the registered address of that one whose name stands first on the register in respect of the joint-holding; but the Company shall not be liable or responsible for the loss of any such cheque or dividend warrant sent through the post.

149. *Notice of Dividend: Forfeiture of Unclaimed Dividend.*—Notice of all dividends to become payable shall be given to each Shareholder entitled thereto; and all dividends unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by a resolution of the Board of Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund. For the purposes of this Article any cheques or warrants which may be issued for dividends and may not be presented at the Company's bankers for payment within 3 years shall rank as unclaimed dividends.

Provided always that if shares shall have been issued during the course of a financial year the holder thereof shall subject to any arrangement made by the Directors to the contrary only be entitled to have paid to him in respect of dividends or bonus on such shares a proportionate part of the dividends or bonus for such financial year calculated on the proportionate part of the year from the date on which such shares were allotted treating such dividends or bonus as earned rateably over the whole year. No dividend or bonus shall be payable out of the capital of the Company and the declaration of the Board as to the amount available for dividend or bonus shall be conclusive. No dividend or bonus shall exceed the amount recommended from time to time by the Board, but the Company in General Meeting may declare a smaller dividend or bonus.

77. (c) Any General Meeting may direct payment of any dividend or bonus declared at such meeting or of any interim dividends or bonus which may subsequently be declared by the Directors, wholly or in part in sterling by means of drafts or cheques on London, or by the distribution of specific assets and in particular of paid up shares, debentures, or debenture stock of the Company, or of any other company, or in any other form of specie, or in any one or more of such ways and the Directors shall give effect to such direction; and where any difficulty arises in regard to the distribution, they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Shareholder upon the footing of the value so fixed, in order to adjust the rights of all parties and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend or bonus as may seem expedient to the Board.

78. The Directors may also, if they think fit, from time to time and at any time, without the sanction of a General Meeting, determine on and declare an interim dividend to be paid, and (or) pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

79. (a) Previously to the Directors paying or recommending any dividend on preference or ordinary shares, they may set aside out of the profits of the Company, such sum as they think proper as a reserve fund, and may invest the same in such securities as they shall think fit or place the same on fixed deposit in any bank or banks, and may from time to time deal with, vary, or realize such securities and dispose of all or any part thereof for the benefit of the Company. The Directors may divide the reserve fund into such special funds as they think fit, with full power to employ the assets constituting the reserve fund in the business of the Company, and that without being bound to keep the same separate from the other assets, and the Directors may also carry forward any profits which they may deem it not prudent to divide.

79. (b) The Directors may from time to time apply such portions as they think fit of the reserve fund to meet contingencies, or for the payment of accumulated dividends due on preference shares or for equalizing

dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises, or for the repair or renewal or extension of the property or plant connected with the business of the Company, or any part thereof, or for any other purpose of the Company which they may from time to time deem expedient.

79. (c) The Company in General Meeting may at any time and from time to time pass a resolution that any sum not required for the payment or provision of any fixed preferential dividend and (a) for the time being standing to the credit of any reserve fund or reserve account of the Company including premiums received on the issue of any shares or debentures of the Company or any sum arising from any operation creating an excess of assets on capital account or (b) being undivided nett profits in the hands of the Company, be capitalized, and that such sum be set free for distribution and be appropriated as capital to and amongst the Shareholders or amongst the members of any class of Shareholders in accordance with their rights and in the shares and proportions in which they would have been entitled thereto if the same had been distributed by way of dividend on the shares and in such manner as the resolution may direct, and such resolution shall be effective provided that such powers shall not be exercised unless recommended by the Board, and the Directors shall in accordance with such resolution, apply such sum in paying up in full (or, with the consent of the Shareholders aforesaid, in part) any unissued shares or debentures or other obligations of the Company on behalf of the Shareholders aforesaid, and appropriate such shares or debentures or other obligations and distribute the same credited as fully paid up (or, as the case may be, partly paid up) amongst the Shareholders aforesaid in the proportions aforesaid in satisfaction of their shares and interests in the said capitalized sum, or shall apply such sum or any part thereof on behalf of the Shareholders aforesaid in paying up the whole or part of any uncalled balance which shall for the time being be unpaid in respect of any issued shares held by the Shareholders aforesaid or otherwise deal with such sum as directed by such resolution. Where any difficulty arises in respect of any such distribution the Directors may settle the same as they think expedient, and in particular they may issue fractional certificates, fix the value for distribution of any shares or debentures or other obligations, make cash payments to any Shareholders on the footing of the value so fixed in order to adjust rights, and vest any such shares or debentures or other obligations in trustees up to such trusts for the persons entitled to share in the appropriation and distribution as may seem just and expedient to the Directors.

80. (a) No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

80. (b) The Directors may deduct from the dividend or bonus payable to any Shareholder all sums of money due from him (whether alone or jointly with any other person) to the Company, and notwithstanding such sums shall not be payable until after the date when such dividend or bonus is payable.

80. (c) Unless otherwise directed any dividend or bonus may be paid by cheque or warrant sent through the post to the registered address of the Shareholder entitled, or, in the case of joint-holders to the registered address of that one whose name stands first on the register in respect of the joint-holding; but the Company shall not be liable or responsible for the loss of any such cheque or dividend warrant sent through the post.

81. (a) Notice of all dividends or bonus to become payable shall be given to each Shareholder entitled thereto; and all dividends or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by a resolution of the board of Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund. For the purposes of this Article any cheques or

warrants which may be issued for dividends or bonus and may not be presented at the Company's bankers for payment within three years shall rank as unclaimed dividends or bonus.

81. (b) Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

81. (c) Every dividend or bonus payable in respect of any share held by several persons jointly, other than a firm may be paid to, and an effectual receipt given by, any one of such persons.

NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following Specification has been accepted :—

No. 2,291 of February 7, 1928.

George Ernest Moore.

"Continuous adjustable tea packing machine."

Abstract.—Platforms resiliently suspended by hangers are given a reciprocating motion by means of cams on a shaft; the motion is controlled by screwing up the platform against the suspension spring. A roller just projects through a slot in the platform to facilitate the removal of boxes.

Claims—

(1) A method of packing tea or like material into receptacles placed on vibrating platforms, each platform comprising a separate unit of a packing machine and operated by a single source of power such that the various grades of tea or other material being packed are given the appropriate amount of vibration by controlling the degree of vibration on each particular platform which may be effected independently of one another.

(2) A method of packing tea or like material according to claim (1) such that a packed receptacle may be removed from its platform without jarring its contents and without the stoppage of that particular platform or any of the other packing platforms.

(3) A continuous adjustable packing machine for tea or like material comprising means for utilizing a single source of power for vibrating a single or a series of packing platforms, said vibrating motion on each platform being adjustable and governed to suit the grade of material packed thereon independently of one another.

(4) A continuous adjustable packing machine according to claim (3) wherein means are provided for the removal of a packed receptacle without jarring its contents and without the stoppage of that particular platform or of any of the other packing platforms.

(5) A continuous adjustable packing machine for tea or like material comprising one or more units each consisting of a bedplate adjustably supporting a packing platform, said platform being kept in vibratory motion by rotating shafts each having cams attached thereto at suitable points along their lengths, said shafts being preferably located under said platforms and actuated from a single source of power, further means being provided to govern the vibratory motion by resilient stops.

(6) A continuous adjustable packing machine according to claim (5) wherein the resilient stops comprise a spring located around the bolts supporting the platform to the hangers attached to the bedplate.

(7) A continuous adjustable packing machine according to the preceding claims, wherein means for the removal of a packing receptacle without jarring its contents is effected by one or more rollers mounted on bearers attached to the bedplate such that the upper surface or surfaces of the roller or rollers slightly protrude through slots cut in the packing platform.

(8) A continuous adjustable packing machine for tea or like material constructed and adapted to operate substantially as herein described and with reference to the accompanying drawings.
