Statement of Objects and Reasons.

THE object of this Bill is to regulate and control whaling operations in Ceylon. Inquiries have recently been received from a Norwegian whaling company as to the conditions which the Government of Ceylon would impose on such operations and it has, therefore, become necessary to prepare legislation to deal with the matter.

2. The Bill prohibits whaling operations without a licence (clause 3), provides for the payment of licence fees, and an export duty on whale-oil (clauses 4 and 5), restricts the export of whale-oil (clause 6), empowers the Governor in Council to make regulations relating to whaling (clause 7), creates certain offences in relation to whaling (clauses 8 and 9), deals with the taking of whales for scientific purposes (clause 10), and with derelict whales (clause 11), and imposes penalties for breach of the Ordinance or regulations or conditions of licences.

3. A form of licence and a set of regulations are attached to the Ordinance. It is proposed to issue licences for a period of five years and to charge a fee of Rs. 300 for a licence (which will include permission to establish a factory and one whale-catching vessel), and an additional fee of Rs. 150 for each additional factory or vessel.
